

CAMPUS MINISTRY @ GVSU {LEADERSHIP TEAM OPPORTUNITIES 2008-2009}

The mission of the Campus Ministry Student Leadership Team is to bring together student volunteers who are followers of Jesus, have a heart for students on campus, and a desire to serve others. Student leaders have been the “back bone” of Campus Ministry over the years. Student leaders should be willing to offer their time, vision, and creative input to the Campus Ministry program at Grand Valley State University. They will encourage others to participate in Campus Ministry by their example of service and active participation in the Campus Ministry program. Student leaders will mobilize the needed volunteers to assist them in implementing the goals of the Leadership Team for impacting both the Campus Ministry community and the greater GVSU campus.
