Additionally, the Academy shall be responsible for the following:

a) The Academy shall provide the Charter Schools Office with copies of reports and assessments concerning the educational outcomes achieved by pupils attending the Academy and shall provide necessary approvals for the Charter Schools Office to access electronic information received or stored by the State of Michigan including, but not limited to, the Department of Education or other agency authorized by the State to collect school data.

b) In the event that the University President determines that the Academy’s educational outcomes should be reviewed to help determine if the Academy is meeting the educational goals set forth in the Schedules, the University President, at his or her discretion, may require an objective evaluation of student performances by an educational consultant, acceptable to both the Academy and the University President. f) Within ten (10) days of receipt, the Academy shall notify the University Charter Schools Office of correspondence received from the Department of Education or State Board of Education that requires a written or formal response.

g) Within ten (10) days of receipt, the Academy shall report to the University Charter Schools Office and the University Counsel Office any litigation or formal proceedings alleging violation of Applicable Law or contractual agreement against the Academy, its officers, employees, agents, and/or contractors.

An employee hired by the Academy shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. The Academy shall be responsible for carrying worker’s compensation insurance and unemployment insurance for its employees.

Section 2.6. Financial Obligations of the Academy are Separate from the State of Michigan, University Board and the University. Any contract, mortgage, loan or other
instrument of indebtedness entered into by the Academy and a third party shall not in any way constitute an obligation, either general, special, or moral, of the State of Michigan, the University Board, or the University. Neither the full faith and credit nor the taxing power of the State of Michigan or any agency of the State, nor the full faith and credit of the University Board or the University shall ever be pledged for the payment of any Academy contract, mortgage, loan or other instrument of indebtedness.

Additionally, the Academy shall be responsible for the following:

a) The Academy shall provide the Charter Schools Office with copies of reports and assessments concerning the educational outcomes achieved by pupils attending the Academy and shall provide necessary approvals for the Charter Schools Office to access electronic information received or stored by the State of Michigan including, but not limited to the Department of Education or other agency authorized by the State to collect school data.

b) In the event that the University President determines that the Academy’s educational outcomes should be reviewed to help determine if the Academy is meeting its educational goals incorporated into this Contract as Schedule 4, the University President, at his or her discretion, may require an objective evaluation of student performances by an educational consultant, acceptable to both the Academy and the University President.
The Academy shall pay for the expense of the evaluation. In addition, at any time, the University President may require an evaluation of student performance to be selected by and at the expense of the University. Section 2.6. Financial Obligations of the Academy are Separate from the State of Michigan, University Board and the University. Any contract, mortgage, loan or other instrument of indebtedness entered into by the Academy and a third party shall not in any way constitute an obligation, either general, special, or moral, of the State of Michigan, the University Board, or the University. Neither the full faith and credit nor the taxing power of the State of Michigan or any agency of the State, nor the full faith and credit of the University Board or the University shall ever be pledged for the payment of any Academy contract, mortgage, loan or other instrument of indebtedness.

Section 2.7. Academy Has No Power To Obligate or Bind State of Michigan, University Board or the University. The Academy and Academy Board members hereby covenant not to sue the University Board, the University or any of its trustees, officers, employees, agents or representatives for any matters that arise under this Contract or otherwise. THE PUBLIC SCHOOL ACADEMIES OF DETROIT

By: [Signature]
Chairperson, Board of Directors
Authorization of Amended Method of Selection Resolution for the Public School Academies of Detroit

WHEREAS, the Michigan Legislature has provided for the establishment of urban high school academies as part of the Michigan public school system by enacting Act No. 179 of the Public Acts of 2003; and

WHEREAS, the Board of Trustees has issued a contract to the Public School Academies of Detroit, effective August 26, 2008; and

WHEREAS, the Public School Academies of Detroit desires an amendment to the Method of Selection to allow for increased board member participation;

NOW, THEREFORE, BE IT RESOLVED:

That the Board of Trustees establishes the method of selection, length of term and number of members of the Academy’s Board of Directors as follows:

1. Method of Selection and Appointment of Academy Board Members:

   a. Initial Academy Board Member Nominations and Appointments: As part of the public school academy application, the public school academy applicant shall propose to the Director of the University Charter Schools Office ("Director"), the names of proposed individuals to serve on the initial board of directors of the proposed public school academy. When the Director recommends an initial contract for approval to the Board of Trustees, he/she shall include recommendations for initial Academy Board members. These recommendations may, but are not required to, include individuals proposed by the public school academy applicant. To be considered for appointment, the nominees must have completed the required board member candidate application materials, including at least (i) the Academy Board Member Questionnaire prescribed by the University Charter Schools
Office; and (ii) the Criminal Background Check Report prescribed by the University Charter Schools Office.

b. **Subsequent Academy Board Member Nominations and Appointments:** Except as provided in paragraph (2) below, the Academy Board may nominate individuals for subsequent Academy Board of Director positions. As part of the appointment process, the Academy Board may submit to the Director: (i) the name of the nominee; (ii) the board member candidate application materials identified in paragraph (a) above; and (iii) a copy of the Academy Board nominating resolution. The Director may or may not recommend the proposed nominee submitted by the Academy Board. If the Director does not recommend a nominee submitted by the Academy Board, the Director shall select a nominee and forward that recommendation to the Board of Trustees for appointment. The Board of Trustees shall have the sole and exclusive right to appoint members to the Academy Board.

c. **Exigent Appointments:** When the Director determines an "exigent condition" exists which requires him/her to make an appointment to a public school academy's board of directors, the Director, with University President approval, may immediately appoint a person to serve as a public school academy board member for the time specified, but not longer than the next meeting held by the Board of Trustees when a regular appointment may be made by the Board of Trustees. The Director shall make the appointment in writing and notify the public school academy's board of directors of the appointment. Exigent conditions include, but are not limited to when an Academy Board seat is vacant, when a Academy Board cannot reach a quorum, when the Board of Trustees determines that an Academy Board member's service is no longer required, when an Academy Board member is removed, when an Academy Board fails to fill a vacancy, or other reasons which would prohibit the Academy Board from taking action without such an appointment.

2. **Qualifications of Academy Board Members:** To be qualified to serve on the Academy Board, a person shall: (a) be a citizen of the United States; (b) reside in the State of Michigan; (c) submit all materials requested by the GVSU Charter Schools Office including, but not limited to, a GVSU Academy Board Member Questionnaire and a release for criminal history background check; (d) not be an employee of the Academy; (e) not be a director, officer, or employee of a company or other entity that contracts with the Academy; and (f) not be an employee or representative of GVSU or be a member of the Board of Trustees.
3. **Oath/Acceptance of Office/Voting Rights:** Following appointment by the Board of Trustees, Academy Board Appointees may begin their legal duties, including the right to vote, after they have signed an Acceptance of Public Office form and taken the Oath or Affirmation of Public Office administered by a member of the Academy Board, other public official or notary public.

4. **Length of Term/Removal:** An appointed Academy Board member is an "at will" board member who shall serve at the pleasure of the Board of Trustees for a term of office not to exceed three (3) years. Regardless of the length of term, terms shall end on June 30 of the final year of service, unless shorter due to other provisions of this resolution. A person appointed to serve as an Academy Board member may be reappointed to serve additional terms. When an Academy Board member is appointed to complete the term of service of another Academy Board member, their service ends at the end of the previous Academy Board member’s term.

If the Board of Trustees determines that an Academy Board member’s service in office is no longer required, then the Board of Trustees may remove an Academy board member with or without cause and shall specify the date when the Academy Board member’s service ends. An Academy Board member may be removed from office by a two-thirds (2/3) vote of the Academy’s Board for cause.

5. **Resignations:** A member of the Academy Board may resign from office by submitting a written resignation or by notifying the Director. The resignation is effective upon receipt by the Director, unless a later date is specified in the resignation. A written notice of resignation is not required. If no such written notification is provided, then the Director shall confirm a resignation in writing. The resignation shall be effective upon the date the Director sends confirmation to the resigning Academy Board member.

6. **Vacancy:** An Academy Board position shall be considered vacant when an Academy Board member:

a. Resigns
b. Dies
c. Is removed from Office
d. Is convicted of a felony
e. Ceases to be qualified
f. Is incapacitated

7. **Filling a Vacancy:** The Academy Board may nominate and the Director shall recommend or temporarily appoint persons to fill a
vacancy as outlined in the “Subsequent Appointments” and “Exigent Appointments” procedures in this resolution.

8. **Number of Academy Board Member Positions:** The number of member positions of the Academy Board of Directors shall be five (5), seven (7), nine (9), or eleven (11) as determined from time to time by the Academy Board.

9. **Quorum:** In order to legally transact business the Academy Board shall have a quorum physically present at a duly called meeting of the Academy Board. A “quorum” shall be defined as follows:

<table>
<thead>
<tr>
<th># of Academy Board positions</th>
<th># required for Quorum</th>
</tr>

<tr>

<td>Four (4)</td>
</tr>
<tr>
<td>Nine (9)</td>
<td>Five (5)</td>
</tr>
<tr>
<td>Eleven (11)</td>
<td>Six (6)</td>
</tr>
</tbody>
</table>

10. **Manner of Acting:** The Academy Board shall be considered to have “acted,” when a duly called meeting of the Academy Board has a quorum present and the number of board members voting in favor of an action is as follows:

<table>
<thead>
<tr>
<th># of Academy Board positions</th>
<th># for Quorum</th>

Method of Selection Resolution

On motion by Ms. Myers and second by Mrs. Johnson, the following resolution was adopted unanimously:

URBAN HIGH SCHOOL ACADEMY BOARD OF DIRECTORS: METHOD OF SELECTION AND APPOINTMENT

WHEREAS, the Board of Trustees of Grand Valley State University ("University Board") is interested in issuing contracts to urban high school academies, under PA 179 of 2003; and

WHEREAS, MCL 380.528(1)(c) of the Revised School Code ("Code") provides that an authorizing body shall "adopt a resolution establishing the method of selection, length of term, and number of members of the board of directors of each urban high school academy that it authorizes," and

WHEREAS, the University Board has determined that each contract issued by the University Board shall contain the following method of selection and appointment process until otherwise amended by the University Board;

NOW, THEREFORE, BE IT RESOLVED:

The following method of selection and appointment process for Urban High School Academy Board members applies to all urban high school academies authorized by the University Board:

1. Method of Selection and Appointment of Urban High School Board Members:

   a. Initial Urban High School Academy Board Member Nominations and Appointments: As part of the urban high school academy application, the applicant shall propose to the University Charter Schools Office Director ("CSO Director"), the names of proposed individuals to serve on the initial board of directors of the proposed urban high school
academy ("Academy Board"). When the CSO Director recommends an initial contract for approval to the University Board, he/she shall include recommendations for initial Academy Board members. These recommendations may, but are not required to, include individuals proposed by the urban high school academy applicant ("Applicant"). To be considered for appointment, the nominees must have completed the required board member candidate application materials, including at least (i) the Urban High School Academy Board Member Questionnaire prescribed by the University Charter Schools Office; and (ii) the Criminal Background and History Check Report prescribed by the University Charter Schools Office.

b. Subsequent Urban High School Academy Board Member Nominations and Appointments: Except as provided in paragraph (2) below, the Academy Board may nominate individuals for subsequent Academy Board member positions. As part of the appointment process, the Academy Board may submit to the CSO Director: (i) the name of the nominee; (ii) the board member candidate application materials identified in paragraph (a) above; and (iii) a copy of the Academy Board nominating resolution. The CSO Director may or may not recommend the proposed nominee submitted by the Academy Board. If the CSO Director does not recommend a nominee submitted by the Academy Board, the CSO Director shall select a nominee and forward that recommendation to the University Board for appointment. The University Board shall have the sole and exclusive right to appoint members to the Academy Board.

c. Exigent Appointments: When the CSO Director determines an "exigent condition" exists which requires him/her to make an appointment to an Academy Board, the CSO Director, with University President approval, may immediately appoint a person to serve as an Academy Board member for the time specified, but not longer than the next meeting held by the University Board when a regular appointment may be made by the University Board. The CSO Director shall make the appointment in writing and notify the Academy Board of the appointment. Exigent conditions include, but are not limited to when an Academy Board seat is vacant, when a Academy Board cannot reach a quorum, when the University Board
determines that an Academy Board member's service is no longer required, when an Academy Board member is removed, when an Academy Board fails to fill a vacancy, or other reasons which would prohibit the Academy Board from taking action without such an appointment.

2. **Qualifications of Academy Board Members:** To be qualified to serve on the Academy Board, a person shall: (a) be a citizen of the United States; (b) reside in the State of Michigan; (c) submit all materials requested by the University Charter Schools Office including, but not limited to, a Urban High School Academy Board Member Questionnaire and a release for criminal records and history background check; (d) not be an employee of the Academy; (e) not be a director, officer, or employee of a company or other entity that contracts with the Academy; and (f) not be an employee or representative of the University or be a member of the University Board.

3. **Oath/Acceptance of Office/Voting Rights:** Following appointment by the University Board, Academy Board appointees may begin their legal duties, including the right to vote, after they have signed an Acceptance of Public Office form and taken the Oath or Affirmation of Public Office administered by a member of the Academy Board, other public official or notary public.

4. **Length of Term: Removal:** An appointed Academy Board member is an "at will" board member who shall serve at the pleasure of the University Board for a term of office not to exceed three (3) years. Regardless of the length of term, terms shall end on June 30 of the final year of service, unless shorter due to other provisions of this resolution. A person appointed to serve as an Academy Board member may be reappointed to serve additional terms. When an Academy Board member is appointed to complete the term of service of another Academy Board member, their service ends at the end of the previous Academy Board member's term.

If the University Board determines that an Academy Board member's service in office is no longer required, then the University Board may remove an Academy Board member with or without cause and shall specify the date when the Academy Board member's service ends. An Academy Board member may also be removed from office by a two-thirds (2/3) vote of the Academy Board for cause.

5. **Resignations:** A member of the Academy Board may resign from office by submitting a written resignation or by notifying the CSO Director. The resignation is effective upon receipt by the CSO Director unless a later date is specified in the resignation. A written notice of resignation is not required. If no such written notification is provided, then the CSO Director shall confirm a
resignation in writing. The resignation shall be effective upon the date the CSO Director sends confirmation to the resigning Academy Board member.

6. **Vacancy:** An Academy Board position shall be considered vacant when an Academy Board member:

   a. Resigns
   b. Dies
   c. Is removed from office
   d. Is convicted of a felony
   e. Ceases to be qualified
   f. Is incapacitated

7. **Filling a Vacancy:** The Academy Board may nominate and the CSO Director shall recommend or temporarily appoint persons to fill a vacancy as outlined in the “Subsequent Appointments” and “Vacant Appointment” procedures in this resolution.

8. **Number of Academy Board Member Positions:** The number of Academy Board member positions shall be five (5), seven (7) or nine (9), as determined from time to time by the Academy Board.

9. **Quorum:** In order to legally transact business the Academy Board shall have a quorum physically present at a duly called meeting of the Academy Board. A “quorum” shall be defined as follows:

<table>
<thead>
<tr>
<th># of Academy Board positions</th>
<th># required for Quorum</th>
</tr>
</thead>
<tbody>
<tr>
<td>Five (5)</td>
<td>Three (3)</td>
</tr>
<tr>
<td>Seven (7)</td>
<td>Four (4)</td>
</tr>
<tr>
<td>Nine (9)</td>
<td>Five (5)</td>
</tr>
</tbody>
</table>

10. **Manner of Acting:** The Academy Board shall be considered to have “acted,” when a duly called meeting of the Academy Board has a quorum present and the number of board members voting in favor of an action is as follows:

<table>
<thead>
<tr>
<th># of Academy Board positions</th>
<th># for Quorum</th>
<th># required to act</th>

CERTIFIED COPY OF RESOLUTION ADOPTED BY THE BOARD OF TRUSTEES OF
GRAND VALLEY STATE UNIVERSITY ON APRIL 28, 2006:

06-3-14 (14) Charter Schools Report

Method of Selection Resolution

On motion by Ms. Myers and second by Mrs. Johnson, the following
resolution was adopted unanimously:

URBAN HIGH SCHOOL ACADEMY BOARD OF DIRECTORS:
METHOD OF SELECTION AND APPOINTMENT

WHEREAS, the Board of Trustees of Grand Valley State University
(“University Board”) is interested in issuing contracts to urban high school
academies, under PA 179 of 2003; and

WHEREAS, MCL 380.528(1)(c) of the Revised School Code (“Code”)
provides that an authorizing body shall “adopt a resolution establishing the
method of selection, length of term, and number of members of the board
of directors of each urban high school academy that it authorizes,” and

WHEREAS, the University Board has determined that each contract
issued by the University Board shall contain the following method of
selection and appointment process until otherwise amended by the
University Board;

NOW, THEREFORE, BE IT RESOLVED:

The following method of selection and appointment process for Urban
High School Academy Board members applies to all urban high school
academies authorized by the University Board:

1. Method of Selection and Appointment of Urban High School
   Board Members:

   a. Initial Urban High School Academy Board Member
      Nominations and Appointments: As part of the
      urban high school academy application, the
      applicant shall propose to the University Charter
      Schools Office Director (“CSO Director”), the
      names of proposed individuals to serve on the initial
      board of directors of the proposed urban high school
academy ("Academy Board"). When the CSO Director recommends an initial contract for approval to the University Board, he/she shall include recommendations for initial Academy Board members. These recommendations may, but are not required to, include individuals proposed by the urban high school academy applicant ("Applicant"). To be considered for appointment, the nominees must have completed the required board member candidate application materials, including at least (i) the Urban High School Academy Board Member Questionnaire prescribed by the University Charter Schools Office; and (ii) the Criminal Background and History Check Report prescribed by the University Charter Schools Office.

b. Subsequent Urban High School Academy Board Member Nominations and Appointments: Except as provided in paragraph (2) below, the Academy Board may nominate individuals for subsequent Academy Board member positions. As part of the appointment process, the Academy Board may submit to the CSO Director: (i) the name of the nominee; (ii) the board member candidate application materials identified in paragraph (a) above; and (iii) a copy of the Academy Board nominating resolution. The CSO Director may or may not recommend the proposed nominee submitted by the Academy Board. If the CSO Director does not recommend a nominee submitted by the Academy Board, the CSO Director shall select a nominee and forward that recommendation to the University Board for appointment. The University Board shall have the sole and exclusive right to appoint members to the Academy Board.

c. Exigent Appointments: When the CSO Director determines an "exigent condition" exists which requires him/her to make an appointment to an Academy Board, the CSO Director, with University President approval, may immediately appoint a person to serve as an Academy Board member for the time specified, but not longer than the next meeting held by the University Board when a regular appointment may be made by the University Board. The CSO Director shall make the appointment in writing and notify the Academy Board of the appointment. Exigent conditions include, but are not limited to when an Academy Board seat is vacant, when a Academy Board cannot reach a quorum, when the University Board
determines that an Academy Board member's service is no longer required, when an Academy Board member is removed, when an Academy Board fails to fill a vacancy, or other reasons which would prohibit the Academy Board from taking action without such an appointment.

2. **Qualifications of Academy Board Members:** To be qualified to serve on the Academy Board, a person shall: (a) be a citizen of the United States; (b) reside in the State of Michigan; (c) submit all materials requested by the University Charter Schools Office including, but not limited to, an Urban High School Academy Board Member Questionnaire and a release for criminal records and history background check; (d) not be an employee of the Academy; (e) not be a director, officer, or employee of a company or other entity that contracts with the Academy; and (f) not be an employee or representative of the University or be a member of the University Board.

3. **Oath/Acceptance of Office/Voting Rights:** Following appointment by the University Board, Academy Board appointees may begin their legal duties, including the right to vote, after they have signed an Acceptance of Public Office form and taken the Oath or Affirmation of Public Office administered by a member of the Academy Board, other public official or notary public.

4. **Length of Term; Removal:** An appointed Academy Board member is an "at will" board member who shall serve at the pleasure of the University Board for a term of office not to exceed three (3) years. Regardless of the length of term, terms shall end on June 30 of the final year of service, unless shorter due to other provisions of this resolution. A person appointed to serve as an Academy Board member may be reappointed to serve additional terms. When an Academy Board member is appointed to complete the term of service of another Academy Board member, their service ends at the end of the previous Academy Board member's term.

   If the University Board determines that an Academy Board member's service in office is no longer required, then the University Board may remove an Academy Board member with or without cause and shall specify the date when the Academy Board member's service ends. An Academy Board member may also be removed from office by a two-thirds (2/3) vote of the Academy Board for cause.

5. **Resignations:** A member of the Academy Board may resign from office by submitting a written resignation or by notifying the CSO Director. The resignation is effective upon receipt by the CSO Director unless a later date is specified in the resignation. A written notice of resignation is not required. If no such written notification is provided, then the CSO Director shall confirm a
resignation in writing. The resignation shall be effective upon the
date the CSO Director sends confirmation to the resigning
Academy Board member.

6. **Vacancy:** An Academy Board position shall be considered vacant
when an Academy Board member:

a. Resigns
b. Dies
c. Is removed from office
d. Is convicted of a felony
e. Ceases to be qualified
f. Is incapacitated

7. **Filling a Vacancy:** The Academy Board may nominate and the
CSO Director shall recommend or temporarily appoint persons
to fill a vacancy as outlined in the "Subsequent Appointments" and
"Exigent Appointment" procedures in this resolution.

8. **Number of Academy Board Member Positions:** The number of
Academy Board member positions shall be five (5), seven (7) or
nine (9), as determined from time to time by the Academy Board.

9. **Quorum:** In order to legally transact business the Academy Board
shall have a quorum physically present at a duly called meeting of
the Academy Board. A "quorum" shall be defined as follows:

<table>
<thead>
<tr>
<th># of Academy Board positions</th>
<th># required for Quorum</th>
</tr>
</thead>
<tbody>
<tr>
<td>Five (5)</td>
<td>Three (3)</td>
</tr>
<tr>
<td>Seven (7)</td>
<td>Four (4)</td>
</tr>
<tr>
<td>Nine (9)</td>
<td>Five (5)</td>
</tr>
</tbody>
</table>

10. **Manner of Acting:** The Academy Board shall be considered to
have "acted," when a duly called meeting of the Academy Board
has a quorum present and the number of board members voting in
favor of an action is as follows:

<table>
<thead>
<tr>
<th># of Academy Board positions</th>
<th># for Quorum</th>
<th># required to act</th>

IN WITNESS WHEREOF, I have hereunto signed my name as Secretary and have caused the
seal of said body corporate to be hereunto affixed this 8th day of May, 2006.

PSAD is an urban high school academy organized under the Code. PSAD has been issued a contract (the “Contract”) by GRAND VALLEY STATE UNIVERSITY BOARD OF TRUSTEES (the “Authorizer”) to organize and operate one or more urban high school academies.

PSAD and Detroit 90/90 desire to enter into an agreement, as defined in MCL 380.523c(2)(c), whereby PSAD and Detroit 90/90 will work together to deliver systems of educational excellence and services to PSAD and its University Preparatory Science and Math urban high school academy (“UPSM”) based on the vision for the PSAD’s urban high school academies as described in the Contract and Detroit 90/90’s vision of school design, management principles, and the “Educational Program” (defined below).

In paying such costs on behalf of PSAD, Detroit 90/90 shall not charge an added fee (or mark-up). Marketing and development costs paid by or charged to PSAD shall be limited to those costs specific to UPSM. Detroit 90/90 shall not include any costs for the marketing and development of Detroit 90/90 nor any other corporate costs of Detroit 90/90, including but not limited to insurance, audit, legal other corporate compliance expenses, or miscellaneous costs that are too detailed and burdensome to attribute to UPSM. All such non-reimbursable costs are the responsibility of Detroit 90/90 and shall be paid out of the Fee or such other revenue of Detroit 90/90. A complete description of costs that are not to be allocated to PSAD and UPSM are included in the Fee Budget.

Failure by Detroit 90/90 to (a) declare a breach, (b) place PSAD on notice thereof, or (c) fail to exercise or exert any remedy available to Detroit 90/90 under this Agreement or applicable laws, shall not be deemed a waiver of Detroit 90/90’s right and remedies whatsoever.

All personal property purchased or leased by Detroit 90/90 using PSAD funds shall remain the personal property of PSAD. PSAD shall own, without restriction, all property, tangible and intangible, purchased, licensed, or acquired in any fashion by or for PSAD, or by or with PSAD funds.

Detroit 90/90

Our Program. Our Performance. Our Promise.

Detroit 90/90 believes that its schools—University Preparatory Academy (UPA) and University Prep Science & Math (UPSM)—offer a powerful and unique model for teaching and engaging urban children. Our schools are dedicated to educating the whole child in ways that prepare students for success in college, other post-secondary training, and life, as well as ensure high performance on required standardized tests and college entrance exams.

University Prep Schools understand that true college readiness does not depend solely on students' academic success and mastery of standards. Readiness also hinges on developing students as confident, motivated self-managers and problem solvers, with a variety of talents and experiences. These are the characteristics and traits we build in our students, and the reasons our schools are able to graduate students who persist in college and fulfill their dreams.

Key elements of the University Prep Schools model that ensure college readiness for graduates, and are supported by research-based practices, include:

• Rigorous curriculum designed to meet state and federal standards at every level. The University Prep Schools curricula is designed to achieve the benchmarks set out in Michigan's Curriculum Framework and the ACT College Readiness standards—and will evolve to meet the new Common Core standards. Our schools ensure student success on challenging work by providing support in different ways—starting with small classes, personalized learning plans for every student and differentiated instruction that enables advanced learners as well as struggling students to connect to academic content and reach their potential.

• Intentional strategies to build and maintain strong relationships between and among students, parents, and teachers, including small schools, small class sizes, working with a primary teacher/advisor for multiple years, and individual Learning Team meetings. The Advisory program engages students in their learning and gives them the anchor of a caring adult who knows them well. A small and supportive classroom community helps students find their passion, discover dreams, plot their plans and hone the habits of mind and work essential to success in college and in life.

• Curiosity, focus, and effort are critical to student learning. University Prep Schools use personal relationships, a culture of success, integration of technology, and fun, interest-based projects to ensure strong student engagement. When learning is fun, learners invest much more energy and imagination in getting through the hard work. In addition, we employ a wide range of practical, authentic, real-world experiences, from meaningful internships and community service to international travel and college campus tours, to complement academic instruction so that students can navigate the global marketplace with confidence and competence.

• Being able to think, talk, write, and speak about what's being learned is crucial to becoming the self-directed learner demanded for success in college and the world of work. From kindergarten through the 12th grade, University Prep Schools students present public exhibitions of their work several times each year.

• An emphasis on staff development that focuses on effective teaching and learning strategies and continuous improvement. Opportunities for reflection, team critique and data analysis are built into our model. Staff development also is an opportunity for student monitoring and real-time intervention. University Prep Schools use multiple measures that include state achievement tests, the Measures of Academic Progress, ACT practice tests, and a wide variety of classroom-based and building based assessments to monitor student achievement. The results of these measures are reviewed continuously throughout each school year, and used to identify students needing supplementary instruction. All University Prep Schools have designed robust supplementary instructional programs that offer additional learning opportunities within the school day, after school, and throughout the summer.
For the middle schools:

- Average daily attendance rate for students shall be at least 90% for each school year.

- Eighth graders will score within 10 percent of the state average in reading and math on the state exam, currently the MEAP, and outperform selected districts serving students from comparable demographic backgrounds.

- The middle schools in the University Prep Schools system will administer the Explore—or the actual ACT—to prepare students for success on the high stakes exam.

- Re-enrollment rates shall result in at least 75% of eligible eighth grade students entering the high schools upon graduation from the middle schools each year (students who migrate from middle schools, students who move to other high performing schools as defined by MDE, and students who move out of the area are included in the percentage).

- University Prep Schools will meet whatever metric the state determines will replace Adequate Yearly Progress (AYP).

For the elementary schools:

- Each year, at least 90% of the eligible fifth graders will enter the middle schools the following fall.

- 75% of the sixth graders entering the middle schools who attended the elementary schools since kindergarten will read at or above grade level.

- Average daily attendance rate for students shall be at least 90% for each school year.

- University Prep Schools will meet whatever metric the state determines will replace Adequate Yearly Progress (AYP).

Detroit 90/90 Mandatory Reporting Requirements

For all schools:

- Annually, the PSAD Board will be provided certain mandatory reporting data as outlined and in the format as depicted in attached Exhibit. This data and the reports are to be provided by October 31st of each school year.

During the Term of this Agreement, PSAD may disclose confidential data and information to Detroit 90/90, and its respective officers, directors, employees and designated agents to the extent permitted by applicable law, including without limitation, the Individual with Disabilities Education Act ("IDEA"), 20 USC §1401 et seq., 34 CFR 300.610-300.626; Section 504 of the Rehabilitation Act of 1973, 29 USC §794a, 34 CFR 104.36; the Michigan Mandatory Special Education Act, MCL 380.1701 et seq.; the American with Disabilities Act, 42 USC §12101 et seq.; the Health Insurance Portability and Accountability Act ("HIPAA"), 42 USC 1320d – 1320d-8; 45 CFR 160, 162 and 164; and social security numbers, as protected by the federal Privacy Act of 1974, 5 USC §552a; and the Michigan Social Security Number Privacy Act, MCL 445.84.

Section 3. **Revocation or Termination of Contract.** If the Contract, as it relates to UPA only, issued by the Authorizer is revoked or terminated or a new charter contract is not issued or obtained, this Agreement shall automatically terminate on the same date as the Contract is revoked or terminated without further action of the parties, provided, however, that this Agreement will continue to remain in effect until the termination date set forth in Article II if (i) PSAD has entered into a subsequent contract with an authorizing body, and (ii) this Agreement has not been terminated pursuant to Article VI.

Section 4. **Change in Law.** If any federal, state or local law or regulation, or court or administrative decision, or attorney general’s opinion (collectively referred to in this Agreement as the “applicable laws”) has a substantial and material adverse impact (as reasonably determined by the party suffering the impact) on the ability of the impacted party to carry out its obligations under this Agreement, then the impacted party, upon written notice, may request a renegotiation of this Agreement. If the parties are unable or unwilling to successfully renegotiate the terms of this Agreement within ninety (90) days after the notice, and after making good faith efforts which shall include, but not be limited to, the use of a third party arbitrator and/or alternative dispute resolution process, the impacted party may terminate this Agreement as of the end of the then-current academic year.

AMENDED AND RESTATED
MANAGEMENT AGREEMENT
BETWEEN
CREATIVE URBAN EDUCATION
AND
THE PUBLIC SCHOOL ACADEMIES OF DETROIT

This Amended and Restated Educational Management Company Agreement ("Agreement") is made and entered into as of the 16th day of June, 2010 by and between Creative Urban Education, Inc., a Michigan non-profit corporation ("CUE"), and the Public School Academies of Detroit, a Michigan non-profit corporation (the "PSAD").

The following is a recital of facts underlying this Agreement:

The PSAD is organized to operate urban high school academies in Detroit pursuant to the Michigan Revised School Code, Part 6C (the "Code"). The PSAD has been issued a contract, as defined in the Code (the "Contract"), by the Board of Trustees of Grand Valley State University (the "Authorize Board") on December 14, 2007, as amended, to organize and operate urban high school academies.

CUE is a nonprofit corporation founded with the purpose of bringing a new model of urban schools to the state of Michigan.

The PSAD and CUE desire to create an enduring educational partnership, whereby the PSAD and CUE will work together to bring educational excellence and innovation to one of the PSAD urban high school academies, The Henry Ford Academy: School for Creative Studies ("HFA:SCS"), based on CUE's school design and capacity to implement and manage a comprehensive educational program.

To pursue this purpose, the parties hereto agree on the terms and conditions of this Agreement's management and operation.

PSAD and CUE are parties to the Management Agreement between the PSAD and CUE, and both parties wish to amend and restate the terms of that Agreement, consistent with the terms below.

Therefore, it is mutually agreed as follows:

ARTICLE ONE
CONTRACTING PARTIES

A. Authority. The PSAD is authorized to provide educational management services. The Authorize Board is therefore authorized by the Authorizer Board to amend and operate the Public School Academy, and is invested with the powers set forth under the Agreement to carry out the educational program contemplated in this Agreement. Notwithstanding anything to the contrary in this Agreement, the PSAD's Board of Directors ("PSAD Board"), pursuant to the Code and in accordance with
B. **Educational Program.** Consistent with the Code, the Contract and the HFA:SCS Goals (as defined in Section G of this Article III), the educational program(s) and program(s) of instruction (collectively, the "Educational Program") provided by CUE at the HFA:SCS may be adapted and modified by CUE from time to time, it being understood that an essential principle of this Educational Program is its flexibility, adaptability and capacity to change in the interest of continuous improvement and efficiency, and that PSAD and CUE are interested in results and not inflexible prescriptions, provided that any modification must be consistent with the Contract and any substantial changes to the Educational Program may require a Contract amendment. The PSAD Board, including its Contract Administrator, shall be consulted before any substantial adaptation or modification to the Educational Program. Where the Code requires PSAD action in connection with the Educational Program, CUE shall advise the PSAD Board, including its Contract Administrator, that such action is required and shall, consistent with the terms of this Agreement, carry out the direction of the PSAD Board.

C. **Specific Functions.** CUE shall be responsible for the HFA:SCS's management, operation, administration and Education Program. Such functions include, but are not limited to:

1. Implementation and administration of the Educational Program, including the selection and acquisition of instructional materials, equipment and supplies, and the administration of any and all extra-and co-curricular activities and programs approved by the PSAD Board;

2. Management of all personnel functions, including professional development for the School Administrator and all instructional personnel and the personnel functions outlined in Article VI;

3. Operation of the Subleased Premises (defined hereafter) and the installation of technology integral to school design;

4. 5. Any other function necessary or expedient for the HFA:SCS's administration.

D. **Subcontracts.** CUE reserves the right to subcontract any and all aspects of services it agrees to provide to the HFA:SCS. However, CUE shall not subcontract the management, oversight or operation of the teaching and instructional program, except as specifically permitted in this Agreement or with the PSAD Board's prior written approval. Henry Ford Learning Institute ("HFLI") will provide to CUE services related to curriculum, technology, and all other services consistent with HFLI's rights and duties under the Education Network Services Agreement to be executed by CUE and HFLI (the "HFLI Network Services Agreement"). Without limiting CUE's rights under this section, CUE may subcontract to HFLI the development, creation, and modification of curricula, technology and procedures to be recommended for HFA:SCS. The total amount charged by CUE to PSAD for such services and

TEF-SIX will also sublease the gymnasm from Master Tenant to be constructed adjacent to the Argonaut Building and CUE will sublease such gymnasm from TEF-SIX (the “Gymnasium Sublease”). The building and gymnasm are collectively referred to as the “Subleased Premises.” TEF-SIX is a single member limited liability company whose single member is the Contract Administrator. The Contract Administrator will provide a limited guaranty of TEF-SIX’s obligations under the Building Sublease. TEF-SIX will sublease the Subleased Premises to CUE and CUE is obligated, pursuant to Article III, Section N below, to provide the Subleased Premises to the PSAD for the operation of the HFA:SCS’s middle school and high school grades.

Pursuant to Article III, Section M, of this Agreement, CUE grants to PSAD and its agents, board members, employees, invitees, and students, unconditional permission for the Term of this Agreement to enter upon and use the Subleased Premises for the operation of the HFA:SCS for all purposes contemplated by the Contract issued by the Authorizer Board, including permission to bring upon the Subleased Premises any and all materials, supplies and furniture required to operate the HFA:SCS, and to conduct educational activities on the Subleased Premises, including without limitation, any and all activities which are principal, ancillary, customary and incidental to operating a public school; provided, however, that if the Gymnasium Sublease terminates before this Agreement terminates, PSAD’s right of entry to the gymnasm likewise terminates. CUE shall not charge PSAD any License or Right of Entry Fee. The operation of all school activities shall be done in accordance with all applicable laws, this Agreement, and the Contract.

ARTICLE IV

OBLIGATIONS OF THE PSAD BOARD

The PSAD Board shall exercise good faith in considering the recommendations of CUE including, but not limited to, CUE’s recommendations concerning policies, rules, regulations, procedures, curriculum, and budgets.

ARTICLE V

COMPENSATION FOR SERVICES

A. Compensation for Services. PSAD agrees that CUE shall be entitled to an annual fee for services provided each academic year under this Agreement, in accordance with the fee schedule set forth on the attached Exhibit A (“Management Fee”). During any academic year, CUE may irrevocably waive any or all of the Management Fee at its sole option. Payment or waiver of the Management Fee will not preclude the payment of Additional Compensation by PSAD if additional compensation is permitted or specified elsewhere in this Agreement or in any other agreements between the parties. "Additional Compensation" means additional funds paid by PSAD to CUE, or funds collected by PSAD and remitted to CUE, for services or programs conducted by CUE. Additional Compensation does not include funds to cover CUE’s costs or expenses in conducting such services or programs, nor does it include the amount of funds collected directly by CUE from users of, or participants in, such services or programs. In no event will the Additional Compensation paid by PSAD to CUE in an academic year exceed 25% of the Management Fee for that same academic year.
that none of the voting power or the governing body of PSAD will be vested in CUE or its directors, members, managers, officers, shareholders and employees, and PSAD and CUE will not be related parties as defined in Treas. Reg. § 1.150-1 (b).

G. **Other Revenue Sources.** To supplement and enhance the state school aid payments, and improve the quality of education at the HFA:SCS, PSAD and CUE shall endeavor to obtain revenue from other sources. In this regard:

1. PSAD may solicit and receive grants, and donations consistent with the HFA:SCS's mission;

2. PSAD and/or CUE may apply for and receive grant money, in the name of CUE or PSAD;

3. To the extent permitted under the Code and the Contract, CUE may, with the prior approval of the PSAD board, charge and retain fees from (a) HFA:SCS students for extra services such as summer programs and (b) non-HFA:SCS students and others who participate in programs or services provided by CUE. To the extent any such fees are paid directly to PSAD, PSAD will promptly remit such fees to CUE. The amount of such fees remitted by PSAD to CUE, less CUE's costs and expenses in providing the additional programs or services, will be considered Additional Compensation as defined in Paragraph A of this Article; and

4. Except for fees described in paragraph 3 above, all funds received by PSAD or by CUE on PSAD's behalf from such other revenue sources shall inure to and be deemed PSAD's property.

H. **Start-up Funds.** CUE and the PSAD Board shall, in good faith, work together to identify and agree upon funding sources to be used to cover the HFA:SCS's start-up costs. The parties acknowledge that such costs may include expenses related to the development of a curriculum, technology system and school operations plan; recruiting, selecting and pre-service training of staff members; purchasing of instructional materials and supplies and other materials deemed necessary to initiate the Educational Program. CUE and the PSAD Board agree that start-up costs that are incurred prior to July 1, 2009 will be paid by CUE using funds from the MDI grant received by CUE and PSAD and funds raised by CUE from other sources. If other start-up funds are received by PSAD before July 1, 2009, the PSAD Board must approve the use of such funds for start-up costs. Start-up costs incurred on or after July 1, 2009 will be made a part of the budget submitted for the PSAD Board's approval.

I. **Other Public School Academies.** PSAD acknowledges that CUE may enter into similar management agreements with other public school academies or traditional public schools in the future. CUE shall separately account for reimbursable expenses incurred on the HFA:SCS's behalf and other public school academies, and only charge PSAD for expenses incurred on the HFA:SCS's behalf. If CUE incurs reimbursable expenses on the HFA:SCS's behalf and other public school academies which are incapable of precise allocation between such academies, the CUE shall allocate such expenses among all such academies, including the
maintained in the CUE HFA:SCS Trust Account. Only CUE agents will be authorized
signatories to the CUE HFA:SCS Trust Account, and no PSAD Board agent shall be a signatory
to the CUE HFA:SCS Trust Account. PSAD and CUE will coordinate efforts to have funds
transferred by wire transfer or other means from the HFA:SCS Accounts to the CUE HFA:SCS
Trust Account to enable CUE to draw funds from the CUE HFA:SCS Trust Account to fund
school operations consistent with the approved budget as amended. PSAD's payment of the
Management Fee and Additional Compensation shall be made to CUE's corporate accounts and
not the CUE HFA:SCS Trust Account. The funds held on deposit by CUE in its CUE HFA:SCS
Trust Account shall be PSAD property, and CUE shall make the account records for the CUE
HFA:SCS Trust Account available immediately on request by PSAD.

Any successor ED shall hold a valid Michigan school administrator's certificate or be enrolled in a program leading to certification as a school administrator in addition to meeting the continuing education requirements. AMENDED AND RESTATED
MANAGEMENT AGREEMENT
BETWEEN
CREATIVE URBAN EDUCATION
AND
THE PUBLIC SCHOOL ACADEMIES OF DETROIT

This Amended and Restated Educational Management Company Agreement ("Agreement") is made and entered into as of the 26th day of June, 2010 by and between Creative Urban Education, Inc., a Michigan non-profit corporation ("CUE"), and the Public School Academies of Detroit, a Michigan non-profit corporation (the "PSAD").

The following is a recital of facts underlying this Agreement:

The PSAD is organized to operate urban high school academies in Detroit pursuant to the Michigan Revised School Code, Part 6C (the "Code"). The PSAD has been issued a contract, as defined in the Code (the "Contract"), by the Board of Trustees of Grand Valley State University (the "Authorizer Board") on December 14, 2007, as amended, to organize and operate urban high school academies.

CUE is a nonprofit corporation founded with the purpose of bringing a new model of urban schools to the state of Michigan.

The PSAD and CUE desire to create an enduring educational partnership, whereby the PSAD and CUE will work together to bring educational excellence and innovation to one of the PSAD urban high school academies, The Henry Ford Academy: School for Creative Studies ("HFA:SCS"), based on CUE's school design and capacity to implement and manage a comprehensive educational program.

To pursue this purpose, the parties desire to implement an arrangement for HFA:SCS's management and operation.

PSAD and CUE are parties to the Management Agreement dated January 9, 2009. PSAD and CUE wish to amend and restate the terms of such Management Agreement in accordance with the terms below.

Therefore, it is mutually agreed as follows:

ARTICLE I
CONTRACTING RELATIONSHIP

A. Authority. The PSAD is authorized by law to contract with a private entity for the provision of educational management services. The PSAD further has been granted the Contract by the Authorizer Board to organize and operate an urban high school academy. The PSAD is therefore authorized by the Authorizer Board to supervise and control such academy, and is invested with the powers set forth under the Code to carry out the educational program contemplated in this Agreement. Notwithstanding anything to the contrary in this Agreement, the PSAD's Board of Directors ("PSAD Board"), pursuant to the Code and in accordance with
the Contract, shall be accountable for the HFA:SCS's overall oversight, monitoring and supervision; strategic planning; policies; and budgeting.

B. **Contract.** The PSAD contracts with CUE, to the extent permitted by law, the Contract, and as otherwise provided in the Contract Administration Agreement dated August 28, 2008 between PSAD and the Thompson Educational Foundation (the "Contract Administrator"), to provide all functions relating to the provision of educational services and the management and operation of the HFA:SCS as further set forth or limited herein.

C. **Status of the Parties.** CUE is a nonprofit corporation, organized and existing under the laws of the state of Michigan, and is not a division or a part of the PSAD. The PSAD is a nonprofit corporation, organized and existing under the laws of the state of Michigan. Pursuant to Code, the PSAD is a body corporate and governmental agency of the State of Michigan, and is not division or part of CUE. The relationship between CUE and the PSAD is based solely on the terms of this Agreement, and the terms of any other agreements between them. In performing its duties under this Agreement, it is mutually understood and agreed that CUE shall at all times be acting and performing as an independent contractor. Nothing in this Agreement is intended to create an employer/employee relationship, partnership or joint venture relationship between the parties.

**ARTICLE II**

**TERM**

A. **Term.** The term of this Agreement (the "Term") shall commence on July 1, 2009 or the corresponding commencement date of the term for HFA:SCS identified in the Contract, whichever is earlier, ("Commencement Date") and end on June 30, 2018, unless earlier terminated or further extended in accordance with this Agreement. For purposes of this Agreement, "academic year" or "school year" shall mean the fiscal year beginning July 1 and ending June 30 of the following year.

B. **Renewal.** This Agreement will be eligible for renewal at the time the Contract is eligible for renewal. In the event of renewal, the Management Fee will be reviewed and may be revised, subject to the written approval of PSAD and CUE.

**ARTICLE III**

**CUE FUNCTIONS AND RESPONSIBILITIES**

A. **Responsibility.** CUE shall be responsible and accountable to the PSAD Board and its Contract Administrator for the HFA:SCS's administration, operation and performance. On and after the Commencement Date, CUE shall be responsible for the HFA:SCS's day-to-day management and shall undertake such responsibilities in good faith and in the HFA:SCS's best interests. CUE is granted such power and authority on PSAD's behalf that is reasonably necessary or appropriate to perform its obligations under this Agreement, subject to the express limitations stated in this Agreement, the Code, and the Contract. Except as expressly stated herein, the descriptions of CUE's power and authority stated in this Article III are not intended to limit or restrict other powers and authority which may be necessary or appropriate for CUE to perform its obligations under this Agreement. Nothing in this Agreement shall be construed to confer upon CUE authority to act where the Code requires official action by the PSAD Board.
B. Educational Program. Consistent with the Code, the Contract and the HFA:SCS Goals (as defined in Section G of this Article III), the educational program(s) and program(s) of instruction (collectively, the "Educational Program") provided by CUE at the HFA:SCS may be adapted and modified by CUE from time to time, it being understood that an essential principle of this Educational Program is its flexibility, adaptability and capacity to change in the interest of continuous improvement and efficiency, and that PSAD and CUE are interested in results and not inflexible prescriptions; provided that any modification must be consistent with the Contract and any substantial changes to the Educational Program may require a Contract amendment. The PSAD Board, including its Contract Administrator, shall be consulted before any substantial adaptation or modification to the Educational Program. Where the Code requires PSAD action in connection with the Educational Program, CUE shall advise the PSAD Board, including its Contract Administrator, that such action is required and shall, consistent with the terms of this Agreement, carry out the direction of the PSAD Board.

C. Specific Functions. CUE shall be responsible for the HFA:SCS's management, operation, administration and Education Program. Such functions include, but are not limited to:

1. Implementation and administration of the Educational Program, including the selection and acquisition of instructional materials, equipment and supplies, and the administration of any and all extra-and co-curricular activities and programs approved by the PSAD Board;

2. Management of all personnel functions, including professional development for the School Administrator and all instructional personnel and the personnel functions outlined in Article VI;

3. Operation of the Subleased Premises (defined hereafter) and the installation of technology integral to school design;

4. All aspects of the HFA:SCS's business administration, including but not limited to, the administration of HFA:SCS's financial and bank accounts and the transfer of funds from such accounts for the payment of costs as provided in this Agreement until CUE establishes a dedicated bank account pursuant to Article V, Section M, and

5. Any other function necessary or expedient for the HFA:SCS's administration.

D. Subcontracts. CUE reserves the right to subcontract any and all aspects of services it agrees to provide to the HFA:SCS. However, CUE shall not subcontract the management, oversight or operation of the teaching and instructional program, except as specifically permitted in this Agreement or with the PSAD Board's prior written approval. Henry Ford Learning Institute ("HFLI") will provide to CUE services related to curriculum, technology, and all other services consistent with HFLI's rights and duties under the Education Network Services Agreement to be executed by CUE and HFLI (the "HFLI Network Services Agreement"). Without limiting CUE's rights under this section, CUE may subcontract to HFLI the development, creation, and modification of curricula, technology and procedures to be recommended for HFA:SCS. The total amount charged by CUE to PSAD for such services and
technology provided pursuant to the HFLI Network Services Agreement is depicted as part of the Management Fee in Exhibit A. CUE acknowledges that PSAD has no privity of contract with HFLI and shall hold PSAD harmless from claims of HFLI regarding the HFLI Network Services Agreement.

E. Placement of Performance. CUE reserves the right to perform functions other than instruction, such as purchasing, professional development, and administrative functions, offsite at other CUE locations, unless prohibited by the Code, the Contract, or other applicable law.

F. Student Recruitment. CUE shall be responsible for the recruitment of students subject to the PSAD's recruitment and admission policies. Students shall be selected in accordance with the procedures set forth in the Contract and in compliance with the Code and other applicable law.

G. Legal Requirements. The parties acknowledge that the Contract establishes certain educational goals ("HFA:SCS Goals") for the HFA:SCS to achieve and the methods to provide the Educational Program in a manner that will reasonably meet (i) all applicable federal, and state laws and rules and regulations applicable to the HFA:SCS ("Applicable Law"), and (ii) the requirements imposed upon PSAD under the Code and the Contract (unless such requirements are or have been waived) and (iii) the HFA:SCS Goals.

H. Due Process Hearings. CUE shall cooperate with the PSAD Board in meeting PSAD's obligations to provide students with all necessary due process hearings in conformity with Applicable Law, including matters relating to discipline, special education, confidentiality and access to records.

I. Rules & Procedures. CUE shall recommend reasonable rules, regulations and procedures applicable to the HFA:SCS and is authorized and directed to enforce such rules, regulations and procedures that are adopted by the PSAD Board.

J. School Year and School Day. In accordance with the Contract and applicable law, the school year and the school day shall be determined each year by the PSAD Board.

K. Authority. CUE shall have the authority and power necessary to undertake its responsibilities under this Agreement except in the case(s) wherein such power may not be delegated by law.

L. Compliance With Applicable Law and the Contract. In carrying out its responsibilities hereunder, CUE shall observe and comply with, and cooperate with the PSAD Board and its Contract Administrator in complying with the Contract and Applicable Law. CUE agrees to perform its duties and responsibilities under this Agreement in a manner consistent with the PSAD's obligations under the Contract issued by the Authorizer Board. The provisions of the Contract shall supersede any competing or conflicting provisions in this Agreement.

M. Building Facility. It is anticipated that the middle school and high school grades of the HFA SCS will be located in suites 101, 102, 201, 301 and 401 in a renovated building facility, commonly known as the Argonaut Building, pursuant to a Sublease between TEF-SIX, LLC, a Michigan limited liability company ("TEF-SIX") and Argonaut Building Master Tenant.
I.L.C., a Michigan limited liability company (the "Master Tenant") located at 465-485 West Milwaukee, Detroit Michigan 48202 (the "Building Sublease"). TEF-SIX will also sublease the gymnasium from Master Tenant to be constructed adjacent to the Argonaut Building and CUE will sublease such gymnasium from TEF-SIX (the "Gymnasium Sublease"). The building and gymnasium are collectively referred to as the "Subleased Premises." TEF-SIX is a single member limited liability company whose single member is the Contract Administrator. The Contract Administrator will provide a limited guaranty of TEF-SIX's obligations under the Building Sublease. TEF-SIX will sublease the Subleased Premises to CUE and CUE is obligated, pursuant to Article III, Section N below, to provide the Subleased Premises to the PSAD for the operation of the HFA:SCS's middle school and high school grades.

N. **Right of Entry.** Pursuant to Article III, Section M, of this Agreement, CUE grants to PSAD and its agents, board members, employees, invitees, and students, unconditional permission for the term of this Agreement to enter upon and use the Subleased Premises for the operation of the HFA:SCS for all purposes contemplated by the Contract issued by the Authorizer Board, including permission to bring upon the Subleased Premises any and all materials, supplies and furniture required to operate the HFA:SCS, and to conduct educational activities on the Subleased Premises, including without limitation, any and all activities which are principal, ancillary, customary and incidental to operating a public school; provided, however, that if the Gymnasium Sublease terminates before this Agreement terminates, PSAD's right of entry to the gymnasium likewise terminates. CUE shall not charge PSAD any License or Right of Entry Fee. The operation of all school activities shall be done in accordance with all applicable laws, this Agreement, and the Contract.

**ARTICLE IV**

**OBLIGATIONS OF THE PSAD BOARD**

The PSAD Board shall exercise good faith in considering the recommendations of CUE including, but not limited to, CUE's recommendations concerning policies, rules, regulations, procedures, curriculum, and budgets.

**ARTICLE V**

**COMPENSATION FOR SERVICES**

A. **Compensation for Services.** PSAD agrees that CUE shall be entitled to an annual fee for services provided each academic year under this Agreement, in accordance with the fee schedule set forth on the attached Exhibit A ("Management Fee"). During any academic year, CUE may irrevocably waive any or all of the Management Fee at its sole option. Payment or waiver of the Management Fee will not preclude the payment of Additional Compensation by PSAD if additional compensation is permitted or specified elsewhere in this Agreement or in any other agreements between the parties. "Additional Compensation" means additional funds paid by PSAD to CUE, or funds collected by PSAD and remitted to CUE, for services or programs conducted by CUE. Additional Compensation does not include funds to cover CUE's costs or expenses in conducting such services or programs, nor does it include the amount of funds collected directly by CUE from users of, or participants in, such services or programs. In no event will the Additional Compensation paid by PSAD to CUE in an academic year exceed 25% of the Management Fee for that same academic year.
B. **Reasonable Compensation.** PSAD acknowledges and agrees that compensation payable to CUE under this Agreement is reasonable compensation for the services to be rendered by CUE to PSAD under this Agreement. CUE's compensation for services under this Agreement will not be based, in whole or in part, on a share of net profits from the HFA:SCS's operation.

C. **Payment of Costs.** CUE will be solely responsible for preparing the annual budget and budget amendments thereto for CUE's operation of the HFA:SCS and timely submit the annual budget and amendments to the PSAD Board for consideration and approval. Except as otherwise provided in this Agreement, PSAD shall fully fund the budget, as may be amended, the PSAD Board approves for CUE's operation of the HFA:SCS. In addition to the compensation described in paragraph A of this Article, CUE shall receive reimbursement from PSAD for all costs and expenses incurred and paid by CUE in providing the Educational Services, administrative services and other goods and services pursuant to this Agreement. Such costs include, but are not limited to, salaries for all personnel, curriculum materials, instructional materials, textbooks, library books, computer and other equipment, software, supplies, transportation, special education, building, maintenance, psychological services and medical services, rent and other sums payable pursuant to the Building Sublease and Gymnasium Sublease, and the cost of maintaining, repairing and operating the Subleased Premises. In paying costs and expenses on PSAD's behalf, CUE shall not charge an added fee unless such fee is approved in advance by the PSAD Board and, provided further, that such fees shall be considered Additional Compensation as defined in Paragraph A of this Article. In the event that CUE requests reimbursement under this Agreement for expenses that are not identified in the approved budget, CUE shall timely present invoices to the PSAD Board. Until the PSAD Board approves a CUE reimbursement request under this Agreement for expenses that are not identified in the approved budget, PSAD will have no obligation to pay such reimbursement.

D. **Time of Payment.** CUE shall receive its compensation pursuant to Paragraph A of this Article in eleven (11) installments beginning in October of each academic year and ending in August of such academic year. Such installment amounts shall be due and payable within ten (10) days of receipt by PSAD of each of its state school aid payments. Payments due and owing to CUE for invoices submitted pursuant to Paragraph C of this Article and approved by the PSAD Board shall be made by PSAD to CUE on the last day of each month, after PSAD Board approval.

E. **Priority of Payment.** PSAD shall satisfy its payment obligation under this Article to CUE in the following order of priority: (1) to reimburse CUE pursuant to Paragraph C of this Article for sums due and owing for previous months; (2) to reimburse CUE pursuant to Paragraph C of this Article for sums due and owing for the current month; (3) to pay CUE pursuant to Paragraph A of this Article for installment payments due and owing for previous months; and (4) to pay CUE pursuant to Paragraph A of this Article for installment payments due and owing for the current month.

F. **No Related Parties or Common Control.** In interpreting this Agreement and in the provision of the required services, CUE shall not have any role or relationship with PSAD that, in effect, substantially limits PSAD's ability to exercise its rights, including cancellation rights, under this Agreement. As required by PSAD's Articles of Incorporation and Bylaws, the PSAD Board may not include any director, officer or employee of a management company that contracts with PSAD. In furtherance of such restriction it is agreed between PSAD and CUE
that none of the voting power or the governing body of PSAD will be vested in CUE or its
directors, members, managers, officers, shareholders and employees, and PSAD and CUE will
not be related parties as defined in Treas. Reg. § 1.150-1 (b).

G. Other Revenue Sources. To supplement and enhance the state school aid
payments, and improve the quality of education at the HFA:SCS, PSAD and CUE shall endeavor
to obtain revenue from other sources. In this regard:

1. PSAD may solicit and receive grants, and donations consistent with the
HFA:SCS's mission;

2. PSAD and/or CUE may apply for and receive grant money, in the name of
CUE or PSAD;

3. To the extent permitted under the Code and the Contract, CUE may, with
the prior approval of the PSAD board, charge and retain fees from (a)
HFA:SCS students for extra services such as summer programs and (b)
non-HFA:SCS students and others who participate in programs or services
provided by CUE. To the extent any such fees are paid directly to PSAD,
PSAD will promptly remit such fees to CUE. The amount of such fees
remitted by PSAD to CUE, less CUE's costs and expenses in providing
the additional programs or services, will be considered Additional
Compensation as defined in Paragraph A of this Article; and

4. Except for fees described in paragraph 3 above, all funds received by
PSAD or by CUE on PSAD's behalf from such other revenue sources shall
inure to and be deemed PSAD's property.

H. Start-up Funds. CUE and the PSAD Board shall, in good faith, work together to
identify and agree upon funding sources to be used to cover the HFA:SCS's start-up costs. The
parties acknowledge that such costs may include expenses related to the development of a
curriculum, technology system and school operations plan; recruiting, selecting and pre-service
training of staff members; purchasing of instructional materials and supplies and other materials
deemed necessary to initiate the Educational Program. CUE and the PSAD Board agree that
start-up costs that are incurred prior to July 1, 2009 will be paid by CUE using funds from the
MDHE grant received by CUE and PSAD and funds raised by CUE from other sources. If other
start-up funds are received by PSAD before July 1, 2009, the PSAD Board must approve the use
of such funds for start-up costs. Start-up costs incurred on or after July 1, 2009 will be made a
part of the budget submitted for the PSAD Board's approval.

I. Other Public School Academies. PSAD acknowledges that CUE may enter into
similar management agreements with other public school academies or traditional public schools
in the future. CUE shall separately account for reimbursable expenses incurred on the
HFA:SCS's behalf and other public school academies, and only charge PSAD for expenses
incurred on the HFA:SCS's behalf. If CUE incurs reimbursable expenses on the HFA:SCS's
behalf and other public school academies which are incapable of precise allocation between such
academies, the CUE shall allocate such expenses among all such academies, including the

- 7 -
HFA SCS, on a pro rata basis based upon the number of students enrolled at such academies, or upon such other equitable basis as is acceptable to the parties.

J. **Financial and Other Reporting.** CUE shall provide PSAD with:

1. A projected annual budget prior to each academic year;

2. Detailed statements of all revenues received, from whatever source, with respect to the HFA:SCS, and detailed statements of all direct expenditures for services rendered to or on the HFA:SCS's behalf, whether incurred on-site or off-site, upon request;

3. Assistance with the annual audits that the PSAD Board must conduct in compliance with state law and regulations showing the manner in which funds are spent at the HFA:SCS;

4. Quarterly detailed reporting of revenues and expenditures in the form of: detailed budget-to-actual and balance sheet;

5. Reports on HFA:SCS operations, finances and student performance, upon request, but not less frequently than four (4) times per year; and

6. Other information on a periodic basis to enable the PSAD Board and the Contract Administrator to monitor CUE's educational performance and the efficiency of its operation of the HFA:SCS.

K. **Access to Records.** CUE shall keep accurate financial records pertaining to its operation of the HFA:SCS, together with all HFA:SCS financial records prepared by or in the possession of CUE, and retain all such records in accordance with the State Record Retention Policy, Bulletin 522, as amended. CUE and PSAD shall maintain the proper confidentiality of personnel, students and other records as required by law. All HFA:SCS financial records retained by CUE shall be available to either PSAD or the Authorizer Board for inspection and copying upon reasonable request. CUE shall make available to the PSAD as deemed necessary by the PSAD Board in order to enable the PSAD to fully comply with Section 11.16 of the Terms and Conditions of the Contract.

L. **Review of Budget.** The PSAD Board shall be responsible for reviewing, revising, and approving the HFA:SCS's annual budget proposed by CUE. CUE shall provide the HFA:SCS budget information and other financial reports in a format required by the PSAD Board or its Contract Administrator.

M. **Maintenance of Financial Accounts.** The PSAD Board shall maintain one or more bank accounts for the receipt of funds from the state of Michigan or otherwise for the operation of the HFA:SCS ("HFA:SCS Accounts"). The PSAD Board shall appoint authorized signatories to HFA:SCS Accounts by board resolution, and no CUE agent shall be a signatory to the HFA:SCS accounts. CUE shall maintain a bank account solely to maintain funds for the operation of HFA SCS ("CUE HFA:SCS Trust Account"), and no CUE corporate funds shall be
maintained in the CUE HFA:SCS Trust Account. Only CUE agents will be authorized signatories to the CUE HFA:SCS Trust Account, and no PSAD Board agent shall be a signatory to the CUE HFA:SCS Trust Account. PSAD and CUE will coordinate efforts to have funds transferred by wire transfer or other means from the HFA:SCS Accounts to the CUE HFA:SCS Trust Account to enable CUE to draw funds from the CUE HFA:SCS Trust Account to fund school operations consistent with the approved budget as amended. PSAD's payment of the Management Fee and Additional Compensation shall be made to CUE's corporate accounts and not the CUE HFA:SCS Trust Account. The funds held on deposit by CUE in its CUE HFA:SCS Trust Account shall be PSAD property, and CUE shall make the account records for the CUE HFA:SCS Trust Account available immediately on request by PSAD.

ARTICLE VI
PERSONNEL & TRAINING

A. Personnel Responsibility. Subject to the Contract, CUE shall have the sole responsibility and authority to select, hire, evaluate, assign, discipline and transfer personnel, consistent with state and federal law.

B. School Administrator. Because the accountability of CUE to PSAD is an essential foundation of this partnership, and because the responsibility of the School Administrator of the HFA:SCS is critical to its success, CUE will have the authority, consistent with state law, to select and supervise the School Administrator and to hold him or her accountable for the HFA:SCS's success. The employment expectations of the School Administrator, and the duties and compensation of the School Administrator, shall be determined by CUE. The School Administrator and CUE, in turn, will have similar authority to select and hold accountable the teachers and other staff at HFA:SCS.

C. Teachers. CUE shall provide the HFA:SCS with such teachers, qualified in the grade levels and subjects required, as are required by PSAD; provided that the hiring of such teachers will be in accordance with the approved budgeted line item. The curriculum taught by such teachers will be the curriculum agreed upon by the PSAD Board and CUE, consistent with the Contract. Such teachers may, in CUE's discretion, work at the HFA:SCS on a full or part time basis. If assigned to the HFA:SCS on a part time basis, such teachers may also work at other schools operated by CUE in the future. Each teacher assigned to the HFA:SCS shall hold a valid teaching certificate issued by the state board of education under the Code, to the extent required under the Code.

D. Support Staff. CUE shall provide the HFA:SCS with such support staff, qualified in the areas required, as are required by PSAD; provided that the hiring of such support staff will be in accordance with the approved budgeted line item. And third, if mediation is unsuccessful or extends beyond ninety days from the parties' initial meeting to resolve the matter, by arbitration, which at this point shall be the sole and exclusive remedy for such matters. If (i) CUE fails to meet in any school year during the Term any one or more of the standards relating to its operation of the HFA:SCS located within the Subleased Premises set forth in A, B or C below (those performance standard(s) which CUE fails to meet in such school year are collectively referred to herein as the "Failed Standards"), (ii) TEF-SIX, LLC, within thirty (30) days after it has been determined that CUE failed to meet such Failed Standards, gives CUE written notice that the Building Sublease will terminate if CUE fails to meet in the immediately succeeding school year any of the Failed Standards, and (iii) CUE fails to meet in such subsequent school year any of the Failed Standards (the "Second Failure"), the Building Sublease shall terminate effective as of the end of the school year in which the Second Failure occurs unless TEF-SIX, LLC otherwise revokes such termination:

A. Graduation Rate:

1. 80% of the freshman students entering the high school in the fall of 2009 shall graduate from the high school in June of 2013 or earlier;

2. 83.33% of the freshman students entering the high school in the fall of 2010 shall graduate from the high school in June of 2014 or earlier;

3. 86.67% of the freshman students entering the high school in the fall of 2011 shall graduate from the high school in June of 2015 or earlier;

4. 90% of the freshman students entering the high school in the fall of 2012 shall graduate from the high school in 2016 or earlier; and

5. With respect to any school year following the school year that began in the fall of 2012, either (a) 90% of the freshman students entering the high school in such school year shall graduate from the high school in four (4) years or earlier or (b) the average annual graduation rate (e.g., the percentage of students who graduate from the high school in four years or earlier) for such school year and the two immediately preceding school years is at least 90%;

B. Re-enrollment Rate:

1. For every freshman class subsequent to the class of 2009, the enrollment rate for the following school year and each year thereafter shall be at a rate such that the graduation rates specified in this subsection A above can be mathematically obtained; and

C. Post-Secondary Education Rate:

1. 80% of the graduates of the class of 2013 shall enroll in college or other post-secondary studies;

2. 83.3% of the graduates in the class of 2014 shall enroll in college or other post-secondary studies;
3. 86.67% of the graduates of the class of 2015 shall enroll in college or other post-secondary studies;

4. 90% of the graduates of the class of 2016 shall enroll in college or other post-secondary studies; and

5. With respect to the graduates of each class after the class of 2016, either (a) 90% of the graduates of such class shall enroll in college or other post-secondary studies or (b) the average annual percentage of the graduates of such class and the two immediately preceding classes that are enrolled in college or other post-secondary studies is at least 90%.

If (i) the enrollment of any incoming freshman class for any school year during the term of the Building Sublease shall be less than 100 students, (ii) the average daily attendance rate during any school year is less than 90% or (iii) any senior class at the high school shall have an average ACT score of less than 18, then an action plan will be developed by CUE and upon approval by the PSAD Board, will be pursued by CUE. In no event shall the occurrence of any of the events described in (i), (ii) or (iii) of the immediately preceding sentence or the failure to develop or pursue any action plan described above provide a basis for termination under this Agreement. The PSAD Board, the Contract Administrator and CUE shall develop mutually acceptable guidelines for calculating the Graduation, Re-enrollment and Post-Secondary Education Rates.
MANAGEMENT AGREEMENT
BETWEEN
CREATIVE URBAN EDUCATION
AND
THE PUBLIC SCHOOL ACADEMIES OF DETROIT

This Educational Management Company Agreement ("Agreement") is made and entered into as of the 9th day of January, 2009 by and between Creative Urban Education, Inc., a Michigan non-profit corporation ("CUE"), and the Public School Academies of Detroit, a Michigan non-profit corporation (the "PSAD").

The following is a recital of facts underlying this Agreement:

The PSAD is organized to operate urban high school academies in Detroit pursuant to the Michigan Revised School Code, Part 6C (the "Code"). The PSAD has issued a contract, as defined in the Code (the "Contract"), by the Board of Trustees of Grand Valley State University (the "Authorizer Board") on December 14, 2007, as amended, to organize and operate urban high school academies.

CUE is a nonprofit corporation founded with the purpose of bringing a new model of urban schools to the state of Michigan.

The PSAD and CUE desire to create an enduring educational partnership, whereby the PSAD and CUE will work together to bring educational excellence and innovation to one of the PSAD urban high school academies, The Henry Ford Academy: School for Creative Studies ("HFA:SCS") based on CUE's school design and capacity to implement and manage a comprehensive educational program.

To pursue this purpose, the parties desire to implement an arrangement for HFA:SCS, an urban high school academy, management and operation.

Therefore, it is mutually agreed as follows:

ARTICLE I
CONTRACTING RELATIONSHIP

A. Authority. The PSAD is authorized by law to contract with a private entity for the provision of educational management services. The PSAD further has been granted the Contract by the Authorizer Board to organize and operate an urban high school academy. The PSAD is therefore authorized by the Authorizer Board to supervise and control such academy, and is invested with the powers set forth under the Code to carry out the educational program contemplated in this Agreement. Notwithstanding anything to the contrary in this Agreement, the PSAD's Board of Directors ("PSAD Board"), pursuant to the Code and in accordance with the Contract, shall be accountable for the HFA:SCS's overall oversight, monitoring and supervision; strategic planning; policies; and budgeting.

B. Contract. The PSAD contracts with CUE, to the extent permitted by law, the Contract, and as otherwise provided in the Contract Administration Agreement dated August 28, 2008 between PSAD and the Thompson Educational Foundation (the "Contract Administrator"),
to provide all functions relating to the provision of educational services and the management and operation of the HFA:SCS as further set forth or limited herein.

C. Status of the Parties. CUE is a nonprofit corporation, organized and existing under the laws of the state of Michigan, and is not a division or a part of the PSAD. The PSAD is a nonprofit corporation, organized and existing under the laws of the state of Michigan. Pursuant to Code, the PSAD is a body corporate and governmental agency of the State of Michigan, and is not division or part of CUE. The relationship between CUE and the PSAD is based solely on the terms of this Agreement, and the terms of any other agreements between them. In performing its duties under this Agreement, it is mutually understood and agreed that CUE shall at all times be acting and performing as an independent contractor. Nothing in this Agreement is intended to create an employer/employee relationship, partnership or joint venture relationship between the parties.

ARTICLE II
TERM

A. Term. The term of this Agreement (the "Term") shall commence on July 1, 2009 or the corresponding commencement date of the term for HFA:SCS identified in the Contract, whichever is earlier, ("Commencement Date") and end on June 30, 2018, unless earlier terminated or further extended in accordance with this Agreement. For purposes of this Agreement, "academic year" or "school year" shall mean the fiscal year beginning July 1 and ending June 30 of the following year.

B. Renewal. This Agreement will be eligible for renewal at the time the Contract is eligible for renewal. In the event of renewal, the Management Fee will be reviewed and may be revised, subject to the written approval of PSAD and CUE.

ARTICLE III
CUE FUNCTIONS AND RESPONSIBILITIES

A. Responsibility. CUE shall be responsible and accountable to the PSAD Board and its Contract Administrator for the HFA:SCS's administration, operation and performance. On and after the Commencement Date, CUE shall be responsible for the HFA:SCS's day-to-day management and shall undertake such responsibilities in good faith and in the HFA:SCS's best interests. CUE is granted such power and authority on PSAD's behalf that is reasonably necessary or appropriate to perform its obligations under this Agreement, subject to the express limitations stated in this Agreement, the Code, and the Contract. Except as expressly stated herein, the descriptions of CUE's power and authority stated in this Article III are not intended to limit or restrict other powers and authority which may be necessary or appropriate for CUE to perform its obligations under this Agreement. Nothing in this Agreement shall be construed to confer upon CUE authority to act where the Code requires official action by the PSAD Board.

B. Educational Program. Consistent with the Code, the Contract and the HFA:SCS Goals (as defined in Section G of this Article III), the educational program(s) and program(s) of instruction (collectively, the "Educational Program") provided by CUE at the HFA:SCS may be adapted and modified by CUE from time to time, it being understood that an essential principle of this Educational Program is its flexibility, adaptability and capacity to change in the interest of
continuous improvement and efficiency, and that PSAD and CUE are interested in results and not inflexible prescriptions; provided that any modification must be consistent with the Contract and any substantial changes to the Educational Program may require a Contract amendment. The PSAD Board, including its Contract Administrator, shall be consulted before any substantial adaptation or modification to the Educational Program. Where the Code requires PSAD action in connection with the educational program, CUE shall advise the PSAD Board, including its Contract Administrator, that such action is required and shall, consistent with the terms of this Agreement, carry out the direction of the PSAD Board.

C. **Specific Functions.** CUE shall be responsible for the HFA:SCS’s management, operation, administration and Education Program. Such functions include, but are not limited to:

1. Implementation and administration of the Educational Program, including the selection and acquisition of instructional materials, equipment and supplies, and the administration of any and all extra-and co-curricular activities and programs approved by the PSAD Board;

2. Management of all personnel functions, including professional development for the School Administrator and all instructional personnel and the personnel functions outlined in Article VI;

3. Operation of the Subleased Premises (defined hereafter) and the installation of technology integral to school design;

4. All aspects of the HFA:SCS’s business administration; and

5. Any other function necessary or expedient for the HFA:SCS’s administration.

D. **Subcontracts.** CUE reserves the right to subcontract any and all aspects of services it agrees to provide to the HFA:SCS. However, CUE shall not subcontract the management, oversight or operation of the teaching and instructional program, except as specifically permitted in this Agreement or with the PSAD Board’s prior written approval. CUE also reserves the right to subcontract to Henry Ford Learning Institute ("HFLI") services related to curriculum, technology, and all other services consistent with HFLI’s rights and duties under the Education Network Services Agreement to be executed by CUE and HFLI (the "HFLI Network Services Agreement"). Without limiting CUE’s rights under the preceding sentence, CUE may subcontract to HFLI the development, creation, and modification of curricula, technology and procedures to be recommended for HFA:SCS. The total cost for such services and technology provided pursuant to the HFLI Network Services Agreement is the amount equal to (a) four percent, multiplied by (b) the amount of the state school aid received by PSAD for the particular students enrolled in the HFA:SCS less the amount the Authorizer Board receives for its oversight responsibilities as described in the Contract. CUE acknowledges that PSAD has no privity of contract with HFLI and shall hold PSAD harmless from claims of HFLI regarding the HFLI Network Services Agreement. The amount paid by PSAD for such services and technology provided pursuant to the HFLI Network Services Agreement is not a service fee, Management Fee (as herein defined) or Additional Compensation (as herein defined) paid to CUE, but rather payment to reimburse CUE’s actual expenses, without any additional fee or
surcharge, to obtain the right to use the services and technology provided pursuant to the HFLI
Network Services Agreement.

E. Placement of Performance. CUE reserves the right to perform functions other
than instruction, such as purchasing, professional development, and administrative functions,
offsite at other CUE locations, unless prohibited by the Code, the Contract, or other applicable
law.

F. Student Recruitment. CUE shall be responsible for the recruitment of students
subject to the PSAD’s recruitment and admission policies. Students shall be selected in
accordance with the procedures set forth in the Contract and in compliance with the Code and
other applicable law.

G. Legal Requirements. The parties acknowledge that the Contract establishes
certain educational goals (“HFA:SCS Goals”) for the HFA:SCS to achieve and the methods to
provide the Educational Program in a manner that will reasonably meet (i) all applicable federal,
and state laws and rules and regulations applicable to the HFA:SCS ("Applicable Law"), and (ii)
the requirements imposed upon PSAD under the Code and the Contract (unless such
requirements are or have been waived) and (iii) the HFA:SCS Goals.

H. Due Process Hearings. CUE shall cooperate with the PSAD Board in meeting
PSAD’s obligations to provide students with all necessary due process hearings in conformity
with Applicable Law, including matters relating to discipline, special education, confidentiality
and access to records.

I. Rules & Procedures. CUE shall recommend reasonable rules, regulations and
procedures applicable to the HFA:SCS and is authorized and directed to enforce such rules,
regulations and procedures that are adopted by the PSAD Board.

J. School Year and School Day. In accordance with the Contract and applicable
law, the school year and the school day shall be determined each year by the PSAD Board.

K. Authority. CUE shall have the authority and power necessary to undertake its
responsibilities under this Agreement except in the case(s) wherein such power may not be
delegated by law.

L. Compliance With Applicable Law and the Contract. In carrying out its
responsibilities hereunder, CUE shall observe and comply with, and cooperate with the PSAD
Board and its Contract Administrator in complying with the Contract and Applicable Law. CUE
agrees to perform its duties and responsibilities under this Agreement in a manner consistent
with the PSAD’s obligations under the Contract issued by the Authorizer Board. The provisions
of the Contract shall supersede any competing or conflicting provisions in this Agreement.

M. Building Facility. It is anticipated that the middle school and high school grades
of the HFA:SCS will be located in suites 101, 102, 201, 301 and 401 in a renovated building
facility, commonly known as the Argonaut Building, pursuant to a Sublease between TEF-SIX,
LLC, a Michigan limited liability company ("TEF-SIX") and Argonaut Building Master Tenant,
LLC, a Michigan limited liability company (the “Master Tenant”) located at 465-485 West
Milwaukee, Detroit Michigan 48202 (the “Building Sublease”). TEF-SIX will also sublease the
gymnasium from Master Tenant to be constructed adjacent to the Argonaut Building and CUE will sublease such gymnasium from TEF-SIX (the "Gymnasium Sublease"). The building and gymnasium are collectively referred to as the "Subleased Premises." TEF-SIX is a single member limited liability company whose single member is the Contract Administrator. The Contract Administrator will provide a limited guaranty of TEF-SIX's obligations under the Building Sublease. TEF-SIX will sublease the Subleased Premises to CUE and CUE is obligated, pursuant to Article III, Section N below, to provide the Subleased Premises to the PSAD for the operation of the HFA:SCS's middle school and high school grades.

N. Right of Entry. Pursuant to Article III, Section M, of this Agreement, CUE grants to PSAD and its agents, board members, employees, invitees, and students, unconditional permission for the Term of this Agreement to enter upon and use the Subleased Premises for the operation of the HFA:SCS for all purposes contemplated by the Contract issued by the Authorizer Board, including permission to bring upon the Subleased Premises any and all materials, supplies and furniture required to operate the HFA:SCS, and to conduct educational activities on the Subleased Premises, including without limitation, any and all activities which are principal, ancillary, customary and incidental to operating a public school; provided, however, that if the Gymnasium Sublease terminates before this Agreement terminates, PSAD's right of entry to the gymnasium likewise terminates. CUE shall not charge PSAD any License or Right of Entry Fee. The operation of all school activities shall be done in accordance with all applicable laws, this Agreement, and the Contract.

ARTICLE IV

OBLIGATIONS OF THE PSAD BOARD

The PSAD Board shall exercise good faith in considering the recommendations of CUE including, but not limited to, CUE's recommendations concerning policies, rules, regulations, procedures, curriculum, and budgets.

ARTICLE V

COMPENSATION FOR SERVICES

A. Compensation for Services. PSAD agrees that CUE shall be entitled to an annual fee for services provided each academic year under this Agreement, in accordance with the fee schedule set forth on the attached Exhibit A ("Management Fee"). During any academic year, CUE may irrevocably waive any or all of the Management Fee at its sole option. Payment or waiver of the Management Fee will not preclude the payment of Additional Compensation by PSAD if additional compensation is permitted or specified elsewhere in this Agreement or in any other agreements between the parties. "Additional Compensation" means additional funds paid by PSAD to CUE, or funds collected by PSAD and remitted to CUE, for services or programs conducted by CUE. Additional Compensation does not include funds to cover CUE's costs or expenses in conducting such services or programs, nor does it include the amount of funds collected directly by CUE from users of, or participants in, such services or programs. In no event will the Additional Compensation paid by PSAD to CUE in an academic year exceed 25% of the Management Fee for that same academic year.
B. **Reasonable Compensation.** PSAD acknowledges and agrees that compensation payable to CUE under this Agreement is reasonable compensation for the services to be rendered by CUE to PSAD under this Agreement. CUE's compensation for services under this Agreement will not be based, in whole or in part, on a share of net profits from the HFA:SCS's operation.

C. **Payment of Costs.** CUE will be solely responsible for preparing the annual budget and budget amendments thereto for CUE's operation of the HFA:SCS and timely submit the annual budget and amendments to the PSAD Board for consideration and approval. Except as otherwise provided in this Agreement, PSAD shall fully fund the budget, as may be amended, the PSAD Board approves for CUE's operation of the HFA:SCS. In addition to the compensation described in paragraph A of this Article, CUE shall receive reimbursement from PSAD for all costs and expenses incurred and paid by CUE in providing the Educational Services, administrative services and other goods and services pursuant to this Agreement. Such costs include, but are not limited to, salaries for all personnel, curriculum materials, instructional materials, textbooks, library books, computer and other equipment, software, supplies, transportation, special education, building, maintenance, psychological services and medical services, rent and other sums payable pursuant to the Building Sublease and Gymnasium Sublease, and the cost of maintaining, repairing and operating the Subleased Premises. In paying costs and expenses on PSAD's behalf, CUE shall not charge an added fee unless such fee is approved in advance by the PSAD Board and, provided further, that such fees shall be considered Additional Compensation as defined in Paragraph A of this Article. In the event that CUE requests reimbursement under this Agreement for expenses that are not identified in the approved budget, CUE shall timely present invoices to the PSAD Board. Until the PSAD Board approves a CUE reimbursement request under this Agreement for expenses that are not identified in the approved budget, PSAD will have no obligation to pay such reimbursement.

D. **Time and Priority of Payment.** CUE shall receive its compensation pursuant to Paragraph A of this Article in eleven (11) installments beginning in October of each academic year and ending in August of such academic year. Such installment amounts shall be due and payable within ten (10) days of receipt by PSAD of each of its state school aid payments. Payments due and owing to CUE for invoices submitted pursuant to Paragraph C of this Article and approved by the PSAD Board shall be made by PSAD to CUE on the last day of each month, after PSAD Board approval.

E. PSAD shall satisfy its payment obligation under this Article to CUE in the following order of priority: (1) to reimburse CUE pursuant to Paragraph C of this Article for sums due and owing for previous months; (2) to reimburse CUE pursuant to Paragraph C of this Article for sums due and owing for the current month; (3) to pay CUE pursuant to Paragraph A of this Article for installment payments due and owing for previous months; and (4) to pay CUE pursuant to Paragraph A of this Article for installment payments due and owing for the current month.

F. **No Related Parties or Common Control.** In interpreting this Agreement and in the provision of the required services, CUE shall not have any role or relationship with PSAD that, in effect, substantially limits PSAD's ability to exercise its rights, including cancellation rights, under this Agreement. As required by PSAD's Articles of Incorporation and Bylaws, the PSAD Board may not include any director, officer or employee of a management company that contracts with PSAD. In furtherance of such restriction it is agreed between PSAD and CUE
that none of the voting power or the governing body of PSAD will be vested in CUE or its directors, members, managers, officers, shareholders and employees, and PSAD and CUE will not be related parties as defined in Treas. Reg. § 1.150-1 (b).

G. Other Revenue Sources. To supplement and enhance the state school aid payments, and improve the quality of education at the HFA:SCS, PSAD and CUE shall endeavor to obtain revenue from other sources. In this regard:

1. PSAD may solicit and receive grants, and donations consistent with the HFA:SCS’s mission;

2. PSAD and/or CUE may apply for and receive grant money, in the name of CUE or PSAD;

3. To the extent permitted under the Code and the Contract, CUE may, with the prior approval of the PSAD board, charge and retain fees from (a) HFA:SCS students for extra services such as summer programs and (b) non-HFA:SCS students and others who participate in programs or services provided by CUE. To the extent any such fees are paid directly to PSAD, PSAD will promptly remit such fees to CUE. The amount of such fees remitted by PSAD to CUE, less CUE’s costs and expenses in providing the additional programs or services, will be considered Additional Compensation as defined in Paragraph A of this Article; and

4. Except for fees described in paragraph 3 above, all funds received by PSAD or by CUE on PSAD’s behalf from such other revenue sources shall inure to and be deemed PSAD’s property.

H. Start-up Funds. CUE and the PSAD Board shall, in good faith, work together to identify and agree upon funding sources to be used to cover the HFA:SCS’s start-up costs. The parties acknowledge that such costs may include expenses related to the development of a curriculum, technology system and school operations plan; recruiting, selecting and pre-service training of staff members; purchasing of instructional materials and supplies and other materials deemed necessary to initiate the Educational Program. CUE and the PSAD Board agree that start-up costs that are incurred prior to July 1, 2009 will be paid by CUE using funds from the MDE grant received by CUE and PSAD and funds raised by CUE from other sources. If other start-up funds are received by PSAD before July 1, 2009, the PSAD Board must approve the use of such funds for start-up costs. Start-up costs incurred on or after July 1, 2009 will be made a part of the budget submitted for the PSAD Board’s approval.

I. Other Public School Academies. PSAD acknowledges that CUE may enter into similar management agreements with other public school academies or traditional public schools in the future. CUE shall separately account for reimbursable expenses incurred on the HFA:SCS’s behalf and other public school academies, and only charge PSAD for expenses incurred on the HFA:SCS’s behalf. If CUE incurs reimbursable expenses on the HFA:SCS’s behalf and other public school academies which are incapable of precise allocation between such academies, the CUE shall allocate such expenses among all such academies, including the
HFA:SCS, on a pro rata basis based upon the number of students enrolled at such academies, or upon such other equitable basis as is acceptable to the parties.

J. Financial and Other Reporting. CUE shall provide PSAD with:

1. A projected annual budget prior to each academic year;

2. Detailed statements of all revenues received, from whatever source, with respect to the HFA:SCS, and detailed statements of all direct expenditures for services rendered to or on the HFA:SCS's behalf, whether incurred on-site or off-site, upon request;

3. Assistance with the annual audits that the PSAD Board must conduct in compliance with state law and regulations showing the manner in which funds are spent at the HFA:SCS;

4. Quarterly detailed reporting of revenues and expenditures in the form of: detailed budget-to-actual and balance sheet;

5. Reports on HFA:SCS operations, finances and student performance, upon request, but not less frequently than four (4) times per year; and

6. Other information on a periodic basis to enable the PSAD Board and the Contract Administrator to monitor CUE's educational performance and the efficiency of its operation of the HFA:SCS.

K. Access to Records. CUE shall keep accurate financial records pertaining to its operation of the HFA:SCS, together with all HFA:SCS financial records prepared by or in the possession of CUE, and retain all such records in accordance with the State Record Retention Policy, Bulletin 522, as amended. CUE and PSAD shall maintain the proper confidentiality of personnel, students and other records as required by law. All HFA:SCS financial records retained by CUE shall be available to either PSAD or the Authorizer Board for inspection and copying upon reasonable request. CUE shall make information concerning the operation and management of the HFA:SCS, including without limitation, the information described in Schedule 6 of the Contract, available to the PSAD as deemed necessary by the PSAD Board in order to enable the PSAD to fully comply with Section 11.16 of the Terms and Conditions of the Contract.

L. Review of Budget. The PSAD Board shall be responsible for reviewing, revising, and approving the HFA:SCS's annual budget proposed by CUE. CUE shall provide the HFA:SCS budget information and other financial reports in a format required by the PSAD Board or its Contract Administrator.

Such teachers may, in CUE's discretion, work at the HFA:SCS on a full or part time basis. If assigned to the HFA:SCS on a part time basis, such teachers may also work at other schools operated by CUE in the future. Each teacher assigned to the HFA:SCS shall hold a valid teaching certificate issued by the state board of education under the Code, to the extent required under the Code.

D. **Support Staff.** CUE shall provide the HFA:SCS with such support staff, qualified in the areas required, as are required by PSAD; provided that the hiring of such support staff will be in accordance with the approved budgeted line item. Any usable property or equipment (e.g., including but not limited to desks, computers, copying machines, fax machines, telephones) that were purchased for the HFA:SCS by CUE with PSAD funds (including any state school aid, but excluding Management Fee or Additional Compensation funds) or for which CUE received reimbursement from PSAD shall remain PSAD property.

A. Graduation Rate:

1. 80% of the freshman students entering the high school in the fall of 2009 shall graduate from the high school in June of 2013 or earlier;

2. 83.33% of the freshman students entering the high school in the fall of 2010 shall graduate from the high school in June of 2014 or earlier;

With respect to any school year following the school year that began in the fall of 2012, either (a) 90% of the freshman students entering the high school in such school year shall graduate from the high school in four (4) years or earlier or (b) the average annual graduation rate (e.g., the percentage of students who graduate from the high school in four years or earlier) for such school year and the two immediately preceding school years is at least 90%;

B. Re-enrollment Rate:

1. For every freshman class subsequent to the class of 2009, the enrollment rate for the following school year and each year thereafter shall be at a rate such that the graduation rates specified in this subsection A above can be mathematically obtained; and

4. 90% of the graduates of the class of 2016 shall enroll in college or other post-secondary studies; and

5. With respect to the graduates of each class after the class of 2016, either (a) 90% of the graduates of such class shall enroll in college or other post-secondary studies or (b) the average annual percentage of the graduates of such class and the two immediately preceding classes that are enrolled in college or other post-secondary studies is at least 90%.

