(b) Authorizing Resolutions. The University Board has adopted the Authorizing Resolution, which is incorporated into this Contract as part of Schedule 1.

Section 2.2. Method for Monitoring Academy’s Compliance with Applicable Law and Performance of its Targeted Educational Outcomes. The Academy shall perform the compliance certification duties required by the University Board as outlined in the Contract and MCRR incorporated into this Contract as Schedule 5. Additionally, the Academy shall be responsible for the following:

a) The Academy shall provide the Charter Schools Office with copies of reports and assessments concerning the educational outcomes achieved by pupils attending the Academy and shall provide necessary approvals for the Charter Schools Office to access electronic information received or stored by the State of Michigan including, but not limited to, the Department of Education or other agency authorized by the State to collect school data.

b) In the event that the University President determines that the Academy’s educational outcomes should be reviewed to help determine if the Academy is meeting the educational goals set forth in the Schedules, the University President, at his or her discretion, may require an objective evaluation of student performances by an educational consultant, acceptable to both the Academy and the University President. The Academy shall pay for the expense of the evaluation. In addition, at any time, the University President may require an evaluation of student performance to be selected by and at the expense of the University. The Academy shall cooperate with the evaluation, including any student testing required.

c) The Academy shall submit audited financial statements, including auditor’s management letters and any exceptions noted by the auditors, to the University
Charter Schools Office. The financial statements and auditor’s management letters shall be submitted to the University Charter Schools Office within ninety (90) days after the end of the Academy’s fiscal year.

No ESP agreement shall be effective unless and until the agreement complies with Section 11.12 of these Terms and Conditions. With respect to Academy employees, the Academy shall have the power and responsibility to (i) select and engage employees; (ii) pay their wages; (iii) dismiss employees; and (iv) control the employees’ conduct, including the method by which the employee carries out his or her work. An employee hired by the Academy shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. The Academy shall be responsible for carrying worker’s compensation insurance and unemployment insurance for its employees.

Section 2.6. Financial Obligations of the Academy are Separate from the State of Michigan, University Board and the University. Any contract, mortgage, loan or other instrument of indebtedness entered into by the Academy and a third party shall not in any way constitute an obligation, either general, special, or moral, of the State of Michigan, the University Board, or the University. Neither the full faith and credit nor the taxing power of the State of Michigan or any agency of the State, nor the full faith and credit of the University Board or the University shall ever be assigned or pledged for the payment of any Academy contract, agreement, note, mortgage, loan or other instrument of indebtedness.

Section 2.7. Academy Has No Power To Obligate or Bind State of Michigan, University Board or the University. The Academy has no authority whatsoever to enter into any contract or other agreement that would financially obligate the State of Michigan, University Board or the University, nor does the Academy have any authority whatsoever to make any representations to lenders or third parties, that the State of Michigan, University Board or the University in any way guarantee, are financially obligated, or are in any way responsible for any contract, agreement, note, mortgage, loan or other instrument of indebtedness entered into by the Academy.

Section 2.8. Authorizing Body Contract Authorization Process. Pursuant to the Code, the University Board is not required to issue a contract to the Academy. Prior to the end of the Contract term, the University Board shall provide a description of the process and standards by which the Academy may be considered for the issuance of a new contract. The timeline for consideration of whether to issue a new contract to the Academy shall be solely determined by the University Board. The standards for issuance of a new contract shall include increases in academic achievement for all groups of pupils as measured by assessments and other objective criteria established by the University Board as the most important factor of whether to issue or not to issue a new contract. The University Board, at its sole discretion, may change its process and standards for issuance of a contract at anytime, and any such changes shall take effect automatically without the need for any amendment to this Contract. Consistent with the Code, the University Board may elect, at its sole discretion, not to consider the issuance of a contract,
consider reauthorization of the Academy and elect not to issue a contract, or consider reauthorization of the Academy and issue a contract for a fixed term.

The University Board’s process for evaluating and approving the same configuration of age or grade levels at more than one (1) site is as follows:

By formal resolution, the Academy Board may request the authority to operate the same configuration of age or grade levels at more than one site. The Academy Board shall submit to the University Charter Schools Office an application for site expansion, in a form or manner determined by the University Charter Schools Office. Upon receipt of a complete application for site expansion, the University Charter Schools Office shall review the application for site expansion and make a recommendation to the University Board on whether the Academy’s request for site expansion should be approved. A positive recommendation by the University Charter Schools Office of the application for site expansion shall include a determination by the Charter Schools Office that the Academy is operating in compliance with the Contract and is making measurable progress toward meeting the Academy’s educational goals. The University Board may consider the Academy Board’s site expansion request following submission by the University Charter Schools Office of a positive recommendation.

If the University Board approves the Academy Board’s site expansion request, the Contract shall be amended in accordance with Article IX of these Terms and Conditions. SERVICES AGREEMENT

THIS SERVICES AGREEMENT (“Agreement”) by and between National Heritage Academies, Inc., a Michigan corporation (“NHA”), and Detroit Premier Academy, a school of excellence (the “School”) is effective the 1st day of July, 2012 (the “Effective Date”). For purposes of this Agreement, NHA and the School shall be referred to collectively as the “Parties.”

RECITALS

WHEREAS, the School was issued a Charter Contract by the Board of Trustees of Grand Valley State University (the “Authorizer”) to operate a school of excellence pursuant to the Michigan Revised School Code (the “Authorizing Law”); and

WHEREAS, the Parties desire to work together to promote educational excellence and innovation based on NHA’s school design, comprehensive educational program and management principles; and

WHEREAS, the Parties desire to set forth the terms and conditions of such a relationship in this Agreement;

NOW, THEREFORE, for good and valuable consideration, including the mutual promises and benefits contained in this Agreement, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE I

CONTRACTING RELATIONSHIP

A. Services. Subject to the terms and conditions of this Agreement, and as permitted by applicable law, the School hereby contracts with NHA for the provision of certain educational, business administration, facility, and management services, including without limitation, all labor, equipment, and materials necessary for the provision of the same, as set forth herein (collectively, the “Services”).

B. Charter. This Agreement shall: (i) be subject to and comply with the terms and conditions of the Charter Contract and the School’s Charter Application (collectively, the “Charter”); and (ii) not be construed to interfere with the constitutional, statutory, or fiduciary duties of the School’s Board of Directors (the “Board”). NHA agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the School’s obligations under the Charter issued by the Authorizer. The provisions of the School’s Charter shall supersede any competing or conflicting provisions contained in this Agreement.

C. Independent Contractor. NHA shall provide the Services as an independent contractor, and not as an employee, partner, agent, or associate of the School. This independent contractor relationship shall extend to the officers, directors, employees, and representatives of
NHA. Consistent with the status of an independent contractor, NHA reserves to itself the right to designate the means and methods of accomplishing the objectives and purposes of this Agreement consistent with Authorizing Law and the Charter. The relationship between the Parties is based solely on the terms and conditions of this Agreement, and the terms and conditions of any other written agreement between the Parties.

D. Designations and Appointments.

1. The Board shall by Board resolution appoint the Board Treasurer, or such other officer as determined by the Board, to serve as the chief administrative officer of the School (the “CAO”) under the Uniform Budgeting and Accounting Act, MCL 141.421 et seq. (the “Budgeting and Accounting Act”). Notwithstanding any other provision of the Agreement to the contrary, the Board resolution shall designate NHA’s chief financial officer, or such other NHA officer or employee as is mutually agreed upon by NHA and the School, to assist the CAO with the performance of the CAO’s duties under the Budgeting and Accounting Act.

2. The Parties shall cooperate to define "School Officials" in the School's applicable policy language and annual notices to include contractors and consultants having a legitimate educational interest in the School's education records, such as NHA, including its directors, officers, and employees for purposes of the Family Educational Right and Privacy Act, and its implementing regulations, 20 U.S.C. §1232g et seq. (FERPA); 34 CFR § 99.31(a)(1)(i)(B).

3. NHA, its directors, officers, and employees may be designated by the School for other purposes by a written resolution of the Board.

ARTICLE II
TERM & TERMINATION

A. Term. This Agreement shall commence on the Effective Date, and unless terminated as set forth herein, shall continue until the termination or expiration of the Charter currently in effect, inclusive of any Charter reauthorization or renewal periods thereof (the “Term”). The parties acknowledge that the Authorizer, as part of any reauthorization or renewal, may require that the School and NHA submit an amended or restated Agreement for review by the Authorizer. The first school year of this Agreement shall commence July 1, 2012 to June 30, 2013, and each school year thereafter shall commence on July 1 and end on June 30 of the following year.

B. Termination.

1. By NHA. NHA may terminate this Agreement prior to the end of the Term if the Board fails to remedy a material breach of this Agreement within thirty (30) days after receiving a notice from NHA of such breach. For purposes of this Subsection, a material breach (which for the sake of clarity is a default hereunder) includes, but is not limited to: (i)
NHA’s failure to timely receive any compensation or reimbursement required by this Agreement; or (ii) a suspension, revocation, or non-renewal of the Charter.

2. **By the School.** The School may terminate this Agreement prior to the end of the Term if NHA fails to remedy a material breach of this Agreement within (30) days after receiving notice from the School of such breach. For purposes of this Subsection, a material breach includes, but is not limited to: (i) NHA’s failure to account for expenditures or pay operating costs pursuant to the Budget (as defined below); (ii) NHA’s failure to follow policies, procedures, rules, regulations or curriculum adopted by the Board, provided they do not violate the Charter, applicable law, or this Agreement; (iii) a receipt by the Board of an unsatisfactory report from NHA or an independent education consultant retained by the Board regarding the Services or the School’s performance, provided the unsatisfactory performance cannot be adequately corrected or explained; (iv) a determination that this Agreement or its implementation would serve as grounds for suspension, revocation, or non-renewal of the Charter; (v) a determination that this Agreement or its implementation would jeopardize material tax exemptions of the School or its non-profit status; or (vi) any action or inaction by NHA that places the Charter in jeopardy of termination, suspension or revocation.

3. **By Either Party.** Either party may terminate this Agreement prior to the end of the Term, with or without cause, by providing the other party with at least ninety (90) days’ prior written notice.

4. **Revocation or Termination of Charter.** If the School’s Charter issued by the Authorizer is revoked or terminated, this Agreement shall automatically terminate on the same date as the School’s Charter is revoked or terminated without further action of the parties.

5. If this Agreement is terminated prior to the end of the Term other than as provided for in Article II(B)(4) of this Agreement, and unless otherwise agreed by the Parties, such termination will not become effective until the end of the then-current school year.

C. **Effect of Termination.** Upon the effective date of termination or expiration of this Agreement:

1. NHA shall have the right to remove from the School any equipment or other assets owned or leased by NHA;

2. The School shall pay or reimburse NHA through the Fee (as defined below) for the prepaid portion of any expenses or liabilities incurred by NHA pursuant to the Budget as of the date of such termination or expiration, provided NHA supplies the School with documentation of all such expenses and liabilities;

3. NHA may agree, in its sole discretion, to assist the School for a reasonable amount of time, not to exceed ninety (90) days, and for a reasonable fee, with the School’s transition to another administrative, managerial, or services arrangement;
4. NHA shall, if applicable, reasonably assist the School in the execution of a closure and dissolution plan and cooperate in the closure and dissolution process, including without limitation, in any audits and court or other proceedings related thereto; and

5. The party to whom Confidential Information (as defined in Section V.A.2 below) has been disclosed shall, upon request and at the direction of the disclosing party: (i) return such Confidential Information within thirty (30) days, including any copies thereof, and cease its use; or (ii) destroy such Confidential Information and certify such destruction to the disclosing party, except for a single copy thereof which may be retained for the sole purpose of determining the scope of any obligations incurred under this Agreement, and except where disclosure or retention is required by applicable law.

ARTICLE III

OBLIGATIONS OF NHA

A. Manager at Risk. NHA shall be responsible and accountable to the Board for providing the Services. During the Term, NHA shall provide the Services regardless of whether actual revenue meets the level projected in the Budget, and NHA hereby assumes the risk of funding shortfalls during the Term. Notwithstanding the foregoing, NHA shall not be required to expend funds on Services in excess of the amount set forth in the Budget.

B. Comprehensive Educational Program. The School has determined to adopt NHA’s proprietary educational and academic programs and goals, inclusive of a student code of conduct, as set forth in the Charter (the “Educational Program”). Subject to the oversight of the Board, NHA shall implement and administer the Educational Program. In the event that NHA reasonably determines that it is necessary or advisable to make material changes to the Educational Program, NHA shall inform the Board of the proposed changes and obtain the Board’s approval before making such changes, as well as the Authorizer’s approval if required by the Charter or applicable law. The Parties acknowledge and agree that an essential principle of the Educational Program is its flexibility, adaptability and capacity to change in the interest of continuous improvement and efficiency. Not less than annually or as reasonably requested by the Board, NHA shall provide the Board with a report detailing progress made on each of the educational goals set forth in the Educational Program. The school year calendar and the school day schedule shall be approved by the Board as required under the Charter.

C. All Children Welcome. NHA places a high value on diversity, and the School shall welcome students of all races, ethnicity, religion, gender and economic backgrounds.

