Participant Payment and Registration:

The organization hosting the certification is responsible for collecting all payment and participant information. The organization is responsible for providing Campus Recreation with the following:

- Registration: Campus Recreation needs a list (names and e-mails) of the people who will be taking the class.
NOTE: There is a four person minimum to conduct a session. There is a 10 person maximum per session (multiple sessions can be conducted to accommodate more than 10 people.)
- Payment: Payment should be made in the form of check (made out to GVSU Campus Recreation) for the class. We require one check with the total payment of all class participants. It is advised that your organization collect payment from individuals at the time of registration, and then your organization issues a check with the total payment to GVSU Campus Recreation.

Registration and payment are due three business days before the class is to be held. Payment can be made at the Fitness & Wellness Center, located in the fieldhouse, on the bottom floor of the rec center next to the basketball courts.
