GIS Day 2008 at Grand Valley State University
"Our Shrinking World"

Presents

* GIS DAY 2008

Theme: Our Shrinking World

GIS (Geographic Information Systems) Day is an annual event sponsored by ESRI, the United States Geological Survey, the National Geographic Society, the Association of American Geographers, the University Consortium for Geographic Information Science, the Library of Congress, and Sun Microsystems. This event allows Grand Valley to showcase their projects and services to a variety of individuals, schools, and other organizations. GIS Day activities at Grand Valley are made possible through funding from the Michigan Space Grant Consortium, College of Liberal Arts & Sciences (CLAS), Department of Geography & Planning; and with support from the Regional Math & Science Center, College of Education, GVSU Library, University Bookstore, and the Environmental Systems Research Institute (ESRI).