D. Services to Students with Disabilities. NHA welcomes students with disabilities at the School. NHA shall provide accommodations, special education and related services, in conformity with the requirements of applicable law, to students who attend the School.

E. Educational and Administrative Services. Subject to the oversight of the Board, NHA shall implement operational practices and procedures that are consistent with Board policy,
the Charter and applicable law. Such practices and procedures shall include, but are not limited to:

1. Student recruitment and student admissions.
2. Student assessments, including testing, promotion, and retention.
3. The acquisition of instructional materials, equipment and supplies, and the administration of any and all extra-curricular and co-curricular activities and programs included in the Budget.
4. Employment of personnel working at the School and management of all personnel functions, as set forth herein.
5. All aspects of the School’s business administration.
6. All aspects of the School’s accounting operation, including general ledger management, financial reporting, payroll, employee benefits and payroll tax compliance.
7. All aspects of food services.
8. All aspects of facilities administration and maintenance.
9. Student behavior management and discipline.

F. Location of Services. Other than instruction, and unless prohibited by the Charter or applicable law, NHA may provide the Services, including but not limited to, purchasing, professional development and administrative services, off-site.

G. Subcontracts. NHA reserves the right to subcontract any and all aspects of the Services. NHA shall not subcontract the oversight of the Educational Program, except as specifically permitted in this Agreement or with prior written approval of the Board. Notwithstanding the foregoing, the Board specifically acknowledges and agrees that from time to time NHA may use third parties or independent contractors to assist in the creation and development of Educational Materials (as defined below) that may be used as a part of the Educational Program. NHA shall require that any subcontractor perform its duties and responsibilities under this Agreement in a manner that is consistent with NHA's obligations under this Agreement, the School's obligations under the Charter, and controlling law including the FERPA.

H. Pupil Performance Standards and Evaluation. NHA shall implement pupil performance evaluations that permit evaluation of the academic progress of each School student. NHA shall utilize assessment strategies required by the Charter and applicable law. The Board and NHA shall cooperate in good faith to identify academic goals and methods to assess such academic performance. NHA shall provide the Board with timely reports regarding student performance.
I. **Unusual Events.** NHA shall timely notify the Board and the Administrator (as defined below) of any anticipated or known material: (i) health or safety issues, including all mandatory reporting required by applicable law; (ii) labor, employee or funding issues; or (iii) other issues that may reasonably and adversely impact the School’s ability to comply with the Charter, applicable law or this Agreement.

J. **School Records.** The financial and education records pertaining to the School (collectively, the “School Records”), are property of the School. Except as may be prohibited or limited by the Charter or applicable law, the School Records shall be available to the Board and the Authorizer for their review, and are subject to inspection and copying to the same extent that records of public schools are subject to inspection and copying pursuant to applicable law. All School Records shall be physically or electronically available at the School’s physical facility upon request made by the Board or the Authorizer. NHA agrees to comply with the terms of the Charter and applicable law to make information concerning the operation and management of the School available to the School in order to enable the School to fully satisfy its obligations under its Charter and applicable law. On an annual basis, NHA agrees to provide the Board the same information that a school district is required to disclose under section 18(2) and 22f of the State School Aid Act of 1979, MCL 388.1618 and MCL 388.1622f respectively, for the most recent school fiscal year for which the information is available. Within thirty (30) days of receipt of this information, the Board shall make the information available on the School’s website homepage, in a form and manner prescribed by the Michigan Department of Education. The defined terms in section 503c and 553c of the Code, MCL 380.503c and MCL 380.553c, as applicable, shall have the same meaning in this Agreement. Additionally:

1. NHA agrees that it shall observe Board policies and applicable law regarding the confidentiality of Covered Data and Information. Covered Data and Information (“CDI”) includes paper and electronic student education record information and includes, without limitation, “education records” as defined under FERPA, 34 CFR § 99.1. CDI also includes any new records created and maintained by NHA under this Agreement using CDI.

2. NHA shall not use or disclose CDI received from or on behalf of the School except as permitted or required by this Agreement and/or applicable law.

3. Upon termination or other conclusion of this Agreement, NHA shall return all CDI to the School.

4. NHA shall develop, implement, maintain and use appropriate administrative, technical and physical security measures to preserve the confidentiality, integrity and availability of all CDI received from, or on behalf of, the School or its students. These measures will be extended by contract to include subcontractors used by the NHA.

5. NHA, within two business days of discovery, shall report to the Board any use or disclosure of CDI not authorized by this Agreement. NHA’s report shall identify: (i) the nature of the unauthorized use or disclosure, (ii) the CDI used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what NHA has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action NHA has taken or shall take to prevent future similar unauthorized use or disclosure.
NHA shall provide such other information, including a written report, as reasonably requested by the Board.

K. **Facility.** NHA shall use reasonable efforts to secure a facility to be leased or otherwise provided to the School on terms mutually agreeable to NHA and the Board. Obligations of the Board created under the terms of such lease are to be fulfilled by NHA unless otherwise agreed to in writing by NHA and the Board. The facility shall comply with the requirements of the Charter and applicable law. NHA shall also use reasonable efforts to cause the facility to be furnished with equipment and technology as is reasonably necessary to implement the Educational Program.

L. **Legal Compliance.** NHA will implement and enforce rules, regulations and procedures applicable to the School that are consistent with adopted Board policy, if any, and the Educational Program in accordance with the Charter and applicable law, including without limitation, rules, regulations, and policies regarding non-discrimination, discipline, special education, confidentiality and access to records. NHA shall provide the Board on a timely basis all information concerning the operation and management of the School that is required by MCL 380.503(6)(m) or 380.553(5)(l), either as may be applicable.

M. **Rules and Procedures.** NHA will recommend to the Board reasonable rules, regulations, policies and/or procedures applicable to the School. The Board hereby authorizes and directs NHA to enforce such rules, regulations and procedures consistent with Board policy.

N. **Assistance to the Board.** NHA shall cooperate with the Board and, to the extent consistent with applicable law, timely furnish the Board with all documents and information necessary for the Board to properly perform its responsibilities under this Agreement.

**ARTICLE IV**

**OBLIGATIONS OF THE BOARD**

The Board shall exercise good faith in considering the recommendations of NHA, including but not limited to, NHA’s recommendations regarding policies, rules, regulations and the Budget (as defined below).

B. **Academy Budget.** The Board is responsible for establishing, approving and amending the Budget in accordance with the Michigan Uniform Budgeting and Accounting Act.

C. **Governance Oversight.** The Board shall provide governance level oversight of the School in accordance with the Charter and applicable law. The Board shall provide NHA with suitable office space at the School, provided the requested space is: (i) available and can be provided without materially prejudicing the Educational Program; and (ii) used only for activities related to the School. The space shall be provided at no cost to NHA.

2. “Confidential Information” means any confidential and non-public trade, technical or business knowledge, information and materials regarding the School or NHA (or their respective affiliates), which is given by one party to the other, or any of their respective representatives, in any form, whether printed, written, oral, visual, electronic or in any other media or manner. Confidential Information includes, but is not limited to, research, operations and procedures, financial projections, pricing, sales, expansion plans and strategies, services data, trade secrets and other intellectual property, or the results of any mediation or private adjudication, as well as information with respect to each party’s or its affiliates’ plans for market expansion, except for information which a party can show by contemporaneous written records was developed or formulated independently of work or services performed for, or in connection with performance of, this Agreement. Notwithstanding the foregoing, the disclosure of the other party’s Confidential Information as required to be disclosed by law, rule or regulation or by reason of subpoena, court order or government action shall not constitute a breach of this Agreement; however, in such event the party required to disclose such information will reasonably cooperate with the party whose information is required to be disclosed in order to obtain a protective order applicable to such disclosure. All Confidential Information will remain the sole property of the party disclosing such information or data.

B. School Materials. The School shall own all right, title and interest in and to Educational Materials that are: (i) licensed or owned by the School as of the Effective Date; or (ii) licensed, developed, characterized, conceived, derived, generated, identified, or otherwise made by the School during the Term, provided such materials do not reference the NHA Materials (as defined below), or incorporate any Confidential Information of NHA (collectively,
the “School Materials”). The School Materials shall include all intellectual property rights associated therewith.

C. NHA Materials. NHA shall own all right, title and interest in and to Educational Materials that are: (i) licensed or owned by NHA as of the Effective Date; (ii) licensed, developed, characterized, conceived, derived, generated, identified, or otherwise made by NHA during the Term, provided such materials do not reference School Materials or incorporate any Confidential Information of the School; and (iii) any and all Educational Materials and non-curriculum materials provided to the School by NHA relating to the Educational Program, including all changes and derivatives thereof (collectively, the “NHA Materials”).

D. Derivative Works. The Parties acknowledge that to the extent any Educational Materials created by the School are derivative of the NHA Materials, use of such derivative materials during the Term is subject to the license granted herein, and the license to use such derivative materials shall cease as of the date of expiration or termination of this Agreement.

E. No Transfer or Sale. The School acknowledges and agrees that NHA is not transferring or selling, and the School is not receiving, purchasing or acquiring, any intellectual property or proprietary rights in or to the NHA Materials.

F. Licenses. NHA hereby grants the School a non-exclusive, non-transferable license (without the right to sublicense) to use the NHA Materials, and any Educational Materials created by the School which are derivative of the NHA Materials, solely in furtherance of the Educational Program during the Term, including without limitation, the right to reproduce, publicly display, distribute and create derivative works of the same, in hard copy format or electronically, within the United States. The School represents and warrants that during the Term, and following the expiration or termination of this Agreement, the School will not exploit or assist any third party to exploit any of the NHA Materials for commercial purposes. Subject to applicable law, the School grants NHA a non-exclusive, non-transferable license (without the right to sublicense) to use the School Materials, solely in furtherance of the Educational Program during the Term, including without limitation, the right to reproduce, publicly display, distribute and create derivative works of the same, in hard copy format or electronically, within the United States.

G. NHA and School Marks. During the Term, each Party grants the other a non-exclusive, revocable, non-transferable license (without the right to sublicense) to use the granting Party's trade name(s) and trademark(s) (respectively, the “NHA Marks” or "School Marks") solely for the purposes of promoting and advertising the School. Each Party shall have the opportunity to review and approve all artwork, copy or other materials utilizing that Party's Marks prior to any production or distribution thereof. All uses of the NHA Marks require NHA’s prior written permission and all uses of the School's Marks require the Board's prior written permission. Neither Party shall acquire rights in or to the other Party's Marks, and all goodwill associated with each respective Party's Marks shall inure to the benefit of and remain with that Party. Upon expiration or termination of this Agreement, the each Party shall immediately discontinue use of the other Party's Marks and shall remove the other Party's Marks.

H. **Assignment.** Each party shall, and hereby does assign to the other, with full title guarantee and without additional compensation, such right, title and interest in and to any intellectual property as is necessary to fully affect the ownership provisions set out herein, and any accrued rights of action in respect thereof. Each party shall, if so requested by the other, execute all such documents and do all such other acts and things as may be reasonably required to comply with this Agreement to vest in the appropriate party all rights in the relevant intellectual property and shall procure execution by any named inventor of all such documents as may reasonably be required by the other party in connection with any related patent application.

**ARTICLE VI**

**SOLICITATION AND USE OF PRIVATE FUNDS**

NHA shall seek the Board’s approval prior to soliciting any non-governmental grants, donations or contributions on behalf of the School. Any such funds received shall be used solely in accordance with the purpose for which they were solicited, applicable donor restrictions, or as otherwise approved by the Board. Subject to applicable donor restrictions, the Board shall determine the allocation of any such funds subject to this Article that remain unexpended following completion of the project or purpose for which they were originally designated.

**ARTICLE VII**

**FINANCIAL ARRANGEMENTS**

A. **Revenues.** Except as provided herein, all monies received by the School shall be deposited in the School’s depository account within three (3) business days with a financial institution acceptable to the Board; provided, however, that upon receipt of a notice from NHA, the School shall pay all such funds owing under this Agreement directly to the account or party specified in such notice. The signatories on the School depository account shall solely be Board members or properly designated Board agents (if any). Interest income earned on the School’s depository account shall accrue to the School. Except as specifically excluded by this Agreement, the term “Revenues” shall include all funds received by or on behalf of the School, including but not limited to:

1. Funding for public school students enrolled at the School.

2. Special education funding provided by the federal and/or state government that is directly allocable to special education students enrolled at the School.
3. Gifted and talented funding provided by the federal and/or state government that is directly allocable to gifted and talented students enrolled at the School.

4. At-risk funding provided by the federal and/or state government that is directly allocable to at-risk students enrolled at the School.

5. Funding provided by the federal and/or state government that is directly allocable to students enrolled at the School with limited English proficiency.

6. All other federal and/or state grant sources, including, but not limited to, Title I and any start-up funding allocable to the School.

7. Grants and donations received by the School to support or carry out programs at the School (except to the extent NHA is not required or involved in soliciting, administering or managing the contribution and/or donation, in which case such funds shall be deposited in the Board Spending Account (as defined below)).

8. Fees charged to students as permitted by law for extra services provided by NHA as approved by the Board.

The expenditure of any Revenues received from governmental entities shall be consistent with all applicable regulations and policies. The expenditure of any Revenues received from non-governmental grants, contributions and donations shall be made consistent with the provisions of Article VI.

