**EDF 100 is an exploratory elective for students uncertain about pursuing teacher certification. It can be taken in either the fall or winter semester.****<sup>1</sup>Students must fulfill MTH 110, MTH 122, and MTH 123, or MTH 124 or waive the requirement through math placement. These courses do not count towards the completion of the Mathematics major.****<sup>2</sup>Students must complete a total of two courses with an SWS attribute.****<sup>3</sup>Mathematics-Secondary students must complete one Math Cognate Course. Options are listed on the back of this page.****<sup>4</sup>Mathematics-Secondary students must complete one elective course in Math. These electives are listed on the back of this page.****<sup>5</sup>EDS 379 may be taken prior to the Teacher Assisting semester but **must** be completed prior to Student Teaching. Please consult with your College of Education Advisor to determine an appropriate time to take this course.****<sup>6</sup>Students who self-place into WRT 098 should take this course in the fall semester and then take WRT 150 in the winter semester of the first year. Students who self-place into WRT 150 should take this course in the winter semester of the first year. A grade of C or higher is required to fulfill the WRT 150 requirement.****It is imperative to meet with your faculty advisor and an advisor in the CLAS Academic Advising Center regularly.****The CLAS Academic Advising Center is located in C-1-140 MAK, 616-331-8585.****Your academic advisor in the CLAS Academic Advising Center is Nick Woodward ([woodwani@gvsu.edu](mailto:woodwani@gvsu.edu))****Online at: <http://www.gvsu.edu/clasadvising>**

<sup>7</sup>Students may also complete MTH 496 – Senior Thesis - as the capstone requirement. Consult with your mathematics faculty advisor to discuss these options.

Mathematics students can pursue a Bachelor of Arts or Bachelor of Science degree. Students who wish to obtain a BA must fulfill 3<sup>rd</sup> semester proficiency in a foreign language (201 level). The BS requirements are incorporated into the major requirements and include MTH 201, MTH 202, and STA 312.

#### Declaring the Mathematics and Education Major with Teachable Minor
