

Student Name: _____ **G#:** _____ **Date:** _____

Track 1...is designed for students who have earned a bachelor's degree in a speech language pathology field, or those who have or will have earned a bachelor's degree and will have completed all of the necessary prerequisite coursework listed below. **Application deadline is January 15th.**

Program outline

- 4 consecutive semesters (fall, winter, summer, fall)
 - Fall semester: Full-time SLP coursework & community based clinical exposure w/ GVSU faculty
 - Winter & Summer: Full-time SLP coursework & 2-4 days per week in the community with a practicing SLP
 - Fall semester: Full-time, unpaid internship (no coursework)

√	Prerequisite Courses (GVSU Courses) "C" or better in prerequisite classes and a minimum 3.0 prerequisite GPA required.	Minimum Credits	School	Course Equivalent	Grade
	Anatomy & Physiology of Speech/Hearing Mechanism (CSD/SLP 302)	3			
	Language Development (CSD 220 or SLP 303)	3			
	Phonetics (CSD/SLP 304)	3			
	Hearing Science (CSD 200 or SLP 305)	1.5			
	Speech Science (CSD/SLP 306)	1.5			
	Basic Audiology (CSD/SLP 309)	3			
	Neurological Foundations of Communication Disorders (CSD/SLP 401)	3			
	Aural Rehabilitation (CSD/SLP 404)	3			
	Two courses in a disorders area (SLP 407, 420, 421, 422)	4			
√	National Certification Course Requirements				
	Biological Science Course (BIO 120)				
	Physical Science Course (PHY 200)				
	Statistics Course (STA 215)				
	One Psychological or Social Science Courses (PSY 101 or other SBS Gen Ed)				

The above prerequisite coursework may be in progress at the point of application, however all prerequisite courses must be completed prior to the start of the program with a "C" or better and with a minimum overall 3.0 prerequisite GPA. Courses taken at other institutions may be titled differently than the GVSU equivalent. In such cases, a review of course syllabi may be requested to ensure that relevant content has been covered.

Application Requirements

Applications for both Track 1 will be completed through the Communication Sciences and Disorders Centralized Application System (CSDCAS). All applications and supplemental materials must be received and verified by CSDCAS and GVSU by the **January 15th** deadline.

- CSDCAS completed application
- "C" or better in prerequisite courses with a 3.0 minimum prerequisite and overall GPA
- 3 Electronic Recommendations
- Personal Statement
- Resume
- Official transcripts from all colleges/universities attended
- Essential Functions document (attached to document section of CSDCAS application)
- GVSU supplemental application

Student Name: _____ G#: _____ Date: _____

Track 2... is designed for students who have earned a bachelor's degree, but have not taken the necessary prerequisite coursework listed below. **Application deadline is June 15th.**

Program outline

- 6 consecutive semesters (fall, winter, fall, winter, summer, fall)
 - Fall I semester: Full-time leveling coursework
 - Winter I semester: Full-time leveling coursework
 - Fall II semester: Full-time SLP coursework & community based clinical exposure w/ GVSU faculty
 - Winter II & Summer: Full-time SLP coursework & 2-4 days per week clinical with a practicing SLP
