Action: approved with amendment

- 7874 Education Doctorate NPP

Action: tabled

Comment: Discussion concerning the EdD NPP was extensive concerning the need for the program and the review provided by the Graduate Council and FSBC. It was decided that the proposal be tabled in order for UCC to provide feedback to ECS relevant to the specific curricular issues that need to be addressed or that may raise a concern, looking at comments of this program proposal review that had occurred in Winter 2013 by UCC.

Adjourn: 3:55 PM
