Mission

The mission of **GVSU Copy Services** is to support the educational objectives of Grand Valley State University through high-quality image duplication services.

New Billing Policy

Effective July 1, 2006, Copy Services will no longer charge general fund FOAPs for copies made on convenience copiers or at the copy centers. The funding to pay for copies will be aggregated into a budget for payment of machines, paper and labor. Departmental base budgets will be reduced in 2006-07 calculating an average for the past three years less a discount for projected savings. Non general fund FOAP's will continue to be charged for copies. If you have questions or concerns, please contact Jerrod Nickels at 616-331-2450.

Copy Center On-line Submission (available at <http://copycenter.gvsu.edu>)

Electronic job ticketing and on-line submission are now available at the copy center website. Campus customers are encouraged to use the on-line job ticketing (rather than the multi-part NCR copy forms.) On the web site, copy jobs can be uploaded and proofed using Adobe Acrobat. If preferred, hard copies can be forwarded to the Copy Center at either location with the on-line copy center job ticket attached. New users can register for this service on-line. For technical assistance, contact Jay Zink at 616-331-2607.

Copy Centers

There are currently three high-volume copy centers serving the campus community. These are located at 073 Kirkhof Center on the Allendale Campus and in 136C DeVos and 159 Cook DeVos on the Grand Rapids Pew Campus.
