I also have attended the Commission orientation where the definition of employment and the Federal Fair Labor Standards Act requirements have been explained. I have read and understand the TC-1, Box Number 9, which states that on the first day of training, I meet all the Federal Fair Labor Standards Act Requirements. This statement means: 1) I am receiving at least minimum wage from the employer I have identified on my application for all hours spent in the academy and any additional hours worked outside the academy; 2) I am not volunteering to work time for my employer; and 3) I have not entered into any contractual (signed or unsigned, verbal or written) agreement with my employer that would obligate me to donate money to compensate my employer for tuition and wages, or to volunteer time outside or after the academy, to compensate or repay my employer.

Even if there is no agreement with my employer, I have not and will not, nor have or will I allow anyone in my name, to voluntarily reimburse my employer in any form for tuition and wages provided to me to attend the academy.

I understand these requirements and am verifying that my employment meets these requirements at the time of entry into this training session. I also understand that I will be required to produce, to the Training Director, a copy of proof that wages are being paid to me by my employing law enforcement agency sometime during this approved training session.

Furthermore, I understand that if there is any change in my employment status during this training session, I must notify the Training Director and the Commission immediately.

I recognize that any misrepresentation on my part to obtain licensing or a state subsidy of tuition costs constitutes fraud and is punishable as a felony under Section 750.218 MCL.

(13)

I have never been convicted of a crime that is a misdemeanor under either Federal or State law that has as an element the use or attempted use of physical force, or the threatened use of a deadly weapon against a current or former spouse, parent, guardian or a person with whom I cohabit or have cohabited or with whom I have a child in common or against any person similarly situated to a spouse, parent or guardian.
