Class hours: Tu/Th—10:00-11:15 & 11:30-12:45, room 1117 AuSableHall

Office Hours: I am looking forward to meeting and talking with you this semester. I will be in my office Tuesdays and Thursdays after classes 12:50-2:15. If these times are not convenient, please speak with me so we can arrange an appointment.

Required Text: None—primary sources only.

Course Objectives: Psychology is a diverse area of study. Based on contemporary work, both theoretical and applied, this course will offer a survey of major viewpoints in psychology. Readings from other disciplines (biology, medicine, sociology, and philosophy, etc.) will be included to highlight various aspects of the study of psychology and its relation to other sciences.

Class Format: This is not a lecture class. This is a discussion-based course. I encourage you to ask questions and participate in classroom discussions. Your grade is based in part on your participation. Reading class material prior to class attendance will be required. Due to class format frequent absences from class may reduce your final grade.

Grading: Your final grade will be based on three (3) exams, eleven (11) write-ups and questions related to the assigned readings (submitted weekly), and class participation. Each exam will consist of a minimum of four (answer three) essay questions drawn from the readings and class discussions. Each exam will cover material from a particular section of the course, and will count equally toward your final grade. The third exam (given during finals week) will not be comprehensive. Each exam will count for 60 points. Questions & write-ups will be worth 187 points (11@17 points combined). Participation will be worth 57 points [19@3.0 of 22 (drop three of your choice)]. Thus, the maximum number of points you can gain for all exams, write-ups, questions, and participation is 424 points. You are guaranteed the following grade based on your total score:

384-392 A-

Course processes (3)

I. Weekly essays. (15 points for all articles - each week)
What is the point of the article? Focus on the theoretical premise of each article. You may (briefly) discuss the methodological strengths and weaknesses of the article, but this is not to be a "book report" or simple reiteration of the article. Please make sure each of your essays provides a concise synthesis of the article. Based on the article, what is your impression of the author(s) perspective, and why? Explain and apply the material, findings, and/or data within each of the readings (please see Bb for several examples).

-> Use the weekly grade sheet as your cover sheet for each set of weekly write-ups (attached as well as posted on Bb) and assemble your essays in the exact order as on Bb.

Use APA style for each write-up. Use the author's name as the header along with page number, center the title of each paper being reviewed on the first line, and place the bibliographic listing as the final lines of each essay).

<table>
<thead>
<tr>
<th>Header (author's last name)</th>
<th>Buss 1</th>
</tr>
</thead>
<tbody>
<tr>
<td>Title centered</td>
<td>Human nature and culture: An evolutionary psychological perspective</td>
</tr>
<tr>
<td>---</td>
<td></td>
</tr>
<tr>
<td>---</td>
<td>Your synopsis here---</td>
</tr>
</tbody>
</table>

-> Feel free to use smaller font (to make it all fit on one page) and to use both sides of the page to save paper.

-> * denotes a half-page write-up.

Your weekly write-ups are due by the end of class each Tuesday. Late papers lose 3 points a day starting Tuesday after class. I am unable to accept any papers via email. Period.

Please note (General Academic Policies, p.78; 1996-1997) Plagiarism is "Any ideas or material taken from another source... must be fully acknowledged... sentences or paragraphs... any student who fails to give credit, is guilty of plagiarism." Such activity (plagiarism) may result in failure of a specific assignment, an entire course, of if flagrant, dismissal from GVSU."

II. Weekly Questions? (2 points)
Based upon your reading and personal beliefs list a minimum of three questions related to the articles (as a whole, not three per article), but they need to come from at least three (3) different articles assigned for the week (list source for each question). Please consider asking questions about aspects of any given paper that move you, or confuse you.

These will be due by 5:00 p.m. each Monday via email. No credit will be provided for questions delivered after 5:00 p.m. -> 5:05 p.m. is late = zero (0) credit. Please do not delay! (You may feel free to send them in on Sundays if you like.)

-> Please place a header on your e-mail “Psy-492 -- Section XX -- Questions”
Send these in the main body of your email--do not use an attachment.

III. Participation (up to 3.0 points per class, excluding three 'skips' and review sessions/exams)
Please review the participation handout on Bb for specific grading criteria.

Review only (no write ups & no questions):

-> REMEMBER to read all papers in the order as presented on Bb!
