However, such planned early completion shall be for the Contractor's sole convenience and shall not create any additional Contractor rights or Owner obligations under this Contract For Construction, nor shall it change the required dates of Substantial Completion or Final Completion. - 6.6 **Additional Or Modified Supplemental Provisions.** Additional or modified supplemental provisions, if any, are listed in Appendix 1 and incorporated herein by reference.

## ARTICLE 7 REMEDIES FOR DELAY

- 7.1 **Time Of The Essence.** The parties hereto mutually understand and agree that time is of the essence in the performance of Work under this Contract For Construction, that the Purchase Order time periods are reasonable for performance of the Work, and that the Owner will incur damages if the Work is not completed on time. The Contractor shall at all times carry out its duties and responsibilities as expeditiously as possible and shall begin, perform and complete its services so that:
- (i) the Work progresses in accordance with the Construction Schedule;
  - (ii) the Work is substantially completed by the required date of Substantial Completion; and
  - (iii) the Work is finally complete by the date of Final Completion.
- 7.2 **Compensable Delay.** If the Contractor is delayed at any time in the progress or performance of the Work by:
- (i) acts or omissions of the Owner;
  - (ii) major changes ordered by the Owner in the scope of Work; or
  - (iii) any other cause which the Owner determines may justify the compensation of the Contractor for the delay,
- the Contractor's compensation shall be equitably adjusted to cover the Contractor's actual and direct increased costs attributable to such delay. However, the Contractor shall nevertheless ensure that the Work is substantially completed by the required date of Substantial Completion and finally complete by the date of Final Completion.
- 7.3 **Excusable Delay.** If the Contractor is delayed at any time in the progress or performance of the Work by fire or a natural disaster which damages or destroys all or a substantial portion of the Work, the Construction Schedule shall be extended for a period equal to the length of such delay, but only if
- (i) such delay is not in any way caused by default or collusion on the part of the Contractor or by any cause which the Contractor could reasonably control or circumvent;
  - (ii) the Contractor would have otherwise been able to timely perform all of its obligations under this Contract For Construction but for such delay; and
  - (iii) immediately but not later than seven calendar days after the beginning of any such delay the Contractor gives notice of its delay claim to the Owner.
- 7.4 **Owner's Right To Withhold Payment.** When it reasonably believes:
- (i) that Substantial Completion will be inexcusably delayed; or
  - (ii) that the Contractor will fail to achieve Final Completion by the date of Final Completion, the Owner shall be entitled, but not required, to withhold from any amounts otherwise due the Contractor the daily amount specified for liquidated damages in this Article for each calendar day of the unexcused delay.
- If and when the Contractor overcomes the delay in timely achieving Substantial Completion or Final Completion, or any part thereof, for which the Owner has withheld payment, the Owner shall promptly release to the Contractor those funds withheld, but no longer applicable, as liquidated damages.
- 7.5 **Additional Or Modified Supplemental Provisions.** Additional or modified supplemental provisions, if any, are listed in Appendix 1 and incorporated herein by reference.
