## GVSU's Profile of New Graduate Students: 2010-11 Academic Year

*\*Data in the Winter 2011 Pulse was transposed for the College of Liberal Arts & Sciences, the College of Education, and the College of Health Professions. The data is now correct in this edition, and we apologize for the previous effort.*

The data in this report is printed with permission from Philip Batty, Office of Institutional Analysis. For more information, go to [www.gvsu.edu/ia](http://www.gvsu.edu/ia)

This report describes characteristics of students who were newly admitted to graduate degree programs at GVSU in 2010-11, plus unduplicated total enrollments by program for that same year and degrees awarded by program for 2009-10. The 2010-11 academic year includes the Spring/Summer 2010, Fall 2010, and Winter 2011 semesters. For many graduate programs, students may have applied, been admitted, and/or matriculated in any of those semesters. For this reason, this report is run annually after Winter census and contains unduplicated counts for the full academic year.