B. **Budget.** NHA shall provide the CAO and Board with an annual proposed Budget prepared and maintained in accordance with the Charter, the Michigan Uniform Budgeting and Accounting Act, and applicable law (the “**Budget**”). The Budget shall include all of the School’s projected revenues and expenses at the object level as described in the Michigan Department of Education’s Public School Accounting Manual. For the School’s first school year, the Budget shall be submitted prior to the beginning of the school year. Thereafter, the Budget shall be submitted to the Board prior to June 1 for the next school year.

C. **Review and Approval of Budget.** The Board shall be responsible for reviewing and approving the Budget in accordance with the Charter and applicable law. At the direction of either NHA or the Board, with the approval of the Board, the Budget shall be amended from time to time as necessary.

D. **Board Spending Account.** Notwithstanding any other provision of this Agreement to the contrary, each school year during the Term, NHA shall allocate to an account controlled by the Board, exclusive of any grants or donations described in Section VII.A.7 above, an amount equal to the lesser of: (i) 2% of state per pupil aid reflected in the Budget for that respective school year, or (ii) $35,000 (the “**Board Spending Account**”). The aforesaid amount shall be deposited by NHA into the Board Spending Account pro-rata during the course of the School’s school year as Revenues are received. All funds in the Board Spending Account are the property of the School and may be used by the School at the discretion of the Board.
Funds in the Board Spending Account that are not spent by the School during the school year shall carryover annually. Items purchased by NHA for the School and paid for by the School with funds from the Board Spending Account, such as non-proprietary instructional and/or curriculum materials, books, supplies and equipment, shall be the property of the School. The property of the School excludes items leased, financed or purchased by NHA with the Fee (as defined below). NHA agrees not to add any fees or charges to the cost of equipment, materials or supplies purchased by NHA on behalf of the School with funds from the Board Spending Account. NHA, in making such purchases for the School pursuant to this subsection, shall comply with applicable law, as if the School were making such purchases itself from a third party, and shall provide the Board, upon request, available documentation evidencing the costs associated with such purchases. NHA shall maintain a listing of all assets owned by the School and shall provide the list to the Board upon reasonable request.

E. **Fee.** NHA shall receive all Revenues as its services fee (the “**Fee**”), from which it shall pay all operating costs of the School as detailed in the Budget. NHA and the Board acknowledge that operating costs may include an administrative fee payable to the Authorizer as set forth in the Charter. Payment of the Fee shall be made on the same frequency that the School receives its Revenues. NHA shall be entitled to retain as compensation for the Services the difference, if any, between the Fee and the amount actually expended by NHA in operation and/or management of the School during the School’s fiscal year.

F. **No Loans.** NHA shall not make or extend loans to the Board.

G. **Other Schools.** The School acknowledges that NHA has entered into similar services agreements with other schools. NHA shall maintain separate accounts for expenses incurred in the operation of the School and other schools assisted by NHA, and shall reflect in the School’s financial records only those expenses incurred in the operation of the School. If NHA incurs expenses that are for both the benefit of the School and other schools assisted by NHA, then NHA shall allocate, to the extent permitted by law, such expenses among all such affected schools, including the School, on a prorated basis based upon the number of enrolled students, the number of classrooms, or the number of teachers at the affected schools, or on such other equitable basis as is reasonably determined by NHA. In no event shall marketing or development costs incurred solely for the benefit of NHA (and not the School) be allocated to the School.

H. **Financial Reporting.** NHA shall provide the Board with:

1. At least annually, the Budget as required by this Agreement.

2. Monthly, financial statements no more than forty-five (45) days in arrears and at least one week prior to each Board meeting. These financial statements will include a Balance Sheet, Statement of Revenues, Expenditures and Changes in Fund Balance at object level detail with a comparison of budget to actual revenue and expenditures and explanations of variances.

3. Quarterly, or as reasonably requested by the Board, a report on School operations and student performance.
4. As reasonably requested, other information to enable the Board to: (i) evaluate the quality of the Services; and (ii) timely provide all reports and information that are required by the Charter and applicable law.

I. **Access to Financial Records.** NHA shall keep accurate financial records pertaining to its operation of the School, together with all School financial records prepared by or in possession of NHA, and shall retain all of the aforereferenced records according to the Charter and applicable law to which such books, accounts, and records relate. NHA and the Board shall maintain the proper confidentiality of personnel, students, and other records as required by law. All records shall be kept in accordance with applicable state and federal requirements.

J. **Accounting Standards; Annual Audit.**

1. The School shall at all times comply with generally accepted public sector accounting principles, accounting system requirements of the State School Aid Act of 1979, as amended, applicable Michigan Department of Education rules, and applicable law.

2. The Board shall select and retain an independent auditor to conduct an annual audit of the School’s financial matters in accordance with the Charter and applicable law.

3. Subject to applicable law, all records in the possession or control of NHA that relate to the School, including but not limited to, financial records, shall be made available to the School and the School’s independent auditor. The expense of the annual audit shall be included in the Budget.

K. **Start-up Funds; Contributions.** NHA shall provide start-up funds for: (i) the development of curriculum, a technology system and a school operations plan; (ii) recruiting, selecting and training of staff members; and (iii) to the extent necessary as reasonably determined by NHA, cleaning, renovating and equipping of the School facility (the “Start-Up Funds”). In addition, in its sole discretion, NHA may, but need not, make contributions to the School in the event School expenses exceed Revenues (the “Contributions”). The Contributions, if any, shall be in amounts acceptable to NHA and the Board and, once made, shall be included in the Budget. Unless otherwise agreed, the School shall not be legally obligated to repay NHA for the Start-Up Funds or the Contributions. NHA’s agreement to make such Contributions shall not be deemed to negate or mitigate the need for the School to apply for or solicit state or federal start-up funds, grants or sub-grants which the School, as a public school, may be eligible to receive.

**ARTICLE VIII**

**PERSONNEL & TRAINING**

A. **Qualified Personnel.** NHA shall select and hire qualified personnel to perform the Services. NHA shall have the responsibility and authority, subject to this Article, to select, hire,
evaluate, assign, discipline, transfer, and terminate personnel consistent with the Budget, the Charter and applicable law. Personnel working at the School shall be employees of NHA unless otherwise expressly agreed in writing by NHA and the Board. NHA and the Board each shall be responsible for their respective employees. However, the compensation of all employees working at the School shall be included in the Budget. Upon Board request, NHA shall disclose to the Board the level of compensation and fringe benefits provided by NHA to NHA employees working at the School. A criminal background check and unprofessional conduct search in compliance with applicable law shall be conditions for the hiring of or services provided by any person assigned by NHA under this Agreement to regularly and continuously work in any of the School’s facilities or at program sites where the School delivers Services. NHA shall pay all salaries, wages, benefits, payroll and other taxes to or on account of its employees. The School shall not be liable for the payment of any such salaries, wages, benefits, payroll or taxes thereon for or on behalf of any NHA employee, contractor or agent. NHA acknowledges and agrees that it is the sole and exclusive responsibility of NHA to make the requisite tax filings, deductions and payments to the appropriate federal, state and local tax authorities for and on behalf of all persons employed or engaged by NHA to provide Services under this Agreement. As applicable, NHA shall conduct employee evaluations consistent with Sections 1249 and 1250 of the Code.

B. School Administrator. The School administrator (the “Administrator”) shall be an employee of NHA and not the Board. The duties and terms of the Administrator’s employment shall be determined by NHA. The Administrator shall work with NHA in the operation and management of the School. The Administrator shall attend meetings of the Board and shall provide reports to the Board. The accountability of NHA to the School is an essential foundation of this Agreement. NHA shall have the authority, consistent with this Article, to select, hire, evaluate, assign, discipline, transfer and terminate the Administrator, and to hold the Administrator accountable for the performance of the School. Without limiting the foregoing, NHA shall consult with the Board prior to the placement and/or removal of the Administrator. Absent compelling circumstances, the consultation shall commence at least ninety (90) days prior to NHA placing and/or removing the Administrator. NHA shall give due consideration to the input of the Board or the Board’s designated representative prior to making a final decision regarding placement and/or removal of the Administrator. NHA shall remove the Administrator if the Board is reasonably dissatisfied with the Administrator’s performance. Absent compelling circumstances, however, the Board shall give NHA and the Administrator six (6) months to correct the basis for the Board’s reasonable dissatisfaction. The parties agree that the purpose of the above provisions is not to deny the Administrator the opportunity for growth and/or promotion within NHA. Notwithstanding any of the foregoing, the placement of the initial Administrator for the School in its first year of operation shall be made by NHA.

As the employer, NHA shall be solely responsible for the performance evaluation of the Administrator, which evaluation shall comply with Sections 1249 and 1250 of the Code. NHA shall seek feedback from the Board prior to completing an annual Administrator performance evaluation.

C. Teachers. NHA shall, consistent with this Article, assign to perform Services at the School, teachers qualified to teach their assigned subjects and grade level. The curriculum taught by the teachers shall be consistent with the Educational Program. The teachers may, at the discretion of NHA, be assigned to work at the School on a full or part time basis. If assigned
to work at the School on a part time basis, the teacher(s) may also be assigned to work at other schools for which NHA provides services. The cost for such teacher(s) shall be shared proportionately among the schools at which NHA has assigned the teacher(s) to work. Each teacher assigned to work at the School shall hold a valid teaching certificate issued by the state board of education or applicable state agency to the extent required by the Authorizing Law.

D. **Support Staff.** NHA shall, consistent with this Article, assign to perform Services at the School, qualified support staff as needed for NHA to operate the School in an efficient manner. The support staff may, at the discretion of NHA, be assigned to work at the School on a full or part time basis. If assigned to work at the School on a part time basis, the support staff may be assigned to work at other schools for which NHA provides services. The cost for such support staff shall be shared proportionately among the schools at which NHA has assigned the support staff to work. An individual assigned to work at the School that is not teaching, but for which a license is required under applicable law, shall have the appropriate license.

E. **Training.** NHA shall provide or procure training in its methods, curriculum, program, and technology to all teaching personnel on a regular basis. Instructional personnel shall be required to obtain at least the minimum hours of professional development as required by applicable law. Non-instructional personnel shall receive training as NHA determines reasonable and necessary under the circumstances.

F. **Background Checks and Qualifications.** NHA shall comply with applicable law regarding background checks, unprofessional conduct searches and certification/licensure, as applicable, for all persons working in the School, the costs of which shall be included in the Budget.

G. **Terms of Employment.** No member of the staff at the School shall be subject to any covenant not to compete or other employment restriction as part of the terms of his or her employment with NHA for the Services.

H. **Limitations on Discretion.** All decisions made by NHA, and any discretion exercised by NHA, in its selection, hiring, evaluation, assignment, discipline, transfer, and termination of personnel, shall be consistent with the Budget, the Charter, the parameters adopted and included in the Educational Program, and applicable law.

**ARTICLE IX**

**INDEMNIFICATION**

A. **Indemnification of Parties.** To the extent not prohibited by the Charter or applicable law, each Party hereby agrees to indemnify, defend, and hold the other (the “**Indemnified Party**”), harmless from and against any and all third-party claims, actions, damages, expenses, losses or awards which arise out of (i) the gross negligence or intentional misconduct of the indemnifying party, (ii) any action taken or not taken by the indemnifying party, or (iii) any noncompliance or breach by the indemnifying party of any of the terms, conditions, warranties, representations, or undertakings contained in or made pursuant to this
Agreement. As used herein, Indemnified Party shall include the party’s trustees, directors, officers, employees, agents, representatives and attorneys. The Parties may purchase general liability, property, or other insurance policies. Notwithstanding anything in this Agreement to the contrary, the Board shall not be precluded by the terms of this Agreement from asserting or declining to assert a claim of governmental immunity.

B. Indemnification of Authorizer. The Parties acknowledge and agree that the Authorizer, its Board of Trustees, and its members, officers, employees, agents or representatives are deemed to be third party beneficiaries for purposes of this Agreement. As third party beneficiaries, the Parties hereby promise to indemnify and hold harmless the Authorizer, its Board of Trustees, and its members, officers, employees, agents or representatives from all claims, demands, or liability, including attorney fees, and related expenses, on account of injury, loss or damage, including, without limitation, claims arising from bodily injury, personal injury, sickness, disease, death, property loss or damage or any other losses of any kind whatsoever and not caused by the sole negligence of the Authorizer, which arise out of or are in any manner connected with the Authorizer’s Board of Trustee’s approval of the Charter Application, the Authorizer’s Board of Trustee’s consideration of or issuance of a Charter, the School Board’s preparation for and operation of a public school, or which are incurred as a result of the reliance by the Authorizer, its Board of Trustees, and its members, officers, employees, agents or representatives upon information supplied by the School Board or NHA, or which arise out of the failure of the School to perform its obligations under the Charter issued to the School by the Authorizer. The Parties expressly acknowledge and agree that the Authorizer, its Board of Trustees, and its members, officers, employees, agents or representatives may commence legal action against either Party to enforce its rights as set forth in this Agreement.