If (i) the enrollment of any incoming freshman class for any school year during the term of the Building Sublease shall be less than 100 students, (ii) the average daily attendance rate during any school year is less than 90% or (iii) any senior class at the high school shall have an average ACT score of less than 18, then an action plan will be developed by CUE and upon approval by the PSAD Board, will be pursued by CUE. In no event shall the occurrence of any of the events described in (i), (ii) or (iii) of the immediately preceding sentence or the failure to develop or pursue any action plan described above provide a basis for termination under this Agreement. The PSAD Board, the Contract Administrator and CUE shall develop mutually acceptable guidelines for calculating the Graduation, Re-enrollment and Post-Secondary Education Rates.
MANAGEMENT AGREEMENT

This Educational Management Company Agreement ("Agreement") is made and entered into as of the 24th day of December, 2007 by and between New Urban Learning, a Michigan nonprofit corporation ("NUL"), and the Public School Academies of Detroit, a Michigan nonprofit corporation (the "PSAD").

The following is a recital of facts underlying this Agreement:

The PSAD is organized to operate urban high school academies in Detroit pursuant to the Michigan Revised School Code, Part 6C (the "Code"). The PSAD anticipates that it will enter into a contract, as defined in the Code (the "Contract"), with the Board of Trustees of Grand Valley State University (the "Authorizer Board") to organize and operate urban high school academies.

NUL is a nonprofit corporation founded with the purpose of bringing a new model of urban schools to the state of Michigan.

The PSAD and NUL desire to create an enduring educational partnership, whereby the PSAD and NUL will work together to bring educational excellence and innovation to one of the PSAD urban high school academies based on NUL's school design and capacity to implement and manage a comprehensive educational program.

To pursue this purpose, the parties desire to implement an arrangement for the University Prep – Science and Math High School's (the "Academy") management and operation.

Therefore, it is mutually agreed as follows:

ARTICLE I
CONTRACTING RELATIONSHIP

A. Authority. The PSAD is authorized by law to contract with a private entity for the provision of educational management services. The PSAD further has been or will be granted the Contract by the Authorizer Board to organize and operate an urban high school academy. The PSAD is therefore authorized by the Authorizer Board to supervise and control such academy, and is invested with the powers set forth under the Code to carry out the educational program contemplated in this Agreement. Notwithstanding anything contained herein to the contrary, the PSAD's Board of Directors ("Academy Board"), pursuant to the Code and in accordance with the Contract, shall be accountable for the Academy's overall oversight, monitoring and supervision and shall be responsible for the establishment and/or approval of the Academy's strategic planning, policies and budgeting.

B. Contract. The PSAD contracts to NUL, to the extent permitted by law or as otherwise provided in the Contract Administration agreement between PSAD and the Thompson Educational Foundation (the "Contract Administrator"), all functions relating to the provisions of educational services and the management and operation of the Academy in accordance with the enrollment, age and grade level specifications for the Academy and as further set forth or limited herein.
C. **Status of the Parties.** NUL is a nonprofit corporation, organized and existing under the laws of the state of Michigan, and is not a division or a part of the PSAD or the Academy. The PSAD is a nonprofit corporation, organized and existing under the laws of the state of Michigan. Pursuant to Code, the PSAD is a body corporate and governmental agency of the State of Michigan, and is not division or part of NUL. The relationship between NUL and the PSAD is based solely on the terms of this Agreement, and the terms of any other agreements between them. In performing its duties under this Agreement, it is mutually understood and agreed that NUL shall be at all times acting and performing as an independent contractor. Nothing in this Agreement is intended to create an employer/employee relationship, partnership or joint venture relationship between the parties.

**ARTICLE II**

**TERM**

A. **Term.** The term of this Agreement (the 'Term') shall be for three years and commence on July 1, 2008 ("Commencement Date") and end on June 30, 2011, unless earlier terminated in accordance with this Agreement. For purposes of this Agreement, "academic year" shall mean the fiscal year beginning July 1 and ending June 30 of the following year.

B. **Renewal.** This Agreement shall be extended for an additional period of two years, unless written notice of intent to terminate or renegotiate is given by either party not less than on hundred twenty (120) days prior to the end of any academic year.

**ARTICLE III**

**FUNCTIONS OF NUL**

A. **Responsibility.** NUL shall be responsible and accountable to the PSAD and its Contract Administrator, for the Academy's administration, operation and performance. On and after the Commencement Date, NUL shall be responsible for the Academy's day-to-day management and shall undertake such responsibilities in good faith and in the Academy's best interests. NUL is granted such power and authority on the Academy's behalf as is reasonably necessary or appropriate to perform its obligations under this Agreement, subject to the express limitations stated in this Agreement. Except as expressly stated herein, the descriptions of NUL's power and authority stated in this Article III are not intended to limit or restrict other powers and authority which may be necessary or appropriate for NUL to perform its obligations under this Agreement. Nothing in this Agreement shall be construed to confer upon NUL authority to act where the Code requires official action by the Academy Board.

B. **Educational Program.** Consistent with the Code, the parameters of the Contract and the Academy Goals (as defined in Section G of this Article III), the educational program(s) and program(s) of instruction (collectively, the "Educational Program") provided by NUL at the Academy may be adapted and modified by NUL from time to time, it being understood that an essential principle of this Educational Program is its flexibility, adaptability and capacity to change in the interest of continuous improvement and efficiency, and that the Academy and NUL are interested in results and not inflexible prescriptions. The PSAD, through its Contract Administrator, shall be consulted before any substantial adaptation or modification to the educational program. Where the Code requires PSAD action in connection with the Educational Program, NUL shall advise the PSAD, through its Contract Administrator, that such action is
required and shall, consistent with the terms of this Agreement, carry out the direction of the
PSAD.

C. **Specific Functions.** NUL shall be responsible for the Academy's management,
operation, administration and Education Program. Such functions include, but are not limited to:

1. Implementation and administration of the Educational Program, including
   the selection and acquisition of instructional materials, equipment and

   administration.

D. **Subcontracts.** NUL reserves the right to subcontract any and all aspects of
services it agrees to provide to the Academy, including, but not limited to food service.
However, NUL shall not subcontract the management, oversight or operation of the teaching and
instructional program, except as specifically permitted in this Agreement or with the Academy
Board's prior written approval.

ARTICLE IV
OBLIGATIONS OF THE ACADEMY BOARD

The Academy Board shall exercise good faith in adopting the recommendations of NUL including, but not limited to, NUL's recommendations concerning policies, rules, regulations, procedures, curriculum, and budgets.
ARTICLE V
COMPENSATION FOR SERVICES

A. Compensation for Services. The Academy shall pay NUL an annual fee not to exceed 3% of the state school aid that the Academy receives, directly or indirectly, from the State of Michigan pursuant to the State School Aid Act of the 1979, as amended, for the particular students enrolled in the Academy less the amount the Authorizer Board receives for its oversight responsibilities, as described in the contract. Such compensation will not preclude the payment of additional compensation if additional compensation is permitted or specified elsewhere in this Agreement or in any other agreements between the parties ("Additional Compensation"). Notwithstanding any other provision of the Agreement, the total annual management fee plus any Additional Compensation payable to NUL hereunder shall not exceed $250,000, nor shall such total annual management fee plus any Additional Compensation be less than $125,000, subject to change by agreement of the parties depending upon changes in annual enrollment.

B. Reasonable Compensation. The Academy acknowledges and agrees that compensation payable to NUL under this Agreement is reasonable compensation for the services to be rendered by NUL to the Academy under this Agreement. NUL's compensation for services under this Agreement will not be based, in whole or in part, on a share of net profits from the Academy's operation.

C. Payment of Costs. Except as otherwise provided in this Agreement, the Academy shall fully fund the budget the Academy Board approves for NUL's operation of the Academy. In addition to the Compensation described in paragraph A of this Article, NUL shall receive reimbursement from the Academy for all costs and expenses incurred and paid by NUL in providing the Educational Services, administrative services and other goods and services pursuant to this Agreement. Such costs include, but are not limited to, salaries for all personnel, curriculum materials, instructional materials, textbooks, library books, computer and other equipment, software, supplies, food services, transportation, special education, building payments, maintenance, capital improvements, psychological services and medical services. In paying costs and expenses on the Academy's behalf, NUL shall not charge an added fee unless such fee is approved in advance by the Academy Board and, provided further, that fees shall be considered Additional Compensation as defined in paragraph A of this Article V. The Academy Board may advance funds to NUL for such costs.

D. Time and Priority of Payment. The compensation due to NUL pursuant to Paragraph A of this Article shall be calculated for each school year at the same time as the State of Michigan calculates the State School Aid, and adjustments to such calculation shall occur at the same time as the State of Michigan makes adjustments to the State School Aid. NUL shall receive its compensation pursuant to Paragraph A of this Article in eleven (11) installments beginning in October of each academic year and ending in August of such academic year. Such installment amounts shall be due and payable within ten (10) days of receipt by the Academy of each of its State School Aid payments. Payments due and owing to NUL pursuant to Paragraph C of this Article shall be made by the Academy to NUL on the last day of each month.

E. The Academy shall satisfy its payment obligation under this Article to NUL in the following order of priority: (1) to reimburse NUL pursuant to Paragraph C of this Article for
sums due and owing for previous months; (2) to reimburse NUL pursuant to Paragraph C of this Article for sums due and owing for the current month; (3) to pay NUL pursuant to Paragraph A of this Article for installment payments due and owing for previous months; and (4) to pay NUL pursuant to Paragraph A of this Article for installment payments due and owing for the current month.

F. **No Related Parties or Common Control.** In interpreting this Agreement and in the provision of the required services, NUL shall not have any role or relationship with the Academy that, in effect, substantially limits the Academy's ability to exercise its rights, including cancellation rights, under this Agreement. As required by the Academy's Articles of Incorporation and Bylaws, the Academy Board may not include any director, officer or employee of a management company that contracts with the Academy. In furtherance of such restriction it is agreed between the Academy and NUL that none of the voting power or the governing body of the Academy will be vested in NUL or its directors, members, managers, officers, shareholders and employees, and the Academy and NUL will not be related parties as defined in Treas. Reg. § 1.150-1 (b).

G. **Other Revenue Sources.** To supplement and enhance the State School Aid payments, and improve the quality of education at the Academy, the Academy and NUL shall endeavor to obtain revenue from other sources. In this regard:

1. The Academy may solicit and receive grants, and donations consistent with the Academy's mission;

2. The Academy and/or NUL may apply for and receive grant money, in the name of NUL or the Academy; and

3. To the extent permitted under the Code, NUL may charge fees to students for extra services such as summer programs and charge non Academy students who participate in such programs. Such fees shall be considered Additional Compensation as defined in paragraph A of this Article V.

4. All funds received by the Academy or by NUL on the Academy's behalf from such other revenue sources shall inure to and be deemed the Academy's property.

H. **Start-up Funds.** NUL and the Academy Board shall, in good faith, work together to identify and agree upon funding sources to be used to cover the Academy's start-up costs. The parties acknowledge that such costs may include expenses related to the development of a curriculum, technology system and school operations plan; recruiting, selecting and pre-service training of staff members; purchasing of instructional materials and supplies and other materials deemed necessary to initiate the Educational Program.

I. **Other Public School Academies.** The Academy acknowledges that NUL may enter into similar management agreements with other public school academies or traditional public schools in the future. NUL shall separately account for reimbursable expenses incurred on the Academy's behalf and other public school academies, and only charge the Academy for expenses incurred on the Academy's behalf. If NUL incurs reimbursable expenses on the Academy's behalf and other public school academies which are incapable of precise allocation
between such academies, the NUL shall allocate such expenses among all such academies, including the Academy, on a pro rata basis based upon the number of students enrolled at such academies, or upon such other equitable basis as is acceptable to the parties.

J. Financial and Other Reporting. NUL shall provide the Academy with:

1. A projected annual budget prior to each academic year;

2. Detailed statements of all revenues received, from whatever source, with respect to the Academy, and detailed statements of all direct expenditures for services rendered to or on the Academy's behalf, whether incurred on-site or off-site, upon request;

3. Annual audits in compliance with state law and regulations showing the manner in which funds are spent at the Academy;

4. Quarterly detailed reporting of revenues and expenditures in the form of: detailed budget-to-actual and balance sheet;

5. Reports on Academy operations, finances and student performance, upon request, but not less frequently than four (4) times per year; and

6. Other information on a periodic basis to enable the Academy Board and the Contract Administrator to monitor NUL’s educational performance and the efficiency of its operation of the Academy.

K. Access to Records. NUL shall keep accurate financial records pertaining to its operation of the Academy, together with all Academy financial records prepared by or in the possession of NUL, and retain all such records for a period of five (5) years from the close of the fiscal year to which such books, accounts, and records relate. NUL and the Academy shall maintain the proper confidentiality of personnel, students and other records as required by law. All Academy financial records retained by NUL shall be available to either the Academy or the Authorizer Board for inspection and copying upon reasonable request. NUL shall make information concerning the operation and management of the Academy, including without limitation the information described in Schedule 14 of the Contract, available to the PSAD as deemed necessary by the PSAD.

A. Personnel Responsibilities. The Academy shall have the sole responsibility and authority to hire, fire, supervise, assign, discipline and transfer personnel, consistent with applicable law.
B. School Administrator. Because the accountability of NUL to the Academy is an essential foundation of this partnership, and because the responsibility of the School Administrator of the Academy is critical to its success, NUL will have the authority, consistent with state law, to select and supervise the School Administrator and to hold him or her accountable for the Academy’s success. The employment contract with the School Administrator, and the duties and compensation of the School Administrator, shall be determined by NUL. The School Administrator and NUL, in turn, will have similar authority to select and hold accountable the teachers in the Academy.

C. Teachers. NUL shall, consistent with the Education Program and within the parameters of approved Academy budgets, determine the number of teachers, and the applicable grade levels and subjects, required for the Academy's operation. NUL shall provide the Academy with such teachers, qualified in the grade levels and subjects required, as are required by the Academy. The curriculum taught by such teachers will be the curriculum agreed upon by the Academy Board and NUL, consistent with the Contract. Such teachers may, in NUL’s discretion, work at the Academy on a full or part time basis. If assigned to the Academy on a part time basis, such teachers may also work at other schools operated by NUL in the future. Each teacher assigned to or retained by the Academy shall hold a valid teaching certificate issued by the state board of education under the Code, to the extent required under the Code.

NUL shall, consistent with the Education Program and within the parameters of approved Academy budgets, determine the number and functions of support staff required for the Academy's operation. NUL shall provide the Academy with such support staff, qualified in the areas required, as are required by the Academy. Such support staff may, in NUL's discretion work at the Academy on a full or part time basis. This Educational Management Company Agreement ("Agreement") is made and entered into as of the 1st day of August, 2008 by and between New Urban Learning, a Michigan nonprofit corporation ("NUL"), and the Public School Academies of Detroit, a Michigan nonprofit corporation (the "PSAD").

The following is a recital of facts underlying this Agreement:

The PSAD is organized to operate urban high school academies in Detroit pursuant to the Michigan Revised School Code, Part 6C (the "Code"). The PSAD anticipates that it will enter into a contract, as defined in the Code (the "Contract"), with the Board of Trustees of Grand Valley State University (the "Authorizer Board") to organize and operate urban high school academies.

NUL is a nonprofit corporation founded with the purpose of bringing a new model of urban schools to the state of Michigan.

The PSAD and NUL desire to create an enduring educational partnership, whereby the PSAD and NUL will work together to bring educational excellence and innovation to one of the PSAD urban high school academies based on NUL's school design and capacity to implement and manage a comprehensive educational program.

To pursue this purpose, the parties desire to implement an arrangement for the University Preparatory Academy (the "Academy") management and operation.

The Academy consists of one High School; one Middle School; and two Elementary Schools designated as Elementary I and Elementary II, for purposes of this agreement.

Therefore, it is mutually agreed as follows:

ARTICLE I
CONTRACTING RELATIONSHIP

A. Authority. The PSAD is authorized by law to contract with a private entity for the provision of educational management services. The PSAD further has been or will be granted the Contract by the Authorizer Board to organize and operate an urban high school academy. The PSAD is therefore authorized by the Authorizer Board to supervise and control such academy, and is invested with the powers set forth under the Code to carry out the educational program contemplated in this Agreement. Notwithstanding anything contained herein to the contrary, the PSAD's Board of Directors ("Academy Board"), pursuant to the Code and in accordance with the Contract, shall be accountable for the Academy's overall oversight, monitoring and supervision and shall be responsible for the establishment and/or approval of the Academy's strategic planning, policies and budgeting.

B. Contract. The PSAD contracts to NUL, to the extent permitted by law or as otherwise provided in the Contract Administration agreement between PSAD and the Thompson Educational Foundation (the "Contract Administrator"), all functions relating to the provisions of educational services and the management and operation of the Academy in accordance with the
enrollment, age and grade level specifications for the Academy and as further set forth or limited herein.

C. Status of the Parties. NUL is a nonprofit corporation, organized and existing under the laws of the state of Michigan, and is not a division or a part of the PSAD or the Academy. The PSAD is a nonprofit corporation, organized and existing under the laws of the state of Michigan. Pursuant to Code, the PSAD is a body corporate and governmental agency of the State of Michigan, and is not division or part of NUL. The relationship between NUL and the PSAD is based solely on the terms of this Agreement, and the terms of any other agreements between them. In performing its duties under this Agreement, it is mutually understood and agreed that NUL shall be at all times acting and performing as an independent contractor. Nothing in this Agreement is intended to create an employer/employee relationship, partnership or joint venture relationship between the parties.

ARTICLE II
TERM

A. Term. The term of this Agreement (the 'Term') shall be for three years and commence on September 1, 2008 ("Commencement Date") and end on August 30, 2011, unless earlier terminated in accordance with this Agreement. ARTICLE IV
OBLIGATIONS OF THE ACADEMY BOARD

The Academy Board shall exercise good faith in adopting the recommendations of NUL including, but not limited to, NUL's recommendations concerning policies, rules, regulations, procedures, curriculum, and budgets.
ARTICLE V
COMPENSATION FOR SERVICES

A. Compensation for Services. The Academy shall pay NUL an annual fee not to exceed 3% of the state school aid that the Academy receives, directly or indirectly, from the State of Michigan pursuant to the State School Aid Act of the 1979, as amended, for the particular students enrolled in the Academy less the amount the Authorizer Board receives for its oversight responsibilities, as described in the contract. Such compensation will not preclude the payment of additional compensation if additional compensation is permitted or specified elsewhere in this Agreement or in any other agreements between the parties ("Additional Compensation"). Notwithstanding any other provision of the Agreement, the total annual management fee plus any Additional Compensation payable to NUL hereunder shall not exceed $250,000, nor shall such total annual management fee plus any Additional Compensation be less than $125,000, subject to change by agreement of the parties depending upon changes in annual enrollment.

B. Reasonable Compensation. The Academy acknowledges and agrees that compensation payable to NUL under this Agreement is reasonable compensation for the services to be rendered by NUL to the Academy under this Agreement. NUL's compensation for services under this Agreement will not be based, in whole or in part, on a share of net profits from the Academy's operation.

C. Payment of Costs. Except as otherwise provided in this Agreement, the Academy shall fully fund the budget the Academy Board approves for NUL's operation of the Academy. In addition to the Compensation described in paragraph A of this Article, NUL shall receive reimbursement from the Academy for all costs and expenses incurred and paid by NUL in providing the Educational Services, administrative services and other goods and services pursuant to this Agreement. Such costs include, but are not limited to, salaries for all personnel, curriculum materials, instructional materials, textbooks, library books, computer and other equipment, software, supplies, food services, transportation, special education, building payments, maintenance, capital improvements, psychological services and medical services. In paying costs and expenses on the Academy's behalf, NUL shall not charge an added fee unless such fee is approved in advance by the Academy Board and, provided further, that fees shall be considered Additional Compensation as defined in paragraph A of this Article V. The Academy Board may advance funds to NUL for such costs.

D. Time and Priority of Payment. The compensation due to NUL pursuant to Paragraph A of this Article shall be calculated for each school year at the same time as the State of Michigan calculates the State School Aid, and adjustments to such calculation shall occur at the same time as the State of Michigan makes adjustments to the State School Aid. NUL shall receive its compensation pursuant to Paragraph A of this Article in eleven (11) installments beginning in October of each academic year and ending in August of such academic year. Such installment amounts shall be due and payable within ten (10) days of receipt by the Academy of each of its State School Aid payments. Payments due and owing to NUL pursuant to Paragraph C of this Article shall be made by the Academy to NUL on the last day of each month.

E. The Academy shall satisfy its payment obligation under this Article to NUL in the following order of priority: (1) to reimburse NUL pursuant to Paragraph C of this Article for
sums due and owing for previous months; (2) to reimburse NUL pursuant to Paragraph C of this Article for sums due and owing for the current month; (3) to pay NUL pursuant to Paragraph A of this Article for installment payments due and owing for previous months; and (4) to pay NUL pursuant to Paragraph A of this Article for installment payments due and owing for the current month.

F. **No Related Parties or Common Control.** In interpreting this Agreement and in the provision of the required services, NUL shall not have any role or relationship with the Academy that, in effect, substantially limits the Academy's ability to exercise its rights, including cancellation rights, under this Agreement. As required by the Academy's Articles of Incorporation and Bylaws, the Academy Board may not include any director, officer or employee of a management company that contracts with the Academy. In furtherance of such restriction it is agreed between the Academy and NUL that none of the voting power or the governing body of the Academy will be vested in NUL or its directors, members, managers, officers, shareholders and employees, and the Academy and NUL will not be related parties as defined in Treas. Reg. § 1.150-1 (b).

G. **Other Revenue Sources.** To supplement and enhance the State School Aid payments, and improve the quality of education at the Academy, the Academy and NUL shall endeavor to obtain revenue from other sources. In this regard:

1. The Academy may solicit and receive grants, and donations consistent with the Academy's mission;

2. The Academy and/or NUL may apply for and receive grant money, in the name of NUL or the Academy; and

3. To the extent permitted under the Code, NUL may charge fees to students for extra services such as summer programs and charge non Academy students who participate in such programs. Such fees shall be considered Additional Compensation as defined in paragraph A of this Article V.

H. **Start-up Funds.** NUL and the Academy Board shall, in good faith, work together to identify and agree upon funding sources to be used to cover the Academy's start-up costs. I. **Other Public School Academies.** The Academy acknowledges that NUL may enter into similar management agreements with other public school academies or traditional public schools in the future. NUL shall separately account for reimbursable expenses incurred on the Academy's behalf and other public school academies, and only charge the Academy for expenses incurred on the Academy's behalf. If NUL incurs reimbursable expenses on the Academy's behalf and other public school academies which are incapable of precise allocation
between such academies, the NUL shall allocate such expenses among all such academies, including the Academy, on a pro rata basis based upon the number of students enrolled at such academies, or upon such other equitable basis as is acceptable to the parties.

J. **Financial and Other Reporting.** NUL shall provide the Academy with:

4. Quarterly detailed reporting of revenues and expenditures in the form of: detailed budget-to-actual and balance sheet;

NUL and the Academy shall maintain the proper confidentiality of personnel, students and other records as required by law. All Academy financial records retained by NUL shall be available to either the Academy or the Authorizer Board for inspection and copying upon reasonable request. NUL shall make information concerning the operation and management of the Academy, including without limitation the information described in Schedule 14 of the Contract, available to the PSAD as deemed necessary by the PSAD Board in order to enable the PSAD to fully comply with Section 11.16 of the Contract.

A. TEF is the entity that applied for the Contract and is the applicant pursuant to MCL 380.529. The Contract authorizes TEF to undertake the activities under MCL 380.529.

B. TEF shall serve as the contract administrator between the Academy and any educational management company (an "EMC") contracted by the Academy to operate one or more urban high school academies as permitted under the Code and the Contract.

C. The Academy and TEF desire to create an enduring relationship whereby they will develop educational excellence at the urban high school academies.

THEREFORE, the parties mutually agree as follows:

ARTICLE I
TERM

1.01. Term. This Agreement will become effective as of the date hereof and will remain in effect as long as the Contract is in effect.

ARTICLE II
SERVICES PROVIDED

2.01. The Academy. The Academy Board of Directors shall retain all policy making functions and other legal responsibilities that cannot be delegated by contract or otherwise with respect to its urban high school academies.

2.02. TEF as the Applicant. The Academy acknowledges that pursuant to MCL 380.529, TEF, the entity that applied for the Contract, is authorized by the Authorizer to do any of the following activities in furtherance of the Academy's urban high school academies:

Participate in the recruiting, interviewing, and nominating process for
2. Conduct an independent educational review, on a periodic basis, to determine whether the Academy is successful in implementing the educational goals set forth in the Contract.

3. Serve as contract administrator between the Academy Board and any EMC contracted to operate an urban high school academy.

4. Make recommendations to the Authorizer and the Academy on how to improve the urban high school academies' operations.

2.03. **TEF as the Contract Administrator.** TEF shall be the contract administrator between the Academy Board of Directors and the EMCs of the urban high school academies. TEF shall supervise and report to the Academy Board on certain administrative operations concerning the urban high school academies, including but not limited to the following:

1. TEF will investigate and report to the Board regarding the selection, performance, and termination of the educational management companies ("EMCs") of the urban high school academies. The selection of EMCs includes due diligence, investigation, and reporting on prospective EMCs' educational curriculum, capacity to operate an urban high school academy, past experience, personnel assessments, financial resources, and compliance with statutory and Authorizer regulations and requirements. The investigation and reporting of EMC performance to the Academy Board by TEF includes the review of the respective EMC's compliance with the statutory, Contract, EMC contract, and lease requirements for the educational performance, reporting requirements, and financial practices. Where performance reviews, as well as input from the University Board's Charter Schools Office and other sources, indicate concerns about terminating an EMC, including the non-renewal of an EMC contract, TEF will investigate and report on findings and recommendations to the Academy Board on whether to terminate an EMC.

2. TEF will manage the Academy's real property interests in accordance with applicable law and Academy policies and direction. Each EMC will be expected to manage their respective urban high school academy facility and real property on a day-to-day basis in accordance with the planned lease and EMC contract obligations. This includes repairs, improvements, maintenance, insurance, utilities, and security. TEF is to periodically review such day-to-day operation to promote compliance with applicable law, lease, EMC contract obligations, and sound business practices. Where an EMC fails to adequately manage the day-to-day operations of the facility, TEF will recommend corrective action to the Academy Board. Where requested by the Academy, TEF will also conduct due diligence on
potential new sites for future urban high school academies and assist the Academy in gathering information to prepare a request to the University Board for an additional urban high school academy.

3. **TEF** will work with the EMCs, University Board's Charter Schools Office, and any advisory committees for the urban high school academies to better achieve the Academies' educational goals. Upon the Academy's request, TEF will compare and contrast best practices of administrative or educational operations of one or more urban high school academies for Academy Board's consideration to recommend that another urban high school academy EMC adopt certain best practices which have proven to be successful.

4. TEF will coordinate the provision of all administrative, budgetary, educational, and financial documentation for consideration, review, or approval by the Academy Board. When there is more than one urban high school authorized, TEF will work to coordinate each individual urban high school academy's budget, financial, and other reporting requirements into an overall Academy-wide report for the Academy Board's consideration. The Academy and TEF expect that each EMC and the respective urban high school academy will be responsible for the urban high school academy's educational, teaching, and instructional programs; budget, financial reports; technology; janitorial; transportation; and food services. Upon the Academy's request, TEF will coordinate and provide recommendations on how the EMCs and urban high school academies may better and more efficiently operate, especially as more urban high school academies are authorized.

2.04. **Reporting.** TEF will report to the Academy on a regular basis, or as requested by the Academy, on its activities conducted pursuant to this Agreement and the results of those activities. In addition, TEF will prepare all materials required by the Academy to perform its duties under this Agreement, the Contract and the Code.

The provisions of the Contract shall supersede any competing or conflicting provisions in this Agreement.

ARTICLE III

CONTRACT ADMINISTRATION AGREEMENT

This Contract Administration Agreement (the "Agreement") is made and entered into as of the 28th day of August, 2008, by and between the Thompson Educational Foundation ("TEF"), a Michigan nonprofit corporation, and the Public School Academies of Detroit, a Michigan non-profit corporation (the "Academy") established and authorized to operate urban high school academies under a charter contract dated December 14, 2007, and as may be amended or restated, (the "Contract") issued by Grand Valley State University Board of Trustees (the "University Board") pursuant to Michigan's Revised School Code, Act No. 451 of the Public Acts of 1976, as amended, being MCL 380.1 to 380.1852 of the Michigan Compiled Laws (the "Code").

RECITALS

A. TEF is the entity that applied for the Contract and is the applicant pursuant to MCL 380.529. The Contract authorizes TEF to undertake the activities under MCL 380.529.

B. TEF shall serve as the contract administrator between the Academy and any educational management company (an "EMC") contracted by the Academy to operate one or more urban high school academies as permitted under the Code and the Contract.

C. The Academy and TEF desire to create an enduring relationship whereby they will develop educational excellence at the urban high school academies.

THEREFORE, the parties mutually agree as follows:

ARTICLE I
TERM

1.01. Term. This Agreement will become effective as of the date hereof and will remain in effect as long as the Contract is in effect.

ARTICLE II
SERVICES PROVIDED

2.01. The Academy. The Academy Board of Directors shall retain all policy making functions and other legal responsibilities that cannot be delegated by contract or otherwise with respect to its urban high school academies.

2.02. TEF as the Applicant. The Academy acknowledges that pursuant to MCL 380.529, TEF, the entity that applied for the Contract, is authorized by the Authorizer to do any of the following activities in furtherance of the Academy's urban high school academies:

   Participate in the recruiting, interviewing, and nominating process for
Academy Board members.

2. Conduct an independent educational review, on a periodic basis, to determine whether the Academy is successful in implementing the educational goals set forth in the Contract.

3. Serve as contract administrator between the Academy Board and any EMC contracted to operate an urban high school academy.

4. Make recommendations to the Authorizer and the Academy on how to improve the urban high school academies' operations.

2.03. TEF as the Contract Administrator. TEF shall be the contract administrator between the Academy Board of Directors and the EMCS of the urban high school academies. TEF shall supervise and report to the Academy Board on certain administrative operations concerning the urban high school academies, including but not limited to the following:

1. TEF will investigate and report to the Board regarding the selection, performance, and termination of the educational management companies ("EMCS") of the urban high school academies. The selection of EMCS includes due diligence, investigation, and reporting on prospective EMCS' educational curriculum, capacity to operate an urban high school academy, past experience, personnel assessments, financial resources, and compliance with statutory and Authorizer regulations and requirements. The investigation and reporting of EMC performance to the Academy Board by TEF includes the review of the respective EMC's compliance with the statutory, Contract, EMC contract, and lease requirements for the educational performance, reporting requirements, and financial practices. Where performance reviews, as well as input from the University Board's Charter Schools Office and other sources, indicate concerns about terminating an EMC, including the non-renewal of an EMC contract, TEF will investigate and report on findings and recommendations to the Academy Board on whether to terminate an EMC.

2. TEF will manage the Academy's real property interests in accordance with applicable law and Academy policies and direction. Each EMC will be expected to manage their respective urban high school academy facility and real property on a day-to-day basis in accordance with the planned lease and EMC contract obligations. This includes repairs, improvements, maintenance, insurance, utilities, and security. TEF is to periodically review such day-to-day operation to promote compliance with applicable law, lease, EMC contract obligations, and sound business practices. Where an EMC fails to adequately manage the day-to-day operations of the facility. TEF will recommend corrective action to the Academy Board. Where requested by the Academy, TEF will also conduct due diligence on
potential new sites for future urban high school academies and assist the Academy in gathering information to prepare a request to the University Board for an additional urban high school academy.

3. TEF will work with the EMCs, University Board's Charter Schools Office, and any advisory committees for the urban high school academies to better achieve the Academies' educational goals. Upon the Academy's request, TEF will compare and contrast best practices of administrative or educational operations of one or more urban high school academies for Academy Board's consideration to recommend that another urban high school academy EMC adopt certain best practices which have proven to be successful.

4. TEF will coordinate the provision of all administrative, budgetary, educational, and financial documentation for consideration, review, or approval by the Academy Board. When there is more than one urban high school authorized, TEF will work to coordinate each individual urban high school academy's budget, financial, and other reporting requirements into an overall Academy-wide report for the Academy Board's consideration. The Academy and TEF expect that each EMC and the respective urban high school academy will be responsible for the urban high school academy's educational, teaching, and instructional programs; budget; financial reports; technology; janitorial; transportation; and food services. Upon the Academy's request, TEF will coordinate and provide recommendations on how the EMCs and urban high school academies may better and more efficiently operate, especially as more urban high school academies are authorized.

2.04. Reporting. TEF will report to the Academy on a regular basis, or as requested by the Academy, on its activities conducted pursuant to this Agreement and the results of those activities. In addition, TEF will prepare all materials required by the Academy to perform its duties under this Agreement, the Contract and the Code.

2.05. Compliance with the Contract. TEF agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Academy's obligations under the Contract. The provisions of the Contract shall supersede any competing or conflicting provisions in this Agreement.

ARTICLE III
RELATIONSHIP OF THE PARTIES

3.01. Status of the Parties. TEF is not a division or any part of the Academy. The Academy is a body corporate and a governmental agency authorized under the Code and is not a division or a part of TEF. TEF is the entity that applied to the Authorizer for the Contract and
will also serve as the contract administrator between the Academy and any EMC contracted to operate the urban high school academies as permitted under the Code. No employee of TEF will be considered an employee of the Academy by either party.

ARTICLE IV
CONSIDERATION

4.01. Reimbursement of Costs. The Academy will reimburse TEF for all actual costs incurred and paid by TEF in providing administrative services in an annual amount not to exceed one percent (1%) of the state school aid that the Academy receives, directly or indirectly, from the state of Michigan pursuant to the State School Aid Act of 1979, as amended. TEF will be responsible for all actual costs incurred and paid by TEF in providing administrative services in an annual amount above one percent (1%) of the state school aid that the Academy receives, directly or indirectly from the state of Michigan pursuant to the State School Aid Act of 1979, as amended. Such costs include, but are not limited to, rent or lease payments and salaries of TEF employees and fees charged and expenses incurred by the EMCs that are paid for by TEF. TEF will not charge an added fee. TEF may waive any reimbursement at its sole discretion.

ARTICLE V
TERMINATION OF AGREEMENT

5.01. Termination. If the Contract is revoked or terminated, this Agreement shall automatically terminate on the same date the Contract is revoked or termination without further action of the parties; otherwise, this Agreement may only be terminated by the Academy and TEF mutually agrees in writing to terminate this Agreement.

5.02. Change in Law. If any federal, State or local law or regulation, court or administrative decision or Attorney General's opinion has a materially adverse effect on the ability of either party to carry out its obligations under this Agreement, such party, upon written notice, may request renegotiation of this Agreement. Such renegotiation will be undertaken in good faith.

5.03 Real and Personal Property. Upon termination, all real and personal property leased by TEF, or a TEF related entity, to the Academy will remain the real and personal property and leases of TEF or its related entity, and all other personal property purchased by TEF with TEF funds shall be the personal property of TEF.

ARTICLE VI

6.01. Indemnification of TEF. The Academy will indemnify, defend and save and hold TEF and all of its employees, officers, directors, subcontractors and agents harmless against any and all claims, demands, suits or other forms of liability (including reasonable attorneys fees and
costs) that may arise out of, or by reason of, any noncompliance by the Academy with the Contract, the Code, or any agreements, covenants, warranties or undertakings of the Academy in or made pursuant to this Agreement, and any misrepresentations or breach of the representations and warranties of the Academy in or made pursuant to this Agreement. In addition, the Academy will reimburse TEF for any and all legal expenses and costs associated with the defense of any such claim, demand or suit. The indemnification requirements of this Section 6.01 may be met by the purchase of insurance pursuant to Article VII below.

6.02. **Indemnification of the Academy.** TEF will indemnify, defend and save and hold the Academy and its officers and directors, harmless against any and all claims, demands, suits or other forms of liability (including reasonable attorneys fees and costs) that may arise out of, or by reason of, any noncompliance by TEF with any agreements, covenants, warranties or undertakings of TEF in or made pursuant to this Agreement, and any misrepresentation or breach of the representations and warranties of TEF in or made pursuant to this Agreement. In addition, TEF will reimburse the Academy for any and all legal expenses and costs associated with the defense of any such claim, demand or suit. The indemnification requirements of this Section 6.02 may be met by the purchase of insurance pursuant to Article VII below.

6.03. **Limitations of Liabilities.** The Academy will assert all immunities and statutory limitations of liability in connection with any claims arising from its operations.

6.04 **Indemnification of Grand Valley State University.** The parties acknowledge and agree that the University Board, Grand Valley State University and its members, officers, employees, agents or representatives are deemed to be third party beneficiaries for purposes of this Agreement. As third party beneficiaries, the parties hereby promise to indemnify and hold harmless the University Board, Grand Valley State University and its members, officers, employees, agents or representatives from all claims, demands, or liability, including attorney fees, and related expenses, on account of injury, loss or damage, including, without limitation, claims arising from bodily injury, personal injury, sickness, disease, death, property loss or damage or any other losses of any kind whatsoever and not caused by the sole negligence of Grand Valley State University, which arise out of or are in any manner connected with the University Board’s approval of the urban high school academy application, the University Board’s consideration of or issuance of a charter contract, the Academy’s preparation for and operation of a public school, or which are incurred as a result of the reliance by Grand Valley State University and its Board of Trustees members, officers, employees, agents or representatives upon information supplied by the Academy or TEF, or which arise out of the failure of the Academy to perform its obligations under the Contract issued to the Academy by the University Board. The parties expressly acknowledge and agree that Grand Valley State University and its Board of Trustee members, officers, employees, agents or representatives may commence legal action against either party to enforce its rights as set forth in this Agreement.

6.06 **Compliance with the Contract.** TEF agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Contract issued by

Dear Applicant:

Our letter dated October 2000, stated you would be exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code, and you would be treated as a public charity, rather than as a private foundation, during an advance ruling period.

Based on the information you submitted, you are classified as a public charity under the Code section listed in the heading of this letter. Re: Merger of University Preparatory Academy (T 38878) into
The Public School Academies of Detroit

The Attorney General's office has received your request to review the proposed merger of
the above-captioned organizations. Please be advised that the Department of Attorney General
does not object to the merger provided that approval of the merger is granted by the Board of
Trustees of Grand Valley State University.

The non-objection is based upon the facts as you have represented them in materials
disclosed to the office and is limited to that set of facts and to the named organizations.
Additionally, because this organization will cease to exist as a result of the proposed merger,
please be advised that the review performed by our office has been solely for purposes of
determining compliance with the provisions of the Dissolution of Charitable Purpose

Dear Kristin,

Per your e-mail request of December 6, 2007, a description of the second UPA Elementary School is as follows:

TEF-FOUR, LLC purchased, in September 2007, a 72,000 three-story parking garage to house the second elementary (UPA K-5 II). Approximately 14,000 square feet is unusable due to the existing concrete ramps, which will be simply sectioned off as storage areas. A 8,600 square foot addition, to house the gymnasium and school entrance connector, will also be constructed to attach to the former parking garage building, which will bring the total usable square footage to approximately 67,000. The location of the UPA K-5 II will be at 435 Amsterdam in Detroit, which is three blocks northeast of the UPA High School in the New Center area. Construction began in November 2007 and will be completed by June 2008, with school classes beginning in September 2008. The total cost of the UPA K-5 II is estimated to be $10,000,000, which includes all hard and soft costs.

I have also included renderings and a site plan to further help you with your understanding of this facility.

Please do not hesitate to contact me for more information regarding this facility. My office number is 734.414.0153.

Very truly yours,

John G. Cleary

SCHEDULE 10-1

EDUCATIONAL GOALS AND PROGRAMS

A. Mission

_Henry Ford Academy: School for Creative Studies_ will be an exemplary school that prepares all students for college and career success. We will be deeply embedded in the community and become a key element in the ongoing revitalization of the city of Detroit. HFA: SCS will draw on the strength of broad community, corporate, individual and philanthropic partnerships to create an integrated learning community centered in historic landmark buildings and extending out into the community.

Creative Urban Education (CUE), is a 501(c)3 formed in 2007. As a partnership between the College for Creative Studies (CCS) and Henry Ford Learning Institute (HFLI), CUE leverages CCS’s position as one of the country’s premiere art and design colleges, and HFLI’s leadership in creating urban schools to serve students in Detroit with an innovative, fully-aligned K-12 school system: Henry Ford Academy: School for Creative Studies (HFA: SCS). HFA: SCS opened with a middle and high school in September 2009, and in September 2012 will add grades K-5 at a new site, completing the K-12 vision for HFA: SCS. HFLI will be responsible for operating the elementary grades. The purpose of this updated charter amendment is to reflect the addition of grades K-5 to the HFA: SCS system, with a school design and educational program based on the highly acclaimed Henry Ford Academy, located at The Henry Ford in Dearborn, Michigan. This K-12 school system is envisioned as an aligned and exemplary school program blending coursework in the creative studies with the academic approach of the Henry Ford Academy Model.

The College for Creative Studies (formerly known as the Center for Creative Studies) is an integrated learning community located in Detroit. A private, fully accredited college, CCS enrolls 1,400 students pursuing Master of Fine Arts and Bachelor of Fine Arts degrees. CCS also offers visual art opportunities for learners of all ages through its Community Arts Partnerships and Continuing Education programs. The College provides a dynamic learning environment where students explore issues of art and design, and the culture in which they exist, while preparing for careers in the professional world. CCS has one of the world's most recognized programs in transportation design and places more graduates in the automotive industry than any other school.

Henry Ford Learning Institute (HFLI) is an innovative nonprofit organization dedicated to the belief that education reform cannot take place within an educational system that isolates students and teachers from the community and separates teaching and learning from the real world. HFLI envisions a future where public education becomes a truly public endeavor, engaging a community to create vibrant educational models, leveraging underutilized local resources, and removing boundaries between learning and the real world. To this end, HFLI is developing a
national network of small schools that focus on college and career preparation through strong academics, integrated exposure to future opportunities, and transition support for post-secondary success.

As collaboration between these educational leaders, HFA: SCS:

- Serves families in the City of Detroit, and helps fuel community transformation in the Northend/Central neighborhood.

- Serves grades 6-12 with a middle/high school that occupies a significant portion of the A. Alfred Taubman Center for Design Education ("Taubman Center," formerly known as the Argonaut Building), sharing space with the College for Creative Studies.

- Will serve grades K-5 in the former Doty Elementary School (10225 3rd St, Detroit, MI 48202). First opened in 1909, Doty Elementary stands as a prime example of the arts and crafts style of architecture prevalent in the early part of the last century and retains the grace and feel of that era. Once renovated, the facility and its 21st century school design will ensure HFA:SCS student safety and will support our educational program with 26 grade specific learning studios, 2 art studios, 3 design/prototyping studios, 1 technology/media center, a dining hall, a student support suite (Social Worker, Title I and Special Ed), an administration/reception area, a large exhibition hall, a conference room, a small formal exhibition space (former music room), moderate gym, teacher collaboration spaces on each floor, and outside PE/recreation areas.

- Maintains no selective admission requirements or tuition charges. HFA: SCS will enroll approximately 60 students per grade in grades K-5, 136 students per grade in grades 6-8 and 120 students per grade in grades 9-12. Maximum enrollment is projected at 1,240 students for the full K-12 system. HFA: SCS will conduct a lottery in the event that more applications are submitted than seats available.

- Provides an extended school day and extended school year, as well as summer and after-school programs for acceleration and remediation support.

- Incorporates the HFA curriculum model framework and school design as the foundation for the educational experience of all students, parents, teachers, and community partners.

- Utilizes the authentic methods of instruction and assessment developed at the original Henry Ford Academy, an 15-year-old charter high school in Dearborn, Michigan; with an exemplary record of success in educating urban students; successfully implemented in the HFA: SCS middle/high school in Detroit and at two additional high schools (San Antonio and Chicago); and will be developmentally appropriate for K-5. (see Exhibit 10-1.a for a summary of HFA: Dearborn's performance).

- Places all high school students in structured, supervised internships with a variety of business and community organizations throughout Detroit and the Metropolitan region.

- Ensures that all graduates are prepared for successful careers and admitted to at least one college or university, and will instill in students in grades K-5 the expectation of college/career readiness among young children prior to matriculation to HFA: SCS middle/high school.
• Operates with the backing and support of Ford Motor Company, The Henry Ford, the Thompson Educational Foundation, the Bill & Melinda Gates Foundation, the Michigan Department of Education Charter School Program, the W.K. Kellogg Foundation, and multiple other corporate, philanthropic, cultural, and community partners.

B. Educational Plan

1) The Need for New Educational Options

From both an education reform and workforce development standpoint, high school is a pivotal point in a young person's life. The academic and skill-based foundation that is formed - or more commonly, not formed - for young people during this time in their lives impacts their successful transition to postsecondary education, job training, and the workplace. Ensuring that more students make this transition successfully is essential if our nation is to remain a global leader in the creation of high wage, high skill jobs and industries. Though the economic argument calling for high school reform is clear, for many the need for reform is simply a moral one. People inside and outside of education continue to ask: “How is it just that one’s zip code has more to do with access to an excellent education than virtually any other factor?” Others are equally concerned about the long-term economic impact of sustained educational inequity. Rarely have business and moral imperative been so aligned in support of a cause. In either case the call to action is unmistakable and change is long overdue.

Many students in Detroit are not making a successful transition to college and the workforce. Graduation rates are similar to other struggling urban districts (DPS lists its graduation rate at 62% for 2010, with a annual dropout rate of 19%). In addition, many graduating students are not adequately prepared to succeed in college or a competitive job market. Using the State of Michigan’s “old” cut scores, in 2011 only 33% of Detroit juniors passed the MME in Reading, and only 17% passed the Math portion (compared to 63% and 52%, respectively, of students across the state). This means that a majority of students who graduate from Detroit Public Schools are not prepared to start college, nor prepared for careers, without taking remedial classes.

Parents in Detroit are looking for new options, as evidenced by declining enrollments in Detroit Public Schools, long waiting lists at high performing charter schools, and the growing numbers of Detroit children attending public schools in the nearby suburbs. Parents are looking for schools where their children will be safe, schools that can provide an academically rigorous education, with the support to help every child be successful and graduate. And, more than just graduating, they’re looking for schools that prepare their children to be able to pursue ambitious college and career goals.

While it is a common belief that many students in Detroit are not prepared for high school, we also enroll middle school students at HFA: SCS in Detroit and find that they too are not prepared to meet the rigorous demands of a 6-12 Henry Ford Academy. This leads us to conclude that we must offer an aligned elementary school experience; HFLJ believes and prescient research indicates that this will increase the long-term success of students. The elementary school will
focus first on producing students who: can read, do math and write; retain a love of learning and excitement for exploration; appropriately master the Five Developmental Areas; are comfortable and capable with Design Thinking; and who attend an elementary school that is all around high-quality and focused on project-based learning.

Fifth-grade students will automatically matriculate to the HFA: SCS middle school as a part of a complete K-12 system located in the Northend/Central neighborhood and focused on graduating at least 90% of students and sending at least 90% of those graduates on to postsecondary education. While any student of appropriate age who lives in the State of Michigan will be eligible to apply, we anticipate that the new HFA elementary campus will serve mostly young children from Detroit’s Northend/Central neighborhood, where approximately one in three children lives in poverty and, because of school closings and a lack of transportation, there is a compelling need for children to have new schools of choice located within walking distance from their home.

To address an immediate need for high quality educational options and to better prepare students for the HFA middle school, we will fully populate grades K-5 during the 2012-2013 school year. Students will be selected by open lottery with additional preference being provided to siblings of existing students in the HFA: SCS system or those siblings selected in the annual lottery.

2) HFA: SCS: An Innovative Design

Drawing on the Henry Ford Academy model, which has a proven track record of success in Dearborn (where 64% of the students currently come from Detroit), HFA: SCS provides a rigorous, college-prep curriculum, with significant supports to help all students be successful. In addition, HFA: SCS embeds learning in the community, so that students are regularly exposed to, develop relationships with, and work alongside professionals from a range of different fields and careers. These connections to the real world help make learning more relevant to students, and help them to start building, while they’re still in elementary, middle and high school, the skills they’ll need to be successful as working adults and contributing citizens.

It is clear in today’s world that one of the critical differentiating factors for student success in college and employment is a young person's ability to respond to challenging problems with thoughtful, creative strategies and innovative outcomes. High schools that are committed to preparing their graduates to navigate in and create for the 21st century global community must begin, as the CCS mission states, “to nurture the creativity that is vital to the enrichment of modern culture.” HFA: SCS has developed an “Innovative Learning Culture” to do just that by incorporating an explicit and structured focus on creativity and innovation in the many diverse elements that are core to a complete school design.

Students at HFA: SCS engage in a problem solving process as practiced in the field of design as a central part of their educational experience, learning the kinds of skills that business and community want to see in students: the ability to communicate effectively and work as part of a productive, goal-oriented team; the ability to see old problems in new ways, and to take initiative and leadership in solving them; the commitment to act ethically, and to embrace their responsibilities as citizens of diverse local and global communities; and the resolve to continue learning throughout their lives.
HFA: SCS middle/high school students benefit from the following specific opportunities related to design and innovation:

- Shared access to specialized CCS art/design studios and equipment
- Classes in art/design co-taught by HFA: SCS and CCS instructors
- Opportunity to pursue Accelerated Curriculum Experience (ACE) pathway in art/design to incorporate essential elements of CCS’ Foundations program
- Formal recognition that completion of the ACE art/design pathway meets CCS requirements for its Foundation program and would earn college credit at CCS
- Graduation requirement that all students successfully complete course-work that leads to substantive competencies in art and design methods, media and process
- Student competencies in art/design demonstrated with a formal portfolio of work that is reviewed by CCS staff, a senior art show, and required public discussion of one’s work
- Graduate students serving as Teaching Assistants and mentors to students
- Summer programs in art and design
- After school studio time, with the possibility of seniors having private studio space
- Shared exhibition spaces throughout the Taubman Center building
- Potential to complete Senior Practicum with CCS faculty, administration or outreach programs such as Community Arts Partnerships (CAP)

All of our existing HFAs have an intentional program to prepare students for success in college and the career of their choice. That won’t be any different for our elementary students and families. What will be different at the elementary level is how we engage in that path of learning. Our priorities are to ensure that all students leave elementary school with a solid foundation in their core subject areas, are prepared to approach problem solving with an explicit set of skills and strategies and—most importantly—with a clear love of learning.

As a result, our elementary school will promote a strong foundation in reading, writing and mathematics literacy, with a goal of all children meeting grade level expectations in these core skill areas by the completion of third grade. To strengthen their development in these critical areas, students will have the same reading, same writing and same math teacher for multiple--years in a row. Students will also experience science, social studies, art/design and physical health and wellness daily.

Core to the HFA approach to teaching and learning at all grade levels is the use of hands-on, project-based learning: students develop strong content knowledge and skills by working on structured projects that drive their learning and connect it to real-world experiences. Grade-level communities (pairs of grades K-1, 2-3, and 4-5) will come together for shared major projects and other common learning opportunities, supporting smoother transitions for all and better personalization for students with differing readiness and achievement levels. Related learning experiences outside the formal walls of school and with community partners will ensure that students gain exposure to and learn from adults from a variety of career paths, demographic groups, and personal interests.

While most schools and educational programs claim to address critical thinking and creative problem solving, HFAs hone in on these areas, equipping students with the skills and strategies associated with design thinking. HFA elementary students will begin developing their skills and

Schedule 10-1, Page 5
readiness for problem solving through a series of structured design challenges – challenges centered around problems that students might experience in their daily lives.

The Henry Ford Academy Model provides a framework through which to deliver a network of strong community partnerships that support and extend student learning and growth. This framework ensures that learning at HFA: SCS is embedded in the community, providing students with opportunities to connect their learning to the real world, and to form positive relationships with adults and mentors in the broader community. Four elements help articulate this unique framework: Partners in Learning, Public School in a Public Place, The Work Place as the Learning Space, Teaching and Learning for Authentic Achievement.

**Partners in Learning.** The school is the center of a tightly-knit, growth oriented community in which the local business and cultural and community organizations play a substantial role.

In the neighborhood surrounding the middle/high school is Henry Ford Health System’s corporate headquarters (ranked as the top integrated health care system in Michigan and sixth in the nation in a 2004 national survey, serving more than 1 million residents in southeast Michigan), and Henry Ford Hospital (A 903-bed tertiary care hospital, education and research complex in Detroit’s New Center Area. Its Emergency Department is a Level 1 trauma center.) Also in its midst sits a commercial district to the north and a university district to the south (which includes the original CCS campus and Wayne State University) and the Cultural Center, housing such cultural gems as the Detroit Institute of the Arts, the Charles H. Wright Museum of African American History and the New Detroit Science Center.

HFA: SCS benefits as well from ongoing partnerships with Ford Motor Company and The Henry Ford; these partnerships have, among other things, enriched the curriculum at the original Henry Ford Academy in Dearborn, and provided numerous opportunities for student internships and job shadowing. HFA: SCS is developing community partnerships that bring these and other community resources, such as the range of neighboring organizations listed above, into student learning in many ways, including: teachers will collaborate with staff at community organizations to design special field projects; professionals will be invited in to present “career talks”; and students will interview staff from local organizations, and participate in job shadowing and field placements.

To ensure that all families in the area are aware of, and don’t miss out on the opportunity to attend HFA: SCS and its K-12 continuum of high quality education, HFA: SCS conducts an extensive community engagement process, with support from HFIL. The addition of the elementary school campus offers the opportunity to expand our relationships to include new partners like the Central Detroit Christian Community Development Corporation and other organizations on outreach.

**Public School in a Public Space.** Students learn amidst the rich and diverse resources of a public organization. Interacting daily with adults and developing personal management capacity and maturity.
Through the collaboration of CCS and HFLI, HFA: SCS is positioned to offer its students access to an incredible array of resources from the business, non-profit, and educational worlds. Students have access to libraries, gallery space, and events and programming on the original CCS campus. In addition, the HFA: SCS middle and school is housed in A. Alfred Taubman Center for Design Education, which is home for a concentrated learning model that promotes an extremely rich and diverse educational environment for creative and talented students of design of all ages. In addition to HFA: SCS, the Taubman Center houses a second CCS campus for many studio-based college design programs, the new CCS graduate program, a significant expansion of college student housing and an apartment for artists-in-residence, leased space for other compatible non-profit organizations, and creativity accelerator office space for start-up commercial creative-based businesses in collaboration with the efforts of Detroit Renaissance.

By attending school in such a public space, HFA: SCS middle and high school students have opportunities to interact with an impressive array of professionals and other successful adults, both within the Taubman Center and the original CCS campus, and the greater Detroit downtown area. Students are expected to demonstrate maturity and personal responsibility regardless of where their learning experience takes them, whether it is on a visit the University Cultural Center, or on the original CCS campus.

Grades K-5 will be located at Third and Glynn, the former Doty Elementary on edge of the historic Boston-Edison district—less than a mile from the HFA: SCS middle/high school. The elementary school’s fifth grade students have confirmed enrollment to the middle/high school, so the nearby location is ideal. Siblings of accepted students will receive priority access to enrollment in grades in which there are openings.

A formerly vacant building, the redevelopment of this historic structure and neighboring properties will give a shuttered school building new life as a vibrant elementary school and a source of pride for the neighborhood where great change is under way.

*The Work Place as the Learning Space. Students learn alongside working adults, interacting with them, observing them meeting the expectations of their jobs, and developing related work competencies for success.*

In middle school, HFA: SCS brings in local professionals to give “career talks,” and students begin to actively explore career interests. Later, students begin to plan and participate in job shadowing, where they will follow an adult mentor through their daily routine. Even when not engaged in one of these formal activities, students observe adults in the building going about their jobs.

High school students also participate in structured field placements as a central and integrated part of the learning in every core academic course. At their field placements, students work alongside professionals to gather information and perspectives, see how particular companies and organizations are addressing real-world issues, and have the chance to test out ideas for solutions to problems. In addition, the 4-year structure that culminates in the Senior Mastery Process provides frequent opportunities for students to experience the workplace as their learning space. (*For a detailed chart of Senior Mastery Process, see Exhibit 10-1.b*)

HFA: SCS will incorporate career experience and exploration activities into the K-5 education programs that are developmentally appropriate and which reinforce essential skills and core values associated with success.
Teaching and Learning for Authentic Achievement. Centered on a deep commitment to all students attaining high standards of personal and academic achievement, the Academy curriculum provides students with a structured approach to the development of deep, significant knowledge that emerges from thoughtful, discipline-based inquiry and that addresses the value of that knowledge beyond the classroom.

Too often, schoolwork is disconnected from what happens in the real world, both in terms of content, and how student achievement and competence is measured. At HFA: SCS, meaningful collaboration with and use of community resources are integrated into the curriculum at every level. Students are consistently asked to grapple with complex issues that are important in the real world; to research those issues by conducting interviews and field studies and by accessing local resources; to gain an understanding of the perspectives and needs that local leaders in the business, non-profit and government sectors have related to those issues; to collaborate with experts in the field to devise new and creative solutions to existing problems; to share their work with members of the community; and to have their work assessed using real world measures of competence developed in concert with experts in the field. At every step of the way, students gain understanding of what is considered “good work” in the real world.

C. Educational Goals

The Academies’ educational goals are derived from its organizational purpose and mission. The academic and non-academic (behavioral) goals provide for the proposed program and describe desired outcomes that we hope to achieve. The Academies, together with the community and others, will provide students in the city of Detroit with opportunities and experiences to achieve academic and personal success in learning environments that are intellectually challenging, motivating, supporting and sustaining.

At the elementary school level these goals are reflected as follows:

Goal 1: The percentage of students proficient on the MEAP will be higher than that of the selected peer group (currently Detroit Public Schools).

Goal 2: Using the University Charter Schools Office MEAP regression model, the Academy will score no lower than one-half of a standard deviation below the line of best fit after the first three (3) years of operation. The Academy’s regression score will also be compared to schools with similar racial demographics.

Goal 3: The Academy will administer the Northwest Evaluation Association (NWEA) Measures of Academic Progress (MAP) and use it to assess annual growth in reading, language usage and math, in grades that are a part of the University Charter Schools Office program. Scores will be compared to national and University Charter School Office norms.

At the middle/high school level these goals are reflected as follows:

Schedule 10-1, Page 8
Goal 1: Every student will develop a portfolio of art and design work that is used to evaluate competencies essential to art/design.

Goal 2: Every student will complete and successfully defend a Senior Mastery project.

Goal 3: The percentage of students proficient on the MEAP will be higher than that of the selected peer group (currently Detroit Public Schools).

Goal 4: Using the University Charter Schools Office MEAP regression model, the Academy will score no lower than one-half of a standard deviation below the line of best fit after the first three (3) years of operation. The Academy’s regression score will also be compared to schools with similar racial demographics.

Goal 5: The Academy will administer the Northwest Evaluation Association (NWEA) Measures of Academic Progress (MAP) and use it to assess annual growth in reading, language usage and math, in grades that are a part of the University Charter Schools Office program. Scores will be compared to national and University Charter School Office norms.

Goal 6: As provided by the Michigan Merit Exam, the average ACT composite score at the Academy will be higher than that of selected peer (currently Detroit Public Schools). The Academy’s score will also be compared to schools with similar racial demographics.

Goal 7: Using the University Charter Schools Office ACT regression model, the Academy will score no lower than one-half of a standard deviation below the line of best fit after the first three (3) years of operation. The Academy’s regression score will also be compared to schools with similar racial demographics.

D. Transportation

Like schools of choice, HFA: SCS does not provide transportation for students from their residences to the school. HFA: SCS will work diligently with the students and their families to facilitate transportation through discussions with the Michigan Department of Transportation, the Detroit Department of Transportation and the SMART system to pinpoint public transportation routes that service the new school and help students map and develop the most direct routes to school. HFA: SCS may also approach MDOT, DDOT and SMART to assess the possibility of adding routes to the existing ones to serve students using the transportation hub at Renaissance Center. In addition, the school will work to facilitate carpooling information among the families. Students walking to the elementary school campus will navigate traffic at neighboring corners with the assistance of crossing guards. Once HFA: SCS students reach driving age, the school will implement a driving/parking process for students that will include on-site secure parking by school-approved permit.
E. Food Service

Food service to the existing HFA: SCS campus is currently provided under a contract with Sodexo, which will also service the new elementary campus. HFA: SCS works directly with Sodexo to assure that food preparation, storage and eating areas comply with all state and federal guidelines and mandates for public school food service. In addition, these food-related areas certainly meet standards for providing meals to our students who qualify to receive free and reduced lunches as part of the National School Lunch Program (currently 68% of HFA: SCS middle and high school students qualify). This federally assisted meal program operates in public and nonprofit private schools and residential child care institutions and provides nutritionally balanced, low-cost or free lunches to children each school day. Rather than establishing a costly and redundant food preparation area, Sodexo will prepare high-quality meals at the Taubman Center and deliver them for warming and service in the designated eating areas at the elementary school campus.

F. Security

The safety and security of the middle and high school students is of top concern to HFLI and CCS. This priority is reflected in state-of-the-art and high-tech security plans which include technology, equipment and highly trained staff for the elementary school campus, and not only for the specifically designated middle and high school facilities at the Taubman Center, but all shared and common spaces, as well.

Elementary School. The school’s main entrance will be off Glynn, directly adjacent to identified school drop off and pick up zones for parent/guardians; there is no need for students to cross streets or move through unsupervised areas after leaving vehicles. A single point of arrival and departure will be maintained for all students, parents and visitors, and monitored by office administrative staff and external security cameras.

Visitors will be checked in at front desk, be required to wear visible identification badges and check out prior to leaving. Staff will have separate, secure entrance adjoining the secure parking lot, key card access required to both parking lot and building entrance. Inside the school, a key card system will secure individual spaces.

Student outdoor recreational spaces are surrounded by 8-10 foot fence and there are no gates or entrances from the street; access is only from doors inside the school and located on first floor facing 3rd Street. External cameras focus on all sides of building and include immediately adjoining surface areas considered on school property.

As is the plan and practice at the middle and high school, the elementary school leadership team will be in continuous radio contact and security is the responsibility of school staff (the principal, teachers, etc.) as there is no dedicated security staff. The elementary school will also solicit the advice and support of CCS security team, and has the ability to call on them in times of crisis or high demand. The security plan will evolve and be updated based on identified need and advances in technology.
Middle/High School. The security plan for the Taubman Center is constantly being updated based on new and advanced technology available. 184 cameras are located both inside and outside the building, all of which digitally record activity for future review. All cameras are monitored 24 hours a day at a central location. Supplementing the camera system is a highly trained and qualified contract force of security staff employed by CCS in areas outside of the designated school space. Security staff is in constant radio contact with the security office and director and Voice Over IP Communication (VOIP) provides an additional instant and constant communication method. The building has a 911 mass instant messaging system for security alerts. This security effort, including supervision of all systems and staff, is led by the CCS Director of Campus Security Garrett Ochalek and supported by Gordon Gilbert, Assistant Director of Safety & Security, who is stationed at the Taubman Center. In addition, the middle and high school facilities within the Taubman Center have separate lock-down capabilities should school leaders deem it necessary. Conditions for lock-down include potential threats from inside or outside, inclement weather drills or actual weather emergencies, fire or other building issues, and others. The security team has worked with school leaders to develop protocols under which lock-downs might occur and routinely practices for such occurrences.

In order to further control student movement within the Taubman Center, specific “capture areas” for middle and high school students, staff and visitors have been designated. All entrances are monitored by security staff. Students and staff have the ability to move within the “school block,” the facilities designated specifically for the school from the first to fourth floors of the Taubman Center once they enter through the capture areas. Elevators within the school may be accessed only with properly coded staff badges. All other elevators within the building have separate coded access. Visitors to the school facilities are required to enter through the secured entrances, provide picture ID to sign in and out, and wear visitor ID badges while inside the building.

Access to the rest of the building outside of the designated school areas is strictly controlled with security badge access. All staff and students are issued, and required to wear daily, school lanyards and badges with pictures and names clearly displayed.

To further enhance security and make the middle and high school students more visible, students wear uniforms (shirts with a designated color for each grade level, black pants/skirts, and solid colored shoes) so security and other building staff may see if a student does somehow gain access to a part of the building in which they should not be.

In addition to the technology devices/systems and highly trained security staff present in the building, all building inhabitants, from the CCS staff to other tenants, are be made aware of student uniforms, approved student movement patterns, and the rules governing building access so that they may simply observe that students are moving within appropriate building spaces.

HFA: SCS recognizes the need to account for exceptions to the access specifications mentioned above. For instance, students who arrive significantly late to school or who must leave early due to sickness or other approved reasons will follow approved procedures for arrival and departure,
as will their families. Students participating in school-sanctioned before- and after-school activities are supervised by school staff and the security office will be informed in advance of these situations. This information is contained within the student handbook and is part of the orientation program for HFA: SCS students and families.

G. Co-Curricular and Extra-curricular Activities

HFA: SCS expects that many students will spend significant periods of time in the school building before and/or after formal school hours, and knows that structured programming is very important to support the continued growth and development of the whole child.

HFA: SCS is committed to working with students and their families to determine their programming interests and needs, and to support a range of co-curricular and extra-curricular activities to meet those needs. Actual offerings are determined by student interest, and what parents and the school can support with human and financial resources.

Anticipated offerings students in grades K-5 include*:

- Student Council
- Safety patrol
- Tutoring/homework club
- Clubs/activities based on student input, such as art club, chess club, theater arts, Science Olympiad, Academic Games, Tech Tools for Learning, Writer’s Corner

Current offerings for students in grades 6-12 include*:

- National Honor Society/National Junior Honor Society
- Chess Club
- All About Me
- Yearbook
- Robotics
- Mustang Green Team
- Student Council
- Ambassadors
- Peer Mediation
- A Stitch in Time

Schedule 10-1, Page 12
- Athletics, including Basketball (boys and girls), Softball (girls), Golf (boys and girls), Cheerleading (boys and girls) and Volleyball (girls)

* Note: HFA: SCS anticipates a "ramp-up" period while the school is in its first years, and that extra-curricular offerings will expand in range as the enrollment of the school expands.

In addition to current activities, HFA: SCS is very interested in offering and supporting the following additional extra-curricular and co-curricular opportunities for middle/high school students:

- After school studio time with CCS faculty and grad student mentors
- Academic tutoring partnerships with CCS and other local universities
- Before and after school PREP (Promoting Readiness for Educational Progress). The PREP program creates structured, supervised time for students to work independently or get needed academic support.
- Summer Programs in Art and Design. Through its Community Arts Partnerships (CAP) program, CCS currently offers a variety of summer programs for high school students and art educators, including Camp Portfolio, Summer Exploratory and Art at the Center. HFA: SCS will encourage students to take advantage of these existing opportunities and will also explore the possibility of developing new programming tailored specifically to the needs and interests of HFA: SCS students.
- Student and/or school exchange programs. These might include:
  - Foreign exchange, similar to the existing exchange program between HFA-Dearborn and a high school in Germany which includes visits to one another’s schools, as well as short internships in the host country.
  - School-to-School exchange with other schools in the HFA network.
  - School-to-School exchange with other art and design high schools.
Henry Ford Academy is a fourteen-year-old charter high school enrolling, on average, 500 students in grades 9-12. Located on the campus of The Henry Ford in Dearborn, Michigan, it is the nation’s first four-year charter high school founded and governed in partnership with public education (Wayne County Public Schools), a world-class cultural institution (The Henry Ford Museum), and a global corporation (Ford Motor Company). The school shares the nine-acre Henry Ford Museum and ninety-acre Greenfield Village with employees, volunteers and 1.5 million visitors. Excellent Schools Detroit’s 2011 Report Card highlighted the highest performing high schools serving Detroit students based on ACT scores and identified Henry Ford Academy as having the highest average ACT score of any open enrollment school serving Detroit students, as well as a high cumulative graduation rate.

Student Demographics and Diversity Students are chosen via random lottery; entering 9th graders have attended more than 75 different public, charter, private, or parochial middle schools, or were home-schooled, giving them a wide range of previous educational experiences. Almost 64% of students come from Detroit; the remainder comes from 27 communities in southeast Michigan (Oakland & Wayne counties). Racial diversity is 78% African American, 16% Caucasian American, 2% Hispanic American, 2% Asian American less than 1%, 1% Middle-Eastern American and 0% Native American 2% of students are multi-ethnic. 11% of students receive special education services and 62% are eligible for reduced/free lunch.

Scholarship Funding The percentage of HFA students receiving college scholarships and grants has increased from 20% for the Class of 2001 to 45% for the Class of 2011. College scholarships and grants awarded to the Class of 2011 totaled $1,041,814. We expect this record of success continues with HFA: SCS students.

Michigan Educational Assessment Program (MEAP) and Michigan Merit Exam (MME) MEAP scores for Academy students evidence significant success when compared to their peers in Detroit (where most Academy students come from). Included on the next page are MEAP scores for the classes of 2003 through 2007, and MME scores for 2007-2011.

CURRICULUM

A. Overview

HFA: SCS will use the Henry Ford Academy Model as its curricular. Based on substantive research in effective curriculum, instruction and school design, the HFA Model centers on teaching and learning for authentic achievement -- namely that meaningful learning occurs when students engage in constructing knowledge through disciplined inquiry that has value beyond the classroom. The key educational principles below are incorporated into the overall design for each course:

- High expectations for all students
- Differentiated instruction to ensure success for all students
- Alignment to state and national standards
- Research-based strategies for effective teaching and learning, in particular project-based learning

This framework is critical to the design and implementation of the curriculum, and promotes student mastery of the Five Developmental Areas, which organize the overall scope and sequence of knowledge and skills: 1) Academic Content, 2) Technology, 3) Communication, 4) Personal Development, and 5) Thinking & Learning. (See Exhibit A for a more detailed description of the Five Developmental Areas.)

B. Scope and Sequence

The HFA: SCS 6-12 School Framework has three aligned stages: middle school, early high school, and late high school. The Framework is designed to provide a comprehensive orientation at the beginning of each stage, and then the structure and experiences to prepare students for the successive stage. For example, students entering the middle school attend a one-week orientation, where they meet teachers and classmates, and are paired with a high school junior or senior “buddy.” During the week, they learn the important expectations and cultural norms of the school, take diagnostic tests in math and reading, and begin to become exposed to college and career opportunities. Their parents also attend a one-day orientation to learn about school culture and expectations. Similar week-long orientations help students transition to each new stage. (For a detailed description of the 6-12 School Framework, see Exhibit B).

The HFA: SCS Scope and Sequence includes three years of Math, Science, Social Studies and English/Language Arts at the middle school level. The high school program includes four years of required math, science and English/language arts, three years of social studies, and two years of a foreign language, with additional electives in each of these areas.

All students will also take courses that introduce key knowledge and skills that support the overall theme of the school: creativity and innovation. Students will also take an art class every year, and complete the three-course Senior Mastery Process. (For the complete 6-12 Scope and Sequence, see Exhibit C).
Accelerated Curriculum Experience (ACE)

HFA: SCS views all of its students as gifted and talented. Therefore, the HiFA: SCS Curriculum will be designed so that teachers have multiple opportunities for differentiation and individualization of instruction within core classes. HFA: SCS will identify students' academic preparation, strengths and weaknesses through diagnostic testing, grades, class performance, and observation by and interactions with staff. Identified HFA: SCS students will be able to participate in the Accelerated Curriculum Experience (ACE) sequence, in which they take an accelerated version of the relevant grade level core class. Students who meet the outcomes expectations for that course may move into the next grade-level course for that discipline, opening up their future schedule in the upper grades of high school for more advanced coursework, often at local college campuses. An advantage of this approach is that these students are not removed from the overall student population; this enhances the development of their non-academic relationships and skills and ensures they meet the same high standards, but to do so at their own pace. Currently about 25% of students at HFA-Dearborn participate in the ACE program.

Strategies for Remediation

Just as accelerated courses are included in the core curriculum, extra support for students is integrated into every student's schedule in the following ways:

- Academic coaching—structured time during the day to complete homework, meet with team for collaborative projects, receive tutoring, make up tests, get additional help from older students or mentors, or complete work that must be done on-site
- Forum—daily "homeroom" with structured time to address personal and academic goals, support the development of personal responsibility skills and strategies, host grade and school level meetings, and engage in community service
- Individualized instruction with differentiation and personal choice when and where possible, and
- PREP time—supervised time before and after school for students to complete homework and get academic or personal support

In addition, all students are given a diagnostic test in reading and math before the school year starts but after lottery numbers are assigned and students enroll for the year. Based on these initial results, students who demonstrate need for remedial support would be assigned to take "preview courses" that help them learn core concepts in math, reading and writing ahead of time, so they can experience success in the complementary core math and/or ELA courses.

Advancement Via Individual Determination (AVID)

AVID is a nationally recognized program with a proven track record of providing the necessary academic and social support for minority, rural, low-income and other students without a college-going tradition in their families. It is an in-school academic support program for grades 4-12 that prepares students for college eligibility and success. AVID supports the development of core study and learning skills often not present in students who are struggling in school. HFA: SCS will use the program to enhance core and elective courses in the curriculum, especially in the development and reinforcement of basic literacy and numeric skills, and in the instruction of effective learning and studying strategies. AVID will be available to all students, but will be
highlighted for those struggling to meet academic expectations. Those students will receive additional support in study skills from the AVID program during Academic Coaching times.

C. College and Career Preparation

Beginning in the sixth grade, students will engage in structured college visits with their class or Forum, research and explore potential colleges/universities and careers of interest, participate in coursework that links to future options, interact with guest speakers and participate in workplace-based job shadowing. Through extensive learning in the community and a learning environment located in the Argonaut Building, students in all grades will gain exposure to and a chance to work alongside professionals in variety of careers often not observed by students in urban areas.

In high school, discussions with families about financial planning for college, separation concerns, and strategies to support their student will also begin. Juniors and seniors continue their growth with the Senior Mastery Process which stresses career exploration and preparation, and Senior Transitions which directly addresses college preparation through a variety of group and individual experiences. Currently under development, Senior Transitions will be composed of workshops for students that address college expectations and culture, admissions requirements, applications, financial aid and planning, personal finance, family separation issues and skills for continted personal development. HFA: SCS will also conduct family workshops to support caregivers in this process as well. Upperclassmen will also participate in individually scheduled college visits and career exploration visits to sites of their choice.

Students measure their progress on important college and career prep milestones using a College/Career Readiness Report Card. The report card is then reviewed twice each year in meetings that include the student, a parent, and the Forum leader.

D. Creativity and Innovation Focus

Commenting on the new global economy and its requirements for high-skill workers, the New Commission on the Skills of the American Workforce said: "The best employers the world over will be looking for the most competent, most creative, and most innovative people on the face of the earth and will be willing to pay them top dollar for their services. This will be true not just for the top professionals and managers, but up and down the length and breadth of the workforce." (Tough Choices or Tough Times, 2007).

HFA: SCS is committed to preparing those competent, creative, and innovative people. Central to this effort is an integration of focus on creativity and innovation at three key levels:

1. Learning outcomes
2. Learning engagements (the experiences, both formal and informal, that create opportunities for students and staff learning), and
3. Learning environment (the space in which students and staff learn)
Learning Outcomes
Goals for students in the areas of creativity and innovation include:

- Apply relevant knowledge from different disciplines to understand complex problems, and to develop effective solutions
- Understand how complex issues affect various individuals and groups differently, and develop empathy for others' needs and perspectives
- Generate new, imaginative solutions to problems
- Work effectively as a team
- Demonstrate effective leadership skills
- Demonstrate flexibility and ability to adapt quickly to new situations
- Receive and incorporate feedback and ideas from others
- Demonstrate awareness of one's role in local and global communities
- Act ethically and responsibly
- Grow through self-reflection

Learning Engagements
Design and innovation-based problem solving serves as the core organizational approach for the school, as demonstrated by:

- Deep, sustained project work with the design and innovation process as a central element integrated into every core academic course
- Unique cross-disciplinary projects to promote collaboration with community partners
- A Foundations in Innovation course taken at the beginning of middle school and then again at the beginning of high school.
- Students who take at least one art/design course each year.
- Teacher orientation and induction that includes a "Foundations in Innovation" workshop
- Instructional staff who receive ongoing professional development in areas of creativity and innovation and
- The ability for students to enroll in courses in art and design co-taught by CCS and HFA: SCS staff

Learning Environment
The physical space itself will support creativity and innovation, as demonstrated by:

- Dedicated studio workshop and exhibitions spaces
- Student access to CCS studio space, and technology and design resources
- Students who see the work of CCS students and faculty on a daily basis
- Shared HFA: SCS and CCS public exhibition spaces
- Privileged student access to three CCS libraries: The Art and Design Library, the Visual Resources Library, and the Color and Materials Library
- Visiting artist programs, like the Woodward and Toyota Lecture series, and the continual series of talks, visits, and artist-in-residence programs that individual CCS departments organize and host, and
- The opportunity to observe and work with CCS artists-in-residence

Schedule 10-2, Page 4
E. Distinctive Elements

The following distinctive elements will enrich the unique HFA: SCS curriculum: The Senior Mastery Process; Learning in the Community; Academic Coaching; Forum; Inter-disciplinary Projects; Integrated Technology Plan.

**Senior Mastery Process**

In the broadest sense, the Senior Mastery Process (SMP) describes the organizational framework that encompasses the full range of college and career preparation activities that begin in the 6th grade and culminate in the Senior Defense. However, there are four main parts to the SMP that occur in the junior and senior years of high school that we will highlight here: Junior Workshop, Senior Practicum, Senior Workshop and Senior Defense. In these four steps, students prepare for and complete an extended exploration of their career interests, design and conduct a substantial action research project, engage in an internship associated with that research, and present their findings in a formal defense. All students must successfully complete the SMP to graduate.

A variety of required experiences and deliverables are included in the SMP. Students:
- Engage in self-assessment of skills, interests, abilities
- Explore possible career interests
- Develop a portfolio of professional documents
- Demonstrate job search skills
- Complete an intensive work-place practicum in a career area of interest
- Conduct an action research project
- Create a work product that has real value to the practicum site or mentor
- Presentation of research and learning in the field at a formal defense, with committee review of work quality

*(For a detailed explanation of the Senior Mastery Process, see Exhibit B)*

**Learning in the Community**

Learning in the Community is a central part of the curriculum. As mentioned before, HFA: SCS will share space with CCS, and several major organizations with a diverse work force and wide range of skill sets and professional contexts. Opportunities for interacting with talented college students, faculty, and other professionals will abound. In addition, the curriculum will integrate learning in the community into every core course, taking students out of the building to access resources in the wider world. Students will go on field trips, interview members of community and host them for talks on careers or important issues. Students will work with experts in field on real-world projects. On special projects, those experts will host students for focused field placements, where they will advise students on projects, and provide feedback on their work. In the process, students will learn that their work is connected in meaningful ways to the real world: they will watch how professionals and other successful adults fulfill their responsibilities and engage in solving real-world problems, and they gain sense of their role in local and global communities.
**Academic coaching**

Academic Coaching serves as a time in students’ schedules where they can work to meet individual needs. For some, this is a time to gain additional tutoring on a difficult assignment. For others, time to make up missed tests or class work. Students call also use the time to meet with small project groups, attend college information sessions, meet with their counselor or Forum Leader, or simply work on pending homework or other ongoing project work. Because the entire school shares common time for Academic Coaching, students and teachers are able to meet with whomever they need; use science lab, project lab or art/design studio space and equipment; and improve the overall sense of an integrated learning community.

**Forum**

Forum is the HFA Model version of what is commonly called Advisory. Students meet daily for a short period of time in small groups (approximately 12-14 students) with their Forum Leader who serves in that capacity from the time the student enters until graduation. During that time, the Forum works through a number of regular activities to support students’ connection to each other and the Forum Leader, strengthen their skills at managing their personal work loads and goal setting, and meet as needed with their whole class or school (middle school students would meet as a “school” and high school students would meet as a “school.”) At least twice each year, Forum leaders will review College/Career Readiness Report Cards with each student and their parents, making sure the student is on track to meet his/her learning goals and graduation requirements.

**Inter-disciplinary projects**

The HFA: SCS curriculum will be centered on a series of significant inquiry-based and project-based learning experiences for students. Designed to address the core standards and benchmarks as well as incorporate a significant opportunity for individual student choice, projects will explore complex issues from a wide range of perspectives. These projects will, by nature, integrate content and skills from multiple disciplines. Specifically, the curriculum is written to include identified partner course projects (math/science and language arts/social studies), grade-level projects (bringing together multiple disciplines and interests) and school-wide projects. Drawing on the unique nature of the partnership, projects for HFA: SCS teachers and students will frequently involve substantial attention to art/design, incorporate the resources and participation of local community partners, and be developed through a structured adaptation process that brings together CCS instructional staff and HFLI curriculum development personnel.

**Integrated Technology Plan**

Technology and the ability to use it effectively, creatively, and ethically will be central to all learning at HFA: SCS. Technology is a required set of tools that helps students and teachers engage more effectively in the research, communication, problem-solving, collaboration, and the other important learning processes that occur in every class. In particular, HFA: SCS sees substantial alignment between the outcomes for students in the areas of innovation and creativity, and those for technology: all of the phases of the design process are facilitated and deepened with the use of appropriate technologies. In addition, the fields of design and innovation are at the leading edge of
not only producing new technologies, but, more importantly, integrating existing technologies into the very fabric of their work process. HFA: SCS's goal is to develop students skilled in art and design and prepared, if they so choose, to pursue further studies and careers in these fields. A commitment to deliberate and comprehensive integration of new technologies is therefore central to achieving the HFA: SCS mission.

Goals for Students
HFA: SCS will prepare students to develop and demonstrate technological competence in the following ways:

- Students will develop fluency using a variety of technologies, including:
  - standard computer applications
  - digital collaboration technologies (such as wikis, blogs, resource depositories)
  - digital content creation technologies (photos, video, multi-media and internet publishing, etc.)
  - media tools for learning and teaching (video, podcasts, videoconference)
  - simple to complex automated machines
  - hand-held science probes and data collection devices
  - microscopes, scales and other measurement tools, and other “scientific” technology
  - graphing calculators

- Students will be able to evaluate a variety of options and select the tool(s) most appropriate for the task at hand. They will:
  - Be able to troubleshoot and understand how to learn new technologies
  - Use technology and critical thinking skills to plan and conduct research, manage project, solve problems, and make decisions
  - Create and explore models and simulations to help understand complex issues and predict future possibilities
  - Collaborate, locally and at a distance, with peers and experts in the field, sharing information and perspectives, creating and publishing documents, and solving problems
  - Use technology to effectively and persuasively communicate knowledge and ideas
  - Publish work to sites that allow others to use their work as a resource.
  - Communicate with learners from other cultures and locations as a way to develop deeper cross-cultural awareness and understanding
  - Become leaders in digital citizenship, practicing and advocating for responsible, ethical use of technology

Technology Infrastructure:
In order to accomplish these goals, HFA: SCS will establish a physical and instructional infrastructure that includes:
- One-to-one computing environment
- Dedicated technology labs
- High-speed internet connections (wired and wireless)
- Shared access to CCS studios and equipment (graphic design, animation, digital imaging and production, etc.)
- Technology explicitly integrated into every core class
- Ongoing professional development for teachers to ensure their fluency and comfort with a range of new technologies and
- Art and Design courses co-taught with CCS and HFA: SCS staff

**Development of Student Competency**
Accomplishing these goals demands deliberate, consistent exposure and training over the course of many years, as knowledge and skills spiral to ever more complex and more independent uses and applications. HFA: SCS students will develop these skills in the following general pattern:

Exhibit A
Henry Ford Academy Five Developmental Areas

HFA: SCS will provide every student with the tools and capacity to thrive as a contributing member of the 21st century global community. All HFA: SCS graduates will demonstrate their readiness to do so by meeting the expectations for high standards of mastery in each of the Five Developmental Areas. Core and elective courses, student activities, and the many formal and informal interactions among staff and students are consciously designed to reinforce one or more of the Developmental Areas, ensuring that students have multiple and varied means of support in their four years at HFA: SCS to achieve this challenging goal.

Academic Content:
Students will develop and demonstrate an understanding of the critical elements of the core academic disciplines (lang. arts, math, science and social studies) by exploring compelling questions and problems, engaging in authentic work and applying their skills and knowledge to real-world experiences. Students will also develop competencies in and an appreciation for fine arts, life-long health and physical fitness, and world languages and cultures. They will understand that this knowledge is not a finite source of information, but rather the foundation for effective learning and decision-making in work and life.

Technology:
Students will use technology as an integral part of their learning. They will develop expertise with technologies that include automated machines, computers, hand-held data collection devices, graphing calculators and robots. Students will learn to evaluate the various tools that are available for a specific purpose and select the one that is most appropriate. They will also address the intellectual, environmental and ethical issues associated with the use of technology and its impact on society.

Communication:
Learning and working in a team-centered community, students will develop and demonstrate a variety of effective communication skills that include reading, writing, listening, persuasion, negotiation and conflict resolution. They will learn to evaluate the validity, reliability and accuracy of the information they receive and the effectiveness of the communication strategies they choose to employ in personal relationships, work-based interactions and other social contexts. These skills will enable them to share ideas, work collaboratively and promote a more cohesive community.

Thinking and Learning:
Students will develop and demonstrate creative and critical thinking skills that enable them to identify problems correctly, gather and analyze needed information, and select innovative and effective solutions, a capacity they will need long after they leave school. Engaging in a variety of cognitive strategies (reflective thinking, systems thinking, logical thinking, global thinking), students will also develop their capacity as lifelong learners and their ability to adapt to new environments and challenges. Lastly, students will be expected to understand their own learning needs and seek strategies or support that will enable them to meet the expectations for high personal and academic achievement.
Personal Development:
Students will develop a strong awareness of their own values and use self-assessment and reflection as a means for personal growth. As a consequence of their education at HFA: SCS, they will demonstrate personal characteristics that include confidence, achievement orientation, trustworthiness, reliability, flexibility, an openness to change, acceptance of diversity, and a commitment to their local, national and global community. In addition, students will demonstrate their ability to apply the "soft skills" in a variety of situations, including school-based and work-based environments. As an ongoing part of their experience, students will understand the importance of continuous learning and set goals that reflect a commitment to the values required to live in a diverse and democratic society. They will also be able to translate their competencies to a variety of settings, including school, home, work and community.

**Introduction**

This Handbook has been prepared to provide you with information concerning the Company, our benefits, and general practices. While it is not possible to relate in this Handbook all of our policies or to answer every question which may arise, it will provide you with a significant amount of data and will serve as a general reference that may be kept for your personal use.

This Handbook applies to all of the Company employees.

The Company reserves the right to change, add, revise, or cancel any rule, policy, compensation, or benefit that the Company provides, including those contained in this Handbook, at any time. Changes are effective on the date of their occurrence. Your inquiries and comments concerning these policies and guidelines should be directed to the Director of Finance and Operations. The information in this handbook does not constitute a contract. If a written contract differs from the information presented in this handbook, the contract supersedes the handbook. Third party benefits outlines in this policy are descriptive in nature. For specific benefits questions, please refer to the benefit plan design documents.

Please read this Handbook carefully so that you may become familiar with its contents, the advantages of working for the Company, and what is expected of you. Please retain the handbook for future reference.

We wish you every success in your position and hope that your employment the Company will be a rewarding experience.
Employment Relationship

At-Will Employment Relationship

All employees of the Company are “at-will” employees. This means that you have the right to terminate your employment with the Company at any time, with or without cause and with or without notice. The Company retains the same right.

This at-will policy supersedes any other provisions of this handbook and any other prior or contemporaneous document, policy or oral or written statement that could be interpreted to alter, modify, or conflict with your at-will employment status. Your at-will employment status cannot be altered or modified, other than by a written agreement signed by both you and the president of the Company, which specifically states that it alters, modifies, or supersedes this at-will employment policy.

Completion of the training and probationary period or conferral or regular status does not change an employee’s status as an employee-at-will or in any way restrict the company’s right to terminate such an employee or change the terms or conditions of employment.

Employee Status Definitions

The following definitions were established to standardize terminology and provide common understanding in our references to employees.

Regular Full-Time Employees: Those employees who have completed the Training and Orientation period and work a minimum of 40 hours weekly.

Regular Part-time Employees: Those employees who have completed the Training and Orientation period and work less than 40 hours per work week. Regular part-time employees may not be eligible for all benefits.

Temporary/Seasonal Employees: Those employees whose services are intended to be of limited duration. Such employees may be full or part-time. If a part-time employee is subsequently hired as a regular full time employee, his/her length of service will be determined by the regular full-time hire date unless otherwise provided in a specific benefit plan. Temporary/Seasonal employees are not eligible for benefits.

FLSA Definitions

Hourly Non-Exempt: Employees who receive pay for each hour worked and are eligible for overtime pay as described under the Fair Labor Standards Act.

Salaried Exempt: All administration, full time instructional staff and other exempt employees as defined under the Fair Labor Standards Act. Salaried exempt employees are not eligible for overtime pay.

