(a) Method of Selection Resolution. The University Board has adopted the Method of Selection Resolution, which is incorporated into this Contract as part of Schedule 1. At anytime and at its sole discretion, the University Board may amend the Method of Selection Resolution. Upon University Board approval, changes to the Method of Selection Resolution shall automatically be incorporated into this Contract and shall be exempt from the amendment procedures under Article IX of the Terms and Conditions.

(b) Authorizing Resolutions. The University Board has adopted the Authorizing Resolution, which is incorporated into this Contract as part of Schedule 1.

Section 2.2. Method for Monitoring Academy’s Compliance with Applicable Law and Performance of its Targeted Educational Outcomes. The University Board has the responsibility to oversee the Academy’s compliance with the Contract and all Applicable Law. The Academy shall perform the compliance certification duties required by the University Board as outlined in the Contract incorporated into this Contract as Schedule 5. Additionally, the Academy shall be responsible for the following:

a) In the event that the University President determines that the Academy’s educational outcomes should be reviewed to help determine if the Academy is meeting the educational goals set forth in the Schedules, the University President, at his or her discretion, may require an objective evaluation of student performances by an educational consultant, acceptable to both the Academy and the University President. The Academy shall pay for the expense of the evaluation. In addition, at any time, the University President may require an evaluation of student performance to be selected by and at the expense of the University. The Academy shall cooperate with the evaluation, including any student testing required.

b) Within ten (10) days of receipt, the Academy shall notify the University Charter Schools Office of correspondence received from the Department of Education or State Board of Education that requires a written or formal response.

c) Within ten (10) days of receipt, the Academy shall report to the University Charter Schools Office and the University Counsel Office any litigation or formal proceedings alleging violation of Applicable Law or contractual agreement against the Academy, its officers, employees, agents, and/or contractors.

d) The Academy shall permit review of the Academy’s records and inspection of its premises at any time by representatives of the University. Normally, such inspections
shall occur during the Academy’s hours of operation and after advance notice to the Academy.

e) The Academy shall provide the Charter Schools Office with copies of reports and assessments concerning the educational outcomes achieved by pupils attending the Academy and shall provide necessary approvals for the Charter Schools Office to access electronic information received or stored by the State of Michigan including, but not limited to, the Department of Education or other agency authorized by the State to collect school data.

f) The Academy shall submit audited financial statements, including auditor’s management letters and any exceptions noted by the auditors, to the University Charter Schools Office. The financial statements and auditor’s management letters shall be submitted to the University Charter Schools Office within ninety (90) days after the end of the Academy’s fiscal year.

g) The Academy shall provide the University Charter Schools Office with a copy of the proposed annual budget for the upcoming fiscal year of the Academy no later than July 1st. The Academy Board is responsible for establishing, approving and amending the annual budget in accordance with the Uniform Budgeting and Accounting Act, MCL 141.421 et seq., and for providing all amendments and revisions to the University Charter Schools Office following Academy Board approval.

h) The Academy shall provide to the University Charter Schools Office minutes of all Academy Board meetings no later than fourteen (14) days after such meeting.

The University Board shall, within three (3) business days, forward to the Academy all state school aid funds or other public or private funds received by the University Board for the benefit of the Academy. For purposes of this section, the responsibilities of the University Board, the State of Michigan, and the Academy are set forth in the Fiscal Agent Agreement incorporated herein as Schedule 4.

Section 2.5. Authorization of Employment. The Academy may employ or contract with personnel. If the Academy contracts for personnel with an Educational Service Provider, the Academy shall submit a draft of the proposed agreement to the University Charter Schools
Office for review. The University Charter Schools Office may disapprove the proposed agreement if it contains provisions in violation of this Contract or Applicable Law. No ESP agreement shall be effective unless and until the agreement complies with Section 11.12 of these Terms and Conditions. With respect to Academy employees, the Academy shall have the power and responsibility to (i) select and engage employees; (ii) pay their wages; (iii) dismiss employees; and (iv) control the employees’ conduct, including the method by which the employee carries out his or her work. An employee hired by the Academy shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. The Academy Board shall prohibit any individual from being employed by the Academy, an ESP, or an employee leasing company involved in the operation of the Academy, in more than one (1) full-time position and simultaneously being compensated at a full-time rate for each of these positions. The Academy shall be responsible for carrying worker’s compensation insurance and unemployment insurance for its employees.

Section 2.6. Financial Obligations of the Academy are Separate from the State of Michigan, University Board and the University. Any contract, mortgage, loan or other instrument of indebtedness entered into by the Academy and a third party shall not in any way constitute an obligation, either general, special, or moral, of the State of Michigan, the University Board, or the University. Neither the full faith and credit nor the taxing power of the State of Michigan or any agency of the State, nor the full faith and credit of the University Board or the University shall ever be assigned or pledged for the payment of any Academy contract, agreement, note, mortgage, loan or other instrument of indebtedness.

Section 2.7. Academy Has No Power to Obligate or Bind State of Michigan, University Board or the University. The Academy has no authority whatsoever to enter into any contract or other agreement that would financially obligate the State of Michigan, University Board or the University, nor does the Academy have any authority whatsoever to make any representations to lenders or third parties, that the State of Michigan, University Board or the University in any way guarantee, are financially obligated, or are in any way responsible for any contract, agreement, note, mortgage, loan or other instrument of indebtedness entered into by the Academy.

