Read Muskegon Internship Opportunities

Read Muskegon is the adult literacy council for Muskegon County. Our vision is that all of our residents have access to high quality literacy instruction that enables them to reach their full potential and positively contribute to their community. Read Muskegon is goal-oriented meaning that each learner chooses their own goals and Read Muskegon staff and volunteers help the learners reach those goals.

Read Muskegon currently has four programs:

1. One-on-One Tutoring: tutors work with their learners in a one-on-one setting for 1.5 hours each week towards the learner’s goals.
2. Literacy Labs: Drop-in literacy centers in adult education buildings, community organizations, and head starts where people can drop-in and work on anything literacy-related (job applications, lease agreements, reading to their children, etc.)
3. MI Works PATH Class: Teacher taught and volunteer supported class that works with parents seeking work.
4. EXIT Program: Teacher taught and volunteer supported class that works with ex-offenders enrolled in a jobs-training program.

Interns have the opportunity to do any, or all, of the following:

1. Program Development
2. Website and Social Media Development
3. Outreach throughout Muskegon County
4. Helping in each Program
5. Administrative Assistance
