**The final plan for the COE Education Specialist program should have been delivered to Grad Council members' offices early last week. As the implications of this program are far-reaching for GVSU and its future, I wish to give appropriate attention to deliberations of its merits and limitations. Therefore, please review, at least on a preliminary basis, the text of the plan (pp.1-34) and be prepared to engage in a beginning discussion this week in anticipation of more formal deliberations and the final GC vote on Nov. 4, following the Provost's visit. The Curriculum Subcommittee will be discussing the document just prior to the full Council meeting, and will bring forward some of the subcommittee's initial comments, questions and recommendations to facilitate the discussion.
