Legal Education Admission Program (LEAP)

The Grand Valley School of Criminal Justice and the Michigan State University - College of Law have partnered to offer a 3 + 3 program which provides Legal Studies majors with the opportunity to earn a B.S. or B.A. and a Juris Doctor (J.D.) in approximately six years of study.

Interested students complete a minimum of 91 credits comprising the required undergraduate courses in their first three years of study at Grand Valley. This includes all university-level requirements as well as the requirements for the Legal Studies major. Upon admission to the law school, Legal Studies students complete their undergraduate electives with law school courses. Up to 29 credits of MSU-CL work in which the student has earned a 2.0 or above will be accepted. The B.S. or B.A. will be awarded upon satisfactory completion of the number of credits and requirements necessary for the undergraduate program.

The Legal Education Admission Program (LEAP) is open only to those students who matriculate as first-year students at Grand Valley. Students may apply any time prior to their senior year for consideration under the program. A Joint Committee that is comprised of faculty from both institutions will admit students to the LEAP program on the basis of undergraduate record, ACT scores and other information deemed relevant. In order to be eligible for consideration for final admission to MSU-CL, students enrolled in the 3 + 3 program must have earned an aggregate Grand Valley grade point average of 3.6 or above, achieve an LSAT score of 156 or above, and satisfy any other current MSU-CL admission requirements.