Section 2.8. Authorizing Body Contract Authorization Process. Pursuant to the Code, the University Board is not required to issue a contract to the Academy. This Contract is for a fixed term and will terminate at that end of the Contract term set forth in Section 12.14 without any further action of either the Academy or the University Board. Prior to the end of the Contract term, the University Board shall provide a description of the process and standards by which the Academy may be considered for the issuance of a new contract. The timeline for consideration of whether to issue a new contract to the Academy shall be solely determined by the University Board. The standards for issuance of a new contract shall include increases in academic achievement for all groups of pupils as measured by assessments and other objective criteria established by the University Board as the most important factor of whether to issue or not issue a new contract. The University Board, at its sole discretion, may change its process and standards for issuance of a contract at anytime, and any such changes shall take effect automatically without the need for any amendment to this Contract. Consistent with the Code, the University Board may elect, at its sole discretion, not to consider the issuance of a contract,
consider reauthorization of the Academy and elect not to issue a contract, or consider reauthorization of the Academy and issue a contract for a fixed term.

The Charter Schools Office shall provide notice of the termination to the Academy. If during the period between the University Board’s action to terminate and the effective date of termination, the Academy has violated the Contract or Applicable Law, the University Board may elect to initiate suspension or revocation of the Contract as set forth in this Article X.

(b) Termination Caused by Change in Applicable Law. Following issuance of this Contract, if there is a change in Applicable Law that the University Board, in its sole discretion, determines impairs its rights and obligations under the Contract or requires the University Board to make changes in the Contract that are not in the best interest of the University Board or the University, then the University Board may terminate the Contract at the end of the Academy’s school fiscal year in which the University Board’s decision to terminate is adopted. The Hearing Panel has the authority to accelerate the time line for revoking the Contract, provided that notice of the revocation hearing shall be provided to the University Charter Schools Office and the Academy Board at least five (5) days before the hearing. If the Hearing Panel determines that the Academy Board has continued to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may recommend revocation of the Contract. The University Board shall proceed to consider the Hearing Panel’s recommendation in accordance with Section 10.6(f) through (i).

Section 10.4 **Statutory Grounds for Revocation.** In addition to the grounds for an automatic revocation of the Contract as set forth in Section 10.7, this Contract may also be revoked by the University Board upon a determination by the University Board, pursuant to the procedures set forth in Section 10.6, that one or more of the following has occurred:

The Notice of Intent to Revoke shall be in writing and shall set forth in sufficient detail the alleged grounds for revocation.

b) Academy Board’s Response. Within thirty (30) days of receipt of the Notice of Intent to Revoke, the Academy Board shall respond in writing to the alleged grounds for revocation. A response not in compliance with this section shall be deemed to be non-responsive. As part of its response, the Academy Board may request that a meeting be scheduled with the CSO Director prior to a review of the Academy Board’s response.

c) Plan of Correction. Within fifteen (15) days of receipt of the Academy Board’s response or after a meeting with Academy Board representatives, whichever is sooner, the CSO Director shall review the Academy Board’s response and determine whether a reasonable plan for correcting the deficiencies can be formulated. If the CSO Director determines that a reasonable plan for correcting the deficiencies set forth in the Notice of Intent to Revoke can be formulated, the CSO Director shall develop a plan for correcting the non-compliance (“Plan of Correction”). In developing a Plan of Correction, the CSO Director is permitted to adopt, modify or reject some or all of the Academy Board’s response for correcting the deficiencies outlined in the Notice of Intent to Revoke. The Notice of Intent to Revoke shall be withdrawn if the CSO Director determines any of the following: (i) the Academy Board’s denial of non-compliance is persuasive; (ii) the non-compliance set forth in the Notice of Intent to Revoke has been corrected by the Academy Board; or (iii) the Academy Board has successfully completed the Plan of Correction. In the event the Notice of Intent to Revoke is withdrawn, the CSO Director shall notify the Academy Board, in writing, of such withdrawal.

The Hearing Panel shall provide a copy of the Notice of Hearing to the University Charter Schools Office and the Academy Board at least ten (10) days before the hearing. The purpose of the Hearing Panel is to gather facts surrounding the CSO Director’s request for Contract revocation, and to make a recommendation to the University Board on whether the Contract should be revoked. The revocation hearing shall be held at a location, date and time as determined by the CSO Director or other University Representative. The hearing shall be transcribed by
a court reporter and the cost of the court reporter shall be divided equally between the University and the Academy. The CSO Director or his or her designee, and the Academy Board or its designee, shall each have equal time to make their presentation to the Hearing Panel. Although each party is permitted to submit affidavits and exhibits in support of their positions, the Hearing Panel will not hear testimony from any witnesses for either side. The Hearing Panel, may, however, question the CSO Director and one or more members of the Academy Board. Within thirty (30) days of the Revocation Hearing, the Hearing Panel shall make a recommendation to the University Board concerning the revocation of the Contract. In its discretion, the Hearing Panel may extend any time deadline set forth in this subsection. A copy of the Hearing Panel’s recommendation shall be provided to the University Charter Schools Office and the Academy Board at the same time that the recommendation is sent to the University Board.

