To be approved for student teaching, students must have completed at least 24 credit hours of courses in the major including 210 and at least two of 322, 323, or 324. **Students apply to College of Education during the semester immediately preceding their teacher assisting semester.**

**Only courses with a MTH or STA designation that are applied to the major should be used in calculating the GPA. The College of Education requires minimum 2.7 GPAs overall, in the major, and in the minor for regular admission. Those with GPAs of 2.50-2.699 can pursue the secondary review process for admission.

☼ Completion of MTH 201, 202, & STA 312 satisfies the BS degree requirement. For a BA, students must also satisfy the foreign language requirement.

Some course substitutions are possible in specific circumstances or with approval by the chair. These can be found on the Math Policies website: <http://www.gvsu.edu/mthpolicies/> under "Students & Curriculum".
