| Section: 2.0 | This procedure supersedes those previously drafted |
| Initially adopted as procedure on June 18, 2007 | Approved by: Dean of Graduate Studies and Grants Administration, 11-15-2007. |
| Related Sections: | |

It is the procedure of GVSU that all research involving human subjects must have written approval from the HRRC or a written determination of exemption from the HRRC prior to the enrollment of any subjects in the research activity. For determining which activities require either HRRC approval or determination of exemption, see *Determination of Human Subject Research* in the HRRC Manual