g) University Board Decision. If the Hearing Panel’s recommendation is submitted to the University Board at least fourteen (14) days before the University Board’s next regular meeting, the University Board shall consider the Hearing Panel’s recommendation at its next regular meeting and vote on whether to revoke the Contract. The University Board reserves the right to modify, reject or approve all or any part of the Hearing Panel’s recommendation. undergoing a reconstitution as part of a Plan of Correction developed under Section 10.6, then this Contract shall automatically be amended to eliminate the Academy’s authority to operate certain age and grade levels at the site or sites identified in the State’s Automatic Closure Notice. If the State’s Automatic Closure Notice includes all of the Academy’s existing sites, then this Contract shall automatically be revoked at the end of the current school year in which the notice is received without any further action of the University Board or the Academy. The University Board’s revocation procedures set forth in Section 10.6 do not apply to an automatic revocation initiated by the State.

Following receipt of the State’s Automatic Closure Notice, the University Charter Schools Office shall forward a copy of the State’s Automatic Closure Notice to the Academy Board and request a meeting with Academy Board representatives to discuss the Academy’s plans and procedures for the elimination of certain age or grade levels at the identified site or sites, or if all of the Academy’s existing sites are included in the State’s Automatic Closure Notice, then wind-up and dissolution of the Academy corporation at the end of the current school year. The issuance of an order by the Superintendent of Public Instruction, pursuant to section 1280C of the Code, placing the Academy under the supervision of the State School Reform/Redesign Officer, shall constitute a material breach of this Contract. Following the issuance of the order, the University Charter Schools Office shall notify the Academy of the material breach and request a meeting with Academy Board representatives to discuss the matter. To remedy the material breach, the Academy shall work toward the development of a corrective action plan that is acceptable to the University Charter Schools Office. In addition to other matters, the corrective action plan shall include the Academy’s redesign plan prepared pursuant to section 1280C of the Code. The development of a corrective action plan under this Section 10.8 shall not in any way limit the rights of the University Board to terminate, suspend, or revoke this Contract.

Section 10.9. Appointment of Conservator/Trustee. Notwithstanding any other provision of the Contract, when the University Board determines that conditions or circumstances exist to lead the University Board to believe that the health, safety, educational or economic interest of the Academy or its students is at risk, the University Board may take immediate action against the Academy pending completion of the procedures described in Sections 10.6. The University Board may appoint a conservator/trustee to manage the day-to-day operations of the Academy in place of the Academy Board. A conservator/trustee appointed by the University Board shall have all the powers and authority of the Academy Board under this Contract and Applicable Law. Upon the appointment of a conservator/trustee, the appointment and term of office for each Academy Board member shall cease. METHOD OF SELECTION RESOLUTION
AUTHORIZING RESOLUTION
CERTIFIED COPY OF RESOLUTION ADOPTED BY THE BOARD OF TRUSTEES OF GRAND VALLEY STATE UNIVERSITY ON APRIL 29, 2013:

Authorization of Covenant House Academy Grand Rapids 6a Contract

WHEREAS, the Michigan Legislature has provided for the establishment of public school academies as part of the Michigan public school system by enacting Act No. 362 of the Public Acts of 1993; and

WHEREAS, according to this legislation, the Grand Valley State University Board of Trustees (the “Board of Trustees”), as the governing body of a state public university, is an authorizing body empowered to issue contracts to organize and operate public school academies; and

WHEREAS, the Michigan Legislature has mandated that public school academy contracts be issued on a competitive basis taking into consideration the resources available for the proposed public school academy, the population to be served by the proposed public school academy, and the educational goals to be achieved by the proposed public school academy; and

WHEREAS, the Grand Valley State University Board of Trustees, having requested applications for organizing public school academies and having reviewed the applications according to the provisions set forth by the Michigan Legislature;

NOW, THEREFORE, BE IT RESOLVED:

1. That the application for Covenant House Academy Grand Rapids (“Academy”), located at 50 Antoine Street SW, Grand Rapids, MI 49507, submitted under Section 502 of the Revised School Code, meets the Board of Trustees' requirements and the requirements of applicable law, is therefore approved;

2. That the Board of Trustees establishes the method of selection, length of term and number of members of the Academy’s Board of Directors as follows:

Method of Selection and Appointment of Academy Board Members:
a. **Initial Academy Board Member Nominations and Appointments:** As part of the public school academy application, the public school academy applicant shall propose to the Director of the University Charter Schools Office ("Director"), the names of proposed individuals to serve on the initial board of directors of the proposed public school academy. When the Director recommends an initial contract for approval to the Board of Trustees, he/she shall include recommendations for initial Academy Board members. These recommendations may, but are not required to, include individuals proposed by the public school academy applicant. To be considered for appointment, the nominees must have completed the required board member candidate application materials, including at least (i) the Academy Board Member Questionnaire prescribed by the University Charter Schools Office; and (ii) the Criminal Background Check Report prescribed by the University Charter Schools Office.

