

Certificate in Sport Coaching

Department of Movement Science

The Certificate in Sport Coaching provides prospective coaches with theoretical knowledge and practical experiences in accordance with the *National Standards for Sport Coaches*. The focused coursework consisting of MOV 201: Psycho-social Aspects of Physical Education and Sport, MOV 217 + 218: Modern Principles of Athletic Training, PED 355: Current Topics in Coaching, and PED 460: Fieldwork in Sport Leadership (Coaching) stresses the importance of developing an athlete-centered coaching philosophy and a scientifically-based understanding of current issues in sports medicine, motor learning and coaching theory. Students completing the Certificate in Sport Coaching will have a record of this accomplishment appear on their academic transcript.
