GVSUAlert•)

- **GVSUAlert!** is a mass, urgent notification system, designed to notify students, faculty and staff of a campus emergency via a variety of methods including:
 - Text messages (SMS)
 - Email (Automatically enrolled)
 - Voice message
- When the GVSU Police Department determines there is an active emergency in which the safety of the campus community may be at risk, an urgent notification through the **GVSUAlert!** system will be initiated.
- All GVSU Students, faculty and staff members are automatically registered to receive email notification to their email address. In order to receive **GVSUAlert!** sms (text) messages, faculty, staff and students must register at www.gvsu.edu/gvsualert