b. **Subsequent Academy Board Member Nominations and Appointments:** Except as provided in paragraph (2) below, the Academy Board may nominate individuals for subsequent Academy Board of Director positions. As part of the appointment process, the Academy Board may submit to the Director: (i) the name of the nominee; (ii) the board member candidate application materials identified in paragraph (a) above; and (iii) a copy of the Academy Board nominating resolution. The Director may or may not recommend the proposed nominee submitted by the Academy Board. If the Director does not recommend a nominee submitted by the Academy Board, the Director shall select a nominee and forward that recommendation to the Board of Trustees for appointment. The Board of Trustees shall have the sole and exclusive right to appoint members to the Academy Board.

c. **Exigent Appointments:** When the Director determines an "exigent condition" exists which requires him/her to make an appointment to a public school academy’s board of directors, the Director, with University President approval, may immediately appoint a person to serve as a public school academy board member for the time specified, but not longer than the next meeting held by the Board of Trustees when a regular appointment may be made by the Board of Trustees. The Director shall make the
appointment in writing and notify the public school academy’s board of directors of the appointment. Exigent conditions include, but are not limited to when an Academy Board seat is vacant, when a Academy Board cannot reach a quorum, when the Board of Trustees determines that an Academy Board member’s service is no longer required, when an Academy Board member is removed, when an Academy Board fails to fill a vacancy, or other reasons which would prohibit the Academy Board from taking action without such an appointment.

3. **Qualifications of Academy Board Members:** To be qualified to serve on the Academy Board, a person shall: (a) be a citizen of the United States; (b) reside in the State of Michigan; (c) submit all materials requested by the GVSU Charter Schools Office including, but not limited to, a GVSU Academy Board Member Questionnaire and a release for criminal history background check; (d) not be an employee of the Academy; (e) not be a director, officer, or employee of a company or other entity that contracts with the Academy; and (f) not be an employee or representative of GVSU or be a member of the Board of Trustees.

4. **Oath / Acceptance of Office / Voting Rights:** Following appointment by the Board of Trustees, Academy Board Appointees may begin their legal duties, including the right to vote, after they have signed an Acceptance of Public Office form and taken the Oath or Affirmation of Public Office administered by a member of the Academy Board, other public official or notary public.

5. **Length of Term; Removal:** An appointed Academy Board member is an “at will” board member who shall serve at the pleasure of the Board of Trustees for a term of office not to exceed three (3) years. Regardless of the length of term, terms shall end on June 30 of the final year of service, unless shorter due to other provisions of this resolution. A person appointed to serve as an Academy Board member may be reappointed to serve additional terms. When an Academy Board member is appointed to complete the term of service of another Academy Board member, their service ends at the end of the previous Academy Board member’s term.

If the Board of Trustees determines that an Academy Board member’s service in office is no longer required, then the Board of Trustees may remove an Academy board member with or without cause and shall specify the date when the Academy Board member’s service ends. An Academy Board member may be
removed from office by a two-thirds (2/3) vote of the Academy’s Board for cause.

6. **Resignations:** A member of the Academy Board may resign from office by submitting a written resignation or by notifying the Director. The resignation is effective upon receipt by the Director, unless a later date is specified in the resignation. A written notice of resignation is not required. If no such written notification is provided, then the Director shall confirm a resignation in writing. The resignation shall be effective upon the date the Director sends confirmation to the resigning Academy Board member.

7. **Vacancy:** An Academy Board position shall be considered vacant when an Academy Board member:

9. **Number of Academy Board Member Positions:** The number of member positions of the Academy Board of Directors shall be five (5), seven (7) or nine (9), as determined from time to time by the Academy Board.

10. **Quorum:** In order to legally transact business the Academy Board shall have a quorum physically present at a duly called meeting of the Academy Board. A “quorum” shall be defined as follows:

A material breach includes, but is not limited to, Youth Solutions' failure to receive for any reason compensation or reimbursement as required by the terms of this Agreement or the Academy's loss or suspension of its Charter.

2. By Academy. The Academy may terminate this Agreement prior to the end of the term specified in Article II in the event that Youth Solutions shall fail to remedy a material breach within thirty (30) days after notice from the Board. A material breach includes, but is not limited to: (i) failure to account for its expenditures or to pay Academy operating costs in accordance with the terms of the Budget (provided funds are available to do so), (ii) failure to follow policies, procedures, rules, regulations or curriculum duly adopted by the Board that are not in violation of the Charter, this Agreement, or applicable law, (iii) receipt by the Board of unsatisfactory reports from Youth Solutions or from an educational consultant retained by the Board about matters concerning Youth Solutions' performance or the performance of the Academy that are not adequately corrected or explained; or (iv) if this Agreement or its implementation would serve as grounds for revocation of the Charter or would otherwise jeopardize tax exemptions or nonprofit tax status of the Academy.

3. Revocation or Termination of Charter. If the Academy’s Charter issued by the Authorizer is revoked or terminated, this Agreement shall automatically terminate on the same date as the Academy’s Charter is revoked or terminated without further action of the parties.

B. Termination/Expiration.

1. Effective Date of Termination. In the event this Agreement is terminated by either party prior to the end of the term specified in Article II, absent a material breach or unusual and compelling circumstances, the termination will not become effective until the end of the then current school year in which the notice of termination is issued.