ARTICLE X
INSURANCE

A. Insurance Coverage. NHA shall maintain such policies of insurance as required by the Charter, the Authorizer's insurance carrier recommendations, and applicable law. Each party shall, upon request, present evidence to the other that it maintains the requisite insurance in compliance with the provisions of this Article. In the event that the Authorizer’s insurance carrier recommends any change in coverage, NHA agrees to comply with any change in the type and amount of coverage as requested by the Authorizer’s insurance carrier within thirty (30) days after notice of the insurance coverage change is provided to NHA. Each party shall comply with any information or reporting requirements required by the other party’s insurer(s), to the extent reasonably practicable.

B. Workers’ Compensation Insurance. Each party shall maintain workers’ compensation insurance as required by law, covering their respective employees.

ARTICLE XI
REPRESENTATIONS & WARRANTIES
A. **Board and School.** The Board represents and warrants, for itself and on behalf of the School, that: (i) it is legally vested with all power and authority necessary to operate a charter school under the Authorizing Law; (ii) it is legally vested with all power and authority necessary to execute, deliver and perform this Agreement, including without limitation, the power and authority to contract with a private entity for the provision of educational, business administration and management services; (iii) its actions have been duly and validly authorized, and it has adopted any and all resolutions or expenditure approvals required for the execution of this Agreement; and (iv) there are no pending actions, claims, suits or proceedings, or, to its knowledge, threatened or reasonably anticipated against or affecting either the Board or the School, which if adversely determined, would have a material adverse effect on its ability to perform under this Agreement.

C. **State Governing Law; Waiver of Jury Trial.** This Agreement shall be construed, interpreted, governed and enforced pursuant to the laws of the State of Michigan, without regard to its conflict-of-laws principles. EDUCATIONAL GOALS

Standards for Schools Serving from Kindergarten to Eighth Grade:

The comparison scores for the compositional peer district are populated by the weighted total of MEAP scores from those districts in which the PSA’s students physically reside.

Standard #3: The public school academy will not average more than one-half a standard deviation below GVSU’s MEAP or successor state test/Free-Reduced Lunch regression model for all grades and subjects included in the model.

Standard #4: The Fall to Spring growth rate of each grade and subject for all groups of pupils for which the administered nationally norm-referenced test is designed will fall at the fiftieth percentile or higher.

SCHEDULE 7-2

CURRICULUM
The instructional program will be driven by the learning goals established for all students through its curriculum. These learning goals encompass academic standards in the core areas of learning including English language arts, mathematics, science, and social studies, as well as other areas of learning such as the arts, music, and physical education. Because individual responsibility, integrity, personal character, and effort are important contributors to success in school and life, and because character traits such as perseverance are highly correlated with college success, character development and the teaching of virtues will be an explicit and integrated component of the curriculum. When coupled with high-quality instruction and solid curricular tools to support instruction, the curriculum will promote academic success for students, equipping them with the knowledge, understanding, and skills needed to meet or exceed the Michigan Content Standards and the Common Core State Standards.

The school's instructional program includes clear, coherent, and sequential standards, labeled Educational Objectives, for all grade levels and in all content areas. Core content area summary information is included below.

**English Language Arts**

Literacy, including reading and writing, is a critical component of college readiness. “Low literacy levels often prevent high school students from mastering other subjects” and struggling readers are often excluded from academically challenging courses. Developing reading proficiency and strong literacy skills in elementary and middle grades is essential to ensuring that students are on a college-readiness trajectory. The English language arts (ELA) curriculum is designed to produce highly literate students who are proficient readers and strong writers. The curriculum enables students to read, comprehend, write, and respond thoughtfully to what they encounter in the classroom and the world around them through its reading, writing, speaking, listening, and viewing components.

In early grades, the curriculum emphasizes the five components of reading instruction as outlined by the National Reading Panel, including phonemic awareness, phonics, fluency, vocabulary, and text comprehension. The curriculum also helps students develop the intellectual processes needed to remember, understand, analyze, evaluate, apply, and extend the ideas they encounter while reading. Student learning is enhanced through reading a variety of fiction and nonfiction texts, including a wide range of expository/informational and literary genres. Through writing, students learn the technical skills and processes necessary to produce different types of texts, with appropriate conventions, but also learn to write creatively and critically. And through speaking, listening, and viewing, students become collaborative and reflective in their learning processes. Students who master the ELA curriculum are prepared to read for deep meaning and understanding, write and speak effectively to communicate ideas and information while using appropriate language conventions, listen actively and critically as they encounter new information and ideas, and generate new ideas based on what they encounter both inside and outside the classroom.

Beyond this, the curriculum in grades K-2 focuses on and supports the process of learning to read. Decoding, word recognition, and building vocabulary are important as students begin to develop understanding and fluency. In grades 3-5, the curriculum supports a transition from

learning how to read to reading in order to learn; learning shifts to understanding that texts have specific purposes and reading with those purposes in mind. Students are introduced to informational text in addition to a variety of literary texts. Reliance on the basal reader decreases and additional resources like novels, newspapers, magazines, and web-based resources are used to support reading instruction. In grades 6-8, the curriculum focuses on extending reading and comprehension skills, developing deep evaluation and analysis skills and the ability to make connections within and between texts.

The language arts curriculum supports learning in language conventions, mechanics, spelling, and writing. In the earliest grades, students learn how to write words and sentences using appropriate mechanics and grammar and begin to use the writing process to convey information and narrative through written text. In middle grades, the curriculum develops in students a deeper understanding of writing through a focus on prewriting strategies, organizational formats, drafting, revising, proofreading, and publishing. The curriculum ensures that students learn to write for different purposes; writing includes narratives, stories, poems, interpretive responses, essays, and descriptive pieces. In later grades, the curriculum continues to extend students’ writing skills through narrative, expository, persuasive, and technical writing, and technology enhances students’ ability to write, revise, edit, and publish their work. Grammar, punctuation, spelling, and writing conventions are taught as part of language arts for students in all grades.

**Mathematics**

If students are to be well-equipped for college and beyond, students must be prepared through their K-8 education to take Algebra II and other advanced mathematics courses in high school. “A strong grounding in high school mathematics through Algebra II or higher correlates powerfully with access to college, graduation from college, and earning in the top quartile of income from employment.” The development of a deep understanding of mathematical concepts makes such success possible. The school’s mathematics curriculum is designed to ensure that all students complete Algebra I by eighth grade, thus placing students on a college- and career-readiness trajectory. Students who successfully complete Algebra I prior to entering high school are much more likely to complete Algebra II and other more advanced mathematics prior to graduating high school, which means they will be “more than twice as likely to graduate from college” than students who don’t complete it.

The National Council for Teachers of Mathematics has recognized the importance of the study of algebra in developing mathematical fluency and has also noted the importance of the study of other mathematics components such as number sense and number operations, measurement, geometry, data analysis and probability, and problem solving. The curriculum focuses on each of these components beginning in kindergarten. Number Sense is developed through a variety of concrete models, allowing students to use the area of the brain used for the comprehension of mathematical knowledge. Students are prepared to be fluent in computation using formal algorithms and also learn essential measurement and data analysis skills. Students also learn to make connections and apply mathematical knowledge through problem solving and inquiry.

In grades K-2, algebraic awareness, number sense, and computational fluency are the main focus of students’ learning. Students develop the skills necessary to progress into higher level mathematics; through open-ended problem solving, they increase their critical thinking skills and ability to see connections across mathematics as well as other subjects. In grades 3-5, learning

shifts from computation to fractional awareness. The part-to-whole relationships that are developed in these early grades lead to a deeper understanding of fractions, percents, and decimals and computation. Algebraic skills move from pattern recognition and development to the creation of equations and the use of variables. As students move into grades 6-8, the focus shifts to the study of algebra and functions. Number sense remains a critical focus area through the study of integers, rational and irrational numbers, exponents, and absolute values. Conceptual ideas are integrated through lab activities that provide exploratory opportunities for students to explicitly connect abstract ideas to concrete examples.

The mathematics curriculum also ensures that students become effective as mathematical communicators by engaging them in thinking, reading, and writing about mathematics to help them understand the foundational concepts necessary for success in more complex mathematical coursework.

Science
As the Association for the Advancement of Science and the National Council on Science explain, developing college-ready and scientifically literate students involves teaching a mixture of content knowledge, the practices and skills of scientists, and information on the nature of science. The curriculum, which includes study in Life Science, Physical Science, and Earth and Space Science, is designed to develop content knowledge about the results of scientific discoveries regarding the natural world. The teaching of practices and skills of scientists requires that students participate in the scientific process of inquiry and discovery through conducting investigations, using instruments, and applying mathematical skills that model the process used by scientists to learn about the universe. The curriculum provides students with the opportunity to participate in the scientific process, in addition to read, write, discuss and experiment with science through high level thinking and problem solving. It also ensures that students use the scientific processes and skills through lab work and investigations.

The content of the science curriculum in grades K-2 focuses scientific learning primarily through the study of events and phenomena in nature that can be observed with the five senses. Investigations at this level are modeled, simple, and structured, allowing students to write journals on their discoveries, create simple pictographs of data, and draw conclusions from observations under the direction of the teacher. The incorporation of non-fiction readers on each topic provides students the opportunity to develop grade level appropriate science vocabulary.

Building on these foundational skills, including the integration of skills from English language arts and Math, the curriculum for grades 3-5 directs students to begin exploring cause and effect connections between events (e.g., the sun rises every day and it gets warmer during the day, ergo, the sun provides heat to earth). Investigations for students in grades 3-5 are still often modeled, but they are more complex and involve more detailed measurements, use a variety of tools such as balances and microscopes, and require students to control for multiple variables. Students engage in the practices of scientists as they chart data, complete lab reports, and create graphs in order to communicate results of investigations orally and in writing while defending their conclusions.

The curriculum for students in grades 6-8 includes further exploration of cause and effect relationships while also connecting knowledge of concepts to real world examples and solidifying congruence between students’ understanding of phenomena to that of the scientific community. Investigations are more student-directed, from the guiding question through the scientific procedures to the organizing, analyzing and reporting of data. Within each unit of instruction in grades 6-8, students will employ the skills of scientists as they make connections
with respect to the content of the unit using the methods of science. The scientific method is consistently integrated into content units throughout the year, and students will conduct science investigations through both closed lab investigations and through open investigations in response to the questions being raised during content studies.

Social Studies
The Social Studies curriculum ensures that students are not only prepared for high school and college, but also prepared for the rest of their lives as global citizens. According to ACT, developing students’ understanding in the disciplines of history, culture, economics, and civics ensures that they are ready for college. In addition to supporting learning in these areas, the Social Studies curriculum also allows students to develop and utilize critical thinking skills by making connections, inferences, and arguments around the content and skills they are learning in these disciplines. This focus on content, skills, and critical thinking produces students who are knowledgeable in Social Studies and prepared to participate in society as informed citizens.

The curriculum emphasizes the Social Studies disciplines that will best prepare students to be intelligent members of society. Students who master the Social Studies curriculum understand how geography and economics interact in a global society. Through exposure to primary and secondary sources, students develop knowledge of our shared national and world history and are able to make connections between the past and present and between cultures and government systems that are familiar and those that are not.

Specifically, the Social Studies curriculum in grades K-2 focuses on students being able to describe basic historical events, people, and conflicts and to develop an understanding of their own culture and local community. In these early grades, students begin to become exposed to the history and cultures of places around the world to expand their knowledge beyond what is in close proximity to them. By grades 3-5, the curriculum helps students describe historical happenings in more detail while allowing them to comment on how these happenings had an impact on other historical occurrences in American and world cultures. By grades 6-8, students are regularly practicing how to make connections between historical events in the United States and the world and current events, as well as developing their knowledge of the relationship between geography, history, economics, and culture.

The Social Studies curriculum also supports learning geography, economics, and civics. In the primary grades, students become familiar with basic geographical representations, economic concepts and resources, and functions of government by studying local examples of their community and school. In the intermediate grades, the curriculum gives students opportunities to extend this basic knowledge to gather more complex information, describe concepts in more detail, and deepen their understanding of the relationship between geography, economics, and civics. Third through fifth grade students extend their learning by studying these relationships through national examples. In the middle school grades, the curriculum helps the students use their knowledge of geography, economics, and civics to make generalizations about countries around the world, to compare these countries to the United States, and to describe how these disciplines work together in a global society.

Character Development
Because teaching virtues is integral to the development of children and to preparedness for high school and college, the curriculum includes explicit, integrated character development. This component of the curriculum, which we call Moral Focus, identifies the skills, behaviors, character traits, and virtues that students need to apply their academic learning as citizens and
to be successful learners in high school and college. A comprehensive character development approach, drawing from both the Smart & Good Schools Initiative and the Greek Cardinal Virtues, is focused through the study of Moral Character, Performance Character, and Social Character.

Moral Character guides students towards becoming their best self. Through the curriculum, students learn that character is defined by the virtues that they incorporate as a consistent part of their behavior. They also learn that they, as individuals, bear the responsibility for developing these virtues. The curriculum consists of a school-wide focus around nine monthly virtues, which were derived from the Greek Cardinal Virtues. Students develop these virtues through explicit teaching and integrated practice until they become settled habits. Each monthly virtue is comprised of three focus virtues that build from kindergarten to eighth grade. This allows students to acquire a deep understanding of each virtue. Each monthly focus virtue within the curriculum is clearly defined within the curriculum and includes expected student behavior as it relates to that virtue.

