## SUMMARY

Physician Assistant with a wide variety of clinical and surgical experience. Highly motivated and continuously working to expand experience in both clinical practice and academia. Diligent advocate for patients and medical colleagues alike.

## EXPERIENCE

### **Adjunct Faculty, Grand Valley State University; Traverse City, MI — 2022-Present**

- Primary instructor for the Allied Health Sciences Department, *Introduction to Health Care Course* located on the Traverse City campus.
- Teach in a synchronous/asynchronous environment. Utilize online teaching platforms such as Blackboard for course management.
- Update and implement lectures for students. Implement a multidisciplinary panel of health care professionals for student engagement and learning.

### **Physician Assistant Orthopedic Trauma, Great Lakes Orthopedic Center; Traverse City, MI — 2012-2017**

- Provided clinical care of pre-operative and post-operative orthopedic trauma patients, participation in the care and plan for orthopedic hardware (external fixation devices, pins, etc.).
- Diagnosed and treated acute and chronic orthopedic conditions for pediatric and adult patients. Coordinated a multi-disciplinary team approach and provided education on the follow up care as needed.
- Procedures included in office intra-articular injections, aspirations, and associated ultrasound imaging.
- Interpreted diagnostic imaging.

### **Physician Assistant Obstetrics and Gynecology, Marshfield Clinic; Minocqua, WI — 2007-2011**

- Surgical first assist for obstetrical and gynecological surgeries. Performed pre-op and post-op examinations.
- Managed antepartum and postpartum patients including high risk patients. Provided prenatal and preconception counseling and education.

- Performed in-office procedures including endometrial biopsy, intra-uterine device insertions/removals, and minor skin procedures.
- Diagnosed and treated gynecologic patients with chronic and acute conditions from adolescence through menopause.
- Developed and implemented a lactation space for employees and patients in a large multidisciplinary facility.
- Call coverage and first assist for OB/GYN, General surgery, Orthopedic, Vascular and Urologic cases.

**Physician Assistant Family Practice, Comprehensive Family Medicine; Greenwood Village, CO — 2007**

- Performed routine well child checks and adult wellness exams.
- Provided preventative service counseling including laboratory and diagnostic imaging.
- Diagnosed and treated chronic and acute conditions in adult and pediatric patient populations.

**EDUCATION**

**Grand Valley State University, Grand Rapids, MI — Master of Physician Assistant Studies, 2007**

**Grand Valley State University, Allendale, MI — Bachelor of Science in Health Sciences, 2004**
