Significance of research; coger Outstanding Senior Projection originality; depth, extent, or si Outstanding Creative Accordinality; creativity; elegance Excellence in Collaborate research; as well as other criteria.	ect (research, lab work, webpage, gnificance of research; impact or hievement (performance, artistice of presentation; etc. ive Research (research with a factia in the above.	ia: originality of thesis; depth, extent, or , brochure, lesson plans, etc.). Possible criteria: r practicality of project; etc. r project, unique project, etc.). Possible criteria: culty member). Criteria: contribution to joint ution to society—local, regional, or global.
	nilar projects I have supervised, t	nominating the student for this project. The

In a few paragraphs below, please describe the reasons you are nominating the student for this project. The more specific you can be, the better. Return the form **and an electronic copy of the project** to the Honors Office at honors@gvsu.edu. Nominations without at least a sample of the student's work will not be considered.
