LATE SUMMER 2009

SPECIAL ANNOUNCEMENTS

Welcome to the first GVSU Toastmasters club newsletter! This newsletter will keep you up to date on club happenings such as contests, seminars, and other club news.

This year our club received the highest award possible for Toastmasters International: the President's Distinguished Award. Clubs receive points for getting new members, completing speech manuals, renewing members and more. Our club registered 14 new members, had 4 members finish their Competent Communicator manuals and two complete their Advanced Communicator. Congratulations to all and thanks for the help! We set the bar high for next year!

Also, Noreen won our club contest "Beat the Clock." By doing so she scored herself two tickets to a home Laker Football game and two sweatshirts. Congratulations Noreen!

MEMBER SPOTLIGHT

with Noreen Savage

Noreen Savage joined Toastmasters in 2006, and has been an active member in GVSU's Club, currently serving as VP of Membership. She previously served as Secretary and VP of Public Relations, and was responsible for creating GVSU's Toastmasters website (www.gvsu.edu/toastmasters).

Having recently earned the Advanced Toastmaster Bronze Award, Noreen is quick to point out that one of the greatest tools that Toastmasters provides is the gift of evaluation. "It is amazing to watch all of our members become better speakers and leaders through the sharing of honest and friendly feedback," she said.
