

WISE Tutoring Schedule for Winter 2007

	Monday	Wednesday	Thursday
Topic	Biology	Chemistry General Chemistry emphasis (CHM 109, 115, 116), but Organic CHM (231) questions welcome	Math
Time	6:00-7:00pm	6:00-7:00pm	6:00-7:00pm
Tutor	Alana Kincaid	Brittany Benson	Kate Monfils
Topic	Monday Chemistry		
Time	7:00-8:00pm		
Tutor	Becky Quardokus & Erica Schwander Organic chemistry and General Chemistry questions welcome		

Tutoring is free. All WISE residents are welcome at any tutoring sessions. Tutoring is an informal question/answer session where you can work on specific problems, get help organizing the material or your notes, and study in groups with other WISE residents. Feel free to stop in and ask the tutors questions about the above subjects or about their majors and classes in general.
