Prepare to implement the new MI Science Standards by attending the:

NGSX Summer Academy

[NextGen Science Exemplar System*]

Offered through the GVSU Regional Math and Science Center (RMSC)

The Next Generation Science Exemplar System for Professional Learning, or NGSX 2.0*, is a discourse based Professional Learning environment designed to engage teachers with the practices and disciplinary core ideas in the National Research Council’s Framework for K-12 Science Education, supporting teachers in the enactment of the Michigan Science Standards.

In this workshop, teachers will:
- Engage and deeply examine the Science Practices of Modeling, Explanation, and Argumentation
- Develop and utilize tools to improve classroom practice toward achieving the vision of the Framework

Teacher Professional Learning Opportunity facilitated by:
- Kathy Agee, Science Program Coordinator, RMSC
- Wendi Vogel, Science Consultant, Kent ISD

**Audience:** K-12 Science teachers  
**Dates:** August 1-5, 2016  
**Time:** 8:00 a.m. - 4:00 p.m. daily  
**Location:** GVSU Allendale Campus  
**Cost:** $200, includes all materials / lunch

**SCECHs:** Pending Approval  
**Registration:** Online registration at www.gvsu.edu/rmsc/ngsx  
**Deadline:** May 17, 2016
Limited to 25 participants