Performance Character helps students grow in their ability to do their best work. Through the study of performance character, students learn that effort creates ability and that achievement must be earned. Students learn to strive for excellence in all that they do, work hard to overcome obstacles, find joy in a job well done, and develop the work and study habits needed to succeed in school and life. Students develop the skills to take ownership of their learning, and they acquire the tools needed to be able to define, prioritize, and complete tasks independently and utilize their time efficiently. In addition to these academic strategies, students learn to set goals for improvement and to monitor their progress in meeting those goals.

Social Character focuses on the skills students need to interact best with others. The social character aspect of the character development curriculum enhances students’ ability to listen and be understood by others. Students learn to identify and manage their emotions in order to regulate their behavior and make wise choices. They consider possible outcomes, alternatives, and consequences to their choices with the understanding that they alone are responsible for their actions. Students also acquire the tools needed to have effective and lasting interpersonal relationships with others.

Students learn to internalize these concepts through the intentional and consistent focus on the application of character development concepts throughout all aspects of school life. The character development curriculum is not another subject to be taught during the school day. It defines the character traits and behaviors that need to be consistently and intentionally modeled for and exhibited by students at all times throughout the day; complete integration is thus essential for students to learn the importance of developing and maintaining a strong personal character and the qualities necessary for success as both a student and a citizen. Through consistent modeling and integration of the virtues and behaviors identified in the character development curriculum, staff and students create a learning environment built on a foundation

SCHEDULE 7-5

ACADEMY’S ADMISSION POLICIES AND CRITERIA
Admission and Enrollment Policy

Admission to the Academy shall be open to all age-appropriate children for grade levels offered in accordance with the Academy’s charter contract without charge for tuition and without discrimination on the basis of intellectual or athletic abilities, measures of achievement or aptitude, disability, status as a handicapped person, homeless status, English proficiency, religion, creed, race, sex, color, national origin or any other basis that would be illegal for an existing school district. Admission shall comply with all applicable federal and state laws. Admission shall be limited to those students who are residents of the state, except a foreign exchange student.

The Academy will remove barriers to the enrollment and retention in school of children and youth experiencing homelessness by developing and implementing practices and procedures consistent with the McKinney-Vento Homeless Education Assistance Act and applicable state law. The school will ensure that all identified homeless children and unaccompanied youth receive a free and appropriate education and are given meaningful opportunities to succeed in the school.

It is the policy of the Board that its educational service provider develop and implement practices and procedures that control the admission and enrollment of students, including public notice, lottery and random selection drawing to be used when the number of applicants exceed the number of available spaces for grades offered. Detailed application, lottery and admission practices and procedures shall be available to parents and the general public at the school office. The Board will annually approve offered seats and maximum class size of the Academy.

The school will comply with all applicable federal and state laws related to admissions and enrollment.

Non-Discrimination
The school will not discriminate on the basis of intellectual or athletic abilities, measures of achievement or aptitude, disability, status as a handicapped person, homeless status, English proficiency, religion, creed, race, sex, color, national origin or any other basis that would be illegal for an existing public school.

Open Enrollment Period and Notice
The “Open Enrollment Period” for the first year of operation will be determined prior to June 30 by the NHA Admissions Department and included in the notice of Open Enrollment. In all subsequent years, the Open Enrollment Period is from the first day of school of the current school year until 5:00 p.m. on the last day of business in February of the current school year. Notice of the Open Enrollment Period and application process will be designed to inform the persons most likely to be interested in the school.

National Heritage Academies (NHA) and/or the school will provide notice of open enrollment by (a) printing a legal notice of the enrollment period in a local newspaper of general circulation; (b) mailing a written notice of the Open Enrollment Period and an application to all families who inquire about school enrollment; and (c) posting a written notice of the Open Enrollment Period at the school. In addition, notice may also be provided by airing a public service announcement on local television.

As part of the enrollment process, the school staff will communicate to meet with families, parents and students prior to the first day of school.

Application Procedures
Interested parties may obtain applications at:
- The school’s website accessed through www.nhaschools.com
- The offices of the school
- The service center of NHA at 3850 Broadmoor SE, Suite 201, Grand Rapids, MI 49512 or by calling 866-NHA-ENROLL from 8:00 a.m. to 5:00 p.m. EST.

Applications will be mailed or faxed to anyone requesting an application by telephone.

Applications for the current school year will be accepted until the end of the current school year and available seats will be filled. Applications for the subsequent school year are received during and after the Open Enrollment Period. If applications received during the Open Enrollment Period exceed offered seats in any grade level (“over-subscribed grades”), a random selection process will take place for all grade levels including under-subscribed grade levels. If applications received are fewer than offered seats in each and every grade level (“under-subscribed grades”), all eligible applicants will be accepted and a random selection process will not be conducted.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

Accepted applicants must confirm their intent to attend the school within four weeks of acceptance by returning certain initial forms, including an Admissions Form and an Official Release of Records Form. The school will send letters to parents reminding them of this obligation in order to enroll their child. The school will send all applicants a postcard to inform parents that if the student does not attend the first day of school or call in to request an excused absence by the date and time indicated, the student will forfeit his/her registered status in the school and will not be enrolled. The school may attempt to call all applicants who have not responded to inquire whether the applicant is still planning to attend.
Once students are enrolled and remain enrolled, they will remain eligible to be re-enrolled at the school for successive years without having to reenter the random selection process. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment Period showing intent to re-enroll for the subsequent school year. All applicants on a waiting list must resubmit an application for the following school year during the next Open Enrollment Period.

**Standby Opportunity Plan**

The Standby Opportunity Plan (SOP) is a procedure by which the school may decide to revise its waiting list on the first day of school. If the school follows this procedure, the school will send all applicants on the waiting list a registration card prior to the first day of school. To be included in the SOP, the applicant must return the card to the school by 1:00 p.m. on the first day of school, providing phone numbers where the applicant can be reached the first day of school between the times listed on the card. In the event of an offered seat becoming available, the school will attempt to reach the parent participating in the SOP and offer the seat. If the school cannot reach the parent at the phone numbers and during the times provided on the card, the school will contact the next person on the waiting list who is participating in the SOP. If a student participates in the SOP and a seat is not available for them, they may receive a higher waiting list priority than those students who did not participate.

**Random Selection Process**

The random selection process shall be open to the public, and the school will notify all applicants of the time and place. A neutral third party person will be present during the random selection process. This person will not be related to any student, staff member, anyone applying to the school, or an NHA employee. Names will be randomly selected until all offered seats have been filled. Any remaining names will be randomly selected to establish waiting list priority used to fill offered seats prior to and during the school year for which the student applied. After all eligible names have been randomly selected, the school will add the names of applicants who submitted applications after the Open Enrollment Period in the order in which they were received. The random selection process will be video recorded. In the event of any discrepancy, the video recording will be the official record of placement of students.

**Class Size and Offered Seats**

Class size and offered seats will be recommended by NHA and submitted to the school board of directors for approval. In order to make provision for student attrition (reenrolling students who indicate that they are coming back but do not return on the first day of school) and erosion (new students who have been accepted for offered seats but are absent without excuse on the first day of school), the school may over-subscribe grades. The number of students to be over-subscribed will be determined based on historical and forecasted attrition and erosion. In addition, the number of classrooms may fluctuate in the event the number of students enrolled warrants the increase or decrease in number of classrooms. In no event will over-subscription, or fluctuations in the number of classrooms result in a violation of any provision or limit contained within the school’s charter or applicable law.

**Enrollment Preferences**

Enrollment preference is first given to currently enrolled students. Next preference is given to the following ordered categories of applicants:

- Siblings of currently enrolled students
- Siblings of students selected in the random selection process
- All remaining applicants

If permitted by law, other enrollment preferences may be granted. If a student is selected for a grade level that still has offered seats available and the student has a sibling applying for a grade that no longer has offered seats available, the student will be accepted for his/her grade level and the student’s sibling will be placed on the waiting list for his/her grade level with sibling preference. Therefore, while sibling preference applies, siblings are not guaranteed a seat.

**Procedural Steps**
Step 1: Setup
A list with the name of each student who submitted an application during the Open Enrollment Period will be created. The list will include the student’s name, birth date, grade level to which the student is applying, street address, and names and grade levels of any siblings who are also applying for admission to the school.

Step 2: Admission of Applicants Applying for Under and Over-Subscribed Grades
A neutral third-party person will perform a random selection of the names of each applicant. Any under-subscribed grades will be considered before the over-subscribed grades in descending order. After all under-subscribed grades have been identified, the order of the over-subscribed grades will be randomly selected. Once the grade order has been established, randomly selected students will be placed in available seats or on the waiting list in the applying grade if an offered seat is not available. If the selected student is accepted and has siblings who are also applying for admission, the siblings will be accepted if there are offered seats available or placed on the waiting list with sibling preference if offered seats are not available. If the selected student is placed on the waiting list and has siblings who are also applying, the siblings’ names will not be selected at this time or granted sibling preference, but will wait until their grade level is selected.

Step 3: Waiting List Priority
Students will continue to be randomly selected until all names are selected. After a grade level’s seats are full, all remaining names will be placed on the waiting list in the order in which they are selected. Applications received after the Open Enrollment Period will be added to the end of the waiting list for the appropriate grade in the order in which they were received.

When a seat becomes available in a particular grade due to attrition, erosion, or other event, if that particular grade has a waiting list, that available seat will be filled by the first student on the waiting list for that particular grade. If a waiting list does not exist for that particular grade, but exists for another grade, the school may (subject to applicable enrollment limits and board approved offered seats) fill the available seat using the first student on the waiting list in a different grade, the grade deemed most beneficial to student and school considering class size, teacher capacity, and other school operational factors.

Appeals
Any parent or guardian who wishes to contest or appeal any aspect of the random selection process may do so in writing to the school’s board of directors sent to the school’s address. Following receipt of the parent’s written appeal, a representative of the board of directors will contact the parent to discuss the nature of the concern or objection. Final decisions will be made by the board of directors or its designee.

Last revised: February 13, 2012
1. **PURPOSE**

To remove barriers to the enrollment and retention in school of children and youth experiencing homelessness in compliance with the McKinney-Vento Homeless Education Assistance Act (42 USC §11434a[2]) ("McKinney-Vento Act").

2. **PRACTICE**

The school will adhere to the provisions of the McKinney-Vento Act and applicable state requirements to ensure that all identified Homeless Children and Unaccompanied Youth receive a free and appropriate education and meaningful opportunities to succeed in the school.

**Definitions**

“Homeless Child” - a child who does not have a fixed, regular, and adequate nighttime residence or whose primary nighttime location is in a public or private shelter designated to provide temporary living accommodations, or a place not designed for, or ordinarily used as regular sleeping accommodations for human beings. This definition includes a child who is:

- sharing the housing of other persons due to loss of housing, economic hardship or similar reason (sometimes referred to as double-up);
- living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations;
- living in a car, park, public space, abandoned building, substandard housing, bus or train stations or similar settings;
- abandoned in hospitals;
- awaiting foster care placement (eligibility for services for children already placed in foster care should be discussed between the Liaison and the social service provider);
- a migratory child who qualifies as homeless because he or she is living in circumstances described above; or
- an Unaccompanied Youth.

“School of Origin” - the school the child attended when permanently housed or the school in which the child was last enrolled.

“Unaccompanied Youth” - a youth not in the physical custody of a parent or guardian.

3. **APPLICABILITY**

This document applies to all National Heritage Academies (NHA) schools.

4. **RESPONSIBILITY**

4.1 The school principal will designate a local homeless Liaison (“Liaison”).

4.2 The Liaison will serve as one of the primary contacts between homeless families and school staff, district personnel, shelter workers, state coordinators for Homeless Children, public and private service providers in the community, housing and placement agencies, and other service providers.

4.3 The Liaison will:
Identify and enroll Homeless Children;
Ensure that Homeless Children and their families receive eligible educational services;
Make referrals to health, mental health, dental, and other services;
Inform parents/guardians of educational and related opportunities available to their children;
Provide parents/guardians with meaningful opportunities to participate in their child’s education;
Inform parents/guardians and Homeless Children of all transportation services, and assist them in accessing these services;
Clearly communicate all required information in a form, manner, and language that is understandable;
Ensure proper mediation of enrollment disputes according to the McKinney-Vento Act and complaint procedures;
Disseminate public notice of the educational rights of Homeless Children;
Conduct annual training for school personnel on possible indicators of homelessness, sensitivity in identifying Homeless Children, and procedures for reporting to the Liaison; and,
Record AtSchool information (See Exhibit 6.1);

5. PROCEDURES

5.1 Identification

The burden is on the school to show that the child is not a Homeless Child. The Liaison, in collaboration with school personnel and community organizations, will identify Homeless Children, both in and out of school. Community organizations may include family and youth shelters, soup kitchens, motels, campgrounds, drop-in centers, welfare departments and other social service agencies, street outreach teams, faith-based organizations, truancy and attendance officers, local homeless coalitions, and legal services.

The Liaison must use the Student Residency Questionnaire (“SRQ”) (Exhibit 6.2; for Louisiana, see Exhibit 6.3) upon enrollment and clearly describe current living arrangements of the child to determine whether the child meets the definition of a Homeless Child. Upon the receipt of an SRQ indicating potential homelessness, the Liaison will implement these practices and procedures document and ensure adherence with federal, state and NHA requirements.

