## **SUPPLIER DIVERSITY PROCUREMENT PROGRAM M/W/DBE-OWNED BUSINESS REFERRAL**

CAMPUS COMMUNITY:

Grand Valley State University, pledges in good faith to strengthen its Supplier Diversity Procurement Program. Strengthening the business communities of these enterprises economically makes good business sense and contributes to the over all economic growth and the expansion of our markets. Therefore, it is the University's policy to actively locate and include minority, women and disabled-person owned business enterprises (M/W/DBE) in our procurement efforts and to increase the amount of business done annually with these enterprises. For each supplier your department has identified or has reason to believe may be an M/W/DBE, please complete and return this referral to Purchasing Services. Your participation is appreciated.
