Family Futures is a parent-focused West Michigan nonprofit dedicated to building safe and strong families. Every semester, Family Futures is fortunate to have dedicated interns from a wide-range of backgrounds that donate their skills and time to support our work throughout the community.

An unpaid internship opportunity is currently available for a student interested in learning about local politics and supporting a campaign for a potential Kent County children’s millage. The Campaign Support intern will work closely with the Volunteer Manager and Executive Director.

Duties & Responsibilities
- Conduct research and complete literature reviews as needed
- Work with data to find necessary information
- Meet and work with community partners
- Develop and hand out campaign information at community events
- Attend and take minutes at community meetings
- Coordinate campaign volunteers as needed

Qualifications
- Interest in gaining experience in non-partisan political campaigns
- Must be supportive of a possible Kent County children’s millage
- Easily able to navigate and work with data to find information as needed
- Strong research skills
- Proficient in Excel
- Comfortable with ambiguous assignments
- Ability to work independently and as part of a team
- Strong written and oral communication skills
- Must be comfortable meeting with new people
- Ability to practice discretion and maintain confidentiality
- Preferred commitment of two semesters, though not required

Application Instructions
- Complete online internship application, uploading a current resume and cover letter
- For more information, please contact Bryana Hopkins, Volunteer Manager, at 616-855-5461 or internship@familyfutures.net.
