

## Inserting Content in Blackboard from Ensemble

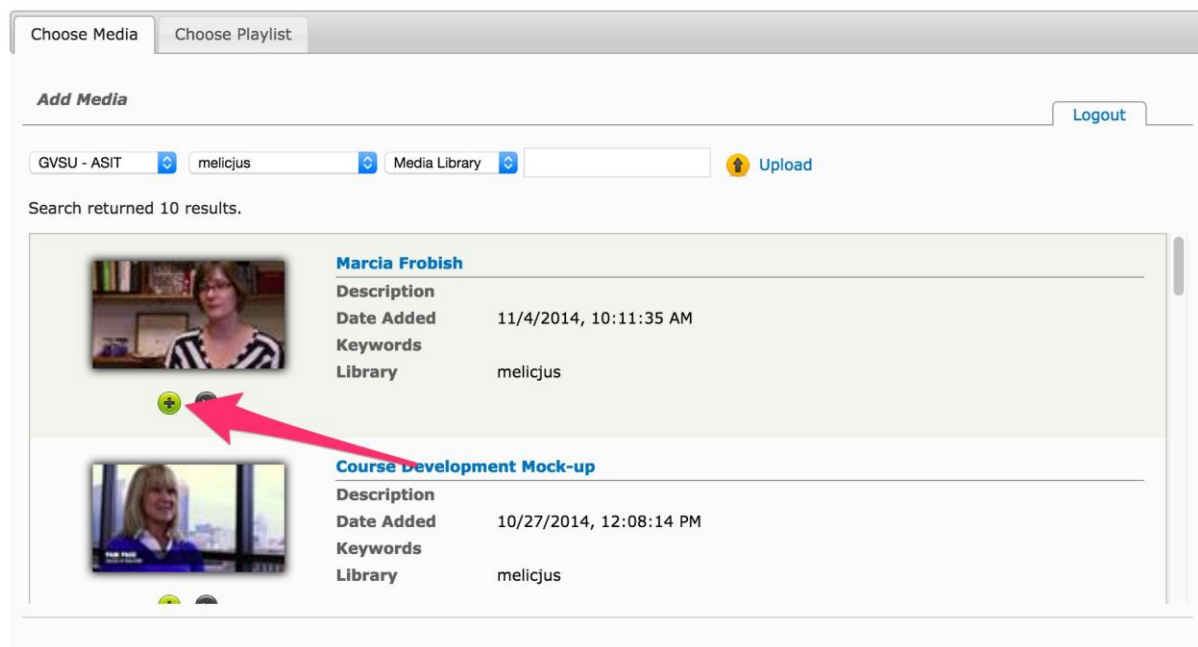

Select “Build Content” and then select “Ensemble Video”

Here you will see all of the videos you have uploaded into Ensemble, click the plus icon to add the video into your course.

### Search for a video to add through this interface.

*Search Ensemble Video*

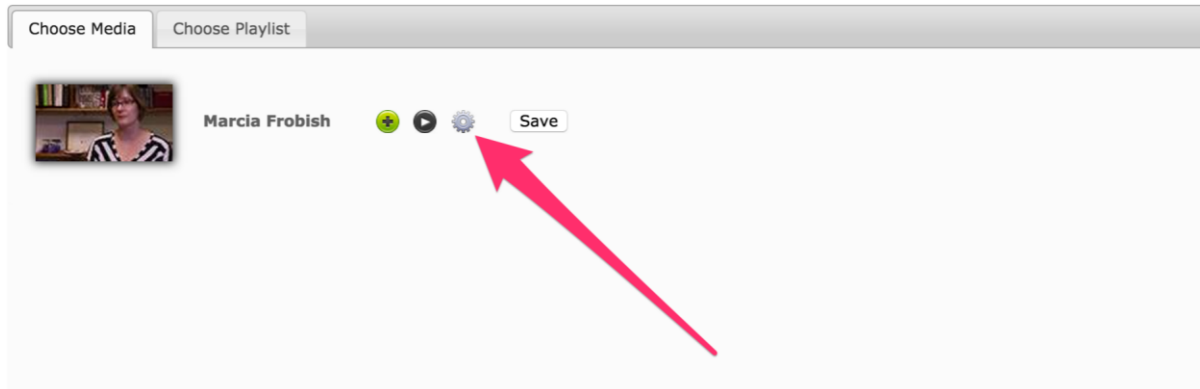

10

On this screen click the settings icon to choose what information is shown in the video player.

### Search for a video to add through this interface.

*Search Ensemble Video*

Chose the size of the video (we recommend you stay with the default setting in most circumstances) and which information you would like displayed then hit submit.

**Marcia Frobish** ✕

Size	640x360 <span>⌵</span>
Show Title	<input type="checkbox"/>
Auto Play	<input type="checkbox"/>
Show Captions	<input type="checkbox"/>
Hide Controls	<input type="checkbox"/>

Cancel Submit

Click save to insert the video in your course

### Search for a video to add through this interface.

*Search Ensemble Video*

Now your video is embedded in your course!