NOTE: For New York schools only: Upon determination of appropriate school selection, the parent (or Liaison if no parent is available) will complete the New York STAC-202 form (Exhibit 6.4), following the instructions contained therein. Upon receipt of the STAC-202 form, the Liaison will forward the form to the New York Commissioner, Intervention Services at the NHA Service Center, and keep a copy in the school’s records.

5.2 School Selection

Homeless Children have the right to remain at their School of Origin or to attend any school that houses students who live in the attendance area in which they are actually living.

If the parent/guardian agrees, Homeless Children will remain at their School of Origin to the extent feasible. Homeless Children may remain at their School of Origin the entire time they are in transition and until the end of any academic year in which they become permanently housed. The same applies if they lose their housing between academic years.

Feasibility is a child-centered determination, based on the needs and interests of the particular child and the parent/guardian or child’s wishes. Services that are required to be provided,
including transportation and services under federal and other programs, shall not be considered in determining feasibility. Feasibility considerations may include:

- Safety of the child;
- Continuity of instruction;
- Likely area of family or child’s future housing;
- Time remaining in the academic year;
- Anticipated length of stay in temporary living situation;
- School placement of siblings; or
- Whether the child has special needs that would render the commute harmful.

5.3 Enrollment

The school selected for enrollment must immediately enroll any Homeless Child. Unaccompanied Youth may either enroll themselves or be enrolled by a parent, non-parent caretaker, older sibling, or the Liaison. Enrollment may not be denied or delayed due to the lack of any document normally required for enrollment, any unpaid school fees, lack of uniforms or clothing that conforms to the school’s dress code or any factor related to the child’s living situation.

The school will coordinate the transfer of school records with other schools and contact the child’s previous school to obtain school records. Initial placement of a child whose records are not immediately available will be made based on the child’s age and information gathered from the child, parent, and previous schools or teachers. If no immunization records are available, the school office will refer students to the Liaison to assist with obtaining these records from state registries and/or community based clinics.

The school will excuse any tardiness or absence related to a Homeless Child’s living situation when applying any school policy regarding tardiness or absences.

5.4 Services

The school must provide Homeless Children services comparable to services offered to other students in the school, including:

- Transportation;
- Title I;
- Educational services for which the student meets eligibility criteria, including special education and related services and programs for English language learners;
- School nutrition programs (the school will provide free meals to the Homeless Child as all Homeless Children are automatically eligible for free meals);
- Vocational and technical education programs;
- Gifted and talented programs; and
- Before- and after-school programs

Transportation

At a parent/guardian’s request, the school will provide transportation to and from the School of Origin. The Liaison will coordinate these arrangements, which may include arrangements with the social service district. The school must provide the transportation for the entire time the child has a right to attend that school, as defined above, including during pending disputes. The length of the commute will only be considered in determining the feasibility of placement in the School of Origin based on potential harm to the child. Prior to selection of a school, the Liaison will inform the parent/guardian or Unaccompanied Youth of this right to transportation. Transportation disputes will not result in a Homeless Child missing school. If such a dispute arises, the school will arrange transportation and immediately bring the matter to the attention
of the state authorities following the appropriate complaint procedures as detailed in this document.

**Title I**

Homeless Children are automatically eligible for Title I services. The school will reserve the necessary funds to provide services comparable to those provided to Title I students attending non-participating schools, including education related support services and removing barriers that prevent attendance. The Liaison and the Title I director at the NHA Service Center will develop the formula (based upon the per-pupil Title I expenditures) to use for determining the necessary funds to reserve.

The Title I director and the Liaison will ensure coordination between the Title I plan and the McKinney-Vento Act, including the academic assessment, reporting and accountability systems required by federal law and the U.S. Department of Education.

**Educational Services**

The school shall give evaluations of Homeless Children suspected of having a disability priority and coordinate the evaluation with the student’s prior and subsequent schools, as necessary, to ensure timely completion of a full evaluation. When necessary, the school will expeditiously designate a surrogate parent for Homeless Children suspected of having a disability. The school will immediately implement the child’s Individualized Education Program (IEP), if available, and promptly conduct any necessary IEP meetings or re-evaluations. If complete records are not available, IEP teams will use good judgment in choosing the best course of action, balancing procedural requirements and the provision of services in an attempt to avoid any disruption in services.

5.5 **Complaint and Dispute Resolution**

The following steps and procedures should take place in resolving disputes regarding enrollment, school placement, or services.

**Complaint**

- A complaint is an oral or written and signed statement alleging the violation of a federal or state law, rule, or regulation. The complaint must allege a violation that occurred not more than one (1) year prior to the date that the complaint is received, unless a longer period is reasonable because the violation is considered systemic or ongoing.
- Parents, teachers, administrators, or other concerned individuals or organizations may file a complaint (“Complainant”). Faculty and staff with knowledge of a complaint must refer the Complainant to the Liaison.
- The Complainant may submit the complaint in writing to the Liaison, using the attached Complaint Resolution Initiation Form (Exhibit 6.5). The Complainant may choose to initiate the complaint orally.

**Role of School**

- Immediately enroll the child in the school preferred by the person(s) bringing the complaint.
- Provide all educational services for which the child is eligible, pending resolution of the dispute.

**Role of Liaison**
After receipt of the complaint, the Liaison must provide a written explanation of the school placement decision and/or provided services to the Complainant and discuss the complaint with the Complainant. The Liaison must provide a written proposed resolution or a plan of action to the Complainant within five (5) days of receipt of the complaint, or within seven (7) business days of notification of dispute (Georgia only).

If the Liaison does not resolve the dispute, the Complainant may forward it to the school principal. The Liaison must provide a written resolution to the parties within five (5) days of the discussion with the principal, or within ten (10) business days of the second dispute (Georgia only). The Complainant has a right to obtain assistance from advocates or attorneys in addressing a complaint.

The Liaison will carry out the dispute resolution in an expeditious manner and will provide the Complainant these written procedures, including the appeal procedures outlined below.

In the event the school is unable to resolve the complaint, the Complainant may pursue the applicable appeal procedure(s).

**Appeal Procedures – Colorado**

If the dispute is not resolved at the school level, the Liaison will assist the Complainant in contacting a mediator from the Colorado Mediator Resource Network (services at no charge to the Complainant) or may direct the Complainant to the Colorado Department of Education (CDE).

Address the complaint to the following address:

- State Coordinator for the Education of Homeless Children and Youth, Colorado Department of Education, State Office Building, 201 East Colfax Avenue, Denver, Colorado 80203-1799.

Use the Colorado Dispute Report Form (Exhibit 6.6) during the appeal process.

The complaint should include:

- the name, address, and telephone number of the person filing the appeal;
- the relationship or connection of the person to the child in question;
- the name and age of the child involved;
- the name of the school and school personnel involved in the complaint;
- the federal requirement alleged to have been violated;
- a description of the situation that prompted the complaint;
- a description of the attempts that were made to solve the issue; and
- the relief the person is seeking.

If the State Coordinator is unable to resolve the complaint within 15 business days, the Complainant may file a written complaint to the State Coordinator who, with a team, will review the complaint with the mandates of the Title X law. Within 15 days of receipt of the complaint, the Coordinator will issue a written decision to the parties via mail.

**Appeal Procedures – Georgia**

If the dispute is not resolved at the school level, the Complainant may direct the complaint to the Georgia Department of Education state homeless coordinator. The Liaison may assist the Complainant in contacting the Department.

Address the complaint to the following address:

**Appeal Procedures – Indiana**

If the dispute is not resolved at the school level, the Complainant may direct the complaint to the Indiana Department of Education (IDOE). Complaints made under this process must be in writing and signed by the Complainant.

If the complaint involves enrollment or school placement of homeless children, address the complaint to the following address:

- State Board Liaison; Indiana Department of Education; Room 299, State House; Indianapolis, Indiana 46204.

If the complaint involves comparable services offered to homeless children, address the complaint to the following address:

- Director of the Division of Educational Options; Indiana Department of Education; Room 299, State House; Indianapolis, Indiana 46204.

The complaint should include:

- the name, address, and telephone number of the person filing the appeal;
- the relationship or connection of the person to the child in question;
- the name and age of the child involved;
- the name of the school and school personnel involved in the complaint;
- the federal requirement alleged to have been violated;
- a description of the situation that prompted the complaint;
- a description of the attempts that were made to solve the issue; and
- the relief the person is seeking.

The IDOE will issue a letter of acknowledgement to the Complainant and the Liaison containing the IDOE’s commitment to issue a resolution in the form of a *Letter of Findings*.

An IDOE complaint investigator will review all relevant information and issue the *Letter of Findings* to the Complainant.

If the complaint involves enrollment or school placement, a hearing shall be held with each interested party given at least 10 days notice of the hearing. Any interested party may appear at the hearing in person or by counsel, present evidence, cross-examine witnesses, and present in writing or rally summary statements of position. The Indiana State Board of Education or a hearing examiner may conduct the hearing at any place in Indiana.

The determination of the IDOE or Indiana State Board of Education as a result of the proceedings described above is final and binding on the parties to the proceedings.

**Appeal Procedures – Louisiana**

If the dispute is not resolved at the school level, the Liaison will assist the Complainant in contacting the local (EBR) Liaison for assistance with the appeal process. In the event the dispute is not resolved at the (EBR) Liaison level, the Complainant may contact the State Coordinator to hear an appeal of the Local (EBR) Liaison’s decision.

Address the complaint to the following address:
The DOE will acknowledge receipt of the complaint in writing to the Complainant and provide written resolution of the complaint within 60 days of the date the DOE receives the complaint. The decision will include the Complainants right to request the Secretary of the U.S. Department of Education to review the final decision of the DOE, at the Secretary’s discretion.

Within 30 days after receiving a complaint, the Director of the Office of Field Services will recommend a resolution and will inform interested parties in writing of the decision.

If a Complainant or one of the parties involved in the complaint disagrees with the decision, that party may, within 10 working days, appeal to the Deputy Superintendent. This appeal must be in writing and state why the party disagrees with the decision of the Director of the Office of Field Services.

Within 30 days after receiving an appeal, the Deputy Superintendent will render a final administrative decision and notify the Complainant and the school in writing.

Until the utilities are separated, Lessee shall pay its share of the monthly utility costs ("Reimbursable Expenses") within fifteen (15) days of receipt of written notice from the Lessor of the same. In the event Lessee fails to reimburse Lessor within fifteen (15) days after receipt of Lessor's demand for reimbursement for any Reimbursable Expenses by Lessor ("Delinquency Date"), Lessee shall be required to pay to Lessor, on the Delinquency Date and every thirty (30) days thereafter until Lessor receives such reimbursement, in addition to the amount of such Reimbursable Expense, a late fee in the amount of ten percent (10%) of the outstanding amount of the Reimbursable Expense.

TERM:
The term of the Agreement begins July 1, 2004, and ends June 30, 2014, subject to renewals as provided herein.

USE:
The leased premises are to be used and occupied as a public school academy (grades K through 8) as defined in Act 362 of the Public Acts of 1993 of the State of Michigan (as amended). Lessee may use the leased premises for uses ancillary to school operations upon the prior written consent of Lessor for each such use, which consent shall not be unreasonably withheld.
Provided, in case any rent shall be due and unpaid or default be made in any of the covenants herein contained, then it shall be lawful for the Lessor to re-enter into, repossess the leased premises, and the Lessee and each and every occupant to remove and put out.

1. **Lessee’s Obligations**

The Lessee hereby hires the leased premises for the term aforesaid, and covenants:

a. **Rent** – See attached Exhibit B

b. To use and occupy the leased premises only for the purposes for which they are let to it.

c. To comply promptly with all lawful laws, orders, regulations, and ordinances of all municipal, county, and state authorities affecting the leased premises and the cleanliness, safety, occupation, and use of same, including without limitation the Americans with Disabilities Act of 1990 42U.S.C. 12101-12213 (1991), as amended.

d. To observe all reasonable regulations and requirements of underwriters concerning the use and condition of the leased premises tending to reduce fire hazards and insurance rates, and not permit nor allow any rubbish, waste material or products to accumulate on the leased premises.

e. Except for the express obligations of Lessor set forth in Paragraph 2.B below (“Lessor’s Obligations”), during the entire term of the Agreement, including any extension period, Lessee agrees, at its sole cost and expense, to maintain the entire leased premises and fixtures in good order, condition and repair at all times, including, but not limited to, the interior and exterior, structural and nonstructural components, and boiler. Lessee shall keep the leased premises in a clean, sanitary and safe condition at all times. Lessee hereby acknowledges and agrees that except for Lessor’s Obligations it is the intent of the parties that Lessor shall have no obligation whatsoever to repair or maintain the leased premises.

Should Lessee fail to make repairs or otherwise comply with its obligations under this Paragraph after being given reasonable written notice and opportunity to do so, Lessor shall have the right, but not the obligation, to make or contract for said repairs itself and charge the cost thereof as well as the cost to repair any damage to its property or to the interior of the lease premises resulting from said delay ("Repair Charges") to Lessee. In the event Lessee fails to pay Lessor within thirty (30) days after receipt of Lessor’s demand for payment for any Repair Charges ("Delinquency Date"), Lessee shall be required to pay to Lessor, on the Delinquency Date and every thirty (30) days thereafter until Lessor receives such payment, in addition to the amount of such
Repair Charges, a late fee in the amount of ten percent (10%) of the outstanding amount of the Repair Charges.

f. If the nature of the Lessee’s business requires licensure, Lessee shall keep in effect a valid license to operate the leased premises for that purpose and provide Lessor with a current copy of the required license.

