

Department of Statistics – Closed Class Permit Requests

We will not consider closed class requests until staffing for the semester is finalized - this is usually about 2 weeks prior to the start of the semester. Students should continue to watch on-line for openings in the section(s) that will fit into their schedules.

If you have extenuating circumstances (i.e. need the course to graduate) you can contact Cheryl via email (smalleyc@gvsu.edu) or phone 331-3355.

You should also continue to keep checking banner for openings.