2. Removal of Personal Property. Upon termination of this Agreement for any reason, the Academy shall have the right at its sole option, exercisable by written notice to Youth Solutions delivered within thirty (30) days of the final date of termination, to (i) have personal property leases relating to operation of the Academy assigned to and assumed by the Academy, to the extent permitted by the terms thereof and to the extent that such a right can be negotiated into any leases, and (ii) purchase personal property owned by Youth Solutions and used exclusively or primarily in connection with the operation of the Academy. This Article VIII, Section B.2. shall survive any expiration or termination of this Agreement. All personal property shall be delivered to the Academy in good, working order.

For purposes of this Agreement, the "remaining cost basis" of such personal property shall be calculated based upon the straight line method of depreciation over the life of such property, as established by the following property classifications: computers and software, three (3) years; furniture, fixtures and textbooks, five (5) years; buildings or leasehold improvements,

Youth Solutions will provide the Academy with written documentation of all such amounts.

1. Notice and Opportunity to Cure. If the Academy reasonably determines in good faith that Youth Solutions has materially breached any of its obligations under the data security provisions of this Agreement, the Academy, in its sole discretion, shall have the right to require Youth Solutions to submit to a plan of monitoring and reporting; provide Youth Solutions with a fifteen (15) day period to cure the breach; or terminate the Agreement immediately if cure is not possible. Before exercising any of these options, the Academy shall provide written notice to Youth Solutions describing the violation and the action it intends to take.

2. Statutory/Regulatory Penalties. In addition, the parties understand and agree that Youth Solutions is subject to any penalties for unauthorized disclosures or misuse of CDI that are or may be imposed, from time to time, under applicable law including, without limitation, that Youth Solutions may be prohibited by law from accessing CDI for defined
periods of time following any unauthorized disclosure or misuse of CDI, which shall constitute a material breach of this Agreement.

I. Amendment for Compliance. If the Academy believes in good faith that any data security provision of the Agreement fails to comply with applicable laws or regulations, the Academy shall notify Youth Solutions in writing. Within thirty (30) business days of receipt of such notice by Youth Solutions, the parties shall address in good faith the expressed concern(s) and shall amend the terms of this Agreement, if the Academy deems an amendment necessary to bring the Agreement into compliance with applicable laws and regulations. If after such thirty (30) business day period this Agreement remains non-compliant with applicable laws or regulations with respect to the concern(s) raised under this Section, the Academy shall have the right to immediately terminate this Agreement upon written notice to Youth Solutions.

may want to retest in October to try to improve a previous score. The ACT and SAT are given on Saturdays several times during the school year.

**NWEA (9-12 by credits):** The Northwest Evaluation Assessment, that measures student growth and achievement in the areas of reading and math. The test is administered on a quarterly basis for a total of 4 times per year.

Students develop a strong foundation in working with linear equations in all forms, extending solution techniques to simple equations with exponents. Students explore functions, including notation, domain and range, multiple representations, and modeling. Through the comparison of linear and exponential functions, students contrast the concepts of additive and multiplicative change. Students then apply what they have learned to linear models of data, analyzing scatter plots and using lines of best fit to apply regression techniques. The course closes with an exploration of rational exponents, quadratic and exponential expressions, and an introduction to non-linear functions, with a heavy emphasis on quadratics.

SCHEDULE 7-5

ACADEMY’S ADMISSION POLICIES AND CRITERIA
COVENANT HOUSE ACADEMY GRAND RAPIDS
ENROLLMENT AND APPLICATION OF PUPILS

ADMISSION POLICY AND CRITERIA

The school will comply with all applicable federal and state laws related to admissions and enrollment, including Section 504 of the Michigan Revised School Code and the ESA.

Non-Discrimination

The school will not discriminate on the basis of intellectual or athletic abilities, measures of achievement or aptitude, disability, status as a handicapped person, homeless status, English proficiency, religion, creed, race, sex, color, national origin or any other basis that would be illegal for an existing school district.

Open Enrollment Period and Notice

The "Open Enrollment Period" is from the first day of school of the current school year until 5:00 p.m. on the last day of business in February of the current school year, during which period the Academy shall include opportunities to enroll on evenings and weekends. Notice of the Open Enrollment Period and application process will be designed to inform the persons most likely to be interested in the school and to advise the public of its enrollment openings.

The ESP and/or the school will provide notice of open enrollment by (a) printing a legal notice of the enrollment period in a local newspaper of general circulation in the Kent County ISD area; (b) mailing a written notice of the open enrollment period and an application to all families who inquire about school enrollment; and (c) posting a written notice of the open enrollment period at the school. In addition, notice may also be provided by airing a public service announcement on local television.

As part of the enrollment process, the school staff will seek to meet with families, parents and students prior to the first day of school via parent and student orientation meetings. In this way, applicants and their parents will have the opportunity to become fully informed as to the nature and scope of the school, its curriculum, and requirements.