Employee Relations

The Company subscribes to the following philosophy on employee relations:

- Respect all employees
- Provide good working conditions
• Encourage open and direct communications between employees and their managers
• Employee suggestions, comments, and complaints will be considered by management
• Management will attempt to respond promptly to employee problems

We ask that you uphold these standards. We urge you to foster an environment where problems are comfortably raised, cooperatively discussed, and equitably resolved.

**Responsibilities of CUE Personnel**

CUE employees, because of their proximity to students, are frequently confronted with situations that, if handled incorrectly, could result in liability to CUE and the academy and personal liability to the employee. It is the company’s intent to minimize that possibility.

• Employees shall maintain a standard of care for supervision, control and protection of students commensurate with assigned duties and responsibilities.

• Employees shall not send students on any personal errands.

• Employees shall not transport students in a private vehicle without the approval of the school leader and legal guardian.

• A student shall not be required to perform work or services that may be detrimental to his/her health.

• Employees shall not associate with students in a manner which gives the appearance of impropriety, including, but not limited to, the creation or participation in any situation or activity which could be considered abusive or sexually suggestive, or involve illegal substances such as tobacco, alcohol or drugs.

• Employees who through conversations and/or observations suspect sexual/physical abuse of students are required by law to report the situation directly to Wayne County Protective Services and should notify their Principal of their intent to do so.
Fair Employment Practices

Non-Discrimination Policy

It is the policy of the Company not to discriminate against any person in employment because of race, religion, color, sex, age, military status or application, national origin or disability or any other basis protected by state, federal or otherwise applicable law.

The Company policy of nondiscrimination covers all aspects of the employment relationship, including recruitment, selection, placement, training, compensation, promotion, transfer, layoff, recall and termination.

Under Michigan and federal law, an employee may not be discriminated against in employment because of a disability. In certain cases the Company has a duty to accommodate disabled individuals. Under Michigan law a disabled employee who needs an accommodation must notify his/her employer, in writing, of the need for accommodation within 182 days after the date the employee knows or reasonably should know that an accommodation is needed. Should you require an accommodation, you should notify the Director of Finances and Operations directly at the phone numbers provided in this Handbook. An employee’s failure to timely notify the Company of a need for accommodation may result in the loss of legal rights under Michigan law.

Any questions or problems related to this policy, or any perceived deviation from this policy, should immediately be brought to the attention of The Director of Finances and Operations.

If, after appropriate investigation, it is found that a non-employee has unlawfully harassed an employee during work time or in relation to the employee’s work, appropriate action will be taken.
Leaves of Absence

Attendance and Punctuality

It is the policy of the Company to encourage habits of good attendance and punctuality on the part of its employees. The Company recognizes that circumstances beyond your control may cause you to be absent from work for all or part of a day. However, unauthorized absences or tardiness will not be tolerated and may result in disciplinary action including probation and/or discharge. When your absence from work is unavoidable, your Manager must be notified at least one-half hour prior to the start of your scheduled work shift of the reason for your absence or tardiness and its probable duration.

Regular attendance and punctuality are important factors in your work performance. Your attendance record is considered in matters such as wage increases, promotions and transfers.

Should you be unable to work on a scheduled day, you must call and report such directly to your manager.

Family and Medical Leave Act

Summary of FMLA

The Company will grant eligible employees up to twelve (12) weeks of unpaid leave during any rolling twelve (12) month period measuring backward from the first day of the employee’s FMLA leave for the following reasons: (1) because of the birth of and to care for the employee’s newborn child; (2) because a child is placed with the employee for adoption or foster care; (3) to care for the employee’s spouse, child or parent with a serious health condition; or (4) because of an employee’s own serious health condition that prevents performance of his or her functions. A serious health condition may include a condition that requires inpatient care at a hospital, hospice, or residential medical care facility, a condition that results in a period of incapacity of more than three consecutive calendar days that also involves treatment two or more times by a health care provider or, treatment by a health care provider at least once with an ongoing regimen of treatment, pregnancy or prenatal care, chronic conditions that cause incapacity or require treatment, or a long-term health condition which, if left untreated, would result in a period of incapacity of more than three days, or any other qualifying condition. Questions about whether a condition is covered should be directed to The Director of Finances and Operations.

Leave taken under the FMLA and/or under any the Company policy, including but not limited to workers’ compensation leave and disability leave, or under applicable state law, shall be coordinated and, to the extent permitted by law, the periods of leave permitted by the FMLA, any the Company policy, or applicable state law shall run concurrently.

Eligible Employees

To be eligible for an FMLA leave, an employee must have been employed by the Company for at least twelve (12) months, whether or not consecutive. An employee must also have had at least 1250 hours of service during the twelve (12) month period before the requested leave and must be employed at a work site within 75 miles of which 50 or more employees are employed by the Company.
Notice and Documentation Requirements

When possible, the employee must give thirty (30) days advance notice of the need for leave. If not possible, the employee must give as much notice as is practical. In addition, when the requested leave is for planned medical treatment for the employee or a spouse, son, daughter, or parent of the employee, the employee must make a reasonable effort to schedule the treatment so as not to unduly disrupt the operations of the Company.

If the reason for the leave is to care for an employee’s spouse, child or parent with a serious health condition, or for the employee’s own serious health condition, the employee must have a health care provider complete the Company Medical Certification Form and return it to the Director of Finance and Operations within 15 calendar days or the request for leave may be denied or delayed.

The Company reserves the right to request re-certification from the physician in certain cases or to request certification by another physician specified by the Company at the Company expense. In the case of a conflict between two physicians, the Company, at its own expense, may obtain a third certification by a physician approved jointly by the Company and the employee. The third physician’s opinion will be binding on both the Company and the employee.

If the absence exceeds ten (10) work days, before an employee may return to work from a medical leave occasioned by the employee’s serious health condition, the employee is required to provide a certification from his or her doctor that the employee is able to resume work, with or without accommodations.

Any additional documentation or requirements required by any other applicable the Company policy are still effective for periods in which the employee is seeking paid leave or leave which extends beyond the FMLA period pursuant to that policy.

Failure of an employee to provide the requested certification may result in denial of the leave and/or denial of any pay pursuant to any the Company policy for which the employee might otherwise be eligible during the FMLA leave.

Use of Paid Time

Employees must use paid time to which they are entitled during FMLA leave including any unused paid vacation and sick/personal days.

Intermittent or Reduced Schedule Leave

If the reason for a requested leave is due to the serious health condition of the employee or a spouse, child, or parent, the employee may be entitled to leave on an intermittent or reduced schedule basis. Such leaves are permitted only where medical necessity is established by written documentation subject to verification, and the employee makes every reasonable effort to schedule the treatment so as not to disrupt the business operation of the branch or department. The Company may temporarily transfer an employee who requests intermittent leave or leave on a reduced schedule to an available alternative position with equivalent pay and benefits that better accommodates recurring periods of leave than the employee’s regular position.

Spouses Working for the Same Employer
There may be a few situations in which both spouses work for the Company. If each spouse seeks unpaid leave to care for his/her own sick parent, because of the birth of and to care for a child, or because of the placement of a child for adoption or foster care, their combined allowed leave is twelve (12) weeks during any consecutive twelve (12) month period. However, if each spouse requests an unpaid leave because of the serious health condition of a child or the other spouse, then each spouse is entitled to the full twelve (12) weeks of leave. In the instance of FMLA leave to care for an ill spouse who works for the Company the leave would be unpaid for the “caring” spouse (except for use of paid vacation or personal time.) The spouse who is ill may receive pay in accordance with any disability policy or plan sponsored by the Company.

Benefits

During FMLA leave, employee group health plan coverage will be maintained at the level and under conditions coverage would have been provided in the absence of the leave for up to twelve (12) weeks during any rolling twelve (12) month period measured backward from the first day of the leave, subject to any changes to such plans that may become effective during the period of leave.

If an employee does not return to work or if the employee is eligible for additional leave under the Company policy, he/she may be eligible to participate in the group health plan coverage at the employee’s expense under COBRA. The Company will not continue the coverage at its expense beyond the FMLA period provided by law, except as otherwise stated in the Company Medical Leave Policy.

Whether an employee is eligible to continue to participate in other the Company benefits plans while on an FMLA leave of absence shall be determined by the terms of the applicable plan.

Restoration to Position

Upon return from an approved FMLA leave, the employee will be restored to his or her former position or an equivalent position with equivalent pay, benefits, and other terms and conditions of employment. Key employees may be denied restoration if the Company determines that restoration to employment will cause substantial and grievous economic injury to its operation. No employee returning from a FMLA leave will lose any employment benefit that the employee earned or was entitled to before going on such leave.

Employees are prohibited from performing work for other business entities or engaging in self-employment during a leave of absence, unless written authorization from the President is obtained by the employee. Violation of this provision may result in termination of employment.

Notwithstanding the foregoing, an employee has no greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously and actively employed during the FMLA leave period. See, Department of Labor regulation 825.312(d).

State Parental, or Family and Medical Leave Act Policy

The Company will observe any applicable state law requiring a leave of absence. To the extent permitted by law, leave under any such state law shall run concurrently with leave time permitted under the FMLA or under the Company Medical Leave policy. The employee is entitled to any greater rights as set forth in the more specific provisions or under applicable state law if all eligibility requirements and obligations are met.
Holidays and Vacation

The Company recognizes the value of rest and relaxation and encourages employees to use all vested vacation benefits.

Holidays
All staff will have the following paid holidays:

New Year’s Day
Martin Luther King, Jr. Day
Spring Break (five days)
Memorial Day
Independence Day
Labor Day
Thanksgiving and the Friday after Thanksgiving
Christmas Day through New Year’s Day

The exact dates for these holidays may change from year-to-year. The school will publish a school calendar before the beginning of each school year which will detail the specific holiday dates.

Vacation
In addition to these paid holidays, teachers and other staff who follow the school calendar will have an additional summer vacation period of 30 days.

In addition to these paid holidays, year-round staff will earn 10 vacation days per year during the first 3 years of employment at CUE and 15 days per year in subsequent years. Vacation days accrue on a monthly basis to a maximum of 20 days. Staff may not use vacation days on the day immediately preceding a school holiday, or on the day immediately following a holiday.

Sick Leave

When illness strikes, we want you to know that the company has anticipated your needs and prepared a policy which attempts to protect your wages, even though we can do very little to protect you from common illness.

If you are a full time employee and have successfully completed your orientation period, you shall be eligible for sick leave benefits in the event you are unable to perform your duties because of personal illness or injury which is not work related. You will be paid your regular straight time pay in accordance with the following schedule:

1. The sick pay schedule will begin each July 1 and end on June 30 for Administrative Staff. The sick pay schedule will begin each August 1 and end on July 31 for Advisors.

2. Qualifying employees shall be entitled to ten (10) paid days of sick leave. If your hire date is mid-year or otherwise, your entitlement to sick days shall be pro-rated for the first calendar year.

3. Sick leave benefits will be paid at your regular rate of pay and must be used in $/ day (4 hour) increments.

4. Sick leave is cumulative from year to year up to a cap of ninety (90) days.

5. All sick leave benefits will be forfeited if the employee resigns or is discharged.
6. In order to be eligible for sick leave benefits, you must notify your Principal or Immediate Supervisor of your illness one-half (1/2) hour prior to the start of each workday you will miss. Sick leave may not be used for vacation purposes. A doctor's slip may be required prior to the payment of sick leave benefits for five (5) days or more.

7. Upon returning to work from a sick leave absence, an employee may be required to provide a physician’s verification that he or she may safely return to work. The company may require verification of illness through a health care provider of its own choosing and at the companies expense.

8. Upon returning to work from a sick leave absence where a physician’s note is not required, the staff is required to submit the sick leave form to their Principal or Immediate Supervisor within three (3) days of returning back to work. If this time frame isn’t met, the sick leave absence may not be paid.

9. Paid sick leave may be used in minimum increments of one-half day. Eligible employees may use sick leave benefits for an absence due to their own illness or injury or that of a family member who resides in the employee’s household.

Please note that the company does not provide for Short-Term Disability other than through this policy. Sick or other paid time off must be utilized under these circumstances until Long-Term Disability is available per the plan documents.

**Personal Time Off**

The company provides for additional time off outside of the standard vacation schedule.

Teachers and Administrative staff will be given two (2) paid personal days off during the school year. The Personal Time off schedule will begin each July 1 and end on June 30 for Administrative Staff. The Personal Time schedule will begin each August 1 and end on July 31 for Teachers.

Upon your return from a Personal Day off, you must submit the time off form to your Principal or Immediate Supervisor within three (3) days of returning to work. If your time off slip isn’t turned in within the three day time frame, you will not be paid for the time off. Personal time will be paid at a minimum of ½ day (4 hour) increments.

Personal time is not carried over from year to year if the time is not used within the contract year.

**Military Leave**

CUE will comply fully with the federal Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and any other federal or state law that governs military leave. CUE will not discriminate against and past or present member of the uniformed services or applicants to the uniform services. In addition, CUE will reinstate any employee who takes leave to serve in the uniformed services who meets the following conditions:

- The employee provides CUE with advance written or verbal notice of your service;
- The employee has five years or less of cumulative service in the uniformed services while with that particular employer;
- The employee returns to work or apply for reemployment in a timely manner after conclusion of service; and
- The employee has not been separated from service with a disqualifying discharge or under other than honorable conditions.

CUE will reinstate an employee who takes USERRA qualified military leave in a position and with the benefits that he or she would have attained had he or she not been absent due to military service.

Benefits while on military leave will fully comply with USERRA, The Veterans Benefits Improvement Act of 2004 (VBI), and The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). Employees on qualified military leave for more than 30 days can elect to maintain health insurance coverage for up to 24 months. Employees who elect this coverage will pay 102% of the associated insurance premium. Health insurance benefits will be immediately reinstated upon return from service.

**Bereavement**

In the event of a death in your immediate family, you will be allowed up to three (3) normally scheduled consecutive working days off with pay immediately following the death to arrange for and/or attend the funeral. "Immediate family" is defined as current spouse, and your or your current spouse’s mother, father, sister, brother, child, grandparents, great-grandparents and grandchildren.

One day is allowable in the case of death of “other family.” “Other family” is defined as an aunt or uncle; aunt- or uncle-in-law; niece or nephew. Special consideration will also be given to any other person whose association with the employees was similar to any of the above relationships.

In the case of employee death, employees may attend the funeral without loss of pay with school leader’s approval. You will be paid your regular daily rate, and satisfactory evidence may be required to support the leave. This benefit applies to full-time employees who have completed the orientation period.

**Jury & Witness Duty**

An excused absence will be granted to all employees who are summoned for jury duty or to serve on a jury for the period of service. To obtain approval of the absence, it is necessary for you to submit a copy of the notification or summons to your supervisor immediately upon receipt of the document. The Company will pay full time employees their regular salary or wages (excluding overtime) provided that you turn your jury fee over to the Human Resource Department. You may keep compensation for mileage and other travel expenses.

If the jury duty assignment only requires less than three (3) hours of the work day, it is expected that the employee will return to complete the balance of the normal, regular work day and also to report for work on any regular scheduled working day when the court is not in session.

A jury report must be filed within 10 days of jury duty completion. Jury duty is to be reported as time off for jury duty on employee time sheets or exception reports.

An employee in Michigan who is a victim of crime and is subpoenaed or requested to attend court for the purpose of giving testimony or an employee who is a victim representative and desires to attend court during a victim’s testimony will be granted an unpaid excused absence.
Employment

Performance Evaluations

Your job performance will be evaluated annually. Informal performance feedback will be expressed on an on-going basis. Advisors should meet on a quarterly basis to conduct goal setting and goal-setting follow up reviews.

At these performance review sessions, we accomplish two things:

1. **Review**: We want to review all of your tasks and behaviors so that we can provide feedback on how you are handling them. We will discuss your performance and efficiency. Naturally, we will make suggestions for improvement on those areas you are having difficulty with and compliment you on those you are doing well.

2. **Listen**: We want to listen to you. Each session is planned so that we can talk about your job. Many times the finest suggestions for improvement come from you. Together we can redirect our efforts in order to do better.

Factors to be considered in the evaluation include, without limitation:

- Knowledge of the job
- Quantity and quality of work
- Promptness in completing assignments
- Cooperation
- Initiative
- Reliability
- Attendance
- Judgment
- Acceptance of responsibility

At the time of the discussion with the Manager, the employee shall be given the opportunity to examine the written evaluation, correct inaccuracies, and make written comments concerning any aspects of the evaluation. The written evaluation shall then be made part of the employee's personnel file.

Promotions & Transfers

Promotions to jobs of greater responsibility in the Company go to persons who have best prepared themselves for advancement by hard work, study, ability, and initiative. It is our policy to fill job openings by promotion whenever possible, as determined in the sole discretion of the Company. Skills, job performance, experience, ability to perform the job, and cooperation are only a few of several factors to be considered in the selection process.

At times the Company may transfer employees from one job to another, either at their own request or as a result of a decision by management. These transfers may be temporary or permanent. Such transfers allow for the more efficient utilization of personnel throughout the Company.
**Reductions in Workforce and Recall**

It is the Company's goal to maintain full employment for everyone to the greatest extent possible. In the event that a reduction in workforce is necessary at the Company, the Company shall determine which employees will be affected based upon a number of factors, including need, department, qualifications, behaviors, productivity, and general performance. Should a re-hire be possible, the re-hire of previous employees shall be decided using the same factors. The exact method or manner of this reduction and subsequent re-hire will be left to the sole discretion of the Company. No vacation, holidays, or other paid time off will be earned by terminated employees following a reduction in workforce.

**Resignation**

If, at some future time, you should decide to leave the Company, we ask that you provide your Manager with at least thirty (30) days' advance notice in order to permit the Company to hire and train a replacement for you.

All Company property must be returned and all debts settled with the Company on or before the last day of employment.

Upon termination of employment, an "exit" interview will be conducted by your Manager. This provides an opportunity for you to discuss the work situation, ask questions regarding your departure and offer suggestions for improvement in the work place.
Benefits

Total Compensation

The Company provides a competitive wage and benefit program. The compensation program is designed to reward conscientious, productive employees and make their association with the Company a satisfying and rewarding experience.

Your total compensation consists of a combination of your direct and indirect pay. Your direct pay is the money you receive in your paycheck. Your indirect pay is "Employee Benefits," such as insurance benefits, which provide various forms of protection for you and your family. These benefits are largely provided for you at the Company expense. Although these benefits are not paid in the same form as the money in your paycheck, they represent an important part of your total compensation.

Wages

It is the policy of the Company to pay wages and salaries which are based upon the nature of the job performed. Wage increases are intended to reward above-average job performance. Salary amounts are based on the agreed upon annual contracts or contract addendums.

Overtime

Overtime compensation will be paid to all nonexempt employees who work in excess of forty (40) hours during the normal workweek. This overtime compensation shall be at one-and-one-half times the employee's established hourly rate.

Hours paid that are not actually worked, for example, holidays, vacation, etc., do not count as hours worked for overtime purposes. It is the Company policy to avoid overtime whenever possible. Therefore, hours in excess of one's regularly scheduled workday may not be worked without the prior approval of the employee's Manager.

Payday and Paychecks

Employees will be paid every two weeks with Friday being payday. The work week begins on Saturday and ends the following Friday. On each payday employees will receive a statement showing gross pay, deductions, and net pay. City, state, federal, and Social Security (FICA) and other required taxes or withholdings will be deducted automatically.

Every effort is made to avoid errors in your paycheck. If you believe an error has been made, contact the Director of Finances and Operations. They will take the necessary steps to research the problem and to assure that any necessary correction is made properly and promptly.

An employee who is taking drugs prescribed by a licensed physician who may diminish his/her ability to work safely must inform a member of management at the Company prior to beginning

SCHEDULE 10-5

METHODS OF ACCOUNTABILITY AND PUPIL ASSESSMENT

HFA: SCS will use a variety of performance assessments to pinpoint individual students’ strengths and areas for additional work, provide differentiated support, and gauge the success of: HFA: SCS academic programs; preparation of students for college and careers; establishment of a caring and nurturing school community; the promotion of an effective professional learning community; and the management of data and information that can be used to measure both student and overall school progress and inform decision making. HFLI maintains that standardized test scores cannot provide an overall portrait of a student’s authentic achievement or a school’s ability to achieve its mission. In support of this belief HFA: SCS will complement the standardized tests with locally developed, formative tools and authentic measures of student achievement.

The Academy will administer self-selected and mandated standardized tests to assess student achievement and progress in core academic areas and to ensure alignment with Michigan’s GLCE and HSCE, and with the beginning of the 2012-2013 school year, Common Core Standards. Below is a tentative schedule of standardized assessments for the HFA: SCS that assumes the EPAS System with both released (archived) versions and annual current version (EXPLORE for 8th and 9th, PLAN for 10th and 11th, ACT for 11th and 12th) and the use of MAP, as a test sequence and the diagnostic test to be used at enrollment. MAP is a state-aligned computerized adaptive assessment program that provides educators with the information they need to improve teaching and learning. Educators use the growth and achievement data from MAP to develop targeted instructional strategies and to plan school improvement.

MAP tests:

- Are aligned to each state’s measurement scales and content standards, and are often used as indicator or preparedness for state assessments.
- Are grade independent allowing educators to monitor a student’s academic growth.
- Dynamically adjust to each student’s performance level, providing an accurate indication of her or her instructional level.
- Report scores as norm-referenced, achievement, and growth, providing different perspectives on an individual student’s learning.
Standardized Assessments:

Elementary School: MEAP, MAP,
Middle School: MEAP, MAP
High School: MME, ACT testing system, MAP

Multiple times each year, Academy teachers will administer the MAP reading, math, and science tests for all students in appropriate grade levels. By doing so, the Academy will be able to 1) make initial scheduling decisions for secondary Language Arts, Math and Science courses and 2) teachers and staff will be able to make adjustments to help students strengthen their foundations in these areas. In addition, because the MAP test is computerized and adjusts to each student’s performance level, staff will be able to pinpoint individual students’ strengths and areas for additional work, and provide differentiated support. The Academy staff will use the cohort results as well as the individual item responses (where available) from the EXPLORE, PLAN and MEAP/MME tests to assess the effectiveness of the curriculum in a particular grade. Individual scores will also be used to target students who may need more challenge or more support to meet the Academy’s high expectations. Additionally, the analysis and information from the included college and career interest surveys in PLAN will be used for personalized counseling with students. At the elementary school level, Fountas and Pinnell Benchmark Testing will be used to assess growth in reading multiple times each year.

Curricular Assessments in the Elementary School program:
HFA: SCS will have several proprietary assessment tools, including:

- Art and Design Portfolios – All students will develop an ongoing portfolio of high quality art and design work.
- Quarterly formative assessment locally developed and implemented by teachers. Directly aligned with the curriculum and Common Core Standards.
- Tests, quizzes, projects and daily assignments.
- 5th grade Step Up capstone project

Schedule 10-5, Page 2
Curricular Assessments in the Middle and High School programs:

HFA: SCS will have several proprietary assessment tools, including:

- College and Career Readiness Report Cards - completed on an annual basis, with progress reviewed twice each year in parent-student-teacher meetings.
- Art and Design Portfolios – All students will develop an ongoing portfolio of high quality art and design work.
- Senior Mastery Defense - Students’ high school careers and the Senior Mastery Process will culminate with a defense process that includes a presentation and committee review. Successful Senior Mastery Defense presentations will demonstrate a student’s proficiency in each of the Five Developmental Areas.
- 8th grade Step Up capstone project
Public School Academies of Detroit (PSAD)
Enrollment Guidelines & Admission Policies for the 2010-2011 School Year

A public lottery for each grade offered at each PSAD school will be held at each PSAD district when there are more applicants than openings for that particular PSAD school to assign seats to new students and to assign the order of the waitlist for any new seats that become available. Siblings of students returning for the 2010-2011 school year and newly accepted students for the 2010-2011 school year will be given priority for admission in the order detailed below.

The priorities for admissions will be conducted in the following order:

**Priority 1: Siblings* of 2010 Graduates and Students Returning for the 2010-2011 School Year**
Siblings of students returning for the 2010-2011 year are given 1st priority to their siblings PSAD district. If there are more of these siblings than classroom spaces available in a given grade, the PSAD School will hold a random selection lottery for the classroom spaces from among the siblings in that grade. The remaining siblings will be placed on the waitlist based on the number they receive in the sibling random selection process ("Lottery") as long as they submitted an application during the open enrollment period. Note: Sibling priority does not range across PSAD districts.

**Priority 2: PSAD Transfer Students**
Any student enrolled in any grade at any PSAD School in the preceding school year will be given transfer student priority (priority 2) provided there is sufficient classroom space available. Transfer student priority is given in the following manner: students enrolled in a PSAD School the previous academic year who apply during open enrollment to the school they wish to transfer to will receive second priority. Each PSAD School will hold a Lottery for transfer students in that grade. These students will be placed on the waitlist below the priority 1 students based on the number they receive in the transfer student Lottery. Students who are transferring between University Preparatory Academy and University Prep Science & Math must declare in which system they wish to enroll for the 2010-11 school year by the school decision deadline date. University Preparatory Academy and University Prep Science & Math will not accept such transfer students for enrollment in the 2010-2011 school year after the school decision deadline.

**Priority 3: Children of Persons employed at PSAD schools or Children of PSAD Board of Directors**
These children (including by Michigan law all adopted children or legal wards) are placed behind Priority 2 students based on the number they receive in the Lottery as long as they submitted an application during the open enrollment period.

**Priority 4: Siblings* of Newly Accepted Students**
Siblings of newly accepted students (students who are accepted for enrollment for the 2010-2011 school year) are placed behind Priority 3 students based on the number they receive in the Lottery on the waitlist within the same district their sibling was accepted as long as they submitted an application during the open enrollment period. Note: a sibling in one PSAD district does not provide a basis for sibling priority in another PSAD district.

**NOTE:** Any sibling that DOES NOT submit an application during open enrollment will NOT be given sibling preference.

---

*Sibling Determination—Siblings who receive preference include:

a. Full siblings (children who share the same mother and father) regardless of whether the full siblings live in the same household

b. Step-siblings/half-siblings who live in the same household** Step-siblings and half-siblings who DO NOT live in the same household DO NOT receive the preference

*They must live in the same household at the same time they apply. If the student moves in with their sibling they need to reapply at that time and the old application is deleted. The parent may be asked to supply some sort of proof of residence for the student
Priority 5: New Applicants with No Siblings at the PSAD district in which they are applying
Students who apply during open enrollment but do not win a seat in the Lottery and who do not have a sibling at the PSAD district in which they are applying will be placed on the waitlist based on the number they received in the lottery below priority 4 students.

Priority 6: Applicants Applying After Open Enrollment
Students who apply after open enrollment (all applications received after the deadline date) will be placed on the waitlist behind the Priority 1, 2, 3, 4, and 5 applicants based on the date and time their application is received. This includes siblings that submit applications after the deadline.
Public School Academies of Detroit (PSAD)
Enrollment Guidelines & Admission Policies for the 2010-2011 School Year

1. Purpose
The purpose of this policy is to outline the enrollment policy and process for the Public School Academies of Detroit ("PSAD") for the enrollment of students into its urban academies. Grand Valley State University Board of Trustees ("University Board") has authorized PSAD under Part 6 of the Revised School Code to operate one or more urban academies, including but not limited to University Preparatory Academy, University Prep Science and Math, and Henry Ford Academy. School for Creative Studies schools individually a "PSAD School" or collectively "PSAD Schools".

2. Open Enrollment Dates
Open Enrollment will last the duration of one month. Applications can be picked up from each of the school campuses between 8:00am and 4:00pm on school days or at their website. All applications must be received by 4:00pm on the last day of Open Enrollment, the deadline date, in order to be considered for the random selection process ("Lottery").

3. Re-enrollment of current students
Students currently enrolled in any PSAD school in the preceding school year will be automatically admitted for the next school year to that same PSAD district.

4. PSAD Transfer Students
Any student enrolled at any PSAD School in the preceding school year will be given transfer student priority (priority 2) provided there is sufficient classroom space available. Transfer student priority is given in the following manner: students enrolled in a PSAD School the previous academic year who apply during open enrollment to the school they wish to transfer to will receive second priority. Each PSAD School will hold Lottery for the classroom spaces from among the transfer students in that grade. These students will be placed on the waitlist below the priority 1 students based on the number they receive in the transfer student Lottery. Students who are transferring between University Preparatory Academy and University Prep Science & Math must declare in which system they wish to enroll for the 2010-11 school year by the school decision deadline date. University Preparatory Academy and University Prep Science & Math will not accept such transfer students for enrollment in the 2010-2011 school year after the school decision deadline.

5. Siblings who receive preference include:
Siblings of currently enrolled students receive the 1st priority in enrollment with Siblings of newly accepted students receiving 4th priority. See Enrollment Guidelines for more information regarding sibling priority.

6. Children of Persons Employed at a PSAD School & PSAD Board of Directors
Children of persons working at PSAD schools and children of PSAD board of directors who apply during open enrollment receive third priority before the Lottery. If there are more children of persons working at a PSAD School and PSAD board of directors applying than classroom spaces available in a given grade, the PSAD school will hold a Lottery which will include these children and all other applicants. The children will be put on the waitlist for that grade in the order of random selection number received, just below the 2nd priority students.

7. Enrollment for under-subscribed grades/sibling preference
Priority 1 students will be automatically admitted for the next school year to each grade that does not reach full enrollment by the Deadline Date. Transfer students have the next priority in enrollment. If Full Enrollment for a particular grade is not reached by the Deadline Date, PSAD will continue to receive applications for that grade level as long as necessary to complete Full Enrollment. Applications received after the Deadline Date will be enrolled in order of receipt.

8. Enrollment for over-subscribed grades
Students will be selected for admission by random lottery for each grade that exceeds Full Enrollment if their applications were received by the Deadline Date. Applications received after the Deadline Date for each grade that has reached Full Enrollment will be added to the official waiting list in the order in which they are received. Kindergarten students must attain the age of five (5) years on or before December 1st of the year for which they are applying, to be eligible for the Lottery.

9. Lottery
A random selection process is required if the number of applications exceeds the number of available spaces. Prior to the application period, the PSAD School shall do the following: (1) establish written procedures for conducting a random selection process; (2) establish the maximum number of spaces available per grade or grouping level; (3) establish the date, time, place and person to conduct the random selection process; and (4) notify the University Board Charter Schools Office of both the application period and the date of the Lottery, if needed. The University Board Charter Schools Office may have a representative on-site to monitor the random selection process. The PSAD School shall use a credible, neutral “third party” such as a CPA firm, government official, ISD official or civic leader to conduct the Lottery. Further, the PSAD School shall conduct the random selection process at a public meeting where parents, community members and the public may observe the process, and use a system that guarantees fairness and does not give an advantage to any applicant.
The PSAD School shall notify applicants not chosen in the random selection process that they were not selected and that their name has been placed on the PSAD school’s official waiting list for openings that may occur during the academic year. Students shall appear on the official waiting list in the order they were selected in the random selection process.

10.) Record of enrolled students
As students are selected for admission, their names will be recorded on the Chart of Admitted students.

11.) School Decision Deadline
Parents of students that applied to University Preparatory Academy and University Prep Science & Math school districts and are accepted to either school, must choose which school they wish to attend by the School Decision Deadline. Students already enrolled the previous school year in either district will be considered applicants to that system for the coming school year. Declaring their school choice automatically moves that student off of the waitlist or acceptance list of the district they do not choose. Having declared their school choice, a family will not be eligible to transfer their child to the other system until the following school year via that system’s open enrollment and lottery process. This does not apply to students accepted at University Prep Science & Math school districts.

12.) Enrollment Requirements
- PSAD shall not discriminate on the status as a handicapped person or any other basis that would be illegal for an existing school district.
- PSAD shall provide for the education of its pupils without discrimination as to religion, creed, race, sex, color or national origin. The Academy shall comply with all state and federal civil rights laws.
- PSAD shall not charge tuition (but may charge fees in the same manner as existing public schools).
- PSAD shall not enroll any student who is not a resident of this state, except a foreign exchange student.
- PSAD shall comply with all state and federal laws applicable to public schools concerning church-state issues.
- PSAD may establish a policy providing enrollment priority to enrolled pupils of a PSAD School, siblings of currently enrolled pupils, children of a person who is employed by or at a PSAD School, or children of PSAD Board Members (See priority on reverse side).
- PSAD shall provide legal notice indicating Open Enrollment for each PSAD school in a local newspaper.

Summer credit recovery is offered to high school students who did not meet course objectives in core classes – such as Algebra, ELA, Civics/Economics, Biology, Geometry, US History, and Chemistry – during the school year. Credit recovery classes run 14 days, 4 hours per day; students who do not meet 31a requirements can take summer credit recovery courses for a fee.

For middle school, this daily schedule includes six 60-minute classes daily, with additional instructional time for Forum (a structured advisory class, 20 min.) and Academic Coaching (a structured time for additional guided and independent practice with teachers, making up tests or other assessment tasks, and team project time, 35 min).

For high school, this daily schedule includes four 90-minute block classes daily, with additional instructional time for Forum (a structured advisory class, 20 min.) and Academic Coaching (a structured time for additional guided and independent practice with teachers, making up tests or other assessment tasks, and team project time, 35 min).

During middle school and the freshman year of high school, there is less room in individual schedules for electives; upper-classmen have a much greater set of choices from which to choose, provided they have met the promotion requirements and are on track to graduate on time.

History of Doty Elementary: The elementary school will operate in the Doty Elementary School building located on the corners of 3rd Street, Glynn and Calvert, on the edge of the historic Boston Edison neighborhood, just 12 blocks from the middle/high school campus. First opened in 1909, and named in honor of one of Detroit Public Schools’ first superintendents, Doty Elementary stands as a prime example of the arts and crafts style of architecture prevalent in the early part of the last century and retains the grace and feel of that era.

Future of Doty Elementary: Once renovated, the facility and its 21st century school design will ensure HFA:SCS student safety and will support our educational program with: 26 grade specific learning studios, 2 art studios, 3 design/prototyping studios, 1 technology/media center, a dining hall, student support suite, administrative/reception area, large exhibition hall (entry/foyer), conference room, small formal exhibition space (former music room), and moderate-sized gym. The school also includes teacher collaboration spaces on each floor and outside physical education/recreation spaces.

Safety and Security of HFA: SCS: The safety and security of the students at the Duane Doty Elementary is of top concern to HFA: SCS. This priority is reflected in the state-of-the-art and high-tech security plan which will include machinery and highly trained staff, and for the
specifically designated elementary facility and all shared and common spaces utilized by the students.

The attached Exhibit A contains the site plan, section drawing, and relevant floor plans, and the Lease Agreement to be executed between the parties. 2 ) Address and Description of the Henry Ford Academy: School for Creative Studies middle and high school facility that opened with the beginning of the 2009-2010 Academic year:

A. Alfred Taubman Center for Design Education
485 W. Milwaukee
Detroit, MI 48202-3222

Description: Henry Ford Academy: School for Creative Studies is housed in the A. Alfred Taubman Center for Design Education (formerly known as the “Argonaut Building” and its transformation, the “Argonaut Project”) at the address listed above in the New Center Area of Detroit. This location is the central administrative office for HFA: SCS. The property is bound on the north by Milwaukee, on the east by Cass Avenue, on the south by Baltimore Avenue, and on the west by Second Avenue. Woodward Avenue is one block east of Cass Avenue.

History of the Argonaut Building: The Argonaut Building has an interesting and relevant history in regards to the new HFA: SCS. Built in 1927 for General Motors by architect Albert Kahn, the premier designer of reinforced concrete manufacturing facilities, especially Detroit's many automobile factories, the 700,000 square foot, 11-story Argonaut building was GM's first research center. Directly behind GM's sprawling headquarters on West Grand Boulevard, the General Motors Research Laboratory was home to hundreds of patents on automotive innovations, including the first fully automatic transmission. A hub of innovation and design for 30 years, the Argonaut Building's illustrious history provides a most symbolic and fitting platform upon which to establish a new generation of art and design education and leadership with Henry Ford Academy: School for Creative Studies and the College for Creative Studies.

Future of the Argonaut Building: The Argonaut Project is the creation of an art and design-focused Integrated Learning Community, extending from middle school through graduate school and beyond into the commercial design and creative economy arena. The A. Alfred Taubman Center for Design Education houses a second and new campus for many studio-based college design programs for College for Creative Studies, the new CCS graduate program, a significant expansion of college student housing, the art and design-focused Henry Ford Academy: School for Creative Studies and leased space. General Motor donated the building to CCS and providing assistance to create the financing and construction management packages. Other tenants will likely include at least one office for a compatible non-profit organization. In conjunction with Detroit Renaissance’s new Road to Renaissance economic development plan for the region, CCS seeks to develop and host a design accelerator space for start-up commercial creative-based
businesses. This economic development concept will provide low-cost or subsidized space with shared back-office services for multiple, small start-up creative economy businesses. A new gymnasium, including gender-separate locker rooms and secure equipment storage space, has been built for the facility.

HFA: SCS will be an integral part of this Integrated Learning Community in the Taubman Center. Students at all levels have proprietary instruction space, but also have the opportunity to share many of the resources, from a cafeteria and gym to a conference center, design studios and sophisticated design equipment. This concentrated learning model promotes an extremely rich and diverse educational environment for all sorts of creative and talented students of design.

This project not only provides an innovative Integrated Learning Community unlike any other in the country right in the heart of Detroit spanning sixth grade through graduate school; with attention and participation from other Detroit institutions it also has the potential to serve as an engine for community and economic development for our city at a time when it is most needed.

Specific HFA: SCS Facilities: The Academy-designated facilities will occupy portions of the first through fourth floors of the Taubman Center. The first floor will hold the school’s administration office and 6th grade space, including learning studios, design alcoves and storage, technology project studios, a college center, administrative spaces, teacher collaborative and individual spaces and dedicated spaces for HFA: SCS families to interact with the learning community. In addition to these Academy spaces, the 1st floor includes art gallery space, a bookstore and coffee shop, and the building’s main entrances.

The second floor holds grades 7 and 8 of the Academy with student and teacher learning spaces similar to those described above. The Academy shares this floor with the café and food preparation and serving areas (all tenants in the Taubman Center have access to the café, with designated areas for Academy students to eat breakfast/lunch). Grades 9 and 10 are on the third floor, again with significant and relevant learning spaces. Grades 11 and 12 will occupy the fourth floor of the Argonaut, which they will share with another organization appropriate to the Integrated Learning Community.

Safety and Security of HFA: SCS: While the opportunity for the 880 students and staff of HFA: SCS to learn in public spaces and among and with compatible community and educational organizations is an exciting one, being in this shared and public building produces the need to ensure that all residents of the Taubman Center are safe. Clearly the safety and security of the Academy is of top concern to HFA: SCS and the two organizations involved with it. This priority is reflected in the state-of-the-art and high-tech security plan which will include machinery and highly trained staff, for the Taubman Center overall, for all shared and common spaces and for the specifically designated middle and high school facilities. The security plan for the Taubman Center is constantly being updated based on the new and advanced technology available.

The Middle School and High School of the Academy will be located in a renovated building facility, commonly known as the Taubman Center, pursuant to a Lease and Joint Use Agreement between TEF-SIX, LLC and the CCS Master Tenant located at 435- 485 West Milwaukee,
Detroit Michigan 48202. TEF-SIX, LLC is a single member limited liability company whose single member is the Thompson Educational Foundation. It is anticipated that the Thompson Educational Foundation will provide the funding for renovations to portions of the Taubman Center, totaling approximately 120,000 square feet, dedicated solely to the Academy's Middle School and High School. TEF-SIX, LLC will sublease the building facility to Creative Urban Education (CUE) for a nominal amount, and CUE is obligated to provide the building facility at no additional expense to PSAD for the operation of the Academy's Middle School and High School, pursuant to the management agreement between CUE and PSAD.

The documents attached hereto contain the site plan, section drawing, and relevant floor plans, the Lease and Joint Use Agreement and related lease documents for the middle and high school and copies of inspection documents and certificates.

10.1 Maintenance And Repairs

Tenant shall, at its sole cost and expense, during the Lease Term, maintain, repair and replace and keep neat and in good appearance and condition the Demised Premises, including, but not limited to, the roof, exterior, interior, ceiling, electrical system,
plumbing system, HVAC system, storm sewers, sanitary sewers, water main, the driveways, walkways, parking area, lighting facilities, landscaping and land, which are part of the Demised Premises; provided, however, that Tenant shall not be responsible for (a) latent defects at the Demised Premises, or (b) any work covered by warranties Landlord receives from any construction contractor, subcontractor or materialman providing services and/or material in connection with the Landlord Improvements, all of which maintenance Landlord shall be responsible to cause to be performed at its cost. The plumbing system, including the sewage facility, serving the Demised Premises shall not be used for any purpose other than for which it was constructed and Tenant shall not introduce any matter therein which results in blocking such system. Tenant shall, at its sole cost and expense, also repair or replace the driveways, walkways, parking areas, and landscaping on the Demised Premises. Tenant shall, at its sole cost and expense, contract with contractors acceptable to Landlord (except in the case of emergency) for the performance of all maintenance, repairs and replacement required of Tenant under this Lease. Tenant shall perform such maintenance, repairs and replacement so as to maintain the Demised Premises in the same condition in which it was delivered to Tenant, reasonable wear and tear excepted. Such maintenance, repair and replacement obligations of Tenant shall include items deemed to be capital improvements for tax purposes. The maintenance, repair and replacement obligations of Tenant hereunder, shall survive termination of this Lease to the extent such obligations accrued prior to the termination of this Lease.

Tenant agrees to establish an capital reserve fund for major capital repairs or replacements of the Demised Premises (the "Capital Reserve") that shall contain at least $40,000 at the start of the fourth Lease Year. At the start of each successive Lease Year, the Capital Reserve shall increase by $40,000. If none of the Capital Reserve is spent during the initial five (5)-year Lease Term, the balance would contain an amount of $80,000 at the end of the Lease Term. The Capital Reserve shall be available for major capital repairs or replacement of the Demised Premises, such as major repair or replacement of a building roof, an HVAC unit, the plumbing system, the water main, the electrical system, or other major facility elements. Withdrawal of funds from the Capital Reserve account shall require the signatures of both Landlord and Tenant. Withdrawal of funds from the Capital Reserve for furniture, fixtures, equipment or technology related items, such as computers and software, is prohibited. If Tenant exercises its option to extend the Lease Term, Tenant shall place $40,000 a Lease Year into the Capital Reserve until a total of $200,000 has been placed into the Capital Reserve.

10.2 Compliance With Laws

During the term of this Lease, Tenant shall comply with all Laws (as defined in Section 8.1) and make any repairs, additions, modifications or alterations to the Demised Premises, regardless of the nature thereof, which are required by any Laws or required by the insurance carrier to maintain the insurance required under this Lease; provided, however, that Tenant shall not be responsible for any conditions existing at the Demised Premises prior to the Lease Commencement Date, or to perform any obligation that was to be performed by Landlord as part of the Landlord Improvements.
SECTION 11
TENANT'S ALTERATIONS

Tenant shall not make any structural alterations, additions, modifications or improvements to the Demised Premises without the prior written consent of Landlord, which consent may be granted or withheld in the sole and absolute discretion of Landlord. Tenant shall not make any non-structural alterations, additions, modifications or improvements having a cost in excess of $10,000 to the Demised Premises without the prior written consent of Landlord, which consent shall not be unreasonably withheld.

SECTION 12
PROPERTY INSURANCE, REBUILDING AND WAIVER OF SUBROGATION

12.1 Property Insurance

Tenant shall, during the Lease Term, at its sole cost and expense keep the Demised Premises insured for the benefit of Landlord:

(i) by an “All Risk of Physical Loss” policy with the broadest form of extended coverage endorsement in an amount sufficient to prevent Landlord from becoming a co-insurer under the policies or Laws, including special extended coverage endorsements reasonably required by Landlord in an amount equal to the full replacement and reconstruction cost and valued on a replacement cost basis of the building and improvements which are a part of the Demised Premises (including any alterations made by Tenant and incorporated into the Demised Premise) as determined solely by Landlord, without allowance for depreciation and exclusive of the cost of excavations, foundations and footings;

(ii) against damage by flood if the Site is located in an area identified by the Secretary of Housing and Urban Development, or any successor, as an area having special flood hazard and in which flood insurance has been made available under the Flood Acts, in an amount determined solely by Landlord;

(iii) against damage or loss from (1) sprinkler system leakage, and (2) boilers, if any, boiler tanks, if any, heating and air-conditioning equipment, pressure vessels, auxiliary piping and similar apparatus, in an amount determined solely by Landlord; and

(iv) during the period of any construction, repair, restoration, or replacement of the Demised Premises, performed after the construction of the Landlord Improvements, by a standard builder’s risk policy with extended coverage in an amount at least equal to the full replacement and reconstruction cost and valued on a replacement cost basis, workers compensation in statutory amounts, and such endorsements as required by Landlord.

Tenant shall provide Landlord with evidence of the above-referenced insurance on or before the Commencement Date. Evidence of such insurance shall be in the form of an insurance policy or binder. Landlord shall be named as an additional insured and loss payee on all such policies. Such insurance policies shall prohibit cancellation, alterations,
changes, amendments, modifications, deletions or reductions in coverage either at the insistence of Tenant or the insurance company issuing the policy, without at least thirty (30) days prior written notice having been given to Landlord. If Tenant fails to maintain such insurance coverage, Landlord may, at its option, procure such insurance for the account of Tenant and the cost thereof shall be paid by Tenant to Landlord upon delivery to Tenant of bills therefore. The insurer or insurers shall be such as may from time to time be approved by Landlord and shall be issued by insurance companies authorized to do business in the State of Michigan.

12.2 Rebuilding

If the Demised Premises shall become damaged by fire or other casualty, Landlord may either restore the Demised Premises or make it tenable (to the extent of available insurance proceeds) or terminate this Lease by notifying the Tenant of such termination within thirty (30) days after the date of such damage, at its sole option. Tenant shall immediately notify Landlord of the occurrence of a fire or other casualty at the Demised Premises.

12.3 Waiver of Subrogation

Any property insurance policy carried by Landlord or Tenant or any policy covering both the interest of Landlord or Tenant under this Section 12 shall include a provision under which the insurance company waives all right of recovery by way of subrogation against Landlord or Tenant in connection with any loss or damage covered by any such policy. Landlord or Tenant hereby release and discharge each other from any liability whatsoever arising from any loss, damage or injury caused by fire or other casualty to the extent of the insurance covering such loss, damage or injury.

SECTION 13
EMINENT DOMAIN

13.1 Condemnation

If all or any material part of the Demised Premises shall be taken or condemned by any competent authority for any public use or purpose, the Lease Term shall, at the option of Landlord, end as of the date of a stipulation, agreement, or order of possession. If the Demised Premises may not be reasonably used for the purpose contemplated by this Lease following any taking, Tenant, at its sole and absolute discretion, may terminate this Lease by written notice to Landlord. In the event of a termination pursuant to this Section, Rent shall be pro rated to the date of such taking. In the event of a condemnation, Landlord shall be entitled to the entire condemnation award, except that Tenant shall be entitled to receive any portion of the condemnation proceeds awarded for Tenant moving costs and related expenses, diminution in value of the leasehold interest only, and other just compensation and reimbursement to which Tenant is entitled from the condemning authority.
SECTION 14
ACCESS TO PREMISES

Landlord or Landlord's agent shall have the right to enter the Demised Premises at all reasonable times to inspect or examine the same, and to make such tests, repairs, alterations, improvements or additions as Landlord may deem necessary or desirable. Landlord shall conduct all inspections and examinations and all repairs, alterations, improvements and/or additions in such a manner so as to not unreasonably disrupt the operations of Tenant at the Demised Premises. Landlord and Landlord's agent shall comply with all Laws when accessing the Demised Premises.

SECTION 15
FIXTURES AND EQUIPMENT

All furnishings, fixtures and equipment installed by Landlord shall remain the property of Landlord at the termination of this Lease. Unless otherwise agreed to in a prior writing signed by Landlord and Tenant, if Tenant installs any furnishings, fixtures or equipment during the Term of this Lease that are incorporated into and/or affixed to the buildings or improvements located on the Demised Premises and cannot be removed without substantial damage or injury to the buildings or improvements, then they shall become the property of Landlord at the termination of the Lease Term and shall not be removed without Landlord's prior written consent, which may be granted or withheld in its sole and absolute discretion. All fixtures and equipment installed by Tenant and not removed at the termination of the Lease Term shall remain the property of Landlord. In the event Landlord consents to such removal, Tenant shall remove such fixtures in accordance with all applicable Laws and shall repair any such damage or injury in a good and workmanlike manner.

SECTION 16
ASSIGNMENT, SUBLETTING AND TRANSFERS BY TENANT

Tenant shall not sell, assign, sublet, hypothecate, encumber, mortgage or in any manner transfer this Lease or any estate or interest therein (including any transfer by operation of law or otherwise), the Demised Premises or any part thereof or permit the use of the Demised Premises by any person or entity other than Tenant without the prior written consent of the Landlord, which may be granted or withheld in its sole and absolute discretion.

SECTION 17
SALE OR TRANSFER

Landlord shall have the right to sell, transfer or assign the Demised Premise ("Conveyance"). In the event of Conveyance, Tenant shall attorn to the purchaser, transferee or assignee ("Transferee") and recognize such Transferee as Landlord under this Lease and Landlord shall be relieved from all subsequent obligations and liabilities under this Lease, provided such obligations are assumed in writing by such Transferee and a copy thereof is provided to Tenant.
SECTION 18
DEFAULT, RE-ENTRY AND DAMAGES

18.1 Default

The following non-exhaustive list of events shall constitute a default ("Default") under this Lease:

(a) Tenant fails to pay within seven (7) days of the due date any Base Rent or Additional Rent due hereunder on the day the same shall be due;

(b) Tenant fails to perform any of the terms and conditions under this Lease, other than the payment of Base Rent or Additional Rent, and such failure remains uncured for thirty (30) days following written notice;

(c) Tenant not operating the Henry Ford Academy Elementary School ("Elementary School") at the location in accordance with the Charter School Contract.

(d) Tenant has abandoned or vacated the Demised Premises;

(e) Tenant fails to meet any one or more of the following performance standards relating to its operation of a public school academy as an Elementary School on the Demised:

1. At least 90% of the graduating 5th graders enter a Tenant middle school the following fall every year beginning in September 2013;

2. An average daily attendance rate of 92.5%; and

3. Meet the Adequate Yearly Progress (AYP) requirements of No Child Left Behind;

(f) The failure of Tenant to establish policies required by the Charter School Contract when and as required by the Charter School Contract.

(g) The termination or expiration of the Charter School Contract or any failure to renew or extend the Charter School Contract for any reason or no reason, unless Tenant enters into a replacement charter contract which authorizes Tenant to operate a public school academy at the Demised Premises for the same grade range as the Charter School Contract.

(h) The failure of Tenant to comply with any Reporting Requirement set forth in Section 19 of this Agreement.

(i) Tenant fails to maintain a minimum Lease Payment Coverage Ratio of not less than 1.10 to 1.00, measured as of the end of each of Tenant’s fiscal years, commencing with Tenant’s fiscal year beginning on July 1, 2012. For the purposes hereof, the “Lease Payment Coverage Ratio” shall be determined by dividing, with respect to Tenant’s operation of the School, (A) Tenant’s Earnings
Before Interest, Taxes, Depreciation, Amortization and Tenant's Rent obligations under this Lease by (B) the sum of Tenant's interest expense, Tenant's rent obligations under this Lease, and Tenant's Current Portion of Long-Term Debt for the prior period.

18.2 Landlord's Remedies Upon Default

(a) In the event of the occurrence of a Default, in addition to all of its other remedies under this Lease and available at law or in equity, Landlord shall have the right to re-enter the Demised Premises, in accordance with applicable law, to remove all persons and property therefrom. Upon the occurrence of a Default, Landlord, at its option, may either terminate this Lease, or without terminating this Lease, relet the Demised Premises or any part thereof on such terms and conditions, as Landlord deems advisable in its sole and absolute discretion. No such eviction, entry or taking of possession of the Demised Premises, whether through summary eviction proceedings or by self-help, shall be construed as an election on its part to terminate this Lease unless Landlord provides written notice of such intention to Tenant or unless termination is declared by a court of competent jurisdiction.

(b) In addition to any other remedy provided for herein, if Landlord brings suit to recover possession of the Demised Premises or money due under this Lease or a suit for the breach of an obligation Tenant should have performed under the Lease and if the Landlord prevails, the Tenant shall pay the Landlord for expenses incurred in the action, including reasonable attorneys fees. Such expenses shall be deemed to have been incurred when the action commences and shall be enforced whether or not the action is prosecuted to judgment. In the event Tenant prevails in any lawsuit in connection with the Demised Premises, Tenant shall have its expenses, including reasonable attorney fees, paid by Landlord.

18.3 Waiver of Jury Trial and Counterclaim

In the event Landlord commences any proceedings for non-payment of Rent, Additional Rent, or any other amount payable to Landlord by Tenant, Tenant shall not interpose any counterclaim of whatsoever nature or description in any such proceeding unless same is a compulsory or mandatory counterclaim. This shall not, however, be construed as a waiver of Tenant's right to assert such a claim in any separate action brought by Tenant. Landlord and Tenant waive trial by jury in any action or proceeding brought by either party on any matter whatsoever arising out of or in any way connected with this Lease, the relationship of lessor and lessee, Tenant's use or occupancy of the Demised Premises, or any claim of injury or damage.

SECTION 19

19.1 School Reports

c) Promptly after request, Tenant shall furnish to Landlord such additional information, reports, statements, and certificates with respect to the School as Landlord may from time to time reasonably request, in form and content reasonably satisfactory to the Landlord. Tenant and Landlord acknowledge and agree that certain student-identifying information (including, without limitation, names and social security numbers) may be redacted from documents provided to Landlord pursuant to this 19.1 to protect the privacy of students of the School prior to such documents being delivered to Landlord.

19.2 Financial Reports

Tenant shall deliver to Landlord (i) within one hundred twenty (120) days of the end of Tenant's fiscal year, financial statements for Tenant (including, at a minimum, a balance sheet, an income statement showing breakeven or better financial performance, and a statement of cash flow), which financial statements include specific details for Tenant Business and are certified as true and correct by an authorized officer of Tenant, in a form reasonably satisfactory to Landlord in all respects and audited by an independent certified public accountant reasonably approved by Landlord. All financial statements shall be prepared in accordance with generally accepted accounting practices for public school accounting in the State of Michigan. Tenant shall deliver to Landlord such other financial information with respect to Tenant and the Demised Premises as Landlord may reasonably request from time to time.

Any mortgagee of the Landlord shall be entitled to rely upon and enforce the terms of this Section 21 as a third party beneficiary.

SECTION 22

Tenant will not place or cause to be placed or maintained any sign or advertising matter of any kind anywhere on the Demised Premises, except in the interior thereof, without Landlord's prior written approval.

SECTION 23
OPTION TO EXTEND

23.1 Option to Extend Lease Term

So long as no Tenant Default has occurred and is continuing, Tenant shall have three options to extend the Lease Term for three additional ten (10) year terms on the same terms and conditions set forth herein (each an “Option to Extend”). The Base Rent for each Lease Year of such extended term(s) shall be as set forth in Exhibit B. Each Option to Extend the Lease Term is personal to the Tenant and is not transferable or exercisable by any transferee.

23.2 Exercise of Option

Tenant may exercise an Option to Extend by providing Landlord with written notice of exercise not more than fifteen (15) months or less than twelve (12) months prior to the expiration of the then current ten (10) year Lease Term.

SECTION 24

This Lease and exhibits attached hereto and forming a part hereof, set forth all of the covenants, agreements, stipulations, promises, conditions, understandings and representations, hereinafter collectively "Representations" between Landlord and Tenant concerning the Demised Premises and the buildings and improvements to be constructed thereon. Landlord and Tenant agree that there are no Representations other than set forth herein and agree to make no claims against each other based upon Representations not set forth herein.
24.2 Modification

This Lease shall not be modified or amended unless by a writing signed by Landlord and Tenant.

PARKING LICENSE AGREEMENT

THIS PARKING LICENSE AGREEMENT (this "Agreement"), made this 30th day of September, 2008, by and between the COLLEGE FOR CREATIVE STUDIES, a Michigan non-profit corporation, having an office at 201 E. Kirby, Detroit, Michigan 48202 (hereinafter called "Licensor"), and TEF-SIX, LLC, a Michigan limited liability company, having an office at c/o P.O. Box 6349, Plymouth, Michigan 48170, Attention: John G. Cleary ("Licensee").

RECITALS:

A. Licensor is the owner of a parcel of land described in Exhibit A attached hereto (the "Baltimore Parcel") and a parcel of land described in Exhibit B attached hereto (the "Woodward Parcel").

B. Licensor intends to construct a parking deck containing approximately 400 parking spaces, subject to modification by Licensor (the "Parking Deck"), and other site improvements on the Baltimore Parcel.

C. Licensor intends to install a surface parking lot containing approximately 179 parking spaces, subject to modification by Licensor (the "Surface Parking Lot"), and other site improvements on the Woodward Parcel (the Baltimore Parcel, Woodward Parcel, Parking Deck and all other improvements now or hereafter located in or on the Baltimore Parcel or Woodward Parcel are collectively referred to as the "Parking Facilities").

D. Simultaneously herewith, Argonaut Building Master Tenant LLC ("Argonaut"), as Sublandlord, and Licensee, as Subtenant, entered into a Sublease of certain space located within the building commonly known as the Argonaut Building, Detroit, Michigan (the "Sublease").

E. Licensee is desirous of obtaining spaces for vehicular parking in the Parking Deck and Surface Parking Lot, the same to be used for the parking of passenger motor vehicles of Licensee’s employees.

F. Licensee is a tax exempt organization.

Licensor is willing to grant parking spaces in the Parking Deck and the Surface Parking Lot upon and subject to the terms, covenants and conditions hereinafter set forth.

AGREEMENT:

In consideration of the premises and other good and valuable consideration, Licensor and Licensee hereby agree as follows:
1. **Parking Allotment.** During the term of this Agreement, if Licensee is not in default of this Agreement or the Sublease, Licensee may, subject to availability, use no more than the Parking Deck Allotment in order to park only insured, registered, passenger, motor vehicles (each, a "Vehicle") in the Parking Deck and no more than the Surface Parking Lot Allotment in order to park Vehicles in the Surface Parking Lot. "Parking Deck Allotment" means 95 permits for unreserved parking spaces in the Parking Deck, and "Surface Parking Lot Allotment" means 42 permits for unreserved parking spaces in the Surface Parking Lot (the Parking Deck Allotment and Surface Parking Lot Allotment are collectively referred to herein as the "Parking Allotment"). Licensee's employees shall also have a license to use the common areas in the Parking Facilities for ingress and egress to and from the Parking Facilities.

2. **Parking Cards.** Vehicular ingress and egress to and from the Parking Facilities shall be by parking access cards or such other system as Licensor may decide upon from time to time. If parking access cards are issued, Licensee will pay a non-refundable fee of $10 for each new or replaced parking access card. Parking access cards not working properly will be replaced at no charge. Parking access cards will not be activated until the Licensee or Patron provides Licensor with each Vehicle's license plate number and description.

3. **Licensee Fees.** Licensee's obligation to pay Expenses under this Section 3 is referred to in this Agreement as "Licensee Fees."

   (a) **Expenses.** For each calendar year or partial calendar year falling within the Term, Licensee shall pay, in the manner described below, Licensee's Share (as defined below) of the Expenses for such calendar year or partial calendar year. "Licensee's Share" shall mean the percentage obtained by dividing 137, the sum of the Parking Deck Allotment and Surface Parking Lot Allotment, by the aggregate number of parking spaces located in the Parking Deck and Surface Parking Lot, as modified from time to time. "Expenses" mean Taxes (as defined below) and the total costs incurred by Licensor to operate, manage, administer, equip, secure, protect, repair, replace, refurbish, improve, clean, maintain, decorate and inspect the Parking Facilities, regardless of whether or not any such costs constitute capital expenditures.

   (1) **Expenses include but are not limited to:**

   (A) Costs of utilities;

   (B) Except for a complete replacement of the Parking Deck, replacements, repairs and maintenance of the Parking Facilities;

   (C) Insurance maintained with respect to the Parking Facilities (including deductibles paid);

   (D) Wages, salaries and benefits of personnel (i) to the extent they render services to the Parking Facilities, as reasonably determined by Sublandlord, and (ii) are not above the position of Director of Facilities;
(E) Costs incurred to comply with insurance requirements or laws; and

(F) The fees and costs payable to a third party property manager.

(2) Expenses exclude:

(A) Mortgage payments (principal and interest), principal or interest payments on loans or other debts;

(B) Costs reimbursed by insurance proceeds or licensees of the Parking Facilities (other than as Licensee Fees);

(C) Depreciation;

(D) Costs incurred in connection with any litigation involving Licensor, including without limitation collection costs and legal fees paid in disputes with licensees;

(E) Collection costs and legal fees paid in disputes with licensees of the Parking Facilities;

(F) Costs to maintain and operate the entity that is Licensor (as opposed to operation and maintenance of the Parking Facilities); and

(G) Costs of (i) the complete replacement of the Park Deck or (ii) any addition to the Parking Facilities that does not constitute a replacement (e.g., the addition of another story to the Parking Deck).

"Taxes" mean (1) real and personal property taxes and assessments (including ad valorem and special assessments) levied on the Parking Facilities and Licensor’s personal property used in connection with the Parking Facilities; (2) taxes on rents or other income derived from the Parking Facilities; (3) capital and place-of-business taxes; (4) taxes, assessments or fees in lieu of the taxes described in (1-3); and (5) the reasonable costs incurred to reduce the taxes described in (1-4). Taxes exclude net income taxes.

(b) **Estimates.** Licensor will reasonably estimate Licensee Fees each calendar year that Licensee Fees may be payable. Licensee will pay the estimated Licensee Fees in advance, in equal monthly installments, by the first day of each month. Licensor may reasonably revise its estimate during a calendar year and Licensee will pay the monthly installments based on the revised estimate, commencing 30 days following the date of such revision. In addition, if Licensor incurs an Expense not anticipated by Licensor, Licensor may invoice Licensee for Licensee's share of such Expense (a "Special Assessment"), and Licensee shall pay Licensee's share of such Special Assessment within thirty (30) days after Licensee's receipt of such invoice.
The aggregate estimates of Licensee Fees and all Special Assessments payable by Licensee in a calendar year are the “Estimated Licensee Fees.”

(c) Settlement. As soon as practical after the end of each calendar year that Licensee Fees are payable, Licensor will give Licensee a statement of the actual Licensee Fees for the calendar year. The statement of Licensee Fees is conclusive, binds Licensee, and Licensee waives all rights to contest the statement, except for items of Licensee Fees to which Licensee objects by notice to Licensor given within ninety (90) days after receipt of Licensor’s statement; however, Licensee’s objection will not relieve Licensee from its obligation to pay Licensee Fees pending resolution of any objection. If the Licensee Fees exceeds the Estimated Licensee Fees for the calendar year, Licensee shall pay the difference to Licensor in a lump sum as Licensee Fees within thirty (30) days after receipt of Licensor’s statement of Licensee Fees. If the Estimated Licensee Fees paid by Licensee exceeds the Licensee Fees for the calendar year, then Licensor shall credit the overpayment against Licensee Fees next due. However, if the Term ends during a calendar year, Licensor may, in Licensor’s sole discretion, elect to either: (1) forego the settlement of Licensee Fees for the calendar year that is otherwise required and accept the Licensee’s payment of Estimated Licensee Fees for such calendar year in satisfaction of Licensee’s obligations to pay Licensee Fees for the final calendar year, or (2) have Licensor’s and Licensee’s obligations under this subsection (c) survive the end of the Term.

(d) Terms of Payment. Unless otherwise provided in this Agreement, Licensee shall pay Licensee Fees without notice, demand, deduction, abatement or setoff, in lawful U.S. currency, at Licensor’s Billing Address. Licensor will send invoices payable by Licensee to Licensee’s Billing Address; however, neither Licensor’s failure to send an invoice nor Licensee’s failure to receive an invoice for installments of estimated Licensee Fees will relieve Licensee of its obligation to pay installments of estimated Licensee Fees. Each partial payment by Licensee shall be deemed a payment on account. No endorsement or statement on any check or any accompanying letter shall constitute an accord and satisfaction, affect Licensor’s right to collect the full amount due, or require Licensor to apply any payment to other than Licensee Fees earliest due. No payment by Licensee to Licensor will be deemed to extend the Term or render any notice, pending suit or judgment ineffective. By notice to the other, each party may change its Billing Address. Any payment made by Licensee to a lockbox maintained by Licensor for receipt of payment of Licensee Fees shall not be deemed to have been accepted by Licensor provided such payment is returned to Licensee within ten (10) days after Licensor receives notice that the payment has been received into the lockbox.

(e) Late Payment. If Licensor does not receive all or part of any License Fees within five (5) business days of the date when due, then Licensee shall pay Licensor a “Late Charge” of 5% of the overdue amount. Licensee agrees that the Late Charge is not a penalty, and will compensate Licensor for costs not contemplated under this Agreement that are impracticable or extremely difficult to fix. Licensor’s acceptance of a Late Charge does not waive Licensee’s default.

4. Term. "Term" means the period that begins on the License Commencement Date and ends on the License Expiration Date, subject to renewal or earlier termination as may be further provided in this Agreement. The "License Commencement Date" means the date that
is the later of (a) the Commencement Date (as defined in the Sublease) and (b), with respect to the Parking Deck, the date that the Parking Deck is Substantially Complete (as defined below), and with respect to the Surface Parking Lot, the date that the Surface Parking Lot is Substantially Complete. The "License Expiration Date" means the earlier of the Expiration Date (as defined in the Sublease) and the date Licensee or any permitted assignee or sublicense under this Agreement is not tax exempt under state and/or federal law. "Substantially Complete" with respect to either the Parking Deck or Surface Parking Lot means the date when the Parking Deck or Surface Parking Lot, whichever is applicable, has been completed to the extent that only construction details, which would not prevent Patrons from parking Vehicles in the parking spaces located within the Parking Deck or Surface Parking Lot, whichever is applicable, require completion or correction. Notwithstanding anything to the contrary contained in this Agreement, in the event the Sublease terminates prior to the expiration or earlier termination of this Agreement (including but not limited to a termination of the Sublease pursuant to Section 3.4 thereof), then this Agreement shall terminate simultaneously with the termination of the Sublease without any liability of Licensor to Licensee.

Licensor shall notify Licensee of the License Commencement Date using a Notice of Agreement Term (the "Notice") in the form attached to this Agreement as Exhibit C. Licensee shall execute and deliver to Licensor the Notice within ten (10) business days after its receipt, but Licensee's failure to do so will not reduce Licensee's obligations or Licensor's rights under this Agreement.

5. Assignment. Except as provided below, neither Licensee nor any Patron may assign or sublease its license to park or its Parking Allotment. Notwithstanding the foregoing, Licensee may assign this Agreement to an assignee of the Sublease pursuant to an assignment permitted under Article 13 of the Sublease, and Licensee may sublicense all or a portion of its license to park and Parking Allotment to a person or entity that subleases all or any portion of the Premises (as defined in the Sublease) from Licensee pursuant to a sublease permitted under Article 13 of the Sublease, provided that any such assignee or sublicensee is tax exempt under federal and state law.

6. Use. Licensee's Parking Allotment may be used only by the employees of Licensee or an assignee or sublicensee permitted under Section 5 hereof (each, a "Patron"). Patrons will be granted access to the Parking Facilities only upon signing Licensor's standard parking license with Licensor. Storage of Vehicles overnight is prohibited.

7. Disclaimer. Each Patron only has a license to park in the Parking Facilities at the Patron's sole risk. No bailment is created. Licensor is not obligated to secure or insure Vehicles or their contents, and is not responsible for any fire, theft, damage or loss to any Vehicle or its contents. Attendants are present solely to assist Patrons and are not required to verify ownership of Vehicles exiting the Parking Facilities. Licensor does not represent, guaranty or warrant that any communication or security systems, devices or procedures in the Parking Facilities will be effective to prevent any loss, damage or injury to Licensee, Patrons or their guests. Licensor may discontinue or modify any of these systems, devices or procedures at any time without any liability to Licensee, Patrons, or their guests.
8. **Repairs, Improvements, Damage or Condemnation.** Licensor may modify, renovate or improve the Parking Facilities as Licensor deems appropriate. If any Patron is unable to use the Parking Facilities because of major repairs or improvements, damage or condemnation to the Parking Facilities or Project, Licensor will not be in default of this Agreement. Except as otherwise provided in Sections 11 and 12 hereof, during the Term, Licensor shall repair, maintain and replace, if necessary, the Parking Facilities and otherwise keep the Parking Facilities in good order and condition according to the standards prevailing for comparable facilities in the area in which the Parking Facilities are located.

9. **Rules and Regulations.** This license is conditioned upon each Patron’s compliance with the following Parking Facilities rules and regulations (“Parking Rules and Regulations”):

(a) Patron may be required to display a sticker, tag or other identification;

(b) Vehicle must be parked entirely within the painted stall lines. Parking is prohibited in: areas not striped for parking; aisles; areas where “No Parking” signs are posted; cross hatched areas; and in such other areas as may be designated by Licensor including areas designated as “Visitor Parking” or reserved spaces not licensed under this Agreement;

(c) All directional signs and arrows must be observed;

(d) The speed limit shall be 5 miles per hour, unless posted otherwise;

(e) Unless attended parking is required by Licensor, Patrons must park and lock their Vehicle;

(f) Spaces designated for compact Vehicle shall not be used by full-sized Vehicle;

(g) Parking Facilities’ managers and attendants are not authorized to make or allow any exceptions to Parking Rules and Regulations; and

(h) Parking Rules and Regulations may be modified by Licensor with notice to Licensee.

Licensor may refuse to permit any Patron, who violates the Parking Rules and Regulations, to park in the Parking Facilities and may remove the Patron’s Vehicle at the Patron’s and Licensee’s expense.

10. **Compliance with Laws.** The cost of Licensor’s compliance with all orders or directives of Licensor’s insurers or governing authorities or laws, statutes, codes, ordinances, administrative rules or regulations concerning the Parking Facilities will be included in Expenses.
11. Damage or Destruction.

(a) Damage and Repair. If all or any part of the Parking Facilities is damaged by fire or other casualty, then the parties will proceed as follows:

(i) Licensor's Estimates. Licensor will assess the damage to the Parking Facilities and notify Licensee of Licensor's reasonable estimate of the time required to substantially complete repairs and restoration of the Parking Facilities ("Repair Estimate"). Within 30 days after the later of the casualty, issuance of the Repair Estimate, or receipt of any denial of coverage or reservation of rights from Licensor's insurer, or receipt of notice from the holder of any Encumbrance (as defined in Section 13(b)) that all or any portion of the insurance proceeds will be used to retire the debt secured by such Encumbrance, Licensor may terminate this Agreement by written notice to Licensee if:

(A) The Repair Estimate exceeds 270 days; or
(B) The damage or destruction occurs in the last 12 Months of the Term;
(C) The repair and restoration is not fully covered by insurance maintained or required to be maintained by Sublandlord (subject only to those deductibles or retentions Licensor elected to maintain) or Licensor's insured denies coverage or reserves its rights on coverage; or
(D) The holder of any Encumbrance requires that all or any portion of the insurance proceeds be used to retire the debt secured by such Encumbrance or the damage is caused by a casualty that is not covered by insurance maintained by Licensor.

(ii) Repairs. If Licensor does not terminate this Agreement under (i), then this Agreement shall remain in full force and effect and Licensor will repair and restore the Parking Facilities to the condition existing prior to such damage, except for modifications required by law. Licensor will perform such work with reasonable promptness, subject to delay for loss adjustment, delay caused by Licensee and Force Majeure.

(b) License Fees. If as a result of the damage or destruction under Section 11(a), the number of parking spaces that Licensee is otherwise entitled to use at such time under this Agreement (the "Permitted Spaces") is not available for use by Licensee (the amount by which the number of Permitted Spaces exceeds such available spaces is referred to herein as the
“Unavailable Spaces”), License Fees shall, to the extent Licensor receives the proceeds of loss of rental income insurance, be abated in the proportion that the number of Unavailable Spaces bears to the number of Permitted Spaces from the 4th consecutive business day after the occurrence of such damage or destruction until the Unavailable Spaces again become available. Licensee's sole remedy against Licensor for damage or destruction of any part of the Parking Facilities is abatement of License Fees under this Section 11(b), and Licensor will not be liable to Licensee for any other amount, including consequential damages.

12. **Taking.** "Taking" means acquiring of all or part of the Parking Facilities for any public or quasi-public use by exercise of a right of eminent domain or under any other law, or any sale in lieu thereof. If a Taking occurs:

(a) **Total Taking.** If a Taking of substantially all of the parking spaces in the Parking Facilities for substantially all of the remaining Term occurs, then the Agreement terminates on the date of the Taking.

(b) **Partial Taking.** If a Taking does not cause the Agreement to be terminated under (a), then Licensor will restore (and alter, as necessary) the Parking Facilities, unless the Agreement is terminated by either Licensor or Licensee under the following circumstances:

(1) Licensor may terminate the Agreement upon 60 days prior written notice to Licensee if Licensor reasonably determines that it is uneconomical to restore or alter the Parking Facilities.

(2) Licensee may terminate the Agreement upon 60 days prior written notice to Licensor if more than 50% of the total Parking Spaces in the Parking Deck and Surface Parking Lot are taken pursuant to such Taking for the remainder of the Term.

Licensor is entitled to the entire award for any claim for a taking of any interest in this Agreement or the Parking Facilities, without deduction or offset for Licensee's interest.

13. **Licensor Transfers.**

(a) **Licensor's Transfer.** Licensor's right to transfer any interest in the Parking Facilities or this Agreement is not limited by this Agreement. Upon any such transfer, Licensee will attorn to Licensor's transferee and Licensor will be released from liability under this Agreement, except for any obligations under this Agreement accruing before the transfer that are not assumed by the transferee.

(b) **Subordination.** This Agreement is, and will at all times be, subject and subordinate to each ground lease, mortgage, deed to secure debt or deed of trust now or later encumbering the Parking Facilities or any portion thereof, including each renewal, modification, supplement, amendment, consolidation or replacement thereof (each, an "Encumbrance"). At Licensor's request, Licensee will, without charge, promptly execute, acknowledge and deliver to
Licensor (or, at Licensor’s request, the Encumbrance holder) any instrument reasonably necessary to evidence this subordination. Notwithstanding the foregoing, each Encumbrance holder may unilaterally elect to subordinate its Encumbrance to this Agreement.

(c) **Attornment.** Licensee will automatically attorn to any transferee of Licensor’s interest in the Parking Facilities that succeeds Licensor by reason of a termination, foreclosure or enforcement proceeding of an Encumbrance, or by delivery of a deed in lieu of any foreclosure or proceeding (a “Successor Licensor”). In this event, the Agreement will continue in full force and effect as a direct license between the Successor Licensor and Licensee on all of the terms of this Agreement, except that the Successor Licensor shall not be:

1. Liable for any obligation of Licensor under this Agreement, or be subject to any counterclaim, defense or offset accruing before Successor Licensor succeeds to Licensor’s interest;
2. Bound by any modification or amendment of this Agreement made without Successor Licensor’s consent;
3. Bound by any prepayment of more than one Month’s License Fees; or
4. Obligated to perform any improvements to the Parking Facilities (or provide an allowance therefor). Upon Successor Licensor’s request, Licensee will, without charge, promptly execute, acknowledge and deliver to Successor Licensor any instrument reasonably necessary or required to evidence such attornment.

(d) **Estoppel Certificate.** Within 10 days after receipt of Licensor’s written request, Licensee (and each guarantor and transferee of an interest in the Agreement) will execute, acknowledge and deliver to Licensor a certificate upon which Licensor and each existing or prospective Encumbrance holder may rely confirming the following (or any exceptions to the following):

1. The License Commencement Date and License Expiration Date;
2. The documents that constitute the Agreement, and that the Agreement is unmodified and in full force and effect;
3. The date through which License Fees have been paid;
4. That neither Licensor nor Licensee is in default of this Agreement; and
5. Such other matters concerning this Agreement that Licensor may reasonably require.

(a) Licensee's Default. Licensee is in default ("Default") of this Agreement if any of the following occur:

(i) Licensee fails to pay Licensee Fees when due, and the failure continues for 10 days after notice to Licensee of the failure.

(ii) Licensee fails to perform a non-mandatory obligation under this Agreement and the failure continues for 20 days after notice to Licensee of the failure, except that if Licensee begins performing this obligation within 20 days after notice to Licensee of this failure, but it will reasonably take more than 20 days to complete performing the obligation, then Licensee will have a reasonable amount of additional time to complete performing the obligation so long as Licensee diligently pursues the performance of such obligation to completion.

(iii) Assigns this Agreement or sublicenses its license to park or its Parking Allotment in violation of this Agreement.

(iv) Licensee fails to discharge any attachment or levy on Licensee's interest in this Agreement within 15 days after the attachment or levy encumbers this Agreement.

(v) Licensee fails to cause any of the following proceedings to be vacated or dismissed within 60 days after they are commenced: (1) the appointment of a receiver or trustee of the assets of Licensee or any guarantor of this Agreement, (2) the voluntary or involuntary bankruptcy of Licensee or any guarantor of this Agreement, or (3) any assignment for the benefit of creditors of the assets of Licensee or any guarantor of this Agreement.

(vi) Licensee is named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

(vii) A Default under the Sublease occurs.

(b) Remedies. If a Default occurs, Licensor shall have the rights and remedies set forth in this subsection (b) which shall be distinct, separate and cumulative and shall not operate to exclude or deprive Licensor of any other right or remedy allowed it by law or at equity.
(i) Licensor may terminate this Agreement by giving notice to Licensee of Licensor's election to do so, in which event the Term of this Agreement shall end, and all right, title and interest of Licensee hereunder shall expire, on the date stated in such notice. Written notice alone shall be proof of any such election by Licensor. No termination of this Agreement shall terminate Licensee's obligations under this Agreement to pay Licensee Fees, which obligation shall survive such termination.

(ii) Licensor may enforce the provisions of this Agreement and may enforce and protect the rights of Licensor by a suit or suits in equity or at law for the specific performance of any covenant or agreement contained in this Agreement, or for the enforcement of any other appropriate legal or equitable remedy, including recovery of all moneys due or to become due from Licensee under any of the provisions of this Agreement.

(iii) Licensor may, but shall not be obligated to, cure Licensee's Default by making any payment or performing such other act to the extent Licensor may deem desirable. Any such cure by Licensor shall be without notice and shall not waive or release Licensee from any obligation under this Agreement. Licensee covenants and agrees to pay Licensor, upon demand, all advances, costs and expenses incurred by Licensor in connection with such cure, including reasonable attorney's fees, together with interest at the Default Rate (as defined below), from the date such are incurred by Licensor to the date of payment to Licensor.

(c) If Licensor terminates this Agreement pursuant to subparagraph (b):

(i) Licensor shall be entitled to recover any and all License Fees due and unpaid as of the date of termination. Licensee shall immediately pay to Licensor all such License Fees.

(ii) (A) Licensor shall have the right from time to time, recover from Licensee, and Licensee shall remain liable for, all License Fees and any other sums accruing as they become due under this Agreement through the remainder of the stated Term.

(B) Any License Fees received by Licensor from relicensing the Parking Deck Allotment or Surface Parking Allotment shall be deemed to reduce Licensee's indebtedness to Licensor as follows: (x) first, to reduce Licensee's obligation to reimburse Licensor for Costs of Re-Licensing, then (y) to reduce Licensee's obligation to Licensor for
Enforcement Costs, and then (z) to reduce Licensee's obligation for the payment of Licensee Fees reserved in this Agreement for the remainder of the stated Term of this Agreement. In no event shall Licensee be entitled to a reduction (of its indebtedness to Licensor) in an amount in excess of the aggregate sum of the License Fees which would have been payable by Licensee for the remainder of the stated Term of this Agreement, if no Default had occurred.

(C) As it becomes due, and without notice or demand, Licensee shall pay to Licensor an amount equal to the License Fees which would have been payable by Licensee for the remainder of the stated Term of this Agreement, less any applicable reductions pursuant to the immediately preceding sentence.

(D) Licensee shall, upon demand, reimburse Licensor, with interest at the Default Rate from the date incurred through the date of payment to Licensor, the Enforcement Costs and Costs of Re-Licensing.

(iii) Licensor shall not be required to mitigate any of its damages hereunder. If any law shall validly limit the amount of any damages provided for herein to an amount which is less than the amount agreed to herein, Licensor shall be entitled to the maximum amount available under such law.

(d) Definitions.

(i) "Enforcement Costs" shall be all sums, costs, expenses and damages (in addition to Costs of Re-Licensing and including reasonable attorneys' fees) which are incurred by Licensor in enforcing the Licensee's obligations under this Agreement or by reason of Licensee's Default, including without limitation, those arising out of any action brought by Licensor against Licensee to interpret any provision of this Agreement or in connection with a bankruptcy or an assignment for the benefit of creditors.

(ii) "Costs of Relicensing" shall mean all costs and expenses incurred by Licensor for any brokerage commissions, advertising costs, attorneys' fees, take-over lease obligations, costs of collecting License Fees or other sums from Replacement Licensees and other costs incurred by Licensor in relicensing the Parking Deck Allotment or Surface Parking Allotment or any portion thereof to Replacement Licensees.
(iii) "Replacement Licensees" shall mean any persons or entities to whom Licensor re-licenses the Parking Deck Allotment or Surface Parking Allotment or any portion thereof.

(iv) Reasonable attorneys' fees shall include the value of services provided by counsel employed by Licensor or its Affiliates in the amount that Licensor would have reasonably incurred if the services had been performed by unaffiliated counsel.

(e) **Interest.** If Licensee at any time fails to make any payment of License Fees or of any amounts owed under this Agreement, Licensor may recover interest on such amounts at the rate per annum equal to the Prime Rate plus 5% per annum, but in no event in excess of the maximum interest rate permitted by law ("Default Rate"), from the date each amount is due until paid by Licensee.

(f) **Waivers.** Licensor and Licensee expressly waive any right to trial by jury with respect to any proceeding pertaining to this Agreement. No waiver by Licensor of any Default of Licensee shall be implied to affect, and no express waiver shall affect, any Default other than the Default specified in such waiver and that only for the time and to the extent stated.

(g) **Force Majeure.** "Force Majeure" means any cause or event beyond the reasonable control of a party to this Agreement, including any act of God, government act or restriction, labor disturbance, general shortage of materials or supplies, riot, insurrection, or act of war or terrorism. Force Majeure excuses a party from performing any non-monetary obligation under this Agreement for a commercially reasonable time.

(h) **Licensor's Default and Remedies.**

(i) Licensor will be in "Default" of this Agreement if Licensor fails to perform any obligation of Licensor under this Agreement and this failure continues for 30 days after Licensee notifies Licensor of such failure, or such longer period of time as is reasonable if more than 30 days is reasonably required to perform this obligation if performance commences within this 30-day period and is diligently prosecuted to completion.

(ii) If Licensor is in Default, then Licensee may exercise any remedy available under law that is not waived or limited under this Agreement, subject to the following:

(A) Licensee may not terminate this Agreement due to any Licensor Default.

(B) Licensor's liability under this Agreement is limited to Licensor's interest in the Parking Facilities.

(C) No liability under this Agreement is assumed by Licensor's Affiliates.
"Affiliates" means with respect to a party (i) that party's partners, co-members and joint venturers, (ii) each corporation or other entity that is a parent or subsidiary of that party, (iii) each corporation or other entity that is controlled by or under common control of a parent of such party, and (iv) the directors, officers, employees and agents of that party and each person or entity described in (i-iii) above.

15. Miscellaneous.

(a) Notice. Notice to Licensor must be given to Licensor's Notice Addresses as set forth below. Notice to Licensee must be given to Licensee's Notice Addresses as set forth below. By notice to the other, either party may change its Notice Address. Each notice must be in writing and will be validly given if either: (1) the notice is personally delivered and receipt is acknowledged in writing; or (2) the notice is delivered by a nationally recognized overnight courier service (e.g., Federal Express or Airborne Express) and receipt is acknowledged in writing. If the party to receive notice fails to either accept delivery or acknowledge its receipt in writing, then notice may be validly given by mailing the notice first-class, certified or registered mail, postage prepaid, and the notice will be deemed received by the party 2 business days after the deposit of the notice in the U.S. Mail.

(c) Successors. Unless provided to the contrary elsewhere in this Agreement,
this Agreement binds and inures to the benefit of each party's heirs, successors and permitted
assignees.

(d) No Waiver. A party's waiver of a breach of this Agreement will not be
considered a waiver of any other breach. No custom or practice that develops between the
parties will prevent either party from requiring strict performance of the terms of this Agreement.
No Agreement provision or act of a party creates any relationship between the parties other than
that of Licensor and Licensee.

(e) Independent Covenants. The covenants of this Agreement are
independent. A court's declaration that any part of this Agreement is invalid, void or illegal will
not impair or invalidate the remaining parts of this Agreement, which will remain in full force

is for convenience only, and will not affect the interpretation of this Agreement.

(g) Authority.

(i) Individuals signing this Agreement on behalf of Licensee represent

Licensee's cost, provide Licensor with a corporate resolution or
other documentation acceptable to Licensor proving the authority
of each individual signatory to bind Licensee to this Agreement.

(ii) Licensee represents and warrants to Licensor that Licensee is not
named on the list of Specially Designated Nationals and Blocked
Persons maintained by the Office of Foreign Assets Control of the
United States Department of the Treasury or any such similar list
maintained by the state or federal government.

(iii) Licensee represents and warrants to Licensor that any individual or
entity involved in this transaction on behalf of Licensee is not
named on the list of Specially Designated Nationals and Blocked
Persons maintained by the Office of Foreign Assets Control of the
United States Department of the Treasury or any such similar list
maintained by the state or federal government.
(h) **Applicable Law.** The laws of Michigan govern this Agreement. In any action brought under this Agreement, Licensee submits to the jurisdiction of the courts of the State of Michigan, and to venue in the County of Wayne.

(i) **Confidentiality.** Licensee will not record this Agreement or a memorandum of this Agreement without Licensor's written consent. Licensee will keep the terms of this Agreement confidential and, unless required by law, may not disclose the terms of this Agreement to anyone other than Licensee’s Affiliates to the extent necessary to Licensee’s business.

(j) **Reasonableness.** Licensee's sole remedy for any claim against Licensor that Licensor has unreasonably withheld or unreasonably delayed any consent or approval shall be an action for injunctive or declaratory relief, it being acknowledged and agreed that no such claim may be asserted against Licensor except where Licensor has expressly agreed in this Agreement that it may not unreasonably withhold or delay its consent or approval.

(k) **Time.** Time is of the essence as to all provisions in this Agreement in which time is a factor.

(l) **Exhibits.** The exhibits attached to this Agreement are incorporated herein. If any exhibit is inconsistent with the terms of this Agreement, the provisions of the Exhibit will govern. The Exhibits to this Agreement are:

16. **Renewal Option.** Licensee shall have the option to renew this Agreement (the "Renewal Option") for one additional term of ninety (90) years upon the same terms, covenants and conditions as are contained in this Agreement. Licensee must exercise the Renewal Option by giving written notice thereof to Licensor at least twelve (12) months prior to the expiration of the initial term of this Agreement (the "Notice"). PARKING SUBLICENSE AGREEMENT

THIS PARKING SUBLICENSE AGREEMENT (this "Agreement"), made this 30th day of September, 2008, by and between TEF-SIX, LLC, a Michigan limited liability company, having an office at c/o P.O. Box 6349, Plymouth, Michigan 48170, Attention: John G. Cleary ("Licensor"), and CREATIVE URBAN EDUCATION, INC., a Michigan non-profit corporation, having an office at 201 E. Kirby, Detroit, Michigan 48202 ("Sublicensee").

RECITALS:

A. College for Creative Studies, as Licensor, and Sublicensor, as Licensee, entered into a certain Parking License Agreement (the "License Agreement") whereby Sublicensor was granted a license for vehicular parking of passenger motor vehicles in a (i) parking deck that College for Creative Studies intends to construct on the land described in Exhibit A attached hereto (the "Parking Deck") and (ii) surface parking lot that Licensor intends to install on the land described in Exhibit B attached hereto (the "Surface Parking Lot") (the holder of the Licensor's interest in the License Agreement from time to time is referred to herein as the "Licensor").

