Motivational Post-It Notes!

At the December 2nd Meeting, ANCHOR Community Council members created dozens of motivational and humorous post-it notes with phrases including, "Stay awesome!" and "May the curve be in your favor!" to display at the Mary Idema Pew Library, Niemeyer Living & Learning Center, and in the Hills Living Center as a reminder that there is more to life than the stress associated with finals! Thank you to everyone who participated and we hope your final exams went well! Also, we extend our thanks to Humans of Grand Valley for the feature on their Facebook page!