Application Procedures

Interested parties may obtain applications at:
• The offices of the school
• The service center of the ESP at 50 Antoine SW, Grand Rapids, Grand Rapids, MI 49507

Applications will be mailed or faxed to anyone requesting an application by telephone.
Applications for the current school year will be accepted until the end of the current school year and available seats will be filled. Applications for the subsequent school year are received during the Open Enrollment Period. If applications received exceed offered seats in any grade level ("over-subscribed grades"), a random selection process will take place for all grade levels including under-subscribed grade levels. If applications received are fewer than offered seats in each and every grade level ("under-subscribed grades"), all eligible applicants will be accepted and a random selection process will not be conducted.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

Accepted applicants must confirm their intent to attend the school within four weeks of acceptance by returning certain initial forms, including an Admissions Form and an Official Release of Records Form. The school will send letters to parents reminding them of this obligation in order to enroll their child. The school will send all applicants a postcard to inform parents that if the student does not attend the first day of school or call in to request an excused absence by the date and time indicated, the student will forfeit his/her registered status in the school and will not be enrolled. The school will attempt to call all applicants who have not responded to inquire whether the applicant is still planning to attend.

Once students are enrolled and remain enrolled, they will remain eligible to be re-enrolled at the school for successive years without having to reenter the random selection process. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment Period showing intent to re-enroll for the subsequent school year. All applicants on a waiting list must resubmit an application for the following school year during the next Open Enrollment Period.

**Standby Opportunity Plan**

The Standby Opportunity Plan (SOP) is a procedure by which the school may decide to revise its waiting list on the first day of school. If the school follows this procedure, the school will send all applicants on the waiting list a registration card prior to the first day of school. To be included in the SOP, the applicant must return the card to the school by the date indicated and include phone numbers where the applicant can be reached the first day of school between the times listed on the card. In the event of an offered seat becoming available, the school will attempt to reach the parent participating in the SOP and offer the seat. If the school cannot reach the parent at the phone numbers and during the times provided on the card, the school will contact the next person on the waiting list who is participating in the SOP. If a student participates in the SOP and a seat is not available for them, they will receive a higher waiting list priority than those students who did not participate.

**Random Selection Process**

The random selection process shall be open to the public, and the school will notify all applicants of the time and place. A neutral third party person will be present during the
random selection process. This person will not be related to any student, staff member, or anyone applying to the school. Names will be randomly selected until all offered seats have been filled. Any remaining names will be randomly selected to establish waiting list priority used to fill offered seats prior to and during the school year for which the student applied. After all eligible names have been randomly selected, the school will add the names of applicants who submitted applications after the Open Enrollment Period in the order in which they were received. The random selection process will be videotaped. In the event of any discrepancy, the video tape will be the official record of placement of students.

Class Size and Offered Seats

Class size and offered seats will be recommended by the ESP and submitted to the school board of directors for approval. In order to make provision for student attrition (reenrolling students who indicate that they are coming back but do not return on the first day of school) and erosion (new students who have been accepted for offered seats but are absent without excuse on the first day of school), the school may over-subscribe grades. The number of students to be over-subscribed will be determined based on historical and forecasted attrition and erosion. In addition, the number of classrooms may fluctuate in the event the number of students enrolled warrants the increase or decrease in number of classrooms. In no event will over-subscription, or fluctuations in the number of classrooms result in a violation of any provision or limit contained within the school's charter or applicable law.

Enrollment Preferences

Enrollment preference is first given to currently enrolled students and, for given school year, those pupils who were enrolled at the PSA facility on the last day of instruction of the prior academic year, to the extent that any required approval is obtained. Next preference is given to the following ordered categories of applicants:

- Siblings of currently enrolled students
- Siblings of students selected in the random selection process
- All remaining applicants.

If a student is selected for a grade level that still has offered seats available and the student has a sibling applying for a grade that no longer has offered seats available, the student will be accepted for his/her grade level and the student's sibling will be placed on the waiting list for his/her grade level with sibling preference. Therefore, while sibling preference applies, siblings are not guaranteed a seat.

Procedural Steps

Step 1: Setup

A list with the name of each student who submitted an application during the Open Enrollment Period will be created. The list will include the student's name, grade level to which the student is applying, street address, and names and grade levels of any siblings who are also applying for admission to the school.
Step 2: Admission of Applicants Applying for Under-Subscribed Grades

A neutral third-party person will randomly select the names of each applicant for each under-subscribed grade level. If the accepted student has siblings who are also applying for admission, the siblings will be accepted if there are offered seats available, or placed on the waiting list with sibling preference if offered seats are not available. This admissions process will continue for the successive under-subscribed grades for all students until all names have been selected with their associated siblings.

Step 3: Admission of Applicants Applying for Over-Subscribed Grades

A neutral third-party person will then randomly select the order in which oversubscribed grades will be filled. Student will be randomly selected for available seats or placed on the waiting list if an offered seat is not available. If the selected student is accepted and has siblings who are also applying for admission, the siblings will be accepted if there are offered seats available or placed on the waiting list with sibling preference if offered seats are not available. If the selected student is placed on the waiting list and has siblings who are also applying, the siblings' names will not be selected at this time, but will wait until their grade level is selected.

Step 4: Waiting List Priority

Students will continue to be randomly selected until all names are selected. After a grade level's seats are full, all remaining names will be placed on the waiting list in the order in which they are selected. Applications received after the Open Enrollment Period will be added to the end of the waiting list for the appropriate grade in the order in which they were received.

When a seat becomes available in a particular grade due to attrition, erosion, or other event, if that particular grade has a waiting list, that available seat will be filled by the first student on the waiting list for that particular grade. If a waiting list does not exist for that particular grade, but exists for another grade, the school may (subject to applicable enrollment limits and board approved offered seats) fill the available seat using the first student on the waiting list in a different grade, the grade deemed most beneficial to student and school considering class size, teacher capacity, and other school operational factors.