B. Simultaneously herewith, Sublicensor, as Sublandlord, and Sublicensee, as Subtenant, entered into a sublease of certain space located within the building commonly known as the Argonaut Building, Detroit, Michigan (the "Sublease").

C. Sublicensee is desirous of obtaining spaces for vehicular parking in the Parking Deck and Surface Parking Lot, the same to be used for the parking of passenger motor vehicles of Sublicensee's employees.

D. Sublicensee is a tax exempt organization.

E. Sublicensor is willing to grant parking spaces in the Parking Deck and the Surface Parking Lot upon and subject to the terms, covenants and conditions hereinafter set forth.

AGREEMENT:

In consideration of the premises and other good and valuable consideration, Sublicensor and Sublicensee hereby agree as follows:

1. Parking Allotment. During the term of this Agreement, if Sublicensee is not in default of this Agreement or the Sublease, Sublicensee may, subject to availability, use no more than the Parking Deck Allotment in order to park only insured, registered, passenger, motor vehicles (each, a "Vehicle") in the Parking Deck and no more than the Surface Parking Lot Allotment in order to park Vehicles in the Surface Parking Lot. "Parking Deck Allotment" means 95 permits for unreserved parking spaces in the Parking Deck, and "Surface Parking Lot Allotment" means 42 permits for unreserved parking spaces in the Surface Parking Lot (the Parking Deck Allotment and Surface Parking Lot Allotment are collectively referred to herein as...
the "Parking Allotment"). Sublicensee's employees shall also have a license to use the common areas in the Parking Facilities for ingress and egress to and from the Parking Facilities.

2. **Parking Cards.** Vehicular ingress and egress to and from the Parking Facilities shall be by parking access cards or such other system as Licensor may decide upon from time to time. If parking access cards are issued, Sublicensee will pay a non-refundable fee of $10 to Licensor for each new or replaced parking access card. Parking access cards not working properly will be replaced at no charge. Parking access cards will not be activated until the Sublicensee or Patron provides Licensor with each Vehicle's license plate number and description.

3. **License Fees.**

   (a) Sublicensee shall pay when due, directly to Licensor, all "License Fees" payable by Sublicensee to Licensor under Section 3 of the License Agreement. Sublicensor shall promptly furnish Sublicensee with all notices received by Sublicensor from Licensor regarding estimates of License Fees and Special Assessments (as defined in the License Agreement) and year end statements of the actual License Fees. If Sublicensor gives Sublicensor written notice objecting to any items of License Fees set forth in the annual statement within ninety (90) days after Sublicensor's receipt of such statement, Sublicensor will give Licensor written notice objecting to such statement, based on the items objected to by Sublicensor, within ninety (90) days after Sublicensor's receipt of such statement.

   (b) **Terms of Payment.** Unless otherwise provided in this Agreement, Sublicensee shall pay License Fees without notice, demand, deduction, abatement or setoff, in lawful U.S. currency, at Licensor's Billing Address set forth in the License Agreement. Sublicensor will send invoices payable by Sublicensee to Sublicensor's Billing Address; however, neither Sublicensor's failure to send an invoice nor Sublicensor's failure to receive an invoice for installments of estimated License Fees will relieve Sublicensor of its obligation to pay installments of estimated License Fees. Each partial payment by Sublicensor shall be deemed a payment on account. No endorsement or statement on any check or any accompanying letter shall constitute an accord and satisfaction, affect Sublicensor's right to collect the full amount due, or require Sublicensor to apply any payment to other than License Fees earliest due. No payment by Sublicensor to Sublicensor will be deemed to extend the Term or render any notice, pending suit or judgment ineffective. By notice to the other, each party may change its Billing Address. Any payment made by Sublicensor to a lockbox maintained by Licensor or Sublicensor for receipt of payment of License Fees shall not be deemed to have been accepted by Licensor or Sublicensor provided such payment is returned to Sublicensor within ten (10) days after Licensor receives notice that the payment has been received into the lockbox.

   (c) **Late Payment.** If Sublicensor is charged a "Late Charge" under the License Agreement because Sublicensor failed to paid Licensor when due any License Fees, Sublicensor shall pay each such Late Charge directly to Licensor.

4. **Term.** "Term" means the period that begins on the License Commencement Date (as defined in the License Agreement) and ends on the Sublicense Expiration Date (as defined below), subject to renewal or earlier termination as may be further provided in this
Agreement. "Sublicense Expiration Date" means the earlier of the License Expiration Date (as defined in the License Agreement) and the date Sublicensee or any permitted assignee or sublicensee under this Agreement is not tax exempt under state and/or federal law. Notwithstanding anything to the contrary contained in this Agreement, in the event the Sublease, the License Agreement or that certain Education Management Agreement contemplated to be entered into between The Public School Academies of Detroit and Sublicensee (the "Management Agreement") terminates prior to the expiration or earlier termination of this Agreement then this Agreement shall terminate simultaneously with the termination of the Sublease, License Agreement or Management Agreement without any liability of Sublicensor to Sublicensee.

Sublicensor shall notify Sublicensee of the License Commencement Date using a Notice of Agreement Term (the "Notice") in the form attached to this Agreement as Exhibit C. Sublicensee shall execute and deliver to Licensor the Notice within ten (10) business days after its receipt, but Sublicensee's failure to do so will not reduce Sublicensee's obligations or Sublicensor's rights under this Agreement.

5. Assignment. Except as provided below, neither Sublicensee nor any Patron may assign or sublease its license to park or its Parking Allotment without Licensor's and Sublicensor's prior consent, which consent may be withheld in their respective sole and absolute discretion. Notwithstanding the foregoing, Sublicensee may assign this Agreement to an assignee of the Sublease pursuant to an assignment of the Sublease permitted under Article 13 of the Sublease, and Sublicensee may sublease all or a portion of its license to park or Parking Allotment to a person or entity that subleases all or any portion of the Premises (as defined in the Sublease) from Sublicensee pursuant to a sublease permitted under Article 13 of the Sublease, provided that any such assignee or sublicensee is tax exempt under federal and state law.

6. Use. Sublicensee's Parking Allotment may be used only by the employees of Sublicensee or an assignee or sublicensee permitted under Section 5 hereof (each, a "Patron"). Patrons will be granted access to the Parking Facilities only upon signing Licensor's standard parking license with Licensor. Storage of Vehicles overnight is prohibited.

7. Disclaimer. Each Patron only has a license to park in the Parking Facilities at the Patron's sole risk. No bailment is created. Neither Licensor nor Sublicensor is obligated to secure or insure Vehicles or their contents, and is not be responsible for any fire, theft, damage or loss to any Vehicle or its contents. Attendants are present solely to assist Patrons and are not required to verify ownership of Vehicles exiting the Parking Facilities. Neither Licensor nor Sublicensor represents, guarantees or warrants that any communication or security systems, devices or procedures in the Parking Facilities will be effective to prevent any loss, damage or injury to Sublicensee, Patrons or their guests. Licensor may discontinue or modify any of these systems, devices or procedures at any time without any liability to Sublicensee, Patrons, or their guests.

8. Repairs, Improvements, Damage or Condemnation. Licensor may modify, renovate or improve the Parking Facilities as Licensor deems appropriate. If any Patron is unable to use the Parking Facilities because of major repairs or improvements, damage or condemnation to the Parking Facilities or Project, Sublicensor will not be in default of this
Agreement and neither Licensor nor Sublicensor will have any liability to Sublicensee with respect to any such repairs, improvements, damage or condemnation. While Sublicensor is not obligated to perform any of Licensor's obligations under Section 8 of the License Agreement, Sublicensor shall, upon Sublicensee's request and at Sublicensee's expense, use reasonable efforts to cause Licensor to perform its obligations under such Section of the License Agreement.

9. **Rules and Regulations.** This license is conditioned upon each Patron's compliance with the following Parking Facilities rules and regulations ("Parking Rules and Regulations"):

   (a) Patron may be required to display a sticker, tag or other identification;

   (b) Vehicle must be parked entirely within the painted stall lines. Parking is prohibited in: areas not striped for parking; aisles; areas where "No Parking" signs are posted; cross hatched areas; and in such other areas as may be designated by Licensor including areas designated as "Visitor Parking" or reserved spaces not licensed under this Agreement;

   (c) All directional signs and arrows must be observed;

   (d) The speed limit shall be 5 miles per hour, unless posted otherwise;

   (e) Unless attended parking is required by Licensor, Patrons must park and lock their Vehicle;

   (f) Spaces designated for compact Vehicle shall not be used by full-sized Vehicle;

   (g) Parking Facilities' managers and attendants are not authorized to make or allow any exceptions to Parking Rules and Regulations; and

   (h) Parking Rules and Regulations may be modified by Licensor with notice to Licensee.

Licensor may refuse to permit any Patron, who violates the Parking Rules and Regulations, to park in the Parking Facilities and may remove the Patron's Vehicle at the Patron's and Sublicensee's expense.

10. **Damage or Destruction.**

   (a) Damage and Repair. While Sublicensor has no obligation to perform Licensor's repair and restoration obligations under Section 11(a) of the License Agreement, Sublicensor shall, upon Sublicensee's request and at Sublicensee's expense, use reasonable efforts to cause Licensor to perform such obligations.

   (b) **License Fees.** If as a result of the damage or destruction caused by fire or other casualty, the number of parking spaces that Sublicensee is otherwise entitled to use at such
time under this Agreement (the "Permitted Spaces") is not available for use by Sublicensor (the amount by which the number of Permitted Spaces exceeds such available spaces is referred to herein as the "Unavailable Spaces"), License Fees shall, to the extent Licensor receives the proceeds of loss of rental income insurance, be abated in the proportion that the number of Unavailable Spaces bears to the number of Permitted Spaces from the 4th consecutive business day after the occurrence of such damage or destruction until the Unavailable Spaces again become available. Sublicensee's sole remedy against Sublicensor for damage or destruction of any part of the Parking Facilities is abatement of License Fees under this Section 11(b), and Sublicensor will not be liable to Sublicensee for any other amount, including consequential damages.

11. Taking. "Taking" means acquiring of all or part of the Parking Facilities for any public or quasi-public use by exercise of a right of eminent domain or under any other law, or any sale in lieu thereof. If a Taking occurs:

(a) Total Taking. If a Taking of substantially all of the parking spaces in the Parking Facilities for substantially all of the remaining Term occurs, then the Agreement terminates on the date of the Taking.

(b) Partial Taking. If a Taking does not cause the Agreement to be terminated under (a), then Licensor is responsible under the License Agreement to restore (and alter, as necessary) the Parking Facilities, unless the Agreement is terminated as a result of a termination of the License Agreement or this Agreement is terminated by Sublicensee under the following circumstances:

(1) Sublicensee may terminate the Agreement upon 60 days prior written notice to Sublicensor if more than 50% of the total Parking Spaces in the Parking Deck and Surface Parking Lot are taken pursuant to such Taking for the remainder of the Term.

Licensor is entitled to the entire award for any claim for a taking of any interest in this Agreement or the Parking Facilities, without deduction or offset for Sublicensee's interest.

12. Sublicensor Transfers.

(a) Sublicensor's Transfer. Sublicensor's right to transfer any interest in the Parking Facilities or this Agreement is not limited by this Agreement. Upon any such transfer, Sublicensee will attorn to Sublicensor's transferee and Sublicensor will be released from liability under this Agreement, except for any obligations under this Agreement accruing before the transfer that are not assumed by the transferee.

(b) Subordination. This Agreement is, and will at all times be, subject and subordinate to each ground lease, mortgage, deed to secure debt or deed of trust now or later encumbering the Parking Facilities or any portion thereof, including each renewal, modification, supplement, amendment, consolidation or replacement thereof (each, an "Encumbrance"). At Licensor's request, Sublicensee will, without charge, promptly execute, acknowledge and deliver
to Licensor (or, at Licensor’s request, the Encumbrance holder) any instrument reasonably necessary to evidence this subordination. Notwithstanding the foregoing, each Encumbrance holder may unilaterally elect to subordinate its Encumbrance to this Agreement.

(c) **Attornment.** Sublicensee will automatically attorn to any transferee of Sublicensor’s interest in the Parking Facilities that succeeds Sublicensor by reason of a termination, foreclosure or enforcement proceeding of an Encumbrance, or by delivery of a deed in lieu of any foreclosure or proceeding (a “Successor Sublicensor”). In this event, the Agreement will continue in full force and effect as a direct license between the Successor Sublicensor and Sublicensee on all of the terms of this Agreement, except that the Successor Sublicensor shall not be:

1. Liable for any obligation of Sublicensor under this Agreement, or be subject to any counterclaim, defense or offset accruing before Successor Sublicensor succeeds to Sublicensor’s interest;

2. Bound by any modification or amendment of this Agreement made without Successor Sublicensor’s consent;

3. Bound by any prepayment of more than one Month’s License Fees; or

4. Obligated to perform any improvements to the Parking Facilities (or provide an allowance therefor). Upon Successor Sublicensor’s request, Sublicensee will, without charge, promptly execute, acknowledge and deliver to Successor Sublicensor any instrument reasonably necessary or required to evidence such attornment.

(d) **Estoppel Certificate.** Within 10 days after receipt of Licensor’s written request, Sublicensee (and each guarantor and transferee of an interest in the Agreement) will execute, acknowledge and deliver to Licensor a certificate upon which Licensor and each existing or prospective Encumbrance holder may rely confirming the following (or any exceptions to the following):

1. The License Commencement Date and License Expiration Date;

2. The documents that constitute the Agreement, and that the Agreement is unmodified and in full force and effect;

3. The date through which License Fees have been paid;

4. That neither Sublicensor nor Sublicensee is in default of this Agreement; and

5. Such other matters concerning this Agreement that Sublicensor may reasonably require.
14. **Default and Remedies.**

(a) **Sublicensee's Default.** Sublicensee is in default ("Default") of this Agreement if any of the following occur:

(i) Sublicensee fails to pay Licensee Fees when due, and the failure continues for 10 days after notice to Sublicensee of the failure.

(ii) Sublicensee fails to perform a non-monetary obligation under this Agreement and the failure continues for 20 days after notice to Sublicensee of the failure, except that if Sublicensee begins performing this obligation within 20 days after notice to Sublicensee of this failure, but it will reasonably take more than 20 days to complete performing the obligation, then Sublicensee will have a reasonable amount of additional time to complete performing the obligation so long as Sublicensee diligently pursues the performance of such obligation to completion.

(iii) Assigns this Agreement or sublicenses its license to park or its Parking Allotment in violation of this Agreement.

(iv) Sublicensee fails to discharge any attachment or levy on Sublicensee's interest in this Agreement within 15 days after the attachment or levy encumbers this Agreement.

(v) Sublicensee fails to cause any of the following proceedings to be vacated or dismissed within 60 days after they are commenced: (1) the appointment of a receiver or trustee of the assets of Sublicensee or any guarantor of this Agreement, (2) the voluntary or involuntary bankruptcy of Sublicensee or any guarantor of this Agreement, or (3) any assignment for the benefit of creditors of the assets of Sublicensee or any guarantor of this Agreement.

(vi) Sublicensee is named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

(vii) A Default under the Sublease occurs.

(b) **Remedies.** If a Default occurs, Sublicensor shall have the rights and remedies set forth in this subsection (b) which shall be distinct, separate and cumulative and shall not operate to exclude or deprive Sublicensor of any other right or remedy allowed it by law or at equity.

(i) Sublicensor may terminate this Agreement by giving notice to Sublicensee of Sublicensor's election to do so, in which event the
Term of this Agreement shall end, and all right, title and interest of Sublicensee hereunder shall expire, on the date stated in such notice. Written notice alone shall be proof of any such election by Sublicensor. No termination of this Agreement shall terminate Sublicensee’s obligations under this Agreement to pay Sublicensee Fees, which obligation shall survive such termination.

(ii) Sublicensor may enforce the provisions of this Agreement and may enforce and protect the rights of Sublicensor by a suit or suits in equity or at law for the specific performance of any covenant or agreement contained in this Agreement, or for the enforcement of any other appropriate legal or equitable remedy, including recovery of all moneys due or to become due from Sublicensee under any of the provisions of this Agreement.

(iii) Sublicensor may, but shall not be obligated to, cure Sublicensee’s Default by making any payment or performing such other act to the extent Sublicensor may deem desirable. Any such cure by Sublicensor shall be without notice and shall not waive or release Sublicensee from any obligation under this Agreement. Sublicensee covenants and agrees to pay Sublicensor, upon demand, all advances, costs and expenses incurred by Sublicensor in connection with such cure, including reasonable attorney’s fees, together with interest at the Default Rate (as defined below), from the date such are incurred by Sublicensor to the date of payment to Sublicensor.

(c) If Sublicensor terminates this Agreement pursuant to subparagraph (b):

(i) Sublicensor shall be entitled to recover any and all License Fees due and unpaid as of the date of termination. Sublicensee shall immediately pay to Sublicensor all such License Fees.

(ii) (A) Sublicensor shall have the right from time to time, recover from Sublicensee, and Sublicensee shall remain liable for, all License Fees and any other sums accruing as they become due under this Agreement through the remainder of the stated Term.

(B) Any License Fees received by Sublicensor from relicensing the Parking Deck Allotment or Surface Parking Allotment shall be deemed to reduce Sublicensee’s indebtedness to Sublicensor as follows: (x) first, to reduce Sublicensee’s obligation to reimburse Sublicensor for Costs of Relicensing, then (y) to reduce Sublicensee’s obligation to Sublicensor for Enforcement Costs, and then (z) to reduce Sublicensee’s obligation for the payment of Licensee Fees
reserved in this Agreement for the remainder of the stated Term of this Agreement. In no event shall Sublicensee be entitled to a reduction (of its indebtedness to Sublicensor) in an amount in excess of the aggregate sum of the License Fees which would have been payable by Sublicensee for the remainder of the stated Term of this Agreement, if no Default had occurred.

(C) As it becomes due, and without notice or demand, Licensee shall pay to Sublicensor an amount equal to the License Fees which would have been payable by Licensee for the remainder of the stated Term of this Agreement, less any applicable reductions pursuant to the immediately preceding sentence.

(D) Licensee shall, upon demand, reimburse Sublicensor, with interest at the Default Rate from the date incurred through the date of payment to Sublicensor, the Enforcement Costs and Costs of Re-Licensing.

(iii) Sublicensor shall not be required to mitigate any of its damages hereunder. If any law shall validly limit the amount of any damages provided for herein to an amount which is less than the amount agreed to herein, Sublicensor shall be entitled to the maximum amount available under such law.

(d) Definitions.

(i) "Enforcement Costs" shall be all sums, costs, expenses and damages (in addition to Costs of Re-Licensing and including reasonable attorneys' fees) which are incurred by Sublicensor in enforcing the Sublicensee’s obligations under this Agreement or by reason of Sublicensee’s Default, including without limitation, those arising out of any action brought by Sublicensor against Sublicensee to interpret any provision of this Agreement or in connection with a bankruptcy or an assignment for the benefit of creditors.

(ii) "Costs of Relicensing" shall mean all costs and expenses incurred by Sublicensor for any brokerage commissions, advertising costs, attorneys' fees, take-over lease obligations, costs of collecting License Fees or other sums from Replacement Sublicensees and other costs incurred by Sublicensor in relicensing the Parking Deck Allotment or Surface Parking Allotment or any portion thereof to Replacement Sublicensees.
(iii) "Replacement Sublicensees" shall mean any persons or entities to whom Sublicensor re-licenses the Parking Deck Allotment or Surface Parking Allotment or any portion thereof.

(iv) Reasonable attorneys' fees shall include the value of services provided by counsel employed by Sublicensor or its Affiliates in the amount that Sublicensor would have reasonably incurred if the services had been performed by unaffiliated counsel.

(e) Interest. If Sublicensee at any time fails to make any payment of License Fees or of any amounts owed under this Agreement, and as a result, Sublicensor is charged interest thereon by Licensor pursuant to the License Agreement, Sublicensee shall pay all such interest directly to Licensor.

(f) Waivers. Sublicensor and Sublicensee expressly waive any right to trial by jury with respect to any proceeding pertaining to this Agreement. No waiver by Sublicensor of any Default of Sublicensee shall be implied to affect, and no express waiver shall affect, any Default other than the Default specified in such waiver and that only for the time and to the extent stated.

(g) Force Majeure. "Force Majeure" means any cause or event beyond the reasonable control of a party to this Agreement, including any act of God, government act or restriction, labor disturbance, general shortage of materials or supplies, riot, insurrection, or act of war or terrorism. Force Majeure excuses a party from performing any non-monetary obligation under this Agreement for a commercially reasonable time.

(h) Sublicensor's Default and Remedies.

(i) Sublicensor will be in "Default" of this Agreement if Sublicensor fails to perform any obligation of Sublicensor under this Agreement and this failure continues for 30 days after Sublicensee notifies Sublicensor of such failure, or such longer period of time as is reasonable if more than 30 days is reasonably required to perform this obligation if performance commences within this 30-day period and is diligently prosecuted to completion.

(ii) If Sublicensor is in Default, then Sublicensee may exercise any remedy available under law that is not waived or limited under this Agreement, subject to the following:

(A) Sublicensee may not terminate this Agreement due to any Sublicensor Default.

(B) No liability under this Agreement is assumed by Sublicensor's Affiliates.

"Affiliates" means with respect to a party (i) that party's partners, co-members and joint venturers, (ii) each corporation or other entity that is a parent or subsidiary of that party, (iii) each corporation or other entity that is controlled by or under common control of a parent of such
party, and (iv) the directors, officers, employees and agents of that party and each person or entity described in (i-iii) above.

15. Miscellaneous.

(a) Notice. Notice to Sublicensor must be given to Sublicensor's Notice Addresses as set forth below. Notice to Sublicensee must be given to Sublicensee's Notice Addresses as set forth below. By notice to the other, either party may change its Notice Address. Each notice must be in writing and will be validly given if either: (1) the notice is personally delivered and receipt is acknowledged in writing; or (2) the notice is delivered by a nationally recognized overnight courier service (e.g., Federal Express or Airborne Express) and receipt is acknowledged in writing. If the party to receive notice fails to either accept delivery or acknowledge its receipt in writing, then notice may be validly given by mailing the notice first-class, certified or registered mail, postage prepaid, and the notice will be deemed received by the party 2 business days after the deposit of the notice in the U.S. Mail.

(b) **Entire Agreement.** This Agreement is deemed integrated and contains all of each party’s representations, waivers and obligations. The parties may only modify or amend this Agreement in a writing that is fully executed and delivered by each party.

(c) **Successors.** Unless provided to the contrary elsewhere in this Agreement, this Agreement binds and inures to the benefit of each party’s heirs, successors and permitted assignees.

(d) **No Waiver.** A party’s waiver of a breach of this Agreement will not be considered a waiver of any other breach. No custom or practice that develops between the parties will prevent either party from requiring strict performance of the terms of this Agreement. No Agreement provision or act of a party creates any relationship between the parties other than that of sublicensor and sublicensee.

(e) **Independent Covenants.** The covenants of this Agreement are independent. A court’s declaration that any part of this Agreement is invalid, void or illegal will not impair or invalidate the remaining parts of this Agreement, which will remain in full force and effect.

(f) **Captions.** The use of captions, headings, boldface, italics or underlining is for convenience only, and will not affect the interpretation of this Agreement.

(g) **Authority.**

(i) Individuals signing this Agreement on behalf of Sublicensee represent and warrant that they are authorized to bind Sublicensee to this Agreement, and that Sublicensee is qualified to do business in the State of Michigan. If required by Sublicensor, Sublicensee will, at Sublicensee’s cost, provide Sublicensor with a corporate resolution or other documentation acceptable to Sublicensor proving the authority of each individual signatory to bind Sublicensee to this Agreement.

(ii) Sublicensee represents and warrants to Sublicensor that Sublicensee is not named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

(iii) Sublicensee represents and warrants to Sublicensor that any individual or entity involved in this Agreement transaction on behalf of Sublicensee is not named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.
(h) **Applicable Law.** The laws of Michigan govern this Agreement. In any action brought under this Agreement, Sublicensee submits to the jurisdiction of the courts of the State of Michigan, and to venue in the County of Wayne.

(i) **Confidentiality.** Sublicensee will not record this Agreement or a memorandum of this Agreement without Sublicensor's written consent. Sublicensee will keep the terms of this Agreement confidential and, unless required by law, may not disclose the terms of this Agreement to anyone other than Sublicensee’s Affiliates to the extent necessary to Sublicensee’s business.

(j) **Reasonableness.** Sublicensee's sole remedy for any claim against Sublicensor that Sublicensor has unreasonably withheld or unreasonably delayed any consent or approval shall be an action for injunctive or declaratory relief, it being acknowledged and agreed that no such claim may be asserted against Sublicensor except where Sublicensor has expressly agreed in this Agreement that it may not unreasonably withhold or delay its consent or approval.

(k) **Time.** Time is of the essence as to all provisions in this Agreement in which time is a factor.

(l) **Exhibits.** The exhibits attached to this Agreement are incorporated herein. If any exhibit is inconsistent with the terms of this Agreement, the provisions of the Exhibit will govern. The Exhibits to this Agreement are:

EXHIBIT A  Description of Baltimore Parcel  
EXHIBIT B  Description of Woodward Parcel  
EXHIBIT C  Notice of Sublicense Term

16. **Renewal Option.** Sublicensee shall have eighteen (18) options to renew this Agreement (each a "Renewal Option") for eighteen (18) additional terms of five (5) years each (each a "Renewal Term") upon the same terms, covenants and conditions as are contained in this Agreement. Sublicensee must exercise the Renewal Option by giving written notice thereof to Sublicensor at least twelve (12) months prior to the expiration of the Term, as the same may have been renewed (a "Notice"). A Notice shall be effective only if (a) on the date the Notice is given no Default exists, (b) Sublicensee exercises or has exercised its option to renew the Sublease pursuant to the terms thereof for the corresponding Renewal Term thereunder, and (c) Sublicensor exercises or has exercised its option to renew that certain Sublease between Argonaut Building Master Tenant, LLC, as Sublandlord, and Sublicensor, as Subtenant (the "TEF Building Sublease"), of the premises covered by the Sublease for an additional term of ninety (90) years pursuant to the terms of the TEF Building Sublease.

2. PROJECT

2.1 Project. The Land, Building and all other improvements now or hereafter located in or on the Land (excluding the Gymnasium Building (as defined below)) are collectively referred to as the "Project."

2.2 Land. "Land" means the parcels of real property described in Exhibit B, including easements and other rights that benefit or encumber the real property. Sublandlord's interest in the Land may be in fee or leasehold. The Land may be expanded or reduced after the Execution Date.

2.3 Base Building. "Base Building" means Building Structure and Mechanical Systems, collectively, defined as follows:

(a) Building Structure. "Building Structure" means the structural components in the Building, including foundations, floor and ceiling slabs, roofs, exterior walls, exterior glass and mullions, columns, beams, shafts, and emergency stairwells. The Building Structure excludes the Leasehold Improvements (and similar improvements to other premises) and the Mechanical Systems.

"Mechanical Systems" means the mechanical, electronic, physical or informational systems generally serving the Building or other portions of the Project, including the sprinkler, plumbing, heating, ventilating, air conditioning, lighting, communications, security, drainage, sewage, waste disposal, vertical transportation, and fire/life safety systems.

2.4 Common Areas. Subtenant will have a non-exclusive right to use the Common Areas subject to the terms of this Sublease. "Common Areas" means those interior and exterior common and public areas on the Land (and appurtenant easements) and in the Building designated by Sublandlord from time to time for the non-exclusive use by Subtenant in common with Sublandlord, other subtenants and occupants, and their employees, agents and invitees. The Common Areas include parking facilities serving the Building that are owned or leased by Sublandlord except for those parking facilities or parking spaces that are from time to time designated or reserved by Sublandlord for the exclusive use of a subtenant or other occupant of the Building or visitors. The Common Areas
do not include the Gymnasium Building. Notwithstanding anything to the contrary contained herein, Subtenant's employees may not park vehicles in any other surface parking lot or other parking facilities located within the Project.

2.5 Premises. Sublandlord subleases to Subtenant the Premises subject to the terms of this Sublease. Except as provided elsewhere in this Sublease, by taking possession of the Premises Subtenant accepts the Premises in its "as is" condition and with all faults, and the Premises are deemed in good order, condition, and repair. The Premises includes the Leaschold Improvements and excludes certain areas, facilities and systems, as follows:

(a) Leaschold Improvements. "Leaschold Improvements" mean all non-structural improvements in the Premises or exclusively serving the Premises, and any structural improvements to the Building made to accommodate Subtenant's particular use of the Premises. The Leaschold Improvements may exist in the Premises as of the Execution Date, or be installed by Sublandlord or Subtenant under this Sublease at the cost of either party, including, but not limited to the work set forth in the attached Exhibit F ("Work Letter"). The Leaschold Improvements include but are not limited to: (1) interior walls and partitions (including those surrounding structural columns entirely or partly within the Premises); (2) the interior one-half of walls that separate the Premises from adjacent areas designated for leasing; (3) the interior drywall on exterior structural walls, and walls that separate the Premises from the Common Areas; (4) stairways and stairwells connecting parts of the Premises on different floors, except those required for emergency exiting; (5) the frames, casements, doors, windows and openings installed in or on the improvements described in (1-4), or that provide entry/exit to/from the Premises; (6) all hardware, fixtures, cabinetry, railings, paneling, woodwork and finishes in the Premises or that are installed in or on the improvements described in (1-5); (7) if any part of the Premises is on the ground floor, the ground floor exterior windows (including munions, frames and glass); (8) integrated ceiling systems (including grid, panels and lighting); (9) carpeting and other floor finishes; (10) kitchen, rest room, laboratory or other similar facilities that exclusively serve the Premises (including plumbing fixtures, toilets, sinks and built-in appliances); and (11) the sprinkler, plumbing, heating, ventilating, air conditioning, lighting, communications, security, drainage, sewage, waste disposal, vertical transportation, fire/life safety, and other mechanical, electronic, physical or informational systems that exclusively serve the Premises, including the parts of each system that are connected to the Mechanical Systems from the common point of distribution for each system to and throughout the Premises.

(b) Exclusions from the Premises. The Premises do not include: (1) any areas above the finished ceiling or integrated ceiling systems, or below the finished floor coverings that are not part of the Leaschold Improvements, (2) janitor's closets, (3) stairways and stairwells to be used for emergency exiting or as Common Areas, (4) rooms for Mechanical Systems or connection of telecommunication equipment, (5) vertical transportation shafts, (6) vertical or horizontal shafts, risers, chases, flues or ducts, and (7) any easements or rights to natural light, air or view.

(c) Common Areas - "Shared Space". "Shared Space" shall mean that portion of the Common Areas as defined above that are necessary for the continuing conduct of Tenant's Use, including the pick-up/drop off areas located outside of the Building and the parking facilities located within the Project except for those parking facilities or parking spaces that are from time to time designated or reserved by Sublandlord for the exclusive use of a subtenant or other occupant of the Building or visitors. Notwithstanding anything to the contrary contained in this Sublease, Sublandlord shall not be required to maintain Common Areas that do not constitute Shared Space. Pursuant to Section 7.2 of the Sublease, Sublandlord shall be responsible for maintaining the Shared Space. Pursuant to Section 7.2 of the Sublease, except in an emergency, Sublandlord will use commercially reasonable efforts to avoid disrupting Subtenant's permitted use of the Premises in maintaining the Shared Space, including providing alternative access to the Premises if the performance of such maintenance would otherwise prohibit access to the Premises, but shall not be required to employ premium labor.

5560800.19 00194/118572
2.6 **Building Standard.** "Building Standard" means the minimum or exclusive type, brand, quality or quantity of materials Sublandlord designates for use in the Building from time to time. No changes to the Building Standard which would materially affect Subtenant shall be made by Sublandlord without the consent of Subtenant, which consent may not be unreasonably withheld.

2.7 **Subtenant’s Personal Property.** "Subtenant’s Personal Property" means those trade fixtures, furnishings, equipment, work product, inventory, stock-in-trade and other personal property of Subtenant that are not permanently affixed to the Project in a way that they become a part of the Project and will not, if removed, impair the value of the Leaschold Improvements that Subtenant is required to deliver to Sublandlord at the end of the Term under §3.3.

2.8 **Gymnasium Building.** "Gymnasium Building" means that certain building contemplated to be built on the Land that will be used as a gymnasium and initially subleased to Subtenant pursuant to a separate Sublease, including all improvements (including HVAC, electrical, gas, telecommunications and sprinkler systems) in such building.

3. **TERM**

3.1 **Term.** "Term" means the period that begins on the Commencement Date and ends on the Expiration Date, subject to renewal, extension or earlier termination as may be further provided in this Sublease. "Month" means a full calendar month of the Term. If the Commencement Date does not fall on the first day of a month, the initial period from the Commencement Date to the last day of such month shall be the "Partial Month". Notwithstanding anything to the contrary contained in this Sublease, in the event the term of the Prime Lease terminates prior to the expiration or earlier termination of this Sublease, then this Sublease shall terminate simultaneously with the termination of the Prime Lease without any liability of Sublandlord to Subtenant.

(a) **Commencement Date.** The “Commencement Date” means the date that is the earlier of:

(1) The day that Subtenant first conducts business in any part of the Premises; or

(2) The later of:
   (A) The Scheduled Commencement Date, and
   (B) The day that Sublandlord tenders possession of the Premises to Subtenant with the Tenant Improvements Substantially Complete (defined in Work Letter) or that date that Sublandlord would have tendered possession of the Premises but for delay caused by Subtenant.

(b) **Expiration Date.** “Expiration Date” means December 31, 2016.

(c) **Early Occupancy.** Subtenant may not enter the Premises for any purpose until Sublandlord tenders the Premises to Subtenant. If Subtenant conducts business in any part of the Premises before the Scheduled Commencement Date, Subtenant will pay Base and Additional Rent for that period at the rate for the first Month that such Rent is due, without discount or excuse.

(d) **Late Occupancy.** If Sublandlord fails to tender possession of the Premises to Subtenant by the Scheduled Commencement Date, Sublandlord will not be in default of this Sublease. Sublandlord will furnish Subtenant with monthly progress reports showing the status of the construction of the Tenant Improvements and other alterations and improvements to the Project and any material variances from the construction schedule therefor. If at any time it becomes readily apparent that delays in the construction of the Tenant Improvements or other alterations or improvements to the Project will prevent the Sublandlord from tendering possession of the Premises by a date that will allow the middle school and high school to open within the Premises by September 8, 2009, Sublandlord will use its best efforts to identify temporary alternative premises from which a middle school and high school can be operated until the Commencement Date has occurred.

(e) **Confirmation of Term.** Sublandlord shall notify Subtenant of the Commencement Date using a Notice of Sublease Term ("NLT") in the form attached to this Sublease as Exhibit E. Subtenant shall execute and deliver to Sublandlord the NLT within 10 business days after its receipt, but Subtenant’s failure to do so will not reduce Subtenant’s obligations or Sublandlord’s rights under this Sublease.
(f) **Union Labor.** Notwithstanding anything to the contrary contained in this Sublease, Subtenant shall utilize union labor for Subtenant's initial installation of equipment, fixtures and furniture (including Subtenant's Wiring), regardless of whether such installation occurs before or after the Commencement Date.

3.2 **Holdover.** If Subtenant keeps possession of the Premises after the Expiration Date (or earlier termination of this Sublease), without Sublandlord's prior written consent (a "Holdover"), which may be withheld in its sole discretion, then in addition to the remedies available elsewhere under this Sublease or by law, Subtenant will be a tenant-at-sufferance and must comply with all of Subtenant's obligations under this Sublease, except that for each Month of any Holdover, Subtenant will pay 150% of the Base Rent payable for the last Month of the Term (or that would have been payable but for abatement or excuse), without proration for any partial Month of Holdover. Subtenant shall indemnify and defend Sublandlord from and against all claims and damages, both consequential and direct, that Sublandlord suffers due to Subtenant's failure to return possession of the Premises to Sublandlord at the end of the Term. Sublandlord's deposit of Subtenant's Base Rent payment during any Holdover will not constitute Sublandlord's consent to a Holdover, or create or renew any tenancy.

3.3 **Condition on Expiration.**

(a) **Return of the Premises.** At the end of the Term, Subtenant will return possession of the Premises to Sublandlord vacant, free of Subtenant's Personal Property, in broom-clean condition, and with all Leasehold Improvements in good working order and repair (excluding ordinary wear and tear). In addition, Sublandlord may require Subtenant, by notice at least 30 days before the expiration of the Term, to remove (and restore the Premises damaged by removal of) (i) any Subtenant's Wiring, or (ii) any item of Leasehold Improvements or Alterations that Sublandlord required to be removed (or reserved the right to so require) at the time of approval of the installation of same or for which Subtenant failed to obtain Sublandlord's written consent under §8.1(a).

(b) **Correction by Sublandlord.** If Subtenant fails to return possession of the Premises to Sublandlord in the condition required under (a), then Subtenant shall reimburse Sublandlord for the costs incurred by Sublandlord to put the Premises in the condition required under (a), plus an administration fee of five percent (5%) of such costs.

(c) **Abandoned Property.** Subtenant's Personal Property left behind in the Premises after the end of the Term will be considered abandoned. Sublandlord may move, store, retain or dispose of these items at Subtenant's expense, plus an administration fee of five percent (5%) of such expenses.

3.4 **Effectiveness of Sublease.** The effectiveness of this Sublease is contingent upon Prime Landlord obtaining financing for the renovation and improvement of the Project (including the Tenant Improvements) on terms and conditions satisfactory to Prime Landlord in its sole discretion, including but not limited to tax credits, other public incentives, private equity and debt financing. If Sublandlord fails to give Subtenant written notice by October 1, 2008, as such date may be extended in writing by Sublandlord and Subtenant, that such contingency has been satisfied, either party may terminate this Sublease by giving written notice to the other party at any time prior to the time that Sublandlord gives Subtenant written notice that such contingency has been satisfied. The effectiveness of this Sublease is also contingent upon Subtenant, as sublandlord, and Creative Urban Education, Inc. ("CUE"), as subtenant, entering into a sublease of the Premises. If such contingency is not satisfied by October 1, 2008, as such date may be extended in writing by Sublandlord and Subtenant, either party may terminate this Sublease by giving written notice to the other party at any time prior to the satisfaction of this contingency. Upon any termination of this Sublease pursuant to this Section 3.4, neither party shall have any further obligations or liabilities under this Sublease.

4. **RENT**

4.1 **Base Rent.** During the Term, Subtenant shall pay all Base Rent in advance, in equal Monthly installments, on the Commencement Date and thereafter by the 1st of each Month. Base Rent for any Partial Month will be prorated.

4.2 **Additional Rent.** Subtenant's obligation to pay Expenses and Net Direct Cafeteria Costs under this §4.2 is referred to in this Sublease as “Additional Rent.”
Expenses. For each calendar year or partial calendar year falling within the Term, Subtenant shall pay, in the manner described below, Subtenant’s Share of the Expenses for such calendar year or partial calendar year. "Expenses" mean Taxes (as defined below) and the total costs incurred by Sublandlord to operate, manage, administer, equip, secure, protect, repair, replace, refurbish, improve, clean, maintain, decorate and inspect the Project, regardless of whether or not such costs constitute capital expenditures. Expenses that vary with occupancy will be calculated as if the Building is 100% occupied and operating and all such services are provided to all subtenants. If any of the foregoing costs are incurred with respect to both the Project and the Gymnasium Building, Expenses shall not include those portions of such costs that Sublandlord reasonably allocates to the Gymnasium Building.

1) Expenses include but are not limited to:

(A) Standard Services provided under §6.1;

(B) Replacements, repairs and maintenance performed under §7.2;

(C) Insurance maintained under §9.2 (including deductibles paid);

(D) Wages, salaries and benefits of personnel (i) to the extent they render services to the Project, as reasonably determined by Sublandlord, and (ii) are not above the position of Director of Facilities, provided, however, that Expenses shall not include that portion of any such wages, salaries and benefits that are attributable to services provided to other subtenant spaces and not to the Premises;

(E) Costs of operating the Project management office (including reasonable rent);

(F) Costs incurred to comply with insurance requirements or laws; and

(G) The fees and costs payable to a third party property manager.

2) Expenses exclude:

(A) Mortgage payments (principal and interest), and rent payable under the Prime Lease other than rent consisting of amounts payable with respect to taxes, insurance premiums or other expenses relating to the Project (or escrows for any taxes, insurance premiums or other expenses);

(B) Commissions, advertising costs, attorney's fees and costs of improvements in connection with leasing space in the Building;

(C) Costs reimbursed by insurance proceeds or subtenants of the Building (other than as Additional Rent);

(D) Depreciation;

(E) Except for the costs identified in §4.2(b)(1)(F), that portion of the Replacement Costs (as defined below) that are paid by the expenditure of funds from the capital replacement reserve for the Project maintained by Sublandlord. "Replacement Costs" means costs of replacements of portions of the Project required to be capitalized according to sound real estate accounting and management principles, consistently applied;

(F) Collection costs and legal fees paid in disputes with subtenants;

(G) Costs to maintain and operate the entity that is Sublandlord (as opposed to operation and maintenance of the Project);

(H) The Direct Cafeteria Costs. The "Direct Cafeteria Costs" shall mean (i) all sums payable to a third party operator of the cafeteria to be located within the Building ("Cafeteria"), (ii) to the extent not paid to such third party operator, the cost of all materials, supplies and equipment used directly in the operation of the Cafeteria, and (iii) the cost of electricity and gas furnished to the Cafeteria.
which, if not separately submetered, will be reasonably determined by Sublandlord;

(I) The cost of electricity and gas furnished to other subtenant spaces in the Building, including electricity consumed in operating the heat pumps that furnish air conditioning and heat to such other subtenant spaces;

(J) Janitorial services provided to the Premises or other subtenant spaces in the Building; and

(K) Costs incurred solely at the request of, or solely for the benefit of, another subtenant or subtenants.

In no event shall Expenses be reduced by, and Subtenant shall not be entitled to receive all or any portion of, any sums paid by a third party operating the Cafeteria or any other revenues or income derived from the operation of the Cafeteria.

“Taxes” mean (1) real and personal property taxes and assessments (including ad valorem and special assessments) levied on the Project and Sublandlord’s personal property used in connection with the Project; (2) taxes on rents or other income derived from the Project; (3) capital and place-of-business taxes; (4) taxes, assessments or fees in lieu of the taxes described in (1-3); and (5) the reasonable costs incurred to reduce the taxes described in (1-4). Taxes exclude net income taxes and taxes paid under §4.3. Subtenant shall be entitled to receive Subtenant’s Share of reimbursement payments received by Sublandlord pursuant to that certain Reimbursement Agreement between Prime Sublandlord and the City of Detroit Brownfield Redevelopment Authority that are attributable to Taxes for a calendar year or partial calendar year falling within the Term. Subtenant’s Share of any such reimbursement payment shall be applied by Sublandlord to Additional Rent next becoming due until fully applied or if this Sublease has terminated and no Additional Rent is or will become due, remitted to Subtenant. Taxes shall not include that portion of the Taxes described in (1) and (4) above that is attributable to the Gymnasium Building, as reasonably determined by Sublandlord.

(b) Net Direct Cafeteria Costs. For each Lease Year, Subtenant shall pay, in the manner described below, Subtenant's Cafeteria Share (as defined below) of the Net Direct Cafeteria Costs for the Lease Year. “Net Direct Cafeteria Costs” means the amount, if any, by which the Direct Cafeteria Costs for a Lease Year exceed the Cafeteria Revenues for such Lease Year. “Cafeteria Revenues” means the sums received by Sublandlord from a third party operating the Cafeteria and any other revenues received by Sublandlord that are derived from the operation of the Cafeteria. If the Cafeteria Revenues for any Lease Year exceed the Direct Cafeteria Costs for such Lease Year, Subtenant’s Cafeteria Share of such excess shall be applied by Sublandlord to Additional Rent next becoming due until fully applied or if this Sublease is terminated and no Additional Rent is or will become due, remitted to Subtenant. “Subtenant's Cafeteria Share” means (i) if CUE or a successor or assignee thereof is subleasing all or a portion of the Premises, the percentage that Sublandlord, acting reasonably and in good faith, determines annually (or on a more frequent basis if Sublandlord so elects) reflects the estimated usage of the Cafeteria by CUE or its successor or assignee thereof and all the occupants of the Premises and their respective agents, contractors, employees and invitees (including students) in relation to the total estimated usage of the Cafeteria by all such persons or entities and their respective agents, contractors, employees and invitees and the College for Creative Studies and its agents, contractors, employees and invitees (including students); (ii) if CUE or its successor or assignee thereof is not subleasing any portion of the Premises and one or more persons or entities (including Subtenant or any successor or assignee thereof) are occupying all or any portion of the Premises, the percentage that Sublandlord and Subtenant, acting reasonably and in good faith, agree reflects the estimated usage of the Cafeteria by all such persons or entities and their respective agents, contractors, employees and invitees (including students) in relation to the total estimated usage of the Cafeteria by all such persons or entities and their respective agents, contractors, employees and invitees and the College for Creative Studies and its agents, contractors, employees and invitees (including students), or (iii) zero percent (0%) if no portion of the Premises is occupied by any person or entity. If (ii) of this subsection (b) is applicable, no person or entity occupying the Premises or any portion thereof
may use or have access to the Cafeteria until such time as Sublandlord and Subtenant have agreed upon Subtenant's Cafeteria Share.

(c) Estimates. Sublandlord will reasonably estimate Additional Rent each calendar year that Additional Rent may be payable. Subtenat will pay the estimated Additional Rent in advance, in equal monthly installments, by the first day of each Month. Sublandlord may reasonably revise its estimate during a calendar year and Subtenant will pay the monthly installments based on the revised estimate, commencing 30 days following the date of such revision. In addition, if Sublandlord incurs an Expense not anticipated by Sublandlord, Sublandlord may invoice Subtenant for Subtenant's share of such Expense (a “Special Assessment”), and Subtenant shall pay Subtenant's share of such Special Assessment within thirty (30) days after Subtenant's receipt of such invoice. The aggregate estimates of Additional Rent and all Special Assessments payable by Subtenant in a calendar year are the “Estimated Additional Rent.”

(d) Settlement. As soon as practical after the end of each calendar year that Additional Rent is payable, Sublandlord will give Subtenant a statement of the actual Additional Rent for the calendar year. The statement of Additional Rent is conclusive, binds Subtenant, and Subtenant waives all rights to contest the statement, except for items of Additional Rent to which Subtenant objects by notice to Sublandlord given within 90 days after receipt of Sublandlord’s statement; however, Subtenant’s objection will not relieve Subtenant from its obligation to pay Additional Rent pending resolution of any objection. If the Additional Rent exceeds the Estimated Additional Rent for the calendar year, Subtenant shall pay the difference to Sublandlord in a lump sum as Rent within 30 days after receipt of Sublandlord’s statement of Additional Rent. If the Estimated Additional Rent paid by Subtenant exceeds the Additional Rent for the calendar year, then Sublandlord shall credit the overpayment against Rent next due. However, if the Term ends during a calendar year, Sublandlord may, in Sublandlord’s sole discretion, elect to either: (1) forego the settlement of Additional Rent for the calendar year that is otherwise required and accept the Subtenant’s payment of Estimated Additional Rent for such calendar year in satisfaction of Subtenant’s obligations to pay Additional Rent for the final calendar year, or (2) have Sublandlord’s and Subtenant’s obligations under this §4.2(e) survive the end of the Term.

4.3 Other Taxes. Upon demand, Subtenant will reimburse Sublandlord for taxes paid by Sublandlord on (a) Subtenant’s Personal Property, (b) Rent, (c) Subtenant’s occupancy of the Premises, or (d) this Sublease. If Subtenant cannot lawfully reimburse Sublandlord for these taxes, then the Base Rent will be increased to yield to Sublandlord the same amount after these taxes were imposed as Sublandlord would have received before these taxes were imposed.

4.4 Terms of Payment. “Rent” means all amounts payable by Subtenant under this Sublease and the exhibits, including Base Rent, Additional Rent, Premises Janitorial Rent (as hereinafter defined) and Utility Rent (as hereinafter defined). If a time for payment of any item of Rent is not specified in this Sublease, then Subtenant will pay Rent within 30 days after receipt of Sublandlord’s statement or invoice. Unless otherwise provided in this Sublease, Subtenant shall pay Rent without notice, demand, deduction, abatement or setoff, in lawful U.S. currency, at Sublandlord’s Billing Address. Sublandlord will send invoices payable by Subtenant to Subtenant’s Billing Address; however, neither Sublandlord’s failure to send an invoice nor Subtenant’s failure to receive an invoice for Base Rent (and installments of Estimated Additional Rent, estimated Premises Janitorial Rent or estimated Utility Rent) will relieve Subtenant of its obligation to timely pay Base Rent (and installments of Estimated Additional Rent, estimated Premises Janitorial Rent or estimated Utility Rent). Each partial payment by Subtenant shall be deemed a payment on account. No endorsement or statement on any check or any accompanying letter shall constitute an accord and satisfaction, affect Sublandlord’s right to collect the full amount due, or require Sublandlord to apply any payment to other than Rent earliest due. No payment by Subtenant to Sublandlord will be deemed to extend the Term or render any notice, pending suit or judgment ineffective. By notice to the other, each party may change its Billing Address. Any payment made by Subtenant to a lockbox maintained by Sublandlord for receipt of payment of Rent shall not be deemed to have been accepted by Sublandlord provided such payment is returned to Subtenant within ten (10) days after Sublandlord receives notice that the payment has been received into the lockbox.

4.5 Late Payment. If Sublandlord does not receive all or part of any item of Rent when due, then Subtenant shall pay Sublandlord a “Late Charge” of 5% of the overdue amount. Subtenant agrees that the Late
Charge is not a penalty, and will compensate Sublandlord for costs not contemplated under this Sublease that are impracticable or extremely difficult to fix. Sublandlord’s acceptance of a Late Charge does not waive Subtenant’s default.

4.6 Description of Various Expenses and Allocation Methodology. Attached hereto as Exhibit G is a chart which describes various components of Rent or other expenses that the Subtenant is or may incur pursuant to this Sublease, identifies certain services Subtenant may directly contract for with a third party provider in lieu of such services being provided by Sublandlord, and the methodology by which such components of Rent or costs are allocated to Subtenant. Exhibit G is for illustrative purposes only and does not, and is not intended to, identify all components of Rent or costs that may be payable or incurred by Subtenant pursuant to this Sublease. Further, Exhibit G does not, and is not intended to, expand or otherwise alter any of the obligations of Sublandlord or Subtenant under this Sublease or otherwise modify or amend any of the terms or provisions of this Sublease and in the event of a conflict between Exhibit G and this Sublease, this Sublease shall control.

5. USE & OCCUPANCY

5.1 Use. Subtenant shall use and occupy the Premises only for the Use and for no other purpose without Sublandlord’s written consent, which consent may be withheld in Sublandlord’s sole and absolute discretion. Sublandlord does not represent or warrant that the Project is suitable for the conduct of Subtenant’s particular business.

5.2 Compliance with Laws and Directives.

(a) Subtenant’s Compliance. Subject to the remaining terms of this Sublease, Subtenant shall comply at Subtenant’s expense with all directives of Sublandlord’s insurers, governing authorities or laws concerning:

1. The Leasehold Improvements and Alterations,
2. Subtenant’s use or occupancy of the Premises,
3. Subtenant’s employer/employee obligations,
4. A condition created by Subtenant, or its Affiliates, or any of their respective agents, employees, contractors, or invitees,
5. Subtenant’s failure to comply with this Sublease,
6. The negligence of Subtenant or its Affiliates or any of their respective agents, employees, invitees or contractors, or
7. Any chemical wastes, contaminants, pollutants or substances that are hazardous, toxic, infectious, flammable or dangerous, or regulated by any local, state or federal statute, rule, regulation or ordinance for the protection of health or the environment, including but not limited to any applicable provisions under the Natural Resources and Environmental Protection Act of 1994 (Act 451), Part 201, including the Administrative Rules promulgated thereunder as most recently amended on December 21, 2002 ("Hazardous Materials") that are introduced to the Project, handled or disposed by Subtenant or its Affiliates, or any of their respective agents, employees, invitees or contractors.

(b) Environmental Provisions.

1. Subtenant shall not "treat", "store" or "dispose" of any "hazardous substances," "hazardous wastes" or "toxic substances" as those terms are defined under CERCLA, 42 U.S.C. 9601, et seq., RCRA 42 U.S.C. 6901, et seq., or TSCA, 15 U.S.C. 2601, et seq., or under similar Michigan law on, at or below the Premises or Project.

2. Use of ground water at, in or under the Project, including potable and non-potable uses, is prohibited.
(c) **Sublandlord’s Compliance.** The cost of Sublandlord’s compliance with all directives of Sublandlord’s insurers, governing authorities or laws concerning the Project, other than those that are Subtenant’s obligation under subsection (a), will be included in Expenses.

5.3 **Occupancy.** Subtenant shall not interfere with Building services or other subtenants’ rights to quietly enjoy their respective premises or the Common Areas. Subtenant shall not make or continue a nuisance, including any objectionable odor, noise, fire hazard, vibration, or wireless or electromagnetic transmission. Subtenant will not maintain any Leasehold Improvements or use the Premises in a way that increases the cost of insurance required under §9.2, or requires insurance in addition to the coverage required under §9.2.

6. **SERVICES & UTILITIES**

6.1 **Standard Services.**

(a) **Standard Services Defined.** “Standard Services” mean:

1. Heating, ventilation and air-conditioning (“HVAC”) during Business Hours (and, with respect to the Premises, during any non-Business Hours if Subtenant furnishes Sublandlord with a request therefor at least twenty-four (24) hours prior to the commencement of such non-Business Hours) as reasonably required to comfortably use and occupy the Premises and interior Common Areas;

2. Tempered water from the public utility for use in Common Areas rest rooms and rest rooms and kitchen areas located within the Premises;

3. Janitorial services to the interior Common Areas 5 days a week, except Holidays, to the extent reasonably determined by Sublandlord;

4. Access to the Premises (by at least 1 passenger elevator if not on the ground floor); and

5. Electricity from Sublandlord’s selected provider(s) for Common Areas lighting, Building Standard light fixtures in the Premises and to convenience outlets in the Premises for the operation of customary quantities and types of office equipment, however, the connected load in the Premises will not at any time exceed 5 watts per RSF of the Premises.

(b) **Standard Services Provided.** During the Term, Sublandlord shall provide the Standard Services to Subtenant, except as provided in this Article 6. The cost of the Standard Services is included in Expenses except for the cost of electricity and gas separately submetered to subtenant spaces and the cost of electricity and gas included within the definition of Direct Cafeteria Costs. Sublandlord is not responsible for any inability to provide Standard Services due to either: the concentration of personnel or equipment in the Premises; or Subtenant’s use of equipment in the Premises that is not customary office equipment, has special cooling requirements, or generates heat.

6.2 **Additional Services.** Unless Subtenant obtains Sublandlord’s prior written consent, Subtenant will not use utilities or services in excess of the Standard Services. If Sublandlord so consents, Sublandlord may provide utilities and services in excess of the Standard Services subject to the following:

(a) **Lighting.** Sublandlord will furnish both Building Standard and non-Building Standard lamps, bulbs, ballasts and starters that are part of the Leasehold Improvements for purchase by Subtenant at Sublandlord’s cost, plus Sublandlord’s administration fee of 5%. Sublandlord will install Building Standard and non-Building Standard items at Sublandlord’s scheduled rate for this service.

(b) **Other Utilities and Services.** Subtenant will pay as Rent the actual cost of utilities or services (other than lighting addressed in (a)) either used by Subtenant or provided at Subtenant’s request in excess of that provided as part of the Standard Services, plus Sublandlord’s administration fee of 5%. Subtenant’s excess consumption may be estimated by Sublandlord unless either Sublandlord requires or Subtenant elects to install Building Standard meters to measure Subtenant’s consumption.
Additional Systems and Metering. Sublandlord may require Subtenant, at Subtenant’s expense, to upgrade or modify existing Mechanical Systems serving the Premises or the Leasehold Improvements to the extent necessary to meet Subtenant’s excess requirements (including installation of Building Standard meters to measure the same).

Premises Janitorial Services. Sublandlord shall provide Subtenant with a schedule of janitorial services that Sublandlord is willing to provide to the Premises and the charges therefor, which services and charges may be modified from time to time by Sublandlord. Sublandlord shall furnish those services set forth in the schedule which Subtenant elects from time to time to have Sublandlord furnish and Subtenant shall pay to Sublandlord as Rent, in the manner described below, the charges for the janitorial services selected by Subtenant ("Premises Janitorial Rent"). Sublandlord will reasonably estimate the Premises Janitorial Rent each calendar year that Premises Janitorial Rent may be payable. Subtenant will pay the estimated Premises Janitorial Rent in advance, in equal monthly installments, on the first day of each month, subject to adjustments as provided below. Sublandlord may reasonably revise this estimate during the calendar year and Subtenant will pay the monthly installments based on the revised estimate, commencing 30 days following the date of such revision, subject to adjustments provided below. Within a reasonable period of time after the end of each calendar quarter, Sublandlord shall determine the actual Premises Janitorial Rent for such calendar quarter and shall furnish Subtenant with an invoice reflecting the actual Premises Janitorial Rent for such period. If the actual Premises Janitorial Rent for such period exceeds the aggregate amount of the estimated installments of Premises Janitorial Rent for such period, Subtenant shall pay an amount equal to such excess with the next installment of estimated Premises Janitorial Rent that becomes due. If the aggregate amount of installments of estimated Premises Janitorial Rent for such period exceeds the actual Premises Janitorial Rent for such period, the excess shall be credited against the next installment of estimated Premises Janitorial Rent that becomes due.

6.3 Utilities Billing. Subtenant’s total consumption of electricity in the Premises, including lighting, and convenience outlets, electricity consumed in operating the heat pumps that furnish air conditioning and heat to the Premises, and gas furnished to the Premises shall be separately submetered to the Premises. Subtenant shall pay to Sublandlord as Rent, in the manner described below, the actual cost of all such electricity and gas based on readings of such submeters by Sublandlord ("Utility Rent"). Sublandlord will reasonably estimate Utility Rent each calendar year that Utility Rent may be payable. Subtenant will pay the estimated Utility Rent in advance, in equal monthly installments, by the first day of each month, subject to adjustment as provided below. Sublandlord may reasonably revise this estimate during a calendar year and Subtenant will pay the monthly installments based on the revised estimate, commencing thirty (30) days following the date of such revision, subject to adjustment as provided below. Based on monthly readings of the submeters by Sublandlord, Sublandlord shall determine the actual Utility Rent for each calendar quarter and shall furnish Subtenant with an invoice reflecting the actual Utility Rent for such period. If the actual Utility Rent for such period exceeds the aggregate amount of installments of estimated Utility Rent for such period, Subtenant shall pay an amount equal to such excess with the next installment of estimated Utility Rent that becomes due. If the aggregate amount of installments of estimated Utility Rent for such period exceeds the actual Utility Rent for such period, the excess shall be credited against the next installment of estimated Utility Rent that becomes due.

6.4 Telecommunication Services. Subtenant will contract directly with third party providers and will be solely responsible for paying for all telephone, data transmission, video and other telecommunication services ("Telecommunication Services") subject to the following:

(a) Providers. Each Telecommunication Services provider that does not already provide service to the Building shall be subject to Sublandlord’s approval, which Sublandlord may withhold in Sublandlord’s reasonable discretion. Without liability to Subtenant, the license of any Telecommunication Services provider servicing the Building may be terminated under the terms of the license, or not renewed upon the expiration of the license. Notwithstanding the foregoing, at all times during the term of this Sublease, there shall be Sublandlord approved providers of all Telecommunication Services to the Building.

(b) Subtenant’s Wiring. Sublandlord may, in its sole discretion, designate the location of all wires, cables, fibers, equipment, and connections ("Subtenant’s Wiring") for Subtenant’s
Telecommunication Services, and restrict and control access to telephone cabinets and rooms. Subtenant may not use or access the Base Building, Common Areas or roof for Subtenant’s Wiring without Sublandlord’s prior written consent, which Sublandlord may withhold in Sublandlord’s sole discretion, or for which Sublandlord may charge a fee determined by Sublandlord.

(c) No Beneficiaries. This §6.4 is solely for Subtenant’s benefit, and no one else shall be considered a beneficiary of these provisions.

6.5 Special Circumstances. Without breaching this Sublease or creating any liability on the part of Sublandlord, Sublandlord may, on notice or discontinuance of any utility or services Sublandlord provides under this Article 6 or which are obtained by Subtenant under this Article 6 under any of the following circumstances: (a) in an emergency; (b) to comply with laws or to conform to voluntary government or industry guidelines; (c) to repair and maintain the Premises under §7.2; or (d) to modify, renovate or improve the Premises under §8.2. Sublandlord shall not be liable in any manner for any interruption in services to be provided by Sublandlord or obtained by Subtenant under this Article 6; provided, however, that in the event of anticipated disruptions in any of the foregoing services that may result from the activities of Sublandlord or its agents described above, Subtenant shall be given as much notice as is reasonably practicable of the anticipated disruption of such service.

7. REPAIRS

7.1 Subtenant’s Repairs. Except as provided in Articles 10 and 12, during the Term Subtenant shall, at Subtenant’s cost, repair, maintain and replace, if necessary, the Leasehold Improvements and keep the Premises in good order, condition and repair. Subtenant’s work under this §7.1 must be (a) approved by Sublandlord before commencement, (b) supervised by Sublandlord at Subtenant’s expense, if Sublandlord reasonably so requires, and (c) performed in compliance with law and in a first-class manner with materials of at least Building Standard. If Subtenant fails to perform any of its obligations under this §7.1, then Sublandlord may perform such obligations and Subtenant will pay as Rent to Sublandlord the cost of such performance, including an amount sufficient to reimburse Sublandlord for overhead and supervision, within 10 days after the date of Sublandlord’s invoice. For purpose of performing such obligations, or to inspect the Premises, Sublandlord may enter the Premises upon not less than two days’ prior notice to Subtenant (except in cases of actual or suspected emergency, in which case no prior notice will be required) without liability to Subtenant for any loss or damage incurred as a result of such entry, provided that Sublandlord will take reasonable steps in connection with such entry to minimize any disruption to Subtenant’s business or its use of the Premises. Subtenant will notify Sublandlord promptly after Subtenant learns of (x) any fire or other casualty in the Premises, (y) any damage to or defect in the Premises, including the fixtures and equipment in the Premises, for the repair of which Sublandlord might be responsible, and (z) any damage to or defect in any parts or appurtenances of the Building’s sanitary, electrical heating, air conditioning, elevator or other systems located in or passing through the Premises.

7.2 Sublandlord’s Repairs. Except as provided in Articles 10 and 12, during the Term Sublandlord shall repair, maintain and replace, if necessary, all parts of the Project that are not Subtenant’s responsibility under §7.1, or any other subtenant’s responsibility under their respective sublease, including periodic washing of the exterior side of exterior windows of the Building, and otherwise keep the Project in good order and condition according to the standards prevailing for comparable buildings in the area in which the Building is located. Except in an emergency, Sublandlord will use commercially reasonable efforts to avoid disrupting Subtenant’s permitted use of the Premises in performing Sublandlord’s duties under this §7.2, but shall not be required to employ premium labor. Subtenant may not repair or maintain the Project on Sublandlord’s behalf or offset any Rent for any repair or maintenance of the Project that is undertaken by Subtenant.

8. ALTERATIONS

8.1 Alterations by Subtenant. “Alterations” mean any modification, addition or improvement to the Premises or Leasehold Improvements made by Subtenant, including any modification to the Base Building or Common Areas required by law or governing authority as a condition of performing the work. Alterations do not include work performed under a Work Letter that is part of this Sublease. Alterations are made at Subtenant’s sole cost and expense, subject to the following:

(a) Consent Required. All Alterations require Sublandlord’s prior written consent. If a Design Problem exists, Sublandlord may withhold its consent in Sublandlord’s sole discretion; otherwise,
Sublandlord will not unreasonably withhold its consent. Unless Subtenant obtains Sublandlord’s prior written consent to the Alterations becoming part of the Premises to be tendered to Sublandlord on termination of the Sublease, Sublandlord may require Subtenant to remove Alterations and restore the Premises under §3.3 upon termination of this Sublease.

(b) Design Problem Defined. “Design Problem” means a condition that results, or will result, from work proposed, being performed or that has been completed that either:

(1) Does not comply with laws;
(2) Does not meet or exceed the Building Standard;
(3) Exceeds the capacity, adversely affects, is incompatible with, or impairs Sublandlord’s ability to maintain, operate, alter, modify or improve the Base Building;
(4) Affects the exterior appearance of the Building or Common Areas;
(5) Violates any agreement affecting the Project;
(6) Costs more to demolish than Building Standard improvements;
(7) Violates any insurance regulations or standards for a fire-resistive office building;
(8) Causes a “work of visual art” to become “incorporated in or made part of a building” (as defined in the Visual Artists Rights Act of 1990, “VARA”); or
(9) Locates any equipment, Subtenant’s Wiring or Subtenant’s Personal Property on the roof of the Building, in Common Areas or in telecommunication or electrical closets.

(c) Performance of Alterations. Alterations shall be performed by Subtenant in a good and workmanlike manner according to plans and specifications approved by Sublandlord. All Alterations shall comply with law and insurance requirements. Sublandlord’s designated contractors must perform Alterations affecting the Base Building or Mechanical Systems; and, all other work will be performed by qualified contractors that meet Sublandlord’s insurance requirements and are otherwise approved by Sublandlord. Promptly after completing Alterations, Subtenant will deliver to Sublandlord “as-built” CAD plans, proof of payment, and unconditional waivers of lien from all contractors, subcontractors, sub-subcontractors and suppliers.

(d) Bonding. If requested by Sublandlord, before commencing Alterations Subtenant shall at Subtenant’s cost obtain bonds, or deposit with Sublandlord other security acceptable to Sublandlord for the payment and completion of the Alterations. These bonds or other security shall be in form and amount acceptable to Sublandlord.

(e) Alterations Fee. Subtenant shall pay Sublandlord, as Rent, the commercially reasonable hourly rates charged from time to time by Sublandlord for personnel to review Subtenant’s plans for, and coordinate construction of, any Alterations (“Alterations Fee”), provided, however, that if the total cost of any such Alterations will exceed $100,000, the Alterations Fee with respect to such Alterations shall not exceed two percent (2%) of the total cost of such Alterations. In addition, Subtenant shall reimburse Sublandlord for the actual cost that Sublandlord reasonably incurs to have engineers, architects or other professional consultants review Subtenant’s plans and work in progress, or inspect the completed Alterations.

8.2 Alterations by Sublandlord. Sublandlord may modify, renovate or improve the Project as Sublandlord deems appropriate, provided Sublandlord uses commercially reasonable efforts to avoid disrupting Subtenant’s permitted Use of the Premises.

8.3 Liens and Disputes. Subtenant will keep title to the Project free of any liens concerning the Leasehold Improvements, Alterations, or Subtenant’s Personal Property, and will promptly take whatever action is required to have any of these liens released and removed of record (including, as necessary, posting a bond or other deposit). To the extent legally permitted, each contract and subcontract for Alterations will provide that no lien attaches to or may be claimed against the Project. Subtenant will indemnify Sublandlord for costs and expenses that Sublandlord reasonably incurs because of Subtenant’s violation of this §8.3.
9. INSURANCE

9.1 Subtenant's Insurance.

(a) Subtenant's Coverage. Before taking possession of the Premises for any purpose (including construction of any Alterations, if any) and during the Term, Subtenant will provide and keep in force, or shall cause any subtenant of Subtenant to provide and keep in force, the following coverage:

(1) Commercial general liability insurance insuring Subtenant's use and occupancy of the Premises and use of the Project, and covering personal and bodily injury, death, and damage to others' property of not less than the Liability Limit. Each of these policies shall include cross liability and severability of interests clauses, and be written on an occurrence, and not claims-made, basis. Each of these policies shall name Sublandlord, Prime Landlord, the Building property manager, each secured lender, and any other party reasonably designated by Sublandlord as an additional insured ("Additional Insured"). The commercial general liability insurance carried by Sublandlord or other Additional Insureds pursuant to the terms of this Sublease shall be non contributing and Subtenant's commercial general liability insurance shall be primary to any such insurance carried by Sublandlord or other Additional Insureds.

(2) All risk insurance (including standard extended coverage endorsement perils, leakage from fire protective devices and other water damage) covering the full replacement cost of the Leasehold Improvements and Subtenant's Personal Property. Each of these policies shall name Sublandlord and each Additional Insured as loss payee to the extent of their interest in the Leasehold Improvements. Each of these policies shall include a provision or endorsement in which the insurer waives its right of subrogation against Sublandlord and each Additional Insured.

(3) Insurance covering the perils described in (2) for Subtenant's loss of income or insurable gross profits with a limit not less than Subtenant's annual Rent.

(4) If any boiler or machinery is operated solely to provide service to the Premises, boiler and machinery insurance, with a limit of at least the Liability Limit.

(5) Insurance required by law, including workers' compensation insurance.

(6) Employers liability insurance with limits not less than $1 million/each accident; $1 million/disease - each employee; $1 million/disease – aggregate.

(7) Commercial automobile liability insurance covering all owned, hired, and non-owned vehicles with a combined single limit of not less than $1 million for each accident or person.

(8) Insurance covering the Leasehold Improvements and Subtenant's Personal Property against loss or damage due to earthquake or difference in conditions perils. Subtenant may elect to self-insure this coverage. If Subtenant does not elect to self-insure this coverage, then each of these policies shall name Sublandlord and each Additional Insured a loss payee to the extent of their interest in the Leasehold Improvements.

(b) Insurers and Terms. Each policy required under (a) shall be written with insurance companies licensed to do business in the state in which the Building is located having a rating of not less than A+ and a Financial Size Class ("FSC") of at least VIII by A. M. Best Company, and be on terms that are acceptable to Sublandlord.

(c) Proof of Insurance. Subtenant shall provide Sublandlord with certificates of insurance or other reasonable proof that the coverage required under (a) is in effect. Subtenant will provide reasonable proof of renewal or replacement at least 30 days prior to any policy expiration. Failure of Subtenant to provide any insurance required by this Sublease shall not be construed as a waiver of liability or any limit of damages, the parties expressly agreeing that the requirement to carry insurance does not deem that said insurance is adequate to cover the damages so insured.
Waiver of Subrogation. Each policy required under (a) shall include a provision or endorsement in which the insurer waives its right of subrogation against Sublandlord and each Additional Insured.

9.2 Sublandlord’s Insurance.

(a) Sublandlord’s Coverage. During the Term, Sublandlord will provide and keep in force the following coverage:

(1) Commercial general liability insurance.

(2) All risk insurance (including standard extended coverage endorsement perils, leakage from fire protective devices and other water damage) covering the Project improvements (excepting the Leasehold Improvements to be insured by Subtenant or other subtenants). Each of these policies shall include a provision or endorsement in which the insurer waives its right of subrogation against Subtenant.

(3) Insurance covering the perils described in (2) for Sublandlord’s loss of rental income or insurable gross profits. Each of these policies shall include a provision or endorsement in which the insurer waives its right of subrogation against Subtenant.

(4) Boiler and machinery insurance.

(5) Other insurance that Sublandlord elects to maintain.

(b) Terms. Each of the policies required under (a) will have those limits, deductibles, retentions and other terms that Sublandlord prudently determines.

10. DAMAGE OR DESTRUCTION

10.1 Damage and Repair. If all or any part of the Project is damaged by fire or other casualty, then the parties will proceed as follows:

(a) Sublandlord’s Estimates. Sublandlord will assess the damage to the Project (but not the Leasehold Improvements) and notify Subtenant of Sublandlord’s reasonable estimate of the time required to substantially complete repairs and restoration of the Project ("Repair Estimate"). Within 30 days after the later of the casualty, issuance of the Repair Estimate, receipt of any denial of coverage or reservation of rights from Sublandlord’s insurer, or receipt of notice from the holder of any Encumbrance (as defined in § 14.2) that all or any portion of the insurance proceeds will be used to retire the debt secured by such Encumbrance, Sublandlord may terminate the Sublease by written notice to Subtenant if:

(1) The Repair Estimate exceeds 270 days; or

(2) The damage or destruction occurs in the last 12 Months of the Term; or

(3) The repair and restoration is not fully covered by insurance maintained or required to be maintained by Sublandlord (subject only to those deductibles or retentions Sublandlord elected to maintain) or Sublandlord’s insurer denies coverage or reserves its rights on coverage; or

(4) The holder of any Encumbrance requires that all or a portion of the insurance proceeds be used to retire the debt secured by such Encumbrance or the damage is caused by a casualty not covered by the insurance required to be maintained by Sublandlord under § 9.2(a)(ii).

(b) Repairs. If Sublandlord does not terminate the Sublease under (a), then the Sublease shall remain in full force and effect and the parties will proceed as follows:

(1) Sublandlord will repair and restore the Project (but not Leasehold Improvements or any other improvements which any other subtenant is required to restore under its sublease) to the condition existing prior to such damage, except for modifications required by law. Sublandlord will perform such work with reasonable promptness, subject to delay for loss adjustment, delay caused by Subtenant and Force Majeure.
Subtenant will repair and restore the Leasehold Improvements with reasonable promptness to the condition existing prior to such damage, but not less than current Building Standards, except for modifications required by law.

10.2 Rent Abatement. If as a result of the damage or destruction under §10.1 any part of the Premises becomes Untenantable, which shall mean the Subtenant is actually unable to use all or any portion of the Premises in the normal conduct of its business, and Subtenant does not actually use the Untenantable part of the Premises for more than 3 consecutive business days, then Subtenant’s Base Rent and Additional Rent for the Untenantable part of the Premises not used by Subtenant shall, to the extent Sublandlord receives the proceeds of loss of rental income insurance, be abated from the 4th consecutive business day until the earlier of the date (a) the damaged or destroyed part of the Premises becomes tenantable, or (b) 15 days after Sublandlord completes its required repairs and restoration. Subtenant’s sole remedy against Sublandlord for damage or destruction of any part of the Project is abatement of Base Rent and Additional Rent under this §10.2, and Sublandlord will not be liable to Subtenant for any other amount, including damages to Subtenant’s Personal Property, consequential damages, actual or constructive eviction, or abatement of any other item of Rent.

11. INDEMNITY

11.1 Claims. “Claims” mean any and all liabilities, losses, claims, demands, damages or expenses that are suffered or incurred by a party, including attorneys’ fees reasonably incurred by that party in the defense or enforcement of the rights of that party.

11.2 Sublandlord’s Waivers and Subtenant’s Indemnity.

(a) Sublandlord’s Waivers. Sublandlord waives any Claims against Subtenant and its Affiliates for perils insured or required to be insured by Sublandlord under subsections (2) and (3) of §9.2(a), except to the extent caused by the gross negligence or willful misconduct of Subtenant or its Affiliates.

(b) Subtenant’s Indemnity. Unless waived by Sublandlord under §11.2(a), Subtenant will indemnify and defend Sublandlord and Prime Landlord and their respective Affiliates and hold each of them harmless from and against Claims arising from:

(1) Any accident or occurrence on or about the Premises, except to the extent caused by Sublandlord's or Prime Landlord's or any of their respective Affiliate's gross negligence or willful misconduct; or

(2) Subtenant’s negligence or willful misconduct; or

(3) Any claim for commission or other compensation by any person for services rendered to Subtenant in procuring this Sublease.

11.3 Subtenant’s Waivers and Sublandlord’s Indemnity.

(a) Subtenant’s Waivers. Subtenant waives any Claims against Sublandlord and Prime Landlord and their respective Affiliates for:

(1) Perils insured or required to be insured by Subtenant under subsections (2), (3) and (8) of §9.1(a), except to the extent caused by the gross negligence or willful misconduct of Sublandlord or Prime Landlord or their respective Affiliates, but in all events Subtenant waives any Claims for any special or consequential damages (such as interruption of business, loss of income, or loss of opportunity); or

(2) Damage caused by any public utility, public work, other subtenants or occupants of the Project, or persons other than Sublandlord or Prime Landlord; or

(3) Damages in excess of the insurance Sublandlord maintains under §9.1.

(b) Sublandlord’s Indemnity. Unless waived by Subtenant under (a), Sublandlord will indemnify and defend Subtenant and its Affiliates and hold each of them harmless from and against Claims arising from:

(1) Sublandlord’s gross negligence or willful misconduct; or
Any claim for commission or other compensation by any person for services rendered to Sublandlord in procuring this Sublease.

11.4 Affiliates Defined. "Affiliates" means with respect to a party (a) that party's partners, co-members and joint venturers, (b) each corporation or other entity that is a parent or subsidiary of that party, (c) each corporation or other entity that is controlled by or under common control of a parent of such party, and (d) the directors, officers, employees and agents of that party and each person or entity described in this §11.4(a-c).

11.5 Survival of Waivers and Indemnities. Sublandlord's and Subtenant's waivers and indemnities under §11.2 and §11.3 will survive the expiration or early termination of this Sublease.

12. CONDEMNATION

12.1 Taking. "Taking" means acquiring of all or part of the Project for any public or quasi-public use by exercise of a right of eminent domain or under any other law, or any sale in lieu thereof. If a Taking occurs:

(a) Total Taking. If because of a Taking substantially all of the Premises are Untenantable for substantially all of the remaining Term, then the Sublease terminates on the date of the Taking.

(b) Partial Taking. If a Taking does not cause the Sublease to be terminated under (a), then Sublandlord will restore (and alter, as necessary) the Premises to be tenantable, unless the Sublease is terminated by either Sublandlord or Subtenant under the following circumstances:

(1) Sublandlord may terminate the Sublease upon 60 days prior written notice to Subtenant if Sublandlord reasonably determines that it is uneconomical to restore or alter the Premises to be tenantable.

(2) Subtenant may terminate the Sublease upon 60 days prior written notice to Sublandlord if the Taking causes more than 40% of the Premises to be Untenantable for the remainder of the Term and Subtenant cannot reasonably operate Subtenant's business for the Use in the remaining Premises.

(c) If the Sublease is not terminated under (a) or (b), the Rent will be reduced for the term of the Taking based upon the RSF of the Premises made Untenantable by the Taking.

12.2 Awards. Sublandlord is entitled to the entire award for any claim for a taking of any interest in this Sublease or the Project, without deduction or offset for Subtenant's estate or interest; however, Subtenant may make a claim for relocation expenses and damages to Subtenant's Personal Property and business to the extent that Subtenant's claim does not reduce Sublandlord's award.

13. SUBTENANT TRANSFERS

13.1 Transfer Defined. "Transfer" means any:

(a) Sublease of all or part of the Premises, or assignment, mortgage, hypothecation or other conveyance of an interest in this Sublease;

(b) Use of the Premises by anyone other than Subtenant with Subtenant's consent;

(c) Change in Subtenant's form of organization (e.g., a change from a partnership to limited liability company);

(d) Transfer of 51% or more of Subtenant's assets, shares (except shares transferred in the normal course of public trading), membership interests, partnership interests or other ownership interests; or

(e) Transfer of effective control of Subtenant.

13.2 Consent Required. Except as provided in Section 13.5 hereof, each proposed Transfer requires Sublandlord's prior written consent, which consent may be withheld in Sublandlord's sole and absolute discretion except as otherwise provided below, in which case the parties will proceed as follows:

(a) Subtenant's Notice. Subtenant shall notify Sublandlord at least 30 days prior to the proposed Transfer of the name and address of the proposed transferee and the proposed use of the Premises, and include in the notice the Transfer documents and, in the case of an assignment of this
Sublease, copies of the proposed transferee’s balance sheets and income statements (both current and for the past 2 years).

(b) Sublandlord’s Rights. Within 30 days after receipt of Subtenant’s complete notice, Sublandlord may:

(1) If the proposed Transfer is either an assignment of this Sublease or sublease of substantially all of the Premises, terminate this Sublease as of the proposed Transfer date, in which case neither Sublandlord nor Subtenant shall have any further obligations or liabilities to the other from and after the date of such termination except for those liabilities or obligations which arose prior to the date of termination or which expressly survive the termination of this Sublease; or

(2) If the proposed Transfer is a sublease of all of the Premises or any part of the Premises that will be separately demised and have its own entrance from the Common Areas, exercise a right of first refusal to sublease such portion of the Premises at the lesser of (A) the Rent (prorated for subletting part of the Premises), or (B) the rent payable in the proposed Transfer; or

(3) Consent or deny consent to the proposed Transfer, provided, however, that Sublandlord shall not unreasonably withhold its consent to a proposed Transfer to a transferee whose proposed use is compatible with an integrated educational community.

13.3 Payments to Sublandlord. Subtenant shall pay Sublandlord 100% of Transfer receipts that exceed Subtenant’s Rent (on a per square foot basis); after Subtenant is reimbursed for Subtenant’s reasonable and customary out-of-pocket costs incurred in the Transfer, including attorneys’ fees, Alterations, and broker commissions.

13.4 Effect of Transfers. No Transfer releases Subtenant or any guarantor of this Sublease from any Sublease obligation. Sublandlord’s acceptance of a payment from any person or entity other than Subtenant that occupies the Premises does not waive Subtenant’s obligations under this Article 13. If Subtenant is in default of this Sublease, Sublandlord may proceed against Subtenant without exhausting any remedies against any transferee and may require (by written notice to any transferee) any transferee to pay Transfer rent owed Subtenant directly to Sublandlord (which Sublandlord will apply against Subtenant’s Sublease obligations). In addition, if any subtenant, pursuant to its sublease with Subtenant, pays directly to Sublandlord any Base Rent (as defined in such sublease), Additional Rent or Utility Rent, such payments shall be credited against the Base Rent, Additional Rent or Utility Rent, whichever is applicable, payable by Subtenant to Sublandlord under this Sublease. Termination of this Sublease for any reason will not result in a merger. Each sublease will be deemed terminated upon termination of this Sublease unless Sublandlord notifies the subtenant in writing of Sublandlord’s election to assume any sublease, in which case the subtenant shall attorn to Sublandlord under the executory terms of the sublease.

13.5 Permitted Transfers. Notwithstanding the foregoing, Subtenant may, without the consent of Sublandlord, (a) sublease all of the Premises to CUE or another person or entity that will use the Premises for a middle school and high school provided that in the case of a subtenant other than CUE, Subtenant shall notify Sublandlord at least thirty (30) days prior to the proposed sublease of the name and address of the proposed subtenant or (b) assign all of its rights, title and interest in and to this Sublease to a successor entity or foundation whose purposes under its constituent documents are the same as those set forth in the constituent documents for Subtenant and which will continue to use the Premises for the permitted Use, provided that Subtenant shall notify Sublandlord at least thirty (30) days prior to the proposed assignment of the name and address of the proposed assignee.

14. SUBLANDLORD TRANSFERS

14.1 Sublandlord’s Transfer. Sublandlord’s right to transfer any interest in the Project or this Sublease is not limited by this Sublease. Upon any such transfer, Subtenant will attorn to Sublandlord’s transferee and Sublandlord will be released from liability under this Sublease, except for any Sublease obligations accruing before the transfer that are not assumed by the transferee.

14.2 Subordination. This Sublease is, and will at all times be, subject and subordinate to the Prime Lease and each ground lease, mortgage, deed to secure debt or deed of trust now or later encumbering the Building.
or any other portion of the Project, including each renewal, modification, supplement, amendment, consolidation or replacement thereof (each, an "Encumbrance"). At Sublandlord’s request, Subtenant will, without charge, promptly execute, acknowledge and deliver to Sublandlord (or, at Sublandlord’s request, the Encumbrance holder) any instrument reasonably necessary to evidence this subordination. Notwithstanding the foregoing, each Encumbrance holder may unilaterally elect to subordinate its Encumbrance to this Sublease.

14.3 Attornment. Subtenant will automatically attorn to any transferee of Sublandlord’s interest in the Project that succeeds Sublandlord by reason of a termination, foreclosure or enforcement proceeding of an Encumbrance, or by delivery of a deed in lieu of any foreclosure or proceeding (a “Successor Sublandlord”). In this event, the Sublease will continue in full force and effect as a direct lease between the Successor Sublandlord and Subtenant on all of the terms of this Sublease, except that the Successor Sublandlord shall not be:

(a) Liable for any obligation of Sublandlord under this Sublease, or be subject to any counterclaim, defense or offset accruing before Successor Sublandlord succeeds to Sublandlord’s interest;

(b) Bound by any modification or amendment of this Sublease made without Successor Sublandlord’s consent;

(c) Bound by any prepayment of more than one Month’s Rent; or

(d) Obligated to perform any improvements to the Premises (or provide an allowance therefor). Upon Successor Sublandlord’s request, Subtenant will, without charge, promptly execute, acknowledge and deliver to Successor Sublandlord any instrument reasonably necessary or required to evidence such attornment.

14.4 Estoppel Certificate. Within 10 days after receipt of Sublandlord’s written request, Subtenant (and each guarantor and transferee of an interest in the Sublease) will execute, acknowledge and deliver to Sublandlord a certificate upon which Sublandlord and each existing or prospective Encumbrance holder may rely confirming the following (or any exceptions to the following):

(a) The Commencement Date and Expiration Date;

(b) The documents that constitute the Sublease, and that the Sublease is unmodified and in full force and effect;

(c) The date through which Base Rent, Additional Rent, and other Rent has been paid;

(d) That neither Sublandlord nor Subtenant is in default of this Sublease;

(e) That Sublandlord has satisfied all Sublease obligations to improve the Premises (or provide Subtenant an allowance therefor) and Subtenant has accepted the Premises;

(f) That Subtenant solely occupies the Premises; and

(g) Such other matters concerning this Sublease or Subtenant’s occupancy that Sublandlord may reasonably require.

15. DEFAULT AND REMEDIES

15.1 Subtenant’s Default. Subtenant is in default ("Default") of this Sublease if any of the following occur:

(a) Subtenant fails to pay Rent when due, and the failure continues for 10 days after notice to Subtenant of the failure.

(b) Subtenant fails to perform a non-monetary Sublease obligation and the failure continues for 20 days after notice to Subtenant of the failure, except that (1) In an emergency Sublandlord may require Subtenant to perform this obligation in a reasonable time of less than 20 days, or (2) If Subtenant begins performing this obligation within 20 days after notice to Subtenant of this failure, but it will reasonably take more than 20 days to complete performing the obligation, then Subtenant will have a reasonable amount of additional time to complete performing the obligation so long as Subtenant diligently pursues the performance of such obligation to completion.

(c) Subtenant consummates a Transfer that violates Article 13.
Subtenant fails to discharge any attachment or levy on Subtenant’s interest in this Sublease within 15 days after the attachment or levy encumbers this Sublease.

Subtenant fails to cause any of the following proceedings to be vacated or dismissed within 60 days after they are commenced: (1) the appointment of a receiver or trustee of the assets of Subtenant or any guarantor of this Sublease, (2) the voluntary or involuntary bankruptcy of Subtenant or any guarantor of this Sublease, or (3) any assignment for the benefit of creditors of the assets of Subtenant or any guarantor of this Sublease.

Subtenant vacates or abandons substantially all of the Premises.

Subtenant is named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

15.2 Remedies. If Default occurs, Sublandlord shall have the rights and remedies set forth in this Sublease which shall be distinct, separate and cumulative and shall not operate to exclude or deprive Sublandlord of any other right or remedy allowed it by law or at equity.

(a) Sublandlord may terminate this Sublease by giving notice to Subtenant of Sublandlord’s election to do so, in which event the Term of this Sublease shall end, and all right, title and interest of Subtenant hereunder shall expire, on the date stated in such notice. In no event shall either re-entry or the taking of possession of the Premises by Sublandlord be construed as an election by Sublandlord to terminate this Sublease. Written notice alone shall be proof of any such election by Sublandlord. No termination of this Sublease shall terminate Subtenant’s obligations under this Sublease to pay Rent, which obligation shall survive such termination.

(b) Sublandlord may terminate Subtenant’s right to possession of the Premises without terminating this Sublease by giving notice to Subtenant that Subtenant’s right to possession shall end on the date stated in such notice, and all right of Subtenant to possession of the Premises or any part thereof shall cease on the date stated in such notice. An election by Sublandlord to terminate Subtenant’s right to possession of the Premises without terminating the Sublease shall not preclude a subsequent election by Sublandlord to terminate the Sublease.

(c) If Sublandlord terminates this Sublease as provided in Section 15.2 (a) or if Sublandlord terminates Subtenant’s right to possession of the Premises as provided in Section 15.2(b), (1) Subtenant shall surrender possession, vacate the Premises and immediately deliver possession to Sublandlord; and (2) Sublandlord may, with due process of law, re-enter and take possession of the Premises without being liable for prosecution for such action or being deemed guilty of any manner of trespass, and without diminishing any remedies for collection of Rent and without relinquishing any other right of Sublandlord.

