Midwest Interprofessional Practice, Education, and Research Center (MIPERC) Student Award Nominations (Individual)

**Description:** The Student Award provides the MIPERC an opportunity to acknowledge the outstanding commitment and contribution of a student to the mission of the MIPERC and the promotion of Interprofessional concepts in both educational and care settings.

**MIPERC Mission:** To identify ways that partners can develop collaborative, innovative, and Interprofessional initiatives across disciplines, learning institutions, and health care systems.

**Basic Requirement:** To be eligible, an individual must be actively contributing towards the mission of Interprofessional education through participation in IPE based events and programs.

**Criteria:** The selection committee’s considerations when selecting the award recipient may include the following qualities/characteristics:

- Actively participating in the IPE Student Certificate Program.
- Willingness to collaborate with students from other disciplines in an effort to become immersed in IPE concepts.
- Promoting Interprofessional care in the local or regional community.
- Being an enthusiastic role model and mentor for those interested in Interprofessional Education.

**Submission Process:**

Candidates may be nominated by health administrators, staff, educators, and preceptors associated with a MIPERC academic partner organization.

**Required Documentation for Nomination:**

- Completed on-line nomination form and
- Upload one-page typed letter of nomination (in 11 pt. Times New Roman font, double-spaced) addressing one or more of the criteria listed above.

**Nomination Deadline:** Sunday, August 21, 2016

**Notification of Awards:** Monday, September 5, 2016

**Presentation of Awards:** Thursday, September 22, 2016 at the Midwest Interprofessional Practice, Education, and Research Center Conference to be held at GVSU Richard M. DeVos Center.
