Our Mission

This year's golf outing has been organized to raise funds for both GVSU's HTM Program and the Kent County Lodging Association's (KCLA) student scholarship fund. The funds generated will be used by both organizations to furnish numerous scholarships to students from GVSU and other Michigan university's hospitality programs to support their academic and professional development in our industry.

We'd like to thank you in advance for your ongoing support in this endeavor.

Warmest Regards,