(d) Sublandlord may enforce the provisions of this Sublease and may enforce and protect the rights of Sublandlord by a suit or suits in equity or at law for the specific performance of any covenant or agreement contained in this Sublease, or for the enforcement of any other appropriate legal or equitable remedy, including recovery of all moneys due or to become due from Subtenant under any of the provisions of this Sublease.

(e) Sublandlord may, but shall not be obligated to, cure Subtenant’s Default by making any payment or performing such other act to the extent Sublandlord may deem desirable. Any such cure by Sublandlord shall be without notice and shall not waive or release Subtenant from any obligation under this Sublease. Subtenant covenants and agrees to pay Sublandlord, upon demand, all advances, costs and expenses incurred by Sublandlord in connection with such cure, including reasonable attorney’s fees, together with interest at the Default Rate, from the date such are incurred by Sublandlord to the date of payment to Sublandlord.

(f) Sublandlord may, without liability to Subtenant or any other party and without constituting a constructive or actual eviction, suspend or discontinue furnishing or rendering to Subtenant any property, material, labor, utilities or other service, wherever Sublandlord is obligated to furnish or render the same so long as a Default exists under this Sublease.
15.3 Remedies for Recovery of Rent and Damages.

(a) If Sublandlord terminates the right of Subtenant to possession of the Premises pursuant to Section 15.2, regardless of whether Sublandlord previously terminated or subsequently terminates this Sublease:

(1) Sublandlord shall be entitled to recover any and all Rent due and unpaid as of the date of repossession by Sublandlord. Subtenant shall immediately pay to Sublandlord all such Rent.

(2) Sublandlord shall be entitled to recover in one lump sum payment all unpaid Rent which would have accrued after the date of possession for the remainder of the then current Term (or if this Sublease has been terminated, what would have been the remainder of the then current Term but for such termination). For purposes of computing the amount of Rent hereunder that would have accrued after the date of repossession by Sublandlord, Subtenant's Share of Expenses and Subtenant's share of Net Direct Cafeteria Costs shall be calculated based on the average rate of increase, if any, in such items from the Commencement Date through the date of repossession. Subtenant shall immediately pay to Sublandlord all such Rent.

(3) Subtenant shall, upon demand, reimburse Sublandlord, with interest at the Default Rate from the date incurred through the date of payment to Sublandlord, the following: Repossession Expenses and Enforcement Costs.

(b) Sublandlord shall not be required to mitigate any of its damages hereunder. If any law shall validly limit the amount of any damages provided for herein to an amount which is less than the amount agreed to herein, Sublandlord shall be entitled to the maximum amount available under such law.

15.4 Definitions.

(a) "Enforcement Costs" shall be all sums, costs, expenses and damages (in addition to Repossession Expenses and including reasonable attorneys' fees) which are incurred by Sublandlord in enforcing Subtenant's obligations under this Sublease or by reason of Subtenant's Default, including without limitation, those arising out of any action brought by Sublandlord against Subtenant to interpret any provision of this Sublease or in connection with a bankruptcy or an assignment for the benefit of creditors.

(b) "Repossession Expenses" are such costs and expenses including, without limitation, reasonable attorneys' fees which Sublandlord may incur, as Sublandlord considers appropriate, in order to recover possession of the Premises.

(c) Reasonable attorneys' fees shall include the value of services provided by counsel employed by Sublandlord or its Affiliates in the amount that Sublandlord would have reasonably incurred if the services had been performed by unaffiliated counsel.

15.5 Interest. If Subtenant at any time fails to make any payment of Rent or of any amounts owed under this Sublease, Sublandlord may recover interest on such amounts at the rate per annum equal to the Prime Rate plus 5% per annum, but in no event in excess of the maximum interest rate permitted by law ("Default Rate"), from the date each amount is due until paid by Subtenant.

15.6 Waivers. Sublandlord and Subtenant expressly waive any right to trial by jury with respect to any proceeding pertaining to this Sublease. No waiver by Sublandlord of any Default of Subtenant shall be implied to affect, and no express waiver shall affect, any Default other than the Default specified in such waiver and that only for the time and to the extent stated.

15.7 Force Majeure. "Force Majeure" means any cause or event beyond the reasonable control of a party to this Sublease, including any act of God, government act or restriction, labor disturbance, general shortage of materials or supplies, riot, insurrection, or act of war or terrorism. Force Majeure excuses a party from performing any non-monetary Sublease obligation for a commercially reasonable time.
15.8 Sublandlord’s Default and Remedies.

(a) Sublandlord will be in “Default” of this Sublease if Sublandlord failures to perform any Sublease obligation of Sublandlord and this failure continues for 30 days after Subtenant notifies Sublandlord of such failure, or such longer period of time as is reasonable if more than 30 days is reasonably required to perform this obligation if performance commences within this 30-day period and is diligently prosecuted to completion.

(b) If Sublandlord is in Default, then Subtenant may exercise any remedy available under law that is not waived or limited under this Sublease, subject to the following:

1. Subtenant may not terminate this Sublease due to any Sublandlord Default.

2. Sublandlord’s liability under this Sublease is limited to Sublandlord’s interest in the Project.

3. No liability under this Sublease is assumed by Sublandlord’s Affiliates.

16. MISCELLANEOUS

16.1 Rules and Regulations. Subtenant will comply with the Rules and Regulations attached as Exhibit C. Sublandlord may reasonably modify or add to the Rules and Regulations upon notice to Subtenant. If the Rules and Regulations conflict with this Sublease, the Sublease shall govern.

16.2 Notice. Notice to Sublandlord must be given to Sublandlord’s Notice Addresses. Notice to Subtenant must be given to Subtenant’s Notice Addresses. By notice to the other, either party may change its Notice Address. Each notice must be in writing and will be validly given if either: (a) the notice is personally delivered and receipt is acknowledged in writing; or (b) the notice is delivered by a nationally recognized overnight courier service (e.g., FedEx or Airborne Express) and receipt is acknowledged in writing. If the party to receive notice fails to either accept delivery or acknowledge its receipt in writing, then notice may be validly given by mailing the notice first-class, certified or registered mail, postage prepaid, and the notice will be deemed received by the party 2 business days after the deposit of the notice in the U.S. Mail.

16.3 Intentionally Omitted.

16.4 Building Name. Subtenant shall not use the Building’s name or image for any purpose, other than Subtenant’s address, without Sublandlord’s approval, which approval shall not be unreasonably withheld. Sublandlord may change the name of the Building without any obligation or liability to Subtenant.

16.5 Entire Agreement. This Sublease is deemed integrated and contains all of each party’s representations, waivers and obligations. The parties may only modify or amend this Sublease in a writing that is fully executed and delivered by each party.

16.6 Successors. Unless provided to the contrary elsewhere in this Sublease, this Sublease binds and inures to the benefit of each party’s heirs, successors and permitted assigns.

16.7 No Waiver. A party’s waiver of a breach of this Sublease will not be considered a waiver of any other breach. No custom or practice that develops between the parties will prevent either party from requiring strict performance of the terms of this Sublease. No Sublease provision or act of a party creates any relationship between the parties other than that of sublandlord and subtenant.

16.8 Independent Covenants. The covenants of this Sublease are independent. A court’s declaration that any part of this Sublease is invalid, void or illegal will not impair or invalidate the remaining parts of this Sublease, which will remain in full force and effect.

16.9 Captions. The use of captions, headings, boldface, italics or underlining is for convenience only, and will not affect the interpretation of this Sublease.

16.10 Authority.

(a) Individuals signing this Sublease on behalf of Subtenant represent and warrant that they are authorized to bind Subtenant to this Sublease, and that Subtenant is qualified to do business in the State of Michigan. If required by Sublandlord, Subtenant will, at Subtenant’s cost, provide
Sublandlord with a corporate resolution or other documentation acceptable to Sublandlord proving the authority of each individual signatory to bind Subtenant to this Sublease.

(b) Subtenant represents and warrants to Sublandlord that Subtenant is not named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

(c) Subtenant represents and warrants to Sublandlord that any individual or entity involved in this Sublease transaction on behalf of Subtenant is not named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

16.11 Applicable Law. The laws of Michigan govern this Sublease. In any action brought under this Sublease, Subtenant submits to the jurisdiction of the courts of the State of Michigan, and to venue in the County of Wayne.

16.12 Confidentiality. Subtenant will not record this Sublease or a memorandum of this Sublease without Sublandlord’s written consent. Subtenant will keep the terms of this Sublease confidential and, unless required by law, may not disclose the terms of this Sublease to anyone other than Subtenant’s Affiliates to the extent necessary to Subtenant’s business.

16.13 Reasonableness. Subtenant’s sole remedy for any claim against Sublandlord that Sublandlord has unreasonably withheld or unreasonably delayed any consent or approval shall be an action for injunctive or declaratory relief, it being acknowledged and agreed that no such claim may be asserted against Sublandlord except where Sublandlord has expressly agreed in this Sublease that it may not unreasonably withhold or delay its consent or approval.

16.14 Time. Time is of the essence as to all provisions in this Sublease in which time is a factor.

16.15 Quiet Enjoyment. So long as Subtenant is not in default of this Sublease and except as provided in the Sublease, Sublandlord will not interfere with Subtenant’s peaceful and quiet enjoyment of the Premises for the Term. Sublandlord is not liable for, and Subtenant will not be released from any obligation under this Sublease because of any interference with Subtenant’s peaceful and quiet enjoyment of the Premises that is caused by any other person, including other subtenants.

16.16 Right to Enter Premises. Sublandlord may enter the Premises at any reasonable time to inspect the Premises, to show the Premises to prospective lenders, purchasers, assignees or subtenants, to perform Sublandlord’s duties under this Sublease, or to exercise Sublandlord’s rights under §8.2. In connection with any permitted entry to perform Sublandlord’s duties or exercise Sublandlord’s rights under §8.2, Sublandlord may erect and use structures reasonably required by the nature of the work (including scaffolding, pipes and conduits), and may open or penetrate the Base Building or any Leasehold Improvements. If any Leasehold Improvements are damaged by Sublandlord as a result of Sublandlord exercising its rights under this §16.16, then Sublandlord will repair or replace the damaged portion, only, to match the original as nearly as is commercially reasonable.

16.17 Exhibits. The exhibits attached to this Sublease are incorporated herein. If any exhibit is inconsistent with the terms of this Sublease, the provisions of the Exhibit will, except as otherwise provided in Section 4.6 hereof, govern. The Exhibits to this Sublease are:

| EXHIBIT A | Location of Premises |
| EXHIBIT B | Legal Description of Project |
| EXHIBIT C | Rules and Regulations |
| EXHIBIT D | Intentionally Deleted |
| EXHIBIT E | Notice of Sublease Term |
| EXHIBIT F | Work Letter |
| EXHIBIT G | Description of Various Expenses and Allocation Methodology |
17. RENEWAL OPTION

Subtenant shall have the option to renew this Sublease (the "Renewal Option") for one additional term of ninety (90) years (the "Renewal Term") upon the same terms, covenants and conditions as are contained in this Sublease except that the Base Rent for the Renewal Term shall be equal to the fair market rental value of the Premises as determined as of the date the Renewal Option is exercised, and the entire Base Rent for the entire Renewal Term, discounted to present value using a discount rate as determined as of the date the Renewal Option is exercised, shall be payable in full, in one lump sum payment, on the date the Renewal Term commences. Subtenant must exercise the Renewal Option by giving written notice thereof to Sublandlord at least twelve (12) months, and not more than fifteen (15) months, prior to the expiration of the initial term of this Sublease (the "Notice"). The Notice shall be effective only if on the date the Notice is given no Default exists.

If Sublandlord and Subtenant fail to agree in writing on the fair market rental value of the Premises within thirty (30) days after Subtenant gives the Notice, each of the parties shall, within fifteen (15) days after the expiration of such thirty (30) day period, select a licensed Michigan real estate broker who shall have been active during the five year period ending on the date of selection in the leasing of commercial properties in the Detroit metropolitan area. Each broker shall deliver to both parties its written determination of the fair market rental value of the Premises within thirty (30) days after its selection. If the written determination which provides for the greater fair market value is not greater than the other determination by more than ten percent (10%), the fair market rental value of the Premises shall be the average of the two determinations, which shall be final and binding upon the parties hereto. If the written determination which provides for a greater fair market rental value is more than ten percent (10%) greater than the other written determination, each of the brokers shall jointly select a similar experienced real estate broker who shall, within thirty (30) days after its selection, determine the fair market rental value of the Premises, which determination shall be final and binding upon the parties hereto. Each party shall bear the cost of the real estate broker selected by it and the costs of the third broker, if any, shall be borne equally by the parties.

If Sublandlord and Subtenant fail to agree in writing on the discount rate within thirty (30) days after Subtenant gives the Notice, each of the parties shall, within fifteen (15) days after the expiration of such thirty (30) day period, select a licensed Michigan Certified Public Accountant ("CPA"). Each CPA shall deliver to both parties its written determination of the discount rate within thirty (30) days after its selection. If the written determination which provides for the greater discount rate is not greater than the other determination by more than ten percent (10%), the discount rate shall be the average of the two determinations, which shall be final and binding upon the parties hereto. If the written determination which provides for a greater discount rate is more than ten percent (10%) greater than the other written determination, each of the CPAs shall jointly select a similar experienced CPA who shall, within thirty (30) days after its selection, determine the discount rate to be utilized in calculating the Base Rent for the Renewal Term, which determination shall be final and binding upon the parties hereto. Each party shall bear the cost of the CPA selected by it and the costs of the third CPA, if any, shall be borne equally by the parties.

18. FF&E ALLOWANCE

Sublandlord shall provide to Subtenant an allowance up to $1,200,000 (the "FF&E Allowance") to cover the cost of purchase by Subtenant of furniture, furnishings, fixtures and equipment to be placed within the Premises (the furniture, furnishings, fixtures and equipment purchased by utilization of the FF&E Allowance are collectively referred to herein as the "FF&E"). Sublandlord shall disburse the FF&E Allowance to Subtenant from time to time based upon requests for disbursement submitted by Subtenant to Sublandlord, each such request for disbursement to be accompanied by (a) a detailed description of the FF&E to be purchased with such disbursement, which description shall include the make, model, serial number and/or such other information as may be required to specifically identify such FF&E, and (b) reasonably satisfactory evidence of the costs of the purchase of the FF&E which Subtenant is requesting payment for pursuant to such disbursement request, such as invoices or purchase orders. Subtenant shall make requests for disbursements from the FF&E Allowance not more frequently than monthly. All FF&E shall, from and after the delivery thereof to Subtenant until the end of the Term, be located within the Premises and may not be removed therefrom without the prior written consent of Sublandlord.

To secure the payment and performance of all of Subtenant's obligations and covenants under this Sublease, Subtenant has granted to Sublandlord a security interest in all of the FF&E pursuant to a separate Security Agreement of even date herewith between Sublandlord and Subtenant.

B-1
"Rules and Regulations" mean the contents of this Exhibit C, as modified, amended or revoked by Sublandlord, from time to time.

1. **Right to Exclude.** Sublandlord may require that Subtenant, its Affiliates and guests comply with each reasonable security measure that Sublandlord may establish as a condition for entry to the Premises, Building or Project. These measures may include submitting to a search by persons or devices employed by Sublandlord, presenting an identification card or pass issued by the government, Sublandlord, or both, being announced to Subtenant and accepted as a visitor by Subtenant, and signing a register on entry and exit. Any person who cannot comply with these requirements may be excluded from the Project. If Sublandlord requires a Building pass issued by Sublandlord as a condition of entry to the Premises, Building or Project, Sublandlord will furnish a Building pass to all persons reasonably designated by Subtenant in writing. Sublandlord may exclude or expel from the Project any person who, in Sublandlord’s reasonable opinion, is intoxicated or under the influence of alcohol or drugs. Sublandlord may require Subtenant and its Affiliates and guests to enter and exit the Building from those entrances designated by Sublandlord from time to time.

5. **Keys and Locks.** Sublandlord may from time to time install and change locks on entrances to the Project, Building, Common Areas or Premises, and will provide Subtenant a number of keys to meet Subtenant’s reasonable requirements. Additional keys will be furnished by Sublandlord at Subtenant’s cost. At the end of the Term, Subtenant will promptly return to Sublandlord all keys for the Building and Premises issued by Sublandlord to Subtenant. Unless Subtenant obtains Sublandlord’s prior written consent, Subtenant will not add or change any locks on any door to, in or about the Premises. If with Sublandlord’s consent, Subtenant installs any lock incompatible with the Building master locking system, Subtenant will: relieve Sublandlord of each Sublease obligation that requires access to each affected area; indemnify Sublandlord against any Claims resulting from forced entry to each affected area in an emergency; and, at the end of the Term, remove each incompatible lock and replace it with a Building Standard lock at Subtenant’s expense.

6. **Aesthetics.** Unless Subtenant obtains Sublandlord’s prior written consent (which may be withheld in Sublandlord’s sole and absolute discretion), Subtenant may not:

8. **HVAC Operation.** Subtenant will not obstruct the HVAC convectors or diffusers, or adjust or interfere with the HVAC system. Subtenant will assist the HVAC system in maintaining comfort in the Premises by drawing shades.
blinds and other window coverings in the Premises as may be reasonably required. Subtenant may not use any method of heating or cooling the Premises other than that supplied by Sublandlord.

10. Equipment Location. Sublandlord may specify the location of any of Subtenant's business machines, mechanical equipment or other property that are unusually heavy, may damage the Building, or may cause vibration, noise or annoyance to other subtenants. Subtenant will reimburse Sublandlord for any professional engineering certification or assistance reasonably required to determine the location of these items.

11. Bicycles. Subtenant may not bring bicycles or other vehicles into the Building or Premises except, to the extent permitted by the Sublease, for the parking of Vehicles in the parking spaces located within the basement of the Building. Bicycles and other vehicles may only be parked in areas designated by Sublandlord.

12. Animals. Subtenant may not bring any birds or animals, excepting seeing-eye/assistance dogs, into the Building or Premises.

14. Elevators. Any use of the elevators for purposes other than normal passenger use (such as moving to or from the Building or delivering freight), whether during or after business hours, must be scheduled through the office of the Property Manager or if there is no Property Manager, through Sublandlord. Subtenant will reimburse Sublandlord for any extra costs incurred by Sublandlord in connection with any such non-passenger use of the elevators.

Moving of Subtenant's Personal Property and deliveries of materials and supplies to the Premises must be made during the times and through the entrances, elevators and corridors reasonably designated by Sublandlord. Moving and deliveries may not be made through any of the main entrances to the Building without Sublandlord's prior permission. Any hand truck or other conveyance used in the Common Areas must be equipped with rubber tires and rubber side guards to prevent damage to the Building and its property. Subtenant will promptly reimburse Sublandlord for the cost of repairing any damage to the Building or its property caused by any person making deliveries to the Premises.

16. Solicitation. Canvassing, soliciting and peddling in the Project are prohibited and Subtenant will cooperate in preventing the same.

17. Food. Only persons approved from time to time by Sublandlord may prepare, solicit orders for, sell, serve or distribute food in or around the Project. EXHIBIT F – WORK LETTER
(TURNKEY-SUBLANDLORD PREPARES CONSTRUCTION DOCUMENTS)

Argonaut Building/Detroit, MI
Suites #101, 102, 201, 301 and 401

1. **Conflicts; Terms.** If there is any conflict or inconsistency between the provisions of the Sublease and those of this Exhibit F ("Work Letter"), the provisions of this Work Letter will control. Except for those terms expressly defined in this Work Letter, all initially capitalized terms will have the meanings stated for such terms in the Sublease. The following terms, which are not defined in the Sublease, have the meanings indicated:

   (a) "Sublandlord’s Representative" means Adriana Calderon, or such other person as may be designated by Sublandlord from time to time.

   (b) "Subtenant’s Representative" means John Cleary, or such other person as may be designated by Subtenant from time to time.

   (c) "Tenant Improvements" means all alterations, improvements and installations to be constructed or installed by Sublandlord according to this Work Letter. In no event will the Tenant Improvements include any furniture, fixtures or equipment (including telecommunications and security system cabling and equipment) except for any equipment expressly provided for in the Construction Documents approved by Sublandlord, as the same may be revised from time to time with the approval of Sublandlord.

   (d) "Preliminary Plans" means those preliminary plans and specifications for the Tenant Improvements dated April 18, 2008, prepared by Albert Kahn Associates, Inc. and identified in Schedule 1 attached hereto. Sublandlord and Subtenant have reviewed and approved the Preliminary Plans.

   (e) "Construction Documents" means complete construction plans and specifications for the Tenant Improvements.

2. **Sublandlord’s Obligations.** Sublandlord will proceed to complete the Premises according to this Work Letter and tender possession of the Premises to Subtenant when the Tenant Improvements have been completed to the extent that only minor construction details, which would not materially interfere with Subtenant’s use and enjoyment of the Premises, require completion or correction ("Substantially Completed" or "Substantial Completion"). Subtenant will accept the Premises when Sublandlord tenders possession, provided that the Tenant Improvements have been Substantially Completed, and provided further that Subtenant will not be required to accept possession prior to the Scheduled Commencement Date. Sublandlord and Subtenant agree that all Tenant Improvements, whether paid for by Sublandlord or Subtenant, will, without compensation to Subtenant, become Sublandlord’s property upon installation and will remain Sublandlord’s property at the expiration or earlier termination of the Term. If Subtenant reasonably objects to Sublandlord’s determination that Substantial Completion has occurred, Sublandlord and Subtenant shall, acting reasonably and in good faith, attempt to agree on whether Substantial Completion has occurred. If Sublandlord and Subtenant cannot so agree, Sublandlord’s architect and a person retained or appointed by Subtenant who has experience in construction matters will, acting reasonably and in good faith, attempt to agree on whether Substantial Completion has occurred. If Sublandlord’s architect and such person cannot agree on whether Substantial Completion has occurred, the parties agree to submit the issue for resolution by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then in effect. The award rendered by the arbitrator or arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

3. **Punch List.** Subtenant’s taking possession of any portion of the Premises will be conclusive evidence that such portion of the Premises was in good order and satisfactory condition when Subtenant took possession, except as to any patent defects identified on a punch list prepared and signed by Sublandlord’s
Representative and Subtenant's Representative after an inspection of the Premises by both such parties when Subtenant takes possession, and except as to any latent defects of which Subtenant notifies Sublandlord in writing within one year after the Commencement Date. If Subtenant and Sublandlord cannot, acting reasonably and in good faith, agree upon the defects to be identified in such punch list, such dispute shall be resolved in accordance with the procedures set forth in Section 2 above for resolving a dispute over whether Substantial Completion has occurred. Failure to advise Sublandlord in writing within one year of the Commencement Date of any latent defects shall result in a waiver of any claims regarding said defects by Subtenant. Sublandlord will not be responsible for any items of damage caused by Subtenant, its agents, independent contractors or suppliers. None promises to alter, remodel or improve the Premises or Building and no representations concerning the condition of the Premises or Building have been made by Sublandlord to Subtenant other than as may be expressly stated in the Sublease (including this Work Letter).

4. Representatives. Sublandlord appoints Sublandlord's Representative to act for Sublandlord in all matters covered by this Work Letter. Subtenant appoints Subtenant's Representative to act for Subtenant in all matters covered by this Work Letter. All inquiries, requests, instructions, authorizations and other communications with respect to the matters covered by this Work Letter will be made to Sublandlord's Representative or Subtenant's Representative, as the case may be. Subtenant will not make any inquiries of or request to, and will not give any instructions or authorizations to, any other employee or agent of Sublandlord, including Sublandlord's architect, engineers and contractors or any of their agents or employees, with regard to matters covered by this Work Letter. Either party may change its Representative under this Work Letter at any time by prior written notice to the other party.

5. Construction Documents; Construction of Tenant Improvements. Promptly after full execution and delivery of the Sublease, Sublandlord will cause its architect to prepare the Construction Documents based strictly on the Preliminary Plans unless otherwise agreed to by Sublandlord and Subtenant. The Construction Documents will be subject to Sublandlord's approval and, prior to the commencement of construction, Subtenant will be given an opportunity to review the Construction Documents to confirm that they conform to the Preliminary Plans. Once the Construction Documents have been so approved, reviewed and confirmed, Sublandlord will, at its expense, cause the Tenant Improvements shown on the Construction Documents to be constructed or installed in the Premises on a "turnkey" basis, in a good and workmanlike manner, substantially in accordance with the Construction Documents approved by Sublandlord and in accordance with all applicable laws. However, if Subtenant requests any changes to the Construction Documents (other than changes required to make the same conform to the Preliminary Plans), and if such changes result in an increase in the cost of constructing or installing the Tenant Improvements, then Subtenant will pay for such increase within ten (10) days after receipt of Sublandlord's invoice.

6. Change Orders. Subtenant's Representative may authorize changes in the work (including work in addition to the Tenant Improvements) during construction only by written instructions to Sublandlord's Representative on a form approved by Sublandlord. All such changes will be subject to Sublandlord's prior written approval according to Paragraph 7 below. Prior to commencing any change, Sublandlord will prepare and deliver to Subtenant, for Subtenant's approval, a change order ("Change Order"), identifying the total cost of such change, which will include associated architectural, engineering and construction contractor's and manager's fees. If Subtenant fails to approve such Change Order within five (5) business days after delivery by Sublandlord, Subtenant will be deemed to have withdrawn the proposed change and Sublandlord will not proceed to perform the change. Upon Sublandlord's receipt of Subtenant's approval and payment of the total cost of such Change Order (a "Change Order Payment"), Sublandlord will proceed to perform the change. Subtenant will pay the total cost of any Change Orders within 10 days of its approval of same.

7. Sublandlord's Approval. All Construction Documents and Change Orders, and any drawings, plans and specifications for any changes or additions reflected in Change Orders or any other improvements or installations in the Premises, are expressly subject to Sublandlord's prior written approval. Sublandlord may withhold its approval of any such items that require work which:

(a) exceeds or adversely affects the capacity or integrity of the Building Structure or Mechanical Systems;

(b) is not approved by the holder of any Encumbrance;

F-2

5560800.19 00194/118572
(c) would not be approved by a prudent owner of property similar to the Building;

(d) violates any agreement which affects the Building or binds Sublandlord;

(e) Sublandlord reasonably believes will increase the cost of operating or maintaining any of the Mechanical Systems;

(f) Sublandlord reasonably believes will reduce the market value of the Premises or the Building at the end of the Term;

(g) does not conform to applicable building code or is not approved by any governmental authority having jurisdiction over the Premises;

(h) does not meet or exceed Building Standard; or

(i) Sublandlord reasonably believes will infringe on the architectural or historical integrity of the Building.

8. Subtenant’s Delays. As provided in Section 3.1 of the Sublease, the Term of the Sublease (and therefore Subtenant’s obligation for the payment of Rent) will not commence until Sublandlord has Substantially Completed all work to be performed by Sublandlord as stated in Paragraph 2 above; provided, however, that if Sublandlord is delayed in Substantially Completing such work as a result of:

(a) any Subtenant delays described in Paragraphs 5, 6 or 7 above;

(b) Subtenant’s request for materials or installations as a part of the Tenant Improvements that are other than Building standard materials or installations that take longer to process or install than Building Standard materials or installation;

(c) any Change Orders or changes in any drawings, plans or specifications requested by Subtenant;

(d) Subtenant’s failure to review or approve in a timely manner any item requiring Subtenant’s review or approval;

(e) performance of any work reflected in Change Orders or any failure to complete or delay in completion of such work; or

(f) any other act or omission of Subtenant or Subtenant’s architects, engineers, contractors or subcontractors (all of which will be deemed to be delays caused by Subtenant),

then the Commencement Date will only be extended under Section 3.1 of the Sublease until the date on which Sublandlord would have Substantially Completed the performance of such work but for such delays.

9. General. No approval by Sublandlord or Sublandlord’s architect or engineer of any drawings, plans or specifications which are prepared in connection with construction of improvements in the Premises will constitute a representation or warranty by Sublandlord as to the adequacy or sufficiency of such drawings, plans or specifications, or the improvements to which they relate, for any use, purpose or condition, but such approval will merely be the consent of Sublandlord to the construction or installation of improvements in the Premises according to such drawings, plans or specifications. Failure by Subtenant to pay any amounts due under this Work Letter will have the same effect as failure to pay Rent under the Sublease, and such failure or Subtenant’s failure to perform any of its other obligations under this Work Letter will constitute a Default under Section 15.1(a) of the Sublease, entitling Sublandlord to all of its remedies under the Sublease as well as all remedies otherwise available to Sublandlord.

2. PROJECT

2.1 Project. The Land, Building and all other improvements now or hereafter located in or on the Land (excluding the Gymnasium Building (as defined below)) are collectively referred to as the "Project."

2.2 Land. "Land" means the parcels of real property described in Exhibit B, including easements and other rights that benefit or encumber the real property. The Land may be expanded or reduced after the Execution Date.

2.3 Base Building. "Base Building" means Building Structure and Mechanical Systems, collectively, defined as follows:

(a) Building Structure. "Building Structure" means the structural components in the Building, including foundations, floor and ceiling slabs, roofs, exterior walls, exterior glass and mullions, columns, beams, shafts, and emergency stairwells. The Building Structure excludes the Leaschold Improvements (and similar improvements to other premises) and the Mechanical Systems.

(b) Mechanical Systems. "Mechanical Systems" means the mechanical, electronic, physical or informational systems generally serving the Building or other portions of the Project, including the sprinkler, plumbing, heating, ventilating, air conditioning, lighting, communications, security, drainage, sewage, waste disposal, vertical transportation, and fire/life safety systems.

2.4 Common Areas. Subtenant will have a non-exclusive right to use the Common Areas subject to the terms of this Sublease. "Common Areas" means those interior and exterior common and public areas on the Land (and appurtenant easements) and in the Building designated by Prime Sublandlord from time to time for the non-exclusive use by Subtenant in common with Prime Sublandlord, Sublandlord, other subtenants and occupants, and their employees, agents and invitees. The Common Areas include parking facilities serving the Building that
are owned or leased by Prime Sublandlord except for those parking facilities or parking spaces that are from time to
time designated or reserved by Prime Sublandlord for the exclusive use of a subtenant or other occupant of the
Building or visitors. The Common Areas do not include the Gymnasium Building. Notwithstanding anything to the
contrary contained herein, Subtenant's employees may not park vehicles in any parking lot or other parking facilities
located within the Project.

2.5 Premises. Sublandlord subleases to Subtenant the Premises subject to the terms of this Sublease.
Except as provided elsewhere in this Sublease, by taking possession of the Premises Subtenant accepts the Premises
in its "as is" condition and with all faults, and the Premises are deemed in good order, condition, and repair. The
Premises includes the Leasehold Improvements and excludes certain areas, facilities and systems, as follows:

(a) Leasehold Improvements. "Leasehold Improvements" mean all non-structural improvements in
the Premises or exclusively serving the Premises, and any structural improvements to the Building
made to accommodate Subtenant's particular use of the Premises. The Leasehold Improvements
may exist in the Premises as of the Execution Date, or be installed by Prime Sublandlord or by
Sublandlord or Subtenant under this Sublease at the cost of such party, including, but not limited
to the work set forth in the attached Exhibit F ("Work Letter"). The Leasehold Improvements
include but are not limited to: (1) interior walls and partitions (including those surrounding
structural columns entirely or partly within the Premises); (2) the interior one-half of walls that
separate the Premises from adjacent areas designated for leasing; (3) the interior drywall on
exterior structural walls, and walls that separate the Premises from the Common Areas;
(4) stairways and stairwells connecting parts of the Premises on different floors, except those
required for emergency exiting; (5) the frames, casements, doors, windows and openings installed
in or on the improvements described in (1-4), or that provide entry/exit to/from the Premises;
(6) all hardware, fixtures, cabinetry, railings, paneling, woodwork and finishes in the Premises or
that are installed in or on the improvements described in (1-5); (7) if any part of the Premises is on
the ground floor, the ground floor exterior windows (including millions, frames and glass);
(8) integrated ceiling systems (including grid, panels and lighting); (9) carpeting and other floor
finishes; (10) kitchen, rest room, laboratory or other similar facilities that exclusively serve the
Premises (including plumbing fixtures, toilets, sinks and built-in appliances); and (11) the
sprinkler, plumbing, heating, ventilating, air conditioning, lighting, communications, security,
drainage, sewage, waste disposal, vertical transportation, fire/life safety, and other mechanical,
electronic, physical or informational systems that exclusively serve the Premises, including the
parts of each system that are connected to the Mechanical Systems from the common point of
distribution for each system to and throughout the Premises.

(b) Exclusions from the Premises. The Premises do not include: (1) any areas above the finished
ceiling or integrated ceiling systems, or below the finished floor coverings that are not part of the
Leasehold Improvements, (2) janitor's closets, (3) stairways and stairwells to be used for
emergency exiting or as Common Areas, (4) rooms for Mechanical Systems or connection of
telecommunication equipment, (5) vertical transportation shafts, (6) vertical or horizontal shafts,
risers, chases, flues or ducts, and (7) any easements or rights to natural light, air or view.

2.6 Building Standard. "Building Standard" means the minimum or exclusive type, brand, quality or
quantity of materials Prime Sublandlord designates for use in the Building from time to time.

2.7 Subtenant's Personal Property. "Subtenant's Personal Property" means those trade fixtures,
furnishings, equipment, work product, inventory, stock-in-trade and other personal property of Subtenant that are
not permanently affixed to the Project in a way that they become a part of the Project and will not, if removed,
impair the value of the Leasehold Improvements that Subtenant is required to deliver to Sublandlord at the end of
the Term under §3.3.

2.8 Gymnasium Building. "Gymnasium Building" means that certain building contemplated to be
built on the Land that will be used as a gymnasium and initially subleased by Prime Sublandlord to Sublandlord,
including all improvements (including HVAC, electrical, gas, telecommunications and sprinkler systems) in such
building.

2.9 FF&E. Sublandlord also subleases to Subtenant all of the FF&E (as defined in the Prime
Sublease). All of the terms and provisions of this Sublease that apply to the Premises shall also apply to the FF&E
except as otherwise provided in this Sublease or to the extent clearly inappropriate. Sublandlord shall deliver the FF&E to the Premises within a reasonable period of time after the Tenant Improvements are Substantially Complete.

3. TERM

3.1 Term. "Term" means the period that begins on the Commencement Date and ends on the Expiration Date, subject to renewal, extension or earlier termination as may be further provided in this Sublease, provided that the Term shall terminate upon the termination of that certain Urban High School Academy Contract effective as of December 14, 2007, by and between The Grand Valley State University Board of Trustees ("GVSU") and The Public School Academies of Detroit (the "Charter School Contract"); provided, however, that in the event of a termination of the Charter School Contract pursuant to Section 10.7 of the Charter School Contract, Subtenant shall be permitted to attempt to secure another charter for a limited period of time (if, and only if, the Charter School Contract is terminated at the end of a School Year), which charter will permit Subtenant to operate a charter high school, and in the event Subtenant should procure such a charter timely, this Sublease shall be automatically revived and reinstated. By way of example, if GVSU were to advise Subtenant that it was terminating the Charter School Contract at the end of a School Year (i.e., approximately June 30th), Subtenant shall have until August 20th of the same year to procure a replacement charter which shall permit it to operate in accordance with the laws of the State of Michigan, and which charter shall be otherwise satisfactory to Sublandlord. In such event, this Sublease shall be automatically revived and reinstated upon receipt of such new charter authorizing Subtenant to operate and Sublandlord confirming in writing that the new charter is acceptable. Notwithstanding any other term or condition hereof, Subtenant shall not be permitted additional time to secure an alternative charter allowing it to operate if the existing Charter School Contract is terminated during a School Year, and as a result, Subtenant would be operating the charter school unlawfully because it did not possess a current charter as required by state law.

"Month" means a full calendar month of the Term. If the Commencement Date does not fall on the first day of a month, the initial period from the Commencement Date to the last day of such month shall be the "Partial Month". Notwithstanding anything to the contrary contained in this Sublease, in the event the Prime Sublease or that certain Education Management Agreement contemplated to be entered into between the Public School Academies of Detroit ("PSAD") and Subtenant (the "Management Agreement") terminates prior to the expiration or earlier termination of this Sublease, then this Sublease shall terminate simultaneously with the termination of the Prime Sublease or Management Agreement without any liability of Sublandlord to Subtenant. In addition, if the Management Agreement is not entered into by PSAD and Subtenant by January 23, 2009, as such date may be extended in writing by Sublandlord and Subtenant, either party may terminate this Sublease by giving written notice to the other party at any time prior to the date the Management Agreement is entered into by PSAD and Subtenant and upon such termination, neither party shall have any further obligations or liabilities under this Sublease.

(a) **Commencement Date.** The "Commencement Date" means the date that is the earlier of:

(1) The day that Subtenant first conducts business in any part of the Premises; or

(2) The later of:

(A) The Scheduled Commencement Date, and

(B) The day that Sublandlord tenders possession of the Premises to Subtenant with the Tenant Improvements Substantially Complete (defined in Work Letter) or that date that Sublandlord would have tendered possession of the Premises but for delay caused by Subtenant.

(b) **Expiration Date.** “Expiration Date” means December 31, 2016.

(c) **Early Occupancy.** Subtenant may not enter the Premises for any purpose until Sublandlord tenders the Premises to Subtenant. If Subtenant conducts business in any part of the Premises before the Scheduled Commencement Date, Subtenant will pay Base and Additional Rent for that period at the rate for the first Month that such Rent is due, without discount or excuse.

(d) **Late Occupancy.** If Sublandlord fails to tender possession of the Premises to Subtenant by the Scheduled Commencement Date, Sublandlord will not be in default of this Sublease.

(e) **Confirmation of Term.** Sublandlord shall notify Subtenant of the Commencement Date using a Notice of Sublease Term ("NLT") in the form attached to this Sublease as Exhibit E. Subtenant
shall execute and deliver to Sublandlord the NLT within 10 business days after its receipt, but Subtenant’s failure to do so will not reduce Subtenant’s obligations or Sublandlord’s rights under this Sublease.

(f) Early Termination Based on Failure to Meet Educational Standards. If (i) Subtenant fails to meet in any School Year during the Term any one or more of the standards relating to its operation of the high school located within the Premises set forth in A, B or C below (those performance standard(s) which Subtenant fails to meet in such School Year are collectively referred to herein as the "Failed Standards"), (ii) Sublandlord, within thirty (30) days after it has been determined that Subtenant failed to meet such Failed Standards, gives Subtenant written notice that the Sublease will terminate if Subtenant fails to meet in the immediately succeeding School Year any of the Failed Standards, and (iii) Subtenant fails to meet in such subsequent School Year any of the Failed Standards (the "Second Failure"), this Sublease shall terminate effective as of the end of the School Year in which the Second Failure occurs unless Sublandlord otherwise revokes such termination:

A. Graduation Rate:
   1. 80% of the freshman students entering the high school in the fall of 2009 shall graduate from the high school in June of 2013 or earlier;
   2. 83.33% of the freshman students entering the high school in the fall of 2010 shall graduate from the high school in June of 2014 or earlier;
   3. 86.67% of the freshman students entering the high school in the fall of 2011 shall graduate from the high school in June of 2015 or earlier;
   4. 90% of the freshman students entering the high school in the fall of 2012 shall graduate from the high school in 2016 or earlier; and
   5. With respect to any school year following the school year that began in the fall of 2012, either (a) 90% of the freshman students entering the high school in such school year shall graduate from the high school in four (4) years or earlier or (b) the average annual graduation rate (e.g., the percentage of students who graduate from the high school in four years or earlier) for such school year and the two immediately preceding school years is at least 90%);

B. Re-enrollment Rate:
   1. For every freshman class subsequent to the class of 2009, the enrollment rate for the following school year and each year thereafter shall be at a rate such that the graduation rates specified in this Section 3.1(f)A can be mathematically obtained; and

C. Post-Secondary Education Rate:
   1. 80% of the graduates of the class of 2013 shall enroll in college or other post-secondary studies;
   2. 83.33% of the graduates in the class of 2014 shall enroll in college or other post-secondary studies;
   3. 86.67% of the graduates of the class of 2015 shall enroll in college or other post-secondary studies;
   4. 90% of the graduates of the class of 2016 shall enroll in college or other post-secondary studies; and
   5. With respect to the graduates of each class after the class of 2016, either (a) 90% of the graduates of such class shall enroll in college or other post-secondary studies or (b) the average annual percentage of the graduates of such class and the two immediately preceding classes that are enrolled in college or other post-secondary studies is at least 90%.
If (i) the enrollment of any incoming freshman class for any School Year during the term of this Lease shall be less than 100 students, (ii) the average daily attendance rate during any School Year is less than 90% or (iii) any senior class at the high school shall have an average ACT score of less than 18, then an action plan will be developed by Subtenant and upon approval by PSAD, will be pursued by Subtenant. In no event shall the occurrence of any of the events described in (i), (ii) or (iii) of the immediately preceding sentence or the failure to develop or pursue any action plan described above constitute a default of this Sublease by Subtenant. Sublandlord and Subtenant shall develop mutually acceptable guidelines for calculating the Graduation, Re-enrollment and Post-Secondary Education Rates.

(g) Early Termination by Subtenant. Subtenant may terminate this Sublease effective as of the day immediately preceding the ten year anniversary of the Commencement Date (“Early Termination Date”) by giving written notice thereof to Sublandlord at least 30 days prior to the Early Termination Date.

3.2 Holdover. If Subtenant keeps possession of the Premises after the Expiration Date (or earlier termination of this Sublease), without Sublandlord’s prior written consent (a “Holdover”), which may be withheld in its sole discretion, then in addition to the remedies available elsewhere under this Sublease or by law, Subtenant will be a tenant-at-sufferance and must comply with all of Subtenant’s obligations under this Sublease, except that for each Month of any Holdover, Subtenant will pay 150% of the Base Rent payable for the last Month of the Term (or that would have been payable but for abatement or excuse), without proration for any partial Month of Holdover. Subtenant shall indemnify and defend Sublandlord from and against all claims and damages, both consequential and direct, that Sublandlord suffers due to Subtenant’s failure to return possession of the Premises to Sublandlord at the end of the Term. Sublandlord’s deposit of Subtenant’s Base Rent payment during any Holdover will not constitute Sublandlord’s consent to a Holdover, or create or renew any tenancy.

3.3 Condition on Expiration.

(a) Return of the Premises. At the end of the Term, Subtenant will return possession of the Premises and FF&E to Sublandlord vacant, free of Subtenant’s Personal Property, in broom-clean condition, and with all Leasehold Improvements and FF&E in good working order and repair (excepting ordinary wear and tear). In addition, Sublandlord may, if required by Prime Sublandlord, require Subtenant, by notice at least 20 days before the expiration of the Term, to remove (and restore the Premises damaged by removal of) (i) any Subtenant’s Wiring, or (ii) any item of Leasehold Improvements or Alterations that Prime Sublandlord required to be removed (or reserved the right to so require) at the time of approval of the installation of same or for which Subtenant failed to obtain Sublandlord’s written consent under §8.1(a).

(b) Correction by Sublandlord. If Subtenant fails to return possession of the Premises to Sublandlord in the condition required under (a), then Subtenant shall reimburse Sublandlord for the costs incurred by Sublandlord to put the Premises in the condition required under (a), plus an administration fee of five percent (5%) of such costs.

(c) Abandoned Property. Subtenant’s Personal Property left behind in the Premises after the end of the Term will be considered abandoned. Sublandlord may move, store, retain or dispose of these items at Subtenant’s expense, plus an administration fee of five percent (5%) of such expenses.

4. RENT

4.1 Base Rent. During the Term, Subtenant shall pay all Base Rent in advance, in equal Monthly installments, on the Commencement Date and thereafter by the 1st of each Month. Base Rent for any Partial Month will be prorated. Subtenant may, at its election, pay such Base Rent directly to Prime Sublandlord and payment of Base Rent directly to Prime Sublandlord shall constitute payment to Sublandlord for purposes of this Sublease.

4.2 Additional Rent. Subtenant shall pay when due, directly to Prime Sublandlord, all “Additional Rent” payable by Sublandlord to Prime Sublandlord under Section 4.2 of the Prime Sublease. If any sum is paid by Prime Sublandlord to Sublandlord pursuant to the last sentence of Section 4.2 (b) of the Prime Sublease, Sublandlord shall promptly pay such amount to Subtenant. Sublandlord shall promptly furnish Subtenant with all notices received by Sublandlord from Prime Sublandlord regarding estimates of Additional Rent and Special Assessments and year end statements of the actual Additional Rent. If Subtenant gives Sublandlord written notice objecting to any items of Additional Rent set forth in the annual statement within ninety (90) days after Sublandlord’s receipt of such statement, Sublandlord will give Prime Sublandlord written notice objecting to such
statement, based on the items objected to by Subtenant, within ninety (90) days after Sublandlord's receipt of such statement.

4.3 Other Taxes. Upon demand, Subtenant will reimburse Sublandlord for taxes paid by Sublandlord on (a) Subtenant's Personal Property, (b) Rent, (c) Subtenant's occupancy of the Premises, or (d) this Sublease, or (e) the FF&E. If Subtenant cannot lawfully reimburse Sublandlord for these taxes, then the Base Rent will be increased to yield to Sublandlord the same amount after these taxes were imposed as Sublandlord would have received before these taxes were imposed. In addition, Subtenant will pay directly to Prime Sublandlord all amounts reimbursable by Sublandlord to Prime Sublandlord pursuant to Section 4.3 of the Prime Sublease.

4.4 Terms of Payment. "Rent" means all amounts payable by Subtenant under this Sublease and the exhibits, including Base Rent and Additional Rent. If a time for payment of an item of Rent is not specified in this Sublease, then Subtenant will pay Rent within 30 days after receipt of Sublandlord's statement or invoice. Unless otherwise provided in this Sublease, Subtenant shall pay Rent without notice, demand, deduction, abatement or setoff, in lawful U.S. currency, at Sublandlord's Billing Address. Sublandlord will send invoices payable by Subtenant to Subtenant's Billing Address; however, neither Sublandlord's failure to send an invoice nor Subtenant's failure to receive an invoice for Base Rent (and installments of Estimated Additional Rent (as defined in the Prime Sublease)) will relieve Subtenant of its obligation to timely pay Base Rent (and installments of Estimated Additional Rent). Each partial payment by Subtenant shall be deemed a payment on account. No endorsement or statement on any check or any accompanying letter shall constitute an accord and satisfaction, affect Sublandlord's right to collect the full amount due, or require Sublandlord to apply any payment to other than Rent earliest due. No payment by Subtenant to Sublandlord will be deemed to extend the Term or render any notice, pending suit or judgment ineffective. By notice to the other, each party may change its Billing Address. Any payment made by Subtenant to a lockbox maintained by Prime Sublandlord for receipt of payment of Rent shall not be deemed to have been accepted by Prime Sublandlord or Sublandlord provided such payment is returned to Subtenant within ten (10) days after Prime Sublandlord or Sublandlord receives notice that the payment has been received into the lockbox.

4.5 Late Payment. If Sublandlord is charged a "Late Charge" under the Prime Sublease because Subtenant failed to pay Sublandlord when due Base Rent, or Subtenant failed to pay to Prime Sublandlord when due any Additional Rent or any Base Rent if Subtenant elected to pay such Base Rent directly to Prime Sublandlord, Subtenant shall pay each such Late Charge directly to Prime Sublandlord.

5. USE & OCCUPANCY

5.1 Use. Subtenant shall use and occupy the Premises only for the Use and for no other purpose without Sublandlord's written consent, which consent may be withheld in Sublandlord's sole and absolute discretion. Sublandlord does not represent or warrant that the Project is suitable for the conduct of Subtenant's particular business.

5.2 Compliance with Laws and Directives.

(a) Subtenant's Compliance. Subject to the remaining terms of this Sublease, Subtenant shall comply at Subtenant's expense with all directives of Prime Sublandlord's insurers, governing authorities or laws concerning:

(1) The Leasehold Improvements, FF&E and/or Alterations,
(2) Subtenant's use or occupancy of the Premises,
(3) Subtenant's employer/employee obligations,
(4) A condition created by Subtenant or any of its agents, employees, contractors, or invitees,
(5) Subtenant's failure to comply with this Sublease,
(6) The negligence of Subtenant or any of its agents, employees, invitees or contractors, or
(7) Any chemical wastes, contaminants, pollutants or substances that are hazardous, toxic, infectious, flammable or dangerous, or regulated by any local, state or federal statute, rule, regulation or ordinance for the protection of health or the environment, including but not limited to any applicable provisions under the Natural Resources and Environmental Protection Act of 1994 (Act 451), Part 201, including the Administrative
Rules promulgated thereunder as most recently amended on December 21, 2002 ("Hazardous Materials") that are introduced to the Project, handled or disposed by Subtenant or any of its agents, employees, invitees or contractors.

(b) **Environmental Provisions.**

(1) Subtenant shall not "treat", "store" or "dispose" of any "hazardous substances," "hazardous wastes" or "toxic substances" as those terms are defined under CERCLA, 42 U.S.C. 9601, et seq., RCRA 42 U.S.C. 6901, et seq., or TSCA, 15 U.S.C. 2601, et seq., or under similar Michigan law on, at or below the Premises or Project.

(2) Use of ground water at, in or under the Project, including potable and non-potable uses, is prohibited.

5.3 **Occupancy.** Subtenant shall not interfere with Building services or other subtenants' rights to quietly enjoy their respective premises or the Common Areas. Subtenant shall not make or continue a nuisance, including any objectionable odor, noise, fire hazard, vibration, or wireless or electromagnetic transmission. Subtenant will not maintain any Leasehold Improvements or use the Premises in a way that increases the cost of insurance required under §9.2, or requires insurance in addition to the coverage required under §9.2.

6. **SERVICES & UTILITIES**

6.1 **Prime Sublandlord Services.** While Sublandlord has no obligation to provide any of the Standard Services (as defined in the Prime Sublease) or any additional services as described in the Prime Sublease, Sublandlord shall, upon Subtenant's request and at Subtenant's expense, use reasonable efforts to cause Prime Sublandlord to provide such services. Sublandlord may not request that the Prime Sublandlord furnish any additional services described in Section 6.2 of the Prime Sublease unless so requested by Subtenant. Subtenant shall pay, when due, directly to Prime Sublandlord all rent payable by Sublandlord to Prime Sublandlord pursuant to Section 6.2 of the Prime Sublease. Subtenant shall, at Subtenant's expense, if required by Prime Sublandlord, upgrade or modify existing Mechanical Systems serving the Premises or the Leasehold Improvements to the extent necessary to meet Subtenant's excess requirements (including installation of Building Standard meters to measure the same).

6.2 **Utilities Billing.** Subtenant's total consumption of electricity in the Premises, including lighting and convenience outlets, electricity consumed in operating the heat pumps that furnish air conditioning and heat to the Premises, and gas furnished to the Premises shall be separately submetered to the Premises. Subtenant shall pay, when due, directly to Prime Sublandlord, the Utility Rent (as defined in Section 6.3 of the Prime Sublease). Sublandlord shall immediately forward to Subtenant any invoice for or estimate of Utility Rent received by Sublandlord from Prime Sublandlord.

6.3 **Telecommunication Services.** Subtenant will contract directly with third party providers and will be solely responsible for paying for all telephone, data transmission, video and other telecommunication services ("Telecommunication Services") subject to the following:

(a) **Providers.** Each Telecommunication Services provider that does not already provide service to the Building shall be subject to Prime Sublandlord's approval, which Prime Sublandlord may withhold in Prime Sublandlord's reasonable discretion. Without liability to Subtenant, the license of any Telecommunication Services provider servicing the Building may be terminated under the terms of the license, or not renewed upon the expiration of the license.

(b) **Subtenant's Wiring.** Prime Sublandlord may, in its sole discretion, designate the location of all wires, cables, fibers, equipment, and connections ("Subtenant's Wiring") for Subtenant's Telecommunication Services, and restrict and control access to telephone cabinets and rooms. Subtenant may not use or access the Base Building, Common Areas or roof for Subtenant's Wiring without Prime Sublandlord's prior written consent, which Prime Sublandlord may withhold in Prime Sublandlord's sole discretion, or for which Prime Sublandlord may charge a fee determined by Prime Sublandlord.

(c) **No Beneficiaries.** This §6.4 is solely for Subtenant's benefit, and no one else shall be considered a beneficiary of these provisions.
7. REPAIRS

7.1 Subtenant's Repairs. Except as provided in Articles 10 and 12, during the Term Subtenant shall, at Subtenant's cost, repair, maintain and replace, if necessary, the Leasehold Improvements and FF&E and keep the Premises and FF&E in good order, condition and repair. Subtenant's work under this §7.1 must be (a) approved by Prime Sublandlord before commencement, (b) supervised by Prime Sublandlord at Subtenant's expense, if Prime Sublandlord reasonably so requires, and (c) performed in compliance with law and in a first-class manner with materials of at least Building Standard. If Subtenant fails to perform any of its obligations under this §7.1, then Sublandlord may perform such obligations and Subtenant will pay as Rent to Sublandlord the cost of such performance, including an amount sufficient to reimburse Sublandlord for overhead and supervision, within 10 days after the date of Sublandlord's invoice. For purpose of performing such obligations, or to inspect the Premises, Sublandlord may enter the Premises upon not less than two days' prior notice to Subtenant (except in cases of actual or suspected emergency, in which case no prior notice will be required) without liability to Subtenant for any loss or damage incurred as a result of such entry, provided that Sublandlord will take reasonable steps in connection with such entry to minimize any disruption to Subtenant's business or its use of the Premises. Subtenant will notify Sublandlord (and may notify Prime Sublandlord) promptly after Subtenant learns of (x) any fire or other casualty in the Premises, (y) any damage to or defect in the Premises, including the fixtures and equipment in the Premises, for the repair of which Prime Sublandlord might be responsible, and (z) any damage to or defect in any parts or appurtenances of the Building's sanitary, electrical heating, air conditioning, elevator or other systems located in or passing through the Premises.

7.2 Prime Sublandlord's Repairs. While Sublandlord is not obligated to perform any of Prime Landlord's obligations under Section 7.2 of the Prime Sublease, Sublandlord shall, upon Subtenant's request and at Subtenant's expense, use reasonable efforts to cause Prime Sublandlord to perform its obligations under such Section of the Prime Sublease. Subtenant may not repair or maintain the Project on Prime Sublandlord's or Sublandlord's behalf or offset any Rent for any repair or maintenance of the Project that is undertaken by Subtenant.

8. ALTERATIONS

8.1 Alterations by Subtenant. "Alterations" mean any modification, addition or improvement to the Premises, FF&E or Leasehold Improvements made by Subtenant, including any modification to the Base Building or Common Areas required by law or governing authority as a condition of performing the work. Alterations do not include work performed under a Work Letter that is part of this Sublease. Alterations are made at Subtenant's sole cost and expense, subject to the following:

(a) Consent Required. All Alterations require Prime Sublandlord's and Sublandlord's prior written consent, which consent of Sublandlord may not be unreasonably withheld. Unless Subtenant obtains Prime Sublandlord's prior written consent to the Alterations becoming part of the Premises to be tendered to Prime Sublandlord on termination of the Prime Sublease, Sublandlord may, if required by Prime Sublandlord, require Subtenant to remove Alterations and restore the Premises under §3.3 upon termination of this Sublease.

(b) Performance of Alterations. Alterations shall be performed by Subtenant in a good and workmanlike manner according to plans and specifications approved by Sublandlord. All Alterations shall comply with law and insurance requirements. Prime Sublandlord's designated contractors must perform Alterations affecting the Base Building or Mechanical Systems; and, all other work will be performed by qualified contractors that meet Prime Sublandlord's insurance requirements and are otherwise approved by Prime Sublandlord. Promptly after completing Alterations, Subtenant will deliver to Prime Sublandlord and Sublandlord "as-built" CAD plans, proof of payment, and unconditional waivers of lien from all contractors, subcontractors, sub-subcontractors and suppliers.

(c) Bonding. If requested by Prime Sublandlord, before commencing Alterations Subtenant shall at Subtenant's cost obtain bonds, or deposit with Prime Sublandlord other security acceptable to Prime Sublandlord for the payment and completion of the Alterations. These bonds or other security shall be in form and amount acceptable to Sublandlord.
(d) **Alterations Fee.** Subtenant shall pay directly to Prime Sublandlord all Alterations Fees (as defined in the Prime Sublease) and costs payable by Sublandlord to Prime Sublandlord in connection with Subtenant’s Alterations.

8.2 **Intentionally Omitted.**

8.3 **Liens and Disputes.** Subtenant will keep title to the Project free of any liens concerning the Leasehold Improvements, Alterations, or Subtenant’s Personal Property, and will promptly take whatever action is required to have any of these liens released and removed of record (including, as necessary, posting a bond or other deposit). To the extent legally permitted, each contract and subcontract for Alterations will provide that no lien attaches to or may be claimed against the Project. Subtenant will indemnify Sublandlord for costs and expenses that Sublandlord reasonably incurs because of Subtenant’s violation of this §8.3.

9. **INSURANCE**

9.1 **Subtenant’s Insurance.**

(a) **Subtenant’s Coverage.** Before taking possession of the Premises for any purpose (including construction of any Alterations, if any) and during the Term, Subtenant will provide and keep in force the following coverage:

1. Commercial general liability insurance insuring Subtenant’s use and occupancy of the Premises and use of the Project, and covering personal and bodily injury, death, and damage to others’ property of not less than the Liability Limit. Each of these policies shall include cross liability and severability of interests clauses, and be written on an occurrence, and not claims-made, basis. Each of these policies shall name Sublandlord, Prime Landlord, Prime Sublandlord, the Building property manager, each secured lender, and any other party reasonably designated by Prime Sublandlord and Sublandlord as an additional insured (“Additional Insured”). The commercial general liability insurance carried by Sublandlord or other Additional Insureds pursuant to the terms of this Sublease shall be non-contributing and Subtenant’s commercial general liability insurance shall be primary to any such insurance carried by Sublandlord or other Additional Insureds.

2. All risk insurance (including standard extended coverage endorsement perils, leakage from fire protective devices and other water damage) covering the full replacement cost of the Leasehold Improvements, FF&E and Subtenant’s Personal Property. Each of these policies shall name Prime Sublandlord, Sublandlord and each Additional Insured as loss payee to the extent of their interest in the Leasehold Improvements and FF&E. Each of these policies shall include a provision or endorsement in which the insurer waives its right of subrogation against Prime Sublandlord, Sublandlord and each Additional Insured.

3. Insurance covering the perils described in (2) for Subtenant’s loss of income or insurable gross profits with a limit not less than Subtenant’s annual Rent.

4. If any boiler or machinery is operated solely to provide service to the Premises, boiler and machinery insurance, with a limit of at least the Liability Limit.

5. Insurance required by law, including workers’ compensation insurance.

6. Employers liability insurance with limits not less than $1 million/each accident; $1 million/disease - each employee; $1 million/disease – aggregate.

7. Commercial automobile liability insurance covering all owned, hired, and non-owned vehicles with a combined single limit of not less than $1 million for each accident or person.

8. Insurance covering the Leasehold Improvements, FF&E and Subtenant’s Personal Property against loss or damage due to earthquake or difference in conditions perils. Subtenant may elect to self-insure this coverage. If Subtenant does not elect to self-insure this coverage, then each of these policies shall name Prime Sublandlord, Sublandlord and each Additional Insured a loss payee to the extent of their interest in the Leasehold Improvements and FF&E.
Insurers and Terms. Each policy required under (a) shall be written with insurance companies licensed to do business in the state in which the Building is located having a rating of not less than A+ and a Financial Size Class ("FSC") of at least VIII by A. M. Best Company, and be on terms that are acceptable to Prime Sublandlord.

Proof of Insurance. Subtenant shall provide Sublandlord with certificates of insurance or other reasonable proof that the coverage required under (a) is in effect. Subtenant will provide reasonable proof of renewal or replacement at least 30 days prior to any policy expiration. Failure of Subtenant to provide any insurance required by this Sublease shall not be construed as a waiver of liability or any limit of damages, the parties expressly agreeing that the requirement to carry insurance does not deem that said insurance is adequate to cover the damages so insured.

Waiver of Subrogation. Each policy required under (a) shall include a provision or endorsement in which the insurer waives its right of subrogation against Prime Sublandlord, Sublandlord and each Additional Insured.

9.2 Sublandlord's Insurance.

Sublandlord's Coverage. While Sublandlord has no obligation to maintain the insurance required to be maintained by Prime Sublandlord pursuant to Section 9.2 of the Prime Sublease, Sublandlord shall, upon Subtenant's request and at Subtenant's expense, use reasonable efforts to cause the Prime Sublandlord to maintain such insurance.

10. DAMAGE OR DESTRUCTION

10.1 Damage and Repair. If all or any part of the Project is damaged by fire or other casualty and the Sublease is not terminated pursuant to a termination of the Prime Sublease, Subtenant will repair and restore the Leasehold Improvements and FF&E with reasonable promptness to the condition existing prior to such damage, but not less than current Building Standards, except for modifications required by law.

While Sublandlord has no obligation to perform Prime Sublandlord's repair and restoration obligations under Section 10.1 of the Prime Sublease, Sublandlord shall, upon Subtenant's request and at Subtenant's expense, use reasonable efforts to cause Prime Sublandlord to perform such obligations.

10.2 Rent Abatement. If as a result of the damage or destruction under §10.1 any part of the Premises becomes Untenable, which shall mean the Subtenant is actually unable to use all or any portion of the Premises in the normal conduct of its business, and Subtenant does not actually use the Untenable part of the Premises for more than 3 consecutive business days, then Subtenant's Base Rent and Additional Rent for the Untenable part of the Premises not used by Subtenant shall, to the extent Prime Sublandlord receives the proceeds of loss of rental income insurance, be abated from the 4th consecutive business day until the earlier of the date (a) the damaged or destroyed part of the Premises becomes tenable, or (b) 15 days after Prime Sublandlord completes its required repairs and restoration. Subtenant's sole remedy against Sublandlord for damage or destruction of any part of the Project is abatement of Base Rent and Additional Rent under this §10.2, and Sublandlord will not be liable to Subtenant for any other amount, including damages to Subtenant's Personal Property, consequential damages, actual or constructive eviction, or abatement of any other item of Rent.

11. INDEMNITY

11.1 Claims. "Claims" mean any and all liabilities, losses, claims, demands, damages or expenses that are suffered or incurred by a party, including attorneys' fees reasonably incurred by that party in the defense or enforcement of the rights of that party.

11.2 Sublandlord's Waivers and Subtenant's Indemnity.

(a) Sublandlord's Waivers. Sublandlord waives any Claims against Subtenant and its Affiliates for perils insured or required to be insured by Prime Sublandlord under subsections (2) and (3) of §9.2(a) of the Prime Sublease, except to the extent caused by the gross negligence or willful misconduct of Subtenant or its Affiliates.

(b) Subtenant's Indemnity. Unless waived by Sublandlord under §11.2(a), Subtenant will indemnify and defend Prime Sublandlord, Sublandlord and Prime Landlord and their respective Affiliates and hold each of them harmless from and against Claims arising from:
(1) Any accident or occurrence on or about the Premises, except to the extent caused by Prime Sublandlord's, Sublandlord's or Prime Landlord's or any of their respective Affiliate's gross negligence or willful misconduct; or

(2) Subtenant's negligence or willful misconduct; or

(3) Any claim for commission or other compensation by any person for services rendered to Subtenant in procuring this Sublease.

11.3 Subtenant's Waivers and Sublandlord's Indemnity.

(a) Subtenant's Waivers. Subtenant waives any Claims against Prime Sublandlord, Sublandlord and Prime Landlord and their respective Affiliates for:

(1) Perils insured or required to be insured by Subtenant under subsections (2), (3) and (8) of §9.1(a), except to the extent caused by the gross negligence or willful misconduct of Prime Sublandlord, Sublandlord or Prime Landlord or their respective Affiliates, but in all events Subtenant waives any Claims for any special or consequential damages (such as interruption of business, loss of income, or loss of opportunity); or

(2) Damage caused by any public utility, public work, other subtenants or occupants of the Project, or persons other than Prime Sublandlord, Sublandlord or Prime Landlord or any of their respective Affiliates; or

(3) Damages in excess of the insurance Sublandlord maintains under §9.1.

(b) Sublandlord's Indemnity. Unless waived by Subtenant under (a), Sublandlord will indemnify and defend Subtenant and its Affiliates and hold each of them harmless from and against Claims arising from:

(1) Sublandlord's gross negligence or willful misconduct; or

(2) Any claim for commission or other compensation by any person for services rendered to Sublandlord in procuring this Sublease.

11.4 Affiliates Defined. "Affiliates" means with respect to a party (a) that party's partners, co-members and joint venturers, (b) each corporation or other entity that is a parent or subsidiary of that party, (c) each corporation or other entity that is controlled by or under common control of a parent of such party, and (d) the directors, officers, employees and agents of that party and each person or entity described in this §11.4(a-c).

11.5 Survival of Waivers and Indemnities. Sublandlord's and Subtenant's waivers and indemnities under §11.2 and §11.3 will survive the expiration or early termination of this Sublease.

12. CONDEMNATION

12.1 Taking. "Taking" means acquiring of all or part of the Project for any public or quasi-public use by exercise of a right of eminent domain or under any other law, or any sale in lieu thereof. If a Taking occurs:

(a) Total Taking. If because of a Taking substantially all of the Premises are Untenantable for substantially all of the remaining Term, then the Sublease terminates on the date of the Taking.

(b) Partial Taking. If a Taking does not cause the Sublease to be terminated under (a), then Prime Sublandlord is responsible under the Prime Sublease to restore (and alter, as necessary) the Premises to be tenantable, unless this Sublease is terminated as a result of a termination of the Prime Sublease or this Sublease is terminated by Subtenant under the following circumstances:

(1) Subtenant may terminate the Sublease upon 60 days prior written notice to Sublandlord if the Taking causes more than 40% of the Premises to be Untenantable for the remainder of the Term and Subtenant cannot reasonably operate Subtenant's business for the Use in the remaining Premises.

(c) If the Sublease is not terminated under (a) or (b), the Rent will be reduced for the term of the Taking based upon the RSF of the Premises made Untenantable by the Taking.
12.2 Awards. Prime Sublandlord is entitled to the entire award for any claim for a taking of any
interest in this Sublease or the Project, without deduction or offset for Subtenant’s estate or interest; however,
Subtenant may make a claim for relocation expenses and damages to Subtenant’s Personal Property and business to
the extent that Subtenant’s claim does not reduce Prime Sublandlord’s award.

13. SUBTENANT TRANSFERS

13.1 Transfer Defined. “Transfer” means any:

(a) Sublease of all or part of the Premises, or assignment, mortgage, hypothecation or other
conveyance of an interest in this Sublease;

(b) Use of the Premises by anyone other than Subtenant with Subtenant’s consent;

(c) Change in Subtenant’s form of organization (e.g., a change from a partnership to limited liability
company);

(d) Transfer of 51% or more of Subtenant’s assets, shares (except shares transferred in the normal
course of public trading), membership interests, partnership interests or other ownership interests;
or

(e) Transfer of effective control of Subtenant.

13.2 Consent Required. Each proposed Transfer requires Sublandlord’s and Prime Sublandlord’s
prior written consent, which consent may be withheld in their respective sole and absolute discretion except as
otherwise provided below, in which case the parties will proceed as follows:

(a) Subtenant’s Notice. Subtenant shall notify Sublandlord at least 30 days prior to the proposed
Transfer of the name and address of the proposed transferee and the proposed use of the Premises,
and, in the case of an assignment of this Sublease, include in the notice the Transfer documents
and copies of the proposed transferee’s balance sheets and income statements (both current and for
the past 2 years).

(b) Sublandlord’s Rights. Within 30 days after receipt of Subtenant’s complete notice, Sublandlord
may:

(1) If the proposed Transfer is either an assignment of this Sublease or sublease of
substantially all of the Premises, terminate this Sublease as of the proposed Transfer date,
in which case neither Sublandlord or Subtenant shall have any further obligations or
liabilities to the other from and after the date of such termination except for those
liabilities or obligations which arose prior to the date of termination or which expressly
survive the termination of this Sublease; or

(2) If the proposed Transfer is a sublease of all of the Premises or any part of the Premises
that will be separately demised and have its own entrance from the Common Areas,
exercise a right of first refusal to sublease such portion of the Premises at the lesser of
(A) the Rent (prorated for subletting part of the Premises), or (B) the rent payable in the
proposed Transfer; or

(3) Consent or deny consent to the proposed Transfer, provided, however, that Sublandlord
shall not unreasonably withhold its consent to a proposed Transfer to a transferee whose
proposed use is compatible with an integrated educational community.

13.3 Payments to Sublandlord. Subtenant shall pay Sublandlord 100% of Transfer receipts that
exceed Subtenant’s Rent (on a per square foot basis); after Subtenant is reimbursed for Subtenant’s reasonable and
customary out-of-pocket costs incurred in the Transfer, including attorneys’ fees, Alterations, and broker
commissions.

13.4 Effect of Transfers. No Transfer releases Subtenant or any guarantor of this Sublease from any
Sublease obligation. Sublandlord’s acceptance of a payment from any person or entity other than Subtenant that
occupies the Premises does not waive Subtenant’s obligations under this Article 13. If Subtenant is in default of this
Sublease, Sublandlord may proceed against Subtenant without exhausting any remedies against any transferee and
may require (by written notice to any transferee) any transferee to pay Transfer rent owed Subtenant directly to
Sublandlord (which Sublandlord will apply against Subtenant's Sublease obligations). Termination of this Sublease for any reason will not result in a merger. Each sublease will be deemed terminated upon termination of this Sublease unless Sublandlord notifies the subtenant in writing of Sublandlord's election to assume any sublease, in which case the subtenant shall attorn to Sublandlord under the executory terms of the sublease.

14. **SUBLANDLORD TRANSFERS**

14.1 Sublandlord's Transfer. Sublandlord's right to transfer any interest in the Project or this Sublease is not limited by this Sublease. Upon any such transfer, Subtenant will attorn to Sublandlord's transferee and Sublandlord will be released from liability under this Sublease, except for any Sublease obligations accruing before the transfer that are not assumed by the transferee.

14.2 Subordination. This Sublease is, and will at all times be, subject and subordinate to the Prime Lease and Prime Sublease and each ground lease, mortgage, deed to secure debt or deed of trust now or later encumbering the Building or any other portion of the Project, including each renewal, modification, supplement, amendment, consolidation or replacement thereof (each, an "Encumbrance"). At Prime Sublandlord's request, Subtenant will, without charge, promptly execute, acknowledge and deliver to Prime Sublandlord (or, at Sublandlord's request, the Encumbrance holder) any instrument reasonably necessary to evidence this subordination. Notwithstanding the foregoing, each Encumbrance holder may unilaterally elect to subordinate its Encumbrance to this Sublease.

14.3 Attornment. Subtenant will automatically attorn to any transferee of Sublandlord's interest in the Project that succeeds Sublandlord by reason of a termination, foreclosure or enforcement proceeding of an Encumbrance, or by delivery of a deed in lieu of any foreclosure or proceeding (a "Successor Sublandlord"). In this event, the Sublease will continue in full force and effect as a direct lease between the Successor Sublandlord and Subtenant on all of the terms of this Sublease, except that the Successor Sublandlord shall not be:

(a) Liable for any obligation of Sublandlord under this Sublease, or be subject to any counterclaim, defense or offset accruing before Successor Sublandlord succeeds to Sublandlord's interest;

(b) Bound by any modification or amendment of this Sublease made without Successor Sublandlord's consent;

(c) Bound by any prepayment of more than one Month's Rent; or

(d) Obligated to perform any improvements to the Premises (or provide an allowance therefor). Upon Successor Sublandlord's request, Subtenant will, without charge, promptly execute, acknowledge and deliver to Successor Sublandlord any instrument reasonably necessary or required to evidence such attornment.

14.4 Estoppel Certificate. Within 10 days after receipt of Prime Sublandlord's written request, Subtenant (and each guarantor and transferee of an interest under in the Sublease) will execute, acknowledge and deliver to Sublandlord a certificate upon which Prime Sublandlord and each existing or prospective Encumbrance holder may rely confirming the following (or any exceptions to the following):

(a) The Commencement Date and Expiration Date;

(b) The documents that constitute the Sublease, and that the Sublease is unmodified and in full force and effect;

(c) The date through which Base Rent, Additional Rent, and other Rent has been paid;

(d) That neither Sublandlord nor Subtenant is in default of this Sublease;

(e) That Subtenant has accepted the Premises;

(f) That Subtenant solely occupies the Premises; and

(g) Such other matters concerning this Sublease or Subtenant's occupancy that Sublandlord may reasonably require.

14.5 Sublandlord's Compliance with Prime Sublease. Sublandlord shall perform and observe all of its covenants and obligations under the Prime Sublease as and when due except to the extent Subtenant is otherwise liable under this Sublease to perform the same.
15. DEFAULT AND REMEDIES

15.1 Subtenant’s Default. Subtenant is in default (“Default”) of this Sublease if any of the following occur:

(a) Subtenant fails to pay Rent when due, and the failure continues for 10 days after notice to Subtenant of the failure.

(b) Subtenant fails to perform a non-monetary Sublease obligation and the failure continues for 20 days after notice to Subtenant of the failure, except that (1) In an emergency Sublandlord may require Subtenant to perform this obligation in a reasonable time of less than 20 days, or (2) If Subtenant begins performing this obligation within 20 days after notice to Subtenant of this failure, but it will reasonably take more than 20 days to complete performing the obligation, then Subtenant will have a reasonable amount of additional time to complete performing the obligation so long as Subtenant diligently pursues the performance of such obligation to completion.

(c) Subtenant consummates a Transfer that violates Article 13.

(d) Subtenant fails to discharge any attachment or levy on Subtenant’s interest in this Sublease within 15 days after the attachment or levy encumbers this Sublease.

(e) Subtenant fails to cause any of the following proceedings to be vacated or dismissed within 60 days after they are commenced: (1) the appointment of a receiver or trustee of the assets of Subtenant or any guarantor of this Sublease, (2) the voluntary or involuntary bankruptcy of Subtenant or any guarantor of this Sublease, or (3) any assignment for the benefit of creditors of the assets of Subtenant or any guarantor of this Sublease.

(f) Subtenant vacates or abandons substantially all of the Premises.

(g) Subtenant is named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

(h) The failure of Subtenant to establish policies required by the Charter School Contract in a timely manner, as required by such Charter School Contract, and such failure continues for twenty (20) days after notice to Subtenant of the failure.

15.2 Remedies. If Default occurs, Sublandlord shall have the rights and remedies set forth in this Sublease which shall be distinct, separate and cumulative and shall not operate to exclude or deprive Sublandlord of any other right or remedy allowed it by law or at equity.

(a) Sublandlord may terminate this Sublease by giving notice to Subtenant of Sublandlord’s election to do so, in which event the Term of this Sublease shall end, and all right, title and interest of Subtenant hereunder shall expire, on the date stated in such notice. In no event shall either re-entry or the taking of possession of the Premises by Sublandlord be construed as an election by Sublandlord to terminate this Sublease. Written notice alone shall be proof of any such election by Sublandlord. No termination of this Sublease shall terminate Subtenant’s obligations under this Sublease to pay Rent, which obligation shall survive such termination.

(b) Sublandlord may terminate Subtenant’s right to possession of the Premises without terminating this Sublease by giving notice to Subtenant that Subtenant’s right to possession shall end on the date stated in such notice, and all right of Subtenant to possession of the Premises or any part thereof shall cease on the date stated in such notice. An election by Sublandlord to terminate Subtenant’s right to possession of the Premises without terminating the Sublease shall not preclude a subsequent election by Sublandlord to terminate the Sublease.

(c) If Sublandlord terminates this Sublease as provided in Section 15.2 (a) or if Sublandlord terminates Subtenant’s right to possession of the Premises as provided in Section 15.2(b), (1) Subtenant shall surrender possession, vacate the Premises and immediately deliver possession to Sublandlord; and (2) Sublandlord may, with due process of law, re-enter and take possession of the Premises without being liable for prosecution for such action or being deemed guilty of any manner of
tresspass, and without diminishing any remedies for collection of Rent and without relinquishing any other right of Sublandlord.

(d) Sublandlord may enforce the provisions of this Sublease and may enforce and protect the rights of Sublandlord by a suit or suits in equity or at law for the specific performance of any covenant or agreement contained in this Sublease, or for the enforcement of any other appropriate legal or equitable remedy, including recovery of all moneys due or to become due from Subtenant under any of the provisions of this Sublease.

(e) Sublandlord may, but shall not be obligated to, cure Subtenant's Default by making any payment or performing such other act to the extent Sublandlord may deem desirable. Any such cure by Sublandlord shall be without notice and shall not waive or release Subtenant from any obligation under this Sublease. Subtenant covenants and agrees to pay Sublandlord, upon demand, all advances, costs and expenses incurred by Sublandlord in connection with such cure, including reasonable attorney's fees, together with interest at the Default Rate, from the date such are incurred by Sublandlord to the date of payment to Sublandlord.

15.3 Remedies for Recovery of Rent and Damages.

(a) If Sublandlord terminates the right of Subtenant to possession of the Premises pursuant to Section 15.2, regardless of whether Sublandlord previously terminated or subsequently terminates this Sublease:

(1) Sublandlord shall be entitled to recover any and all Rent due and unpaid as of the date of repossession by Sublandlord. Subtenant shall immediately pay to Sublandlord all such Rent.

(2) Sublandlord shall, if Prime Sublandlord terminated Sublandlord's right to possession of the Premises pursuant to Section 15.2 of the Prime Sublease and has made a demand on Sublandlord for the lump sum payment described in Section 15.3(a)(2) of the Prime Sublease, be entitled to recover in one lump sum payment all unpaid Rent which would have accrued after the date of possession for the remainder of the then current Term (or if this Sublease has been terminated, what would have been the remainder of the then current Term but for such termination). For purposes of computing the amount of Rent hereunder that would have accrued after the date of repossession by Sublandlord, Additional Rent shall be calculated based on the average rate of increase, if any, in Additional Rent from the Commencement Date through the date of repossession. Subtenant shall immediately pay to Sublandlord all such Rent if the conditions to such payment as set forth above have been satisfied.

(B) (i) If Sublandlord is not entitled to recover all unpaid Rent in one lump sum payment pursuant to clause (A) above, Sublandlord shall have the right, from time to time, to recover from Subtenant, and Subtenant shall remain liable for, all Rent and any other sums accruing as they become due under this Sublease through the remainder of the stated Term and the other provisions of this subsection (2)(B) shall be applicable.

(ii) Sublandlord shall make commercially reasonable efforts to relet the Premises or portions thereof, so as to mitigate Sublandlord’s damages. Sublandlord and Subtenant agree that Sublandlord may relet for such term or terms and on such conditions and other terms as Sublandlord, in its discretion determines; and that Sublandlord shall not be required to (A) observe any instructions given by Subtenant about such reletting; (B) lease the Premises prior to other space owned, controlled or managed by Sublandlord or its Affiliates; or (C) lease the Premises at below market rates.
(iii) Any rent received by Sublandlord from re-letting the Premises shall be deemed to reduce Subtenant's indebtedness to Sublandlord as follows: (w) first, to reduce Subtenant's obligation to reimburse Sublandlord for Repossession Expenses, then (x) to reduce Subtenant's obligation to reimburse Sublandlord for Relenting Expenses, then (y) to reduce Subtenant's obligation to Sublandlord for Enforcement Costs, then (z) to reduce Subtenant's obligation for the payment of Rent reserved in the Sublease for the remainder of the stated Term of the Sublease. In no event shall Subtenant be entitled to a reduction (of its indebtedness to Sublandlord) in an amount in excess of the aggregate sum of Rent which would have been payable by Subtenant for the remainder of the stated Term of the Sublease, if no Default had occurred.

(iv) As it becomes due, and without notice or demand, Subtenant shall pay to Sublandlord an amount equal to the Rent which would have been payable by Subtenant for the remainder of the stated Term of the Sublease, less any applicable reductions pursuant to the immediately preceding sentence.

(3) Subtenant shall, upon demand, reimburse Sublandlord, with interest at the Default Rate from the date incurred through the date of payment to Sublandlord, the following: Repossession Expenses, Reletting Expenses (if subsection (2)(B) above is applicable) and Enforcement Costs.

(b) If any law shall validly limit the amount of any damages provided for herein to an amount which is less than the amount agreed to herein, Sublandlord shall be entitled to the maximum amount available under such law.

15.4 Definitions.

(a) "Enforcement Costs" shall be all sums, costs, expenses and damages (in addition to Repossession Expenses, Reletting Expenses, and including reasonable attorneys' fees) which are incurred by Sublandlord in enforcing Subtenant's obligations under this Sublease or by reason of Subtenant's Default, including without limitation, those arising out of any action brought by Sublandlord against Subtenant to interpret any provision of this Sublease or in connection with a bankruptcy or an assignment for the benefit of creditors.

(b) "Reletting Expenses" shall be such costs and expenses which Sublandlord may, to the extent deemed necessary or desirable by Sublandlord, incur to relet the Subleased Premises, including without limitation, (A) repairs, alterations and additions in or to the Subleased Premises, (B) altering locks and security devices to the Subleased Premises, (C) redecoration, remodeling or refurbishing of the Subleased Premises, and (D) other costs and expenses, including brokers' commissions and reasonable attorneys' fees.

(c) "Repossession Expenses" are such costs and expenses including, without limitation, reasonable attorneys' fees which Sublandlord may incur, as Sublandlord considers appropriate, in order to recover possession of the Premises.

(d) Reasonable attorneys' fees shall include the value of services provided by counsel employed by Sublandlord or its Affiliates in the amount that Sublandlord would have reasonably incurred if the services had been performed by unaffiliated counsel.

15.5 Interest. If Subtenant at any time fails to make any payment of Rent or of any amounts owed under this Sublease, and as a result Sublandlord is charged interest thereon by Prime Sublandlord pursuant to the Prime Sublease, Subtenant shall pay all such interest directly to Prime Sublandlord.

15.6 Waivers. Sublandlord and Subtenant expressly waive any right to trial by jury with respect to any proceeding pertaining to this Sublease. No waiver by Sublandlord of any Default of Subtenant shall be implied to affect, and no express waiver shall affect, any Default other than the Default specified in such waiver and that only for the time and to the extent stated.
15.7 Force Majeure. "Force Majeure" means any cause or event beyond the reasonable control of a party to this Sublease, including any act of God, government act or restriction, labor disturbance, general shortage of materials or supplies, riot, insurrection, or act of war or terrorism. Force Majeure excuses a party from performing any non-monetary Sublease obligation for a commercially reasonable time.

15.8 Sublandlord's Default and Remedies.

(a) Sublandlord will be in "Default" of this Sublease if Sublandlord fails to perform any Sublease obligation of Sublandlord and this failure continues for 30 days after Subtenant notifies Sublandlord of such failure, or such longer period of time as is reasonable if more than 30 days is reasonably required to perform this obligation if performance commences within this 30-day period and is diligently prosecuted to completion.

(b) If Sublandlord is in Default, then Subtenant may exercise any remedy available under law that is not waived or limited under this Sublease, subject to the following:

(1) Subtenant may not terminate this Sublease due to any Sublandlord Default.

(2) No liability under this Sublease is assumed by Sublandlord's Affiliates.

16. MISCELLANEOUS

16.1 Rules and Regulations. Subtenant will comply with the Rules and Regulations attached as Exhibit C, as the same may be modified or supplemented from time to time by Prime Sublandlord upon notice to Subtenant. If the Rules and Regulations conflict with this Sublease, the Sublease shall govern.

16.2 Notice. Notice to Sublandlord must be given to Sublandlord's Notice Addresses. Notice to Subtenant must be given to Subtenant's Notice Addresses. By notice to the other, each party may change its Notice Address. Each notice must be in writing and will be validly given if either: (a) the notice is personally delivered and receipt is acknowledged in writing; or (b) the notice is delivered by a nationally recognized overnight courier service (e.g., FedEx or Airborne Express) and receipt is acknowledged in writing. If the party to receive notice fails to accept delivery or acknowledge its receipt in writing, then notice may be validly given by mailing the notice first-class, certified or registered mail, postage prepaid, and the notice will be deemed received by the party 2 business days after the deposit of the notice in the U.S. Mail.

16.3 Intentionally Omitted.

16.4 Building Name. Subtenant shall not use the Building's name or image for any purpose, other than Subtenant's address, without Prime Sublandlord's approval. Prime Sublandlord may change the name of the Building without any obligation or liability to Subtenant.

16.5 Entire Agreement. This Sublease is deemed integrated and contains all of each party's representations, waivers and obligations. The parties may only modify or amend this Sublease in a writing that is fully executed and delivered by each party.

16.6 Successors. Unless provided to the contrary elsewhere in this Sublease, this Sublease binds and inures to the benefit of each party's heirs, successors and permitted assigns.

16.7 No Waiver. A party's waiver of a breach of this Sublease will not be considered a waiver of any other breach. No custom or practice that develops between the parties will prevent either party from requiring strict performance of the terms of this Sublease. No Sublease provision or act of a party creates any relationship between the parties other than that of sublandlord and subtenant.

16.8 Independent Covenants. The covenants of this Sublease are independent. A court's declaration that any part of this Sublease is invalid, void or illegal will not impair or invalidate the remaining parts of this Sublease, which will remain in full force and effect.

16.9 Captions. The use of captions, headings, boldface, italics or underlining is for convenience only, and will not affect the interpretation of this Sublease.

16.10 Authority.

(a) Individuals signing this Sublease on behalf of Subtenant represent and warrant that they are authorized to bind Subtenant to this Sublease, and that Subtenant is qualified to do business in the
State of Michigan. If required by Sublandlord, Subtenant will, at Subtenant's cost, provide Sublandlord with a corporate resolution or other documentation acceptable to Sublandlord proving the authority of each individual signatory to bind Subtenant to this Sublease.

(b) Subtenant represents and warrants to Sublandlord that Subtenant is not named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

(c) Subtenant represents and warrants to Sublandlord that any individual or entity involved in this Sublease transaction on behalf of Subtenant is not named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

16.11 Applicable Law. The laws of Michigan govern this Sublease. In any action brought under this Sublease, Subtenant submits to the jurisdiction of the courts of the State of Michigan, and to venue in the County of Wayne.

16.12 Confidentiality. Subtenant will not record this Sublease or a memorandum of this Sublease without Sublandlord’s written consent. Subtenant will keep the terms of this Sublease confidential and, unless required by law, may not disclose the terms of this Sublease to anyone other than Subtenant’s Affiliates to the extent necessary to Subtenant’s business.

16.13 Reasonableness. Subtenant’s sole remedy for any claim against Sublandlord that Sublandlord has unreasonably withheld or unreasonably delayed any consent or approval shall be an action for injunctive or declaratory relief, it being acknowledged and agreed that no such claim may be asserted against Sublandlord except where Sublandlord has expressly agreed in this Sublease that it may not unreasonably withhold or delay its consent or approval.

16.14 Time. Time is of the essence as to all provisions in this Sublease in which time is a factor.

16.15 Quiet Enjoyment. So long as Subtenant is not in default of this Sublease and except as provided in the Sublease, Sublandlord will not interfere with Subtenant’s peaceful and quiet enjoyment of the Premises for the Term. Sublandlord is not liable for, and Subtenant will not be released from any obligation under this Sublease because of any interference with Subtenant’s peaceful and quiet enjoyment of the Premises that is caused by any other person, including other subtenants.

16.16 Right to Enter Premises. Sublandlord may enter the Premises at any reasonable time to inspect the Premises, to show the Premises to prospective lenders, purchasers, assignees or subtenants, or to perform Sublandlord’s duties under this Sublease. If any Leasehold Improvements are damaged by Sublandlord as a result of Sublandlord exercising its rights under this §16.16, then Sublandlord will repair or replace the damaged portion, only, to match the original as nearly as is commercially reasonable.

16.17 Financial Statements. Subtenant hereby agrees to provide Sublandlord:

(a) with its board adopted budget prior to the commencement of the Subtenant's fiscal year, which shall not be a deficit budget;

(b) with any board adopted amendments to the budget promptly after adoption, which amended budget, shall not be a deficit budget;

(c) with monthly financial statements, in a timely fashion; and

(d) with annual audited financial statements prepared in accordance with Generally Accepted Accounting Principles (GAAP) within one hundred twenty (120) days after the end of the Subtenant's fiscal year.

