[CONFERENCE DETAILS AND REGISTRATION](#)

We invite abstract submissions for poster presentations to be prominently displayed at the **2018 West Michigan Health Care Ethics Conference** in Grand Rapids, Michigan. The theme is **“The Ethics of Genomic Medicine.”**

We welcome submissions from students, healthcare professionals, administrators, researchers, educators and policy makers, on any of the ethical issues that arise in health care, and particularly from those interested in addressing the ethical implications of genomic medicine. It is expected that the poster author be present with their poster during the breaks on the day of the conference.

Special considerations will be given to student submissions in the relevant fields in an attempt to keep with the conference’s commitment to education.

Guidelines for Abstract Submission

All abstracts must be submitted online at the above link.

Please include the following information in your abstract document:

Headings and content:

- Contact information (primary contact person’s name, organization, e-mail, phone)
- Authors (Name, credentials, organization)
- Background significance of the central issue
- Methodology or approach to the question
- Results, or main arguments
- Conclusions

Abstract Preparation: Abstracts should not exceed 350 words, and should be uploaded to the [submit abstract](#) link.

Deadline: Submissions acceptance closes at midnight (Eastern Standard Time) on Wednesday, January 31, 2018. Authors will be notified by February 9, 2018. Abstracts that do not meet submission requirements may not be reviewed.
