Overview:

Zoomerang's online survey software helps you create online surveys with advanced reporting, PowerPoint charts, skip logic, custom branding and more. Quickly and easily create online surveys to get the insights you need. With Zoomerang, you can build a survey in minutes with free access to over 100 professionally-designed online survey templates. Then, analyze and share your results by creating customized charts, posting them to your blog or website or just exporting your data to Excel, PowerPoint or a PDF.

Zoomerang offers three software versions to accommodate your needs.

Basic – for a great introduction, *Pro* – for powerful surveys and reporting, *Premium* – for teams and power users. See pages 3-4 for a list of product features and comparison.
