HALLOWEEN FUN

This past Halloween weekend was filled with busy activities. Between the football games, Halloween celebrations, and, of course, studying, Anchor Community Council was eager to help students get ready for the spooky spectacle. Anchor and its members provided art supplies for all student in the Niemeyer MPR and made amazing Halloween art! Doors and dorms became colorful, fun, and unique!

Anchor also participated in this year's Pie Your RA event! For just a dollar, student were all too eager to smash and smudge pie in the faces of their RAs.

Anchor is always welcoming new members with new ideas! Run your own TIL(Tuesdays in the Lounge), become involved with our many service projects, and come have fun!

Anchor meets weekly in room 148 in Niemeyer @ 9:30 on Wednesdays!
