SUBMIT ACADEMIC CONCERNS THROUGH NAVIGATE

Please note the first point of contact with the student should always be done by the faculty. If the faculty feels the student could use some pro-active outreach from the Student Academic Success Center concerning an academic need they can file a referral through Navigate. Academic concerns in need of pro-active support might include poor time management, academic procrastination, student was performing well and now all of a sudden has stopped attending or stopped turning in assignments.

Submit an alert in Navigate: gvsu.edu/navigate

SUBMIT A CARE REFERRAL

If a student expresses a non-academic concern and you feel they could benefit from having the Student Support Manager reach out to provide resources, you can submit as CARE referral at: www.gvsu.edu/care. Concerns might include a student disclosing mental health concerns, illness, loss of family member, or dependence on alcohol or drugs. For immediate student emergencies call 9-1-1.