2. Lessor’s Obligations

The Lessor covenants that:

a. The Lessee, on payment of the rental at the time and in the manner aforesaid and performing all the foregoing covenants, shall and may peacefully and quietly have, hold, and enjoy the leased premises for the term aforesaid.

b. The Lessor, after receiving notice from the Lessee, agrees to keep in good order and repair the roof and four outer walls of the leased premises except for walls which have been defaced or damaged by Lessee or anyone Lessee permits to use the leased premises. Where required by city regulation, certificates of operation on all boilers will be obtained.

3. Insurance

a. Indemnification/Liability:

The Lessee agrees to indemnify and hold harmless the Lessor from any liability for damages to any person or property in, on, or about said leased premises from any cause whatsoever. The Lessee will procure and keep in effect during the term hereof public liability and property damage insurance issued by a company acceptable to Lessor for benefit of the Lessor in an amount of not less than Two Million and 00/100 Dollars ($2,000,000.00) per occurrence, with a Two Million and 00/100 Dollar ($2,000,000.00) annual general aggregate.

Said policy shall name the Lessee and the Lessor (The Archdiocese of Detroit, the Archbishop of Detroit, St. Christopher Parish and the pastor of St. Christopher Parish) as additional named insureds. Lessee shall deliver a Certificate of Insurance to the Lessor.

Such policy shall contain a provision that it may not be canceled without at least thirty (30) days prior written notice being given by the insurer to Lessor.

Upon Lessee’s failure to deliver a Certificate of Insurance within fifteen (15) days after receipt of written notice from Lessor, the Lessor may, at his option, immediately cancel this Agreement upon written notice to Lessee.
b. **Fire:**

Lessor shall provide for such standard form fire insurance on the building in which the leased premises are located as Lessor shall deem advisable, which insurance is solely for the benefit of the Lessor and is not available for the benefit of the Lessee.

c. **Contents/Lessee Improvements:**

Lessee shall be responsible for securing any insurance it deems advisable on contents and tenant improvements or for business interruption and Lessor shall have no liability with respect to any loss which might have been covered by such insurance.

4. **Alterations**

The Lessee may make no alterations, additions, or improvements to the leased premises without the Lessor’s prior written consent. All such alterations, additions and improvements shall be at the expense of the Lessee and Lessor hereby indemnifies and holds Lessor harmless from all costs, liability and loss of any kind and all claims of loss or liability, in any way arising out of or by reason of any such alterations, additions or improvements. Upon vacation of the leased premises, said improvements, additions and alterations shall, at Lessor’s option, become the property of the Lessor and Lessor hereby agrees that the additions, improvements and alterations set forth on the attached Exhibit C shall become the property of the Lessor upon vacation of the leased premises. Lessee shall promptly remove all such alterations, additions and improvements required by Lessor to be removed and Lessee shall restore the premises after such removal to substantially their condition prior to the time such alteration, addition or improvement was made. All furnishings and equipment which are not attached or affixed to the leased premises made or placed by Lessee upon the leased premises shall be the property of the Lessee, and the Lessee shall be permitted to remove the same at the end of the term of this Agreement, and/or within thirty (30) days of termination date but only if such removal causes no molestation or injury to the leased premises or the building in which the leased premises are located.

If Lessor consents to Lessee’s performance of any alteration or addition to the leased premises (“Work”), Lessee shall ensure that the Work shall be made in accordance with the Plans and Drawings (as defined below) and all applicable laws, regulations and building codes, in a good and workmanlike manner and in quality satisfactory to Lessor. In addition, prior to commencement of any Work, Lessee must submit to Lessor for approval, which approval Lessor may withhold in its sole and absolute discretion, provided, however, that Lessor shall not unreasonably withhold or condition its approval of the Plans, Drawings or Contractors for the Building Addition (defined below):

(i) a complete set of plans and specifications (“Plans”) prepared and scaled by a registered architect or engineer,
(ii) a complete set of drawings and specifications for mechanical, electrical and plumbing systems (“Drawings”); and
(iii) a list of the contractors and subcontractors (“Contractors”) who will perform the Work, together with proof of insurance and performance and labor bonds,
in such amounts and with such carriers or sureties as Lessor may require in its sole and absolute discretion.

Lessor's approval of the Plans and Drawings for Lessee's alterations shall create no responsibility or liability on the part of Lessor for their completeness, design sufficiency or compliance with all laws, rules and regulations of governmental agencies or authorities. No person shall be entitled to any lien on the leased premises because of any labor or material furnished to Lessee in connection with any alterations or improvements by Lessee, and nothing in this Lease shall be construed to constitute a consent by Lessor to the creation of any lien. If any lien is filed against the leased premises as a result of a claim against Lessee for labor or material furnished to Lessee, Lessee shall cause the lien to be discharged of record within fifteen days after filing. If Lessee fails to cause the lien to be discharged within such time, Lessor may, without the obligation to do so, pay off the lien and Lessee shall reimburse Lessor for all costs and expenses incurred by Lessor to pay and discharge such lien, including, but not limited to, reasonable attorney fees ("Lien Expense"). Lessee shall indemnify Lessor from any costs, including, but not limited to, reasonable attorney fees, in connection with any such lien.

In the event Lessee fails to reimburse Lessor within thirty (30) days after receipt of Lessor's demand for reimbursement for any Lien Expense incurred by Lessor with respect to any lien ("Delinquency Date"), Lessee shall be required to pay to Lessor, on the Delinquency Date and every thirty (30) days thereafter until Lessor receives such reimbursement, in addition to the amount of such Lien Expense, a late fee in the amount of ten percent (10%) of the outstanding amount of the Reimbursable Expense.

Subject to all of the requirements, terms and conditions of this Paragraph 4, Lessee may (i) make such alterations, additions and improvements as are determined by the State Bureau of Construction Codes & Fire Safety to be required in order to bring the leased premises into compliance with applicable codes, regulations and ordinances, the costs and expenses of which shall be subject to reimbursement as provided on attached Exhibit B; provided, however in no event shall Lessee be entitled to a reimbursement for any alterations, additions or improvements required to be made solely because of Lessee's use of the leased premises, and (ii) provided Lessee is not in default under this Agreement, construct a one story modified post-frame, vinyl sided addition with roof top forced air HVAC units within the area approximately depicted on attached Exhibit A-1 (the "Building Addition").

5. Eminent Domain

In the event of a taking of the leased premises during the term of this Agreement by a proceeding in eminent domain which results in the eviction of the Lessee, this Agreement shall terminate upon the date of such eviction. All awards shall be the sole property of Lessor, except for Lessee's award for the Building Addition and relocation expenses or loss of business, if any.
6. **Taxes**

Any real property taxes assessed against the leased premises or any property of which they are a part, at any time, shall be paid by the Lessee where such taxes have resulted because of rental of the leased premises by Lessee.

Payment of all such taxes, assessments and charges shall be made on or before the last day when payment may be made without interest or penalty. Lessee may, when permitted by appropriate governmental authority, pay any tax, assessment or charge over a period of time.

Lessee agrees to exhibit to Lessor on demand any time following such date for payment of taxes, assessments or charges, receipts evidencing payments of all such taxes, assessments or charges so payable.

7. **Assignment and Subletting**

Lessee covenants that it will not assign, sell, mortgage or in any manner transfer or encumber this Agreement or any interest herein, or sublet the leased premises or any part or parts thereof or grant any concession or license or otherwise permit occupancy of all or any part thereof by others without in each case first obtaining the prior written consent of Lessor; notwithstanding the foregoing, Lessor's consent shall not be required if Lessee assigns or sublets to a parent or affiliate of Lessee, or to the charter school board or other entity related to the operation of the school. The consent by Lessor to an assignment or subletting shall not in any way be construed to release Lessee from obtaining the express consent of the Lessor to any further assignment or subletting of any part of the leased premises nor shall the collection of rent by Lessor from any assignee, subtenant or other occupant be deemed a waiver of this covenant or the acceptance of the assignee, subtenant or occupant as a tenant hereunder or a release of Lessee from the further performance by Lessee of the covenants in this Agreement or Lessee's part to be performed. If Lessee is a corporation or a partnership, the sale or transfer of fifty percent (50%) or more of such corporation's voting shares or of such partnership's general partnership interests, as the case may be, shall be deemed to be an assignment of this Agreement.

8. **Default**

Lessee shall be in default under this Agreement upon the occurrence of any of the following events:

a. Failure to make any payment within seven (7) days after receipt of written notice from Lessor ("Payment Notice"); provided, however, if Lessee fails to make any other payment within seven (7) days of when due within one year of Lessor providing a Payment Notice, Lessee shall be in default of this Agreement without notice of such failure to pay; or
b. Failure to perform any non-monetary covenant, agreement or obligation of Lessee under this Agreement within fifteen (15) days after receipt of written notice from Lessor of such failure.

9. Remedies

Upon the occurrence of any of the events of default described in paragraph eight (8) and expiration of applicable notice and cure period, in addition to any other remedies which may be available to him, Lessor may, at his option, after providing to Lessee any notice required under Michigan Law, do one or more of the following:

a. Terminate this Agreement; or

b. Whether or not this Agreement is terminated, take possession of the leased premises.

10. Controlling Law; No Other Agreement or Representatives

This Agreement shall be governed by the laws of the State of Michigan. There are no understandings, agreements, representations, or warranties, expressed or implied, other than those set forth in a written addendum or supplement executed simultaneously herewith, or as herein set forth fully or incorporated by specific reference, respecting this Agreement or any real or personal property leased hereunder.

11. Non-Waiver; Modifications

No waiver of any provision of this Agreement, or a breach thereof, shall be construed as a continuing waiver, nor shall it constitute a waiver of any other provision or breach. The acceptance of part (but not all) of a rent installment(s) due Lessor hereunder shall not constitute a waiver of default hereunder for nonpayment of rent. The acceptance of all or part of a rent installment(s) due Lessor hereunder shall not constitute a waiver of any other type of default hereunder. No modification, alteration and/or amendment of this Agreement shall be binding upon the other party hereto, unless the same shall be reduced to writing and signed by the party against whom it is sought to be enforced.

12. Notices

Whenever under this Agreement provision is made for notice of any kind, unless otherwise expressly herein provided, it shall be in writing and shall be served personally or sent by registered or certified mail, with postage prepaid, to the address of Lessor or Lessee, as the case may be, as stated below, or such other address as either of the parties may subsequently designate in writing by notice to the other party in the manner required hereunder:

To the Lessor at:
Surrender

The Lessee shall return said leased premises peaceably and promptly to the Lessor at the end of the term of this Agreement, or at any earlier termination thereof, in as good condition as the same are now in or may hereafter to be put in, except for ordinary wear and tear.

Right to Terminate

a. If the leased premises become wholly untenable through damage or destruction, this Agreement shall be void, if partially untenable, Lessor and Lessee shall each have the option of canceling this Agreement at anytime within thirty (30) days after such casualty. If neither party cancels this Agreement, the Lessor shall repair the leased premises with all convenient speed. The obligation of the Lessee to pay the monthly rental and maintain the leased premises shall be abated during the time the leased premises are untenable and shall be partially abated during the time the leased premises are partially untenable.

b. In case the leased premises and/or the entrance(s), passageways, hallways and/or lavatories shall be sufficiently damaged so as to unreasonably impede Lessee's use of the leased premises for a period likely to exceed sixty (60) days, Lessee may, at its option, terminate this Agreement forthwith by written notice to the Lessor, in which event any unabsorbed advance rental forthwith upon Lessee's surrendering the leased...
15. **Successors and Assigns**

This Agreement and each of the covenants, conditions, and agreements contained herein shall be binding upon each of the parties and upon their respective successors, representatives and assigns, and the benefits shall inure to each of the parties and to their respective permitted successors, representatives and assigns.

16. **No Representations**

Lessee acknowledges that no representation, verbal or written, has been made by any broker, agent or employee of Lessor regarding the condition of the improvements on the premises. This Agreement is not made in reliance upon any representation whatsoever.

17. **Security Deposit**

**(DOES NOT APPLY)**

18. **HOLD OVER**

It is hereby agreed that in the event the Lessee herein holds over after the termination of this Agreement, that thereafter the tenancy will be from month-to-month in the absence of a written agreement to the contrary. All terms of the previous lease will remain the same, except that the rent amount shall be increased to 150% of the previous rent amount.

19. **Options to Renew**

Provided Lessee is not then in material default of any of the provisions of this Agreement, Lessee shall have two (2) successive options to extend the term of this Agreement for an additional five (5) year period from and after the expiration of the original term or first extension thereof, as is applicable. Lessee shall exercise each option by giving Lessor written notice of the intention to extend, no later than six months prior to the expiration of the original term (June 30, 2014) or the then current option term.

