Dewees Island Hospitality Intern

Location: Dewees Island, SC
Looking for two smart, energetic, entrepreneurial interns to join our vacation rental business on gorgeous Dewees Island during the summer months. Accessible by ferry only, Dewees Island is 10 miles from Charleston, SC. Over 90% of the island remains in its pristine, natural state. There are no paved roads, and transportation is by golf cart, foot, or bike. We are a small local business and manage 10 short-term vacation rental homes and 4 suites. Our interns live on the island and are our eyes and ears on the ground. It is important to have excellent communication and problem solving skills. As a rental business, we never know what the day has in store, so we must be flexible and ready for anything that comes our way! Our interns must have a strong work ethic and excel at working independently. They must have a willingness to assist in all situations.

Interns must be comfortable being surrounded by nature. Dewees is a wonderful mixture of forest, marsh, and beach. Bugs, snakes, alligators and mosquitoes are all a part of life on Dewees. We are on an island after all!

*includes stipend and housing on the island. Interns may leave a car parked in our parking lot.