If the annual audited financial statements reflect a year-end excess of annual expenses over annual revenues (which include capital contributions made by members of Subtenant and charitable contributions made to Subtenant), it shall not constitute a default under this Sublease but Sublandlord may terminate this Sublease unless Subtenant provides Sublandlord with (i) a deficit elimination plan, adopted in accordance with State law, within ninety (90)
days of such audit that shall show a means by which the shortfall shall be corrected, and (ii) a written approval of such plan by the State of Michigan within one hundred twenty (120) days of the date of the audit.

16.18 Subtenant's Authorizing Body. Sublandlord and Subtenant understand and agree that Subtenant's authorizing body, GVSU, has not agreed to assume, undertake or in any way guarantee payment of the Subtenant's obligations under this Sublease from any source of revenue available to GVSU, including the administrative fee deducted by GVSU from the state school aid payments received by GVSU for the Subtenant, nor has it agreed to assume, undertake or in any way guarantee performance or Subtenant's non-monetary obligations under this Sublease.

16.19 Exhibits. The exhibits attached to this Sublease are incorporated herein. If any exhibit is inconsistent with the terms of this Sublease, the provisions of the Exhibit will govern. The Exhibits to this Sublease are:

17. RENEWAL OPTION

Subtenant shall have eighteen (18) options to renew this Sublease (each a "Renewal Option") for eighteen (18) additional terms of five (5) years each (each a "Renewal Term") upon the same terms, covenants and conditions as are contained in this Sublease except that no Base Rent shall be payable for any Renewal Term. Subtenant must exercise a Renewal Option by giving written notice thereof to Sublandlord at least twelve (12) months prior to the expiration of the Term, as the same may have been renewed (the "Notice"). The Notice shall be effective only if (a) on the date the Notice is given no Default exists and (b) Sublandlord exercises or has exercised its option to renew the Prime Sublease for an additional term of ninety (90) years pursuant to the terms of the Prime Sublease.

Prime Sublandlord may require that Subtenant, its Affiliates and guests comply with each reasonable security measure that Prime Sublandlord may establish as a condition for entry to the Premises, Building or Project. These measures may include submitting to a search by persons or devices employed by Prime Sublandlord, presenting an identification card or pass issued by the government, Prime Sublandlord, or both, being announced to Subtenant and accepted as a visitor by Subtenant, and signing a register on entry and exit. Any person who cannot comply with these requirements may be excluded from the Project. If Prime Sublandlord requires a Building pass issued by Prime Sublandlord as a condition of entry to the Premises, Building or Project, Prime Sublandlord will furnish a Building pass to all persons reasonably designated by Subtenant in writing. Prime Sublandlord may require Subtenant and its Affiliates and guests to enter and exit the Building from those entrances designated by Prime Sublandlord from time to time.

Suite #101, 102, 201, 301 and 401

1. **Conflicts; Terms.** If there is any conflict or inconsistency between the provisions of the Sublease and those of this Exhibit F (“Work Letter”), the provisions of this Work Letter will control. Except for those terms expressly defined in this Work Letter, all initially capitalized terms will have the meanings stated for such terms in the Sublease. The following terms, which are not defined in the Sublease, have the meanings indicated:

   (a) “Sublandlord’s Representative” means John Cleary, or such other person as may be designated by Sublandlord from time to time.

   (b) “Subtenant’s Representative” means Adriana Calderon, or such other person as may be designated by Subtenant from time to time.

   (c) “Tenant Improvements” means all alterations, improvements and installations to be constructed or installed by Prime Sublandlord according to the Work Letter attached to the Prime Sublease (the “Prime Sublease Work Letter”). In no event will the Tenant Improvements include any furniture, fixtures or equipment (including telecommunications and security system cabling and equipment) except for any equipment expressly provided for in the Construction Documents approved by Prime Sublandlord, as the same may be revised from time to time with the approval of Sublandlord.

   (d) “Preliminary Plans” means those preliminary plans and specifications for the Tenant Improvements dated April 18, 2008, prepared by Albert Kahn Associates, Inc. and identified in Schedule 1 attached hereto. Prime Sublandlord, Sublandlord and Subtenant have reviewed and approved the Preliminary Plans.

   (e) “Construction Documents” means complete construction plans and specifications for the Tenant Improvements.

2. **Sublandlord’s Obligations.** Sublandlord will tender possession of the Premises to Subtenant when Prime Sublandlord has tendered possession of the Premises to Sublandlord and the Tenant Improvements have been completed by Prime Sublandlord to the extent that only minor construction details, which would not materially interfere with Subtenant’s use and enjoyment of the Premises, require completion or correction (“Substantially Completed or Substantial Completion”). Subtenant will accept the Premises when Sublandlord tenders possession, provided that the Tenant Improvements have been Substantially Completed, and provided further that Subtenant will not be required to accept possession prior to the Scheduled Commencement Date. Sublandlord and Subtenant agree that all Tenant Improvements, whether paid for by Prime Sublandlord, Sublandlord or Subtenant, will, without compensation to Subtenant, become Prime Sublandlord’s property upon installation and will remain Prime Sublandlord’s property at the expiration or earlier termination of the Term.

3. **Punch List.** Subtenant’s taking possession of any portion of the Premises will be conclusive evidence that such portion of the Premises was in good order and satisfactory condition when Subtenant took possession, except as to any patent defects identified on a punch list prepared and signed by Prime Sublandlord’s Representative, Sublandlord’s Representative and Subtenant’s Representative after an inspection of the Premises by such parties when Subtenant takes possession, and except as to any latent defects of which Subtenant notifies Prime Sublandlord in writing within one year after the Commencement Date. Failure to advise Prime Sublandlord in writing within one year of the Commencement Date of any latent defects shall result in a waiver of any claims regarding said defects by Subtenant. Sublandlord will not be responsible for any items of damage caused by Subtenant, its agents, independent contractors or suppliers. No promises to alter, remodel or improve the Premises
or Building and no representations concerning the condition of the Premises or Building have been made by Sublandlord to Subtenant other than as may be expressly stated in the Sublease (including this Work Letter).

4. **Representatives.** Sublandlord appoints Sublandlord's Representative to act for Sublandlord in all matters covered by this Work Letter. Subtenant appoints Subtenant's Representative to act for Subtenant in all matters covered by this Work Letter. All inquiries, requests, instructions, authorizations and other communications with respect to the matters covered by this Work Letter will be made to Sublandlord's Representative or Subtenant's Representative, as the case may be. Subtenant will not make any inquiries or request, and will not give any instructions or authorizations to, any other employee or agent of Sublandlord, including Sublandlord's architect, engineers and contractors or any of their agents or employees, with regard to matters covered by this Work Letter. Either party may change its Representative under this Work Letter at any time by prior written notice to the other party.

5. **Construction Documents; Construction of Tenant Improvements.** Prime Sublandlord will cause its architect to prepare the Construction Documents based strictly on the Preliminary Plans unless otherwise agreed to by Sublandlord and Subtenant. Subtenant will be given an opportunity to review the Construction Documents to confirm that they conform to the Preliminary Plans. While Sublandlord has no obligation to construct or install the Tenant Improvements, Sublandlord shall, upon Subtenant's request and at Subtenant's expense, use reasonable efforts to cause the Prime Sublandlord to construct and install the Tenant Improvements in accordance with the Prime Sublease Work Letter. If Sublandlord requests any changes to the Construction Documents (other than changes required to make the same conform to the Preliminary Plans), and if such changes result in an increase in the cost of constructing or installing the Tenant Improvements, then Sublandlord will pay Prime Sublandlord for such increase; provided, however, that Sublandlord may not request any changes to the Construction Documents (other than changes required to make the same conform to the Preliminary Plans) without Subtenant's approval.

6. **Change Orders.** Sublandlord's Representative may authorize changes in the work (including work in addition to the Tenant Improvements) during construction only by written instructions to Prime Sublandlord's Representative on a form approved by Prime Sublandlord and with the consent of Subtenant. All such changes will be subject to Prime Sublandlord's prior written approval according to Paragraph 7 below. Any Change Order issued in connection with any such change pursuant to the Prime Sublease Work Letter shall be subject to the approval of Subtenant. Sublandlord will pay the total cost of any Change Orders approved by Prime Sublandlord and Subtenant within 10 days of Prime Sublandlord's approval of same unless Sublandlord and Subtenant have agreed in writing that the cost of any such Change Order shall be paid by Subtenant.

7. **Sublandlord's Approval.** All Construction Documents and Change Orders, and any drawings, plans and specifications for any changes or additions reflected in Change Orders or any other improvements or installations in the Premises, are expressly subject to Prime Sublandlord's prior written approval, which approval may be withheld for the reasons set forth in the Prime Sublease Work Letter.

8. **Subtenant's Delays.** As provided in Section 3.1 of the Sublease, the Term of the Sublease (and therefore Subtenant's obligation for the payment of Rent) will not commence until Prime Sublandlord has Substantially Completed the Tenant Improvements; provided, however, that if Prime Sublandlord is delayed in Substantially Completing the Tenant Improvements for any of the reasons enumerated in Section 8 of the Prime Sublease Work Letter, then the Commencement Date will only be extended under Section 3.1 of the Sublease until the date on which Prime Sublandlord would have Substantially Completed the Tenant Improvements.

9. **General.** No approval by Prime Sublandlord or Sublandlord or Prime Sublandlord's architect or engineer of any drawings, plans or specifications which are prepared in connection with construction of improvements in the Premises will constitute a representation or warranty by Prime Sublandlord or Sublandlord as to the adequacy or sufficiency of such drawings, plans or specifications, or the improvements to which they relate, for any use, purpose or condition, but such approval will merely be the consent of Prime Sublandlord or Sublandlord to the construction or installation of improvements in the Premises according to such drawings, plans or specifications. Failure by Subtenant to pay any amounts payable by Sublandlord under this Work Letter will have the same effect as failure to pay Rent under the Sublease, and such failure or Subtenant's failure to perform any of its other obligations under this Work Letter will constitute a Default under Section 15.1(a) of the Sublease, entitling Sublandlord to all of its remedies under the Sublease as well as all remedies otherwise available to Sublandlord.

When used herein, the singular shall apply to the plural, the plural to the singular, and the use of any gender shall apply to all genders.

SECTION 2
DEMISE OF PREMISES

Landlord leases to Tenant and Tenant leases from Landlord upon the terms, covenants and conditions set forth herein, the Premises together with the Improvements now existing or hereafter constructed for the Term. Tenant hereby accepts the Premises in “AS IS” condition subject to Landlord’s obligation to substantially complete the Improvements thereto as required by the Plans and Specifications and the Subleases.

Notwithstanding anything to the contrary contained in this Lease, the effectiveness of this Lease is contingent upon Landlord and CCS having obtained financing for the renovation and improvement of the Premises (including the Tenant Improvements) and certain other adjacent properties to be used for parking on terms and conditions satisfactory to Landlord and CCS in their sole discretion, including but not limited to tax credits, other public incentives, private equity and debt financing. If this contingency is not satisfied by September 1, 2008, as such date may be extended in writing by Landlord and Tenant, either party may terminate this Lease by giving written notice thereof to the other party at any time prior to the satisfaction of both contingencies.

SECTION 3
RENT

A. Monthly Installments of Base Rent shall accrue beginning on the Base Rent Commencement Date and on the first day of each month thereafter through the end of the Term of this Lease. Monthly Installments of Base Rent shall be comprised of equal monthly installments of the Base Rent set forth in Exhibit B hereof payable in advance on the Base Rent Commencement Date and on the first day of each month thereafter through the end of the Term. Supplemental Rent shall be paid as set forth in Section 3.B. Annual Rent shall be payable without deduction, set-off, recoupment, counterclaim, or demand, at Landlord’s Address or at such other place as shall be designated in writing by Landlord. If the Base Rent Commencement
Date is a day other than the first day of a month, the Base Rent for the month in which the Base Rent Commencement Date occurs shall be prorated on a per diem basis. If the Term shall end on a day other than the last day of a month, the Annual Rent for any such partial month of a Term shall be prorated on a per diem basis.

B. As part of the consideration for this Lease and as Annual Rent and subject to all of the provisions hereof, Tenant covenants and agrees to pay to Landlord, annual "Supplemental Rent" as follows:

<table>
<thead>
<tr>
<th>Lease Year</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>2009</td>
<td>$100,000</td>
</tr>
<tr>
<td>2010</td>
<td>$600,000</td>
</tr>
<tr>
<td>2011-2027</td>
<td>$1,400,000</td>
</tr>
<tr>
<td>2028</td>
<td>$1,000,000</td>
</tr>
</tbody>
</table>

Supplemental Rent for a Lease Year shall be paid in arrears and shall be due and payable on or before April 1st of the immediately succeeding Lease Year provided, however, that notwithstanding the foregoing, Tenant shall defer payment of the portion of the annual Supplemental Rent payment that exceeds Cash Flow for the Lease Year in question (a "Deferred Portion"). In the event that Tenant has deferred payment of any portion of a Supplemental Rent payment under this Section 3.B, Tenant shall pay such deferred portion with the next required Supplemental Rent payment (subject to the requirement that Tenant must defer payment of amounts that exceed Cash Flow with respect to the Lease Year to which such next Supplemental Rent Payment pertains as described above).

C. As part of the consideration for this Lease and as "Additional Rent" and subject to all of the provisions hereof, Tenant covenants and agrees, commencing on the Commencement Date and at all times during the Term, at Tenant’s own cost and expense, to pay, as the same become due and payable and before any fine, penalty, interest, or other charge which may be added thereto for the non-payment thereof, (i) any premiums for Insurance pursuant to Section 10, (ii) any and all operating charges, maintenance charges, rental under equipment or similar leases, and any other charges, costs and expenses which arise or may be contemplated under any provision of the Lease during the Term, and (iii) all Impositions, except that any such amounts properly allocable to periods before or after the Term shall not be payable by Tenant. Landlord agrees to send promptly to the Tenant copies of any notices in respect of any such Imposition. Tenant covenants to furnish to Landlord official receipts of the proper taxing or other Governmental Authorities or other proof satisfactory to Landlord, evidencing the full payment of any and all such Impositions. Landlord shall promptly pay to Tenant each reimbursement payment received by Landlord pursuant to that certain Reimbursement Agreement between Landlord and the City of Detroit Brownfield Redevelopment Authority that are attributable to Impositions applicable to the Term.

D. If any Imposition may be paid, at the option of the taxpayer, in installments (whether or not interest accrues thereon), Tenant may pay the same in installments (with the interest, if any), unless otherwise required by a Lender or the Investor.
E. Notwithstanding anything in this Lease to the contrary, it is expressly understood and agreed that Tenant shall not be required to pay, or reimburse Landlord for, (a) any franchise tax, gross receipts tax, revenue tax, premium tax, income tax or profits tax of Landlord, or any such tax imposed after the date hereof by any federal, state or local governmental authority or jurisdiction if such tax is determined on the basis of the general assets, or the general net income or net revenue of Landlord or (b) any estate, inheritance, devolution, succession, transfer, stamp, legacy or gift tax which may be imposed upon or with respect to any transfer of Landlord’s interest in any portion of the Premises.

F. Tenant shall have the right, if Tenant disputes the amount or validity of any Imposition upon the Premises or Improvements thereon (whether in respect of the amount of tax assessment or otherwise) to, at its sole cost and expense, contest and defend against the same, and in good faith diligently to conduct any necessary proceedings to prevent and avoid the same; provided, however, that such contest shall be prosecuted to a final conclusion as speedily as is reasonably possible. Any rebate made on account of any Imposition paid by Tenant shall belong and be paid to Tenant. Landlord agrees to render Tenant all reasonable assistance, at no expense to Landlord, in contesting the validity or amount of any Imposition, including joining in the execution of any reasonable documents, or the signing of any reasonable protests or pleadings, which Tenant may file. During any such contest, Tenant shall (by payment of such disputed Imposition, if necessary) prevent any foreclosure of, or any divesting thereby, of Landlord’s title, reversion, or other interest in or to the Premises, and will further (by the payment of such disputed Imposition, if necessary) prevent the public sale or enforcement of any lien for such Imposition. If Tenant does not pay any such disputed Imposition during the pendency of any such contest, and if the failure to pay such Imposition could result in the foreclosure or divestiture of Landlord’s interest in and to the Premises, Tenant shall, upon the request of Landlord, deposit cash with Landlord as a reserve in an amount which Landlord determines is sufficient to pay such Imposition plus all fines, interest, penalties and costs which may become due pending the determination of the contest. Upon termination of any contest, Tenant shall pay the amount of the Imposition as finally determined in the contest. Provided that no default then exists, the cash which has been deposited with Landlord pursuant to this Section shall be applied toward such payment and the excess, if any, shall be returned to Tenant.

G. If any rights or obligations of Tenant hereunder (whether relating to payment of Rent, or to any other provision of this Lease) relate to a period in part before the Commencement Date, or in part after the date of termination of the Term, or if the Commencement Date is not the first day of a month, or if this Lease terminates other than on the last day of a month, appropriate adjustments and prorations shall be made. Upon the termination of this Lease for any reason (including condemnation or casualty) on or prior to the end of the Term, or if the use of the Premises is reduced or diminished due to a casualty or condemnation or any other reason prior to the end of the Term, if the aggregate Rent paid or payable by Tenant hereunder for the Term is not sufficient after the application of any insurance or condemnation proceeds to reimburse Landlord for all of its costs and expenses relating to the Premises during the Term (including, without limitation, interest and Depreciation), Tenant shall pay at the end of the Term the amount of any such shortfall to Landlord as additional rent (“Auxiliary Rent”).

H. If this Lease is terminated prior to the end of the Term on account of an Event of Default, foreclosure by a Lender, a casualty or condemnation, or for any other reason
whateversoever, whether by Tenant or by Landlord, or if the use of the Premises is reduced or diminished due to a casualty or condemnation or any other reason prior to the end of the Term, Tenant shall, subject to Section 11.B hereof, remain liable for all Rent due from Tenant under the Lease for the balance of the Term.

I. All Rent pursuant to this Lease shall be allocated to date on which such amount is payable regardless of when payments are actually made.

SECTION 4
LATE PAYMENTS

In the event that any payment of Annual Rent, Additional Rent or Auxiliary Rent shall be past due for more than five (5) days and such failure continues for five (5) days after notice to Tenant, Tenant shall pay to Landlord as Additional Rent a late charge equal to four percent (4%) of the amount of such delinquent payment. In addition, if any Rent is not paid when due, Tenant shall pay to Landlord as Additional Rent interest on the unpaid Rent from the date when due until payment is received by Landlord at the default interest rate provided for in the Mortgage which has a first lien priority or if no Mortgage then exists, at the rate of two percent (2%) per annum above the prime rate of interest as announced from time to time by JPMorgan Chase & Co. (or its successor in the event it ceases to exist) or, if less, the highest rate permitted by law. The late charge imposed under this Section is not a penalty and has been agreed to by Landlord and Tenant as necessary to compensate Landlord for its additional costs associated with late payment.

SECTION 5
NET LEASE

A. This Lease is what is commonly called a “net lease,” it being understood that Landlord shall receive the Rent free and clear of any and all Impositions, taxes, assessments, liens, charges or expenses of any nature whatsoever in connection with the ownership, maintenance, repair and operation of the Premises. Tenant shall be solely responsible for and shall pay all Impositions, insurance premiums pursuant to Section 10, operating charges, maintenance charges, rental under equipment or similar leases, and any other charges, costs and expenses which arise or may be contemplated under any provision of the Lease during the Term.

B. It is the intent of the Landlord and Tenant that this Lease qualify as a “net lease” pursuant to Code Section 48(d)(4)(D) (as in effect on the day before the date of the enactment of the Revenue Reconciliation Act of 1990) and Code Section 57(c)(1)(B) (as in effect on the day before the date of the enactment of the Tax Reform Act of 1986) and the provisions of this Lease shall be interpreted, construed, and applied in a manner consistent with such intent. The parties hereto agree to make such changes from time to time as are necessary to cause this Lease to qualify as a “net lease,” effective as of the Effective Date hereof.

SECTION 6
USE OF PREMISES
A. Tenant shall have the right to use the Premises for the operation of a middle school and high school, college and graduate programs, student housing and housing for participants in youth or pre-college programs, office uses (including a call center), retail uses and related accessory uses. Tenant agrees not to commit waste on the Premises and not to use the Premises for any unlawful purpose, or in violation of any certificate of occupancy, or for any purpose that may constitute a nuisance, public or private, nor suffer any dangerous article to be brought on the Premises unless safeguarded as required by law. Tenant agrees to reasonably, promptly, and effectively comply with all applicable statutes, regulations, rules, ordinances, orders, and requirements of all Governmental Authorities including, but not limited to, (i) all Environmental Laws and all applicable laws, statutes, rules or regulations, ordinances, decrees or orders concerning access of handicapped or disabled persons, whether now existing or hereafter enacted or promulgated, including without limitation the Americans with Disabilities Act of 1990 (collectively ("Handicapped Access Laws")). Tenant shall also have the right to use the Premises for any of the following commercial uses: those commercial uses specified in Subcategories II, III and IV as defined in the Natural Resources Environmental Protection Act of 1994 (Act 451), Part 201 Administrative Rules, as most recently amended December 20, 2002. Landlord agrees to give notice promptly to Tenant of any written notice from any Governmental Authorities in respect of the Premises including, without limitation, any notice pertaining to air and water quality, Environmental Laws, waste disposal, air emissions, and other environmental matters, and any direction of any public agency that imposes any duty upon Landlord or Tenant with respect to the use or occupancy of the Premises. Tenant may, in good faith, dispute the validity of any complaint or action taken pursuant to or under color of any of the foregoing, defend against the same, and, in good faith, diligently conduct any necessary proceedings to prevent and avoid any adverse consequence of the same. Tenant agrees that any such contest shall be prosecuted to a final conclusion as speedily as possible, and Tenant will save Landlord harmless with respect to any actions taken by any Governmental Authorities with respect thereto.

B. Notwithstanding anything herein to the contrary, Tenant’s use of the Premises will be such as to comply with all requirements of each Lender, including, but not limited to, each Lender’s requirements with respect to the Environmental Laws and the Americans with Disabilities Act.

C. Tenant shall not “treat,” “store” or “dispose” of any “hazardous substances,” “hazardous wastes” or “toxic substances” as those terms are defined under CERCLA, 42 U.S.C. 9601 et. seq., RCRA, 42 U.S.C. 6901 et. seq., or TSCA, 15 U.S.C. 2601 et. seq., or under similar Michigan law, on, at or below the Premises, and shall maintain generator-only status; provided, however, that Tenant may: (i) accumulate such substances or wastes as allowed under applicable laws and regulations for off-site treatment, off-site storage, or off-site disposal, and (ii) use or store commercial products on-site which may contain such substances.

D. Tenant may not use groundwater at, in, or under the Premises for any purpose, including potable and non-potable uses, which uses shall expressly be prohibited.

E. Tenant shall be solely responsible for the proper maintenance of the Premises, including: (a) any and all current or future structures, utilities, sewer lines, facilities, parking lots and storage areas, and (b) any maintenance issues related to any future development, excavation, demolition, or construction activities at the Premises.

5570650.12 00194/118572
F. Any and all soil and/or debris management and surface water and/or groundwater management required or necessary because of excavation, demolition, or soil disturbance related to future use, development, renovation, modification, or construction at or of the Premises (other than by Landlord or a subtenant), is the sole obligation and liability of Tenant. Such soil and/or debris management and surface water and/or groundwater management may include in-place management, excavation, sediment and erosion control, and disposal or other soil and debris management options which are allowed or required under applicable federal, state, or local environmental laws, regulations, or ordinances, including the requirements imposed under Section 20107(a) of Michigan Public Act 451, Part 201.

G. Any and all management of any utility lines or piping, including without limitation any sanitary or storm sewers and any gas, water, electrical, or any other similar utility lines or piping which management may be required or necessary to properly maintain the Premises or because of excavation, demolition, or soil disturbance related to future use, development, renovation, modification, or construction at or of the Premises, is the sole obligation and liability of Tenant.

H. Tenant, on behalf of itself and its successors and assigns, covenants and agrees that no subsurface investigations or excavations of any kind shall be made on the Premises without the prior written consent of General Motors Corporation, such consent not to be unreasonably withheld or delayed.

I. Notwithstanding anything herein to the contrary, no part of the business activities of the Tenant or any subtenant of the Property which are conducted at the Property will consist of the (i) the rental to others of "residential rental property" as defined in Section 168(e)(2)(A) of the Code or (ii) the operation of any: (A) private or commercial golf course, (B) country club, (C) massage parlor, hot tub facility, or suntan facility, (D) race track or other facility used for gambling, (E) store the principal business of which is the sale of alcoholic beverages for consumption off premises, (F) any other prohibited business under Section 45D of the Code, or (G) shooting gallery; adult bookstore or facility selling or displaying pornographic books, literature or videotapes (materials shall be considered "adult" or "pornographic" for such purposes if the same are not available for sale or rental to children under 18 years old because they explicitly deal with or depict human sexuality but materials shall not be considered "adult" or "pornographic" if they are part of a course, seminar, lecture, conference or other educational offering or are presented for display or sale as part of an exhibition sponsored by CCS); bingo or similar games of chance (excluding such games conducted by a charitable organization as part of a fundraising activity), however lottery tickets and other items commonly sold in retail establishments may be sold as an incidental part of business; or video game or amusement arcade, except as an incidental part of another primary business, provided that a video game or amusement arcade subleased and/or operated by an independent third party at the request of CCS and available to the students shall be deemed to be an incidental part of the operations of CCS (collectively (i) and (ii) are referred to as "Tenant Excluded Business").

SECTION 7
MAINTENANCE AND REPAIRS
Throughout the Term, Tenant shall, at Tenant’s sole cost and expense, keep the Premises and the Improvements in good order and condition and shall make or cause to be made all necessary repairs, alterations and/or replacements thereto, interior, exterior, structural and nonstructural, reasonable wear and tear excepted. All such repairs, alterations, and replacements shall be equal in quality to the original work. Tenant shall, at Tenant’s sole cost and expense, keep the sidewalks, curbs, entrances, passageways, and areas adjoining or appurtenant to the Premises in a clean and orderly condition, free of snow, ice, rubbish, and obstruction. Landlord shall have no responsibility whatsoever in respect of maintenance, repair or replacement, it being intended that Tenant shall have full responsibility for the Premises. Tenant shall hold Landlord harmless with respect to any liability in respect of maintenance, repair or replacement required under this Section. Landlord and Tenant shall promptly furnish the other with copies of all notices given to each by Governmental Authorities concerning environmental matters affecting the Premises and copies of all responses to Governmental Authorities.

SECTION 8
RIGHT TO ENTER

Landlord shall have access to the Premises and the Improvements in company with an agent of Tenant at any and all reasonable times for the purpose of inspecting the Premises, or for the purpose of carrying out the Landlord’s rights described herein, subject to the security requirements of any tenant or subtenant in possession.

SECTION 9
CONSTRUCTION AND ALTERATION OF IMPROVEMENTS

A. The Building comprising a portion of the Premises is a “certified historic structure” within the meaning of Section 47 of the Code. Landlord is rehabilitating the Building in a manner intended to qualify for the Historic Tax Credit and has agreed to pass the Historic Tax Credit through to Tenant in accordance with the provisions of Section 50(d) of the Code. The nature and scope of such rehabilitation work, including certain of the Tenant Improvements, is more specifically described in the Plans and Specifications. Landlord acknowledges that it is Landlord’s obligation to complete such rehabilitation in accordance with the Plans and Specifications and to complete all Tenant Improvements and all other improvements provided for in the Plans and Specifications that are to be constructed or made pursuant to the Construction Contract (“Landlord’s Work”). Landlord agrees, at its sole expense except as otherwise provided below, to cause the Landlord’s Work to be completed in a good and workmanlike manner conforming to the Plans and Specifications, the Historic Preservation Application, and all applicable law. Except when caused by the negligence or willful misconduct of Tenant or any of its agents, contractors or employees, Landlord shall indemnify and save Tenant harmless against and from, and shall reimburse Tenant for, all Adverse Consequences which may be imposed upon or incurred or paid by or asserted against Tenant by reason of or in connection with Landlord’s failure to complete Landlord’s Work. Notwithstanding the foregoing, if Tenant receives from any subtenant under any Sublease any payment to be applied to the cost of Tenant Improvements, Tenant shall promptly remit any such sum to Landlord. If Tenant is obligated under any Sublease to pay to the subtenant thereunder an amount based on the construction allowance provided by Tenant and/or the aggregate payments paid by such subtenant with respect to any Tenant Improvements exceeding the total cost of such
Tenant Improvements, and Landlord has agreed to pay any such amount, Landlord shall promptly remit such sum to Tenant upon Tenant's request. Landlord shall correct any defects in workmanship or materials in Landlord's Work which Landlord receives written notice of within one (1) year after substantial completion of the Landlord's Work provided that if any portion of the Landlord's Work is, pursuant to Landlord's contract with a contractor, assigned a different date of substantial completion than the date of substantial completion for the balance of the Landlord's Work, Landlord shall correct defects in workmanship or materials in any such portion of Landlord's Work which Landlord receives written notice of within one year after the date of substantial completion of such portion of Landlord's Work. Landlord hereby assigns to Tenant that portion of any guaranties of workmanship and/or materials that Landlord may receive in connection with Landlord's Work that extend beyond such one year period; provided, however, that upon the termination of this Lease, such portions of such guaranties shall, automatically and without the requirement of any further action, be reassigned and vest back in Landlord.

B. Subject to the provisions of Section 7 hereof, Tenant shall not demolish or destroy the Improvements without the prior written consent of Landlord. Tenant shall not have the right to make any material changes, additions, or alterations, structural or otherwise, to the Improvements without the prior written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. Any such work consented to by Landlord shall be performed in a good and workmanlike manner; in accordance with all applicable laws, statutes, ordinances, and codes; and without deviation or change in the plans in any material respect as approved by Landlord. Any contract for the construction or alteration of any Improvements entered after the Commencement Date, and any amendment thereto, shall be subject to the reasonable approval of Landlord, and such building contract shall state that the contractor's duties and obligations thereunder and in connection with the Improvements inure to the benefit of Landlord as well as Tenant.

C. Tenant shall have no authority, express or implied, to create or place or permit to be created or placed any lien or encumbrance, of any kind or nature whatsoever, upon the Premises. Tenant covenants and agrees to pay promptly all sums legally due and payable by Tenant on account of any labor performed, or on account of any material supplied, on or to the Premises as to which any lien is or legally can be asserted against Tenant's leasehold interest in the Premises or the Improvements.

D. Any maintenance and repair work, alterations, replacements, and additions in connection with the Improvements shall be of good quality.

E. Tenant shall not permit any tenant under any sublease to alter the Premises in any manner which would (i) increase Tenant's or Landlord's responsibilities for compliance with the applicable laws, without the prior written approval of Landlord, which shall not be unreasonably withheld, conditioned or delayed, or (ii) cause a default under the Loan Documents. The foregoing shall apply to tenant improvements constructed by Tenant or by any of its tenants. Landlord may condition any such approval upon receipt of a certificate from an architect, engineer or other person reasonably acceptable to Landlord that such improvements comply with the Americans with Disabilities Act and all other governmental requirements with respect to access to the Premises.
SECTION 10
INSURANCE

A. Tenant shall provide or cause to be provided such insurance, with such terms and conditions, as is required under the terms of the Mortgages. In the event that there is no Mortgage on the Building or any Lender imposes no insurance requirements, Tenant shall, at its own cost and expense, carry (or cause to be carried by subtenants) with companies acceptable to Landlord and any Lender, insurance in respect of the Premises and the Improvements that satisfies the requirements set forth in the Tenant Operating Agreement, which insurance may be maintained under a policy or policies covering the Premises and other premises in which Tenant or Tenant’s affiliates have an interest.

B. At a minimum, however, the following types of insurance shall be maintained in the name of the Tenant:

   (i) Commercial General Liability Insurance (Bodily Injury and Property Damage);

   (ii) Commercial Property Insurance;

   (iii) During the time that any alterations or improvements to the Premises are being made by Tenant (or such other appropriate period) All-Risk Builder’s Risk Insurance or, in the alternative, Property Insurance;

   (iv) Automobiles/Hired and Non-Owned Liability Insurance;

   (v) Boiler and Machinery: Comprehensive Form Insurance;

   (vi) Worker’s Compensation and Employees Liability Insurance; and

   (vii) Any other insurance the Tenant is required to maintain pursuant to any Sublease.

Insurance coverage must be evidenced by certificates of insurance and properly endorsed policies certified as true and correct by the insurance agent. All evidence of insurance must satisfy the following requirements: (a) the Tenant (rather than the Manager or the Landlord) should be the named insured where indicated; (b) the Landlord and New Markets 37, LLC should be named as additional insureds with respect to the policy issued to satisfy B(i) above; (c) policies must be written with an A.M. Best rated company of “A-” or better and a financial size category rating by A.M. Best of VIII or higher; (d) all binders and policies should contain a cancellation clause stating that the policy will not be canceled or non-renewed without at least thirty (30) days prior written notice to the Tenant and the Landlord except for non-payment of premium where ten (10) days notice will be given; (e) certificates must document the amount of all deductibles; and (f) all binders and policies must be accompanied by evidence of premium payment.

C. From and after the Commencement Date and at all times throughout the Term, Tenant shall at all times maintain rental interruption insurance which shall include coverage (a)
naming the Landlord as additional insured; (b) in an annual amount equal to the greater of (i) the respective annual depreciation with respect to the Building or (ii) the respective annual Tenant obligation to pay Rent under this Lease, including Base Rent and Additional Rent, in accordance with Exhibit B; and (c) for a term equal to the Term of this Lease, which term may be satisfied by a series of one-year renewals. Such rental interruption insurance, also known as rental continuation insurance, includes the costs of rebuilding in the event of destruction of the Premises and includes a rental continuation benefit that would guarantee the Tenant continue to make payment of the rents due under this Lease while the Premises is being rebuilt. Notwithstanding the foregoing, for the first five years after the Commencement Date, the premium for the rental interruption insurance shall be paid for by the Tenant.

D. Each insurance policy shall, to the extent obtainable, contain provisions that no act or negligence of Tenant or any subtenant or occupant of the Premises, or its or their contractors or subcontractors or their agents or employees which might otherwise result in a forfeiture of such insurance or any part thereof, shall in any way affect the validity or enforceability of such insurance insofar as Landlord or any Lender is concerned. All insurance required to be maintained by Tenant under Section 10 shall name Landlord and each Lender as additional insureds.

E. If Tenant shall fail to maintain any such insurance required hereunder, Landlord may, at Landlord's election, after fifteen (15) days' written notice to Tenant, procure the same, and the premium cost shall be Additional Rent, immediate and payable, it being hereby expressly covenanted and agreed that payment by Landlord of such premium shall not be deemed to waive or release the obligation of Tenant to payment thereof or any of Landlord's other rights hereunder.

F. Subject to the requirements of the Lenders (which shall prevail), insurance proceeds recovered by reason of destruction of the Improvements on the Premises shall be paid to Landlord to be held in escrow for Tenant, and such proceeds shall be used to repair and restore the Improvements so damaged with the same type of material and quality of construction as when the Improvements were originally constructed. Any excess may be applied first to the payment of the outstanding principal balance of the Mortgage having the highest priority, and thereafter to the payment of the outstanding principal balance of any other Mortgage (if any), and thereafter to Tenant. If the insurance proceeds are insufficient to pay for the full cost of the repair and restoration of the Improvements, Tenant shall deposit the deficiency with Landlord within thirty (30) days following the payment of insurance proceeds by the insurance carrier, and such sum shall be disbursed by Landlord following disbursement of the insurance proceeds to pay for the completion of the repair and restoration.

G. Each party waives all rights and claims against each other for property losses, damage or injury caused by fire or other perils to property as are covered by the property insurance required to be maintained by Tenant pursuant to this Section 10, including any claims for deductibles.

SECTION 11
CONDEMNATION
A. In the event that the entire area of the Premises shall be acquired by a Taking, and such Taking relates to the entire fee simple title to the Premises, as well as to the right, title, and interest of Tenant, the Lease shall be terminated as of the date of such Taking, provided however, the Tenant shall remain obligated under the Lease as provided in Section 3.H. The parties hereby agree that there shall be an equitable apportionment of the condemnation award as set forth in Section 11.D hereof.

B. If there shall be a Taking of any portion of the Premises less than the whole, the portion of the Premises not so taken shall be restored to good condition, and Tenant shall be responsible for restoration of the Improvements to the extent of available proceeds, and Tenant shall remain obligated under this Lease as provided in Section 3.H hereof.

C. Subject to the terms of the Financing Documents, if there is a Taking of all or part of the right to possession and use of the Premises, Tenant shall be entitled to that portion of the award, to the extent that it relates to a period within the Term, and there shall be no abatement or reduction in Rent.

D. In the event of any Taking, the net condemnation award (after deduction of all expenses, including fees of attorneys, appraisers, and expert witnesses) shall be paid as follows and in the following order of priority:

(i) To any Lender, the balance due on any loan secured by a Mortgage; provided, however, that if there is more than one Lender, the net condemnation award shall be applied to the payment in full (or until the net condemnation award has been exhausted) of a loan secured by a Mortgage having a higher lien priority than another Mortgage prior to the application of the net condemnation award to the loan secured by the Mortgage of lower lien priority;

(ii) To Landlord, a sum equal to the value of the portion of the Premises taken, valued with the Improvements, determined as if the Improvements then situated thereon were the highest and best use to which the land could lawfully be put, plus the present value of Landlord's interest in the Improvements at the end of the Term; and

(iii) Notwithstanding anything to the contrary herein contained, Tenant shall be entitled to any award in respect of moving expenses, or loss of goodwill or profit or in respect of fixtures owned by Tenant, or the cost or expense for the repair and removal of such fixtures.

E. Tenant and any Lender shall have the right to intervene in any condemnation.

SECTION 12
ASSIGNMENT AND SUBLETTING

A. Subject to the provisions of Section 12.C, Landlord may assign this Lease or Landlord's reversion hereunder without the necessity of obtaining Tenant's consent or permission.
B. Tenant may not assign or encumber this Lease, in whole or in part, by operation of law or otherwise, without the prior written consent of Landlord.

C. Notwithstanding anything herein to the contrary, (i) Landlord shall not assign or transfer this Lease to a person or entity that would cause a recapture or loss of all or any portion of the Historic Tax Credit passed through to Tenant hereunder, (ii) Tenant shall not enter into any sublease of any portion of the Premises whose occupancy thereof would, singularly, or in the aggregate with other tenants or subtenants of the Premises, cause the Premises to be deemed to be “tax-exempt use property” under Sections 47(c)(2)(B)(v) or 168(h) of the Code (or any corresponding or related provision of the Code), and (iii) (ii) Tenant shall not enter into any sublease of any portion of the Premises whose occupancy thereof would constitute a Tenant Excluded Business.

D. Tenant shall perform all of its obligations under all Subleases.

SECTION 13
EVENTS OF DEFAULT

A. Any one or more of the following events shall constitute an “Event of Default” hereunder:

(i) If default shall be made in the due and punctual payment of any Annual Rent or any part thereof payable under this Lease when and as the same shall become due and payable and the same is not cured within ten (10) business days from the date of Notice of Default from Landlord to Tenant; or

(ii) If default shall be made in the due and punctual payment of the Additional Rent, or Auxiliary Rent, or any of the other amounts or any part thereof payable by Tenant under this Lease when and as the same shall become due and payable and the same is not cured within ten (10) days from the date of Notice of Default from Landlord to Tenant; or

(iii) If default shall be made by Tenant in the performance of, or in compliance with, any of the other terms, covenants, or conditions contained in this Lease; and the same is not cured within thirty (30) days from the date of Notice of Default from Landlord to Tenant; or

(iv) Tenant files a petition in bankruptcy or insolvency or for reorganization under any bankruptcy or insolvency law or act or for the appointment of a receiver or trustee of all or a portion of Tenant’s property; or

(v) Involuntary proceedings are instituted against Tenant under any bankruptcy or insolvency law or act and are not vacated or withdrawn within sixty (60) days after the date of filing thereof.

B. Whenever Landlord serves upon Tenant a Notice of Default, pursuant to the notice provisions hereof, Landlord also shall deliver a copy of such Notice of Default to the Lenders.
SECTION 14
CURING OF DEFAULT

With respect to any default described in Section 13.A.(iii) that is of such nature that it cannot, by due diligence, be cured within the period of time specified in Section 13.A.(iii), Tenant shall commence the curing of such default within the period specified in Section 13.A.(iii), then Tenant shall be entitled to as long a period to cure such default as may be required by Tenant in the exercise of due diligence in endeavoring to cure such default, provided that Tenant is diligently pursuing a cure of the default.

SECTION 15
LANDLORD'S REMEDIES

A. Upon the expiration of the period of time set forth in a Notice of Termination, without the specified Events of Default having been cured, this Lease shall terminate and Tenant shall then immediately quit and surrender the Premises and each and every part thereof to Landlord, and Landlord may enter upon the Premises, by force, summary proceedings, or otherwise, subject in each case to the provisions of any of the Subleases. In any of such events, Landlord shall be entitled to the benefit of all provisions of the ordinances and public local laws of the city or county where the Premises is located and of the public general laws of the State of Michigan dealing with the speedy recovery of lands and tenements held over by tenants or proceedings in forcible entry and detainer. Upon any entry or re-entry by Landlord, with or without legal process, Landlord shall also have the right (but not the obligation) to relet all or any part of the Premises, from time to time, at the risk and expense of Tenant, subject to the Subleases. No re-entry by Landlord with or without a declaration of termination shall be deemed to be an acceptance or a surrender of this Lease or as a release of the Tenant’s liability for damages under the provisions of this Section. Landlord covenants notwithstanding any remedy granted to it under this Lease, not to disturb the possession of any subtenant then occupying the premises under any Sublease.

B. Tenant further agrees (i) notwithstanding re-entry by Landlord with or without termination pursuant to the provisions above, or (ii) if this Lease is terminated by reason of an Event of Default, or (iii) if Landlord retakes possession with or without process of law and/or re-enters with or without a declaration of termination, or (iv) if Landlord, following any of the foregoing events, elects to let or relet the Premises (whether once or more than once during the remainder of the Term, and upon such conditions as are satisfactory to Landlord), then Tenant shall, nevertheless, in each instance, remain liable for the performance of any covenant of this Lease then in default and for all Rent that may be due or sustained before the date of the occurrence of any of the events described in items (i), (ii), or (iii) above, together with the cost of seizure and repossession of the Premises and reasonable attorney’s fees incurred by Landlord as a result of the breach of this Lease. In any of such events, Tenant agrees that it will remain liable to Landlord for liquidated damages to be calculated and paid as set forth in the following Subsection.

C. As liquidated damages arising out of the foregoing, Tenant shall pay to Landlord an amount of money equal to the total amount of Rent that would have become payable during the unexpired portion of the Term remaining at the time of re-entry, repossession, or termination,
less the net amount of Rent, if any, received by Landlord during the remaining Term from others to whom the Premises may be rented, at such times, upon such terms and conditions, and at such rentals as Landlord shall deem proper. Landlord shall first deduct from any amounts received from any such letting or reletting any reasonable costs and expenses incurred in connection with the Event of Default, including, but not limited to, the cost to repair, restore, renovate, or decorate the Premises for a new tenant, reasonable attorney’s fees, real estate commissions, and the cost of any legal actions brought against Tenant. In connection with any such reletting(s), Landlord shall have the absolute right, without such actions being, or being deemed to be, a surrender of its rights, a cancellation of this Lease, or a release of Tenant’s liability hereunder for the balance of the Term, to let or relet the Premises for a longer or shorter term than that remaining after the Event of Default, to lease more or less area than that contained in the Premises, to lease the Premises together with other premises or property owned or controlled by Landlord, and to change the character or use of the Premises. Tenant shall continue to be responsible and liable for any deficit created thereby, and Landlord shall retain and apply any surplus until all such liquidated damages shall have been paid in full to Landlord. The liquidated damages shall be payable in monthly installments, in advance, on the first day of each calendar month following re-entry, with or without termination, and shall continue until the date fixed herein as the normal expiration date of the Term of this Lease.

D. Suit or suits for the recovery of such deficiency or damages or for a sum equal to any installment or installments of Rent may be brought by Landlord from time to time, at Landlord’s election. Nothing herein contained shall be deemed to require Landlord to await the date when this Lease or the Term would have normally expired had there been no such Event of Default by Tenant or no such cancellation or termination by Landlord, nor shall Landlord be barred by any claim involving a statute of limitations or other defense should Landlord delay in filing suit.

E. No entry or re-entry by Landlord, whether had or taken under summary proceedings or otherwise, nor any termination hereof, nor any letting or reletting shall absolve or discharge Tenant from liability hereunder.

F. No payment received by Landlord from Tenant after re-entry or the cancellation or termination of this Lease in any lawful manner shall reinstate, continue, or extend the Term of this Lease or affect any notice theretofore given to Tenant by Landlord or operate as a waiver of the right of Landlord to recover possession of the Premises by proper suit, action, proceedings, or other remedy.

G. Nothing in this Section shall limit or prejudice the right of Landlord to prove and to obtain, as liquidated damages by reason of a termination arising out of the provisions of this Section, an amount equal to the maximum allowed by any statute or rule of law in effect as of the time when, and governing the proceedings in which, such damages are to be proved, whether or not such amount be greater, equal to, or less than the amount of liquidated damages computed under this Section.
SECTION 16
SPECIAL RIGHTS OF INVESTOR AND SUBTENANTS

The following shall apply with respect to the Investor:

A. Landlord agrees to accept payment or performance by the Investor or the subtenant leasing the largest portion of the Premises ("Largest Subtenant") as though Tenant had done the same, and the Investor and the Largest Subtenant shall have the right to cure any breach, default or Event of Default within the time periods provided in this Section 16.

B. Landlord agrees to give the Investor, at the Investor Address, a written copy of all notices and demands that Landlord gives to Tenant at the time such notices and demands are given to the Tenant. No notice or demand under this Lease shall be effective until after the Investor receives such notice. All notices of a default or an Event of Default given by Landlord under this Lease shall describe the default or Event of Default with reasonable detail, and set forth all of the applicable cure period(s).

C. After receipt by Tenant of a notice of an Event of Default under this Lease and the expiration of any applicable period of cure given to Tenant under this Lease, Landlord shall deliver an additional notice (an "Investor's Notice") to the Investor and the Largest Subtenant. Such notice shall specify the Event of Default and shall state that Tenant's period of time to cure has expired. The Investor and the Largest Subtenant shall thereupon have the additional periods of time to cure any uncured Event of Default, as set forth below, without payment of default charges, fees, late charges or interest that might otherwise be payable by Tenant. The Investor or the Largest Subtenant must pay any due and unpaid Rent as a condition to curing an Event of Default that is based upon the non-payment of Rent. Landlord shall not terminate this Lease or exercise its other remedies under this Lease if:

   (i) (a) Within ten (10) business days after the Investor's receipt of the Investor's Notice with respect to an Event of Default described in Section 13.A.(i) or (ii), the Investor or the Largest Subtenant cures such Event of Default or (b) within thirty (30) days after the Investor's receipt of the Investor's Notice of any other Event of Default, the Investor or the Largest Subtenant (A) cures the Event of Default, or (B) if the Event of Default reasonably requires more than thirty (30) days to cure, commences to cure the Event of Default and diligently prosecutes the same to completion; or

   (ii) If any Event of Default, by its nature, is such that it cannot practically be cured within said thirty (30)-day period, then the Investor and the Largest Subtenant shall have such time as shall be reasonably necessary to cure the Event of Default provided that such person commences such cure within said thirty (30)-day period and thereafter diligently prosecutes the cure to completion, and (A) cures all other Events of Default reasonably capable of cure, (B) complies with all other covenants and conditions of this Lease reasonably capable of compliance, and (C) continues to pay all real property taxes and assessments, and insurance premiums to be paid by Tenant under this Lease.

D. Landlord agrees to accept performance by the Investor or the Largest Subtenant of all cures, conditions and covenants as though performed by Tenant, and agrees to permit the
Investor access to the Premises to take all such actions as may be necessary or useful to perform Tenant’s covenants under this Lease or to cure an Event of Default of Tenant. The Investor or the Largest Subtenant shall not be required to perform any act that is not susceptible to performance by the Investor or the Largest Subtenant; provided, however, that if the Investor or the Largest Subtenant is unable to cure an Event of Default or to perform a Tenant covenant because of the foregoing limitation, Landlord shall be permitted to terminate the Lease, and shall honor any Subleases then in effect.

SECTION 17
TENANT’S INDEMNIFICATION

Except when caused by the negligence or willful misconduct of Landlord or any of its agents, contractors or employees, Tenant shall indemnify and save Landlord harmless against and from, and shall reimburse Landlord for, all Adverse Consequences which may be imposed upon or incurred or paid by or asserted against Landlord or Landlord’s fee or reversionary or other interest in the Premises by reason of or in connection with any of the following:

A. Tenant’s use and occupancy of the Premises;

B. the conduct of Tenant’s business or any work or activity or other things allowed or permitted by Tenant to be done in or on the Premises;

C. any breach or default in the performance of any of Tenant’s obligations under this Lease including but not limited to any violation of any Handicapped Access Laws;

D. any misrepresentation or breach of warranty by Tenant under this Lease; and/or

E. the negligence or willful misconduct of Tenant, its agents, employees, invitees or contractors.

In case any action or proceeding is brought against Landlord by reason of any claims described in this Section, Tenant, if Landlord gives Tenant prompt notice thereof, shall, at Tenant’s expense, resist or defend such action or proceeding.

SECTION 18
LANDLORD’S WARRANTIES

Landlord warrants that if and so long as Tenant shall not be in default hereunder beyond any applicable cure period, Tenant shall quietly hold, occupy, and enjoy the Premises and all rights relating thereto during the Term, without hindrance, ejection, or molestation by Landlord or any party claiming by, through, or under Landlord.

SECTION 19
LANDLORD’S RIGHT TO PERFORM

If Tenant commits a default in the making of any payment or in the doing of any act herein required to be made or done by Tenant and which is capable of being made or done by Landlord, then Landlord may, but shall not be required to, make such payment or do such act;
provided, however, that except in the case of an emergency, for which no notice is required, Landlord shall not make any payment or perform any such act without giving Tenant twenty (20) days’ prior written notice of its intention to do so. The amount of the expense thereof, if made or done by Landlord, shall be charged to Tenant as Additional Rent, payable on demand, and the late charge specified in Section 4 shall accrue from the date paid or performed by Landlord; but the making of such payment or the doing of such act by Landlord shall not operate to cure such default or to estop Landlord from the pursuit of any remedy to which Landlord may be entitled because of any breach on the part of Tenant of any term, covenant, or condition herein, nor shall the acceptance of Annual Rent herein by Landlord either from Tenant or any subtenant, whether or not such delay or acceptance be with knowledge on the part of Landlord of such breach, prejudice Landlord’s privilege to invoke such remedy, which privilege shall continue until such breach is cured.

SECTION 20
ESTOPPEL CERTIFICATES

A. Tenant agrees at any time and from time to time, upon not less than ten (10) days’ prior written notice by Landlord, to execute, acknowledge, and deliver, without charge, to Landlord, or to any person designated by Landlord, a statement in writing certifying: (i) that this Lease is in full force and effect and has not been modified, assigned, subleased, supplemented, or amended except by such writings as shall be stated; (ii) that Tenant has not received any Notice of Default or Notice of Termination of this Lease (or, if Tenant has received such notice that the default has been cured or termination has been revoked, if such be the case); (iii) that, to the knowledge of Tenant, no default exists hereunder (or if any such default does exist, specifying the same and stating that the same has been cured, if such be the case); (iv) that Tenant has no claims, defenses, set-offs, or recoupments against Landlord hereunder (or if Tenant has any claims, defenses, set-offs, or recoupments, specifying the same); and (v) the dates to which Rent has been paid.

B. Landlord agrees at any time and from time to time, when reasonably requested by Tenant in writing, to execute, acknowledge, and deliver, without charge, to Tenant, or to any person designated by Tenant, a statement in writing certifying: (i) that this Lease is in full force and effect and has not been modified, assigned, subleased, supplemented, or amended except by such writings as shall be stated; (ii) that no Notice of Default or Notice of Termination of this Lease has been served on Tenant (or if Landlord has served such notice, that the default has been cured or the termination has been revoked, if such be the case); (iii) that Landlord has no claims against Tenant hereunder (or, if Landlord has any such claims, specifying the same); and (iv) the dates to which the Rent has been paid by Tenant.

C. The failure of either party to execute, acknowledge, and deliver to the requesting party a statement in accordance with the provisions of this Section within the period set forth herein shall constitute an acknowledgment by the party to whom the request is made, which may be relied upon by any person holding or intending to acquire any interest whatsoever in the Premises or the Building, that, except as stated by the requesting party in the request, this Lease has not been assigned, amended, changed, or modified, is in full force and effect, and that the Rent has been duly and fully paid not beyond the respective due dates immediately preceding the date of the request for such statement. As to any persons entitled to rely on such statements,
such failure shall also be deemed to be a waiver of any defaults by the requesting party or defenses, set-offs, recoupments, or counterclaims against the enforcement of this Lease by the requesting party which may exist prior to the date of the written request.

SECTION 21
PASS-THROUGH ELECTION

A. Subject to the terms and conditions of this Agreement, Landlord shall file an election (the "Election") with respect to the Building to pass through the Historic Tax Credit relating to the Premises to Tenant pursuant to the provisions of Section 50(d) of the Code and Section 1.48-4 of the Treasury Regulations.

B. The Election shall be substantially in the form attached to that certain Pass-Through Agreement of even date herewith between Landlord and Tenant and shall be filed with Tenant on or before the respective due dates (including any extensions of time) of Tenant’s tax returns for the years in which the QRE incurred in connection with the rehabilitation of the Building are first placed in service.

C. Landlord shall prepare and submit to the National Park Service, the Secretary of the Treasury or the Internal Revenue Service (or any other governmental authority designated for such purpose), on a timely basis, any and all requests for approval, reports, information returns and other certifications and information required

(i) to ensure that the rehabilitation of the Building will qualify for the Historic Tax Credit;

(ii) to pass through the Historic Tax Credit to Tenant; and

(iii) subject to the provisions of this Lease, to avoid recapture of the Historic Tax Credit under Section 50 of the Code or any reduction of the Historic Tax Credit under Sections 49, 50(b)(3) or 168(h) of the Code.

D. In order to induce Tenant to enter into this Lease, Landlord hereby represents and covenants as follows:

(i) The Building is listed on the National Register of Historic Places maintained by the Department of the Interior pursuant to the National Historic Preservation Act of 1966.

(ii) Upon completion of the rehabilitation of the Building, the QRE incurred in connection therewith will be “new section 38 property” (within the meaning of Section 1.48-2 of the Regulations) in the hands of Landlord, and the “original use” of such QRE (within the meaning of Section 1.48-4(b) of the Regulations) will commence with Landlord. Such rehabilitation will, upon completion, constitute a “certified rehabilitation” of a “certified historic structure” (as such terms are defined in Section 47 of the Code).
(iii) The QRE incurred in connection with the rehabilitation of the Building would constitute "new section 38 property" to Tenant if Tenant had actually purchased such QRE, and Tenant will be deemed to be the "original user" of such QRE (within the meaning of Section 1.48-4(b) of the Regulations).

(iv) Neither Landlord nor any of its direct or indirect partners or members is a mutual savings bank, cooperative bank, or domestic building and loan association to which Section 593 of the Code applies; a regulated investment company or real estate investment trust subject to taxation under Subchapter M, Chapter 1 of the Code; or a cooperative organization described in Section 1381(a) of the Code.

(v) To the best of its knowledge, Landlord does not and will not have any debt or financing that constitutes "nonqualified nonrecourse financing with respect to the credit base" of the Building within the meaning of Section 49(a)(1) of the Code.

(vi) The QRE incurred during the 60-month period ending in the year in which the Credit Commencement Date occurs for any portion of the Building on its placed in service date for federal income tax purposes (the "Measuring Period") will exceed the greater of (i) $5,000 or (ii) the adjusted basis (within the meaning of Section 47(c)(1)(C)(i) of the Code) of the Building and its structural components as of the first day of the Measuring Period.

(vii) All of the expenditures included in the calculation of QRE for the Building are properly chargeable to a capital account for commercial real property (or an addition or improvement thereto) for which depreciation is allowable under Section 168 of the Code.

(viii) Landlord did not use for personal or business purposes or place in service any portion of the Building on or prior to the Effective Date. As of the Effective Date, the Building was not in a condition or state of readiness for its operation or occupancy as a commercial rental complex.

(ix) No one has claimed or will claim any Historic Tax Credits with respect to the QRE incurred by Landlord with respect to the Building except Tenant.

(x) The Building was placed in service at least once by a prior owner before the beginning of its rehabilitation by Landlord.

(xi) The rehabilitation expenditures that form the basis for the Historic Tax Credit of the Building do not include (i) any expenditure with respect to which a method other than the straight-line method of depreciation over a recovery period determined under Section 168(c) or (g) of the Code (as modified by Section 251(d)(4) of the Tax Reform Act of 1986) will be used, (ii) the cost of acquiring the Building, or (iii) to the best of Landlord's knowledge, the cost of any enlargement of the Building, excluding any increase in floor space resulting solely from interior remodeling.

(xii) No portion of the Building is, or will be, tax-exempt use property (within the meaning of Section 168(h) of the Code).
(xiii) Landlord shall not take any action or permit any action to be taken by any of its affiliates that would (i) cause the Election not to be effective or otherwise result in a loss of the ability of Tenant to utilize the Historic Tax Credit to be passed through to Tenant pursuant to the terms of this Lease or (ii) cause a Recapture Event to occur.

E. In order to induce Landlord to enter into this Lease, Tenant hereby represents, warrants, and covenants as follows:

(i) Subject to the satisfaction by the Landlord of its obligations under this Section 21 and except as otherwise required by any applicable provisions of the Code, Tenant shall claim the Historic Tax Credit passed through to it pursuant to the provisions of this Agreement for the rehabilitation of the Building on its United States federal income tax returns for the year in which the QREs are first placed in service (subject to any available carryback or carryforward election).

(ii) The QRE incurred in connection with the rehabilitation of the Building would constitute “new section 38 property” to Tenant if Tenant had actually purchased such QRE.

(iii) Tenant shall file its tax returns, shall execute and deliver such certifications, statements and other documents, and shall take such other action as may be necessary to effectuate the pass-through of the Historic Tax Credit relating to the Building to Tenant in accordance with the provisions of Section 50(d) of the Code and Section 1.48-4 of the Regulations.

(iv) Tenant shall not take any action or permit any action to be taken by any of its affiliates that would (i) cause the Building to constitute “tax-exempt use property” within the meaning of Section 168(h) of the Code (or any successor provision) or (ii) cause a Recapture Event to occur.

SECTION 22
NOTICES

All Notices shall be in writing and shall be sent by a nationally recognized next-business-day courier service or facsimile (with evidence of receipt) to Landlord or Tenant at the respective address or telecopier number set forth in Section 1. Either party may, by notice given as aforesaid, change its address for all subsequent Notices. Notices shall be deemed to have been given on the next business day following the day when transmitted in accordance herewith. All Rent and payments of monies due to Landlord shall be made to Landlord at Landlord’s Address.

SECTION 23
RECORDING

The parties hereto agree to record a statutory short-form memorandum of this Lease, but this Lease will not be recorded.

SECTION 24
WAIVER OF JURY TRIAL
Landlord and Tenant waive trial by jury in any action or proceeding brought by either of the parties hereto against the other or on any counterclaim in respect thereof on any matters whatsoever arising out of, or in any way connected with, this Lease, the relationship of Landlord and Tenant, Tenant’s use or occupancy of the Premises and/or any claim of injury or damage under this Lease.

SECTION 25
NO PARTNERSHIP

Landlord shall not be construed or held to be a partner or associate of Tenant in the conduct of Tenant’s business, it being expressly understood and agreed that the relationship between the parties hereto is and shall at all times remain, during the Term, that of landlord and tenant.

SECTION 26
NO WAIVER

No failure by Landlord or Tenant to insist upon the performance of any term, covenant, or condition of this Lease or to exercise any right or remedy consequent upon a default or Event of Default hereunder, and no acceptance of full or partial payment of Rent during the continuance of any such default or Event of Default shall constitute a waiver of any such default or of such term, covenant, or condition. No waiver of any default or Event of Default shall affect or alter this Lease, but each and every term, covenant, and condition of this Lease shall continue in full force and effect with respect to any other then existing or subsequent default or Event of Default hereunder.

SECTION 27
APPLICABLE LAW, CONSTRUCTION OF LANGUAGE OF LEASE

This Lease is made pursuant to, and shall be construed and enforced in accordance with, the laws in force in the State of Michigan. All provisions of this Lease shall be construed to be “conditions” and “covenants” as though language specifically expressing or imposing covenants and conditions were used in each separate provision of this Lease.

SECTION 28
COVENANTS RUN WITH THE LAND

A. The parties hereto covenant and agree that all of the terms, covenants, conditions, agreements, rights, privileges, obligations, duties, specifications, and recitals in this Lease contained shall be construed as covenants running with the land, and as extending to, inuring to the benefit of, and binding upon Landlord and Tenant and their personal representatives, successors, and assigns to the same extent as if said personal representatives, successors, and assigns were herein named as original parties hereto, all to the end that this Lease shall bind the owner and holder of any interest whatsoever in or to the Premises and the Improvements thereon; provided, however, that no rights shall accrue to any personal representative, successor, or assign of Tenant not permitted under Section 12. If Tenant shall consist of more than one person or
entity, they shall all be bound jointly and severally by the terms, covenants, and conditions herein.

B. In any provision of this Lease involving Landlord’s being defended, released from liability, indemnified, held harmless, or not being deemed to be liable for any action, omission, or circumstance, the term “Landlord” shall include Landlord and Landlord’s contractors and subcontractors and its or their present and future controlling persons, managers, members, directors, officers, employees, and agents.

SECTION 29
NO BROKER

The parties hereto covenant and agree with each other that no person is entitled to a brokerage commission, finder’s fee, or other similar form of compensation in connection with the execution of this Lease. Each party agrees to hold harmless the other for any action or claim by a person alleging entitlement to such a fee and claiming through that party.

SECTION 30
ACCORD AND SATISFACTION

No payment by Tenant or receipt by Landlord of a lesser amount than any payment of Rent herein stipulated shall be deemed to be other than on account of the earliest stipulated Rent due and payable, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as Rent be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice to Landlord’s right to recover the balance of such Rent or pursue any other remedy provided in this Lease, at law, or in equity.

SECTION 31
HOLDING OVER

Should Tenant hold over in possession of the Premises after the expiration of this Lease, Tenant shall be deemed to be occupying the Premises from month to month, subject to such occupancy being terminated by either party upon at least thirty (30) days’ written notice, as though this Lease had continued. Such occupancy shall be subject to all of the terms, covenants, and conditions of this Lease insofar as the same may be applicable to a month-to-month tenancy except that the Annual Rent shall be calculated at one hundred twenty-five percent (125%) of the Annual Rent in effect at the expiration of this Lease. In addition, Tenant shall pay as Additional Rent to Landlord for all damages sustained by reason of Tenant’s retention of possession. Nothing in this Section excludes Landlord’s rights of re-entry or any other right hereunder.

SECTION 32
CAPTIONS

The captions appearing in this Lease are inserted only as a matter of convenience and do not define, limit, construe, or describe the scope or intent of the Sections of this Lease nor in any way affect this Lease.
SECTION 33
CALCULATION OF TIME

In computing any Period of time prescribed or allowed by any provision of this Lease, the
day of the act, event, or default from which the designated period of time begins to run shall not
be included. The last day of the period so computed shall be included, unless it is a Saturday,
Sunday, or a legal holiday, in which event the period runs until the end of the next day which is
not a Saturday, Sunday, or legal holiday. Unless otherwise provided herein, all notice and other
periods expire as of 5:00 p.m. on the last day of the notice or other periods.

SECTION 34
SEVERABILITY; REDUCTION OF CHARGES

A. If the application of any term or provision of this Lease whether in whole or in
part is held invalid or unenforceable in general or in any instance, the remainder of this Lease
shall not be affected by such holding and shall be fully valid and enforceable.

B. In the event that any late charge, interest rate, or other payment provided herein
exceeds the maximum applicable charge legally allowed, such late charge, interest rate, or other
payment shall be reduced to the maximum legal charge, rate, or amount.

SECTION 35
COUNTERPARTS

This Lease may be executed in multiple counterparts or in duplicate, and when so
executed by all parties shall constitute one agreement.

SECTION 36
TOTAL AGREEMENT

This Lease contains the entire agreement between the parties and cannot be changed or
modified except by a written instrument subsequently executed by the parties hereto and (ii) is
intended to govern the rights and obligations of the parties from and after the Commencement
Date.

SECTION 37
NO MERGER

There shall be no merger of this Lease or of the leasehold estate hereby created with the
fee estate in the Premises or any part thereof by reason of the fact that the same person, firm,
corporation, or other legal entity may acquire or hold, directly or indirectly, this Lease or the
leasehold estate and the fee estate in the Premises or any interest in such fee estate, without the
prior written consent of any Lender.
SECTION 38
TIME OF THE ESSENCE

Time is of the essence in all provisions of this Lease to be performed by or on behalf of Tenant and Landlord.

SECTION 39
THIRD PARTY RIGHTS

A. Notwithstanding anything to the contrary set forth elsewhere in this Lease, Landlord and Tenant hereby acknowledge and agree that the Investor shall be deemed to be a third-party beneficiary of the provisions of this Lease which specifically grant to the Investor rights and/or benefits, including, without limitation, those provisions which entitle the Investor to receive notice and exercise the right to cure. In connection therewith, the Investor may seek any and all remedies available to the Investor in order to enforce such provisions.

B. Rights of the Lender; Limitation on Liabilities. No Base Rent, Additional Rent or any other charge shall be paid more than ten days prior to the due dates thereof and payments made in violation of this provision shall (except to the extent that such payments are actually received by the Lender in possession or in the process of foreclosing its Mortgage) be a nullity as against the Lender, and Tenant shall be liable for the amount of such payments to the Lender. The covenants and agreements contained in this Lease with respect to the rights, powers and benefit of the Lender (including, without limitation, the covenants and agreements contained in this Section 39.B) constitute a continuing offer to any person, corporation or other entity, which by accepting a Mortgage subject to this Lease, assumes the obligations herein set forth with respect to the Lender; the Lender is hereby constituted a party to this Lease as an obligee hereunder to the same extent as though its name were written hereon as such; and the Lender shall be entitled to enforce such provisions in its own name. Tenant agrees on request of Landlord to execute and deliver from time to time any agreement which may be necessary to implement the provisions of this Section 39.

C. Subordination. This Lease and all rights of Tenant hereunder shall be subordinate to all current and future underlying leases, deeds of trust, mortgages or other security instruments or encumbrances covering any portion of the Premises or any interest of Landlord therein, as the same may be amended from time to time, provided that Landlord shall obtain a SNDA from any existing owner, lessor, mortgagee, current or future lender or holder of any security instrument or encumbrance covering any portion of the Premises using such party's customary form of SNDA provided an Event of Default does not exist. Tenant agrees that it will upon the request of Landlord without charge therefor (so long as there is no more than two requests in any 12-month period), execute, acknowledge and deliver any and all instruments necessary or desirable to confirm or give notice of the subordination provided herein. At any time, before or after any transfer of Landlord's interest in the Premises, Tenant shall, upon request of such transferee ("Successor Landlord"), automatically attorn to and become the Tenant of the Successor Landlord, without change in the terms or other provisions of this Lease (or, in the case of a permitted sublease, without change in this Lease or in the instrument setting forth the terms of such sublease); provided, however, that (i) the Successor Landlord shall not be bound by any payment made by Tenant of Rent for more than one (1) month in advance and (ii) in the case of a
Successor Landlord who succeeds to the interest of Landlord as a result of the enforcement of a deed of trust, mortgage or other security instrument, such Successor Landlord shall not be bound by (a) any amendment or modification of this Lease made after the date such deed of trust, mortgage, or other security instrument was executed and without the consent of the holder of such deed of trust, mortgage or other security instrument or (b) any work required to be done by Landlord pursuant to the terms of this Lease (excluding repair or maintenance obligations or obligations to restore in the event of casualty. This agreement of Tenant to attorn to a Successor Landlord shall survive any foreclosure sale, trustee’s sale, conveyance in lieu thereof or termination of any underlying lease. Tenant shall upon demand at any time, before or after any such foreclosure or termination, execute, acknowledge, and deliver to the Successor Landlord any written instruments evidencing such attornment as such Successor Landlord may reasonably require. Notwithstanding anything herein to the contrary and as a condition to Tenant’s obligation to attorn as aforesaid, Landlord shall obtain a SNDA from any existing owner, lessor, mortgagee, current or future lender or holder of any security instrument or encumbrance covering any portion of the Premises using such party’s customary form of SNDA provided an Event of Default does not exist. Tenant may terminate this Lease if Landlord fails to obtain such SNDA from any such party within ninety (90) days from the date of this Lease or the date the Landlord executes the subject lease, deed of trust, mortgage or other security instrument or encumbrance (provided that Tenant has cooperated reasonably with efforts to obtain the SNDA) on thirty (30) days written notice to Landlord subject to the right of Landlord to void the termination by obtaining the SNDA within such thirty (30) day period. If this Lease is terminated in accord herewith, Landlord shall reimburse to Tenant upon such cancellation Tenant’s reasonable expenses incurred in connection with this Lease.

INTENTIONALLY OMITTED

SECTION 41
INTENTIONALLY OMITTED

SECTION 42
ENVIRONMENTAL INDEMNITY

A. Tenant covenants and agrees to indemnify, protect, defend (by counsel reasonably satisfactory to Landlord), and save Landlord, its employees, agents, managers, members, and any successor thereof, harmless against and from any and all claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including, without limitation, remediation costs, environmental assessment costs, governmental compliance costs, and reasonable attorneys’ and experts’ fees and disbursements), known or unknown, foreseen or unforeseen, which may at any time be imposed upon, incurred by or asserted or awarded against Landlord, its employees, agents, managers, and members, or the Premises or any portion thereof and arising directly or indirectly, in whole or in part, from or out of any Hazardous Substances on, in, under or affecting all or any portion of the Premises that first become present on, in or under the Premises from and after the Commencement Date, including any such Hazardous Substances that first become present on, in or under the Premises from and after the Commencement Date and thereafter migrate off of the

SUBLEASE GUARANTY

In consideration of and as an inducement to ARGONAUT BUILDING MASTER TENANT LLC ("Sublandlord") to enter into that certain Sublease with TEF SIX, LLC ("Subtenant") dated as of September 30, 2008, whereby Sublandlord has subleased to Subtenant Suites 101, 102, 201, 301 and 401 located within the building commonly known as the Argonaut Building, Detroit, Michigan ("Sublease"), THOMPSON EDUCATIONAL FOUNDATION, a Michigan nonprofit corporation, the sole member of Subtenant ("Guarantor"), does, except as otherwise provided below, hereby absolutely, unconditionally, and irrevocably guarantee to Sublandlord the full, faithful and timely payment of all rent and all other sums required to be paid by Subtenant under the Sublease and the full, faithful and timely performance and observance of all of the other covenants and obligations of Subtenant under the Sublease. This is an absolute, irrevocable, unconditional, independent, present and continuing guaranty of payment and performance and not of collection and the obligations hereunder of Guarantor are primary and not secondary and are independent of the obligations of Subtenant. Notwithstanding anything to the contrary contained herein, Guarantor shall not be liable under this Guaranty for the failure of Subtenant to perform any obligation under the Sublease if Creative Urban Education, Inc. ("CUE") is responsible for performing such obligation under that certain Sublease dated September 30, 2008 between Subtenant, as sublandlord, and CUE, as subtenant (the "CUE Sublease"), and CUE, in breach of the CUE Sublease, fails to perform such obligation.

(b) Guarantor covenants and agrees that Sublandlord may proceed directly against Guarantor without first proceeding or making claim or exhausting any remedy against Subtenant, or pursuing any particular remedy or remedies available to Sublandlord. Sublandlord may join Guarantor in any action or proceeding commenced by Sublandlord against Subtenant in connection with and based upon any covenants or obligations under the Sublease.

(c) Guarantor consents to forbearances, indulgences, waivers, and extensions of time being afforded to Subtenant by Sublandlord. No act or omission on the part of Sublandlord shall affect or modify the obligations and liabilities hereunder of Guarantor.

(d) This Guaranty shall remain and continue in full force and effect notwithstanding (i) any renewal, extension, modification or amendment of the Sublease or (ii) any assignment of the interest of Subtenant in the Sublease; and Guarantor waives notice of any of the foregoing. The liability hereunder of Guarantor is based upon the obligations set forth in the Sublease, as the Sublease may be renewed, extended, modified, amended or assigned from time to time. Guarantor further waives all notice of acceptance of this Guaranty, presentment, protest, notice of protest, demands for performance, any notice of any breach, default, or nonperformance by Subtenant of its obligations, covenants or warranties under the Sublease, and any and all notices of non-performance which might otherwise be a condition precedent to the liability of Guarantor under this Guaranty.

(e) The obligations hereunder of Guarantor shall remain fully binding notwithstanding that Sublandlord may have waived one or more defaults by Subtenant or extended the time of performance under the Sublease by Subtenant or released, returned, misapplied, or failed to perfect or continue perfection of, or assigned, absolutely or as collateral,
any security interest in any collateral given to Sublandlord as additional security (including other guaranties) or released Subtenant from the performance of any or all of its obligations under the Sublease.

(f) Guarantor agrees to pay all of Sublandlord’s costs and expenses, including but not limited to attorney’s fees, incurred in enforcing this Guaranty. This Guaranty shall be governed by and construed according to the laws of the State of Michigan.

(g) Neither Guarantor’s obligations under this Guaranty nor any remedy for the enforcement thereof shall be impaired, modified, changed, released or limited in any manner whatsoever by the institution by or against Subtenant or any other person guaranteeing the Sublease of bankruptcy, reorganization, readjustment, receivership or insolvency proceedings of any nature, or the rejection of the Sublease in any such proceedings, or otherwise.

(h) This Guaranty shall be binding upon Guarantor and its successors and assigns and shall inure to the benefit of Sublandlord and its successors and assigns.

SUBLEASE SUBORDINATION AGREEMENT

This Agreement is dated as of September 30, 2008, among Argonaut Building Master Tenant LLC, a Michigan limited liability company, whose address is c/o College for Creative Studies, 201 E. Kirby, Detroit, Michigan 48202-4034 (the "Sublandlord") TEF-SIX, LLC, a Michigan limited liability company, whose address is c/o Thompson Educational Foundation, P.O. Box 6349, Plymouth, Michigan 48170 (the "Subtenant"); and JPMorgan Chase Bank, N.A., a national banking association, with offices at 611 Woodward, Detroit, Michigan 48226 (the "Bank").

(A) Argonaut Campus Developer LLC (the "Master Landlord") is the owner in fee of real property described in the attached Exhibit A (the "Premises").

(B) The Sublandlord, as tenant, and the Master Landlord as Landlord, entered into a Master Lease dated July 24, 2008 (as amended, extended, and/or renewed from time to time, the "Master Lease"), covering the Premises.

(C) The Sublandlord and Subtenant entered into a Sublease dated September 29, 2008 (as amended, extended, and/or renewed from time to time, the "Sublease"), covering that portion of the Premises described on Exhibit A-1 (the "Subleased Premises").

(D) The Master Landlord has applied to the Bank for and the Bank has given to Master Landlord a loan evidenced and secured by, among other things, a Construction Loan and Security Agreement dated July 24, 2008 (the "Loan Agreement") and a Mortgage dated July 24, 2008 covering the Premises (with all extensions, renewals, modifications, and substitutions, the "Mortgage").

(E) The Subtenant desires to be assured of continued occupancy of the Leased Premises under the terms of the Sublease, but subject to the terms of the Loan Agreement and Mortgage.

Therefore, the parties agree as follows:

1. The Sublease (including any option to purchase the Premises or the Subleased Premises contained in the Sublease, as well as any rights of first refusal) is and shall at all times continue to be subordinate in every respect to the Loan Agreement and Mortgage, including but not limited to, subject to the terms of paragraph 9 below, the right of the Bank to receive and to apply insurance proceeds and condemnation awards relating to the Premises and/or the

Sublease
TEF-Six
9/24/08
Subleased Premises as provided in the Loan Agreement; provided, however, that the Bank may at any time, in its sole discretion, declare the Sublease to be superior to the lien, provisions, and operation of the Loan Agreement and Mortgage. If there is any conflict between any provision of the Sublease and any provision of the Loan Agreement or Mortgage, the provision in the Loan Agreement or Mortgage, as the case may be, shall control, subject to the terms of this agreement.

2. Notwithstanding the foregoing, if the Subtenant is not in default under the Sublease or this agreement and if no event has occurred that would entitle the Sublandlord to terminate the Sublease, then (a) the Bank will not name or join the Subtenant in any foreclosure, exercise of a power of sale, sale by advertisement, or any other proceeding to enforce the Mortgage, unless the Bank must so name or join the Subtenant in order to perfect the foreclosure, the exercise of the power of sale, the sale by advertisement, or its rights under any other proceeding; (b) the Bank's enforcement of the Mortgage will not terminate the Sublease or disturb the Subtenant's use or possession of the Subleased Premises; and (c) the leasehold estate granted the Subtenant under the Sublease will not be affected in any manner by any foreclosure, exercise of a power of sale, sale by advertisement, or any other proceeding to enforce the Mortgage. Bank shall, if the Sublease was in effect and no Default (as defined in the Sublease) existed as of the date the Master Sublease terminated which is not waived by the Bank, upon Subtenant's request, and Subtenant shall in any event upon request of the Bank, enter into a new sublease of the Subleased Premises (the "New Sublease"), as lessor, with Subtenant, as lessee, upon, except as otherwise provided below, the same terms and conditions of the Sublease that would have been applicable to the unexpired term of the Sublease but for such termination of the Master Sublease or Subtenant's right to possession of the Subleased Premises with (i) the commencement date of the New Sublease to be the day immediately following the date that the Master Sublease is terminated or Subtenant's right to possession of the Subleased Premises is terminated, (ii) the term of the New Sublease to be equal to what would have been the unexpired term of the Sublease but for such termination of the Master Sublease or Subtenant's right to possession of the Subleased Premises. If the Bank fails to execute any such New Sublease, then the Bank shall nevertheless be deemed to have entered into the New Sublease with Subtenant and the Sublease, as modified by this paragraph, shall constitute a written instrument of sublease. If Subtenant's right to possession of the Subleased Premises is terminated without a termination of the Master Sublease and a New Sublease is entered into or deemed entered into pursuant to this paragraph, the Sublease shall be deemed to have terminated as of the commencement of the term of the New Sublease.

Notwithstanding the foregoing, the person acquiring the interest of the Sublandlord as a result of foreclosure, exercise of a power of sale, sale by advertisement, or any other proceeding to enforce the Mortgage, or by deed in lieu of foreclosure, including the Bank, and the successors and assigns of that purchaser or transferee (each, including the Bank, a "Purchaser"), shall not be:

(a) liable for any breach of the Sublease by, or any act or omission of, the Sublandlord or any prior Sublandlord of the Subleased Premises;
(b) subject to any claims or defenses of whatever nature that the Subtenant may have against the Sublandlord or any prior lessor of the Subleased Premises, or subject to any offsets, abatements, or deductions against rent that the Subtenant may have against the Sublandlord or any prior lessor of the Subleased Premises;

(c) bound by any rent or additional rent that the Subtenant may have paid to the Sublandlord or any prior lessor of the Subleased Premises more than one (1) month in advance;

(d) bound by any security deposit that the Subtenant may have paid to the Sublandlord or any prior lessor of the Subleased Premises, unless that deposit is held in an escrow account available to the Purchaser;

(e) bound by any amendment, modification, renewal, or extension of the Sublease that is made after the date of this agreement without the written consent of the Bank;

(f) bound by any assignment, sublease, mortgage, encumbrance, or any other disposition or transfer of all or any part of the Subtenant's interest under the Sublease or in the Subleased Premises that is made after the date of this agreement without the written consent of the Bank;

(g) bound by any provision in the Sublease obligating the Sublandlord (i) to erect or complete any building, (ii) to perform any construction work, (iii) to make any improvements whatsoever to the Premises or the Subleased Premises, or (iv) to provide funds, allowances, concessions, or rental abatements to the Subtenant for any of the purposes described in clauses (i), (ii), or (iii), unless those obligations are expressly assumed by the Purchaser;

(h) responsible for providing (or liable for not providing) any additional space for which the Subtenant has any option or right under the Sublease, unless the Purchaser expressly elects to provide same. The Subtenant agrees that it shall have no right to cancel or terminate the Sublease, abate rent, or assert any claim for damages or other monetary relief against the Purchaser as a result of the Purchaser's failure to provide any such space;

(i) liable under any indemnity provision of whatever nature contained in the Sublease, including, but not limited to, any environmental indemnification;

(j) liable for or have any responsibility related to any hazardous materials or other environmental conditions or contamination that existed on or under the Premises or the Subleased Premises prior to the Purchaser succeeding to the interest of the Sublandlord under the Sublease; or

(k) bound by any surrender, cancellation, or termination of the Sublease or the Subtenant's interest in the Subleased Premises, whether in whole or in part, unless either (i) the Bank has given its prior written consent thereto, or (ii) the surrender, cancellation, or termination is effected unilaterally by the Subtenant under a specific term of the Sublease; provided, however, that if the Subtenant's right to cancel, surrender, or terminate the Sublease and/or its interest in the Subleased Premises arises because of a default by the Sublandlord under the
Sublease, the Subtenant shall not terminate, cancel, or surrender the Sublease and/or its interest in the Subleased Premises because of that default unless (1) the Sublandlord is in default under the Sublease beyond any cure period provided in the Sublease; (2) the Subtenant has given the Bank prior written notice of the default as provided in paragraph 7 of this agreement; and (3) the cure period provided to the Bank in paragraph 7 has expired, and the Bank has not cured the default within that time.

3. If the interest of the Sublandlord under the Sublease is transferred by foreclosure, exercise of a power of sale, sale by advertisement, or any other proceedings for enforcement of the Mortgage, or by deed in lieu of foreclosure, the Subtenant will be bound to the Purchaser under the terms of the Sublease for the balance of the term remaining thereunder, together with any extensions or renewals, with the same effect as if the Purchaser were the lessor under the Sublease, and the Subtenant agrees to attorn to the Purchaser (including the Bank if it is the Purchaser) as its new landlord, this attornment to be effective and self-operative without the execution of any further instruments. Thereafter, the Sublease will continue in full force and effect as a direct lease between the Subtenant and the Purchaser under the terms and conditions set forth in the Sublease, except as those terms and conditions are modified by this agreement. Notwithstanding anything to the contrary in the Sublease, and subject to such other limitations as may be described in this agreement (including the exculpatory provisions of paragraph 4 below), the Bank or other Purchaser is responsible for performing only those covenants and obligations under the Sublease accruing after the Bank or other Purchaser (a) has acquired the Sublandlord's interest in the Premises and the Subleased Premises, and (b) has obtained possession and control of the Premises and the Subleased Premises. If the Bank becomes the Purchaser and then conveys its interest in the Premises to a third party, the Bank shall be released from all duties and obligations under the Sublease, whenever arising, after it has so conveyed its interest.

4. Notwithstanding any provision of this agreement or the Sublease, neither the Bank nor any other Purchaser (as well as any partner, shareholder, director, officer, member, manager, or employee of any Purchaser) has or will have any personal liability to the Subtenant, directly or indirectly, under or in connection with the Sublease or this agreement, and the Subtenant irrevocably waives and releases all such personal liability. The Subtenant will look solely to the Premises, and not to any other assets or property of the Bank or any other Purchaser, for the recovery of any damages or other monetary relief from the Bank or any other Purchaser (including any partner, shareholder, director, officer, member, manager, or employee of any Purchaser) relating to or arising out of any violation of, or failure to perform as required under, the Sublease or this agreement.

5. The Subtenant and the Sublandlord each certify and promise to the Bank that:

(a) As of the date of this agreement, the Sublease is in full force and effect and is unmodified (by "side letter" or otherwise) except as indicated by amendments attached to the Sublease.

(b) As of the date of this agreement, the Subtenant has not assigned, mortgaged, sublet, licensed, encumbered, or otherwise transferred or disposed of all or any part of its interest under the Sublease, except as follows:
(c) No rent has been paid or will be paid more than one (1) month in advance of its due date.

(d) As of the date of this agreement, the Subtenant has no charge, lien, or claim of offset under the Sublease or otherwise against rents or other charges due under the Sublease.

(e) Without the prior written consent of the Bank, (i) the Subtenant will not assign, sublet, license, mortgage, encumber, or otherwise transfer or dispose of all or any portion of its interest under the Sublease or in the Subleased Premises; (ii) neither the Sublease nor the Subtenant's interest in the Subleased Premises will be surrendered, cancelled, or terminated, unless that surrender, cancellation, or termination is effected unilaterally by the Subtenant under a specific term of the Sublease, subject to the terms of paragraph 7 of this agreement; and (iii) the Sublease will not be amended or modified (by "side letter" or otherwise), except that rents payable under the Sublease may be increased without the Bank's written consent.

(f) As of the date of this agreement, neither the Subtenant nor the Sublandlord is in default under the Sublease, nor do circumstances exist that with the passage of time, the giving of notice, or both, would constitute such a default.

(g) The Subtenant has no notice of prior assignment, hypothecation, or pledge of rents of the Sublease.

(h) As of the date of this agreement, there are no actions pending against the Subtenant, whether voluntary or involuntary, under the bankruptcy laws of the United States.

(i) The contingencies to effectiveness of the Sublease set forth in Section 3.4 of the Sublease have been satisfied.

On the Sublease Commencement Date, Sublandlord and Subtenant will execute and deliver to Bank the Commencement Date Agreement in the form of Exhibit B attached hereto.

6. Certificates. The Subtenant agrees at any time and from time to time to execute, deliver and acknowledge to the Sublandlord, to the Bank, or to any third party designated by the Sublandlord or by the Bank, within fifteen (15) days following the Sublandlord's or the Bank's written request therefor, (a) a statement in writing certifying that (i) the Sublease is in full force and effect, (ii) to Subtenant's actual knowledge, the Sublandlord is not in default thereunder (or specifying any defaults by the Sublandlord that the Subtenant alleges), (iii) rent has not been prepaid more than one (1) month in advance and (iv) any further information about the Sublease or the Subleased Premises that the Sublandlord, the Bank, or said third party may reasonably request; (b) a statement in writing that the Subtenant will recognize any new Sublandlord the assignee of the Sublandlord's rights under the Sublease; and (c) a statement in writing acknowledging or denying receipt of notice of any conditional or security assignment of the Sublease to any third party. The Subtenant understands that the Bank and/or prospective purchasers, other mortgagees or lessors of the Premises, or any part thereof, including the Subleased Premises, will rely on such certificates. The Subtenant's obligation to deliver such
certificates within fifteen (15) days, as described above, is a material obligation of the Subtenant hereunder and under the Sublease.

7. **Notice of Default Under Sublease.** The Subtenant will give the Bank prompt written notice (a "Default Notice") of any default by the Sublandlord under the Sublease if the default is such as to give the Subtenant a right (a) either immediately or after a period of time, to terminate, cancel, or surrender the Sublease and/or its interest in the Subleased Premises, (b) to reduce the rent payable under the Sublease, (c) to credit or set-off any amounts against future rents payable under the Sublease, or (d) to recover damages or other monetary relief from the Sublandlord. The Subtenant will not exercise any right to terminate, cancel, or surrender the Sublease and/or its interest in the Subleased Premises, sue for damages or other monetary relief, or seek or assert any other remedy (including abatement of, or set-off or credit against, rent payable under the Sublease) until:

(i) it has given the Bank the opportunity as provided in the Sublease, if any, plus one hundred twenty (120) days, plus

(ii) such reasonable period of time as is necessary thereafter to remedy the default identified in the Default Notice if the Bank has commenced and is diligently pursuing such remedy.

Notwithstanding the foregoing, the Subtenant agrees that the Bank shall have no obligation to remedy any such Sublandlord default. The Subtenant will give the same notice and opportunity to cure to any successor to or assignee of the Bank's interest in the Mortgage if, before any default by the Sublandlord under the Sublease, the successor or assignee gives written notice to the Subtenant of its acquisition of the Bank's interest in the Mortgage and designates the address to which the notice is to be sent. Notwithstanding the foregoing, neither the Bank nor any successor or assignee has any obligation to cure any default by the Sublandlord under the Sublease.