Within sixty (60) days following Lessee's notice to Lessor of the exercise of such right to extend the term, Lessor shall notify Lessee of Lessor's determination of the rental to be charged by Lessor during such option term with respect to the leased premises. If Lessor finds such rental to be unacceptable, Lessee shall have thirty (30) days following receipt of Lessor's determination in which to withdraw its election of option to extend by written notice to such effect to Lessor.

In the event that Lessee does not withdraw its election of option to extend, as herein provided, the term of the Agreement shall be extended and the rental shall be that specified by the Lessor.
20. **Headings**

The headings of this Agreement are for purposes of reference only and shall not limit or define the meaning of any provisions of this Agreement.

21. **Hazardous Materials**

a. Lessee shall be fully responsible, at its own expense, for compliance with all laws and/or regulations governing the handling of Hazardous Materials or other substances used or stored on the Premises in connection with Lessee's business conducted therein. All hazardous or potentially Hazardous Materials shall be stored in proper containers and shall be further protected against spills by secondary containment facilities. Lessee shall not spill, introduce, discharge or bury any Hazardous Materials, substance or contaminant of any kind in, on, or under the Premises or any portion thereof or any adjacent premises or into the ambient air. Lessee shall not permit the discharge of any Hazardous Materials into the sanitary or storm sewer or water system serving the Premises or any adjacent premises or into any municipal or other governmental water system or storm and/or sanitary sewer system. Lessee shall employ all appropriate safeguards and procedures necessary or appropriate to protect such systems from contamination. Lessee shall undertake, at its expense, any necessary and/or appropriate cleanup process in connection with any breach of the foregoing covenants, and without limiting Lessee's other indemnity or insurance obligations under this Agreement. Lessee shall indemnify and hold harmless Lessor from and against all liability whether direct, indirect, consequential or otherwise, arising from any incident or occurrence on or about the Premises or any adjacent premises pertaining to Hazardous Materials which results from the acts or omissions of Lessee, its agents, employees or invitees, during the term hereof. The obligations of Lessee under this section shall survive the termination of this Agreement.

b. "Hazardous Materials" shall include, without limitation, any chemical or other material which is or may become injurious to the public health, safety or welfare, or to the environment, flammable explosives, petroleum fractions, pesticides, radioactive materials, Hazardous Materials, regulated substances, hazardous or toxic substances, contaminating pollutants or related or similar materials, including by way of example, substances or materials defined by any federal, state or local environmental law, ordinance, rule or regulation, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, the Hazardous Materials Transportation Act, the Resource Conservation and Recovery Act, the Federal Insecticide, Fungicide, and Rodenticide Act or the Michigan Environmental Response Act, and the regulations adopted and publications promulgated pursuant thereto, all as amended.

22. **Signs**
Lessee has permission to erect an exterior sign on the property of the leased premises advertising the Lessee's intended use. The size, type, design, legend, and location must be in compliance with all applicable laws, including but not limited to, all applicable City of Detroit ordinances and must be approved by the pastor of St. Christopher Parish. Lessee hereby acknowledges and agrees to maintain, at Lessee’s sole cost and expense, any sign erected by Lessee pursuant to this paragraph in good repair and working order at all times. In addition, Lessee hereby agrees to indemnify, defend and hold Lessor harmless (using counsel of Lessor’s choice) from and against any cost, expense, claim or liability, including reasonable attorneys’ fees, arising from or related to any sign erected by Lessee on the leased premises or the maintenance thereof.

At the expiration or termination of this Agreement, the Lessee shall promptly remove the sign and shall restore the leased premises and/or surrounding land to substantially their condition prior to installation of the sign and repair any damage resulting from that removal. If the sign is not so removed within 20 days after the termination or expiration of this Agreement, then the sign shall, at Lessor’s option, be deemed to have been abandoned by Lessee and may be appropriated, sold, stored, destroyed, or otherwise disposed of by Lessor without notice to Lessee and without any obligation to account for such sign. All costs and expenses incurred by Lessor in connection with repairing or restoring the leased premises and/or surrounding land to the condition called for herein, together with the costs, if any, of removing the sign shall be invoiced to Lessee and shall be immediately due from and payable by Lessee.

Right of First Refusal. If Lessee is not in default under this terms of this Agreement and has constructed the Building Addition pursuant to subsection 4, above, this section shall apply; otherwise this section will be null and void and not operative.

If at any time during the term of this Agreement Lessor receives from any third party a bona fide offer to purchase the leased premises at a price and on terms acceptable to Lessor, Lessor shall give written notice of the offer to Lessee; provided, however, in no event shall Lessor be obligated to notify Lessee of such offer if Lessee is not in possession of the leased premises. Within fifteen (15) days after Lessor receives Lessee written notice of the third-party offer, Lessee shall have the right to purchase the school building on the leased premises at the same price and on the same terms and conditions as set forth in the third-party offer. To exercise its right, Lessee must, within the same fifteen (15) day period, deposit in escrow with a title company acceptable to Lessor, in its sole and absolute discretion, all moneys and instruments required by the terms of the offer to be paid or delivered to Lessor at closing, including, but not limited to, the purchase price, and shall also give Lessor written notice of the same. In the event Lessee fails to exercise the right to purchase in accordance with the provisions of this Paragraph, Lessor may sell the leased premises to the third party making the offer on the same terms and conditions set forth in that offer. If for any
reason the leased premises are not sold to the third party making the offer, Lessor shall give Lessee the same right to purchase the leased premises on receiving any subsequent offer from any third party that is acceptable to Lessor.

Lessee hereby acknowledges that the leased premises is not a single tax parcel and is part of another tax parcel entirely owned by Lessor, including, but not limited to, the St. Christopher Church, as more particularly depicted on Exhibit D ("Lessor's Property"). Lessee hereby agrees that the right of first refusal set forth in the Paragraph above shall be limited to an offer to purchase the leased premises only and shall not include an offer to purchase any other building on Lessor's Property or an offer to purchase all of Lessor's Property, including the leased premises. If Lessor shall receive a bona fide offer from a third party for any other building on Lessor's Property or for all of Lessor's Property including the leased premises, the right of first refusal shall not be effective and Lessor shall have the right to sell Lessor's Property, including the St. Christopher School Building, without notifying Lessee of the same; provided, however, in the event Lessor sells the leased premises to any third party such sale shall be subject to the terms and conditions of this Agreement.

If Lessee exercises its right of first refusal for the leased premises, Lessee, at its sole cost and expense, shall be responsible to apply for and obtain a tax parcel split from the City of Detroit within sixty (60) days after Lessee sends notice to Lessor of its intent to exercise the right of first refusal. The property line for the property split must be approved by Lessor, in its sole and absolute discretion and may not include all of the leased premises, in writing prior to Lessee submitting the application to the City of Detroit. Lessor agrees to do and perform every act which may be reasonably required by the City of Detroit to effect and document the property split. In the event that Lessee is unable to obtain a property split of Lessor's Property for any reason within such 60 day period, Lessor may, in its sole discretion, terminate the offer to purchase by providing Lessee with written notice of Lessor's election to terminate and return all moneys and instruments deposited with the title company to Lessee, thereafter, neither party shall have any further obligation to the other.
In witness whereof, the parties hereto have executed this Agreement the day and year first written above.

THIS SUB-LEASE AGREEMENT ("Sub-Lease") is made this day of \text{June 26}, 2005, to be effective July 1, 2005, by and between NATIONAL HERITAGE ACADEMIES, INC., a Michigan corporation having an office at 3850 Broadmoor, SE, Suite 2001, Grand Rapids, Michigan 49512 ("NHA"), and DETROIT PREMIER ACADEMY, a Michigan public school academy as defined in Act 362 of the Public Acts of 1993 of the State of Michigan, as amended, having an office at 7781 Asbury Park, Detroit, Michigan 48228 ("Academy").

RECITALS

A. NHA, as lessee, executed a real estate lease with Adam J. Maida, Roman Catholic Archbishop of the Archdiocese of Detroit ("Archdiocese") dated August 3, 2004 (the "Lease"), a copy of which is attached hereto as Exhibit A and incorporated herein. By the terms of the Lease, NHA leased from the Archdiocese the property, building and improvements described in the Lease commencing July 1, 2004.

B. NHA has obtained from the State of Michigan a permanent Certificate of Occupancy certifying that the building described in the Lease is approved for public school use, a copy of which is attached hereto as Exhibit B.

C. NHA desires to sub-lease to Academy, and Academy desires to sub-lease from NHA, all of the property and improvements described in the Lease, including all improvements made by NHA (collectively the "Premises").

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. Sub-Lease. NHA hereby sub-leases to Academy and Academy hereby sub-leases from NHA, the Premises in their "AS IS" condition on and subject to the terms and conditions of this Sub-Lease.

2. Term. The term of this Sub-Lease shall be from July 1, 2005 through June 30, 2006, subject to earlier termination as herein provided.

2.1 Termination of Lease. Notwithstanding anything to the contrary contained in this Sub-Lease, if the Lease is terminated for any reason, this Sub-Lease shall terminate concurrently with the Lease. Except as otherwise specifically stated in this Sub-Lease, Academy shall have no right during the Term to terminate this Sub-Lease.

3. Rent.

3.1. Academy shall pay to NHA rent in monthly installments of $40,000.00 payable in advance on the first day of each month during the Term of this Sub-Lease commencing July 1, 2005, together with all utilities, maintenance expenses and taxes, if any,
and all other expenses or costs incurred by the Academy or by NHA on behalf of the Academy related to the Academy’s use or occupation of the Premises.

3.2 Except as otherwise specifically stated in this Sub-Lease, Academy shall have no right to any abatement, deduction, deferment or reduction of rent under this Sub-Lease.

4. Use of Premises. The Premises are to be used by Academy as a public school academy (grades K through 8) as defined in Act 362 of the Public Acts of 1993 of the State of Michigan (as amended). Academy may use the Premises for uses ancillary to school operations upon the prior written consent of the Archdiocese as lessor under the Lease for each such use, which consent shall not be unreasonably withheld.

5. Obligations, Restrictions and Rights of Academy.

5.1 Academy agrees to perform all of the obligations, and abide by all of the covenants and restrictions, required by the Lease to be kept or performed by NHA as lessee under the terms of the Lease, except that Academy’s obligation to pay rent shall be as stated in this Sub-Lease.

5.2 Academy shall have the same right to terminate as does NHA pursuant to Lease paragraph 14, but this right shall be available only to the extent that the Archdiocese recognizes and agrees that the extent of damage justifies the right to terminate as set forth in Lease paragraph 14 unless NHA specifically consents to the termination by Academy.

5.3 Academy shall not have the benefit of the rights granted to NHA as lessee under the Lease pursuant to (a) Lease Section 4 to make alterations and/or additions to the Premises, (b) Lease Section 7 to assign or sublet, (c) Lease Section 19 to renew the Lease term, or (d) Lease Section 23 to exercise the right of first refusal.

5.4 Academy agrees that it will not intentionally act in a manner which will cause NHA to be in breach of its Lease.

5.5 Academy agrees to surrender the Premises on the expiration or earlier termination of the Lease Term in as good a condition as the Premises were when this Sub-Lease commenced, reasonable wear and tear accepted.

6. Default.

6.1 Academy shall be in default under the terms of this Sub-Lease if any Academy breach of this Sub-lease causes NHA to be in default as lessee under the terms of the Lease.

6.2 Upon an event of default, NHA at its sole option shall have all the same rights and remedies given and possessed by the Archdiocese under the Lease, and/or NHA may enforce all of the rights and remedies available to it under this Sub-Lease, and/or such other rights and remedies available to NHA under law or in equity.
7. Miscellaneous.

7.1 Notice. All notices required or permitted under this Sub-Lease shall be in writing and shall be served personally or by United States Mail first class, postage pre-paid or certified mail addressed to the party at the address indicated on page 1 of this Sub-Lease, or to such other places as may be designated by notice given in accordance with this Section. Notice shall be deemed to have been given on the day of postmark if mailed or the date of receipt if personally delivered.

7.2 Fees and Costs. If either party commences an action against the other party as a result of a breach or alleged breach of this Sub-Lease, the prevailing party shall be entitled to have and recover from the losing party reasonable attorneys’ fees and costs of suit.

7.3 Controlling Law. This Sub-Lease shall be governed by and construed according to the laws of the State of Michigan.

7.4 Assignment and Sub-Leasing. Academy shall not without the prior written consent of NHA assign this Sub-Lease or any interest in the Sub-Lease, further sub-let the Premises or any part of the Premises, or permit the occupancy of the Premises by anyone other than Academy, NHA or NHA’s subsidiaries.

7.5 Indemnity. Each party to this Sub-Lease hereby agrees to indemnify and hold the other party harmless from and against any and all claims, actions, damages, expenses, attorney fees, losses or awards (collectively the “Claims”), to the extent that such Claims are caused by (i) the negligence of the other party, (ii) any legally culpable action taken or not taken by the other party, or (iii) any non-compliance or breach by the other party of any of the terms, conditions, warranties, representations or undertakings contained in or made pursuant to this Sub-Lease. As used in this paragraph, the term “party” shall include the party’s trustees, directors, officers, employees, agents, representatives and attorneys. The obligation to indemnify shall survive for two (2) years after termination or expiration of this Sub-Lease.

NHA and Academy have executed this Sub-Lease as of the date stated on the first page of this Sub-Lease.
