**Report from the Chair:** Chair, co-authored a memo with the FPPC chair to senate and asked that the FPPC chair be removed from the prospectus review committee.

**Report from the Provost:** 1) All members were sent the NSSE report for review. Overall, students seem to really “love GVSU”. Faculty appears to do very well with high impact practices (internships, capstones, etc.), and meeting with students, some mention of “how often have you met with your advisors”. It is important that we reach out to students and assist them with their academic progress. Several areas about interactions with persons of other races and ethnicities may need to be addressed.  
2) The “teach in” today is going well, and reported good attendance, excellent discussion. Continues till 10 PM this evening.