Appeals

Any parent or guardian who wishes to contest or appeal any aspect of the random selection
process may do so in writing to the school's board of directors sent to the school's address. Following receipt of the parent's written appeal, a representative of the board of directors will contact the parent to discuss the nature of the concern or objection. Final decisions will be made by the board of directors or its designee.

Students also have access to electronic courseware for their academic lessons and employment exploration. One-on-one tutoring is also available, if needed.

Students attend one academic session per day, Monday-Friday. Session enrollment is determined by capacity and availability. Students may attend an additional session, if space is available.

Session I: 7:30am-11:30am

Covenant House Academy Grand Rapids operates a year around educational program. The Board-Approved Calendar for the 2013-2014, consists of 220 days of instruction or 879 hours of instruction.

School Schedule 2013 - 14

The projected opening of the school is July 1, 2013. The starting date and proposed date for commencement of teaching will be July 17, 2013. The calendar will reflect vacation windows consistent with the school calendar required by public schools in Kent County. Covenant House Academy Grand Rapids will apply to the Michigan Department of Education for an Attendance Waiver, which will reduce the daily attendance requirement to provide students with a flexible schedule. The goal is to provide year-round instruction based on a 50% attendance waiver from the Michigan Department of Education. The following is an example of how the year-round school calendar would run during 2013-14 School Year:

Covenant House Academy Grand Rapids will serve students ages 16 through 22 (and up to age 26 for special needs student), ranging from grades 9-12. The ages of the students and the corresponding grade levels will be largely dependent on the demand of the community and the surrounding geographical locations. The total enrollment of Covenant House Academy Grand Rapids is expected to increase to **1,500** students by its fifth year of operation.

The student population to be served by Covenant House Academy Grand Rapids is likely to be multiple grades below their peers in reading, English language performance and math skills. The students will in most cases be dropouts or on the verge of dropping out. Approximately 20% to 25% of them will be unable to attend regular public schools because they have aged out or are close to aging out. Most will present with a variety of compounding personal circumstances that put them highly at risk of ever achieving their high school diplomas. Almost half of them will qualify as “homeless” under the federal McKinney-Vento Act because they do not live with custodial parents or legal guardians.

This describes the kind of student that Covenant House Academy Grand Rapids will serve. They are highly at-risk, underachieving students who have fallen behind academically and who have
dropped out or have been forced out of traditional schools, sometimes because of recurring
disciplinary issues related to their frustrations and lack of performance. However, these are not
the kind of students one finds in “strict discipline academies”. These are students who have
decided to return to high school, and once properly counseled as to how they can achieve their
goals, seldom present any disciplinary challenges in the school.

Covenant House Academy Grand Rapids offers the uniqueness of a blended curriculum: a
strong online, computer-based component and direct instruction for students requiring more
traditional, face-to-face support. Most of the students to be served by Covenant House Academy
Grand Rapids bring a variety of academic, personal and social challenges, including low reading
and math skills, poverty, encounters with the criminal justice system, being teenage parents,
having to support other family members, and homelessness. Covenant House Academy Grand
Rapids offers the critical component of additional time needed to serve these students because
they may remain in school until age 22. The blended curriculum and support services at
Covenant House Academy Grand Rapids work together to provide the kind of wraparound
services needed to adequately address the needs of the students. Some students actually have the
skills to thrive in the accelerated computer-based program (Education 2020), but may require
other kinds of emotional and social support to remain in school, to stay focused and to succeed;
others need a great deal more guidance and intervention to get them up to speed in their basic
academic and social skills.

Most important, Covenant House Academy Grand Rapids starts with a strong philosophy that
puts the needs of the students first. Covenant House Academy Grand Rapids helps motivate
students by providing each with an individualized Education Development Plan (EDP) and a
clear path to achieving their educational goals. Our first goal, after getting students back into
school, is retention - making sure they stay in school. The second goal is progress –
academically, socially and in developing life skills. Sometimes it is incremental, gradual
progress, often measured in non-traditional, alternative ways. When the first two goals are met,
graduation for students is often an inevitable outcome as a third goal. Covenant House Academy
Grand Rapids understands that not all students who come to the program vastly behind
academically will make it to graduation. They will, however, all demonstrate measured progress
in terms of their ability to function as responsible citizens of their communities, most of them
capable of getting and holding onto jobs they otherwise may not have been capable of even
accessing. As embedded in our mission, the entire Covenant House Academy Grand Rapids
staff approaches students in a non-judgmental way, demonstrating the kind of respect and the
love one would expect from parents. That kind of treatment is at the core of the Covenant House
Academy Grand Rapid’s guiding philosophy, which does produce desired outcomes.