8. **Modification of Obligations or Loan Documents.** From time to time, the Bank may, without notice to or consent of the Subtenant and without impairing or affecting this agreement, do any of the following as to any of the Obligations or Loan Documents (as defined in the Loan Agreement): (a) amend, modify, extend, or renew any or all of the Obligations or Loan Documents; (b) change the rate of interest being charged on any or all of the Obligations or Loan Documents; (c) release the Master Landlord, any guarantor, any surety or any other third party from liability on any or all of the Obligations or Loan Documents; (d) compromise or settle the terms of any or all of the Obligations or Loan Documents; (e) forbear or agree to forbear from taking any action against the Master Landlord, any guarantor, any surety or any other party in regard to any or all of the Obligations; or (f) substitute, release, exchange, or take any other action in regard to any collateral, including the Premises, for any or all of the Obligations or Loan Documents.

9. **Condemnation Awards/Insurance Proceeds.** Notwithstanding any other term of this agreement, if all or any part of the Subleased Premises are damaged by casualty or taken as part of condemnation proceedings, the Bank will apply all Net Casualty Proceeds and Net
Condemnation Proceeds (as such terms are defined in the Loan Agreement; herein such terms are collectively, "Proceeds") for restoration of the Subleased Premises, subject to satisfaction of the following conditions as of each date that any Proceeds are to be disbursed for such restoration:

(a) The Sublease is in effect and has not been terminated by either the Sublandlord or the Subtenant, nor has it been modified without the Bank's consent in a way that is unsatisfactory to the Bank.

(b) The term of the Sublease remaining after restoration, in the Bank's reasonable opinion, is of a sufficient length to warrant economically the restoration of the Subleased Premises.

(c) The Master Landlord is not in default under any of the Loan Documents beyond any applicable cure period.

(d) The Subtenant is not in default under the Sublease beyond any applicable cure period.

(e) In the Bank's opinion, the Proceeds are sufficient to fully restore the Premises. If the Proceeds are not sufficient in the Bank's opinion to fully restore the Premises, the Master Landlord, Sublandlord or Subtenant must, within twenty (20) days after the Bank gives Master Landlord, Sublandlord and Subtenant written notice of its opinion, deposit funds with the Bank that, when added to the existing Proceeds in the Bank's possession, will be sufficient, in the Bank's opinion, to fully restore the Premises. These additional funds will be deemed Proceeds upon being deposited with the Bank and may be disbursed before any other Proceeds are disbursed.

(f) The Bank has approved in writing the plans and specifications for the restoration work on the Subleased Premises.

(g) The Master Landlord, Sublandlord and the Subtenant have each given the Bank authority, in form and substance reasonably acceptable to the Bank, (i) to supervise, together with the Subtenant, restoration of the Subleased Premises, and (ii) to disburse Proceeds (including any funds deposited from time to time with the Bank as provided in (e) above) according to the Bank's customary practices and procedures for construction loans for similar projects, including practices and procedures relating to title insurance and compliance with construction-lien laws.

(h) If portions of the Premises besides the Subleased Premises have also been damaged or affected by the casualty or taking, the project as a whole must, in the Bank's opinion, remain economically viable.

If any of the foregoing conditions is not met as of any date on which Proceeds are to be disbursed, then the Bank's obligations under this paragraph cease and the Bank may thereafter apply any Proceeds then or thereafter in its possession as provided in the Loan Agreement or any other agreement relating to any of the Obligations. Notwithstanding the foregoing, the Bank's
liability for restoration of the Subleased Premises after a casualty or taking is limited to Proceeds that are actually in the Bank's possession and control. In addition, the Bank's obligations under this paragraph are personal to the Subtenant; if the Subtenant terminates, surrenders, cancels, or assigns its interest under the Sublease, or if any third party succeeds to the Subtenant's rights under the Sublease, whether by operation of law or otherwise, the Bank has no obligations under this paragraph, and the Bank may thereafter exercise its rights in regard to any Proceeds as described in the Loan Agreement without any regard to the terms of this paragraph.

If, at the time the Bank would otherwise be obligated to disburse Proceeds pursuant to this paragraph 9, (i) a default under the Loan Agreement, other Loan Documents, or Sublease exists but the applicable cure period therefore has not yet expired or (ii) circumstances exist that with the passage of time, the giving of notice, or both, would constitute a default under the Loan Agreement, other Loan Documents or Sublease, the Bank may refuse to disburse such proceeds until such time as such default has been cured or such circumstances no longer exist; provided, however, that nothing contained in this sentence shall prevent the Bank from applying any Proceeds as provided in the Loan Agreement or any other agreement relating to any of the Obligations if any of the conditions set forth in (a) through (h) is not satisfied (including without limitation, if Landlord or Subtenant fails to cure a default before expiration of the applicable cure period pursuant to subparagraph (c) or (d) above after the Bank has refused to disburse Proceeds as provided in this paragraph).

10. **Conflicts.** If there is any conflict between any provision of this agreement and any provision of the Sublease, the provision in this agreement controls.

11. **Authority.** The person(s) signing this agreement on behalf of the Subtenant represent(s) to the Sublandlord and to the Bank that he/she/they has/have authority to do so on behalf of the Subtenant.

12. **Binding Effect.** This agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns. The Subtenant and the Sublandlord agree that the Bank may at any time sell or transfer all or any part of the Obligations to one or more purchasers, whether or not related to the Bank.

13. **Recording.** The parties hereto agree that this agreement may be recorded in the public records of Wayne County, Michigan.

14. **Captions.** Captions in this agreement are for convenience of reference only and do not limit the provisions of this agreement.

15. **Time.** Time is of the essence in this agreement.

16. **Information Waiver.** The Subtenant and the Sublandlord agree that the Bank may provide any information or knowledge the Bank may have about the Sublandlord, the Subtenant or any matter relating to this agreement or the Loan Documents to JPMorgan Chase & Co., or any of its subsidiaries or affiliates or their successors or to any one or more purchasers or potential purchasers of all or any part of the Obligations and/or any Loan Documents.
17. **Governing Law and Venue.** This agreement shall be governed by and construed in accordance with the laws of the State of Michigan (without giving effect to its laws of conflicts). The Sublandlord and the Subtenant agree that any legal action or proceeding with respect to any of their obligations under this agreement may be brought by the Bank in any state or federal court located in the State of Michigan, as the Bank in its sole discretion may elect. By the execution and delivery of this agreement, the Sublandlord and the Subtenant submit to and accept, for themselves and in respect of their property, generally and unconditionally, the non-exclusive jurisdiction of those courts. The Sublandlord and the Subtenant waive any claim that the State of Michigan is not a convenient forum or the proper venue for any such suit, action or proceeding.

18. **Notices.** All notices, requests and demands hereunder shall be in writing and deemed to have been given or made: if delivered in person, immediately upon delivery; if by facsimile transmission, immediately upon sending and upon confirmation of receipt; if by nationally recognized overnight courier service with instructions to deliver the next business day, one (1) business day after sending; and if by certified mail, return receipt requested, five (5) days after mailing. 2. PROJECT

2.1 Project. The Land, Building, Premises and all other improvements now or hereafter located in or on the Land are collectively referred to as the "Project."

2.2 Land. "Land" means the parcels of real property described in Exhibit B, including easements and other rights that benefit or encumber the real property. Sublandlord’s interest in the Land may be in fee or leasehold. The Land may be expanded or reduced after the Execution Date.

2.3 Building Structure. "Building Structure” means the structural components in the Premises, including foundations, floor and ceiling slabs, roofs, exterior walls, exterior glass and mullions, columns, beams, shafts, and emergency stairwells. The Building Structure excludes the Leasehold Improvements.

2.4 Project Mechanical Systems. "Project Mechanical Systems” means the mechanical, electronic, physical or informational systems generally serving the Premises or other portions of the Project, including the sprinkler, plumbing, heating, ventilating, air conditioning, lighting, communications, security, drainage, sewage, waste disposal, vertical transportation, and fire/life safety systems, but shall not include any portions of the foregoing systems that constitute Leasehold Improvements.

2.5 Common Areas. Subtenant will have a non-exclusive right to use the Common Areas subject to the terms of this Sublease. “Common Areas” means those interior and exterior common and public areas on the Land (and appurtenant easements) and in the Building designated by Sublandlord from time to time for the non-exclusive use by Subtenant in common with Sublandlord, other subtenants and occupants, and their employees, agents and invitees. Notwithstanding the foregoing, Subtenant shall not have any right under this Sublease to use any parking facilities located within the Project.

2.6 Premises. Sublandlord subleases to Subtenant the Premises subject to the terms of this Sublease. Except as provided elsewhere in this Sublease, by taking possession of the Premises Subtenant accepts the Premises in its “as is” condition and with all faults, and the Premises are deemed in good order, condition, and repair. The Premises includes the Building Structure and Leasehold Improvements, as follows, and all other improvements to the Premises:
(a) **Leasehold Improvements.** “Leasehold Improvements” mean all non-structural improvements in the Premises or exclusively serving the Premises, and any structural improvements to the Premises made to accommodate Subtenant’s particular use of the Premises. The Leasehold Improvements may exist in the Premises as of the Execution Date, or be installed by Sublandlord or Subtenant under this Sublease at the cost of either party, including, but not limited to the work set forth in the attached Exhibit F (“Work Letter”). The Leasehold Improvements include but are not limited to: (1) interior walls and partitions (including those surrounding structural columns entirely or partly within the Premises); (2) the interior drywall on exterior structural walls; (3) stairways and stairwells connecting parts of the Premises on different floors, except those required for emergency exiting; (4) the frames, casements, doors, windows and openings installed in or on the improvements described in (1-3), or that provide entry/exit to/from the Premises; (5) all hardware, fixtures, cabinetry, railings, paneling, woodworking and finishes in the Premises or that are installed in or on the improvements described in (1-4); (6) if any part of the Premises is on the ground floor, the ground floor exterior windows (including mullions, frames and glass); (7) integrated ceiling systems (including grid, panels and lighting); (8) carpeting and other floor finishes; (9) rest room, showers, or other similar facilities that exclusively serve the Premises (including plumbing fixtures, toilets, sinks and built-in appliances); and (10) the sprinkler, plumbing, heating, ventilating, air conditioning, lighting, communications, security, drainage, sewage, waste disposal, vertical transportation, fire/life safety, and other mechanical, electronic, physical or informational systems located within or that exclusively serve the Premises, including the parts of each system that are connected to other such systems located within the Project from the common point of distribution for each system to and throughout the Premises (the "Premises Mechanical Systems").

(b) **Exclusions from the Premises.** The Premises do not include any easements or rights to natural light, air or view.

(c) **Common Areas – "Shared Space".** "Shared Space" shall mean that portion of the Common Areas as defined above that are necessary for the continuing conduct of Tenant’s Use. Notwithstanding anything to the contrary contained in this Sublease, Sublandlord shall not be required to maintain Common Areas that do not constitute Shared Space. Pursuant to Section 7.2 of the Sublease, Sublandlord shall be responsible for maintaining the Shared Space. Pursuant to Section 7.2 of the Sublease, except in an emergency, Sublandlord will use commercially reasonable efforts to avoid disrupting Subtenant’s permitted use of the Premises in maintaining the Shared Space, including providing alternative access to the Premises if the performance of such maintenance would otherwise prohibit access to the Premises, but shall not be required to employ premium labor.

2.7 **Building Standard.** “Building Standard” means the minimum or exclusive type, brand, quality or quantity of materials Sublandlord designates for use in the Building from time to time. No changes to the Building Standard which would materially affect Subtenant shall be made by Sublandlord without the consent of Subtenant, which consent may not be unreasonably withheld.

2.8 **Subtenant’s Personal Property.** “Subtenant’s Personal Property” means those trade fixtures, furnishings, equipment, work product, inventory, stock-in-trade and other personal property of Subtenant that are not permanently affixed to the Project in a way that they become a part of the Project and will not, if removed, impair the value of the Premises that Subtenant is required to deliver to Sublandlord at the end of the Term under §3.3.

3. **TERM**

3.1 **Term.** “Term” means the period that begins on the Commencement Date and ends on the Expiration Date, subject to renewal, extension or earlier termination as may be further provided in this Sublease. “Month” means a full calendar month of the Term. If the Commencement Date does not fall on the first day of a month, the initial period from the Commencement Date to the last day of such month shall be the “Partial Month”. Notwithstanding anything to the contrary contained in this Sublease, in the event the Prime Lease or the TEF Building Sublease (as defined in Section 13.5 hereof) terminates prior to the expiration or earlier termination of this Sublease, then this Sublease shall terminate simultaneously with the termination of the Prime Lease or TEF Sublease without any liability of Sublandlord to Subtenant.

(a) **Commencement Date.** The “Commencement Date” means the date that is the earlier of:
(1) The day that Subtenant first conducts business in any part of the Premises; or

(2) The later of:

(A) The Scheduled Commencement Date, and

(B) The day that Sublandlord tenders possession of the Premises to Subtenant with the Tenant Improvements Substantially Complete (defined in Work Letter) or that date that Sublandlord would have tendered possession of the Premises but for delay caused by Subtenant.

(b) Expiration Date. "Expiration Date" means December 31, 2016.

(c) Early Occupancy. Subtenant may not enter the Premises for any purpose until Sublandlord tenders the Premises to Subtenant. If Subtenant conducts business in any part of the Premises before the Scheduled Commencement Date, Subtenant will pay Base and Additional Rent for that period at the rate for the first Month that such Rent is due, without discount or excuse.

(d) Late Occupancy. If Sublandlord fails to tender possession of the Premises to Subtenant by the Scheduled Commencement Date, Sublandlord will not be in default of this Sublease.

(e) Confirmation of Term. Sublandlord shall notify Subtenant of the Commencement Date using a Notice of Sublease Term ("NLT") in the form attached to this Sublease as Exhibit E. Subtenant shall execute and deliver to Sublandlord the NLT within 10 business days after its receipt, but Subtenant's failure to do so will not reduce Subtenant's obligations or Sublandlord's rights under this Sublease.

(f) Union Labor. Notwithstanding anything to the contrary contained in this Sublease, Subtenant shall utilize union labor for Subtenant's initial installation of equipment, fixtures and furniture (including Subtenant's Wiring), regardless of whether such installation occurs before or after the Commencement Date.

3.2 Holdover. If Subtenant keeps possession of the Premises after the Expiration Date (or earlier termination of this Sublease), without Sublandlord's prior written consent (a "Holdover"), which may be withheld in its sole discretion, then in addition to the remedies available elsewhere under this Sublease or by law, Subtenant will be a tenant-at-sufferance and must comply with all of Subtenant's obligations under this Sublease, except that for each Month of any Holdover, Subtenant will pay as Base Rent 150% of the Base Rent payable for the last Month of the Term (or that would have been payable but for abatement or excuse), without proration for any partial Month of Holdover. Subtenant shall indemnify and defend Sublandlord from and against all claims and damages, both consequential and direct, that Sublandlord suffers due to Subtenant's failure to return possession of the Premises to Sublandlord at the end of the Term. Sublandlord's deposit of Subtenant's Base Rent payment during any Holdover will not constitute Sublandlord's consent to a Holdover, or create or renew any tenancy.

3.3 Condition on Expiration.

(a) Return of the Premises. At the end of the Term, Subtenant will return possession of the Premises to Sublandlord vacant, free of Subtenant's Personal Property, in broom-clean condition, and with the Premises, including all Leasehold Improvements, in good working order and repair (excepting ordinary wear and tear). In addition, Sublandlord may require Subtenant, by notice at least 30 days before the expiration of the Term, to remove (and restore the Premises damaged by removal of) (i) any Subtenant's Wiring, or (ii) any item of Leasehold Improvements or Alterations that Sublandlord required to be removed (or reserved the right to so require) at the time of approval of the installation of same or for which Subtenant failed to obtain Sublandlord's written consent under §8.1(a).

(b) Correction by Sublandlord. If Subtenant fails to return possession of the Premises to Sublandlord in the condition required under (a), then Subtenant shall reimburse Sublandlord for the costs incurred by Sublandlord to put the Premises in the condition required under (a), plus an administration fee of five percent (5%) of such costs.

(c) Abandoned Property. Subtenant's Personal Property left behind in the Premises after the end of the Term will be considered abandoned. Sublandlord may move, store, retain or dispose of these items at Subtenant's expense, plus an administration fee of five percent (5%) of such expenses.
3.4 Effectiveness of Sublease. Sublandlord may terminate this Sublease if Prime Landlord fails to obtain financing for the renovation and improvement of the Project (including the Tenant Improvements) on terms and conditions satisfactory to Prime Landlord in its sole discretion, including but not limited to tax credits, other public incentives, private equity and debt financing, by giving written notice thereof to Subtenant on or before October 1, 2008, as such date may be extended in writing by Sublandlord and Subtenant. The effectiveness of this Sublease is also contingent upon Subtenant, as sublandlord, and Creative Urban Education, Inc. ("CUE"), as subtenant, entering into a sublease of the Premises. If such contingency is not satisfied by October 1, 2008, as such date may be extended in writing by Sublandlord and Subtenant, either party may terminate this Sublease by giving written notice to the other party at any time prior to the satisfaction of this contingency. Upon any termination of this Sublease pursuant to this Section 3.4, neither party shall have any further obligations or liabilities under this Sublease.

4. RENT

4.1 Base Rent. During the Term, Subtenant shall pay all Base Rent in advance, in equal Monthly installments, on the Commencement Date and thereafter by the 1st of each Month. Base Rent for any Partial Month will be prorated.

4.2 Additional Rent. Subtenant’s obligation to pay Taxes under this §4.2 is referred to in this Sublease as “Additional Rent.”

(a) Taxes. For each full or partial calendar year during the Term (each, a "Lease Year"), Subtenant shall pay, in the manner described below, one hundred percent (100%) of the Taxes (as defined below) for such Lease Year. "Premises Taxes" means (i) that portion of the real and personal property taxes and assessments (including ad valorem and special assessments) levied on the Project that is attributable to the Premises, as reasonably determined by Sublandlord, and (ii) that portion of the taxes, assessments or fees in lieu of the taxes described in (i) that is attributable to the Premises, as reasonably determined by Sublandlord. Subtenant shall be entitled to receive one hundred percent (100%) of that portion of the reimbursement payments received by Sublandlord pursuant to that certain Reimbursement Agreement between Prime Sublandlord and the City of Detroit Brownfield Redevelopment Authority that are attributable to the Taxes for a Lease Year. Subtenant's share of any such reimbursement payment shall, at Sublandlord’s option, either be paid to Subtenant within forty-five (45) days after Sublandlord's receipt of such reimbursement payment or applied by Sublandlord to Additional Rent next becoming due until fully applied.

(b) Estimates. Sublandlord will reasonably estimate Additional Rent each calendar year that Additional Rent may be payable. Subtenant will pay the estimated Additional Rent in advance, in equal monthly installments, by the first day of each Month. Sublandlord may reasonably revise its estimate during a calendar year and Subtenant will pay the monthly installments based on the revised estimate, commencing 30 days following the date of such revision. The aggregate estimates of Additional Rent payable by Subtenant in a calendar year are the "Estimated Additional Rent.

(c) Settlement. As soon as practical after the end of each calendar year that Additional Rent is payable, Sublandlord will give Subtenant a statement of the actual Additional Rent for the calendar year. The statement of Additional Rent is conclusive, binds Subtenant, and Subtenant waives all rights to contest the statement, except for items of Additional Rent to which Subtenant objects by notice to Sublandlord given within 90 days after receipt of Sublandlord’s statement; however, Subtenant’s objection will not relieve Subtenant from its obligation to pay Additional Rent pending resolution of any objection. If the Additional Rent exceeds the Estimated Additional Rent for the calendar year, Subtenant shall pay the difference to Sublandlord in a lump sum as Rent within 30 days after receipt of Sublandlord’s statement of Additional Rent. If the Estimated Additional Rent paid by Subtenant exceeds the Additional Rent for the calendar year, then Sublandlord shall credit the overpayment against Rent next due. However, if the Term ends during a calendar year, Sublandlord may, in Sublandlord’s sole discretion, elect to either: (1) forgo the settlement of Additional Rent for the calendar year that is otherwise required and accept the Subtenant’s payment of Estimated Additional Rent for such calendar year in satisfaction of Subtenant’s obligations to pay Additional Rent for the final calendar year, or (2) have Sublandlord’s and Subtenant’s obligations under this §4.2(e) survive the end of the Term.
4.3 Other Taxes. Upon demand, Subtenant will reimburse Sublandlord for taxes paid by Sublandlord on (a) Subtenant’s Personal Property, (b) Rent, (c) Subtenant’s occupancy of the Premises, or (d) this Sublease. If Subtenant cannot lawfully reimburse Sublandlord for these taxes, then the Base Rent will be increased to yield to Sublandlord the same amount after these taxes were imposed as Sublandlord would have received before these taxes were imposed.

4.4 Terms of Payment. “Rent” means all amounts payable by Subtenant under this Sublease and the exhibits, including Base Rent and Additional Rent. If a time for payment of an item of Rent is not specified in this Sublease, then Subtenant will pay Rent within 30 days after receipt of Sublandlord’s statement or invoice. Unless otherwise provided in this Sublease, Subtenant shall pay Rent without notice, demand, deduction, abatement or setoff, in lawful U.S. currency, at Sublandlord’s Billing Address. Sublandlord will send invoices payable by Subtenant to Subtenant’s Billing Address; however, neither Sublandlord’s failure to send an invoice nor Subtenant’s failure to receive an invoice for Base Rent (and installments of Estimated Additional Rent) will relieve Subtenant of its obligation to timely pay Base Rent (and installments of Estimated Additional Rent). Each partial payment by Subtenant shall be deemed a payment on account. No endorsement or statement on any check or any accompanying letter shall constitute an accord and satisfaction, affect Sublandlord’s right to collect the full amount due, or require Sublandlord to apply any payment to other than Rent earliest due. No payment by Subtenant to Sublandlord will be deemed to extend the Term or render any notice, pending suit or judgment ineffective. By notice to the other, each party may change its Billing Address. Any payment made by Subtenant to a lockbox maintained by Sublandlord for receipt of payment of Rent shall not be deemed to have been accepted by Sublandlord provided such payment is returned to Subtenant within ten (10) days after Sublandlord receives notice that the payment has been received into the lockbox.

4.5 Late Payment. If Sublandlord does not receive all or part of any item of Rent when due, then Subtenant shall pay Sublandlord a “Late Charge” of 5% of the overdue amount. Subtenant agrees that the Late Charge is not a penalty, and will compensate Sublandlord for costs not contemplated under this Sublease that are impracticable or extremely difficult to fix. Sublandlord’s acceptance of a Late Charge does not waive Subtenant’s default.

5. USE & OCCUPANCY

5.1 Use. Subtenant shall use and occupy the Premises only for the Use and for no other purpose without Sublandlord’s written consent, which consent may be withheld in Sublandlord’s sole and absolute discretion. Sublandlord does not represent or warrant that the Project is suitable for the conduct of Subtenant’s particular business.

5.2 Compliance with Laws and Directives.

(a) Subtenant’s Compliance. Subject to the remaining terms of this Sublease, Subtenant shall comply at Subtenant’s expense with all directives of Sublandlord’s insurers, governing authorities or laws concerning:

1. The Premises, including the Leaseno-Improvements and Alterations,
2. Subtenant’s use or occupancy of the Premises,
3. Subtenant’s employer/employee obligations,
4. A condition created by Subtenant or its Affiliates or any of their respective agents, employees, contractors, or invitees,
5. Subtenant’s failure to comply with this Sublease,
6. The negligence of Subtenant or its Affiliates or any of their respective agents, employees, invitees or contractors, or
7. Any chemical wastes, contaminants, pollutants or substances that are hazardous, toxic, infectious, flammable or dangerous, or regulated by any local, state or federal statute, rule, regulation or ordinance for the protection of health or the environment, including but not limited to any applicable provisions under the Natural Resources and Environmental Protection Act of 1994 (Act 451), Part 201, including the Administrative Rules promulgated thereunder as most recently amended on December 21, 2002 (“Hazardous Materials”) that are introduced to the Project, handled or disposed by Subtenant or its Affiliates or any of their respective agents, employees, invitees or contractors.
(b) **Environmental Provisions.**

(1) Subtenant shall not "treat", "store" or "dispose" of any "hazardous substances," "hazardous wastes" or "toxic substances" as those terms are defined under CERCLA, 42 U.S.C. 9601, et seq., RCRA 42 U.S.C. 6901, et seq., or TSCA, 15 U.S.C. 2601, et seq., or under similar Michigan law on, at or below the Premises or Project.

(2) Use of ground water at, in or under the Project, including potable and non-potable uses, is prohibited.

5.3 **Occupancy.** Subtenant shall not interfere with Building services or other subtenants' rights to quietly enjoy their respective premises or the Common Areas. Subtenant shall not make or continue a nuisance, including any objectionable odor, noise, fire hazard, vibration, or wireless or electromagnetic transmission. Subtenant will not maintain any Leasehold Improvements or use the Premises in a way that increases the cost of insurance required under §9.2, or requires insurance in addition to the coverage required under §9.2.

6. **SERVICES & UTILITIES**

6.1 **Standard Services.**

(a) **Standard Services Defined.** "Standard Services" mean:

(1) Heating, ventilation and air-conditioning ("HVAC") during Business Hours as reasonably required to comfortably use the interior Common Areas;

(2) Tempered water from the public utility for use in Common Areas rest rooms and rest rooms, showers, and any other areas of the Premises that require water, to the extent depicted on the Construction Documents approved by Sublandlord;

(3) Janitorial services to the interior Common Areas 5 days a week, except Holidays, to the extent reasonably determined by Sublandlord;

(4) Electricity from Sublandlord's selected provider(s) for Common Areas lighting. Building Standard light fixtures in the Premises and to convenience outlets in the Premises for the operation of customary quantities and types of office equipment, however, the connected load in the Premises will not at any time exceed 3 watts per RSF of the Premises.

(b) **Standard Services Provided.** During the Term, Sublandlord shall provide the Standard Services to Subtenant, except as provided in this Article 6. Sublandlord is not responsible for any inability to provide Standard Services due to either: the concentration of personnel or equipment in the Premises; or Subtenant's use of equipment in the Premises that is not customary office equipment, has special cooling requirements, or generates heat.

6.2 **Additional Services.** Unless Subtenant obtains Sublandlord's prior written consent, Subtenant will not use utilities or services in excess of the Standard Services. If Sublandlord so consents, Sublandlord may provide utilities and services in excess of the Standard Services subject to the following:

(a) **Lighting.** Sublandlord will furnish both Building Standard and non-Building Standard lamps, bulbs, ballasts and starters that are part of the Leasehold Improvements for purchase by Subtenant at Sublandlord's cost, plus Sublandlord's administration fee of 5%. Sublandlord will install non-Building Standard items at Sublandlord's scheduled rate for this service.

(b) **Other Utilities and Services.** Subtenant will pay as Rent the actual cost of utilities or services (other than lighting addressed in (a)) either used by Subtenant or provided at Subtenant's request in excess of that provided as part of the Standard Services, plus Sublandlord's administration fee of 5%. Subtenant's excess consumption may be estimated by Sublandlord unless either Sublandlord requires or Subtenant elects to install Building Standard meters to measure Subtenant's consumption.

(c) **Additional Systems and Metering.** Sublandlord may require Subtenant, at Subtenant's expense, to upgrade or modify existing Project Mechanical Systems serving the Premises or the Leasehold Improvements to the extent necessary to meet Subtenant's excess requirements (including installation of Building Standard meters to measure the same).
Janitorial Services to the Premises. Upon Subtenant’s request, Sublandlord shall provide janitorial services to the Premises five (5) days a week except Holidays, to the extent reasonably determined by Landlord. Sublandlord shall invoice Subtenant from time to time for the costs incurred by Sublandlord in providing such janitorial services and Subtenant shall pay each such invoice within ten (10) days after Subtenant’s receipt thereof.

6.3 Utilities Billing. Subtenant’s total consumption of electricity in the Premises, including lighting and convenience outlets, electricity consumed in operating the heat pumps that furnish air conditioning and heat to the Premises, and water and gas furnished to the Premises shall be separately metered to the Premises. Subtenant shall pay to Sublandlord as Rent, in the manner described below, the actual cost of all such electricity, water and gas based on readings of such submeters by Sublandlord (“Utility Rent”). Sublandlord will reasonably estimate Utility Rent each calendar year that Utility Rent may be payable. Subtenant will pay the estimated Utility Rent in advance, in equal monthly installments, by the first day of each month, subject to adjustment as provided below. Sublandlord may reasonably revise this estimate during a calendar year and Subtenant will pay the monthly installments based on the revised estimate, commencing thirty (30) days following the date of such revision, subject to adjustment as provided below. Based on monthly readings of the submeters by Sublandlord, Sublandlord shall determine the actual Utility Rent for the period in question and shall furnish Subtenant with an invoice reflecting the actual Utility Rent for such period. If the actual Utility Rent for such period exceeds the estimated installment of Utility Rent for such period, Subtenant shall pay an amount equal to such excess with the next installment of estimated Utility Rent that becomes due. If the installment of estimated Utility Rent for such period exceeds the actual Utility Rent for such period, the excess shall be credited against the next installment of estimated Utility Rent that becomes due.

6.4 Telecommunication Services. Subtenant will contract directly with third party providers and will be solely responsible for paying for all telephone, data transmission, video and other telecommunication services (“Telecommunication Services”) subject to the following:

(a) Providers. Each Telecommunication Services provider that does not already provide service to the Building shall be subject to Sublandlord’s approval, which Sublandlord may withhold in Sublandlord’s reasonable discretion. Without liability to Subtenant, the license of any Telecommunication Services provider servicing the Building or Premises may be terminated under the terms of the license, or not renewed upon the expiration of the license. Notwithstanding the foregoing, at all times during the term of this Sublease there shall be Sublandlord approved providers of all Telecommunication Services to the Building.

(b) Subtenant’s Wiring. Sublandlord may, in its sole discretion, designate the location of all wires, cables, fibers, equipment, and connections (“Subtenant’s Wiring”) for Subtenant’s Telecommunication Services, and restrict and control access to telephone cabinets and rooms. Subtenant may not use or access the Building, Building Structure, Project Mechanical Systems, or Common Areas for Subtenant’s Wiring without Sublandlord’s prior written consent, which Sublandlord may withhold in Sublandlord’s sole discretion, or for which Sublandlord may charge a fee determined by Sublandlord.

(c) No Beneficiaries. This §6.4 is solely for Subtenant’s benefit, and no one else shall be considered a beneficiary of these provisions.

6.5 Special Circumstances. Without breaching this Sublease or creating any liability on the part of Sublandlord, Sublandlord may interrupt, limit or discontinue any utility or services Sublandlord provides under this Article 6 or which are obtained by Subtenant under this Article 6 under any of the following circumstances: (a) in an emergency; (b) to comply with laws or to conform to voluntary government or industry guidelines; (c) to repair and maintain the Project under §7.2; or (d) to modify, renovate or improve the Project under §8.2. Sublandlord shall not be liable in any manner for any interruption in services to be provided by Sublandlord or obtained by Subtenant under this Article 6 provided, however, that in the event of anticipated disruptions in any of the foregoing services that may result from the activities of Sublandlord or its agents described above, Subtenant shall be given as much notice as is reasonably practical of the anticipated interruption of such service.

7. REPAIRS

7.1 Subtenant’s Repairs. Except as provided in Article 12, during the Term Subtenant shall, at Subtenant’s cost, repair, maintain and replace, if necessary, the Premises, including the Leasehold Improvements, and
keep the Premises in good order, condition and repair. Subtenant's work under this §7.1 must be (a) approved by Sublandlord before commencement, (b) supervised by Sublandlord at Subtenant's expense, if Sublandlord reasonably so requires, and (c) performed in compliance with law and in a first-class manner with materials of at least Building Standard. If Subtenant fails to perform any of its obligations under this §7.1, then Sublandlord may perform such obligations and Subtenant will pay as Rent to Sublandlord the cost of such performance, including an amount sufficient to reimburse Sublandlord for overhead and supervision, within 10 days after the date of Sublandlord's invoice. For purposes of performing such obligations, or to inspect the Premises, Sublandlord may enter the Premises upon not less than two days' prior notice to Subtenant (except in cases of actual or suspected emergency, in which case no prior notice will be required) without liability to Subtenant for any loss or damage incurred as a result of such entry, provided that Sublandlord will take reasonable steps in connection with such entry to minimize any disruption to Subtenant's business or its use of the Premises. Subtenant will notify Sublandlord promptly after Subtenant learns of (x) any fire or other casualty in the Premises, (y) any damage to or defect in the Premises, including the fixtures and equipment in the Premises, for the repair of which Sublandlord might be responsible, and (z) any damage to or defect in any parts or appurtenances of the Building's sanitary, electrical heating, air conditioning, elevator or other systems located in or passing through the Premises.

7.2 Sublandlord's Repairs. Except as provided in Article 12, during the Term Sublandlord shall repair, maintain and replace, if necessary, all parts of the Project that are not Subtenant's responsibility under §7.1, or any other subtenant's responsibility under their respective sublease, and otherwise keep the Project in good order and condition according to the standards prevailing for comparable buildings in the area in which the Building is located. Except in an emergency, Sublandlord will use commercially reasonable efforts to avoid disrupting Subtenant's permitted Use of the Premises in performing Sublandlord's duties under this §7.2, but shall not be required to employ premium labor. Subtenant may not repair or maintain the Project on Sublandlord's behalf or offset any Rent for any repair or maintenance of the Project that is undertaken by Subtenant.

8. ALTERATIONS

8.1 Alterations by Subtenant. "Alterations" mean any modification, addition or improvement to the Premises made by Subtenant, including any modification to the Building, Project Mechanical Systems or Common Areas required by law or governing authority as a condition of performing the work. Alterations do not include work performed under a Work Letter that is part of this Sublease. Alterations are made at Subtenant's sole cost and expense, subject to the following:

(a) Consent Required. All Alterations require Sublandlord's prior written consent. If a Design Problem exists, Sublandlord may withhold its consent in Sublandlord's sole discretion; otherwise, Sublandlord will not unreasonably withhold its consent. Unless Subtenant obtains Sublandlord's prior written consent to the Alterations becoming part of the Premises to be tendered to Sublandlord on termination of the Sublease, Sublandlord may require Subtenant to remove Alterations and restore the Premises under §3.3 upon termination of this Sublease.

(b) Design Problem Defined. "Design Problem" means a condition that results, or will result, from work proposed, being performed or that has been completed that either:

(1) Does not comply with laws;
(2) Does not meet or exceed the Building Standard;
(3) Exceeds the capacity, adversely affects, is incompatible with, or impairs Sublandlord's ability to maintain, operate, alter, modify or improve the Building, Project Mechanical Systems or Project;
(4) Affects the exterior appearance of the Premises, Building or Common Areas;
(5) Violates any agreement affecting the Project;
(6) Costs more to demolish than Building Standard improvements;
(7) Violates any insurance regulations or standards for a fire-resistive office building;
(8) Causes a "work of visual art" to become "incorporated in or made part of a building"(as defined in the Visual Artists Rights Act of 1990, "VARA"); or
(9) Locates any equipment, Subtenant’s Wiring or Subtenant’s Personal Property on the roof of the Building or Premises, in Common Areas or in telecommunication or electrical closets.

(c) Performance of Alterations. Alterations shall be performed by Subtenant in a good and workmanlike manner according to plans and specifications approved by Sublandlord. All Alterations shall comply with law and insurance requirements. Sublandlord’s designated contractors must perform Alterations affecting the Building, Building Structure, Project Mechanical Systems or Common Areas; and, all other work will be performed by qualified contractors that meet Sublandlord’s insurance requirements and are otherwise approved by Sublandlord. Promptly after completing Alterations, Subtenant will deliver to Sublandlord “as-built” CAD plans, proof of payment, and unconditional waivers of lien from all contractors, subcontractors, sub-subcontractors and suppliers.

(d) Bonding. If requested by Sublandlord, before commencing Alterations Subtenant shall at Subtenant’s cost obtain bonds, or deposit with Sublandlord other security acceptable to Sublandlord for the payment and completion of the Alterations. These bonds or other security shall be in form and amount acceptable to Sublandlord.

(e) Alterations Fee. Subtenant shall pay Sublandlord, as Rent, the commercially reasonable hourly rates charged from time to time by Sublandlord for personnel to review Subtenant’s plans for, and coordinate construction of, any Alterations (“Alterations Fee”), provided, however, that if the total cost of any such Alterations will exceed $100,000, the Alterations Fee with respect to such Alterations shall not exceed two percent (2%) of the total cost of such Alterations. In addition, Subtenant shall reimburse Sublandlord for the actual cost that Sublandlord reasonably incurs to have engineers, architects or other professional consultants review Subtenant’s plans and work in progress, or inspect the completed Alterations.

8.2 Alterations by Sublandlord. Sublandlord may modify, renovate or improve the Project: as Sublandlord deems appropriate, provided Sublandlord uses commercially reasonable efforts to avoid disrupting Subtenant’s permitted Use of the Premises.

8.3 Liens and Disputes. Subtenant will keep title to the Project free of any liens concerning the Premises, Alterations, or Subtenant’s Personal Property, and will promptly take whatever action is required to have any of these liens released and removed from record (including, as necessary, posting a bond or other deposit). To the extent legally permitted, each contract and subcontract for Alterations will provide that no lien attaches to or may be claimed against the Project. Subtenant will indemnify Sublandlord for costs and expenses that Sublandlord reasonably incurs because of Subtenant’s violation of this §8.3.

9. INSURANCE

9.1 Subtenant’s Insurance.

(a) Subtenant’s Coverage. Before taking possession of the Premises for any purpose (including construction of any Alterations, if any) and during the Term, Subtenant will provide and keep in force, or shall cause any subtenant of Subtenant to provide and keep in force, the following coverage:

(1) Commercial general liability insurance insuring Subtenant’s use and occupancy of the Premises and use of the Project, and covering personal and bodily injury, death, and damage to others’ property of not less than the Liability Limit. Each of these policies shall include cross liability and severability of interests clauses, and be written on an occurrence, and not claims-made, basis. Each of these policies shall name Sublandlord, Prime Landlord, the Building property manager, each secured lender, and any other party reasonably designated by Sublandlord as an additional insured (“Additional Insured”). The commercial general liability insurance carried by Sublandlord or other Additional Insureds pursuant to the terms of this Sublease shall be non-contributing and Subtenant’s commercial general liability insurance shall be primary to any such insurance carried by Sublandlord or other Additional Insureds.

(2) All risk insurance (including standard extended coverage endorsement perils, leakage from fire protective devices and other water damage) covering the full replacement cost of the Premises, including the Leasehold Improvements, and Subtenant’s Personal Property. Each
of these policies shall name Sublandlord and each Additional Insured as loss payee to the extent of their interest in the Premises. Each of these policies shall include a provision or endorsement in which the insurer waives its right of subrogation against Sublandlord and each Additional Insured.

(3) Insurance covering the perils described in (2) for Subtenant’s loss of income or insurable gross profits with a limit not less than Subtenant’s annual Rent.

(4) If any boiler or machinery is operated solely to provide service to the Premises, boiler and machinery insurance, with a limit of at least the Liability Limit.

(5) Insurance required by law, including workers’ compensation insurance.

(6) Employers liability insurance with limits not less than $1 million/each accident; $1 million/disease - each employee; $1 million/disease – aggregate.

(7) Commercial automobile liability insurance covering all owned, hired, and non-owned vehicles with a combined single limit of not less than $1 million for each accident or person.

(8) Insurance covering the Premises, including the Leasehold Improvements, and Subtenant’s Personal Property against loss or damage due to earthquake or difference in conditions perils. Subtenant may elect to self-insure this coverage. If Subtenant does not elect to self-insure this coverage, then each of these policies shall name Sublandlord and each Additional Insured a loss payee to the extent of their interest in the Premises.

(b) Insurers and Terms. Each policy required under (a) shall be written with insurance companies licensed to do business in the state in which the Building is located having a rating of not less than A+ and a Financial Size Class (“FSC”) of at least VIII by A. M. Best Company, and be on terms that are acceptable to Sublandlord.

(c) Proof of Insurance. Subtenant shall provide Sublandlord with certificates of insurance or other reasonable proof that the coverage required under (a) is in effect. Subtenant will provide reasonable proof of renewal or replacement at least 30 days prior to any policy expiration. Failure of Subtenant to provide any insurance required by this Sublease shall not be construed as a waiver of liability or any limit of damages, the parties expressly agreeing that the requirement to carry insurance does not deem that said insurance is adequate to cover the damages so insured.

(d) Waiver of Subrogation. Each policy required under (a) shall include a provision or endorsement in which the insurer waives its right of subrogation against Sublandlord and each Additional Insured.

9.2 Sublandlord’s Insurance.

(a) Sublandlord’s Coverage. During the Term, Sublandlord will provide and keep in force the following coverage:

(1) Commercial general liability insurance.

(2) All risk insurance (including standard extended coverage endorsement perils, leakage from fire protective devices and other water damage) covering the Project improvements (excepting the Premises or leasehold improvements to be insured by other subtenants). Each of these policies shall include a provision or endorsement in which the insurer waives its right of subrogation against Subtenant.

(3) Insurance covering the perils described in (2) for Sublandlord’s loss of rental income or insurable gross profits. Each of these policies shall include a provision or endorsement in which the insurer waives its right of subrogation against Subtenant.

(4) Boiler and machinery insurance.

(5) Other insurance that Sublandlord elects to maintain.

(b) Terms. Each of the policies required under (a) will have those limits, deductibles, retentions and other terms that Sublandlord prudently determines.
10. DAMAGE OR DESTRUCTION

10.1 Damage and Repair. If all or any part of the Project is damaged by fire or other casualty, then the parties will proceed as follows:

(a) Sublandlord’s Estimates. Sublandlord will assess the damage to the Project (but not the Premises) and notify Subtenant of Sublandlord’s reasonable estimate of the time required to substantially complete repairs and restoration of the Project (“Repair Estimate”). Within 30 days after the later of the casualty, issuance of the Repair Estimate, receipt of any denial of coverage or reservation of rights from Sublandlord’s insurer, or receipt of notice from the holder of any Encumbrance (as defined in § 14.2) that all or any portion of the insurance proceeds will be used to retire the debt secured by such Encumbrance, Sublandlord may terminate the Sublease by written notice to Subtenant if:

1. The Repair Estimate exceeds 270 days; or
2. The damage or destruction occurs in the last 12 Months of the Term; or
3. The repair and restoration is not fully covered by insurance maintained or required to be maintained by Sublandlord (subject only to those deductibles or retentions Sublandlord elected to maintain) or Sublandlord’s insurer denies coverage or reserves its rights on coverage; or
4. The holder of any Encumbrance requires that all or a portion of the insurance proceeds be used to retire the debt secured by such Encumbrance or the damage is caused by a casualty not covered by the insurance required to be maintained by Sublandlord under § 9.2(a). (ii).

(b) Repairs. If Sublandlord does not terminate the Sublease under (a), then the Sublease shall remain in full force and effect and the parties will proceed as follows:

1. Sublandlord will repair and restore the Project (but not the Premises or any other improvements which any other subtenant is required to restore under its sublease) to the condition existing prior to such damage, except for modifications required by law. Sublandlord will perform such work with reasonable promptness, subject to delay for loss adjustment, delay caused by Subtenant and Force Majeure.
2. Subtenant will repair and restore the Premises, including the Leasehold Improvements, with reasonable promptness to the condition existing prior to such damage, but not less than current Building Standards, except for modifications required by law.

10.2 Rent Abatement. If as a result of the damage or destruction under §10.1 any part of the Premises becomes Untenantable, which shall mean the Subtenant is actually unable to use all or any portion of the Premises in the normal conduct of its business, and Subtenant does not actually use the Untenantable part of the Premises for more than 3 consecutive business days, then Subtenant’s Base Rent and Additional Rent for the Untenantable part of the Premises not used by Subtenant shall, to the extent Sublandlord receives the proceeds of loss of rental income insurance, be abated from the 4th consecutive business day until the earlier of the date (a) the damaged or destroyed part of the Premises becomes tenantable, or (b) 180 days after Sublandlord completes its required repairs and restoration. Subtenant’s sole remedy against Sublandlord for damage or destruction of any part of the Project is abatement of Base Rent and Additional Rent under this §10.2, and Sublandlord will not be liable to Subtenant for any other amount, including damages to Subtenant’s Personal Property, consequential damages, actual or constructive eviction, or abatement of any other item of Rent.

11. INDEMNITY

11.1 Claims. “Claims” mean any and all liabilities, losses, claims, demands, damages or expenses that are suffered or incurred by a party, including attorneys’ fees reasonably incurred by that party in the defense or enforcement of the rights of that party.

11.2 Sublandlord’s Waivers and Subtenant’s Indemnity.

(a) Sublandlord’s Waivers. Sublandlord waives any Claims against Subtenant and its Affiliates for perils insured or required to be insured by Sublandlord under subsections (2) and (3) of §9.2(a), except to the extent caused by the gross negligence or willful misconduct of Subtenant or its Affiliates.
(b) **Subtenant's Indemnity.** Unless waived by Sublandlord under §11.2(a), Subtenant will indemnify and defend Sublandlord and Prime Landlord and their respective Affiliates and hold each of them harmless from and against Claims arising from:

1. Any accident or occurrence on or about the Premises, except to the extent caused by Sublandlord's or Prime Landlord's or any of their respective Affiliate's gross negligence or willful misconduct; or
2. Subtenant's negligence or willful misconduct; or
3. Any claim for commission or other compensation by any person for services rendered to Subtenant in procuring this Sublease.

### 11.3 Subtenant's Waivers and Sublandlord's Indemnity.

(a) **Subtenant's Waivers.** Subtenant waives any Claims against Sublandlord and Prime Landlord and their respective Affiliates for:

1. Perils insured or required to be insured by Subtenant under subsections (2), (3) and (8) of §9.1(a), except to the extent caused by the gross negligence or willful misconduct of Sublandlord or Prime Landlord or their respective Affiliates, but in all events Subtenant waives any Claims for any special or consequential damages (such as interruption of business, loss of income, or loss of opportunity); or
2. Damage caused by any public utility, public work, other subtenants or occupants of the Project, or persons other than Sublandlord or Prime Landlord or any of their respective Affiliates; or
3. Damages in excess of the insurance Sublandlord maintains under §9.1.

(b) **Sublandlord’s Indemnity.** Unless waived by Subtenant under (a), Sublandlord will indemnify and defend Subtenant and its Affiliates and hold each of them harmless from and against Claims arising from:

1. Sublandlord's gross negligence or willful misconduct; or
2. Any claim for commission or other compensation by any person for services rendered to Sublandlord in procuring this Sublease.

### 11.4 Affiliates Defined. “Affiliates” means with respect to a party (a) that party’s partners, co-members and joint venturers, (b) each corporation or other entity that is a parent or subsidiary of that party, (c) each corporation or other entity that is controlled by or under common control of a parent of such party, and (d) the directors, officers, employees and agents of that party and each person or entity described in this §11.4(a-c).

### 11.5 Survival of Waivers and Indemnities. Sublandlord's and Subtenant's waivers and indemnities under §11.2 and §11.3 will survive the expiration or early termination of this Sublease.

### 12. CONDEMNATION

#### 12.1 Taking. “Taking” means acquiring all or part of the Project for any public or quasi-public use by exercise of a right of eminent domain or under any other law, or any sale in lieu thereof. If a Taking occurs:

(a) **Total Taking.** If because of a Taking substantially all of the Premises are Untenantable for substantially all of the remaining Term, then the Sublease terminates on the date of the Taking.

(b) **Partial Taking.** If a Taking does not cause the Sublease to be terminated under (a), then Sublandlord will restore (and alter, as necessary) the Premises to be tenantable, unless the Sublease is terminated by either Sublandlord or Subtenant under the following circumstances:

1. Sublandlord may terminate the Sublease upon 60 days prior written notice to Subtenant if Sublandlord reasonably determines that it is uneconomical to restore or alter the Premises to be tenantable.
(2) Subtenant may terminate the Sublease upon 60 days prior written notice to Sublandlord if the Taking causes more than 40% of the Premises to be Untenantable for the remainder of the Term and Subtenant cannot reasonably operate Subtenant’s business for the Use in the remaining Premises.

(c) If the Sublease is not terminated under (a) or (b), the Rent will be reduced for the term of the Taking based upon the RSF of the Premises made Untenantable by the Taking.

12.2 Awards. Sublandlord is entitled to the entire award for any claim for a taking of any interest in this Sublease or the Project, without deduction or offset for Subtenant’s estate or interest; however, Subtenant may make a claim for relocation expenses and damages to Subtenant's Personal Property and business to the extent that Subtenant’s claim does not reduce Sublandlord’s award.

13. SUBTENANT TRANSFERS

13.1 Transfer Defined. “Transfer” means any:

(a) Sublease of all or part of the Premises, or assignment, mortgage, hypothecation or other conveyance of an interest in this Sublease;

(b) Use of the Premises by anyone other than Subtenant with Subtenant’s consent provided that the use of the Premises for athletic or related activities by subtenants of the Building shall not constitute a Transfer;

(c) Change in Subtenant’s form of organization (e.g., a change from a partnership to limited liability company);

(d) Transfer of 51% or more of Subtenant’s assets, shares (except shares transferred in the normal course of public trading), membership interests, partnership interests or other ownership interests; or

(e) Transfer of effective control of Subtenant.

13.2 Consent Required. Except as provided in Section 13.5 hereof, each proposed Transfer requires Sublandlord’s prior written consent, which consent may be withheld in Sublandlord’s sole and absolute discretion except as otherwise provided below, in which case the parties will proceed as follows:

(a) Subtenant’s Notice. Subtenant shall notify Sublandlord at least 30 days prior to the proposed Transfer of the name and address of the proposed transferee and the proposed use of the Premises, and, in the case of an assignment of this Sublease, include in the notice the Transfer documents and copies of the proposed transferee’s balance sheets and income statements (both current and for the past 2 years).

(b) Sublandlord's Rights. Within 30 days after receipt of Subtenant’s complete notice, Sublandlord may:

(1) If the proposed Transfer is either an assignment of this Sublease or sublease of substantially all of the Premises, terminate this Sublease as of the proposed Transfer date, in which case neither Sublandlord nor Subtenant shall have any further obligations or liabilities to the other from and after the date of such termination except for those liabilities or obligations which arose prior to the date of termination or which expressly survive the termination of this Sublease; or

(2) If the proposed Transfer is a sublease of all of the Premises or any part of the Premises that will be separately demised and have its own entrance from the Common Areas, exercise a right of first refusal to sublease such portion of the Premises at the lesser of (A) the Rent (prorated for subletting part of the Premises), or (B) the rent payable in the proposed Transfer; or

(3) Consent or deny consent to the proposed Transfer, provided however, that Sublandlord shall not unreasonably withhold its consent to a proposed Transfer to a transferee whose proposed use is compatible with an integrated educational community.

13.3 Payments to Sublandlord. Subtenant shall pay Sublandlord 100% of Transfer receipts that exceed Subtenant’s Rent (on a per square foot basis); after Subtenant is reimbursed for Subtenant’s reasonable and customary out-of-pocket costs incurred in the Transfer, including attorneys' fees, Alterations, and broker commissions.
13.4 Effect of Transfers. No Transfer releases Subtenant or any guarantor of this Sublease from any Sublease obligation. Sublandlord’s acceptance of a payment from any person or entity other than Subtenant that occupies the Premises does not waive Subtenant’s obligations under this Article 13. If Subtenant is in default of this Sublease, Sublandlord may proceed against Subtenant without exhausting any remedies against any transferee and may require (by written notice to any transferee) any transferee to pay Transfer rent owed Subtenant directly to Sublandlord (which Sublandlord will apply against Subtenant’s Sublease obligations). In addition, if any subtenant, pursuant to its sublease with Subtenant, pays directly to Sublandlord any Base Rent (as defined in such sublease), Additional Rent or Utility Rent, such payments shall be credited against the Base Rent, Additional Rent or Utility Rent, whichever is applicable, payable by Subtenant to Sublandlord under this Sublease. Termination of this Sublease for any reason will not result in a merger. Each sublease will be deemed terminated upon termination of this Sublease unless Sublandlord notifies the subtenant in writing of Sublandlord’s election to assume any sublease, in which case the subtenant shall attorn to Sublandlord under the executory terms of the sublease.

13.5 Permitted Transfers. Notwithstanding the foregoing, Subtenant may, without Sublandlord’s consent, assign this Sublease to an assignee of the TEF Building Sublease pursuant to an assignment permitted under Article 13 of the TEF Building Sublease, and Subtenant may sublease the entire Premises to a person or entity that subleases all or any portion of the Premises (as defined in the TEF Building Sublease) from Subtenant pursuant to a sublease permitted under Article 13 of the TEF Building Sublease.

14. SUBLANDLORD TRANSFERS

14.1 Sublandlord’s Transfer. Sublandlord’s right to transfer any interest in the Project or this Sublease is not limited by this Sublease. Upon any such transfer, Subtenant will attorn to Sublandlord’s transferee and Sublandlord will be released from liability under this Sublease, except for any Sublease obligations accruing before the transfer that are not assumed by the transferee.

14.2 Subordination. This Sublease is, and will at all times be, subject and subordinate to the Prime Lease and each ground lease, mortgage, deed to secure debt or deed of trust now or later encumbering the Premises, Building or any other portion of the Project, including each renewal, modification, supplement, amendment, consolidation or replacement thereof (each, an “Encumbrance”). At Sublandlord’s request, Subtenant will, without charge, promptly execute, acknowledge and deliver to Sublandlord (or, at Sublandlord’s request, the Encumbrance holder) any instrument reasonably necessary to evidence this subordination. Notwithstanding the foregoing, each Encumbrance holder may unilaterally elect to subordinate its Encumbrance to this Sublease.

14.3 Attornment. Subtenant will automatically attorn to any transferee of Sublandlord’s interest in the Project that succeeds Sublandlord by reason of a termination, foreclosure or enforcement proceeding of an Encumbrance, or by delivery of a deed in lieu of any foreclosure or proceeding (a “Successor Sublandlord”). In this event, the Sublease will continue in full force and effect as a direct lease between the Successor Sublandlord and Subtenant on all of the terms of this Sublease, except that the Successor Sublandlord shall not be:

(a) Liable for any obligation of Sublandlord under this Sublease, or be subject to any counterclaim, defense or offset accruing before Successor Sublandlord succeeds to Sublandlord’s interest;

(b) Bound by any modification or amendment of this Sublease made without Successor Sublandlord’s consent;

(c) Bound by any prepayment of more than one Month’s Rent; or

(d) Obligated to perform any improvements to the Premises (or provide an allowance therefor). Upon Successor Sublandlord’s request, Subtenant will, without charge, promptly execute, acknowledge and deliver to Successor Sublandlord any instrument reasonably necessary or required to evidence such attornment.

14.4 Estoppel Certificate. Within 10 days after receipt of Sublandlord’s written request, Subtenant (and each guarantor and transferee of an interest in the Sublease) will execute, acknowledge and deliver to Sublandlord a certificate upon which Sublandlord and each existing or prospective Encumbrance holder may rely confirming the following (or any exceptions to the following):

(a) The Commencement Date and Expiration Date;
(b) The documents that constitute the Sublease, and that the Sublease is unmodified and in full force and effect;
(c) The date through which Base Rent, Additional Rent, and other Rent has been paid;
(d) That neither Sublandlord nor Subtenant is in default of this Sublease;
(e) That Sublandlord has satisfied all Sublease obligations to improve the Premises (or provide Subtenant an allowance therefor) and Subtenant has accepted the Premises;
(f) That Subtenant solely occupies the Premises; and
(g) Such other matters concerning this Sublease or Subtenant's occupancy that Sublandlord may reasonably require.

15. DEFAULT AND REMEDIES

15.1 Subtenant's Default. Subtenant is in default ("Default") of this Sublease if any of the following occur:

(a) Subtenant fails to pay Rent when due, and the failure continues for 10 days after notice to Subtenant of the failure.
(b) Subtenant fails to perform a non-monetary Sublease obligation and the failure continues for 20 days after notice to Subtenant of the failure, except that (1) In an emergency Sublandlord may require Subtenant to perform this obligation in a reasonable time of less than 20 days, or (2) If Subtenant begins performing this obligation within 20 days after notice to Subtenant of this failure, but it will reasonably take more than 20 days to complete performing the obligation, then Subtenant will have a reasonable amount of additional time to complete performing the obligation so long as Subtenant diligently pursues the performance of such obligation to completion.
(c) Subtenant consummates a Transfer that violates Article 13.
(d) Subtenant fails to discharge any attachment or levy on Subtenant's interest in this Sublease within 15 days after the attachment or levy encumbers this Sublease.
(e) Subtenant fails to cause any of the following proceedings to be vacated or dismissed within 60 days after they are commenced: (1) the appointment of a receiver or trustee of the assets of Subtenant or any guarantor of this Sublease, (2) the voluntary or involuntary bankruptcy of Subtenant or any guarantor of this Sublease, or (3) any assignment for the benefit of creditors of the assets of Subtenant or any guarantor of this Sublease.
(f) Subtenant vacates or abandons substantially all of the Premises.
(g) Subtenant is named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.
(h) A Default exists under the TEF Building Sublease.

15.2 Remedies. If Default occurs, Sublandlord shall have the rights and remedies set forth in this Sublease which shall be distinct, separate and cumulative and shall not operate to exclude or deprive Sublandlord of any other right or remedy allowed it by law or at equity.

(a) Sublandlord may terminate this Sublease by giving notice to Subtenant of Sublandlord's election to do so, in which event the Term of this Sublease shall end, and all right, title and interest of Subtenant hereunder shall expire, on the date stated in such notice. In no event shall either re-entry or the taking of possession of the Premises by Sublandlord be construed as an election by Sublandlord to terminate this Sublease. Written notice alone shall be proof of any such election by Sublandlord. No termination of this Sublease shall terminate Subtenant's obligations under this Sublease to pay Rent, which obligation shall survive such termination.
(b) Sublandlord may terminate Subtenant's right to possession of the Premises without terminating this Sublease by giving notice to Subtenant that Subtenant's right to possession shall end on the date stated
in such notice, and all right of Subtenant to possession of the Premises or any part thereof shall cease on the date stated in such notice. An election by Sublandlord to terminate Subtenant’s right to possession of the Premises without terminating the Sublease shall not preclude a subsequent election by Sublandlord to terminate the Sublease.

(c) If Sublandlord terminates this Sublease as provided in Section 15.2(a) or if Sublandlord terminates Subtenant’s right to possession of the Premises as provided in Section 15.2(b), (1) Subtenant shall surrender possession, vacate the Premises and immediately deliver possession to Sublandlord; and (2) Sublandlord may, with due process of law, re-enter and take possession of the Premises without being liable for prosecution for such action or being deemed guilty of any manner of trespass, and without diminishing any remedies for collection of Rent and without relinquishing any other right of Sublandlord.

(d) Sublandlord may enforce the provisions of this Sublease and may enforce and protect the rights of Sublandlord by a suit or suits in equity or at law for the specific performance of any covenant or agreement contained in this Sublease, or for the enforcement of any other appropriate legal or equitable remedy, including recovery of all moneys due or to become due from Subtenant under any of the provisions of this Sublease.

(e) Sublandlord may, but shall not be obligated to, cure Subtenant’s Default by making any payment or performing such other act to the extent Sublandlord may deem desirable. Any such cure by Sublandlord shall be without notice and shall not waive or release Subtenant from any obligation under this Sublease. Subtenant covenants and agrees to pay Sublandlord, upon demand, all advances, costs and expenses incurred by Sublandlord in connection with such cure, including reasonable attorney’s fees, together with interest at the Default Rate, from the date such are incurred by Sublandlord to the date of payment to Sublandlord.

(f) Sublandlord may, without liability to Subtenant or any other party and without constituting a constructive or actual eviction, suspend or discontinue furnishing or rendering to Subtenant any property, material, labor, utilities or other service, wherever Sublandlord is obligated to furnish or render the same so long as a Default exists under this Sublease.

15.3 Remedies for Recovery of Rent and Damages.

(a) If Sublandlord terminates the right of Subtenant to possession of the Premises pursuant to Section 15.2, regardless of whether Sublandlord previously terminated or subsequently terminates this Sublease:

(1) Sublandlord shall be entitled to recover any and all Rent due and unpaid as of the date of repossession by Sublandlord. Subtenant shall immediately pay to Sublandlord all such Rent.

(2) Sublandlord shall be entitled to recover in one lump sum payment all unpaid Rent which would have accrued after the date of possession for the remainder of the then current Term (or if this Sublease has been terminated, what would have been the remainder of the then current Term but for such termination). For purposes of computing the amount of Rent hereunder that would have accrued after the date of repossession by Sublandlord, Taxes shall be calculated based on the average rate of increase, if any, in Taxes from the Commencement Date through the date of repossession. Subtenant shall immediately pay to Sublandlord all such Rent.

(3) Subtenant shall, upon demand, reimburse Sublandlord, with interest at the Default Rate from the date incurred through the date of payment to Sublandlord, the following: Repossession Expenses and Enforcement Costs.

(b) Sublandlord shall not be required to mitigate any of its damages hereunder. If any law shall validly limit the amount of any damages provided for herein to an amount which is less than the amount agreed to herein, Sublandlord shall be entitled to the maximum amount available under such law.
15.4 Definitions.

(a) "Enforcement Costs" shall be all sums, costs, expenses and damages (in addition to Repossession Expenses and including reasonable attorneys' fees) which are incurred by Sublandlord in enforcing Subtenant's obligations under this Sublease or by reason of Subtenant's Default, including without limitation, those arising out of any action brought by Sublandlord against Subtenant to interpret any provision of this Sublease or in connection with a bankruptcy or an assignment for the benefit of creditors.

(b) "Repossession Expenses" are such costs and expenses including, without limitation, reasonable attorneys' fees which Sublandlord may incur, as Sublandlord considers appropriate, in order to recover possession of the Premises.

(c) Reasonable attorneys' fees shall include the value of services provided by counsel employed by Sublandlord or its Affiliates in the amount that Sublandlord would have reasonably incurred if the services had been performed by unaffiliated counsel.

15.5 Interest. If Subtenant at any time fails to make any payment of Rent or of any amounts owed under this Sublease, Sublandlord may recover interest on such amounts at the rate per annum equal to the Prime Rate plus 5% per annum, but in no event in excess of the maximum interest rate permitted by law ("Default Rate"), from the date each amount is due until paid by Subtenant.

15.6 Waivers. Sublandlord and Subtenant expressly waive any right to trial by jury with respect to any proceeding pertaining to this Sublease. No waiver by Sublandlord of any Default of Subtenant shall be implied to affect, and no express waiver shall affect, any Default other than the Default specified in such waiver and that only for the time and to the extent stated.

15.7 Force Majeure. "Force Majeure" means any cause or event beyond the reasonable control of a party to this Sublease, including any act of God, government act or restriction, labor disturbance, general shortage of materials or supplies, riot, insurrection, or act of war or terrorism. Force Majeure excuses a party from performing any non-monetary Sublease obligation for a commercially reasonable time.

15.8 Sublandlord’s Default and Remedies.

(a) Sublandlord will be in "Default" of this Sublease if Sublandlord fails to perform any Sublease obligation of Sublandlord and this failure continues for 30 days after Subtenant notifies Sublandlord of such failure, or such longer period of time as is reasonable if more than 30 days is reasonably required to perform this obligation if performance commences within this 30-day period and is diligently prosecuted to completion.

(b) If Sublandlord is in Default, then Subtenant may exercise any remedy available under law that is not waived or limited under this Sublease, subject to the following:

(1) Subtenant may not terminate this Sublease due to any Sublandlord Default.

(2) Sublandlord’s liability under this Sublease is limited to Sublandlord’s interest in the Project.

(3) No liability under this Sublease is assumed by Sublandlord’s Affiliates.

16. MISCELLANEOUS

16.1 Rules and Regulations. Subtenant will comply with the Rules and Regulations attached as Exhibit C. Sublandlord may reasonably modify or add to the Rules and Regulations upon notice to Subtenant. If the Rules and Regulations conflict with this Sublease, the Sublease shall govern.

16.2 Notice. Notice to Sublandlord must be given to Sublandlord’s Notice Addresses. Notice to Subtenant must be given to Subtenant’s Notice Addresses. By notice to the other, either party may change its Notice Address. Each notice must be in writing and will be validly given if either: (a) the notice is personally delivered and receipt is acknowledged in writing; or (b) the notice is delivered by a nationally recognized overnight courier service (e.g., FedEx or Airborne Express) and receipt is acknowledged in writing. If the party to receive notice fails to either accept delivery or acknowledge its receipt in writing, then notice may be validly given by mailing the notice first-class, certified or
registered mail, postage prepaid, and the notice will be deemed received by the party 2 business days after the deposit of the notice in the U.S. Mail.

16.3 Intentionally Omitted.

16.4 Building Name. Subtenant shall not use the Building's name or image for any purpose, other than Subtenant’s address, without Sublandlord’s approval, which approval shall not be unreasonably withheld. Sublandlord may change the name of the Building without any obligation or liability to Subtenant.

16.5 Entire Agreement. This Sublease is deemed integrated and contains all of each party’s representations, waivers and obligations. The parties may only modify or amend this Sublease in a writing that is fully executed and delivered by each party.

16.6 Successors. Unless provided to the contrary elsewhere in this Sublease, this Sublease binds and inures to the benefit of each party’s heirs, successors and permitted assignees.

16.7 No Waiver. A party’s waiver of a breach of this Sublease will not be considered a waiver of any other breach. No custom or practice that develops between the parties will prevent either party from requiring strict performance of the terms of this Sublease. No Sublease provision or act of a party creates any relationship between the parties other than that of sublandlord and subtenant.

16.8 Independent Covenants. The covenants of this Sublease are independent. A court’s declaration that any part of this Sublease is invalid, void or illegal will not impair or invalidate the remaining parts of this Sublease, which will remain in full force and effect.

16.9 Captions. The use of captions, headings, boldface, italics or underlining is for convenience only, and will not affect the interpretation of this Sublease.

16.10 Authority.

(a) Individuals signing this Sublease on behalf of Subtenant represent and warrant that they are authorized to bind Subtenant to this Sublease, and that Subtenant is qualified to do business in the State of Michigan. If required by Sublandlord, Subtenant will, at Subtenant’s cost, provide Sublandlord with a corporate resolution or other documentation acceptable to Sublandlord proving the authority of each individual signatory to bind Subtenant to this Sublease.

(b) Subtenant represents and warrants to Sublandlord that Subtenant is not named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

(c) Subtenant represents and warrants to Sublandlord that any individual or entity involved in this Sublease transaction on behalf of Subtenant is not named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

16.11 Applicable Law. The laws of Michigan govern this Sublease. In any action brought under this Sublease, Subtenant submits to the jurisdiction of the courts of the State of Michigan, and to venue in the County of Wayne.

16.12 Confidentiality. Subtenant will not record this Sublease or a memorandum of this Sublease without Sublandlord’s written consent. Subtenant will keep the terms of this Sublease confidential and, unless required by law, may not disclose the terms of this Sublease to anyone other than Subtenant’s Affiliates to the extent necessary to Subtenant’s business.

16.13 Reasonableness. Subtenant’s sole remedy for any claim against Sublandlord that Sublandlord has unreasonably withheld or unreasonably delayed any consent or approval shall be an action for injunctive or declaratory relief, it being acknowledged and agreed that no such claim may be asserted against Sublandlord except where Sublandlord has expressly agreed in this Sublease that it may not unreasonably withhold or delay its consent or approval.

16.14 Time. Time is of the essence as to all provisions in this Sublease in which time is a factor.
16.15 Quiet Enjoyment. So long as Subtenant is not in default of this Sublease and except as provided in the Sublease, Sublandlord will not interfere with Subtenant’s peaceful and quiet enjoyment of the Premises for the Term. Sublandlord is not liable for, and Subtenant will not be released from any obligation under this Sublease because of any interference with Subtenant’s peaceful and quiet enjoyment of the Premises that is caused by any other person, including other subtenants.

16.16 Right to Enter Premises. Sublandlord may enter the Premises at any reasonable time to inspect the Premises, to show the Premises to prospective lenders, purchasers, assignees or subtenants, to perform Sublandlord’s duties under this Sublease, or to exercise Sublandlord’s rights under §8.2. In connection with any permitted entry to perform Sublandlord’s duties or exercise Sublandlord’s rights under §8.2, Sublandlord may erect and use structures reasonably required by the nature of the work (including scaffolding, pipes and conduits), and may open or penetrate the Building Structure, Project Mechanical Systems or any Leasehold Improvements. If any Leasehold Improvements are damaged by Sublandlord as a result of Sublandlord exercising its rights under this §16.16, then Sublandlord will repair or replace the damaged portion, only, to match the original as nearly as is commercially reasonable.

16.17 Exhibits. The exhibits attached to this Sublease are incorporated herein. If any exhibit is inconsistent with the terms of this Sublease, the provisions of the Exhibit will govern. The Exhibits to this Sublease are:

17. RENEWAL OPTION

Subtenant shall have the option to renew this Sublease (the "Renewal Option") for one additional term of ninety (90) years (the "Renewal Term") upon the same terms, covenants and conditions as are contained in this Sublease except that the Base Rent for the Renewal Term shall be equal to the fair market rental value of the Premises as determined as of the date the Renewal Option is exercised, and the entire Base Rent for the entire Renewal Term, discounted to present value using a discount rate as determined as of the date the Renewal Option is exercised, shall be payable in full, in one lump sum payment, on the date the Renewal Term commences. Subtenant must exercise the Renewal Option by giving written notice thereof to Sublandlord at least twelve (12) months, and not more than fifteen (15) months, prior to the expiration of the initial term of this Sublease (the "Notice"). The Notice shall be effective only if (a) on the date the Notice is given no Default exists and (b) Subtenant exercises the option to renew the TEF Building Sublease pursuant to the terms thereof.

If Sublandlord and Subtenant fail to agree in writing on the fair market rental value of the Premises within thirty (30) days after Subtenant gives the Notice, each of the parties shall, within fifteen (15) days after the expiration of such thirty (30) day period, select a licensed Michigan real estate broker who shall have been active during the five year period ending on the date of selection in the leasing of commercial properties in the Detroit metropolitan area. Each broker shall deliver to both parties its written determination of the fair market rental value of the Premises within thirty (30) days after its selection. If the written determination which provides for the greater fair market value is not greater than the other determination by more than ten percent (10%), the fair market rental value of the Premises shall be the average of the two determinations, which shall be final and binding upon the parties hereto. If the written determination which provides for a greater fair market rental value is more than ten percent (10%) greater than the other written determination, each of the brokers shall jointly select a similar experienced real estate broker who shall, within thirty (30) days after its selection, determine the fair market rental value of the Premises, which determination shall be final and binding upon the parties hereto. Each party shall bear the cost of the real estate broker selected by it and the costs of the third broker, if any, shall be borne equally by the parties.

If Sublandlord and Subtenant fail to agree in writing on the discount rate within thirty (30) days after Subtenant gives the Notice, each of the parties shall, within fifteen (15) days after the expiration of such thirty (30) day period, select a licensed Michigan Certified Public Accountant ("CPA"). Each CPA shall deliver to both parties its written determination of the discount rate within thirty (30) days after its selection. If the written determination which provides
for the greater discount rate is not greater than the other determination by more than ten percent (10%), the discount rate shall be the average of the two determinations, which shall be final and binding upon the parties hereto. If the written determination which provides for a greater discount rate is more than ten percent (10%) greater than the other written determination, each of the CPAs shall jointly select a similar experienced CPA who shall, within thirty (30) days after its selection, determine the discount rate to be utilized in calculating the Base Rent for the Renewal Term, which determination shall be final and binding upon the parties hereto. Each party shall bear the cost of the CPA selected by it and the costs of the third CPA, if any, shall be borne equally by the parties.
Having read and intending to be bound by the terms and provisions thereof, Sublandlord and Subtenant have executed this Sublease as of the Execution Date.

Argonaut Building/Detroit, MI

“Rules and Regulations” mean the contents of this Exhibit C, as modified, amended or revoked by Sublandlord, from time to time.

1. Right to Exclude. Sublandlord may require that Subtenant, its Affiliates and guests comply with each reasonable security measure that Sublandlord may establish as a condition for entry to the Premises, Building or Project. These measures may include submitting to a search by persons or devices employed by Sublandlord, presenting an identification card or pass issued by the government, Sublandlord, or both, being announced to Subtenant and accepted as a visitor by Subtenant, and signing a register on entry and exit. Any person who cannot comply with these requirements may be excluded from the Project. If Sublandlord requires a Building pass issued by Sublandlord as a condition of entry to the Premises, Building or Project, Sublandlord will furnish a Building pass to all persons reasonably designated by Subtenant in writing. Sublandlord may exclude or expel from the Project any person who, in Sublandlord’s reasonable opinion, is intoxicated or under the influence of alcohol or drugs. Sublandlord may require Subtenant and its Affiliates and guests to enter and exit the Building from those entrances designated by Sublandlord from time to time.

2. Obstructions. Subtenant will not cause the Common Areas, or sidewalks or driveways outside the Building to be obstructed. Sublandlord may remove, at Subtenant’s expense, any such obstruction without prior notice to Subtenant.

3. Trash. Subtenant will place trash in proper receptacles in the Premises provided by Subtenant at Subtenant’s cost, or in Building receptacles designated by Sublandlord. Subtenant may not litter in the Common Areas, or sidewalks or driveways outside the Building.

4. Public Safety. Subtenant will not throw anything out of doors, windows or skylights, down passageways or over walls. Subtenant will not use any fire exits or stairways in the Building except in case of emergency.

5. Keys and Locks. Sublandlord may from time to time install and change locks on entrances to the Project, Building, Common Areas or Premises, and will provide Subtenant a number of keys to meet Subtenant’s reasonable requirements. Additional keys will be furnished by Sublandlord at Subtenant’s cost. At the end of the Term, Subtenant will promptly return to Sublandlord all keys for the Building and Premises issued by Sublandlord to Subtenant. Unless Subtenant obtains Sublandlord’s prior written consent, Subtenant will not add or change any locks on any door to, in or about the Premises. If with Sublandlord’s consent, Subtenant installs any lock incompatible with the Building master locking system, Subtenant will: relieve Sublandlord of each Sublease obligation that requires access to each affected area; indemnify Sublandlord against any Claims resulting from forced entry to each affected area in an emergency; and, at the end of the Term, remove each incompatible lock and replace it with a Building Standard lock at Subtenant’s expense.

6. Aesthetics. Unless Subtenant obtains Sublandlord’s prior written consent (which may be withheld in Sublandlord’s sole and absolute discretion), Subtenant may not:

(a) Attach any awnings, signs, displays or projections to either the outside walls or windows of the Building, or to any part of the Premises visible from outside the Premises;

Subtenant may not use any method of heating or cooling the Premises other than that supplied by Sublandlord.

8. Plumbing. Subtenant will use plumbing fixtures only for the purpose for which they are constructed. Subtenant will reimburse Sublandlord for any damage caused by Subtenant’s misuse of plumbing fixtures.
9. **Equipment Location.** Sublandlord may specify the location of any of Subtenant’s business machines, mechanical equipment or other property that are unusually heavy, may damage the Building, or may cause vibration, noise or annoyance to other subtenants. Subtenant will reimburse Sublandlord for any professional engineering certification or assistance reasonably required to determine the location of these items.

10. **Bicycles.** Subtenant may not bring bicycles or other vehicles into the Building or Premises except, to the extent permitted by the Sublease, for the parking of Vehicles in the parking spaces located within the basement of the Building. Moving of Subtenant’s Personal Property and deliveries of materials and supplies to the Premises must be made during the times and through the entrances, elevators and corridors reasonably designated by Sublandlord. Moving and deliveries may not be made through any of the main entrances to the Building without Sublandlord’s prior permission. EXHIBIT F – WORK LETTER
(TURNKEY-SUBLANDLORD PREPARES CONSTRUCTION DOCUMENTS)

Argonaut Building/Detroit, MI

Gymnasium

1. Conflicts; Terms. If there is any conflict or inconsistency between the provisions of the Sublease and those of this Exhibit F ("Work Letter"), the provisions of this Work Letter will control. Except for those terms expressly defined in this Work Letter, all initially capitalized terms will have the meanings stated for such terms in the Sublease. The following terms, which are not defined in the Sublease, have the meanings indicated:

(a) "Sublandlord’s Representative" means Adriana Calderon, or such other person as may be designated by Sublandlord from time to time.

(b) "Subtenant’s Representative" means John Cleary, or such other person as may be designated by Subtenant from time to time.

(c) "Tenant Improvements" means the gymnasium building and all other alterations, improvements and installations to be constructed or installed by Sublandlord according to this Work Letter. In no event will the Tenant Improvements include any furniture, fixtures or equipment (including telecommunications and security system cabling and equipment) except for any equipment expressly provided for in the Construction Documents approved by Sublandlord, as the same may be revised from time to time with the approval of Sublandlord.

(d) "Preliminary Plans" means those preliminary plans and specifications for the Tenant Improvements to be prepared by Sublandlord’s architect and approved by Sublandlord and Subtenant.

(e) "Construction Documents" means complete construction plans and specifications for the Tenant Improvements.

(f) "Total Cost" means the total cost of preparing and revising the Preliminary Plans and Construction Documents, obtaining all necessary permits, constructing and installing the Tenant Improvements (including any changes or additional work pursuant to Change Orders), providing any services required during construction (such as electricity and other utilities, refuse removal and housekeeping), and the cost of construction administration or management services provided by a third party or parties.

2. Sublandlord’s Obligations. Sublandlord will proceed to complete the Premises according to this Work Letter and tender possession of the Premises to Subtenant when the Tenant Improvements have been completed to the extent that only minor construction details, which would not materially interfere with Subtenant’s use and enjoyment of the Premises, require completion or correction ("Substantially Completed or Substantial Completion"). Subtenant will accept the Premises when Sublandlord tenders possession, provided that the Tenant Improvements have been Substantially Completed, and provided further that Subtenant will not be required to accept possession prior to the Scheduled Commencement Date. Sublandlord and Subtenant agree that all Tenant Improvements, whether paid for by Sublandlord or Subtenant, will, without compensation to Subtenant, become Sublandlord’s property upon installation and will remain Sublandlord’s property at the expiration or earlier termination of the Term. If Subtenant reasonably objects to Sublandlord’s determination that Substantial Completion has occurred, Sublandlord and Subtenant shall, acting reasonably and in good faith, attempt to agree on whether Substantial Completion has occurred. If Sublandlord and Subtenant cannot so agree, Sublandlord’s architect and a person retained or appointed by Subtenant who has experience in construction matters will, acting reasonably and in good faith, attempt to agree on whether Substantial Completion has occurred. If Sublandlord’s architect and such person cannot agree on whether Substantial Completion has occurred, the parties agree to submit the issue for resolution by arbitration in accordance with the Construction Industry Arbitration

F-1

5564170.11 00194/118572
Rules of the American Arbitration Association then in effect. The award rendered by the arbitrator or arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

3. **Punch List.** Subtenant’s taking possession of any portion of the Premises will be conclusive evidence that such portion of the Premises was in good order and satisfactory condition when Subtenant took possession, except as to any patent defects identified on a punch list prepared and signed by Sublandlord’s Representative and Subtenant’s Representative after an inspection of the Premises by both such parties when Subtenant takes possession, and except as to any latent defects of which Subtenant notifies Sublandlord in writing within one year after the Commencement Date. If Subtenant and Sublandlord cannot, acting reasonably and in good faith, agree upon the defects to be identified in such punchlist, such dispute shall be resolved in accordance with the procedures set forth in Section 2 above for resolving a dispute over whether Substantial Completion has occurred. Failure to advise Sublandlord in writing within one year of the Commencement Date of any latent defects shall result in a waiver of any claims regarding said defects by Subtenant. Sublandlord will not be responsible for any items of damage caused by Subtenant, its agents, independent contractors or suppliers. No promises to alter, remodel or improve the Premises or Project and no representations concerning the condition of the Premises or Project have been made by Sublandlord to Subtenant other than as may be expressly stated in the Sublease (including this Work Letter).

4. **Representatives.** Sublandlord appoints Sublandlord’s Representative to act for Sublandlord in all matters covered by this Work Letter. Subtenant appoints Subtenant’s Representative to act for Subtenant in all matters covered by this Work Letter. All inquiries, requests, instructions, authorizations and other communications with respect to the matters covered by this Work Letter will be made to Sublandlord’s Representative or Subtenant’s Representative, as the case may be. Subtenant will not make any inquiries of or request to, and will not give any instructions or authorizations to, any other employee or agent of Sublandlord, including Sublandlord’s architect, engineers and contractors or any of their agents or employees, with regard to matters covered by this Work Letter. Either party may change its Representative under this Work Letter at any time by prior written notice to the other party.

5. **Construction Documents; Construction of Tenant Improvements.** Promptly after full execution and delivery of the Lease, Sublandlord will cause its architect to prepare the Preliminary Plans. After approval of the Preliminary Plans by Sublandlord and Subtenant, Sublandlord will cause its Architect to prepare the Construction Documents based strictly on the Preliminary Plans unless otherwise agreed to by Sublandlord and Subtenant or as otherwise provided below. The Construction Documents will be subject to Sublandlord’s approval and, prior to the commencement of construction, Subtenant will be given an opportunity to review the Construction Documents to confirm that, except as otherwise provided below, they conform to the Preliminary Plans. Subtenant acknowledges that the Tenant Improvements will be designed and the Preliminary Plans and Construction Documents prepared with the intent and goal that the Total Cost not exceed $2,140,000. Notwithstanding anything to the contrary contained herein if, based on one or more bids for the construction and installation of the Tenant Improvements according to the Construction Documents, Sublandlord determines that the Total Cost will exceed $2,140,000, Sublandlord may cause the Construction Documents to be revised so as to reduce the Total Cost, which revised Construction Documents shall be subject to the approval of Sublandlord. Once the Construction Documents have been so approved, reviewed and confirmed, or revised and approved as provided in the immediately preceding sentence, Sublandlord will, at its expense, cause the Tenant Improvements shown on the Construction Documents to be constructed or installed in the Premises on a "turnkey" basis, in a good and workmanlike manner, substantially in accordance with the Construction Documents approved by Sublandlord and in accordance with all applicable laws. However, if Subtenant requests any changes to the Construction Documents (other than changes required to, except as otherwise provided above, make the same conform to the Preliminary Plans), and if such changes result in an increase in the cost of constructing or installing the Tenant Improvements, then Subtenant will pay for such increase within ten (10) days after receipt of Sublandlord’s invoice.

6. **Change Orders.** Subtenant’s Representative may authorize changes in the work (including work in addition to the Tenant Improvements) during construction only by written instructions to Sublandlord’s Representative on a form approved by Sublandlord. All such changes will be subject to Sublandlord’s prior written approval according to Paragraph 7 below. Prior to commencing any change, Sublandlord will prepare and deliver to Subtenant, for Subtenant’s approval, a change order ("Change Order"), identifying the total cost of such change, which will include associated architectural, engineering and construction contractor’s and manager’s fees. If Subtenant fails to approve such Change Order within five (5) business days after delivery by Sublandlord, Subtenant will be deemed to have withdrawn the proposed change and Sublandlord will not proceed to perform the change. Upon Sublandlord’s receipt of Subtenant’s approval and payment of the total cost of such Change Order (a “Change Order Payment”), Sublandlord
will proceed to perform the change. Subtenant will pay the total cost of any Change Orders within 10 days of its approval of same.

7. **Sublandlord’s Approval.** All Construction Documents and Change Orders, and any drawings, plans and specifications for any changes or additions reflected in Change Orders or any other improvements or installations in the Premises, are expressly subject to Sublandlord’s prior written approval. Sublandlord may withhold its approval of any such items that require work which:

(a) exceeds or adversely affects the capacity or integrity of the Building Structure, Project Mechanical Systems or Premises Mechanical Systems;

(b) is not approved by the holder of any Encumbrance;

(c) would not be approved by a prudent owner of property similar to the Premises, Building or Project;

(d) violates any agreement which affects the Project or binds Sublandlord;

(e) Sublandlord reasonably believes will increase the cost of operating or maintaining any of the Project Mechanical Systems or Premises Mechanical Systems;

(f) Sublandlord reasonably believes will reduce the market value of the Premises or the Project at the end of the Term;

(g) does not conform to applicable building code or is not approved by any governmental authority having jurisdiction over the Premises;

(h) does not meet or exceed Building Standard; or

(i) Landlord reasonably believes will infringe on the architectural or historical integrity of the Premises or Project.

8. **Subtenant’s Delays.** As provided in Section 3.1 of the Sublease, the Term of the Sublease (and therefore Subtenant’s obligation for the payment of Rent) will not commence until Sublandlord has Substantially Completed all work to be performed by Sublandlord as stated in Paragraph 2 above; provided, however, that if Sublandlord is delayed in Substantially Completing such work as a result of:

(a) any Subtenant delays described in Paragraphs 5, 6 or 7 above;

(b) Subtenant’s request for materials or installations as a part of the Tenant Improvements that are other than Building standard materials or installations that take longer to process or install than Building Standard materials or installation;

(c) any Change Orders or changes in any drawings, plans or specifications requested by Subtenant;

(d) Subtenant’s failure to review or approve in a timely manner any item requiring Subtenant’s review or approval;

(e) performance of any work reflected in Change Orders or any failure to complete or delay in completion of such work; or

(f) any other act or omission of Subtenant or Subtenant’s architects, engineers, contractors or subcontractors (all of which will be deemed to be delays caused by Subtenant),

then the Commencement Date will only be extended under Section 3.1 of the Sublease until the date on which Sublandlord would have Substantially Completed the performance of such work but for such delays.
9. **General.** No approval by Sublandlord or Sublandlord’s architect or engineer of any drawings, plans or specifications which are prepared in connection with construction of improvements in the Premises will constitute a representation or warranty by Sublandlord as to the adequacy or sufficiency of such drawings, plans or specifications, or the improvements to which they relate, for any use, purpose or condition, but such approval will merely be the consent of Sublandlord to the construction or installation of improvements in the Premises according to such drawings, plans or specifications. Failure by Subtenant to pay any amounts due under this Work Letter will have the same effect as failure to pay Rent under the Sublease, and such failure or Subtenant’s failure to perform any of its other obligations under this Work Letter will constitute a Default under Section 15.1(a) of the Sublease, entitling Sublandlord to all of its remedies under the Sublease as well as all remedies otherwise available to Sublandlord.

2. PROJECT

2.1 Project. The Land, Building and all other improvements now or hereafter located in or on the Land are collectively referred to as the "Project."

2.2 Land. "Land" means the parcels of real property described in Exhibit B, including easements and other rights that benefit or encumber the real property. The Land may be expanded or reduced after the Execution Date.

2.3 Building Structure. "Building Structure" means the structural components in the Premises, including foundations, floor and ceiling slabs, roofs, exterior walls, exterior glass and mullions, columns, beams, shafts, and emergency stairwells. The Building Structure excludes the Leaschold Improvements.

2.4 Project Mechanical Systems. "Project Mechanical Systems" means the mechanical, electronic, physical or informational systems generally serving the Premises or other portions of the Project, including the sprinkler, plumbing, heating, ventilating, air conditioning, lighting, communications, security, drainage, sewage, waste disposal, vertical transportation, and fire/life safety systems, but shall not include any portions of the foregoing systems that constitute Leaschold Improvements.

2.5 Common Areas. Subtenant will have a non-exclusive right to use the Common Areas subject to the terms of this Sublease. "Common Areas" means those interior and exterior common and public areas on the Land (and appurtenant easements) and in the Building designated by Prime Sublandlord from time to time for the non-exclusive use by Subtenant in common with Prime Sublandlord, Sublandlord, other subtenants and occupants, and their employees, agents and invitees. Notwithstanding the foregoing, Subtenant shall not have any right under this Sublease to use any parking facilities located within the Project.

