Tips for Getting Started

- Consider a general area in which you want to do work
- Start reading in the interest area
- Start formulating ideas as you read
- Talk to experts in the interest area
- Keep a research notebook or journal
- Once you decide on a research project consider:
 - Do you need approval (human, animal, or lab)?
 - Do you need funding?
 - Can the project be done in the timeframe of the degree?

UNIVERSITY LIBRARIES

Program Liaison Librarians

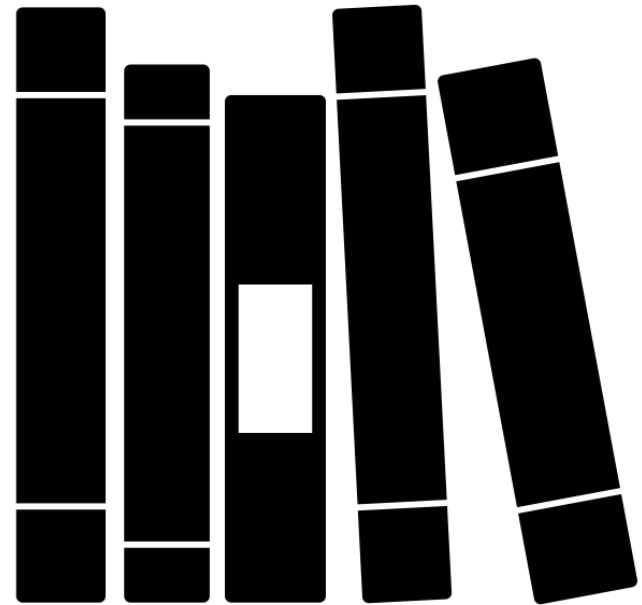

Created by Juan Pablo Bravo
from Noun Project

Are the primary link to the libraries, who provide assistance with:

- your research question
- copyright and author rights
- data reference
- citation management help

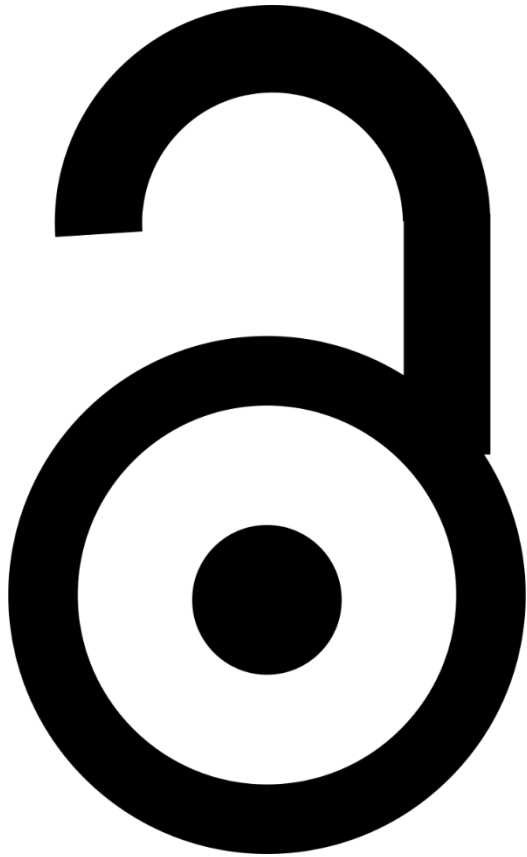

Library Collections

- From rare books to the latest research across disciplines
- If the library does not have it, staff can get it for you through document delivery

Created by vicentnova
from Noun Project

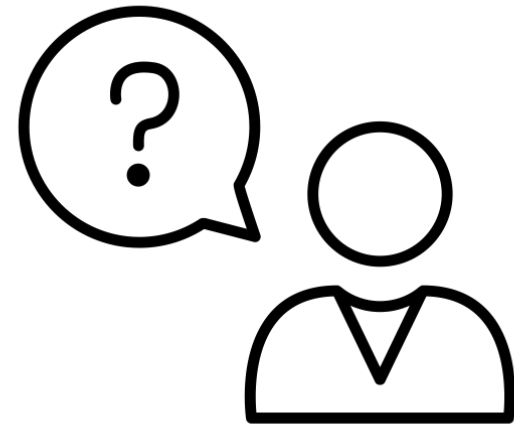

Scholarly Communications

- Services and infrastructure to help showcase and disseminate scholarly, creative, and educational works by GVSU student authors

Additional Support Services

- Document delivery
- Interlibrary loan
- Knowledge Market

**They are there to
help!**

**Have a question?
Just ask**
