

Private Tutoring List GVSU Department of Mathematics 2015-16 Academic Year

The following are mathematics majors who have expressed an interest in being a private tutor. Any financial arrangement between a tutor and a student is to be determined by the two of them. **The department does not do not verify tutor qualifications and does not endorse any private tutors.** Rather, this list is provided solely to help match parties interested in obtaining tutoring with GVSU students interested in providing tutoring services.