(B) LESSOR'S 'IGHT TO TERMINATE. If, however, in such event the damage by fire or other casualty shall be so extensive as to render the Leased Premises wholly untenantable, Lessor shall have the option of terminating this Lease. In the event of such termination, Lessor shall refund to Lessee any Rent allocable to the period subsequent to the occurrence of said fire or other casualty. Lessee shall thereupon surrender possession of the Leased Premises and all keys and personal property to Lessor.
11. **WAIVER OF SUBROGATION.** Neither Lessor nor Lessee shall be liable to the other nor to any insurer of the other party claiming by way of subrogation through or under either one with respect to any loss, damage, injury or death to the extent that either party shall be reimbursed or has the right to be reimbursed out of hazard insurance carried by Lessor or by Lessee, as the case may be, with respect to such loss, damage, injury or death. In the event that their respective insurance policies do not already provide for waiver of subrogation, Lessor and Lessee each agree to obtain a waiver of subrogation endorsement from their respective insurers.

12. **ASSIGNMENT; SUBLETTING.** Lessee shall not sublet or assign the Leased Premises or any part thereof, nor transfer possession or occupancy thereof to any person, corporation, partnership or association, nor advertise the same in any newspaper or other place, nor transfer or encumber this Lease Agreement without the prior written consent of Lessor, which consent may be withheld by Lessor in its sole and absolute discretion; nor shall any assignment hereof be effected by operation of law or otherwise without such consent.

is hazardous to Lessor or to other tenants, persons or businesses or which may result in civil or criminal penalties being imposed upon Lessor or Lessee, Lessee shall cure such default as soon as possible but in no event later than forty-eight (48) hours after receipt of notice thereof. If Lessor is unable to serve notice on Lessee after making reasonable efforts to do so. (B) ACCELERATION OF RENT; LEASE TERMINATION. In the event that Lessee commits, or allows an Event of Default to occur, the entire Rent for the balance of the Term shall, at Lessor's 'ption, immediately become due and payable as if by the terms of this Lease it were all payable in advance. In such event, Lessor shall serve upon Lessee written notice of such acceleration. At such time Lessor may also serve on Lessee written notice as to the effective date of termination of the Term of this Lease. In such event Lessee shall have no right to avoid such termination by payment of any sum due or by the performance of any condition, term or covenant broken. Lessee shall, however, thereupon surrender quiet and peaceable possession of the Leased Premises to Lessor. Notwithstanding any statute, rule of law or decision of any court to the contrary, Lessee shall remain liable, even after termination of this Lease, for Basic Rent, any other sums due hereunder, and accelerated rent due or to become due hereunder and for all damages caused by any or all of Lessee's 'on-payment defaults under this Lease.

(C) RE-ENTRY; RE-LETTING. In case this Lease shall be terminated as aforesaid, then Lessor, may, without notice, re-enter the Leased Premises by aid of legal process and terminate all services. Lessor shall use commercially reasonable efforts to attempt to re-let the Leased Premises or any part or parts thereof. Such re-letting may at Lessor's 'ption be for a term which is less than or exceeds the period which would otherwise have constituted the balance of the Term of this Lease, and Lessor may grant concessions or free rent or make improvements or additions to the Leased Premises in order to facilitate a re-letting of the same, so long as Lessor's 'ctions are commercially reasonable; provided, however, that Lessor may, without violating its obligations hereunder, attempt to lease other comparable unleased space prior to attempting to relet the Leased Premises. Lessor shall receive and collect all rents received from such re-letting (during the balance of the Term of this Lease) and shall first apply such rents against the expenses which Lessor may have incurred in recovering possession of the Leased Premises, placing the same in good order and condition for re-letting and such other expenses including attorneys' fees and other legal costs which Lessor may have incurred in connection with such repossession, and apply the remaining rentals as credits against all rentals due and owing from
Lessee to Lessor. The balance, if any, may be retained by Lessor. No such re-entry by Lessor shall be deemed to be an acceptance of surrender by Lessee of this Lease or of the Leased Premises.

(D) ACCEPTANCE OF DELINQUENT RENTALS. The acceptance by Lessor of delinquent rentals hereunder with knowledge of a breach by Lessee of any covenant herein or condition broken shall not in and of itself be deemed a waiver of such breach or condition broken, and any pending eviction proceedings or actions for monetary damages may be prosecuted further by Lessor without prejudice based upon this action alone.

(E) CUMULATIVE REMEDIES. All of Lessor's remedies herein set forth (or provided by law) shall be cumulative and not exclusive and may be pursued simultaneously or separately at the sole option of Lessor.

16. PREVAILING PARTY-ATTORNEY'S FEES & LEGAL COSTS. There shall be no personal liability on the part of the Lessor, Lessor's beneficiaries or any successor in interest with respect to this Lease. Lessee shall look solely to the equity of the then owner of the Leased Premises for the satisfaction of any remedies of the Lessee in the event of any claim against Lessor or breach by Lessor of any of its obligations hereunder.

18. WAIVER OF NONPERFORMANCE. Failure by either Lessor or Lessee to exercise any of the respective rights hereunder upon nonperformance by the other party of any condition, covenant or provision herein contained shall not be construed as a waiver thereof, nor shall the defective performance (or waiver of nonperformance) of any such condition, covenant or provision by the other party be construed as a waiver of the rights of the non-defaulting party as to any subsequent defective performance or nonperformance hereunder.

19. ENTIRE CONTRACT. This Lease constitutes the entire contract between the parties hereto and there are no understandings, promises, representations or warranties, oral or written, relating to the subject matter of this Lease, which exist or bind any of the parties hereto, their respective heirs, executors, administrators, successors or assigns, except as set forth herein.
