TELL ME ABOUT THIS PROGRAM
From the University of Deusto website:
The University of Deusto first opened its doors in 1886. Its birth was the result of the combined concerns and cultural interests of the Basque Country, which wished to have a university of its own, and of the Jesuit Fathers, who wanted to move their school of higher studies from La Guardia (Pontevedra) to a more central location. The chosen site was Bilbao, a bustling seaport and commercial city that at the time was enjoying considerable industrial growth.

Today, the University of Deusto is located in one of the Basque Country’s major coastal cities, Bilbao. University of Deusto is a GVSU Affiliate Program. Past participants have shared their experiences with this affiliate program. For more information, visit their website. Video 1