2.6 Premises. Sublandlord subleases to Subtenant the Premises subject to the terms of this Sublease. Except as provided elsewhere in this Sublease, by taking possession of the Premises Subtenant accepts the Premises...
in its “as is” condition and with all faults, and the Premises are deemed in good order, condition, and repair. The Premises includes the Building Structure and Leasehold Improvements, as follows, and all other improvements to the Premises:

(a) **Leasehold Improvements.** "Leasehold Improvements" mean all non-structural improvements in the Premises or exclusively serving the Premises, and any structural improvements to the Premises made to accommodate Subtenant's particular use of the Premises. The Leasehold Improvements may exist in the Premises as of the Execution Date, or be installed by Prime Sublandlord or by Sublandlord or Subtenant under this Sublease at the cost of such party, including, but not limited to the work set forth in the attached Exhibit F ("Work Letter"). The Leasehold Improvements include but are not limited to: (1) interior walls and partitions (including those surrounding structural columns entirely or partly within the Premises); (2) the interior drywall on exterior structural walls; (3) stairways and stairwells connecting parts of the Premises on different floors, except those required for emergency exiting; (4) the frames, casements, doors, windows and openings installed in or on the improvements described in (1-3), or that provide entry/exit to/from the Premises; (5) all hardware, fixtures, cabinetry, railings, paneling, woodwork and finishes in the Premises or that are installed in or on the improvements described in (1-4); (6) if any part of the Premises is on the ground floor, the ground floor exterior windows (including mullions, frames and glass); (7) integrated ceiling systems (including grid, panels and lighting); (8) carpeting and other floor finishes; (9) rest room, showers, or other similar facilities that exclusively serve the Premises (including plumbing fixtures, toilets, sinks and built-in appliances); and (10) the sprinkler, plumbing, heating, ventilating, air conditioning, lighting, communications, security, drainage, sewage, waste disposal, vertical transportation, fire/life safety, and other mechanical, electronic, physical or informational systems located within or that exclusively serve the Premises, including the parts of each system that are connected to other such systems located within the Project from the common point of distribution for each system to and throughout the Premises (the "Premises Mechanical Systems").

(b) **Exclusions from the Premises.** The Premises do not include any easements or rights to natural light, air or view.

2.7 **Building Standard.** "Building Standard" means the minimum or exclusive type, brand, quality or quantity of materials Prime Sublandlord designates for use in the Building from time to time.

2.8 **Subtenant's Personal Property.** "Subtenant's Personal Property" means those trade fixtures, furnishings, equipment, work product, inventory, stock-in-trade and other personal property of Subtenant that are not permanently affixed to the Project in a way that they become a part of the Project and will not, if removed, impair the value of the Premises that Subtenant is required to deliver to Sublandlord at the end of the Term under §3.3.

3. **TERM**

3.1 **Term.** "Term" means the period that begins on the Commencement Date and ends on the Expiration Date, subject to renewal, extension or earlier termination as may be further provided in this Sublease.

"Month" means a full calendar month of the Term. If the Commencement Date does not fall on the first day of a month, the initial period from the Commencement Date to the last day of such month shall be the "Partial Month". Notwithstanding anything to the contrary contained in this Sublease, in the event of the termination of the Prime Sublease, that certain Sublease between Prime Sublandlord, as sublandlord, and Sublandlord, as subtenant, pertaining to certain space in the Building (the "TEF Building Sublease"), that certain Sublease between Sublandlord, as sublandlord, and Subtenant, as subtenant, pertaining to certain space in the Building (the "CUE Building Sublease"), or that certain Education Management Agreement contemplated to be entered into between Public School Academies of Detroit and Subtenant (the "Management Agreement") prior to the expiration or earlier termination of this Sublease, then this Sublease shall terminate simultaneously with the termination of the Prime Sublease, TEF Building Sublease, CUE Building Sublease or Management Agreement without any liability of Sublandlord to Subtenant; provided, however, that if this Sublease terminates because of the termination of the CUE Building Sublease but the CUE Building Sublease is automatically revived and re instituted pursuant to Section 3.1 of the CUE Building Sublease, then this Sublease shall be automatically revived and reinstated as of the same date that the CUE Building Sublease is revived and reconstituted. In addition, if the Management Agreement is not
entered into by PSAD and Subtenant by January 23, 2009, as such date may be extended in writing by Sublandlord and Subtenant, either party may terminate this Sublease by giving written notice to the other party at any time prior to the date the Management Agreement is entered into by PSAD and Subtenant and upon such termination, neither party shall have any further obligations or liabilities under this Sublease.

(a) **Commencement Date.** The “Commencement Date” means the date that is the earlier of:

1. The day that Subtenant first conducts business in any part of the Premises; or
2. The later of:
   
   (A) The Scheduled Commencement Date, and
   
   (B) The day that Sublandlord tenders possession of the Premises to Subtenant with the Tenant Improvements Substantially Complete (defined in Work Letter) or that date that Sublandlord would have tendered possession of the Premises but for delay caused by Subtenant.

(b) **Expiration Date.** “Expiration Date” means December 31, 2016.

(c) **Early Occupancy.** Subtenant may not enter the Premises for any purpose until Sublandlord tenders the Premises to Subtenant. If Subtenant conducts business in any part of the Premises before the Scheduled Commencement Date, Subtenant will pay Base and Additional Rent for that period at the rate for the first Month that such Rent is due, without discount or excuse.

(d) **Late Occupancy.** If Sublandlord fails to tender possession of the Premises to Subtenant by the Scheduled Commencement Date, Sublandlord will not be in default of this Sublease.

(e) **Confirmation of Term.** Sublandlord shall notify Subtenant of the Commencement Date using a Notice of Sublease Term (“NLT”) in the form attached to this Sublease as Exhibit E. Subtenant shall execute and deliver to Sublandlord the NLT within 10 business days after its receipt, but Subtenant’s failure to do so will not reduce Subtenant’s obligations or Sublandlord’s rights under this Sublease.

3.2 **Holdover.** If Subtenant keeps possession of the Premises after the Expiration Date (or earlier termination of this Sublease), without Sublandlord’s prior written consent (a “Holdover”), which may be withheld in its sole discretion, then in addition to the remedies available elsewhere under this Sublease or by law, Subtenant will be a tenant-at-sufferance and must comply with all of Subtenant’s obligations under this Sublease, except that for each Month of any Holdover, Subtenant will pay as Base Rent 150% of the Base Rent payable for the last Month of the Term (or that would have been payable but for abatement or excuse), without proration for any partial Month of Holdover. Subtenant shall indemnify and defend Sublandlord from and against all claims and damages, both consequential and direct, that Sublandlord suffers due to Subtenant’s failure to return possession of the Premises to Sublandlord at the end of the Term. Sublandlord’s deposit of Subtenant’s Base Rent payment during any Holdover will not constitute Sublandlord’s consent to a Holdover, or create or renew any tenancy.

3.3 **Condition on Expiration.**

(a) **Return of the Premises.** At the end of the Term, Subtenant will return possession of the Premises to Sublandlord vacant, free of Subtenant’s Personal Property, in broom-clean condition, and with the Premises, including all Leasehold Improvements, in good working order and repair (including ordinary wear and tear). In addition, Sublandlord may, if required by Prime Sublandlord, require Subtenant, by notice at least 20 days before the expiration of the Term, to remove (and restore the Premises damaged by removal of) (i) any Subtenant’s Wiring, or (ii) any item of Leasehold Improvements or Alterations that Prime Sublandlord required to be removed (or reserved the right to so require) at the time of approval of the installation of same or for which Subtenant failed to obtain Sublandlord’s written consent under §8.1(a).

(b) **Correction by Sublandlord.** If Subtenant fails to return possession of the Premises to Sublandlord in the condition required under (a), then Subtenant shall reimburse Sublandlord for the costs incurred by Sublandlord to put the Premises in the condition required under (a), plus an administration fee of five percent (5%) of such costs.
(c) **Abandoned Property.** Subtenant’s Personal Property left behind in the Premises after the end of the Term will be considered abandoned. Sublandlord may move, store, retain or dispose of these items at Subtenant’s expense, plus an administration fee of five percent (5%) of such expenses.

3.4 **New Sublease with College for Creative Studies.** If this Sublease is terminated by Sublandlord pursuant to the terms hereof and the CUE Building Sublease has terminated, College for Creative Studies (“CCS”) shall, upon the written request of Sublandlord, enter into a new sublease of the Premises on the same terms and conditions of this Sublease for what would have been the remainder of the Term of this Sublease but for the termination of this Sublease; provided, however, that Sublandlord, in addition to any other rights of termination provided for in such new sublease, may terminate the new sublease upon not less than sixty (60) days notice if Sublandlord desires to sublease the Premises to another person or entity who will also sublease all or a portion of the premises in the Building that had been subleased by CUE.

4. **RENT**

4.1 **Base Rent.** During the Term, Subtenant shall pay all Base Rent in advance, in equal Monthly installments, on the Commencement Date and thereafter by the 1st of each Month. Base Rent for any Partial Month will be prorated. Subtenant may, at its election, pay such Base Rent directly to Prime Sublandlord and payment of Base Rent directly to Prime Sublandlord shall constitute payment to Sublandlord for purposes of this Sublease.

4.2 **Additional Rent.** Subtenant shall pay when due, directly to Prime Sublandlord, all “Additional Rent” payable by Sublandlord to Prime Sublandlord under Section 4.2 of the Prime Sublease. If any sum is paid by Prime Sublandlord to Sublandlord pursuant to the last sentence of Section 4.2 (a) of the Prime Sublease, Sublandlord shall promptly pay such amount to Subtenant. Sublandlord shall promptly furnish Subtenant with all notices received by Sublandlord from Prime Sublandlord regarding estimates of Additional Rent and year end statements of the actual Additional Rent. If Subtenant gives Sublandlord written notice objections to any items of Additional Rent set forth in the annual statement within ninety (90) days after Sublandlord’s receipt of such statement, Sublandlord will give Prime Sublandlord written notice objecting to such statement, based on the items objected to by Subtenant, within ninety (90) days after Sublandlord’s receipt of such statement.

4.3 **Other Taxes.** Upon demand, Subtenant will reimburse Sublandlord for taxes paid by Sublandlord on (a) Subtenant’s Personal Property, (b) Rent, (c) Subtenant’s occupancy of the Premises, or (d) this Sublease. If Subtenant cannot lawfully reimburse Sublandlord for these taxes, then the Base Rent will be increased to yield to Sublandlord the same amount after these taxes were imposed as Sublandlord would have received before these taxes were imposed. In addition, Subtenant will pay directly to Prime Sublandlord all amounts reimbursable by Sublandlord to Prime Sublandlord pursuant to Section 4.3 of the Prime Sublease.

4.4 **Terms of Payment.** “Rent” means all amounts payable by Subtenant under this Sublease and the exhibits, including Base Rent and Additional Rent. If a time for payment of an item of Rent is not specified in this Sublease, then Subtenant will pay Rent within 30 days after receipt of Sublandlord’s statement or invoice. Unless otherwise provided in this Sublease, Subtenant shall pay Rent without notice, demand, deduction, abatement or setoff, in lawful U.S. currency, at Sublandlord’s Billing Address. Sublandlord will send invoices payable by Subtenant to Subtenant’s Billing Address; however, neither Sublandlord’s failure to send an invoice nor Subtenant’s failure to receive an invoice for Base Rent (and installments of Estimated Additional Rent (as defined in the Prime Sublease) will relieve Subtenant of its obligation to timely pay Base Rent (and installments of Estimated Additional Rent). Each partial payment by Subtenant shall be deemed a payment on account. No endorsement or statement on any check or any accompanying letter shall constitute an accord and satisfaction, affect Sublandlord’s right to collect the full amount due, or require Sublandlord to apply any payment to other than Rent earliest due. No payment by Subtenant to Sublandlord will be deemed to extend the Term or render any notice, pending suit or judgment ineffective. By notice to the other, each party may change its Billing Address. Any payment made by Subtenant to a lockbox maintained by Prime Sublandlord for receipt of payment of Rent shall not be deemed to have been accepted by Prime Sublandlord or Sublandlord provided such payment is returned to Subtenant within ten (10) days after Prime Sublandlord or Sublandlord receives notice that the payment has been received into the lockbox.

4.5 **Late Payment.** If Sublandlord is charged a “Late Charge” under the Prime Sublease because Subtenant failed to pay Sublandlord when due Base Rent, or Subtenant failed to pay to Prime Sublandlord when due any Additional Rent or any Base Rent if Subtenant elected to pay such Base Rent directly to Prime Sublandlord, Subtenant shall pay each such Late Charge directly to Prime Sublandlord.
5. USE & OCCUPANCY

5.1 Use. Subtenant shall use and occupy the Premises only for the Use and for no other purpose without Sublandlord's written consent, which consent may be withheld in Sublandlord's sole and absolute discretion. Sublandlord does not represent or warrant that the Project is suitable for the conduct of Subtenant's particular business.

5.2 Compliance with Laws and Directives.

(a) Subtenant's Compliance. Subject to the remaining terms of this Sublease, Subtenant shall comply at Subtenant's expense with all directives of Prime Sublandlord's insurers, governing authorities or laws concerning:

(1) The Premises, including the Leasehold Improvements, and Alterations,
(2) Subtenant's use or occupancy of the Premises,
(3) Subtenant's employer/employee obligations,
(4) A condition created by Subtenant or any of its agents, employees, contractors, or invitees,
(5) Subtenant's failure to comply with this Sublease,
(6) The negligence of Subtenant or its agents, employees, invitees or contractors, or
(7) Any chemical wastes, contaminants, pollutants or substances that are hazardous, toxic, infectious, flammable or dangerous, or regulated by any local, state or federal statute, rule, regulation or ordinance for the protection of health or the environment, including but not limited to any applicable provisions under the Natural Resources and Environmental Protection Act of 1994 (Act 451), Part 201, including the Administrative Rules promulgated thereunder as most recently amended on December 21, 2002 ("Hazardous Materials") that are introduced to the Project, handled or disposed by Subtenant or its agents, employees, invitees or contractors.

(b) Environmental Provisions.

(1) Subtenant shall not "treat", "store" or "dispose" of any "hazardous substances," "hazardous wastes" or "toxic substances" as those terms are defined under CERCLA, 42 U.S.C. 9601, et seq., RCRA 42 U.S.C. 6901, et seq., or TSCA, 15 U.S.C. 2601, et seq., or under similar Michigan law on, at or below the Premises or Project.

(2) Use of ground water at, in or under the Project, including potable and non-potable uses, is prohibited.

5.3 Occupancy. Subtenant shall not interfere with Building services or other subtenants' rights to quietly enjoy their respective premises or the Common Areas. Subtenant shall not make or continue a nuisance, including any objectionable odor, noise, fire hazard, vibration, or wireless or electromagnetic transmission. Subtenant will not maintain any Leasehold Improvements or use the Premises in a way that increases the cost of insurance required under §9.2, or requires insurance in addition to the coverage required under §9.2.

6. SERVICES & UTILITIES

6.1 Prime Sublandlord Services. While Sublandlord has no obligation to provide any of the Standard Services (as defined in the Prime Sublease) or any additional services as described in the Prime Sublease, Sublandlord shall, upon Subtenant's request and at Subtenant's expense, use reasonable efforts to cause Prime Sublandlord to provide such services. Subtenant shall pay, when due, directly to Prime Sublandlord, all rent payable by Sublandlord to Prime Sublandlord pursuant to Section 6.2 of the Prime Sublease. Subtenant shall, at Subtenant's expense, if required by Prime Sublandlord, upgrade or modify existing Project Mechanical Systems serving the Premises or the Leasehold Improvements to the extent necessary to meet Subtenant's excess requirements (including installation of Building Standard meters to measure the same).

6.2 Utilities Billing. Subtenant's total consumption of electricity in the Premises, including lighting and convenience outlets, electricity consumed in operating the heat pumps that furnish air conditioning and heat to the Premises, and water and gas furnished to the Premises shall be separately submetered to the Premises. Subtenant
shall pay when due, directly to Prime Sublandlord, the Utility Rent (as defined in Section 6.3 of the Prime Sublease). Sublandlord shall immediately forward to Subtenant any invoice for or estimate of Utility Rent received by Sublandlord from Prime Sublandlord.

6.3 Telecommunication Services. Subtenant will contract directly with third party providers and will be solely responsible for paying for all telephone, data transmission, video and other telecommunication services ("Telecommunication Services") subject to the following:

(a) Providers. Each Telecommunication Services provider that does not already provide service to the Building shall be subject to Prime Sublandlord's approval, which Prime Sublandlord may withhold in Prime Sublandlord's reasonable discretion. Without liability to Subtenant, the license of any Telecommunication Services provider servicing the Building or Premises may be terminated under the terms of the license, or not renewed upon the expiration of the license.

(b) Subtenant's Wiring. Prime Sublandlord may, in its sole discretion, designate the location of all wires, cables, fibers, equipment, and connections ("Subtenant's Wiring") for Subtenant's Telecommunication Services, and restrict and control access to telephone cabinets and rooms. Subtenant may not use or access the Building, Building Structure, Project Mechanical Systems, or Common Areas for Subtenant's Wiring without Prime Sublandlord's prior written consent, which Prime Sublandlord may withhold in Prime Sublandlord's sole discretion, or for which Prime Sublandlord may charge a fee determined by Prime Sublandlord.

(c) No Beneficiaries. This §6.4 is solely for Subtenant's benefit, and no one else shall be considered a beneficiary of these provisions.

7. REPAIRS

7.1 Subtenant's Repairs. Except as provided in Article 12, during the Term Subtenant shall, at Subtenant's cost, repair, maintain and replace, if necessary, the Premises, including the Leasehold Improvements, and keep the Premises in good order, condition and repair. Subtenant's work under this §7.1 must be (a) approved by Prime Sublandlord before commencement, (b) supervised by Prime Sublandlord at Subtenant's expense, if Prime Sublandlord reasonably so requires, and (c) performed in compliance with law and in a first-class manner with materials of at least Building Standard. If Subtenant fails to perform any of its obligations under this §7.1, then Sublandlord may perform such obligations and Subtenant will pay as Rent to Sublandlord the cost of such performance, including an amount sufficient to reimburse Sublandlord for overhead and supervision, within 10 days after the date of Sublandlord's invoice. For purpose of performing such obligations, or to inspect the Premises, Sublandlord may enter the Premises upon not less than two days' prior notice to Subtenant (except in cases of actual or suspected emergency, in which case no prior notice will be required) without liability to Subtenant for any loss or damage incurred as a result of such entry, provided that Sublandlord will take reasonable steps in connection with such entry to minimize any disruption to Subtenant's business or its use of the Premises. Subtenant will notify Sublandlord (and may notify Prime Sublandlord) promptly after Subtenant learns of (x) any fire or other casualty in the Premises, (y) any damage or defect in the Premises, including the fixtures and equipment in the Premises, for the repair of which Prime Sublandlord might be responsible, and (z) any damage to or defect in any parts or appurtenances of the Building's sanitary, electrical heating, air conditioning, elevator or other systems located in or passing through the Premises.

7.2 Prime Sublandlord's Repairs. While Sublandlord is not obligated to perform any of Prime Landlord's obligations under Section 7.2 of the Prime Sublease, Sublandlord shall, upon Subtenant's request and at Subtenant's expense, use reasonable efforts to cause Prime Sublandlord to perform its obligations under such Section of the Prime Sublease. Subtenant may not repair or maintain the Project on Prime Sublandlord's or Sublandlord's behalf or offset any Rent for any repair or maintenance of the Project that is undertaken by Subtenant.

8. ALTERATIONS

8.1 Alterations by Subtenant. "Alterations" mean any modification, addition or improvement to the Premises made by Subtenant, including any modification to the Building, Project Mechanical Systems or Common Areas required by law or governing authority as a condition of performing the work. Alterations do not include work performed under a Work Letter that is part of this Sublease. Alterations are made at Subtenant's sole cost and expense, subject to the following:
(a) **Consent Required.** All Alterations require Prime Sublandlord’s and Sublandlord’s prior written consent, which consent of Sublandlord may not be unreasonably withheld. Unless Subtenant obtains Prime Sublandlord’s prior written consent to the Alterations becoming part of the Premises to be tendered to Prime Sublandlord on termination of the Prime Sublease, Sublandlord may, if required by Prime Sublandlord, require Subtenant to remove Alterations and restore the Premises under §3.3 upon termination of this Sublease.

(b) **Performance of Alterations.** Alterations shall be performed by Subtenant in a good and workmanlike manner according to plans and specifications approved by Sublandlord. All Alterations shall comply with law and insurance requirements. Prime Sublandlord’s designated contractors must perform Alterations affecting the Building, Building Structure, Project Mechanical Systems or Common Areas; and, all other work will be performed by qualified contractors that meet Prime Sublandlord’s insurance requirements and are otherwise approved by Prime Sublandlord. Promptly after completing Alterations, Subtenant will deliver to Prime Sublandlord and Sublandlord “as-built” CAD plans, proof of payment, and unconditional waivers of lien from all contractors, subcontractors, sub-subcontractors and suppliers.

(c) **Bonding.** If requested by Prime Sublandlord, before commencing Alterations Subtenant shall at Subtenant’s cost obtain bonds, or deposit with Prime Sublandlord other security acceptable to Prime Sublandlord for the payment and completion of the Alterations. These bonds or other security shall be in form and amount acceptable to Sublandlord.

(d) **Alterations Fee.** Subtenant shall pay directly to Prime Sublandlord all Alterations Fees (as defined in the Prime Sublease) and costs payable by Sublandlord to Prime Sublandlord in connection with Subtenant’s Alterations.

8.2 **Intentionally Omitted.**

8.3 **Liens and Disputes.** Subtenant will keep title to the Project free of any liens concerning the Premises, Alterations, or Subtenant’s Personal Property, and will promptly take whatever action is required to have any of these liens released and removed of record (including, as necessary, posting a bond or other deposit). To the extent legally permitted, each contract and subcontract for Alterations will provide that no lien attaches to or may be claimed against the Project. Subtenant will indemnify Sublandlord for costs and expenses that Sublandlord reasonably incurs because of Subtenant’s violation of this §8.3.

9. **INSURANCE**

9.1 **Subtenant’s Insurance**

(a) **Subtenant’s Coverage.** Before taking possession of the Premises for any purpose (including construction of any Alterations, if any) and during the Term, Subtenant will provide and keep in force the following coverage:

(1) Commercial general liability insurance insuring Subtenant’s use and occupancy of the Premises and use of the Project, and covering personal and bodily injury, death, and damage to others’ property of not less than the Liability Limit. Each of these policies shall include cross liability and severability of interests clauses, and be written on an occurrence, and not claims-made, basis. Each of these policies shall name Sublandlord, Prime Landlord, Prime Sublandlord, the Building property manager, each secured lender, and any other party reasonably designated by Prime Sublandlord and Sublandlord as an additional insured ("Additional Insured"). The commercial general liability insurance carried by Sublandlord or other Additional Insureds pursuant to the terms of this Sublease shall be non contributing and Subtenant’s commercial general liability insurance shall be primary to any such insurance carried by Sublandlord or other Additional Insureds.

(2) All risk insurance (including standard extended coverage endorsement perils, leakage from fire protective devices and other water damage) covering the full replacement cost of the Premises, including the Leasehold Improvements, and Subtenant’s Personal Property. Each of these policies shall name Prime Sublandlord, Sublandlord and each Additional Insured as loss payee to the extent of their interest in the Premises. Each of
these policies shall include a provision or endorsement in which the insurer waives its	right of subrogation against Prime Sublandlord, Sublandlord and each Additional Insured.

(3) Insurance covering the perils described in (2) for Subtenant’s loss of income or insurable
gross profits with a limit not less than Subtenant’s annual Rent.

(4) If any boiler or machinery is operated solely to provide service to the Premises, boiler
and machinery insurance, with a limit of at least the Liability Limit.

(5) Insurance required by law, including workers’ compensation insurance.

(6) Employers liability insurance with limits not less than $1 million/each accident; $1million/disease - each employee; $1 million/disease – aggregate.

(7) Commercial automobile liability insurance covering all owned, hired, and non-owned
vehicles with a combined single limit of not less than $1 million for each accident or
person.

(8) Insurance covering the Premises, including the Leasehold Improvements, and
Subtenant’s Personal Property against loss or damage due to earthquake or difference in
conditions perils. Subtenant may elect to self-insure this coverage. If Subtenant does not
elect to self-insure this coverage, then each of these policies shall name Prime
Sublandlord, Sublandlord and each Additional Insured a loss payee to the extent of their
interest in the Premises.

(b) Insurers and Terms. Each policy required under (a) shall be written with insurance companies
licensed to do business in the state in which the Building is located having a rating of not less than
A+ and a Financial Size Class (“FSC”) of at least VIII by A. M. Best Company, and be on terms
that are acceptable to Prime Sublandlord.

(c) Proof of Insurance. Subtenant shall provide Sublandlord with certificates of insurance or other
reasonable proof that the coverage required under (a) is in effect. Subtenant will provide
reasonable proof of renewal or replacement at least 30 days prior to any policy expiration. Failure
of Subtenant to provide any insurance required by this Sublease shall not be construed as a waiver
of liability or any limit of damages, the parties expressly agreeing that the requirement to carry
insurance does not deem that said insurance is adequate to cover the damages so insured.

(d) Waiver of Subrogation. Each policy required under (a) shall include a provision or endorsement
in which the insurer waives its right of subrogation against Prime Sublandlord, Sublandlord and
each Additional Insured.

9.2 Sublandlord’s Insurance.

Sublandlord’s Coverage. While Sublandlord has no obligation to maintain the insurance required
to be maintained by Prime Sublandlord pursuant to Section 9.2 of the Prime Sublease, Sublandlord
shall, upon Subtenant’s request and at Subtenant’s expense, use reasonable efforts to cause the
Prime Sublandlord to maintain such insurance.

10. DAMAGE OR DESTRUCTION

10.1 Damage and Repair. If all or any part of the Project is damaged by fire or other casualty and the
Sublease is not terminated pursuant to a termination of the Prime Sublease, Subtenant will repair and restore the
Premises, including the Leasehold Improvements, with reasonable promptness to the condition existing prior to such
damage, but not less than current Building Standards, except for modifications required by law.

While Sublandlord has no obligation to perform Prime Sublandlord’s repair and restoration obligations
under Section 10.1 of the Prime Sublease, Sublandlord shall, upon Subtenant’s request and at Subtenant’s expense, use reasonable efforts to cause Prime Sublandlord to perform such obligations.

10.2 Rent Abatement. If as a result of the damage or destruction under §10.1 any part of the Premises
becomes Untenantable, which shall mean the Subtenant is actually unable to use all or any portion of the Premises in
the normal conduct of its business, and Subtenant does not actually use the Untenantable part of the Premises for
more than 3 consecutive business days, then Subtenant’s Base Rent and Additional Rent for the Untenantable part of
the Premises not used by Subtenant shall, to the extent Prime Sublandlord receives the proceeds of loss of rental income insurance, be abated from the 4th consecutive business day until the earlier of the date (a) the damaged or destroyed part of the Premises becomes tenantable, or (b) 180 days after Prime Sublandlord completes its required repairs and restoration. Subtenant’s sole remedy against Sublandlord for damage or destruction of any part of the Project is abatement of Base Rent and Additional Rent under this §10.2, and Sublandlord will not be liable to Subtenant for any other amount, including damages to Subtenant’s Personal Property, consequential damages, actual or constructive eviction, or abatement of any other item of Rent.

11. INDEMNITY

11.1 Claims. “Claims” mean any and all liabilities, losses, claims, demands, damages or expenses that are suffered or incurred by a party, including attorneys’ fees reasonably incurred by that party in the defense or enforcement of the rights of that party.

11.2 Sublandlord’s Waivers and Subtenant’s Indemnity.

(a) Sublandlord’s Waivers. Sublandlord waives any Claims against Subtenant and its Affiliates for perils insured or required to be insured by Prime Sublandlord under subsections (2) and (3) of §9.2(a) of the Prime Sublease, except to the extent caused by the gross negligence or willful misconduct of Subtenant or its Affiliates.

(b) Subtenant’s Indemnity. Unless waived by Sublandlord under §11.2(a), Subtenant will indemnify and defend Prime Sublandlord, Sublandlord and Prime Landlord and their respective Affiliates and hold each of them harmless from and against Claims arising from:

1. Any accident or occurrence on or about the Premises, except to the extent caused by Prime Sublandlord’s, Sublandlord’s or Prime Landlord’s or any of their respective Affiliate’s gross negligence or willful misconduct; or

2. Subtenant’s negligence or willful misconduct; or

3. Any claim for commission or other compensation by any person for services rendered to Subtenant in procuring this Sublease.

11.3 Subtenant’s Waivers and Sublandlord’s Indemnity.

(a) Subtenant’s Waivers. Subtenant waives any Claims against Prime Sublandlord, Sublandlord and Prime Landlord and their respective Affiliates for:

1. Perils insured or required to be insured by Subtenant under subsections (2), (3) and (8) of §9.1(a), except to the extent caused by the gross negligence or willful misconduct of Prime Sublandlord, Sublandlord or Prime Landlord or their respective Affiliates, but in all events Subtenant waives any Claims for any special or consequential damages (such as interruption of business, loss of income, or loss of opportunity); or

2. Damage caused by any public utility, public work, other subtenants or occupants of the Project, or persons other than Prime Sublandlord, Sublandlord or Prime Landlord or any of their respective Affiliates; or

3. Damages in excess of the insurance Sublandlord maintains under §9.1.

(b) Sublandlord’s Indemnity. Unless waived by Subtenant under (a), Sublandlord will indemnify and defend Subtenant and its Affiliates and hold each of them harmless from and against Claims arising from:

1. Sublandlord’s gross negligence or willful misconduct; or

2. Any claim for commission or other compensation by any person for services rendered to Sublandlord in procuring this Sublease.

11.4 Affiliates Defined. “Affiliates” means with respect to a party (a) that party’s partners, co-members and joint venturers, (b) each corporation or other entity that is a parent or subsidiary of that party, (c) each corporation or other entity that is controlled by or under common control of a parent of such party, and (d) the directors, officers, employees and agents of that party and each person or entity described in this §11.4(a-c).
11.5 Survival of Waivers and Indemnities. Sublandlord's and Subtenant's waivers and indemnities under §11.2 and §11.3 will survive the expiration or early termination of this Sublease.

12. CONDEMNATION

12.1 Taking. "Taking" means acquiring of all or part of the Project for any public or quasi-public use by exercise of a right of eminent domain or under any other law, or any sale in lieu thereof. If a Taking occurs:

(a) Total Taking. If because of a Taking substantially all of the Premises are Untenantable for substantially all of the remaining Term, then the Sublease terminates on the date of the Taking.

(b) Partial Taking. If a Taking does not cause the Sublease to be terminated under (a), then Prime Sublandlord is responsible under the Prime Sublease to restore (and alter, as necessary) the Premises to be tenantable, unless this Sublease is terminated as a result of a termination of the Prime Sublease or this Sublease is terminated by Subtenant under the following circumstances:

(1) Subtenant may terminate the Sublease upon 60 days prior written notice to Sublandlord if the Taking causes more than 40% of the Premises to be Untenantable for the remainder of the Term and Subtenant cannot reasonably operate Subtenant's business for the Use in the remaining Premises.

(c) If the Sublease is not terminated under (a) or (b), the Rent will be reduced for the term of the Taking based upon the rentable square feet ("RSF") of the Premises made Untenantable by the Taking.

12.2 Awards. Prime Sublandlord is entitled to the entire award for any claim for a taking of any interest in this Sublease or the Project, without deduction or offset for Subtenant's estate or interest; however, Subtenant may make a claim for relocation expenses and damages to Subtenant's Personal Property and business to the extent that Subtenant's claim does not reduce Prime Sublandlord's award.

13. SUBTENANT TRANSFERS

13.1 Transfer Defined. "Transfer" means any:

(a) Sublease of all or part of the Premises, or assignment, mortgage, hypothecation or other conveyance of an interest in this Sublease;

(b) Use of the Premises by anyone other than Subtenant with Subtenant's consent provided that the use of the Premises for athletic or related activities by subtenants of the Building shall not constitute a Transfer;

(c) Change in Subtenant's form of organization (e.g., a change from a partnership to limited liability company);

(d) Transfer of 51% or more of Subtenant's assets, shares (except shares transferred in the normal course of public trading), membership interests, partnership interests or other ownership interests; or

(e) Transfer of effective control of Subtenant.

13.2 Consent Required. Except as provided in Section 13.5 hereof, each proposed Transfer requires Sublandlord's and Prime Sublandlord's prior written consent, which consent may be withheld in their respective sole and absolute discretion except as otherwise provided below, in which case the parties will proceed as follows:

(a) Subtenant's Notice. Subtenant shall notify Sublandlord at least 30 days prior to the proposed Transfer of the name and address of the proposed transferee and the proposed use of the Premises, and, in the case of an assignment of this Sublease, include in the notice the Transfer documents and copies of the proposed transferee's balance sheets and income statements (both current and for the past 2 years).

(b) Sublandlord's Rights. Within 30 days after receipt of Subtenant's complete notice, Sublandlord may:
(1) If the proposed Transfer is either an assignment of this Sublease or sublease of substantially all of the Premises, terminate this Sublease as of the proposed Transfer date, in which case neither Sublandlord nor Subtenant shall have any further obligations or liabilities to the other from and after the date of such termination except for those liabilities or obligations which arose prior to the date of termination or which expressly survive the termination of this Sublease; or

(2) If the proposed Transfer is a sublease of all of the Premises or any part of the Premises that will be separately demised and have its own entrance from the Common Areas, exercise a right of first refusal to sublease such portion of the Premises at the lesser of (A) the Rent (prorated for subletting part of the Premises), or (B) the rent payable in the proposed Transfer; or

(3) Consent or deny consent to the proposed Transfer; provided, however, that Sublandlord shall not unreasonably withhold its consent to a proposed Transfer to a transferee whose proposed use is compatible with an integrated educational community.

13.3 Payments to Sublandlord. Subtenant shall pay Sublandlord 100% of Transfer receipts that exceed Subtenant’s Rent (on a per square foot basis); after Subtenant is reimbursed for Subtenant’s reasonable and customary out-of-pocket costs incurred in the Transfer, including attorneys’ fees, Alterations, and broker commissions.

13.4 Effect of Transfers. No Transfer releases Subtenant or any guarantor of this Sublease from any Sublease obligation. Sublandlord’s acceptance of a payment from any person or entity other than Subtenant that occupies the Premises does not waive Subtenant’s obligations under this Article 13. If Subtenant is in default of this Sublease, Sublandlord may proceed against Subtenant without exhausting any remedies against any transferee and may require (by written notice to any transferee) any transferee to pay Transfer rent owed Subtenant directly to Sublandlord (which Sublandlord will apply against Subtenant’s Sublease obligations). Termination of this Sublease for any reason will not result in a merger. Each sublease will be deemed terminated upon termination of this Sublease unless Sublandlord notifies the subtenant in writing of Sublandlord’s election to assume any sublease, in which case the subtenant shall attorn to Sublandlord under the executory terms of the sublease.

13.5 Permitted Transfers. Notwithstanding the foregoing, Subtenant may, without Sublandlord’s consent, assign this Sublease to an assignee of the CUE Building Sublease pursuant to an assignment permitted under Article 13 of the CUE Building Sublease, and Subtenant may sublease the entire Premises to a person or entity that subleases all or any portion of the Premises (as defined in the CUE Building Sublease) from Subtenant pursuant to a sublease permitted under Article 13 of the CUE Building Sublease.

14. SUBLANDLORD TRANSFERS

14.1 Sublandlord’s Transfer. Sublandlord’s right to transfer any interest in the Project or this Sublease is not limited by this Sublease. Upon any such transfer, Subtenant will attorn to Sublandlord’s transferee and Sublandlord will be released from liability under this Sublease, except for any Sublease obligations accruing before the transfer that are not assumed by the transferee.

14.2 Subordination. This Sublease is, and will at all times be, subject and subordinate to the Prime Lease and Prime Sublease and each ground lease, mortgage, deed to secure debt or deed of trust now or later encumbering the Premises, Building or any other portion of the Project, including each renewal, modification, supplement, amendment, consolidation or replacement thereof (each, an “Encumbrance”). At Prime Sublandlord’s request, Subtenant will, without charge, promptly execute, acknowledge and deliver to Prime Sublandlord (or, at Sublandlord’s request, the Encumbrance holder) any instrument reasonably necessary to evidence this subordination. Notwithstanding the foregoing, each Encumbrance holder may unilaterally elect to subordinate its Encumbrance to this Sublease.

14.3 Attornment. Subtenant will automatically attorn to any transferee of Sublandlord’s interest in the Project that succeeds Sublandlord by reason of a termination, foreclosure or enforcement proceeding of an Encumbrance, or by delivery of a deed in lieu of any foreclosure or proceeding (a “Successor Sublandlord”). In this event, the Sublease will continue in full force and effect as a direct lease between the Successor Sublandlord and Subtenant on all of the terms of this Sublease, except that the Successor Sublandlord shall not be:
(a) Liable for any obligation of Sublandlord under this Sublease, or be subject to any counterclaim, defense or offset accruing before Successor Sublandlord succeeds to Sublandlord’s interest;
(b) Bound by any modification or amendment of this Sublease made without Successor Sublandlord’s consent;
(c) Bound by any prepayment of more than one Month’s Rent; or
(d) Obligated to perform any improvements to the Premises (or provide an allowance therefor). Upon Successor Sublandlord’s request, Subtenant will, without charge, promptly execute, acknowledge and deliver to Successor Sublandlord any instrument reasonably necessary or required to evidence such attornment.

14.4 Estoppel Certificate. Within 10 days after receipt of Prime Sublandlord’s written request, Subtenant (and each guarantor and transferee of an interest in the Sublease) will execute, acknowledge and deliver to Sublandlord a certificate upon which Prime Sublandlord and each existing or prospective Encumbrance holder may rely confirming the following (or any exceptions to the following):

(a) The Commencement Date and Expiration Date;
(b) The documents that constitute the Sublease, and that the Sublease is unmodified and in full force and effect;
(c) The date through which Base Rent, Additional Rent, and other Rent has been paid;
(d) That neither Sublandlord nor Subtenant is in default of this Sublease;
(e) That Subtenant has accepted the Premises;
(f) That Subtenant solely occupies the Premises; and
(g) Such other matters concerning this Sublease or Subtenant’s occupancy that Sublandlord may reasonably require.

14.5 Sublandlord’s Compliance with Prime Sublease. Sublandlord shall perform and observe all of its covenants and obligations under the Prime Sublease as and when due except to the extent Subtenant is otherwise liable under this Sublease to perform the same.

15. DEFAULT AND REMEDIES

15.1 Subtenant’s Default. Subtenant is in default (“Default”) of this Sublease if any of the following occur:

(a) Subtenant fails to pay Rent when due, and the failure continues for 10 days after notice to Subtenant of the failure.

(b) Subtenant fails to perform a non-monetary Sublease obligation and the failure continues for 20 days after notice to Subtenant of the failure, except that (1) In an emergency Sublandlord may require Subtenant to perform this obligation in a reasonable time of less than 20 days, or (2) If Subtenant begins performing this obligation within 20 days after notice to Subtenant of this failure, but it will reasonably take more than 20 days to complete performing the obligation, then Subtenant will have a reasonable amount of additional time to complete performing the obligation so long as Subtenant diligently pursues the performance of such obligation to completion.

(c) Subtenant consummates a Transfer that violates Article 13.

(d) Subtenant fails to discharge any attachment or levy on Subtenant’s interest in this Sublease within 15 days after the attachment or levy encumbers this Sublease.

(e) Subtenant fails to cause any of the following proceedings to be vacated or dismissed within 60 days after they are commenced: (1) the appointment of a receiver or trustee of the assets of Subtenant or any guarantor of this Sublease, (2) the voluntary or involuntary bankruptcy of Subtenant or any guarantor of this Sublease, or (3) any assignment for the benefit of creditors of the assets of Subtenant or any guarantor of this Sublease.
Subtenant vacates or abandons substantially all of the Premises.

Subtenant is named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

The failure of Subtenant to establish policies required by the Charter School Contract in a timely manner, as required by such Charter School Contract, and such failure continues for twenty (20) days after notice to Subtenant of the failure.

A Default exists under the CUE Building Sublease.

15.2 Remedies. If Default occurs, Sublandlord shall have the rights and remedies set forth in this Sublease which shall be distinct, separate and cumulative and shall not operate to exclude or deprive Sublandlord of any other right or remedy allowed it by law or at equity.

(a) Sublandlord may terminate this Sublease by giving notice to Subtenant of Sublandlord’s election to do so, in which event the Term of this Sublease shall end, and all right, title and interest of Subtenant hereunder shall expire, on the date stated in such notice. In no event shall either re-entry or the taking of possession of the Premises by Sublandlord be construed as an election by Sublandlord to terminate this Sublease. Written notice alone shall be proof of any such election by Sublandlord. No termination of this Sublease shall terminate Subtenant’s obligations under this Sublease to pay Rent, which obligation shall survive such termination.

(b) Sublandlord may terminate Subtenant’s right to possession of the Premises without terminating this Sublease by giving notice to Subtenant that Subtenant’s right to possession shall end on the date stated in such notice, and all right of Subtenant to possession of the Premises or any part thereof shall cease on the date stated in such notice. An election by Sublandlord to terminate Subtenant’s right to possession of the Premises without terminating the Sublease shall not preclude a subsequent election by Sublandlord to terminate the Sublease.

(c) If Sublandlord terminates this Sublease as provided in Section 15.2 (a) or if Sublandlord terminates Subtenant’s right to possession of the Premises as provided in Section 15.2 (b), (1) Subtenant shall surrender possession, vacate the Premises and immediately deliver possession to Sublandlord; and (2) Sublandlord may, with due process of law, re-enter and take possession of the Premises without being liable for prosecution for such action or being deemed guilty of any manner of trespass, and without diminishing any remedies for collection of Rent and without relinquishing any other right of Sublandlord.

(d) Sublandlord may enforce the provisions of this Sublease and may enforce and protect the rights of Sublandlord by a suit or suits in equity or at law for the specific performance of any covenant or agreement contained in this Sublease, or for the enforcement of any other appropriate legal or equitable remedy, including recovery of all moneys due or to become due from Subtenant under any of the provisions of this Sublease.

(e) Sublandlord may, but shall not be obligated to, cure Subtenant’s Default by making any payment or performing such other act to the extent Sublandlord may deem desirable. Any such cure by Sublandlord shall be without notice and shall not waive or release Subtenant from any obligation under this Sublease. Subtenant covenants and agrees to pay Sublandlord, upon demand, all advances, costs and expenses incurred by Sublandlord in connection with such cure, including reasonable attorney’s fees, together with interest at the Default Rate, from the date such are incurred by Sublandlord to the date of payment to Sublandlord.

15.3 Remedies for Recovery of Rent and Damages.

(a) If Sublandlord terminates the right of Subtenant to possession of the Premises pursuant to Section 15.2, regardless of whether Sublandlord previously terminated or subsequently terminates this Sublease:

(1) Sublandlord shall be entitled to recover any and all Rent due and unpaid as of the date of repossession by Sublandlord. Subtenant shall immediately pay to Landlord such Rent.
Sublandlord shall, if Prime Sublandlord terminated Sublandlord's right to possession of the Premises pursuant to Section 15.2 of the Prime Sublease and has made a demand on Sublandlord for the lump sum payment described in Section 15.3(a)(2) of the Prime Sublease, be entitled to recover in one lump sum payment all unpaid Rent which would have accrued after the date of possession for the remainder of the then current Term (or if this Sublease has been terminated, what would have been the remainder of the then current Term but for such termination). For purposes of computing the amount of Rent hereunder that would have accrued after the date of repossession by Sublandlord, Additional Rent shall be calculated based on the average rate of increase, if any, in Additional Rent from the Commencement Date through the date of repossession. Subtenant shall immediately pay to Sublandlord all such Rent if the conditions to such payment as set forth above have been satisfied.

(i) If Sublandlord is not entitled to recover all unpaid Rent in one lump sum payment pursuant to clause (A) above, Sublandlord shall have the right, from time to time, to recover from Subtenant, and Subtenant shall remain liable for, all Rent and any other sums accruing as they become due under this Sublease through the remainder of the stated Term and the other provisions of this subsection (2)(B) shall be applicable.

(ii) Sublandlord shall make commercially reasonable efforts to relet the Premises or portions thereof, so as to mitigate Sublandlord's damages. Sublandlord and Subtenant agree that Sublandlord may relet for such term or terms and on such conditions and other terms as Sublandlord, in its discretion determines; and that Sublandlord shall not be required to (A) observe any instructions given by Subtenant about such reletting; (B) lease the Premises prior to other space owned, controlled or managed by Sublandlord or its Affiliates; or (C) lease the Premises at below market rates.

(iii) Any rent received by Sublandlord from re-letting the Premises shall be deemed to reduce Subtenant's indebtedness to Sublandlord as follows: (w) first, to reduce Subtenant's obligation to reimburse Sublandlord for Repossession Expenses, then (x) to reduce Subtenant's obligation to reimburse Sublandlord for Reletting Expenses, then (y) to reduce Subtenant's obligation to Sublandlord for Enforcement Costs, then (z) to reduce Subtenant's obligation for the payment of Rent reserved in the Sublease for the remainder of the stated Term of the Sublease. In no event shall Subtenant be entitled to a reduction (of its indebtedness to Sublandlord) in an amount in excess of the aggregate sum of Rent which would have been payable by Subtenant for the remainder of the stated Term of the Sublease, if no Default had occurred.

(iv) As it becomes due, and without notice or demand, Subtenant shall pay to Sublandlord an amount equal to the Rent which would have been payable by Subtenant for the remainder of the stated Term of the Sublease, less any applicable reductions pursuant to the immediately preceding sentence.

Subtenant shall, upon demand, reimburse Sublandlord, with interest at the Default Rate from the date incurred through the date of payment to Sublandlord, the following: Repossession Expenses, Reletting Expenses (if subsection (2)(B) above is applicable) and Enforcement Costs.
(b) If any law shall validly limit the amount of any damages provided for herein to an amount which is less than the amount agreed to herein, Sublandlord shall be entitled to the maximum amount available under such law.

15.4 Definitions.

(a) "Enforcement Costs" shall be all sums, costs, expenses and damages (in addition to Repossession Expenses, Reletting Expenses, and including reasonable attorneys' fees) which are incurred by Sublandlord in enforcing Subtenant's obligations under this Sublease or by reason of Subtenant's Default, including without limitation, those arising out of any action brought by Sublandlord against Subtenant to interpret any provision of this Sublease or in connection with a bankruptcy or an assignment for the benefit of creditors.

(b) "Reletting Expenses" shall be such costs and expenses which Sublandlord may, to the extent deemed necessary or desirable by Sublandlord, incur to relet the Subleased Premises, including without limitation, (A) repairs, alterations and additions in or to the Subleased Premises, (B) altering locks and security devices to the Subleased Premises, (C) redecoration, remodeling or refurbishing of the Subleased Premises, and (D) other costs and expenses, including brokers' commissions and reasonable attorneys' fees.

(c) "Repossession Expenses" are such costs and expenses including, without limitation, reasonable attorneys' fees which Sublandlord may incur, as Sublandlord considers appropriate, in order to recover possession of the Premises.

(d) Reasonable attorneys' fees shall include the value of services provided by counsel employed by Sublandlord or its Affiliates in the amount that Sublandlord would have reasonably incurred if the services had been performed by unaffiliated counsel.

15.5 Interest. If Subtenant at any time fails to make any payment of Rent or of any amounts owed under this Sublease, and as a result Sublandlord is charged interest thereon by Prime Sublandlord pursuant to the Prime Sublease, Subtenant shall pay all such interest directly to Prime Sublandlord.

15.6 Waivers. Sublandlord and Subtenant expressly waive any right to trial by jury with respect to any proceeding pertaining to this Sublease. No waiver by Sublandlord of any Default of Subtenant shall be implied to affect, and no express waiver shall affect, any Default other than the Default specified in such waiver and that only for the time and to the extent stated.

15.7 Force Majeure. "Force Majeure" means any cause or event beyond the reasonable control of a party to this Sublease, including any act of God, government act or restriction, labor disturbance, general shortage of materials or supplies, riot, insurrection, or act of war or terrorism. Force Majeure excuses a party from performing any non-monetary Sublease obligation for a commercially reasonable time.

15.8 Sublandlord's Default and Remedies.

(a) Sublandlord will be in "Default" of this Sublease if Sublandlord fails to perform any Sublease obligation of Sublandlord and this failure continues for 30 days after Subtenant notifies Sublandlord of such failure, or such longer period of time as is reasonable if more than 30 days is reasonably required to perform this obligation if performance commences within this 30-day period and is diligently prosecuted to completion.

(b) If Sublandlord is in Default, then Subtenant may exercise any remedy available under law that is not waived or limited under this Sublease, subject to the following:

(1) Subtenant may not terminate this Sublease due to any Sublandlord Default.

(2) No liability under this Sublease is assumed by Sublandlord's Affiliates.

16. MISCELLANEOUS

16.1 Rules and Regulations. Subtenant will comply with the Rules and Regulations attached as Exhibit C, as the same may be modified or supplemented from time to time by Prime Sublandlord upon notice to Subtenant. If the Rules and Regulations conflict with this Sublease, the Sublease shall govern.
16.2 Notice. Notice to Sublandlord must be given to Sublandlord’s Notice Addresses. Notice to Subtenant must be given to Subtenant’s Notice Addresses. By notice to the other, either party may change its Notice Address. Each notice must be in writing and will be validly given if either: (a) the notice is personally delivered and receipt is acknowledged in writing; or (b) the notice is delivered by a nationally recognized overnight courier service (e.g., FedEx or Airborne Express) and receipt is acknowledged in writing. If the party to receive notice fails to either accept delivery or acknowledge its receipt in writing, then notice may be validly given by mailing the notice first-class, certified or registered mail, postage prepaid, and the notice will be deemed received by the party 2 business days after the deposit of the notice in the U.S. Mail.

16.3 Intentionally Omitted.

16.4 Building Name. Subtenant shall not use the Building’s name or image for any purpose, other than Subtenant’s address, without Prime Sublandlord’s approval. Prime Sublandlord may change the name of the Building without any obligation or liability to Subtenant.

16.5 Entire Agreement. This Sublease is deemed integrated and contains all of each party’s representations, waivers and obligations. The parties may only modify or amend this Sublease in a writing that is fully executed and delivered by each party.

16.6 Successors. Unless provided to the contrary elsewhere in this Sublease, this Sublease binds and inures to the benefit of each party’s heirs, successors and permitted assignees.

16.7 No Waiver. A party’s waiver of a breach of this Sublease will not be considered a waiver of any other breach. No custom or practice that develops between the parties will prevent either party from requiring strict performance of the terms of this Sublease. No Sublease provision or act of a party creates any relationship between the parties other than that of sublandlord and subtenant.

16.8 Independent Covenants. The covenants of this Sublease are independent. A court’s declaration that any part of this Sublease is invalid, void or illegal will not impair or invalidate the remaining parts of this Sublease, which will remain in full force and effect.

16.9 Captions. The use of captions, headings, boldface, italics or underlining is for convenience only, and will not affect the interpretation of this Sublease.

16.10 Authority.

(a) Individuals signing this Sublease on behalf of Subtenant represent and warrant that they are authorized to bind Subtenant to this Sublease, and that Subtenant is qualified to do business in the State of Michigan. If required by Sublandlord, Subtenant will, at Subtenant’s cost, provide Sublandlord with a corporate resolution or other documentation acceptable to Sublandlord proving the authority of each individual signatory to bind Subtenant to this Sublease.

(b) Subtenant represents and warrants to Sublandlord that Subtenant is not named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

(c) Subtenant represents and warrants to Sublandlord that any individual or entity involved in this Sublease transaction on behalf of Subtenant is not named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the United States Department of the Treasury or any such similar list maintained by the state or federal government.

16.11 Applicable Law. The laws of Michigan govern this Sublease. In any action brought under this Sublease, Subtenant submits to the jurisdiction of the courts of the State of Michigan, and to venue in the County of Wayne.

16.12 Confidentiality. Subtenant will not record this Sublease or a memorandum of this Sublease without Sublandlord’s written consent. Subtenant will keep the terms of this Sublease confidential and, unless required by law, may not disclose the terms of this Sublease to anyone other than Subtenant’s Affiliates to the extent necessary to Subtenant’s business.
16.13 Reasonableness. Subtenant's sole remedy for any claim against Sublandlord that Sublandlord has unreasonably withheld or unreasonably delayed any consent or approval shall be an action for injunctive or declaratory relief, it being acknowledged and agreed that no such claim may be asserted against Sublandlord except where Sublandlord has expressly agreed in this Sublease that it may not unreasonably withhold or delay its consent or approval.

16.14 Time. Time is of the essence as to all provisions in this Sublease in which time is a factor.

16.15 Quiet Enjoyment. So long as Subtenant is not in default of this Sublease and except as provided in the Sublease, Sublandlord will not interfere with Subtenant's peaceful and quiet enjoyment of the Premises for the Term. Sublandlord is not liable for, and Subtenant will not be released from any obligation under this Sublease because of any interference with Subtenant's peaceful and quiet enjoyment of the Premises that is caused by any other person, including other subtenants.

16.16 Right to Enter Premises. Sublandlord may enter the Premises at any reasonable time to inspect the Premises, to show the Premises to prospective lenders, purchasers, assignees or subtenants, or to perform Sublandlord's duties under this Sublease. If any Leasedhold Improvements are damaged by Sublandlord as a result of Sublandlord exercising its rights under this §16.16, then Sublandlord will repair or replace the damaged portion, only, to match the original as nearly as is commercially reasonable.

16.17 Subtenant’s Authorizing Body. Sublandlord and Subtenant understand and agree that Subtenant's authorizing body, Grand Valley State University (“GVSU”), has not agreed to assume, undertake or in any way guarantee payment of the Subtenant's obligations under this Sublease from any source of revenue available to GVSU, including the administrative fee deducted by GVSU from the state school aid payments received by GVSU for the Subtenant, nor has it agreed to assume, undertake or in any way guarantee performance or Subtenant's non-monetary obligations under this Sublease.

Subtenant must exercise a Renewal Option by giving written notice thereof to Sublandlord at least twelve (12) months prior to the expiration of the Term, as the same may have been renewed (the “Notice”). Argonaut Building/Detroit, MI

"Rules and Regulations" mean the contents of this Exhibit C, as modified, amended or revoked by Sublandlord, from time to time.

1. Right to Exclude. Prime Sublandlord may require that Subtenant, its Affiliates and guests comply with each reasonable security measure that Prime Sublandlord may establish as a condition for entry to the Premises, Building or Project. These measures may include submitting to a search by persons or devices employed by Prime Sublandlord, presenting an identification card or pass issued by the government, Prime Sublandlord, or both, being announced to Subtenant and accepted as a visitor by Subtenant, and signing a register on entry and exit. Any person who cannot comply with these requirements may be excluded from the Project. If Prime Sublandlord requires a Building pass issued by Prime Sublandlord as a condition of entry to the Premises, Building or Project, Prime Sublandlord will furnish a Building pass to all persons reasonably designated by Subtenant in writing. Prime Sublandlord may exclude or expel from the Project any person who, in Prime Sublandlord’s reasonable opinion, is intoxicated or under the influence of alcohol or drugs. Prime Sublandlord may require Subtenant and its Affiliates and guests to enter and exit the Building from those entrances designated by Prime Sublandlord from time to time.

2. Obstructions. Subtenant will not cause the Common Areas, or sidewalks or driveways outside the Building to be obstructed. Prime Sublandlord may remove, at Subtenant’s expense, any such obstruction without prior notice to Subtenant.

3. Trash. Subtenant will place trash in proper receptacles in the Premises provided by Subtenant at Subtenant’s cost, or in Building receptacles designated by Sublandlord. Subtenant may not litter in the Common Areas, or sidewalks or driveways outside the Building.

4. Public Safety. Subtenant will not throw anything out of doors, windows or skylights, down passageways or over walls. Subtenant will not use any fire exits or stairways in the Building except in case of emergency.

5. Keys and Locks. Prime Sublandlord may from time to time install and change locks on entrances to the Project, Building, Common Areas or Premises, and will provide Subtenant a number of keys to meet Subtenant’s reasonable requirements. Additional keys will be furnished by Prime Sublandlord at Subtenant’s cost. At the end of the Term, Subtenant will promptly return to Prime Sublandlord all keys for the Building and Premises issued by Prime Sublandlord to Subtenant. Unless Subtenant obtains Prime Sublandlord’s prior written consent, Subtenant will not add or change any locks on any door to, in or about the Premises. If with Prime Sublandlord’s consent, Subtenant installs any lock incompatible with the Building master locking system, Subtenant will: relieve (and Sublandlord will relieve) Prime Sublandlord of each Prime Sublease obligation that requires access to each affected area; indemnify Prime Sublandlord against any Claims resulting from forced entry to each affected area in an emergency; and, at the end of the Term, remove each incompatible lock and replace it with a Building Standard lock at Subtenant’s expense.

6. Aesthetics. Unless Subtenant obtains Prime Sublandlord’s prior written consent (which may be withheld in Prime Sublandlord’s sole and absolute discretion), Subtenant may not:
   
   (a) Attach any awnings, signs, displays or projections to either the outside walls or windows of the Building, or to any part of the Premises visible from outside the Premises;

   (b) Hang any non-Building Standard curtains, blinds, shades or screens in any window or door of the Premises;

   (c) Coat or sunscreen the interior or exterior of any windows; or

   (d) Place any objects on windowsills.

7. HVAC Operation. Subtenant will not obstruct the HVAC convectors or diffusers, or adjust or interfere with the HVAC system. Subtenant will assist the HVAC system in maintaining comfort in the Premises by drawing shades, blinds and other window coverings in the Premises as may be reasonably required. Subtenant may not use any method of heating or cooling the Premises other than that supplied by Prime Sublandlord.
8. Plumbing. Subtenant will use plumbing fixtures only for the purpose for which they are constructed. Subtenant will reimburse Prime Sublandlord for any damage caused by Subtenant’s misuse of plumbing fixtures.

9. Equipment Location. Prime Sublandlord may specify the location of any of Subtenant’s business machines, mechanical equipment or other property that are unusually heavy, may damage the Building, or may cause vibration, noise or annoyance to other subtenants. Subtenant will reimburse Prime Sublandlord for any professional engineering certification or assistance reasonably required to determine the location of these items.

10. Bicycles. Subtenant may not bring bicycles or other vehicles into the Building or Premises except, to the extent permitted by the Sublease, for the parking of Vehicles in the parking spaces located within the basement of the Building. Bicycles and other vehicles may only be parked in areas designated by Prime Sublandlord.

11. Animals. Subtenant may not bring any birds or animals, excepting seeing-eye/assistance dogs, into the Building or Premises.

13. Elevators. Any use of the elevators for purposes other than normal passenger use (such as moving to or from the Building or delivering freight), whether during or after business hours, must be scheduled through the office of the Property Manager or if there is no Property Manager, through the Prime Sublandlord. Subtenant will reimburse Prime Sublandlord for any extra costs incurred by Prime Sublandlord in connection with any such non-passenger use of the elevators.

14. Moving and Deliveries. Subtenant’s movers are subject to Prime Sublandlord’s reasonable approval. Moving of Subtenant’s Personal Property and deliveries of materials and supplies to the Premises must be made during the times and through the entrances, elevators and corridors reasonably designated by Prime Sublandlord. Moving and deliveries may not be made through any of the main entrances to the Building without Prime Sublandlord’s prior permission. Any hand truck or other conveyance used in the Common Areas must be equipped with rubber tires and rubber side guards to prevent damage to the Building and its property. 15. Solicitation. Canvassing, soliciting and peddling in the Project are prohibited and Subtenant will cooperate in preventing the same.

16. Food. Only persons approved from time to time by Prime Sublandlord may prepare, solicit orders for, sell, serve or distribute food in or around the Project. Except as may be specified in the Sublease or on construction drawings for the Premises approved by Prime Sublandlord, and except for microwave cooking, Subtenant will not use the Premises for preparing or dispensing food, or soliciting of orders for sale, serving or distribution of food.

EXHIBIT F – WORK LETTER
(TURNKEY-PRIME SUBLANDLORD PREPARES CONSTRUCTION DOCUMENTS)

Argonaut Building/Detroit, MI
Gymnasium

1. **Conflicts; Terms.** If there is any conflict or inconsistency between the provisions of the Sublease and those of this Exhibit F ("Work Letter"), the provisions of this Work Letter will control. Except for those terms expressly defined in this Work Letter, all initially capitalized terms will have the meanings stated for such terms in the Sublease. The following terms, which are not defined in the Sublease, have the meanings indicated:

   (a) "Sublandlord’s Representative" means John Cleary, or such other person as may be designated by Sublandlord from time to time.

   (b) "Subtenant’s Representative" means Adriana Calderon, or such other person as may be designated by Subtenant from time to time.

   (c) "Tenant Improvements" means the gymnasium building and all other alterations, improvements and installations to be constructed or installed by Prime Sublandlord according to the Work Letter attached to the Prime Sublease (the "Prime Sublease Work Letter"). In no event will the Tenant Improvements include any furniture, fixtures or equipment (including telecommunications and security system cabling and equipment) except for any equipment expressly provided for in the Construction Documents approved by Prime Sublandlord, as the same may be revised from time to time with the approval of Prime Sublandlord.

   (d) "Preliminary Plans" means those preliminary plans and specifications for the Tenant Improvements approved by Sublandlord and Subtenant.

   (e) "Construction Documents" means complete construction plans and specifications for the Tenant Improvements.

   (f) "Total Cost" means the total cost of preparing and revising the Preliminary Plans and Construction Documents, obtaining all necessary permits, constructing and installing the Tenant Improvements (including any changes or additional work pursuant to Change Orders), providing any services required during construction (such as electricity and other utilities, refuse removal and housekeeping), and the cost of construction administration or management services provided by a third party or parties.

2. **Sublandlord’s Obligations.** Sublandlord will tender possession of the Premises to Subtenant when Prime Sublandlord has tendered possession of the Premises to Sublandlord and the Tenant Improvements have been completed by Prime Sublandlord to the extent that only minor construction details, which would not materially interfere with Subtenant’s use and enjoyment of the Premises, require completion or correction ("Substantially Completed or Substantial Completion"). Subtenant will accept the Premises when Sublandlord tenders possession, provided that the Tenant Improvements have been Substantially Completed, and provided further that Subtenant will not be required to accept possession prior to the Scheduled Commencement Date. Sublandlord and Subtenant agree that all Tenant Improvements, whether paid for by Prime Sublandlord, Sublandlord or Subtenant, will, without compensation to Subtenant, become Prime Sublandlord’s property upon installation and will remain Prime Sublandlord’s property at the expiration or earlier termination of the Term.

3. **Punch List.** Subtenant’s taking possession of any portion of the Premises will be conclusive evidence that such portion of the Premises was in good order and satisfactory condition when Subtenant took
possession, except as to any patent defects identified on a punch list prepared and signed by Prime Sublandlord’s Representative, Sublandlord’s Representative and Subtenant’s Representative after an inspection of the Premises by such parties when Subtenant takes possession, and except as to any latent defects of which Subtenant notifies Prime Sublandlord in writing within one year after the Commencement Date. Failure to advise Prime Sublandlord in writing within one year of the Commencement Date of any latent defects shall result in a waiver of any claims regarding said defects by Subtenant. Sublandlord will not be responsible for any items of damage caused by Subtenant, its agents, independent contractors or suppliers. No promises to alter, remodel or improve the Premises or Project and no representations concerning the condition of the Premises or Project have been made by Sublandlord to Subtenant other than as may be expressly stated in the Sublease (including this Work Letter).

4. Representatives. Sublandlord appoints Sublandlord’s Representative to act for Sublandlord in all matters covered by this Work Letter. Subtenant appoints Subtenant’s Representative to act for Subtenant in all matters covered by this Work Letter. All inquiries, requests, instructions, authorizations and other communications with respect to the matters covered by this Work Letter will be made to Sublandlord’s Representative or Subtenant’s Representative, as the case may be. Subtenant will not make any inquiries of or request to, and will not give any instructions or authorizations to, any other employee or agent of Sublandlord, including Sublandlord’s architect, engineers and contractors or any of their agents or employees, with regard to matters covered by this Work Letter. Either party may change its Representative under this Work Letter at any time by prior written notice to the other party.

5. Construction Documents; Construction of Tenant Improvements. After the Preliminary Plans have been approved by Prime Sublandlord, Sublandlord and Subtenant, Prime Sublandlord will cause its architect to prepare the Construction Documents based strictly on the Preliminary Plans unless otherwise agreed to by Sublandlord and Subtenant or as otherwise provided in the Prime Sublease Work Letter. Subtenant will be given an opportunity to review the Construction Documents to confirm that, except as otherwise provided in the Prime Sublease Work Letter, they conform to the Preliminary Plans. While Sublandlord has no obligation to construct or install the Tenant Improvements, Sublandlord shall, upon Subtenant’s request and at Subtenant’s expense, use reasonable efforts to cause the Prime Sublandlord to construct and install the Tenant Improvements in accordance with the Prime Sublease Work Letter. If Sublandlord requests any changes to the Construction Documents (other than changes required to, except as otherwise provided in the Prime Sublease Work Letter, make the same conform to the Preliminary Plans), and if such changes result in an increase in the cost of constructing or installing the Tenant Improvements, then Sublandlord will pay Prime Sublandlord for such increase; provided, however, that Sublandlord may not request any changes to the Construction Documents (other than changes required to, except as otherwise provided in the Prime Sublease Work Letter, make the same conform to the Preliminary Plans) without Subtenant’s approval.

6. Change Orders. Sublandlord’s Representative may authorize changes in the work (including work in addition to the Tenant Improvements) during construction only by written instructions to Prime Sublandlord’s Representative on a form approved by Prime Sublandlord and with the consent of Subtenant. All such changes will be subject to Prime Sublandlord’s prior written approval according to Paragraph 7 below. Any Change Order issued in connection with any such change pursuant to the Prime Sublease Work Letter shall be subject to the approval of Subtenant. Sublandlord will pay the total cost of any Change Orders approved by Prime Sublandlord and Subtenant within 10 days of Prime Sublandlord’s approval of same unless Sublandlord and Subtenant have agreed in writing that the cost of any such Change Order shall be paid by Subtenant.

7. Sublandlord’s Approval. All Construction Documents and Change Orders, and any drawings, plans and specifications for any changes or additions reflected in Change Orders or any other improvements or installations in the Premises, are expressly subject to Prime Sublandlord’s prior written approval, which approval may be withheld for the reasons set forth in the Prime Sublease Work Letter.

8. Subtenant’s Delays. As provided in Section 3.1 of the Sublease, the Term of the Sublease (and therefore Subtenant’s obligation for the payment of Rent) will not commence until Prime Sublandlord has Substantially Completed the Tenant Improvements; provided, however, that if Prime Sublandlord is delayed in Substantially Completing the Tenant Improvements for any of the reasons enumerated in Section 8 of the Prime Sublease Work Letter, then the Commencement Date will only be extended under Section 3.1 of the Sublease until the date on which Prime Sublandlord would have Substantially Completed the Tenant Improvements.
9. **General.** No approval by Prime Sublandlord or Sublandlord or Prime Sublandlord's architect or engineer of any drawings, plans or specifications which are prepared in connection with construction of improvements in the Premises will constitute a representation or warranty by Prime Sublandlord or Sublandlord as to the adequacy or sufficiency of such drawings, plans or specifications, or the improvements to which they relate, for any use, purpose or condition, but such approval will merely be the consent of Prime Sublandlord or Sublandlord to the construction or installation of improvements in the Premises according to such drawings, plans or specifications. Failure by Subtenant to pay any amounts due under this Work Letter will have the same effect as failure to pay Rent under the Sublease, and such failure or Subtenant's failure to perform any of its other obligations under this Work Letter will constitute a Default under Section 15.1(a) of the Sublease, entitling Sublandlord to all of its remedies under the Sublease as well as all remedies otherwise available to Sublandlord.
EXHIBIT G – PRIME SUBLEASE
ARGONAUT BUILDING/DETROIT, MI
Attached
SUBLEASE SUBORDINATION AGREEMENT

This Agreement is dated as of September 30, 2008, among Argonaut Building Master Tenant LLC, a Michigan limited liability company, whose address is c/o College for Creative Studies, 201 E. Kirby, Detroit, Michigan 48202-4034 (the "Sublandlord") TEF-SIX, LLC, a Michigan limited liability company, whose address is c/o Thompson Educational Foundation, P.O. Box 6349, Plymouth, Michigan 48170 (the "Subtenant"); and JPMorgan Chase Bank, N.A., a national banking association, with offices at 611 Woodward, Detroit, Michigan 48226 (the "Bank").

(A) Argonaut Campus Developer LLC (the "Master Landlord") is the owner in fee of real property described in the attached Exhibit A (the "Premises").

(B) The Sublandlord, as tenant, and the Master Landlord as Landlord, entered into a Master Lease dated July 24, 2008 (as amended, extended, and/or renewed from time to time, the "Master Lease"), covering the Premises.

(C) The Sublandlord and Subtenant entered into a Sublease dated September 20, 2008 (as amended, extended, and/or renewed from time to time, the "Sublease"), covering that portion of the Premises described on Exhibit A-1 (the "Subleased Premises").

(D) The Master Landlord has applied to the Bank for and the Bank has given to Master Landlord a loan evidenced and secured by, among other things, a Construction Loan and Security Agreement dated July 24, 2008 (the "Loan Agreement") and a Mortgage dated July 24, 2008 covering the Premises (with all extensions, renewals, modifications, and substitutions, the "Mortgage").

(E) The Subtenant desires to be assured of continued occupancy of the Leased Premises under the terms of the Sublease, but subject to the terms of the Loan Agreement and Mortgage.

Therefore, the parties agree as follows:

1. The Sublease (including any option to purchase the Premises or the Subleased Premises contained in the Sublease, as well as any rights of first refusal) is and shall at all times continue to be subordinate in every respect to the Loan Agreement and Mortgage, including but not limited to, subject to the terms of paragraph 9 below, the right of the Bank to receive and to apply insurance proceeds and condemnation awards relating to the Premises and/or the

Sublease
TEF-Six (Gym)

Subleased Premises as provided in the Loan Agreement; provided, however, that the Bank may at any time, in its sole discretion, declare the Sublease to be superior to the lien, provisions, and operation of the Loan Agreement and Mortgage. If there is any conflict between any provision of the Sublease and any provision of the Loan Agreement or Mortgage, the provision in the Loan Agreement or Mortgage, as the case may be, shall control, subject to the terms of this agreement.

2. Notwithstanding the foregoing, if the Subtenant is not in default under the Sublease or this agreement and if no event has occurred that would entitle the Sublandlord to terminate the Sublease, then (a) the Bank will not name or join the Subtenant in any foreclosure, exercise of a power of sale, sale by advertisement, or any other proceeding to enforce the Mortgage, unless the Bank must so name or join the Subtenant in order to perfect the foreclosure, the exercise of the power of sale, the sale by advertisement, or its rights under any other proceeding; (b) the Bank's enforcement of the Mortgage will not terminate the Sublease or disturb the Subtenant's use or possession of the Subleased Premises; and (c) the leasehold estate granted the Subtenant under the Sublease will not be affected in any manner by any foreclosure, exercise of a power of sale, sale by advertisement, or any other proceeding to enforce the Mortgage. Bank shall, if the Sublease was in effect and no Default (as defined in the Sublease) existed as of the date the Master Sublease terminated which is not waived by the Bank, upon Subtenant's request, and Subtenant shall in any event upon request of the Bank, enter into a new sublease of the Subleased Premises (the "New Sublease"), as lessor, with Subtenant, as lessee, upon, except as otherwise provided below, the same terms and conditions of the Sublease that would have been applicable to the unexpired term of the Sublease but for such termination of the Master Sublease or Subtenant's right to possession of the Subleased Premises with (i) the commencement date of the New Sublease to be the day immediately following the date that the Master Sublease is terminated or Subtenant's right to possession of the Subleased Premises is terminated, (ii) the term of the New Sublease to be equal to what would have been the unexpired term of the Sublease but for such termination of the Master Sublease or Subtenant's right to possession of the Subleased Premises. If the Bank fails to execute any such New Sublease, then the Bank shall nevertheless be deemed to have entered into the New Sublease with Subtenant and the Sublease, as modified by this paragraph, shall constitute a written instrument of sublease. If Subtenant's right to possession of the Subleased Premises is terminated without a termination of the Master Sublease and a New Sublease is entered into or deemed entered into pursuant to this paragraph, the Sublease shall be deemed to have terminated as of the commencement of the term of the New Sublease.

Notwithstanding the foregoing, the person acquiring the interest of the Sublandlord as a result of foreclosure, exercise of a power of sale, sale by advertisement, or any other proceeding to enforce the Mortgage, or by deed in lieu of foreclosure, including the Bank, and the successors and assigns of that purchaser or transferee (each, including the Bank, a "Purchaser"), shall not be:

(a) liable for any breach of the Sublease by, or any act or omission of, the Sublandlord or any prior Sublandlord of the Subleased Premises;
(b) subject to any claims or defenses of whatever nature that the Subtenant may have against the Sublandlord or any prior lessor of the Subleased Premises, or subject to any offsets, abatements, or deductions against rent that the Subtenant may have against the Sublandlord or any prior lessor of the Subleased Premises;

(c) bound by any rent or additional rent that the Subtenant may have paid to the Sublandlord or any prior lessor of the Subleased Premises more than one (1) month in advance;

(d) bound by any security deposit that the Subtenant may have paid to the Sublandlord or any prior lessor of the Subleased Premises, unless that deposit is held in an escrow account available to the Purchaser;

(e) bound by any amendment, modification, renewal, or extension of the Sublease that is made after the date of this agreement without the written consent of the Bank;

(f) bound by any assignment, sublease, mortgage, encumbrance, or any other disposition or transfer of all or any part of the Subtenant's interest under the Sublease or in the Subleased Premises that is made after the date of this agreement without the written consent of the Bank;

(g) bound by any provision in the Sublease obligating the Sublandlord (i) to erect or complete any building, (ii) to perform any construction work, (iii) to make any improvements whatsoever to the Premises or the Subleased Premises, or (iv) to provide funds, allowances, concessions, or rental abatements to the Subtenant for any of the purposes described in clauses (i), (ii), or (iii), unless those obligations are expressly assumed by the Purchaser;

(h) responsible for providing (or liable for not providing) any additional space for which the Subtenant has any option or right under the Sublease, unless the Purchaser expressly elects to provide same. The Subtenant agrees that it shall have no right to cancel or terminate the Sublease, abate rent, or assert any claim for damages or other monetary relief against the Purchaser as a result of the Purchaser's failure to provide any such space;

(i) liable under any indemnity provision of whatever nature contained in the Sublease, including, but not limited to, any environmental indemnification;

(j) liable for or have any responsibility related to any hazardous materials or other environmental conditions or contamination that existed on or under the Premises or the Subleased Premises prior to the Purchaser succeeding to the interest of the Sublandlord under the Sublease; or

(k) bound by any surrender, cancellation, or termination of the Sublease or the Subtenant's interest in the Subleased Premises, whether in whole or in part, unless either (i) the Bank has given its prior written consent thereto, or (ii) the surrender, cancellation, or termination is effected unilaterally by the Subtenant under a specific term of the Sublease; provided, however, that if the Subtenant's right to cancel, surrender, or terminate the Sublease and/or its interest in the Subleased Premises arises because of a default by the Sublandlord under the
Sublease, the Subtenant shall not terminate, cancel, or surrender the Sublease and/or its interest in the Subleased Premises because of that default unless (1) the Sublandlord is in default under the Sublease beyond any cure period provided in the Sublease; (2) the Subtenant has given the Bank prior written notice of the default as provided in paragraph 7 of this agreement; and (3) the cure period provided to the Bank in paragraph 7 has expired, and the Bank has not cured the default within that time.

3. If the interest of the Sublandlord under the Sublease is transferred by foreclosure, exercise of a power of sale, sale by advertisement, or any other proceedings for enforcement of the Mortgage, or by deed in lieu of foreclosure, the Subtenant will be bound to the Purchaser under the terms of the Sublease for the balance of the term remaining thereunder, together with any extensions or renewals, with the same effect as if the Purchaser were the lessor under the Sublease, and the Subtenant agrees to attorn to the Purchaser (including the Bank if it is the Purchaser) as its new landlord, this attornment to be effective and self-operative without the execution of any further instruments. Thereafter, the Sublease will continue in full force and effect as a direct lease between the Subtenant and the Purchaser under the terms and conditions set forth in the Sublease, except as those terms and conditions are modified by this agreement. Notwithstanding anything to the contrary in the Sublease, and subject to such other limitations as may be described in this agreement (including the exculpatory provisions of paragraph 4 below), the Bank or other Purchaser is responsible for performing only those covenants and obligations under the Sublease accruing after the Bank or other Purchaser (a) has acquired the Sublandlord's interest in the Premises and the Subleased Premises, and (b) has obtained possession and control of the Premises and the Subleased Premises. If the Bank becomes the Purchaser and then conveys its interest in the Premises to a third party, the Bank shall be released from all duties and obligations under the Sublease, whenever arising, after it has so conveyed its interest.

4. Notwithstanding any provision of this agreement or the Sublease, neither the Bank nor any other Purchaser (as well as any partner, shareholder, director, officer, member, manager, or employee of any Purchaser) has or will have any personal liability to the Subtenant, directly or indirectly, under or in connection with the Sublease or this agreement, and the Subtenant irrevocably waives and releases all such personal liability. The Subtenant will look solely to the Premises, and not to any other assets or property of the Bank or any other Purchaser, for the recovery of any damages or other monetary relief from the Bank or any other Purchaser (including any partner, shareholder, director, officer, member, manager, or employee of any Purchaser) relating to or arising out of any violation of, or failure to perform as required under, the Sublease or this agreement.

5. The Subtenant and the Sublandlord each certify and promise to the Bank that:

   (a) As of the date of this agreement, the Sublease is in full force and effect and is unmodified (by "side letter" or otherwise) except as indicated by amendments attached to the Sublease.

   (b) As of the date of this agreement, the Subtenant has not assigned, mortgaged, sublet, licensed, encumbered, or otherwise transferred or disposed of all or any part of its interest under the Sublease, except as follows:
(c) No rent has been paid or will be paid more than one (1) month in advance of its due date.

(d) As of the date of this agreement, the Subtenant has no charge, lien, or claim of offset under the Sublease or otherwise against rents or other charges due under the Sublease.

(e) Without the prior written consent of the Bank, (i) the Subtenant will not assign, sublet, license, mortgage, encumber, or otherwise transfer or dispose of all or any portion of its interest under the Sublease or in the Subleased Premises; (ii) neither the Sublease nor the Subtenant's interest in the Subleased Premises will be surrendered, cancelled, or terminated, unless that surrender, cancellation, or termination is effected unilaterally by the Subtenant under a specific term of the Sublease, subject to the terms of paragraph 7 of this agreement; and (iii) the Sublease will not be amended or modified (by "side letter" or otherwise), except that rents payable under the Sublease may be increased without the Bank's written consent.

(f) As of the date of this agreement, neither the Subtenant nor the Sublandlord is in default under the Sublease, nor do circumstances exist that with the passage of time, the giving of notice, or both, would constitute such a default.

(g) The Subtenant has no notice of prior assignment, hypothecation, or pledge of rents of the Sublease.

(h) As of the date of this agreement, there are no actions pending against the Subtenant, whether voluntary or involuntary, under the bankruptcy laws of the United States.

(i) The contingencies to effectiveness of the Sublease set forth in Section 3.4 of the Sublease have been satisfied.

On the Sublease Commencement Date, Sublandlord and Subtenant will execute and deliver to Bank the Commencement Date Agreement in the form of Exhibit B attached hereto.

6. Certificates. The Subtenant agrees at any time and from time to time to execute, deliver and acknowledge to the Sublandlord, to the Bank, or to any third party designated by the Sublandlord or by the Bank, within fifteen (15) days following the Sublandlord's or the Bank's written request therefor, (a) a statement in writing certifying that (i) the Sublease is in full force and effect, (ii) to Subtenant's actual knowledge, the Sublandlord is not in default thereunder (or specifying any defaults by the Sublandlord that the Subtenant alleges), (iii) rent has not been prepaid more than one (1) month in advance and (iv) any further information about the Sublease or the Subleased Premises that the Sublandlord, the Bank, or said third party may reasonably request; (b) a statement in writing that the Subtenant will recognize any new Sublandlord the assignee of the Sublandlord's rights under the Sublease; and (c) a statement in writing acknowledging or denying receipt of notice of any conditional or security assignment of the Sublease to any third party. The Subtenant understands that the Bank and/or prospective purchasers, other mortgagees or lessors of the Premises, or any part thereof, including the Subleased Premises, will rely on such certificates. The Subtenant's obligation to deliver such
certificates within fifteen (15) days, as described above, is a material obligation of the Subtenant hereunder and under the Sublease.

7. **Notice of Default Under Sublease.** The Subtenant will give the Bank prompt written notice (a "Default Notice") of any default by the Sublandlord under the Sublease if the default is such as to give the Subtenant a right (a) either immediately or after a period of time, to terminate, cancel, or surrender the Sublease and/or its interest in the Subleased Premises, (b) to reduce the rent payable under the Sublease, (c) to credit or set-off any amounts against future rents payable under the Sublease, or (d) to recover damages or other monetary relief from the Sublandlord. The Subtenant will not exercise any right to terminate, cancel, or surrender the Sublease and/or its interest in the Subleased Premises, sue for damages or other monetary relief, or seek or assert any other remedy (including abatement of, or set-off or credit against, rent payable under the Sublease) until:

(i) it has given the Bank the opportunity as provided in the Sublease, if any, plus one hundred twenty (120) days, plus

(ii) such reasonable period of time as is necessary thereafter to remedy the default identified in the Default Notice if the Bank has commenced and is diligently pursuing such remedy.

Notwithstanding the foregoing, the Subtenant agrees that the Bank shall have no obligation to remedy any such Sublandlord default. The Subtenant will give the same notice and opportunity to cure to any successor to or assignee of the Bank's interest in the Mortgage if, before any default by the Sublandlord under the Sublease, the successor or assignee gives written notice to the Subtenant of its acquisition of the Bank's interest in the Mortgage and designates the address to which the notice is to be sent. Notwithstanding the foregoing, neither the Bank nor any successor or assignee has any obligation to cure any default by the Sublandlord under the Sublease.

8. **Modification of Obligations or Loan Documents.** From time to time, the Bank may, without notice to or consent of the Subtenant and without impairing or affecting this agreement, do any of the following as to any of the Obligations or Loan Documents (as defined in the Loan Agreement): (a) amend, modify, extend, or renew any or all of the Obligations or Loan Documents; (b) change the rate of interest being charged on any or all of the Obligations or Loan Documents; (c) release the Master Landlord, any guarantor, any surety or any other third party from liability on any or all of the Obligations or Loan Documents; (d) compromise or settle the terms of any or all of the Obligations or Loan Documents; (e) forbear or agree to forbear from taking any action against the Master Landlord, any guarantor, any surety or any other party in regard to any or all of the Obligations; or (f) substitute, release, exchange, or take any other action in regard to any collateral, including the Premises, for any or all of the Obligations or Loan Documents.

9. **Condemnation Awards/Insurance Proceeds.** Notwithstanding any other term of this agreement, if all or any part of the Subleased Premises are damaged by casualty or taken as part of condemnation proceedings, the Bank will apply all Net Casualty Proceeds and Net
Condemnation Proceeds (as such terms are defined in the Loan Agreement; herein such terms are collectively, "Proceeds") for restoration of the Subleased Premises, subject to satisfaction of the following conditions as of each date that any Proceeds are to be disbursed for such restoration:

(a) The Sublease is in effect and has not been terminated by either the Sublandlord or the Subtenant, nor has it been modified without the Bank's consent in a way that is unsatisfactory to the Bank.

(b) The term of the Sublease remaining after restoration, in the Bank's reasonable opinion, is of a sufficient length to warrant economically the restoration of the Subleased Premises.

(c) The Master Landlord is not in default under any of the Loan Documents beyond any applicable cure period.

(d) The Subtenant is not in default under the Sublease beyond any applicable cure period.

(e) In the Bank's opinion, the Proceeds are sufficient to fully restore the Premises. If the Proceeds are not sufficient in the Bank's opinion to fully restore the Premises, the Master Landlord, Sublandlord or Subtenant must, within twenty (20) days after the Bank gives Master Landlord, Sublandlord and Subtenant written notice of its opinion, deposit funds with the Bank that, when added to the existing Proceeds in the Bank's possession, will be sufficient, in the Bank's opinion, to fully restore the Premises. These additional funds will be deemed Proceeds upon being deposited with the Bank and may be disbursed before any other Proceeds are disbursed.

(f) The Bank has approved in writing the plans and specifications for the restoration work on the Subleased Premises.

(g) The Master Landlord, Sublandlord and the Subtenant have each given the Bank authority, in form and substance reasonably acceptable to the Bank, (i) to supervise, together with the Subtenant, restoration of the Subleased Premises, and (ii) to disburse Proceeds (including any funds deposited from time to time with the Bank as provided in (e) above) according to the Bank's customary practices and procedures for construction loans for similar projects, including practices and procedures relating to title insurance and compliance with construction-lien laws.

(h) If portions of the Premises besides the Subleased Premises have also been damaged or affected by the casualty or taking, the project as a whole must, in the Bank's opinion, remain economically viable.

If any of the foregoing conditions is not met as of any date on which Proceeds are to be disbursed, then the Bank's obligations under this paragraph cease and the Bank may thereafter apply any Proceeds then or thereafter in its possession as provided in the Loan Agreement or any other agreement relating to any of the Obligations. Notwithstanding the foregoing, the Bank's
liability for restoration of the Subleased Premises after a casualty or taking is limited to Proceeds that are actually in the Bank's possession and control. In addition, the Bank's obligations under this paragraph are personal to the Subtenant; if the Subtenant terminates, surrenders, cancels, or assigns its interest under the Sublease, or if any third party succeeds to the Subtenant's rights under the Sublease, whether by operation of law or otherwise, the Bank has no obligations under this paragraph, and the Bank may thereafter exercise its rights in regard to any Proceeds as described in the Loan Agreement without any regard to the terms of this paragraph.

If, at the time the Bank would otherwise be obligated to disburse Proceeds pursuant to this paragraph 9, (i) a default under the Loan Agreement, other Loan Documents, or Sublease exists but the applicable cure period therefore has not yet expired or (ii) circumstances exist that with the passage of time, the giving of notice, or both, would constitute a default under the Loan Agreement, other Loan Documents or Sublease, the Bank may refuse to disburse such proceeds until such time as such default has been cured or such circumstances no longer exist; provided, however, that nothing contained in this sentence shall prevent the Bank from applying any Proceeds as provided in the Loan Agreement or any other agreement relating to any of the Obligations if any of the conditions set forth in (a) through (h) is not satisfied (including without limitation, if Landlord or Subtenant fails to cure a default before expiration of the applicable cure period pursuant to subparagraph (c) or (d) above after the Bank has refused to disburse Proceeds as provided in this paragraph).

10. **Conflicts.** If there is any conflict between any provision of this agreement and any provision of the Sublease, the provision in this agreement controls.

11. **Authority.** The person(s) signing this agreement on behalf of the Subtenant represent(s) to the Sublandlord and to the Bank that he/she/they has/have authority to do so on behalf of the Subtenant.

12. **Binding Effect.** This agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns. The Subtenant and the Sublandlord agree that the Bank may at any time sell or transfer all or any part of the Obligations to one or more purchasers, whether or not related to the Bank.

13. **Recording.** The parties hereto agree that this agreement may be recorded in the public records of Wayne County, Michigan.

14. **Captions.** Captions in this agreement are for convenience of reference only and do not limit the provisions of this agreement.

15. **Time.** Time is of the essence in this agreement.

16. **Information Waiver.** The Subtenant and the Sublandlord agree that the Bank may provide any information or knowledge the Bank may have about the Sublandlord, the Subtenant or any matter relating to this agreement or the Loan Documents to JPMorgan Chase & Co., or any of its subsidiaries or affiliates or their successors or to any one or more purchasers or potential purchasers of all or any part of the Obligations and/or any Loan Documents.
17. **Governing Law and Venue.** This agreement shall be governed by and construed in accordance with the laws of the State of Michigan (without giving effect to its laws of conflicts). The Sublandlord and the Subtenant agree that any legal action or proceeding with respect to any of their obligations under this agreement may be brought by the Bank in any state or federal court located in the State of Michigan, as the Bank in its sole discretion may elect. By the execution and delivery of this agreement, the Sublandlord and the Subtenant submit to and accept, for themselves and in respect of their property, generally and unconditionally, the non-exclusive jurisdiction of those courts. The Sublandlord and the Subtenant waive any claim that the State of Michigan is not a convenient forum or the proper venue for any such suit, action or proceeding.

18. **Notices.** All notices, requests and demands hereunder shall be in writing and deemed to have been given or made: if delivered in person, immediately upon delivery; if by facsimile transmission, immediately upon sending and upon confirmation of receipt; if by nationally recognized overnight courier service with instructions to deliver the next business day, one (1) business day after sending; and if by certified mail, return receipt requested, five (5) days after mailing.
