

# 1E RIM Cylinder

[1E Mortise](#) | [1E Rim](#) | [1E High Security](#) | [5E Utility](#) | [Misc Mortise](#)

## FEATURES

Standard rim cylinder applications require the use of Best's 1E rim cylinder series. Best rim lock cylinders are interchangeable with other manufacturers' rim cylinders. Best rim cylinders are machined from solid bar stock and are available in a variety of finishes. The standard package for the Best rim cylinder includes cylinder, 1E-R3 and 1E-R5 rings, 1E-S2 spindle, clamp plate and clamp plate screws. Best rim cylinders feature the Best interchangeable core and may be master keyed into any existing Best system.
