Brief Description of Responsibilities: _____

Name of Agency: _____

Brief Description of Responsibilities: _____

Date _____ Signature _____

Please see back side of page for further information.

PLEASE SUBMIT THE FOLLOWING WITH YOUR APPLICATION:

The application consists of the following additional components, all of which must be **completed and submitted by February 1, prior to the intended fall entry**. Late applications will be considered assuming requirements are met and space is available in the program.

1. Resume (prepared on a separate sheet of paper).
2. Statement of professional philosophy (1-2 pages).
3. Unofficial copy of transcripts from **all** colleges/universities attended.
4. Three completed CLS recommendation forms – one from a chemistry faculty, one from any science faculty, and the third source is the choice of the applying student. These forms are to be mailed to the address below by the evaluators.

After review of the application, students who meet the admission requirements will be contacted to schedule an interview with CLS faculty. Interviews will be held from February 1 through February 28.
