

HST 380: MTTC Test Prep

Unsure of your preparation for the MTTC? Need a brush-up course before spending anywhere from \$75 to \$130 dollars for the MTTC test? Please consider taking the HST 380 1 credit hour, online course that has proven to successfully prepare GVSU students for the MTTC. This course features multiple resources for study, multiple practice tests and feedback from the professor, both online, and in person, if necessary, to prepare for the test which determines your certification to teach in the state of Michigan. Why take the MTTC multiple times when you are prepared the first time you take the test? Contact the History Department for further details.
