ED 379: Universal Design for Learning: Secondary**	3		
<b>Total</b>	<b>17</b>	<b>Total</b>	<b>13</b>

### Notes:

\* These courses are prerequisites to the College of Education. Student must have a minimum grade of C in these classes, plus a 2.7 GPA overall and a 2.7 in their major and minor. Classes must be completed prior to applying to the College of Education. A student selecting secondary education must also have a teachable minor. **Consult with your advisor!**

\*\* ED 370 and/or ED 379 may be taken during or after Assisting but must be taken before Student Teaching.

<sup>1</sup> Skills development activity courses (five credit hours) selected from PED 100 through 179, one of which must be aquatics. May sub PED 214 or PED 215 for PED 150-151. Each skills course must be from a different numerical category.

<sup>2</sup> Students who pass the WRT 305 exam have room to take a Gen Ed., Theme, or elective course in this semester.

### Special Notes:

- This is a **general curriculum** guide and will not work for everyone, especially those students who have AP or CLEP credit.
- Courses that have (*Gen Ed*) written after them are classes that are required in the major and also fulfill a section of the general education program.
- Remember to fulfill your 2 SWS requirements; 1 can be taken in the gen ed. program and 1 in your major (PED 401– Capstone covers one SWS).
- Some classes are in multiple sections within the gen ed. If you take a course that can be counted in two categories, you can open up 1-2 more spots for major electives.
- You must have **120 credits** to graduate from Grand Valley State University.

**It is imperative to meet with your faculty advisor or an advisor in the CLAS Academic Advising Center early in your career. The CLAS Academic Advising Center is located in C-1-140 MAK, 616-331-8585.**
