

Regional Highlights

Region 3

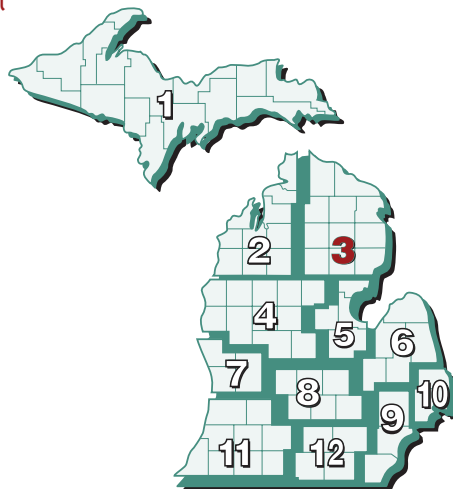

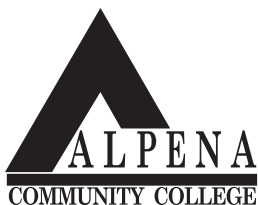

Alpena Community College continued active participation in a number of interagency forums throughout the region. They worked with Michigan Works!, local Economic Development Corporation's and Chambers to participate in seminars and training. They have continued their efforts with a group from Northern Michigan, Northern Economic Network, to develop revolving loan and micro loan funding for small businesses, while also working closely with commercial lending institutions. They also participated in the efforts of the local Alpena Downtown Development Authority to formulate strategies to recruit new businesses to the area.

Alpena Community College has maintained its efforts to stay informed about the various technology support services offered by the diversified technology consultants and have worked with them on a number of projects involving local inventors, manufacturers and a biotechnology firm. They continued to distribute MI-SBTDC materials to libraries, Chamber of Commerce, MSU Extension offices, and Michigan Works! offices throughout the region.
