

POSITION ANNOUNCEMENT

Position: Assistant/Associate Professor in Climate Modeling/Climatology (12 month, Faculty)

Qualifications: Ph.D. with expertise in the field of climate modeling/climatology; postdoctoral experience is preferred; a demonstrated record of research, obtaining extramural funding for research, and publishing findings in the peer-reviewed scientific literature; ability to teach graduate courses in field of expertise; and desire to work in a collaborative, interdisciplinary environment. We are especially interested in applicants with experience working in the Great Lakes.

Responsibilities: Research responsibilities include obtaining grant support for research, advising undergraduate and graduate students, and publishing results in peer-reviewed literature. Teaching responsibilities will include courses in the applicant's area of expertise. Applicant will also serve on academic committees (as appropriate) and perform community service.

Salary: Commensurate with experience and qualifications.

Department/Division: AWRI/College of Liberal Arts and Sciences

How To Apply: Apply online at www.gvsujobs.org. Include a cover letter and resume. The online system will allow you to attach these documents electronically. The online application will ask for contact information for three references. For further information about the position please contact Dr. Alan Steinman (E-mail: steinmaa@gvsu.edu); further information about the Annis Water Resources Institute (AWRI) can be found at website: <http://www.gvsu.edu/wri>.

Deadline Date For Filing Applications: Review of applications will begin immediately and continue until the position is filled.

Allendale, Michigan 49401 - (616) 331-5000
