### ELECTIVES

All courses below are offered at GVSU in the coming academic year and will count toward IR electives. Remember that IR students need **5 electives/15 hours** to fulfill the major. There must be at least **1** course in each of the first three categories. At least **1 course per category** must be at the 300-level or above. With the approval of the Program Coordinator, students may count courses taken via study abroad toward the major.

*Please note the MyPath should recognize most of these courses as IR electives. However, in the event it does not, please notify your advisor, as all courses below will count toward your major. In the semester before you plan to graduate, you should file an "intent to graduate" with the Registrar. At that time, meet with your academic advisor to identify the elective courses you are using toward your major.*
