Report from the Chair: 1) official UAS charges to UCC to be sent out soon.
2) International Task Force recommendation charge is asking us to comment on their recommendation. The senate did not create the task force so it cannot ask the task force to do anything. We are charged to comment on their recommendations whether we support or have issues with them. 3) Google docs is working well for the capture of comments. Please submit the changes by 1:30 prior to each UCC meeting (same day).
